

Satan's Eden No 115
End Time Depression Judgment part 5
Sunday 9th, 2023 Communion
Brian Kocourek. Pastor

Let's bow our heads in prayer. Gracious Father, we thank you, Lord, for your presence today. And knowing, Father, that we're down the escalator someplace looking for the next thing, sign and event to show. Yet there's not so many left. So Lord, we're looking for that change. And Father, we pray for the change of the body, and we pray that we'd be ready for it. In Jesus name. Amen. You may be seated.

This morning we began studying how the Judgments mentioned in **Deuteronomy 28** is because the people will not hearken to the Voice of the Lord. They don't pay attention, or they don't pay heed to it, they just are not interested in what God has to say. They think it would interfere with their kingdom building. So let's continue.

Deuteronomy 28:52 And he shall besiege thee in all thy gates, until thy high and fenced walls come down, wherein thou trustedst, throughout all thy land: and he shall besiege thee in all thy gates throughout all thy land, which the LORD thy God hath given thee. 53 And thou shalt eat the fruit of thine own body, the flesh of thy sons and of thy daughters, which the LORD thy God hath given thee, in the siege, and in the straitness, wherewith thine enemies shall distress thee.

When Rome siege Jerusalem the people starved to death and ate their own Children to Stay alive. And that will happen again for God is the same, and changes not. Ad His Word won't change either. So expect that when times get very bad, so too the economies will be starvation. And not only starvation, but people will end up eating their children.

54 So that the man, that is tender among you, and very delicate, his eye shall be evil toward his brother, and toward the wife of his bosom, and toward the remnant of his children which he shall leave: 55 So that he will not give to any of them of the flesh of his children whom he shall eat: because he hath nothing left him in the siege, and in the straitness, wherewith thine enemies shall distress thee in all thy gates.

(Now Josephus said that when Rome sieges Israel in 70 AD, there wasn't one Christian left in the city, because Jesus said, when you see the abomination of desolation, which was the Roman eagle, when you see it, he said, then make sure you're not in the city, make sure you're not in the city on the Sabbath, and just make sure you're out. So the Christians actually looked for those signs. And they responded as a result that not one Christian was found among the dead, over 1,000,000 people who died in the siege that Rome did on Israel. So all I'm saying is that you need to know the signs of the Parousia of God, you need to know where we're at, and you need to know what that next sign is, so that you're ready for it.)

56 The tender and delicate woman among you, which would not adventure to set the sole of her foot upon the ground for delicateness and tenderness, her eye shall be evil toward the husband of her bosom, and toward her son, and toward her daughter,

57 And toward her young one that cometh out from between her feet, and toward her children which she shall bear: for she shall eat them for want of all things secretly in the siege and straitness, wherewith thine enemy shall distress thee in thy gates. 58 If thou wilt not observe to do all the words of this law that are written in this book, that thou mayest fear this glorious and fearful name, THE LORD THY GOD;

(Now you know, when it comes to eating meat, I told Brother Vayle, I said, you know at the end time it says that there will be doctrines of devils. And one of them is not eating meat. So I don't care. Brother Branham said, they're contaminating the meats, they're spraying stuff on them and keep killing the bugs and everything else. And you people are eating, it and it's doing damage to you. What do we do? Brother Branham said, "We'll just pray over it, pray over it and then eat it." And I told Brother Vayle, I don't care what condition the meat is in, I'll eat meat. Even if it's one bite a week. But I will eat meat because I do not want it said that I had the doctrines of devils. All right, so we will eat meat, and you do with it what you want. But that's what the Lord said.)

