

Satan's Eden no 104
Nation will be against Nation

May 7, 2023

Brian Kocourek, Pastor

Now let's look at World War III and the United States proxy war against Russia which has began in the Ukraine between Russia and the United States. Look who is involved in this war. It is NATO with a history of hiring Nazi Military leaders. How did these guys get such a high rank in NATO? Who is controlling NATO? Every one of these was fact checked and is accurate.

Now let's look at the history of Ukraine. It is a country that fought for the NAZI and after the war they still were ruled by the NAZI party. During this time many NAZI officials were hidden away in Ukraine by the CIA. The Eastern Ukraine were Russian aligned and the Western Ukrainians were led by the NAZI party.

Adolf Heusinger
 Nazi dictator Adolf Hitler's Chief of Staff became Chairman of the NATO Military Committee, 1963-1964

Hans Speidel
 Nazi Field Marshall Erwin Rommel's Chief of Staff became Commander in Chief of NATO forces in Central Europe, 1957-1963

Johannes Steinhoff
 Famous Nazi fighter pilot for the German Luftwaffe became Chairman of the NATO Military Committee, 1971-1974

Johann von Kiehlmansegg
 General Staff officer of Nazi Wehrmacht's High Command became NATO Commander of Allied Forces Central Europe, 1966-1968

Ernst Ferber
 Lt. Col. of the Nazi Wehrmacht General Staff became Commander in Chief of NATO forces in Central Europe, 1973-1975

Karl Schnell
 First General Staff Officer of 76th Panzer Corps became Commander in Chief of NATO forces in Central Europe, 1975-1977

Franz-Joseph Schulze
 Senior Lieutenant of the Nazi Luftwaffe became Commander in Chief of NATO forces in Central Europe, 1977-1979

Ferdinand von Senger und Etterlin
 Adjutant to the Nazi Wehrmacht High Command became Commander in Chief of NATO forces in Central Europe, 1979-1983

In 1991 soviet Russia broke up and Gorbachev left behind 15 separate states, Ukraine became one of them.

If you look on a map they became a west leaning state. Russia did not want their buffer states to become NATO trolls. After all NATO was run by the German NAZI generals since its inception in April 9th, 1949.

It all came to a boil when the CIA led a color revolution what Victor Jankovic was elected president. Many of the western NAZI people marched on Kyiv and Jankovic fled to Moscow. You can see they are Native Russian people and the yellow are native to Ukraine and orange are a mix of the two. The CIA led western peoples claimed he abandoned his post and so they overturned the election and put in western backed Petro Poroshenko U.S. straw man. During this time the western Ukrainians began to treat the Eastern with

contempt invading the DUNBAR area which were of mainly Russian descent. This caught the attention of Vladimir Putin who used it as a mere excuse to take back Crimea which had been historically a main port for Russia. Later it escalated into a war to take back the Dunbas region which is basically the eastern pro-Russian region.

It is all political but has since become a proxy war between the Russians against all the western NATO countries including the USA.

Now we know what kind of weapons that Russia has which are many hypersonic weapons including the Satan 2 which can

destroy a region the size of Texas or France. We also know what brother Branham said in his seventh Vision that Russia would strike America, and destroy it.

We know what the seventh visions tells us that Russia will invade the USA, in some quote he said we would surrender. Which means give up.

We know that they have hypersonic missiles which we cannot defend against. Russia looks on the USA as a SODOMITE controlled pedophile nation with all our perverted legislation making this the capital or Sodomite control with all of its LGBTQ0RX legislation allowing men to compete with women in the sports and use of the bathroom and locker rooms.

Seventh Vision: *The voice bade me to look once more. As I turned and beheld, a great explosion rent the entire land, and left the land of America a smoldering, chaotic ruin. As far as the eye could see there was naught but craters, smoking piles of debris, and no humanity in sight. Then the vision faded away.*

Ezekiel 12:22 *Son of man, what is that proverb that ye have in the land of Israel, saying, The days are prolonged, and every vision faileth? 23 Tell them therefore, Thus saith the Lord GOD; I will make this proverb to cease, and they shall no more use it as a proverb in Israel; but say unto them, The days are at hand, and the effect of every vision. 27 Son of man, behold, [they of] the house of Israel say, The vision that he seeth is for many days to come, and he prophesieth of the times that are far off. 28 Therefore say unto them, Thus saith the Lord GOD; There shall none of my words be prolonged any more, but the word which I have spoken shall be done, saith the Lord GOD.*

We also read in **Habakkuk 2:2-3:2:2** *And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it. 2:3 For the vision is yet for an appointed time, but at the end it shall speak, and not lie: **though it tarry, wait for it;** because it will surely come, it will not tarry.*

