#160 The Borrower is Servant to the Lender

1 Proverbs 22: 7 The rich ruleth over the poor, and the borrower is servant to the lender.

2 This even we will close out the first half of the Spoken Word is the original Seed with brother Branham´s closing prayer. For this we will pick up at paragraph 176 and read through paragraph 180.

3 176God bless you all in the car. Many of you all that's in the cars that couldn't come in, that's listening through this mike. And God bless you that's standing around these walls, and you that sit here this morning. And I trust that by the grace of God, I haven't brought any offense. But I'm making myself clear. Now, if you believe the same thing that I have said this morning, would not you stand the same way? Sure you would. Let us bow our heads just a moment.

4 177 Gracious heavenly Father, we're not trying to bring the meeting to a close but just a halt for a little rest for a few moments. And now, may these seeds that's been sown this morning, may they have fallen upon good fertile ground. May they bring forth abundance, Lord, abundance of Eternal Life. Now, we pray, Father, that these seeds that's sown will be laying waiting for the latter rain to fall. Waiting... They that wait upon the Lord, they shall renew their strength. God, may we not run ahead of the Word; stay with the Word. Grant it, Lord. Bless us now, and those who go off to eat, I pray that You'll give them their lunches, and bless their food, and give them strength, and bring them back this afternoon real early. Lord, may they be setting in the temple here waiting. And may You help me as I go to pray and come back. I pray that You'll a-freshly anoint me this afternoon. Grant it, Lord, that I might bring what I believe to be Your Word to the people. Grant it, Father.

5 178 I pray that You'll bless our dear beloved pastor, Brother Neville, our precious brother, a few minutes to get into the water here with a group of people to go into baptism. And, Father, if there's any here this morning that has been baptized otherwise than Christian baptism that Your great servant, Paul... And he said that he had the Word of God within him, and he said, "If a man or an Angel (even an Angel come down from heaven, like Satan was in the form of an Angel) come down and said anything different than that what He said, let him be accursed." Father, we know that that's written in the Scripture, and I pray, Father, that it will sink into their hearts that Paul was the very one that made the people that had not been baptized in the Name of Jesus Christ for the remission of their sins, he was the one who commissioned them to be baptized over again. May it go to the people, Father. May they realize that this baptismal service moving up, may they realize that that's the truth, knowing that they can't produce one word in the Scripture to support their Trinitarian three god idea... Father, of course we believe You're trinity of offices, of Father, Son, and Holy Ghost. Most surely we believe that, Lord, but not making You three gods: making You one God that serve three offices, both Father, Son, and Holy Ghost, and the Name of that God was called Jesus Christ. Now, that is the Name of the Father, Son, Holy Ghost.

6 179Father, may the people see it and be obedient to water baptism for the remission of their sins. And may these few words for baptism fall deeply now in the heart of everyone, for we don't know how much longer we have, Father. It's getting very close. The enemy, as we expect to speak on this afternoon, is growing deeper, more bolder all the time. Since they've took the throne; they're moving right on in. Lord, we see it on every hand. Not Communism, Lord, may the people be able to understand that it's Romanism, the old mother whore and her harlots; and we see them, Lord, coming an image unto the beast and here we are. Father God, be merciful now, and let us all get into the safety, into the ark and be ready for the latter rain. We ask it in Jesus' Name. Amen.

7 180 Now, to you that's here in the building, now if you want to slip out and get something to eat, all right. And if you want, and then come back... Get in here just as quick as you can after the service. Now, let's stand just a moment. Let's stand up together. How many believes the Word of the Lord, raise up your hand. Amen. Oh, thank the Lord. "Oh, How I Love Jesus." Oh, how I love Jesus; Oh... Lord Jesus, bless these handkerchiefs. Give to them, Lord, the anointing of the Spirit upon them. Lord, we believe it in Jesus' Name...?... Because He first loved me.

8 Now for this evening, I would like to focus on just one thought and that is, that as we see even this nation moving more an more what seems to be communism, yet we have been repeatedly warned to not fear that, but it is Romanism that we must fear and that is what we must keep our eyes on.

9 Now, this must seem odd at this time, especially when it seems the Catholic church is being damaged daily in the News, with all that has transpired concerning the pedophiles that are in the priesthood, and with the millions of dollars being paid out because of the literally millions of cases of pedophilia amongst it´s clergy, and the closing or perish after perish because of lack of attendance, but just remember one thing. The golden rule. And the golden rule is he that owns the gold rules. They don´t have to be the biggest, they don´t have to be the most moral, they don´t have to be the most loved. But if they have the gold, and the paper becomes worthless, the gold will take over as that which will have to back any currencies if the people are to once again have any trust in them.

