

MBANZA NGUNGU 2012 MEETINGS REPORT : August 30 – September 02

Introduction:

In September 2007, during Brother Brian's meetings in Mbanza Ngungu, 3 living rainbows appeared above brother Sylvain's church. Many, believers and unbelievers testified about that supernatural event. According to the prophet's quotes, it was a vindication of the Doctrine of Christ that there is one God and He has a Son. For that purpose, in August 2012, brother Brian felt led to come back for ministers meetings and an evangelism campaign where the Lord had shown His Presence in 2007. Other Message Doctrine ministers living in countries around were invited such as Congo Brazzaville, Gabon, and Nigeria.

Ministers Meetings:

- ❖ Brother Brian brought two in depth studies to the ministers:

Brother Brian teaching on "Being conformed to the image of the first born Son" then "Doing the works He did"

1. **The relationship between God and His First born Son**, showing how we are called to be conformed to the image of the first born Son of God, as an obedient Son.

2. “**He that believeth**”, showing that the promise of John 14:12, contains two parts, the works and greater or (more works). The believer being conformed to the image of the First born Son, receiving His life shall manifest the same life, actions and works that He did.

- ❖ Brother Don Hoffman, through the 3 first chapters of Paul’s epistle to Thessalonians, spoke about the life of God expressed through ministers, considering **the apostle Paul as a pattern for all ministers**, how ministers must be so filled by God’s life, that they will display this nature of God to their own people.

Evangelism Campaign:

During two days of evangelism campaign, Brother Brian spoke on two subjects: the coming judgments and the coming prophet of Malachi 4 and Ephesians 1, Romans 8. Brother Don did the altar call. Many received their healings, and others gave their hearts to Jesus Christ.

Materials prepared for the campaign

A little over 400 people came in great expectation waiting for he campaign to begin.

Supernatural Events occurred:

- ❖ On the second day, while brother Don Hoffman was closing his sermon, he was touched by the Spirit through his own message and called brother Brian to lay hands on him for a more consecrated life, all the ministers affected by God's Presence entered in the prayer line for brothers Brian, Don and Sylvain to lay hands on them for a more consecrated life. As the prayer line was going on, while the congregation was singing "only believe", Brother Brian called Brother Daniel Mbouka that ministers may lay hands on him (Daniel Mbouka is a pastor in Dolesie, Congo BrazzaVille. He was attacked by the devil while in missionary trip in Gabon, and since has had his right arm paralyzed).

After the prayer of faith of all the saints, he was declared healed. This was one of the main purposes of these meetings, to bring people more closer to God, bringing them in this relationship with the Father.

On the first night of the evangelism campaign, as brother Brian finished preaching and Brother Don called for a healing line, Br. Brian descended the platform to walk out front, as he walked in front of the pulpit an elderly man came forward and dropped to his knees and lifted up his hands in prayer to God. Tears streamed down his face, as he knelt there in the dirt. Brother Brian and Brother Don layed hands upon him and began to pray as the other ministers came froward to do the same. More than a hundred souls came for prayer and many were healed and saved the 1st night of the campaign.

On the Last night of the evangelism campaign, brother Brian preached a sermon on from Romans chapter 8 concerning how we must die to self if we are to walk in the spirit and be led by God. A young sister who had been singing in the chorus, fell to her knees while Br. Brian was coming down from the pulpit to lay hands on the people to receive the Baptism of the Holy Spirit. She wept bitterly about her life, as brother Brian laid hands upon her head and began to pray that God He would help her to die herself and allow Christ to come into her life in order for Him to live her life for her. More than 100 others also came forward for prayer.

Each night there were more than 100 persons who came forward for prayer, Many were saved, many healed and went away rejoicing in God's mercy and grace.

- ❖ On the second day of the evangelism campaign, there was no electricity in the city since 3 am that morning. It was doubtful that it could be fixed by service time. The engineers had worked diligently since 3:00 am until 3 pm without any solution. Then brother Sylvain asked brother Brian, Don and others while they were eating to pray God that the power may be restored for the evening service of that day, brother Brian asked to the brothers to close their eyes for a few words of prayer, about one hour later the power was restored to the city, and we were able to hold the evening service. That evening just as Brother Sylvain was about to call br. Brian to come to speak a torrential rain began to pour down and soak everyone sitting up front. The audience ran up into the grandstand to get under the roof, and as it turned out they ran to where br. Brian had been sitting while waiting to be called forward to speak.

People were directed to the balcony for a while, as they were complaining in themselves about the rain, brother Brian asked the pastors to sing, these songs brought a spiritual atmosphere, Brother Brian felt the anointing on him and started preaching on Ephesians 1 and Romans 8, and the people moved in closer to hear, and in doing so were drawn to the Word he was preaching.

- ❖ Within 10 minutes of preaching, the rain suddenly stopped. The People went back where they had been seated before as brother Brian He continued where he left off. The Holy spirit moved upon the congregation wonderfully that night as many were convicted and came forth for prayer. A pastor of 500 believers in Kikwit town which is located 700 km from Mbanza Ngungu believed the doctrine and is now planing for future meetings to be held at his church to teach the doctrine of Christ in his area.

To God be the Glory, the Power and the Praises for ever and ever, amen!

As we conclude this evangelism campaign we look forward to more supernatural evidence of God's presence to bring forth many more testimonies of His promises being answered as a result of the Word, Work and Prayer that was accomplished in this campaign.