Laodicean church age 60-1211E P:24 *But the Lord showed me a vision of the great powerful woman, in '33, 1933, it's on paper. Of how that Roosevelt would cause... He helped cause the world to go to war. How that Mussolini would make his first invasion to Ethiopia, and he would take it, but he'd come to a disgraceful end. And how that then the three isms (Nazism, Fascism, and Communism) would all wind up in Communism. And how many in here remembers me just keep having you stand, and say it over like that, "Watch Russia. Watch Russia, the king of the north. Watch Russia, king of the north. Watch Russia, king of the north"? How many has heard me just say this, wave that over, over? The old-timers (You see?), back in the early part of the church. Just stand there and wave it*

over and over, "**Watch Russia**, the king of the north. See, what he would do, for all those isms will heap up into Russia."

Notice in 1933 it told him to "watch Russia" not watch the Soviet Union which did not become the Soviet Union until about 15 years later and then became Russia again in 1990 after the collapse.

Now it is fact that when the drones attacked the Russian capital building of the Kremlin, that Putin was sleeping in his room and it was an assassination attempt on his life. Russia's top diplomat Sergei Alexievich Ryabkov who is the deputy foreign minister of Russia used the Latin term "**cacus belli**" in talking about this assassination attempt. This word means the "**cause of war**". The same thing happened before WW1 when Archduke Franz Ferdinand of Austria was assassinated. I had opportunity to visit the hotel in Norway where he had been staying. Anyway the world entered into WW1 a month after the assassination. If the pattern holds true like then, that would take us to early June, which still gives us time for a spring rapture.

When you look at the insanity that controls the nuclear football, just about anything can happen. We all had it wrong and were looking for some drunken Russian to set us in motion for a World War III but we didn't realize we have all the makings of insanity running this Country.

Faith once delivered to the saints 55-0501 P:17 *Going to Sunday school one morning, I was caught away in a vision. And I said, "Now..." Under the inspiration of the Holy Spirit, I said, "Now, there's going to be three great isms. Which is now in existence. One of them is in Rome, which is Fascism, and one of them is in Germany which is Nazism. And the other one is in Russia, which is communism." I said, "Those three great isms is the unclean spirits that went out of the mouth of the false prophet, and the dragons, and so forth that will unite themselves together, speaking things that they should not, and they'll all beat at one another, **until they'll finally wind up in one ism.** And I predict that that will be communism. And communism will burn the Vatican City.*

And I said, "**Just before the end time comes...**" Now remember, I still say this: "**Before the end time comes...**" Wrote twenty-three years ago. "**Before the end time comes, there'll be a woman, that'll be a great ruler in this nation.** She will either be president or **something on that order, some great woman.** And at that time, automobiles,

just before the coming of the Lord, will be in the shape of an egg." Now, remember that; keep it in mind. See? That was in 1932, or something like that. And look how they're shaping down every year, right

64-0112 - Shalom, 74 *And is it not a strange thing, that in this day that when we have come through all these things, and the Message has crossed the earth against organization, It's blasted it from right to left, that, in this hour that's been told since 1933, when the Holy Spirit gave me that visions and showed me the end time, seven things that I spoke of, and five of them has already happened, perfectly, right on; like Germany and Italy and all the wars, and the national things (seldom speaks to me on those things). But they happened just exactly the way He said they'd happen. How Mussolini would go to Ethiopia, and Ethiopia would fall at his step, and then how that he'd come to a disgrace, and be spit on by his own people; and disgraced, hung upside down, with that prostitute that he lived with, on the street. How that the Americas would go to war with Germany, they'd take an awful beating at a place called, a great line where there would be concrete fortified in there, I believe it's called the Siegfried Line. And there's one called Maginot, I believe that was the French. Was that right? And the Siegfried Line was the German line. And the Lord let me see that, eleven years before it was built. And they never would admit getting a beating on it, the Americans wouldn't, till they almost sunk the complete army. When they went in there, the Germans had their guns just trained right out on that fleet, and let it get right in there, and almost sunk it. And I seen that, eleven years before the line was ever a foundation was ever poured for it, or anything, the Siegfried Line. And all these other things, like machines and automobiles, and how everything has come right down exactly what He said, until a woman ruling this nation, which, perhaps, is the church. And then the end come.*

An Exposition Of The Seven Church Ages - 9 - The Laodicean Church Age, Rev. *The Lord Jesus spoke to me and said that the coming of the Lord was drawing nigh, but that before He came, seven major events would transpire. I wrote them all down and that morning I gave forth the revelation of the Lord. The first vision was that Mussolini would invade Ethiopia and that nation would "fall at his steps." That vision surely did cause some repercussions, and some were very angry when I said it and would not believe it. **But it happened that way.** He just walked in there with his modern arms and took over. The natives didn't have a chance. But the vision also said that Mussolini would come to a horrible end with his own people turning on him. That came to pass just exactly as it was said. **(FULFILLED)***

The next vision foretold that an Austrian by the name of Adolph Hitler would rise up as dictator over Germany, and that he would draw the world into war. It showed the Siegfried line and how our troops would have a terrible time to overcome it. Then it showed that Hitler would come to a mysterious end. **(FULFILLED)**.

