*Three Kinds of Believers part 1*  
*The unbeliever and his judgment*  
September 12, 2021  
Brian Kocourek, Pastor

This morning we will move on to paragraph number two in brother Braham's sermon Satan's Eden. Here he speaks about br. Neville's sermon he so enjoyed.

*2 I will try to be briefly tonight, because I know many has come from different sections of the country for the service, or stayed over, some of you, and have to go back for maybe a way to get back, and I thank you. This morning I wanted to hear Brother Neville myself. I heard him many times, and never heard him anytime but what I appreciated him, but this morning, that timely message, **I know I had the leading of the Lord to listen to that this morning.** Very fine. And I see why you people like to come and listen to him also. And he will always do you good; I am sure, to listen to him.*

Now these comments flew in the face of those people who would walk out when br. Neville or Brother Collins would get up to speak. But there has always been those people who cannot walk a balanced line, and who have poor manners, such as those who come in late, usually after the song service is over or mostly finished, and those who leave before the sermon is finished. Just remember, in **John 13** which we read every communion service that it was Judas who was the first to leave the service.

In fact sometimes they would get up when br. Collins would walk up to the pulpit. And he was going to step down and was in the process of writing his resignation letter and brother Branham called him. Now, brother Branham was in Tucson Arizona at the time. He asked br. Collins what he was up to, and he didn't answer and then br. Branham asked him again. And he said he was writing his resignation letter because he did not want to be responsible for being the reason why people would leave the church. And brother Branham told him, No you're not going to resign, just let them go, the Bible tells us *"they went out from among us because they were not of us, for had they been of us, they would no doubt have remained with us."* And that should be our attitude as well.

We have had plenty of people come and go over the years, but we must stay with what the Bible teaches us, and it says, *"they went out from among us because they were not of us"*. Now, they can use whatever excuse they wish, but either we believe the Word or we don't. It is one thing to leave a church because they are not teaching the truth. It is another to leave over personality conflicts. We should be so far above that by now as we approach the Resurrection season.

People left here because they did not belong here. They had differences, and they believed differently. And if you cannot agree that William Branham is a vindicated prophet then this church certainly is not for you. A church is not supposed to be hodgepodge of beliefs and thus believers. We are supposed to gather with brethren of like precious faith.

I have known people over the years who always came into church and took their seat after the song service was over because they did not like the song leader. To me that is just political gamesmanship. And it should never be seen in the House of God. We don't come to church to be seen by people, we come to worship God.

In fact whether brother Branham was preaching or not, he always wanted his family in church each Sunday. One time in Tucson when he had no church down there but went there because God told him to. Any way this one particular morning he was rousting everyone up to have them get ready for church and Billy Paul said he wasn't going. Brother Branham said, you are going to church, and Billy said, "why dad that church doesn't even acknowledge you." And brother Branham told him, *"we don't go to church to be seen we go to church to worship God."*

So the first thing we should do when we take inventory of ourselves is to ask ourselves, “why do I go to church?” For there are two main reasons we go to church, and number one is to worship God in Spirit, and number two but not in that order is to receive the Word of God for correction in righteousness which is our right-wise-ness.

**2 Timothy 3:16** *All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness:* (that means for instruction in how to be rightly wise). **17** *That the man of God may be perfect,* (that means fully mature and) **thoroughly furnished unto all good works.**

That is what gets us ready for the resurrection and rapture. Its not what you do, but it is **his word working mightily in you.**

We sing that son “**his word is working mightily in me, his word is working mightily in me, no matter what the circumstance, or what I feel or see, his word is working mightily in me.**” And that song is based on what the apostle Paul taught us in **Colossians 1:29** “*Whereunto I also labour, striving according to his working, which worketh in me mightily.*”

But can you imagine coming into God’s house with a chip on your shoulder? The Great Judge of all the earth, and think it’s ok to hold an attitude when you come to Worship Him? I know a fella who left several times from a church because he thought bad about a brother in his church. Well, when you are that week in your faith as to let someone get between you and God, you are not in a very good position. And so he finally left the church.