59 Then the LORD will make thy plagues wonderful, (you watch for germ warfare, it's on us... It's already here. And you watch, they have round two this fall. When? When it's time for it, they. They say, September, October, November, that's your germ season. That's when they bring over the flu and this and that. I'm, I'm sorry, but there's like 7 strains of flu that goes on in the Orient. Because

the people have pigs that live with their chickens. And so, the chickens eat the pig manure and things out of the pig manure and they get their diseases. Then they get viruses. So, the CDC says, okay, we're going to gamble. And we think that of the seven different strains, we'll pick two or three of them and we'll see what we can combine together. And so they combine it and then they come up with their flu vaccine. That's what you're taking, it's a flu vaccine, which basically is made from pigs and chickens, the flus that they have because they eat the things from the other species. So don't be fooled. This is all a money-making gimmick. And just stay away from people that get the flu shot. Because if you don't, you'll be like Sarah and I. We were over in Hungary in 2003. And the grandmother got her flu shot because she's obedient to the government. And then everybody in the house, including us, got the flu from her. But she didn't get the flu, but she got the shot and she spread. You see flu is a live virus. And so, when you get a flu shot, you're getting a live virus. And why would you want to take a live virus in your body? Makes no sense. So, you watch the germ warfare. We've already talked about it. We've seen it since 2020. And it came and it went and now they said, well we're lifting all of our mandates and everything else. Listen, those mandates caused more damage than the flu did. So just trust in God. And when we get to this fall, we're going to have round two.)

Then the LORD will make thy plagues wonderful, and the plagues of thy seed, even great plagues, and of long continuance, and sore sicknesses, and of long continuance.

(Now from 2020, I know churches in this message that haven't even had a live service since March of 2020. All right, we have already been going on for 3 1/2 years. They don't have an open service. They decided against it and they've shut down. We will not shut down and I don't care what plagues they want to send upon this country again, we will not shut down. And they will have to force us with gunpoint. And as I say, point those barrels at me and shoot, because I'm not going to quit preaching. And if you want to shoot me, that's fine, because that just sets that much quicker, I'll get my change. Okay, I'll be out of here.)

Jezebel religion 61-0319 P:63 When God sends forth a message and tells the people, and they don't receive it, then He withdraws His servant and sends His plagues: famine, death, spiritually speaking, physically also. You watch for a depression, brother. You think you've seen something; you just wait after a while. You haven't seen nothing. You think you're dying for a good spiritual revival; you wait till after a bit. You just wait, long and cry to hear the Word of God. The Bible said so. "There'll be a famine in the last days," said the prophet, "and not for

bread and water alone, but for hearing the true Word of God." But that voice will be quiet in the wilderness somewhere, hid away.

(Now it so happens that he's hit away in another dimension, but as I mentioned before, if Jesus in the alpha ministry had a pre resurrection and a post resurrection ministry, then William Branham will have a pre resurrection and a post resurrection ministry as well.)

He ordained the ravens, His servants. Bless them birds, His servants, that kept the voice of Elijah alive during the time of his isolation from the church. (Notice, Elijah was isolated from the church.) The ravens brought him flesh and bread in the morning, and flesh and bread in the evening, and he drank from the little fountain while the rest of them down there were doing without any spiritual food and water.

(Is it going to repeat? As it was the days, Elijah. Well, the first half is all repeated. Well, if the first half is all repeat, then after the rain will repeat as well.)

QA on Genesis COD 53-0729 P:93 *Now, look back in the Old Testament. When you see the plagues falling, they were in Egypt, wasn't they? And God was bringing His people out to the promised land. Is that right? And Israel never received one plague. (Now, did you hear what it just said? Israel a type of the bride. Never received one plague.) Just as the plagues... Before it went, they went into Goshen. Is that right? And the sun never did dim out; no mosquitoes come; no frogs was there; no lice was there; no storms was there; no lightning was there; no killing of the cattle was there; and everything they had was preserved in Goshen. Is that right? It's a type of the church going just before the tribulation period. Jesus said, "When these things begin to come to pass, lift up your head, your redemption is nigh." See? I believe that the moon and sun and stars... And they said that... I'll go ahead and read It, said, "And man run and hid themselves in and fell upon their, sought to kill themselves, and couldn't do it, and everything." I believe that takes place just before the tribulation period.*

(How big are the suicide numbers now, you know the deaths amongst children are up something like 40 times. You never heard of children dying, of sports. You might hear of a child losing a spleen or something in football when I was growing up. But today they're dying left and right. They're dying. Kids are committing suicide. People are committing suicide because they've got, they did what the government told them to do. And now they're suffering as a result.)