10 That is what is happening now, the money is being devalued all over the world. There are 100 currencies going through the same thing that the US dollar is. The central banks around the world are using the same policies to bring down all the world currencies so it matters not which one you are holding onto, they are all going down.

11 From PP. 100 of the MessageJEZEBEL RELIGION61-0319, brother Branham said,When God sends forth a message and tells the people, and they don't receive it, then He withdraws His servant and sends His plagues: famine, death, spiritually speaking, physically also.You watch for a depression, brother. You think you've seen something; you just wait after while. You haven't seen nothing. You think you're dying for a good spiritual revival; you wait till after a bit. You just wait, long and cry to hear the Word of God. The Bible said so. "There'll be a famine in the last days," said the prophet, "and not for bread and water alone, but for hearing the true Word of God." But that voice will be quiet in the wilderness somewhere, hid away.He ordained the ravens, His servants. Bless them birds, His servants, that kept the voice of--of Elijah alive during the time of his--his isolation from the church.

12 Now, there are those people who think he meant a spiritual depression, which I can understand why they would think that, but as you will see by scripture and other things brother Branham tells us that there is coming an economic depression on a scale that the world has never seen before.

13 From,Daniel 8:23-25:we read,And in the latter time(in the last days)of their kingdom, when the transgressors are come to the fullness(Completion), a king of fierce countenance(mighty Presence),and understanding dark sentences (double dealings),shall stand up(shall present himself or come on the scene).24And his power(wealth), shall be mighty(vast), but not by his own power(not by his own ability to produce wealth, which means he gets it from others): and he shall destroy wonderfully(Bring to ruin, perversion and corruption), and shall prosper(make great profits), and practice(bring about a press orsqueeze), and shall destroy(bring to ruin)the mighty(the many nations)and the holy people(the set apart nation of God,The Jews). 25And through hispolicyalso he shall cause craft(deceit and fraud)to prosper in his hand; and he shall magnify [himself] in his heart, and by peace(quietness, ease and prosperity)shall destroy(corrupt, pervert and ruin)many: he shall also stand up(stand forth and present himself) against(on behalf or on account of)the Prince of princes(Christ); but he shall be broken without hand(when the final act is played out).

14 2 Thess 2:3-13:¶ Let no man deceive you byany means: for [that day shall not come], except there come a falling away first, and that man of sin be revealed, the son of perdition;4Who opposes and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.5Remember ye not, that, when I was yet with you, I told you these things?6And now ye know what withholdeth that he might be revealed in his time.7For the mystery of iniquity doth already work: only he who now letteth [will let], until he be taken out of the way.8And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:9[Even him], whose coming is after the working of Satan with all power and signs and lying wonders,10And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.11And for this cause God shall send them strong delusion, that they should believe a lie:12That they all might be damned who believed not the truth, but had pleasure in unrighteousness.13¶ But we are bound to give thanks always to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth:

15 Daniel 11: 21-23:¶And in his estate(office)shall stand up (rise up)a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries.22And with the arms of a flood(or overwhelming political force)shall they be overflown(swept away)from before him, and shall be broken; yea, also the prince of the covenant.23And after the league [made] with him he shall work deceitfully: for he shall come up, and shall become strong with a small people.

16 Daniel 12:1-10:¶And at that time shall Michael(Christ)stand up(Come on the scene and present Himself), the great prince which standeth for(takes His stand with)the children of thy people: and there shall be a time of trouble(distress), binding or press upon as to squeeze), such as never was since there was a nation [even] to that same time: and at that time thy people(Kinsman)shall be delivered(slip out unknown to safety), every one that shall be found written in the book(genealogical record).