My Mother in law used to say, “**If you let anyone get between you and God that person is closer to God than you are.**” And the funny thing about that is you are the one who put them there.

Now, I am sure in every congregation there are three kinds of believers, because our prophet taught that to us.

From his sermon **Three kinds of believers 63-1124E P:16** *Now, if I should call this a subject for tonight (and try my best to make that half hour count), I want to talk on "Three Kinds of Believers." And I've often made the statement, I thought, "Well, I just believe I'll preach on it one time this afternoon." I thought that. The first is believers, make-believers, and unbelievers. Now, that is quite a--a subject, but as sure as we sit here tonight, that group is always gathered together. Wherever the people gather, we find this group, and always have found them, and we probably always will have them until the coming of the Lord. And I want us tonight to picture ourselves, as I speak of these three groups, and see what group that we are in. Now, remember, I'm speaking here to maybe this church, packed again tonight around--and the walls and corridors, but I'm also speaking the world around. See? And all different parts of the world these tapes circulate through--ministries of the tapes.*

So that tells us there are three kinds of believers even among those who are tape listeners.

From his sermon **Three kinds of believers 63-1124E P:57** brother Branham said, “**Ahab, he was an unbeliever, though he act like he wasn't.** No, no, **he was amongst the believers, but he was a unbeliever.** What did he do? **He married an idolater, and brought idolatry right into Israel. He was an unbeliever; we know that. They deny the whole of the Word of God to be true. The unbeliever is...** See, now remember, **he's a hypocrite. And he acts like that he will, says he believes it, but he denies it. He said, "Well, so much of it is well," but if all of it isn't right, then that makes him an unbeliever. You've got to believe every tittle and every jot, and everything that's said in there. It's got to be true. If it isn't true--if you say, "Now, I don't believe that," well, then you're a unbeliever.**

Now, that goes for **John 14:12, Mark 16, 1 Timothy 4** and so many others scriptures.

In **2 Timothy 3:1** we read, “*This know also, that in the last days perilous times shall come. 2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents,*

unthankful, unholy, **3** Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, **4** Traitors, heady, highminded, lovers of pleasures more than lovers of God; **5** Having a form of godliness, but denying the power thereof: from such turn away. **6** For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts, **7** Ever learning, and never able to come to the knowledge of the truth. **8** Now as Jannes and Jambres withstood Moses, so do these also resist the truth: men of corrupt minds, reprobate concerning the faith. **9** But they shall proceed no further: for their folly shall be manifest unto all men, as theirs also was. **10** But thou hast fully known my doctrine, manner of life, purpose, faith, longsuffering, charity, patience, **11** Persecutions, afflictions, which came unto me at Antioch, at Iconium, at Lystra; what persecutions I endured: but out of them all the Lord delivered me. **12** Yea, and all that will live godly in Christ Jesus shall suffer persecution. **13** But evil men and seducers shall wax worse and worse, deceiving, and being deceived. **14** But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them; **15** And that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus. **16** All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: **17** That the man of God may be perfect, thoroughly furnished unto all good works.”

We also read in **1 Timothy 4:1** “Now the Spirit speaketh expressly, that in the latter times **some shall depart from the faith**, (and what is the cause of them leaving? He says,) **giving heed to seducing spirits, and doctrines of devils**; **2** Speaking **lies in hypocrisy**; (telling you one thing and doing another) **having their conscience seared with a hot iron**; **3** Forbidding to marry, and **commanding to abstain from meats**, which **God hath created to be received with thanksgiving of them which believe and know the truth**. **4** For every creature of God is good, and **nothing to be refused, if it be received with thanksgiving**: And that is your key right there, your motive. **5** For **it is sanctified by the word of God and prayer**. **6** If thou **put the brethren in remembrance of these things, thou shalt be a good minister of Jesus Christ, nourished up in the words of faith and of good doctrine, whereunto thou hast attained.**”