Now, watch, the tribulation comes. When the tribulation strikes, the church goes up. Now, remember, just an ordinary church without the Holy Ghost goes through the tribulation period. It's only the elect that goes through.

Oh, I could rub something hard here, just for a minute. Would you give me three more minutes? What is the raptured people called, the remnant? Is that right? All right... I mean it's the Bride. Now, the remnant was left.
the

*60 Moreover he will bring upon thee **all the diseases of Egypt**, which thou wast afraid of; and they shall cleave unto thee.*

*61 Also **every sickness, and every plague**, which is not written in the book of this law, them will the LORD bring upon thee, until thou be destroyed. 62 And ye shall be left few in number, whereas ye were as the stars of heaven for multitude; because thou wouldest not obey the voice of the LORD thy God.*

(Now, you would think when God shows us mercy by bringing us a message, we would receive it willingly. But many say they receive it, but they won't touch it. They won't. They won't preach it. They won't tell the people to get ready. They just want a big church, and have music, and have rock'n'roll in the church. And people are dancing and have a good time. You see, To them church is about having a good time. It's not about getting ready, searching your soul, making sure you're lined up with every jot and every tail.)

God's provided way fellowship 60-0709 P:101 *How we thank Thee, that in this great hour, that when all hopes of mortal life has finished... Atomic bombs are laying in hangers, hydrogen bombs, **sickness and diseases, germ warfare...***

(Why isn't germ warfare being preached in the churches today? Why isn't it? They don't want to make you uncomfortable. Why does Joel Austin have 10,000 people coming to church? Because all they want to hear about is, Aren't you wonderful, people? And you want to be more wonderful? Well, we can help you get there. And that's what people are looking for. They're not looking for the chastisement of the Lord. They're not looking to know where they're wrong in their life. They're just looking for all the good stuff.)

Now, I hope you got that. He said sicknesses and germ warfare, because no one in this Message get that teaching, except this church. So they are going to get what they're looking at, because he said it, and they are not taking heed to what he said.

Now you say, oh, you're not the only one in this message preaching it. All right, you show me a church that is. Show me one church that's preaching germ warfare, getting the people ready for germ warfare. They're not

doing it. They're not doing it. In America I don't know one other church that's preaching this. They're still preaching about the lovely Jesus. You know, he's a lover of my soul. Well yeah, that's what you find. But also do the Baptists preach that. And all the Trinitarians, all the Oneness, they're all preaching, Jesus is the lover of my soul. But show me one church in America outside this church here, and then those that are hooking up, and those ministers we meet with, who are preaching these things. They're not preaching it, brother, sister.

I'm sorry, I don't want to be different and say, you know, that we're special people. We're not. Look, our righteousness is that filthy rag, we're trusting in the blood of Jesus Christ. So they're going to get what they're not taking heed to. He said, those that don't take heed to the word, this is what they get. And one of it is germ warfare.

And they brag about. Oh man, you should see my button. I got a button. And why would you brag about being so stupid? You ask for an MSDS sheet of any of the stuff that they want to give you. And you know what, they hand you a blank piece of paper. Now, you ought to be smart enough to know when you ask for identification. I wanted to see what's in it, because I don't take anything into my body that I don't know about. I read my labels.

My wife's better than me, I ain't reading our labels. And can you imagine going and buying in the grocery store something to eat? And the label says nothing. Doesn't say, made in China, doesn't say, all these chemicals and it just doesn't say nothing. Just, you know, eat them and you'll be good. You'll feel good. Will make you feel younger, you know. I mean, look, there's things in potato chips today.