17 Now, I want you to notice this next verse because it provides a clue to the time of this great escape.

18 2And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame [and] everlasting contempt.In other words, this will be at the time of the Resurrection.3And they that be wise(This speaks of the Wise Virgin)shall shine(send forth light by warning and teaching and this teaching shall be)as the brightness of the firmament; and they that turn many to righteousness(right-wise-ness)as the stars(brothers)for ever and ever.4But thou, O Daniel, shut up the words, and seal the book, [even] to the time of the end (In which time)many shall run to and fro, and knowledge shall be increased.5¶Then I Daniel looked, and, behold, there stood other two, the one on this side of the bank of the river, and the other on that side of the bank of the river.6And [one] said to the man clothed in linen, which [was] upon the waters of the river, How long [shall it be to] the end of these wonders?7And I heard the man clothed in linen, which [was] upon the waters of the river, when he held up his right hand and his left hand unto heaven, and sware by him that liveth for ever that [it shall be] for a time, times, and an half(time = one, times = 2, and 1/2 = total of 3-1/2 years); and when he shall have accomplished(or brought to a finish)to scatter(the shattering or breaking)ofthe power of the holy people(God's set apart nation, the Jews), all these [things] shall be finished.8And I heard, but I understood not: then said I, O my Lord, what shall be the end of these [things]?9And he said, Go thy way, Daniel: for the words [are] closed up and sealed till the time of the end.

19 And when is that? When the Seven Seals are opened, at that time everything will be in place for the fulfillment of this prophecy

20 10Many shall be purified("by the washing of water by the Word", Eph 5:26-7 Psalm 119:9), and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall

understand.

21 Now we see the same scene played out in the book of Luke.

22 Luke 21:25:And there shall be signs in the sun, and in the moon, and in the stars; andupon the earthdistressof nations, withperplexity;the sea and the waves roaring;26Men's hearts failing them for fear, and forlooking after those things which are coming on the earth:for the powers of heaven shall be shaken.27Andthen shall they see the Son of man coming in a cloud with power and great glory. 28And when these things begin to come to pass, then look up, and lift up your heads;for your redemption draweth nigh.29¶And he spake to them a parable;Behold the fig tree, and all the trees;30When they now shoot forth, ye see and know of your own selves that summer is now nigh at hand. 31So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand.32Verily I say unto you,This generation shall not pass away, till all be fulfilled.33Heaven and earth shall pass away: but my words shall not pass away.34Andtake heedto yourselves, lest at any time your heartsbe overcharged with surfeiting, anddrunkenness, and cares of this life, and [so]that day come upon you unawares. 35 For as a snare shall it come on all them that dwell on the face of the whole earth. 36Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

23 Now, what is this distress of nations and why is it so perplexing? This is what we must know if we are to understand why everyone on earth is going to be affected.The word distress is a Greek word, sunoche which means:a narrowing, a constraining or a press. To hold together with constraint. To press on every side,like theforcing a ship into a narrow channel or the forcing of an animal into a position where it can not move so the farmer can administer medication. To impel.From this we can see that the whole world is being pushed or squeezedinto a universal condition from all sides in order to receive the medication called the New World Order or one world government.And then we see that the world will be perplexed by this Squeeze.And the word perplexed means that they are confused and don´t understand what is really happening and thus begin to panic. (Remember that Brother Branham said that the world must come into a neurotic condition, and the first stage of this neurosis is anxiety which is to worry about what might happen.)

24 Luke 21:26Men's hearts failing them for fear, and forlooking after those things which are coming on the earth:for the powers of heaven shall be shaken.

25 We find also inHebrews 12:25-29See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more [shall not] we [escape],if we turn away from him that [speaketh] from heaven:26Whose voice then shook the earth: but now he hath promised, saying,Yet once more I shake not the earth only, but also heaven.27And this [word], Yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain.28Wherefore we receiving a kingdom which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and godly fear:29For our God [is] a consuming fire.

26 87-4Hebrews Chapter 357-0901MAnd so I believe that--that Rosella will finally turn into the mission field somewhere; because America doesn't want the Gospel (You know that.); we just might as well admit that. This Anglo-Saxon people is finished; that's all. There's no more Gospel that America will receive. Oh, you get a few stragglings now and then; but just as the Gospel, it's over. And you can't even preach to them, can't talk to them. They won't believe nothing. See? They just got their own hardheaded ideas, and they're set,and the next thing's for this nation is judgment. She's going to have it too. It may be through depression; it may be through an atomic bomb; it may be through a great plague, a disease or something; but she's ready. It's a-coming; thousands times thousands will fall.

27 18-7This Day this Scripture65-0219We had a great nation; but she is now rottening and crumbling and shaking and giving away, and trying to tax people to get money to send over yonder to buy friendship with our enemies. They're throwing it back in our face. One world war, two world wars,and still moving on to a third one. Certainly. Politics is rotten, corrupted, rotten to the bottom.