And the Apostle Paul also said in **2 Timothy 4:1** “I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead **at his appearing and his kingdom**; **2** **Preach the word**; be **instant in season, out of season**; (that word instant means to be present and take a stand in season, out of season) (and while taking your stand be willing to) **reprove, rebuke, exhort** with all longsuffering and **doctrine**. **3** For **the time will come when they will not endure sound doctrine**; but after their own lusts shall they heap to themselves teachers, having itching ears; **4** And **they shall turn away their ears from the truth, and shall be turned unto fables**. **5** But watch thou in all things, endure afflictions, do the work of an evangelist, **make full proof of thy ministry.**”

Now, brother Branham gives us another example of an unbeliever in his sermon **Remembering the Lord 63-0122 P:59** where he speaks of Judas Iscariot. “What about Judas Iscariot? He's got something to remember too. Judas has got something he's remembering tonight. Certainly is. And he'll always remember it. Certainly. Why? **He sold the Lord Jesus for personal gain**. I wonder tonight, **if there isn't many doing that same thing today, selling your birthrights for personal gain, when you should be on fire for Christ**. When you should be doing something for Him, **working for Him** or something, **you go join somewhere where you can live any way you want to, and still claim to be a Christian**. That's what the world is looking for tonight. **The world, I said, not the believer**. The believer's looking for every straight road he can walk in to get right. But the unbeliever is wanting somewhere where he can go and just maintain his profession of a Christian, and then just live anyway he wants to. That's what this nation wanted for a president, and that's what they got. That's exactly. That's what the church wants. That's what they got. Yes, sir. That's what you get.”

And from his sermon **God perfecting His church 54-1204 P:52** he said, *"Look. The first thing when you... Here when you're going out of this line now, get this straight. Here's where mortals live. A whole conglomeration is blackness and darkness. And in there is little lights, placed now and then. **That's Christians borned-again of Light.** "Ye are--you are a light that is set on a hill. A candle that is set in the room and gives light to all the room." That's what a Christian is amongst darkness. **You're supposed to shine where it's dark.** Now, notice. The wicked or the unbeliever is influenced from beneath. There is a trinity of hell like there's a trinity of heaven. They're influenced by evil powers. Notice. The first thing, when you start down, the first thing you find is a realm here that's got the unsaved in it. That's right. That's where Jesus went and preached to the souls that were in prison that repented not in the long-suffering in the days of Noah. The next is demons. And the next is hell itself. The world is influenced by these demon powers through this trinity. And the Christians are influenced by a Spirit too, the Holy Spirit."*

And when he says **the unbeliever** is influenced by **beneath**, he's talking about **Satan** and **his kingdom**. So influence comes via visions. We are influenced either by visions from above or visions from beneath.

Television is to "tell a vision", and so we ask **whose vision is being told**. It certainly is not God's vision. And have you ever noticed that people want to get their news from the "tell a vision", but whose vision are they listening to or watching? And have you noticed they break down the "telling of a vision" into **channels**? And we know that is the same language that mediums and witches use when channeling a séance with the dead. So they "tell a vision" using **channels**, but the only thing I that they are using the same vision from beneath on every **channel**. Remember when I showed you thirty plus news attions saying the exact same thing in declaring the news for the day. So why would they do that? Its called programming. *"Tell a vision"* using all *"channels"* in order to **"program"** the people into a certain mindset. and that is what cults do when they program people into their vision.

Why do you think our prophet warned us to get the *"tell a visions"* out of the house. People listen to the news and they are told that the **COVID will kill you** but *"if you get the jab you will live"*. And that is the exact same lie the devil told to Eve in the garden. *"**You shall not surely die.**"* And people are falling for this same lie all over again, because they have a choice, *"either listen to the tapes of a-vindicated prophet of God who is the Voice of God to this generation and live" or "listen to the 'tell a vision' and die."*

So what do they do? By their fruits you shall know them. They choose to listen to the *"tell a vision"* instead of the word of God through a vindicated prophet of God. And you know what? They are now being punished for their unbelief and this is only the first vial that has been opened, and there are 6 more vials to be opened. The death march has begun and by this winter we will be seeing millions of people dying, because *"the day you eat thereof that day you die."*

In fact in the book of **Revelations** chapter **16** and verse **1-2** we read, *1 And I heard a great voice out of the temple saying to the seven angels, Go your ways, and pour out the vials of the wrath of God upon the earth. 2 And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worth-shipped his image.*

And we know the image of the beast is the council of churches.