How many people, in here, like potato chips? Well, I'll tell you what, you better read your labels. There's a chemical. It starts with A and ZII. Don't remember what it is, but it's in your potato chips. In some of the brands and in some states it's not there. Because they don't have to put the stuff on the labels. In other states, that is there. And you know, it's the fine print, says it may cause cancer, it may cause cancer. And you're eating those potato chips that may cause cancer. Read your labels brother sister, read the fine print.

And the fine print in the message too, because he talked about German warfare. It's here. All right.

O God, and everything the way it is, knowing that the Bible said that man would actually rot in their flesh...

*But that Angel was given commission, "Don't you touch any of those! Don't you come near those who has the wine and the oil. Don't touch those who has the seal of God upon their forehead." And we realize that the baptism of the Holy Ghost is the seal of God. For it is written in **Ephesians 4:30** "Grieve not the holy Spirit of God whereby you're sealed until the day of your redemption." Lord God, seal this church tonight. Those who are wanting the seal of the Holy Spirit, kiss away every fear, Lord, and seal them with Thy Seal of the Spirit in their hearts, that they'll come forth as newborn babes, crying, "Abba, Father". Grant it, Lord. I commit them to Thee in the Name of Jesus, Thy Son.*

God's provided way of healing 54-0719A P:42 *What is a cancer? What is a, **what is a disease?** We'll deal on that for the next five minutes now. What is cancer? What caused that thing? Let's take a cancer, or anything you wish to take: tubercular, pneumonia, whatever you wish to, any disease. Diseases are germs. Let me pass something, here quickly, as our time's going. Listen, did you know the Bible predicts that in the last days, that they'll be a germ warfare? That diseases will break out upon the people, and will fall on everyone without the baptism of the Holy Spirit? But with the Angel or who had charge over these plagues was given orders to touch no one on whom the mark was. Why, how much kind of teachers have we got to be, brethren, to get the church in order to be in that condition? Immune. My arms are sore now, from where the doctors has punched needles to try to inoculate me from yellow fever and so forth. I told them I didn't need it. But they wouldn't listen to me. (See, they won't listen to God either. The people won't listen to God.) But I'll tell you what God's going to do. God's got a serum, and it's called the Holy Ghost. And when that serum goes in, it'll inoculate you. Hallelujah. In the last days...*

(So again, he's preaching about germ warfare and how many people are taking heed to the word of God?)

Take the rod gather people 50-0827E P:41 *Now, you see it? Do you see it? Now, you seeing just what I have said through this microphone? If that's the truth, raise this hand up so the people will know that is true. Now, see how it's moving? Now, let's...?... Watch it. Now, here it comes again. There it is again. That's just in waves...?... That's the way it's moves. And a gift of God is here, a gift...?... And a germ is a life. You see...?... And that germ is a life. And you have a human life you can contact. And this Spirit that's here and that spirit there that's giving you that tubercular, knows that the hour is near, and pushing back (See?), when that spirit goes out to meet, just like a warfare.*

(Again, he's talking of what? Germ warfare. What is it? It's a life. What is an mRNA? It's a messenger RNA. What does it do it. It piggybacks on your DNA and changes it. You are no longer a human, you're a

transhuman. They call it Operating System 2.0. And people are willingly lined up to take the human operating system. They should say. God created me the way I am. And I don't want anything in my body except what God would put in there. But they don't do that.)

63 *And it shall come to pass, that as the LORD rejoiced over you to do you good, and to multiply you; so the LORD will rejoice over you to destroy you,* (Can you imagine, He's rejoicing because they're getting destroyed? Yeah, I didn't say it, it's what He said.) *and to bring you to nought; and ye shall be plucked from off the land whither thou goest to possess it.*

(In other words, he just won't make it. You're not going to make it.)

64 *And the LORD shall scatter thee among all people, from the one end of the earth even unto the other; and there thou shalt serve other gods, which neither thou nor thy fathers have known, even wood and stone.* (In other words, materialism.) **65** *And among these nations shalt thou find no ease, neither shall the sole of thy foot have rest: but the LORD shall give thee there **a trembling heart, and failing of eyes, and sorrow of mind:***

(In other words, depression. Not only is it coming as an Economic thing, but it's coming to your minds as well.)