The third vision was in the realm of world politics for it showed me that there would be three great ISMS, Facism, Nazism, Communism, but that the first two would be swallowed up into the third. **(FULFILLED)**

The voice admonished, "WATCH RUSSIA, WATCH RUSSIA. Keep your eye on the King of the North."

The fourth vision showed the great advances in science that would come after the second world war. It was headed up in the vision of a plastic bubble-topped car that was running down beautiful highways under remote control so that people appeared seated in this car without a steering wheel and they were playing some sort of a game to amuse themselves. **(FULFILLED)**

The fifth vision had to do with the moral problem of our age, centering mostly around women. God showed me that women began to be out of their place with the granting of the vote. Then they cut off their hair, which signified that they were no longer under the authority of a man but insisted on either equal rights, or in most

cases, more than equal rights. She adopted men's clothing and went into a state of undress, until the last picture I saw was a woman naked except for a little fig leaf type apron. With this vision I saw the terrible perversion **(Sodomites – homosexuals – lgbtqxyz)** and moral plight of the whole world. **(FULFILLED)**

Then in the sixth vision there arose up in America a most beautiful, but cruel woman. She held the people in her complete power. (He said she would be wearing purple). I believed that this was the rise of the Roman Catholic Church, though I knew it could possibly be a vision of some woman rising in great power in America due to a popular vote by women. **(FULFILLED)**

The last and seventh vision was wherein I heard a most terrible explosion. As I turned to look I saw nothing but debris craters, and smoke all over the land of America.

Handwriting on the wall 58-0618 P:53

But we've let it come to this place with our sin and modern living. And without prayer in the church, cooling off and going away, we've let it get to this place. They thought if they send about... They got a ton and a half, or two ton, bomb up there now, or satellite. We couldn't touch them with no missile. There ain't a thing we could do

about it. They could get a few of those hydrogen bombs, move right over the United States and say, "Surrender or go to ashes." They can do it in the next fifteen minutes. What would we do? Why, the only sensible thing there is to do is surrender. The Pentagon would surrender; the nation would

surrender. Then what would happen? Right in our drunken stew, like another Pearl Harbor, **great shiploads of ungodly men, Russian soldiers, planes full of them, come right into our homes, and grab the women, ravish them, bust the heads of their babies in the street, take over home and kick you out.** What you going to do about it? All because we have failed to see this handwriting on the wall, and the coming of the Lord Jesus Christ... Listen, brother, that could happen by morning. And if it's that close, how many here that's read newspapers and understands that that could happen by morning and we couldn't help it, raise up your hand. Sure?

Psalms 137:9 *They will grab your babies little ones and throw them against the rocks.*

Sign of the time 58-0520 P:44 *By this time tomorrow night (hear me), there's not a thing, not one thing, that would keep shipload after shipload, plane load after plane load of Russian soldiers right out here, **grabbing these women, and ravishing them in the street,** and doing what they want to. Come in, and if they like your house, kick you out of it, and that's it. What are you going to do? Ungodly, barbarous men who doesn't know nothing about God and cares that much less... You say, "God does that?" He certainly does, according to His Bible. He has a punishing whip when His people won't obey. There's not a thing. What would our Pentagon do, if Russia did such a thing, and say, "**Now, surrender, or go to ashes.**" **We'd have to surrender, only sensible thing to do would be surrender.** They're up there: we can't bring them down. They've got their guns on us. Just about three or four of them bombs, and that settles the whole thing. Oh, she's all shook up, brother, sister. The nations that are such a tremendous nervous condition tonight, till they don't know what to do.*

Have faith in God 58-0510 P:45 *I pray that You'll manifest Yourself now in Your great power of the resurrection, that when that great bomb does fly this a way, that sputnik with thousands of Russian soldiers with their atomic bombs*

hanging here, "Surrender or go to dust." What could we do? **O God, the church will be gone then.**

Jesus Christ the same 61-0519 P:54 *The whole world might get in these sputniks and just say, "Well, you want to perish or surrender?" What would we do? See? And it's laying in the hands of sinful men. What if somebody happens to drink too much vodka someday, and turn one of those missiles loose? **Every nation's got them ready just to pull.** Why, the world couldn't survive it.*
