

Satan's Eden no 107
Tidal waves & Equatorial Buldge

April 23, 2023

Brian Kocourek, Pastor

Abraham's covenant confirmed 61-0318 P:14 Also the moon itself is a watchdog. God

set the boundaries of the sea and set the moon to watch it. And the sea, how angry it jumps at the banks; it'll like to destroy everything on the earth, because it did one time, you know. And to see sin, heaping...

*The waves, beat those big waves against the banks. And remember, **in the last days was predicted tidal waves: sea roaring, men's hearts failing, fear, perplex of nation, distress. That would be the end time signs.** We've went through all of that, down along the road. Now, here we are, right up to the last sign to Abraham's children, and even brought in the names of the messengers, just like it was in Abraham's time, to show there's no slip up no where--Bible: **"Thus saith the Lord."** And then the church sets, dead. Ball games, attractions of the city, and the worldly things has the church all lured away. The Bible said they'd be heady, high minded, lovers of pleasure more than lovers of God, having a form of godliness.*

Choosing of a bride 65-0429E P:85 *That's solemn warning. We*

*We don't know what time. And you don't know what time that **this city one day is going to be laying out here in the bottom of this ocean.**" O, Capernaum," said Jesus, "thou who exalted into heaven will be brought down into hell, for if the mighty works had been done in Sodom and Gomorrah, it'd have been standing till this day." And*

*Sodom and Gomorrah lays at the bottom of the Dead Sea, and Capernaum's in the bottom of the sea. Thou city, who claims to be the city of the Angels, who's exalted yourself into heaven and sent all the dirty filthy things of fashions and things, till even the foreign countries come here to pick up our filth and send it away, with your fine churches and steeples, and so forth the way you do; remember, **one day you'll be laying in the bottom of this sea.** You're great honeycomb under you right now. The wrath of God is belching*

*right beneath you. How much longer He'll hold this sandbar hanging over that, **when that ocean out yonder a mile deep will slide in there plumb back to the Salton Sea. It'll be worse than the last day of Pompeii.** Repent, Los Angeles. Repent the rest of you and turn to God. The hour of His wrath is upon the earth. Flee while there's time to flee and come into Christ."*

Thinking man's filter 65-0822E P:65 "Blind Laodicea, how oft God would've give you a

revival, but now your time has come. It's too late now. How did you laugh and make fun of the people that God sent to you? But now your time has come. **Oh, United States, United States, how that God would've hovered you as a hen does its brood, but you would not.**" Now, this Voice is going from coast to coast, from north to south and east to west. How God

would've hovered you, but you would not. **Now, your time has come.** Nations are breaking; the world is falling apart. Fifteen hundred mile chunk of it, three or four hundred miles wide, will sink hundred--or maybe forty miles down into that great fault out yonder one of these days, and **waves will shoot plumb out to the state of Kentucky.** And when it does, **it'll shake the world so hard that everything on top of it will shake down.**

Ashamed of Him 65-0711 P:24 This was a sermon that I preached on when, I believe,

Brother Elij' Perry might have been deacon here in the church at the time, for all I know. But it said, "**The time will come...**" I didn't know it till Mrs. Simpson brought me the sermon the other day. And I got it wrote in a little book, that the desert, that **the ocean shall weep its way into the desert.** That was thirty years ago. And, of course, the Salton Sea is about two hundred feet below sea level, and if that big churning, that earth swallowing in like that, with hundreds of square miles,

hundreds and hundreds of square miles sinking into the earth, **that'll throw a tidal wave plumb to Arizona.** Sure, it would.

Trying to do God a service 65-0718M P:14

Mrs. Simpson, I don't think she's with us today; or... I see Brother Fred setting here, but I don't know where Mrs. Simpson is. She went and got a prophecy that I made a bout out 1935 or something like that, and said: "The time would come (It's written in a book somewhere.) that **the sea would weep it's way into the desert.**" Look what'll take place. If that thousands of square miles falls down into the lava of the earth and slides in, **there'll be**

millions die at one time. And **that'll cause such a tidal wave...** Remember, plumb up into the Salton Sea is a hundred or two hundred feet lower than the sea level. **That water will probably come almost to Tucson with that tidal wave coming across there.** And the sea shall weep its way into the desert.

Nations are breaking; Israel's awakening, The signs that our prophets foretold; The Gentile days are numbered, With horrors encumbered Return, Oh dispersed, to your own. We're in the end time. Now, the Lord bless you richly. I get started on that and forget about time. We're going to fade quick--pretty quickly into eternity anyhow.

Sign of the time 58-0520 P:35

What does real scientists say about it? Seeing them interviewed the other day, said, "Should we alarm the people, or should we just keep it to ourselves? What do you want to say about it?" He said, "There's not a thing to keep them from doing it." They'll not let us know all their secrets. And but some night that satellite up there could go... What would it hinder tonight for about six of them to go up, and

come right over the United States, and say, with these hydrogen weapons... We couldn't get to them. So, "All right. Surrender or go to ashes." What would take place? That can happen before morning. It would not disagree with the Bible; it would fulfill the Bible. The nations are ready for it. Handwriting's not on the wall now, and all that's in the skies where Jesus said it would be:

*"There'll be **signs in the heavens above**; men's hearts failing, perplexed of--distress of nations, perplexed of time, **the sea a roaring**." Never know of a history ever had the big tidal waves that we're having now.*

Look at Chicago last Sunday and all up-and-down the coast. Perplexed of time, distress between the nations, the handwriting on the wall... And the return of the power of the Holy Ghost to the church.