66 *And thy life shall hang in doubt before thee; and thou shalt fear day and night, and shalt have none assurance of thy life:* **67** *In the morning thou shalt say, Would God it were even! and at even thou shalt say, Would God it were morning!*

(Now I have a picture here. What's he doing? Got his head in the sand. You want to be an ostrich. You know what? It's 172 genders, probably more than that. You can be an ostrich. I mean, little girls wear cat ears, and they walk around thinking they're like a cat. And you know, little boys, you know, wear a dog nose and dog floppy ears, and they think they're a dog. And listen, they're insane. All right, teach your child to be a Princess if it's a girl, a Prince if it's a boy. He's a Prince of God. She's a Princess of God. Not Shirley Temple, not a dancer. You don't want none of that stuff because that stuff is going to take you to the wrong places.)

67 for the fear of thine heart wherewith thou shalt fear, and for the sight of thine eyes which thou shalt see. 68 And the LORD shall bring thee into Egypt again with ships, by the way whereof I spake unto thee, Thou shalt see it no more again: and there ye shall be sold unto your enemies for bondmen and bondwomen, and no man shall buy you.

As I said, a \$150 billion business, and it's all involved in slavery of humankind. We have more slaves today than at any time in the history of the world. You think back 150 years ago, and we are bringing black slaves from Africa. But who sold them? A black man sold his black brother into slavery of the white man. We find the English, they made slaves of the Irish. OK. We find in almost every culture there's been some slavery. But today in our situation, there's thirty million children a year in the United States alone is come up missing. That's in the United States alone. What about South America? What about Africa? What about Asia?

You're talking about \$150 billion to make your little boys and girls make cocaine out of coca leaves or pull the leaves off, put them in a pile, put some water on them and stomp them out until the minerals come out of the leaves and make your cocaine. Then you harden it and make the white stuff. Criminal. Totally criminal, totally insane. And we as a people do nothing about it. I'm sorry. You should be not only watching out for your own kids, but you should be watching out for the kids of others.

A pretty gruesome tale to be sure, but this is the word of the Lord, and we are living in the days of its fulfillment as we shall see more and more so as the days grow closer to the end.

the
A prudent man sees danger and takes refuge, but the simple keep going and suffer for it.” – Proverbs 22:3

(In other words, they stick their head in the sand. Do you have your head in the sand today? Or do you see what's happening in the world? It's crumbling all around you. You want to stay here, or you want to get off before it blows?)

*“While people are saying, **“There is peace and security,”** then sudden destruction will **come** upon them as labor pains come upon a pregnant woman, and they will not escape.” –*

Now I showed you a few weeks ago, where peace and safety or peace and security was Trump's number one agenda when he was president. And the Abraham Accords, which were a peace accords between Jerusalem and Palestine, were brought to pass. Jerusalem became the capital, became the place where the US placed their ambassador. And we did a lot of things based on peace and security. But since he left office, the Abraham Accords have fallen apart. Because Biden didn't choose to stay with them and push them. He actually derailed them. He derailed oil in this country. He's making your money worthless. He's making your life, your foods, and He's given the FDA and the CDC all kinds of power over you.

You are nothing but a slave, and you need to get out of here. Because unless the Lord shortens the days, he said no flesh will be safe. And I don't care who you are. I don't care how well you are built and how much your DNA is strong. You can only take so much. So he's going to take us out of here

1 Thessalonians 5:3 *While people are saying, "Peace and safety," destruction will come on them suddenly, as labor pains on a pregnant woman, and they will not escape.*

How often has Putin himself talked about we will nuke you where we are serious? This is not a bluff. We will get out the nuclear bombs because you're nothing but a bunch of sodomites. Now that's coming from a Russian. And he's calling America what it is. They're a bunch of sodomites running the government. Bunch of sodomites. And you know what? He is going to do God a favor and destroy a bunch of people before God sends the hailstones. Of course, that might, having all that atomic blast in the area, that might cause the hailstones to come.