28 Testimony 63-1128M 20 011I was trying to say last night,the world´s coming to a place it's falling apart, politically, socially, economically. You say, "Economics? More money."Yes, but where's it coming from? We're borrowed on taxes that'll be paid forty years from today. She's broke. She's bankrupt, the nation: not this nation, but all of them. And there's no way ever getting it back.And it's a trap set exactly to swing this nation into something. And all of you are wise on that. Well, who's got the wealth of the world? Who holds it? [Someone says, "Rome."--Ed.] Sure, it does. Rome holds it. And whenever we do, when we get broke, instead of these big merchants tobacco, whiskey, and so forth, like have to get the money; what we'll have to do, either change the currency or borrow the money. And when they do, it's the birthright sold right back, exactly, just as perfect, and justwhat the Scripture says about it.I'd like to get a place sometime, the Lord willing, when a tent comes on the scene. And I believe that's soon now, soon I'm going worldwide. I got a worldwide meetings coming now. And I'd like to get a place where I could set down for about six weeks, and just take those things and go through them (You see?), back andforth, through the Scripture.And it's astounding to see the hour that we're living in. It frightens me. It frightens me, not because... In my heart, the joy bells are ringing, knowing that the coming of the Lord is so close at hand. Butwhat frightens me, is to know that so many is unprepared for the hour that we are facing. That's the bad part. How many ever heard the story about the squirrels up there that time? Many, all, of course, I guess, everywhere. A little something like that happened the other day. And I was... You've heard the story about the mountains, coming down, when the Lord wrote those things on the mountains the other day. My, my life...I'm not a preacher. Anybody knows that. I'm not a preacher. Butit's made up in a spiritual form of watching things and seeing things move, and forewarning people of things that's coming to pass. And it's just that's my makeup. I can't help that, no more than you can help your makeup. But He, God has put us each one in the Body to do certain things. AndI watch every little move, every objective, every motive, 'cause everything is governed by spirit.This church was put here for a purpose. There's a spirit behind this church. Certainly. Spirit behind your home, behind every building, behind everything there is a spirit, motive, and objective. This church comes here to greatly exalt some human system or something, then its motives is not right; but if it's put here to try to achieve something for the Kingdom of God, then the motive and objective both is right, if the motives is directed that way.

29 I read the following article back in 1999, it was sent to me by my brother who is an international banking consultant who was called into fix Malaysia, Indonesia, New Zealand and Australia among other countries that began faltering back then. The article was published in Esquire Magazine, written by Walter Russel Meade. The article was entitled, Rule 1: Don´t Panic, Rule :2 Panic First. My objective for reading this was as it is tonight to make you and those who hear this over the net to prepare themselves for what is coming. The author of this article was extremely accurate in his predictions, and I want you to think about these as we read it again 10 years later to see which have already come on the USA.

30 "They said the Asian markets wouldn't crash. They crashed. They said the crisis wouldn't spread. It spread. They said the catastrophe wouldn't affect us. Get ready.

31 Not long ago, at a very private briefing (by the way, that very private briefing was at the Council on Foreign Relations also know as the CFR.) Not long ago, at a very private briefing about the state of the United States economy attended by senior government officials from as far back as the Kennedy years and business and community leaders from all walks of life, a powerful figure in the room stood up. "Sometimes," he said, "it feels like 1928."

32 Nineteen twenty-eight was, of course, the last good year before the crash of 1929. The entire room was stunned. And perhaps most frightening was that not a single one of the assembled wise men and women raised a voice to contradict that gloomy assessment.

33 The global economic crisis of 1997-98 is indeed a historic event. If there were an Economics Channel as there is a Weather Channel, frenetic newscasters would be interrupting regular programming right now to give us hourly updates on something they would be calling the storm of the century, an economic cataclysm as big as or bigger than the Great Depression of the thirties.

34 The behavior of economic storms is as hard to predict as the course of a hurricane. Still, this storm already has a track record, and it's pretty chilling.

35 If it reaches the United States, watch out. In a blow like this, stock prices could easily fall by two thirds--that's 6,000 points on the Dow--and it could take stocks a decade or more to recover. Many investors could be destroyed; mass liquidation of mutual funds in a panic could wipe out some funds entirely. The carnage among "growth" funds and such high-flying sectors as Internet and technology companies would be appalling.