Joel 3:1 *For, behold, in those days, and in that time, when I shall bring again the captivity of Judah and Jerusalem, 2 I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and*

for my heritage Israel, whom **they have scattered among the nations, and divided my land.**

Jude 1:13 Raging waves of the sea, foaming out their own shame; wandering stars, to whom is reserved the blackness of darkness for ever.

Luke 21:25 And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and **the waves roaring;**

Matthew 8:24 And, behold, there arose **a great tempest in the sea**, insomuch that the ship was **covered with the waves:** but he was asleep.

Jeremiah 51:55 Because the LORD hath spoiled Babylon, and destroyed out of her the great voice; when her waves do roar like great waters, a noise of their voice is uttered:

Jeremiah 51:42 The sea is come up upon Babylon: she is covered with the multitude of the waves thereof.

Isaiah 51:15 But I am the LORD thy God, that divided the sea, whose waves roared: The LORD of hosts is his name.

EQUATORIAL BULGE & POLE SHIFT

Uncertain sound 62-0714 P:45 *The seasons are uncertain. You don't know whether to plant your crop, if you haven't got some kind of irrigation. **The season's so irregular.** Frost, rain, anything else can happen right in the summertime. Look what... Sometime here they was having a freeze down in Florida last year and a heat wave in Alaska: uncertain.*

Science says the earth is pushed out. I forget how many miles it's pushed out around the earth, swelling out in the middle. Finland is almost one third, or one-eighth bigger than it used to be a few years ago. It's raising up. **The middle of the earth is pushing out. Oh, brother.**

Revelations 6:12 *And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; 13 And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind. 14 And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. 15 And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; 16 And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: 17 For the great day of his wrath is come; and who shall be able to stand?*

Revelations 8:1 *And when he had opened the seventh seal, there was silence in heaven about the space of half an hour. 2 And I saw the seven angels which stood before God; and to them were given seven trumpets. 3 And another angel came and stood at the altar, having a golden censer;*

and there was given unto him much incense, that he should offer it with the prayers of all saints upon the golden altar which was before the throne. 4 And the smoke of the incense, which came with the prayers of the saints, ascended up before God out of the angel's hand. 5 And the angel took the censer, and filled it with fire of the altar, and cast it into the earth: and there were voices, and thunderings, and lightnings, and **an earthquake**. 6 And the seven angels which had the seven trumpets prepared themselves to sound. 7 The first angel sounded, and there followed hail and fire mingled with blood, and **they were cast upon the earth**: and the third part of trees was burnt up, and all green grass was burnt up. 8 And the second angel sounded, and as it were **a great mountain burning with fire was cast into the sea**: and the third part of the sea became blood; 9 And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed. 10 And the third angel sounded, and there fell **a great star from heaven**, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; 11 And the name of the star is called **Wormwood**: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter. 12 And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.

Oncoming storm 60-0229 P:19 Not long ago I was told of a story that happened, I believe I read it in a newspaper **down in Florida**.

They have many great storms that sweeps through Florida, typhoons that come in off the sea, and brings the water for city blocks up into the city, and sweeps out everything. And I'm told that their weather prophets are always on the lookout for such storms. And some way, through the elements, that they can contact the changing of the weather and the atmosphere, that which a way this weather is gathering, that'll bring forth one of those storms; because they've made it a life study, and by certain instruments and things that science has provided them.

The Faith That Was Once Delivered To The Saints, West Palm Beach,

*Florida, November 29, 1953 Christian friends, I know Florida is a hard place to catch. I was telling them in there. I Really, but **one of these days there isn't***

***going to be any Florida.** She's going to be sunk, and the things that you so worship now will perish. That's only eternal God can save*

you, so if you're not where you think you should be, or where God says you should be, that's the point. "There's a way that seemeth right unto a man, but the end whereof is the way of death."

According to the **UK Daily-Mail** online, "**the Canary Islands** could soon get a new island? Recent earthquakes hint at an imminent underwater volcanic eruption In the past week, over 550 earthquakes have struck the Atlantic Ocean. On Friday, a 5.1-magnitude quake hit the southern tip of El Hierro. This seismic activity suggests an underwater volcano

could soon erupt. The Eruption could force masses of rock to the surface, creating a new island".

The website **Tsunamiwatch.co.uk** said, "The wave created would initially be in excess of 1000 feet (300 meters) high, and would obliterate all life along many thousands of miles of shoreline on both sides of the Atlantic Ocean, probably sinking many ships near both coastlines of the Atlantic Ocean. This wave is expected to be 120 feet (37 meters) high when it hits the Boston/New York area. It is forecast to travel as far as 12 miles (19 Kilometers) inland from the American East Coast and the result will be thousands of times worse than the New Orleans flooding, killing hundreds of thousands of people and leaving damage which will ruin the American economy for decades".

Also a BBC Television program called "**10 Things you didn't know about Tsunamis**" has been broadcast several times on BBC4 and BBC 2. "The wave itself will travel through water at up to 600 miles (1000 kilometers) per hour and will be unseen by sea going vessels, as the wave travels within the upper layers of the water. However, as it approaches the shoreline the wave erupts above the water level to the same height as the wave depth, in this case over 100 feet. There may also be a series of waves of various sizes. 100/120 feet (37 meters) refers to the waves in the quoted New York/ Boston area."

In His presence 62-0909E P:26 *And he said, when that angel cried, the posts of the temple shook back and forth. Brother, that'll make you. Not only is the posts of the temple going to shake, **but the whole heavens and earth's going to shake** when He comes again. **The mountains will flee, and the sea will fade away,** and scream "**Hide us from the face of Him that sets upon the throne.**" **It's going to be a terrible time.** I tell you, sinner friend, you better be checking it up. That's right. Now, Isaiah said, "**Woe is me, I'm a man of unclean lips, and I dwell among unclean people. And these people has unclean lips.**"*