Mr. Trump was the Peace and Safety and gave us the Abraham Accords and the people paid no attention to it. The people don't care about that, all they want is war.

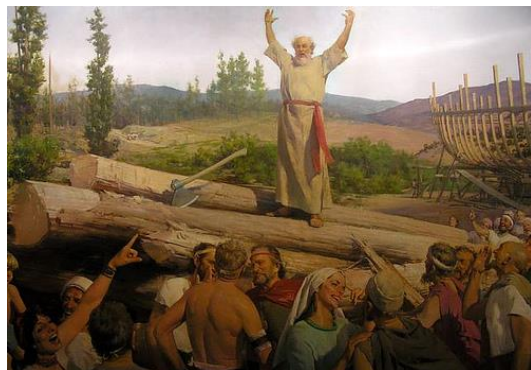

Actually, all they want is YouTube. And all they want is Instagram. You know what Instagram is? Instagram is used by the pedophiles of this world to communicate. They sell things. Things, I'm talking about they sell your children. And they call them pizzas, or they call them teddy bears or different names. And they'll have pictures of kids, and they're for sale. That's your Instagram. If you're on it, get off of it. You know it's not a communication tool for you. It's a communication tool of the devil, all right?

They're finding out all about your children. Who has pretty children, who has nice looking children. They see their pictures on Instagram. They say, ah, I want that one. OK, that one's worth \$1,000,000 to me. So go and get them. And you know, you'll be at work. Your children will be playing in the yard or wherever. And they'll come up and say, Hey, I've got some suckers for you, or I've got something that you really like. And as soon as you get close to them to look, to see what they got, they grab you, and off they are. They're down the road and you never see them again. That's the fact of life right now.

Let me just read you a few quotes from the prophet of God. He said God gives mercy first and that comes via a message to get the people ready, and they turn down that message, there is nothing but judgment left. And how do the people turn it down? Not outwardly saying they don't believe it, but they don't pay attention to the warnings. How many churches are paying attention to His warnings?

How many churches do you know, they preach germ warfare? Come on, tell me. Get on YouTube. Scour them out. Called me a liar. I'd love to be proven wrong. They're not doing it. It's happening. The warning has gone forth. The mercy's gone forth. And now there's nothing but judgment left.

55 Respects 61-1015E *Let's take Noah for a moment. Now, Noah had a revelation from God, yet it was contrary to anything that science would prove to be true. But yet he had spoken to God, and God had spoken to him. And he went about preparing an ark, where the scoffers and mockers (as the Bible said that they would be in the last days like they were in them days), that those scoffers scoffed at Noah. Why, they thought that he was out of his head because he was building an ark.*

(Do you know what it actually says of the scoffer, the mockers? Where is the promise of his Parousia? You know, Brother Branham, in the Rapture sermon, I've got his notes. And there are 12 pages of notes. I took a picture of the first six, and he quotes that scripture from Peter saying, it is prophesied that they will mock the doctrine in the last days. The doctrine, they'll mock the Doctrine. Oh, Parousia is a bunch of garbage. You should be afraid of that stuff. You should not listen to that. Listen, that's your ticket home. You're on the right track. You're in His presence. Broder Branham said, And he went about preparing the ark with scoffers and mockers, as the Bible said they'd be in

the last days. So scoffers scoffed at Noah. They thought that he was out of his head, because he was building an ark.)