**Broken cisterns 64-0726E P:24** *And it's a strange thing that this United States appears on the scene, and it's like a lamb. And a lamb has two small horns, civil and ecclesiastical rites. And after while when that was a lamb, we found out that it spoke then like a dragon and exercised all the power the dragon had before it. And the Bible tells us that they said, "**Let us make a image unto the beast.**" A image is something like something else. And we can see it right now that in its apostate condition the church is forming the World Council of Churches, which is the image to the power of Rome, and will force upon the people the same thing that papal Rome did. So there's no other way, no other thing, but that is the*

Truth. And that's why I'm striking it in my age, in my time, is because it's got to be struck at. The call come to **"Come out of her, My people, that ye be not partakers of her sins."**

Look away to Jesus 63-1229E P:19 There's coming a time upon, **in this nation**, to where **this nation is going to exercise all the power that the beast had before** (which was **pagan Rome, when it become papal Rome**. See?) **that this nation will do that. Revelations 13** plainly explains it. **The lamb came up out of the earth. The other beast came up out of water, thickness and multitudes of people. This lamb came up where there was no people. A lamb represents religion--the Lamb of God. And remember, it spoke like a lamb; it was a lamb, and then after while it received power and spoke like a dragon, and exercised all the power the dragon had before him; and the dragon is Rome always. So don't you see, Roman denomination, a marked Protestant denomination, an image unto the beast, making a power that'll force all Protestants like a union. You'll have to be into this council of churches, or you won't be able to have fellowship or to... Well, it's practically that way now. You can't go to a church and preach, 'less you have a fellowship card or some identification.**

**World again falling apart 63-1127 P:86 That denominational system is the mark of the beast.** You've knowed it. You never heard me say it before; that's the reason I've raked it so hard. Because now **I think the time's just about finished**, so might as well let it come forth and tell the Truth about it. There she is. **That's the marking of the beast, exactly. Rome was the beast, and she was denomination, the first organization.** And we come out of her, we Pentecostal people, to not be partakers of it; and **turned right like a dog to its vomit, and a hog to its wallow, right back in.** No wonder our Pentecostal system is done, and so is the Methodists, Baptists, World Council of Churches, and all. **They're being swallowed up in the Council of Churches, making a mark or an image unto the beast to give it its power. "And it had a head wounded unto death, and then live," pagan Rome to papal Rome. Oh, my, how blind has Protestants been. And here you are, right now setting right in the midst of it. And there's nothing you can do now. The system's done formed. They'll take it and don't know they've took it. They'll just be in there; that's all. They can't get out of it. It's already done.**

And we see the punishment of all who take the mark in **Revelations 16:1-2**. There's your mark of the beast in action and **influence**. Choosing what man says above what God says. And notice all who have the mark of the beast, **the plagues** will pour out upon them **"a noisome and grievous sore"**. And the bible tells us its contained in a vial. Oh, my how specific God's word is. Germ warfare and they willingly take it. Why? Because they listen to the words of man rather than the word of God. They worth ship mans word over Gods word.

So we see they will all receive **"a noisome and grievous sore"**? And what causes this? He said it **is a vial of plagues** being opened upon all who **worth ship** the image of the beast (which is the world council of Churches) and all who have taken the mark of the beast which is the Roman organizational system of unbelief listening to the words of man and his science **"so-called"** instead of the Word of God.

The apostle Paul warned us of this so called science, and he told us to avoid it.

**1 Timothy 6:20 O Timothy, keep that which is committed to thy trust**, (and what is that? It's the Word of God) **avoiding profane and vain babblings, and oppositions of science falsely so called:**

Oppositions of science which is falsely called science but is nothing but a political argument.

And so what is a **"a noisome and grievous sore"**? The word noisome was translated from the Greek word **Kakos** which means worthless. There worth ship produced in them a **worthless, bad, evil, harmful, and wicked grievous sore.** The word **grievous** was translated from the Greek word **poneros** which indicates degeneracy. This Greek word **"Poneros"** speaks of **"evil in effect or influence"**, and differs from other Greek words for evil which have to do with the essential character as well as speaking of degeneracy.