36 In a real meltdown, the damage wouldn't be limited to the financial markets. Housing prices would plummet, leaving millions of highly leveraged home and apartment owners sitting on mortgages that are worth far more than their homes. Millions of people would lose their jobs, and tens of millions more would watch their wages drop as employers frantically tried to cut back their payrolls. Many cities would face bankruptcy as their tax revenues collapsed.

37 All these things and more have already happened in many countries around the world. Thailand, Indonesia, Malaysia, South Korea, Japan, Vietnam, Russia, South Africa--stock markets in these countries have fallen by as much as 90 percent, unemployment rates are exploding, and countless people face the loss of their businesses, jobs, and homes. Even starvation. Short or a massive asteroid strike from outer space, no natural disaster could destroy this much wealth or plunge this many people into misery And more than a year after the crisis began, not one country where it has struck shows any signs of recovery.

38 With Japan, the world's second-largest economy; and Russia, its second-largest nuclear power, firmly in its grip, the economic crisis now sweeping the planet may be the most important event--and the most dangerous--since the Second World War.

39 This isn't just an economic meltdown in a few emerging markets. It's a full-fledged crisis of the international economic system, one that could plunge the entire world into a major depression. More than that, it could challenge the strength of the international political system and test the leadership of the country that widely and imprudently bills itself as "the only global superpower."

40 Well, the only global superpower has recently made some very stupid mistakes. We put our confidence in two basic ideas that turned out to be wrong. The first is that rapid deregulation of the international financial system would promote growth without creating dangerous financial crises.

41 The second idea is that the export-oriented development model pioneered by Japan, Taiwan, and South Korea would keep working forever. In fact, that economic strategy hit a wall ten years ago, and Japan's economy hasn't grown since. Now the problems have spread to the rest of Asia, halting the tigers in their tracks.

42 Under presidents Bush and Clinton, the United States has been the leading advocate of deregulating the global economy and reducing the barriers to investment and trade. The United States was quick to take credit

when the system was working; now that it could be melting down, the U.S. is sure to be stuck with the blame. All across Russia and Asia, hundreds of millions of people are blaming their economic woes on devious American or Jewish plots.

43 Having watched this situation develop, I've got to admit, my feelings are mixed. I'm frightened by what may lie ahead, heartsick over the suffering of tens of millions of people who have already been forced back into poverty-and possibly starvation--by this economic crisis, and hopeful that the various International Monetary Fund plans and Japanese economic initiatives will solve the problem before the world economy goes down the tubes. But there's another part of me that is awestruck. I am astonished that what we thought was so substantial has turned out to be so flimsy. I feel a little like a meteorologist in hurricane ..."

44 Well, friends, I think many of these things are here now, and as brother Branham said, it´s too late, they will never be able to reverse course, and it is a trap to draw us into something as brother Branham put it.

45 Oneness62-021148031The whole world's based on that.The whole economy of this nation is based upon false conception.

46 The Supernatural 56-0129E-37037Brother and sister, our great America andour great economy that we have is rottening under the foundations, and someday, I see it in the making right now, she'll lay in the ruins.

47 167-4{341}The First Seal63-0318 And this prince in that time is to make a covenant with Daniel's people, which is the Jews. That's when the Bride's taken out now. She won't see it.{342}Notice. In the last one-half of Daniel's week, the people makes a covenant--this prince makes a covenant with Rome; makes a covenant with them no doubt for the wealth, for Catholic and Jew holds the wealth of the world.I was in the Vatican. I've seen the triple crown.. {346} I got to go all through the Vatican. Why, you couldn't buy it with a hundred billion - billion dollars.

48 Now, back when I preached this in 1999 I noted that when brother Branham gave us these figures, when gold was at a rate of $30 per oz. In the 60´s. When I brought out these things in 1999 gold was $360 per oz or 12 times greater in value than when brother Branham said it, and today we are 40 times greater in value than when he warned us what was coming. Therefore, a billion billions would be 1 quadrillion. Multiply it times the difference between 30 and $1230 per ounce which is today´s number, but may go as high as $15,000 per ounce before this depression ends. Now, that number is so high I can not calculate it. I believe that number would be something like 41 quintillion in Gold that she owns. Basically that is 41 million trillion dollars.

49 Brother Branham continued, Why, you... And just think, "The wealth of the world," the Bible said, "was found in her." All... Just think of the great places, the billions times... Why did Communism raise up over here in Russia? It just makes me sick at my stomach to hear so many preachers hollering about Communism, and they don't even know what they're crowing about.

50 That's right. Communism ain't nothing. It's a tool in the hand of God to bring revenge upon the earth for the blood of the saints that... That's right.

51 The current national debt is at $13 trillion but that number does not include all the programs the US Government has committed to but does not have the income to follow through. the is a high number but the debentures alone, which are unsecured corporate loans together with unfunded congressional spending is somewhere close to 4%0 trillion so far.

52 World

53 {349}And after the church is taken away, Rome and the Jews will make a covenant with one another. The Bible said they would, with the holy people. And now notice, they'll make it, because why? This nation is going to be busted, and the rest of the world that's on the gold standard is busted. You know that. If we're living off of taxes, due bills for forty years from now, where are we at? There's only one thing can happen. That's to call in the currency and pay off the bonds; and we can't do it. Wall Street owns them, and Wall Street's controlled by the Jews; the rest of it's in the Vatican, and the Jews has got the rest of it in Wall Street with the commerce of the world.

54 {350} We can't call it in. And if we could do it, do you think these whiskey guys and--and all these tobacco people with billions times billions of dollars a year and write off all their income tax for old vulgar pictures and things like that--go out in Arizona there and buy millions of acres of land--or thousands--and dig them big wells at fifty thousand dollars and pay it off with income tax? And they'd put you in jail if you don't pay yours. But they write it off and throw up wells and send bulldozers in.And what do they do? They put housing projects in there, and the next turn around with their money they made (they have got to make an investment) and put houses, projects in there and sell them for millions of dollars. Do you think them guys is going to compromise to change the currency?

55 {352}Like this fellow down here, Castro did. He done the only smart thing he ever did do then, when he destroyed the bonds: paid them off and destroyed them. Notice, but we can't do that. These guys won't let us. The rich merchants of the earth hold it, and then there's only one thing to do: The Catholic church can pay it off. She's the only one that's got the money; she can do it, and she will do it.And in doing this to get it, she'll compromise with the Jews and make a covenant, and when she makes this covenant with the Jews... Now, remember, I'm taking this from the Scriptures. And now, when she does this and makes this covenant, we notice in Daniel 8:23 and 25 he will cause craft to prosper (And craft is manufacturing.), in his hand.

56 {354} And he makes this covenant with the Jews, and in the midst of this three and a half years, he breaks his covenant as soon as he gets the thing wrapped up and gets the money of the Jews tied up. And when he does that, oh, my, oh, my, he's called the antichrist until the end of the church age, for he and his children are against Christ and the Word. This man's called the antichrist. Now, he's going to hold the money. And that's where I think he'll come in. Just a minute, while I say this, then I want to go back to it in a minute.He's called the antichrist and will be called the antichrist in the sight of God until the end time. Now, but then he'll be called something else. {359}Now, when he gets the money all under control, then he'll break this covenant with the Jews, as Daniel here said he would do it, in the midst of the last half of the seventy weeks of Daniel.

57 And then, brother, what will he do? He will have all of the world trade and the commerce, a pact with the world, 'cause he'll hold the wealth of the world completely.And during that time, them two prophets will rise on the scene and call that hundred and forty-four thousand. Then what'll take place?Then the mark of the beast of Revelations 13 will set in, 'cause he holds all the commerce, trade and everything of the world. And what will take place then? The mark of the beast will come in that no man can buy or sell except him that has the mark of the beast. Thank God, the Church will be enjoying a great three and a half years in glory. Don't have to go through that.

58 E-26026You see, if Satan has a kingdom, he's got to have afalse economy. He's got to have something that he can present to them to make them think they are living. But it's absolutely on the vice versa side. It's death in the form of life.

59 In closing let me leave some advise for all of us from brother Branham´s sermon Knoweth it not 65-0815 P:102 he said, Clean your lives up; pay your debts; owe no man. Jesus said, "Now, I don't mean things like your house rent and stuff. You got to do it. Get all your things off your hands. Get everything right. Make ready. Get

ready. Remember in the Name of the Lord, something's fixing to happen. I'm going into the hills this week, not exactly to hunt squirrels, 'course I like to hunt squirrels; but I'm going out there for this purpose, saying, "Oh, God, I don't know which way to move, and I don't want to miss this. Help me." You pray for me. Will you do it? I'll be praying for you. I hope by the mercies of God that I meet everyone of you, and we meet in a better land than this here.

60 Let us pray...