Now, for those who do not know, degeneracy it speaks of a deterioration; From the medical dictionary degeneracy means to change from a higher to a lower form, **especially change of tissue to a lower or less functionally active form. When there is chemical change of the tissue itself, it is true degeneration; when the change consists in the deposit of abnormal matter in the tissues, it is infiltration.** adj., *adj* de gen´erative.

And then the word **sores** in the Greek is **helkos** which speaks of **ulcers** or **ulcerated degenerated tissues**.

And what causes this? The **medical online dictionary** says “*degeneracy means to change from a higher to a lower form, especially change of tissue to a lower or less functionally active form. When there is chemical change of the tissue itself, it is true degeneration; when the change consists in the deposit of abnormal matter in the tissues, it is infiltration.* adj., *adj* degen´erative.

When people open themselves up to be injected by a **vial** full of toxic materials such as *Graphine Oxide* and **luciferin**, and whatever other toxics chemical they have inserted into this medical procedure they call a vaccine, which is not a vaccine, and because of **the gullibility of them that are in the act of perishing**, as Paul called it in **2 Thessalonians 2** we are seeing millions of people around the world with a condition referred to as **thrombosis**, which is a lowering of the blood platelets count and causing blood clots in all the organs of the body from the **brain lining to the heart lining and lung lining**, to the **kidneys, liver and uterus wall lining** as well as lowering the sperm count.

And **the largest organ** of all we have is the skin and here are some pictures of what this jab is producing in the body, which perfectly is described in the Word of God in **Revelations 16:1-2. Ulcerated lesions** caused by blood clotting.

## Coronavirus vaccination may be cause of rare blood disorder in people.

**Revelations 16:1** *And I heard a great voice out of the temple saying to the seven angels, Go your ways, and pour out the vials of the wrath of God upon the earth. 2 And the first went, and poured out his vial upon the earth; and there fell a noisome (jakos - Injurious) and grievous* (The word **poneros** – speaks of hurtful and diseased, but most often is used of the character, ie: the essential character, indicating a degeneracy from its original virtue) **sore** (helkos – an ulcer) *upon the men which had the mark of the beast, and upon them which worshipped his image.*

**Thrombocytopenia** (an abnormal decrease in the number of blood platelets) following Pfizer and Moderna SARS-CoV-2 vaccination.

Now, I am going to show you what is happening in the brain when the COVID shot is given in some. If you have a weak stomach please close your eyes for the next minute while I show you an autopsy of a brain which had clots do to the COVID vaccine.

<https://i.4pcdn.org/pol/1626168654634.webm>

Now, take that times millions who have clots in the uterus, lungs, kidneys, liver, and other various organs of the body, and what you are seeing is the plague when the first vial was opened to punish those who worth ship the beast and his image.

- The U.S. Food and Drug Administration on Friday added a warning to patient and provider fact sheets for the Pfizer and Moderna Covid-19 vaccines to indicate a rare risk of heart inflammation.
- For each vaccine, the fact sheets were revised to include a warning about myocarditis and pericarditis after the second dose and with the onset of symptoms within a few days after receiving the shot.
- Health officials said the benefits of receiving the vaccine still outweigh any risk. There have been just 12.6 heart inflammation cases per million doses for both vaccines combined.

## FORBES Graphene Oxide In Pfizer Covid-19 Vaccines?

Bruce Y. Lee

Senior Contributor

“Yet, there are now claims circulating that the Pfizer/BioNTech Covid-19 vaccine is around 99% graphene oxide. This despite the fact that graphene oxide does not appear on either the FDA or CDC list. For example, an Instagram post included the following statement: “99% Graphene Oxide in Pfizer V4X? Spanish scientists obtain vial of Pfizer v4xin3 and find that 98-99%.” In this case, “V4X” presumably is shorthand for “vaccine” rather than “vagina for your ex.”

As [PolitiFact.com](#), a nonprofit project operated by the Poynter Institute, described, the post indicated that graphene oxide, *“is toxic to the human body and causes a number of problems.”* A video accompanying the post featured someone named “**Dr. Jane Ruby.**” Ruby advanced claims that over **99% of the Pfizer/BioNTech vaccine consists of graphene oxide** and that *“There’s no other reason for this to be in here except to murder people.”*

## Pfizer Covid Vaccines “Destroy Every System of the Human Body” Warns Israeli Health Experts

The [Israeli People’s Committee](#) (IPC), a citizen-led group of Israeli health experts, has published its April report issuing an urgent warning that the Pfizer/BioNTech vaccine damages virtually every system in the body.

Whilst most of the attention surrounding vaccines has been focused on the AstraZeneca jab, which is linked to deadly blood clots, the Pfizer injection is actually much more dangerous, based on the latest data. The IPC’s [April report](#) warns that being injected with the Pfizer vaccine could lead to catastrophic health issues, which has been evidenced by the countless Israeli lives that have been damaged by the jab.

The report states: “Never has a vaccine injured so many! We received 288 reports of deaths occurring in proximity to the vaccination (90% up to 10 days after the vaccination). 64% are men.”

However, Israel’s Ministry of Health’s figures claims that only 45 deaths occurred in proximity to vaccination. As the report states, this “smokescreen”, lack of transparency and deception only leads to more deaths.

If the figures contained within the IPPC report are valid, then more Israelis have died from the Pfizer jab than have Europeans from the AstraZeneca jab throughout the entirety of Europe.

The report warns: "According to data from the Central Bureau of Statistics (CBS), during January-February 2021, in the midst of the vaccination operation, there was a 22% increase in overall mortality in Israel compared to the bi-monthly average mortality in the previous year.

"In fact, the period of January-February 2021 is the deadliest one in the last decade, with the highest overall mortality rates, when compared to the corresponding months over the last 10 years."

The report highlights that younger people between the ages of 20-29 appear to be the demographic that saw the most dramatic increase in mortality following the rollout of the Pfizer vaccine.

"In this group, during the same vaccination period, January-February 2021, there has been a 32% increase in overall mortality compared to the bi-monthly average mortality in 2020.

Ok, so we could take another ten hours of showing you headlines from around the world which show this clotting is wide scale and a world-wide problem. What none of these articles do it to tie it to the first vial being poured out in **Revelations 16:1-2**

Isn't it interesting that the process the Bible describes for the first plague is a vial of venom poured upon all those who have the mark and who share the image of the beast. And we see the results of this scripture as Br. Branham taught us, that "**God interprets his word by bringing it to pass.**" That is let loose upon those who have the mark? And isn't that exactly what we call the little glass tube that the vaccines come in?

**Investments the 64-0314 P:24** *That's what makes the Gospel today. It's the unusualness, because God is unusual. His Word is interpreted unusual to what we sometimes have it interpreted. But as I've said before, God needs nobody to interpret His Word. He does His own interpretation by bringing to pass the things that He said He would do. He interprets His own Word. He doesn't need our interpretation. It's... Our interpretation is our own manmade thoughts that we put with It. When God said, "Let there be light," and there was light, that needs no interpretation. God said, "A virgin shall conceive," and she did. That doesn't need any interpretation. Jesus said, "The Son of man goes up to Jerusalem, and be given into the hands of sinful men. They'll crucify Him; and on the third day He'll raise up again." That needs no interpretation. He said, "A little while and the world seeth Me no more; yet ye shall see Me: for I'll be with you, even in you, to the end of the age, to the consummation." He's here. It doesn't need any interpretation. It's His promise. "The works that I do shall he do also. He that believeth in Me, the works that I do shall he do also." That's found in St. John 14:12, and we know that that's true. So it doesn't need any interpretation.*

So we have seen the interpretation of **Revelations 16:1-2** and we know the judgments are now in the earth. I didn't go into the next six vials because they do not pertain unto us as they will during the time of the 3-1/2 year tribulation period.

But if you wish to do some home work read the rest of **Revelations** chapter 16.

In closing I want to leave you with a promise from Jesus Christ as we see in **Matthew 24:22** "**And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.**"

Let us pray