*So, but **God brought judgment upon them scoffers because they would not listen to the messenger of God and come into that ark under his preaching, then God sent His Divine judgments on the earth. First He made a preparation for all who would receive it, to escape it, and then if they did not escape it, there's only one thing left. If they won't take God's preparation of escape, then there's only one thing left, that's Divine judgment.***

the

E-17 Why 62-0622E *When God makes a way of escape for the people, and the people refuse that escape, (how do they refuse it? By not paying attention to it) then God asks the question, "Why?" I think He*

has a right to. If God does all that He can for the people, and the people refuse to receive His help, then He has a right to ask why they didn't do it. I believe it'll be that way at the judgment. When God has made every preparation that could be made for the church and for the people and then they refuse it, God's going to ask us why we didn't receive it.

(So we have learned in Deuteronomy that there are two laws, the law of life, law of death. We have learned that to pay attention to the word of God and take heed to it, is the law of life. To disregard it, not pay attention to it. Take no heed to what God says, is the law of death.)

71 Looking Unto Jesus 64- *We find out here, there was another man looked, by the name of Noah. He looked and saw the just judgment of God upon a wicked Word-denying generation, was being poured out. In his vision, as Noah was a prophet, God had given him a vision of how to build the ark, and instructed him how to make the construction, how it must be built. In this, how could Noah, unless this vision being the Word of God, when he seen this wrath and making a way of preparation... **Always, before the coming judgment, there is a preparation made. It always is the Word of God.***

OK, you've got your Bibles. You've got your message books. You have your preparation. I heard a precious friend of mine tell me that his pastor said, I'm going to teach you some things that Brother Branham never talked about. Now, can you imagine a message, Plus. Can you imagine a word of God, Plus. I can't. I'm not interested, because my safety net is that I'm only saying what he said. All right. I just want the people to follow Jesus and make it all right.

87-4 Hebrews Chapter 3 HEB 57- *America doesn't want the Gospel (You know that.); we just might as well admit that. This Anglo-Saxon people is finished; that's all. There's no more Gospel that America will receive.*

Oh, you get a few stragglings now and then; but just as the Gospel, it's over. And you can't even preach to them, you can't talk to them. They won't believe nothing. See?

*They just got their own hardheaded ideas, and they're set. **And the next thing's for this nation is judgment. She's going to have it too. It may be through a depression; it may be through an atomic bomb; it may be through a great plague, a disease or something; but she's ready. It's a-coming; thousands times thousands will fall.***

What's 1000 x 1000? It's a million. Didn't 7,000,000 people die from what the government's dished out is healthcare. How many people died from AZT? You know about a AZT? Our famous doctor Fauci, he was in charge of the HIV project for his institution. And so, he was giving the people 1200 milligrams of AZT, and they were all dying, every one of them, They were dying. Then they cut it back to 500 milligrams, and some of them lived. And so he steps out and says, Hey, what a great thing I've done. I've actually cured some people that had HIV. When he killed How many more? How many more? 30 million people, like you know, just millions of people died because they were given AZT. And AZT is a poison.

It's like taking chemotherapy. Why would you take chemotherapy? It's a poison. Why don't you take rat poison? if you got a rat in the house, why don't you take the rat poison? That way you won't see the rat anymore. You know why? Because you'll be dead.? So you're better off just putting a pan of water and let him drown himself.

The national debt clock changes by so many billions per day that it is not possible to place it in this study and have it be accurate by the time you read this. But it is already passed 31.84 trillion under the Globalist Obama and Biden. It is growing at 129% of the national GDP. Estimated population of the United States is **333,287,557** so each citizen's share of this debt is now **\$85,274.00**.

(In other words, hey, how many of you are living at 30% above what you make a year? Well, I'll just put it on a credit card. When that credit card is no good, I'll get another credit card. Put on that and I'll get another credit card. Put on that and you're living above your means.)

The National Debt clock continues to increase an almost **\$15 billion per day**. That means if you could count at a very fast rate of 5 digits per second it would still take you 7 billion 269 million 406 thousand, 392 years to do so. Since there has been only 7,000 years on earth and 365 days a year, and 60 minutes and 60 seconds per minute, that would mean that we have a total of 1,314,000 seconds of life on earth in that time since the creation. But this is just the national debt. That means they would have spent 24 billion 231 million 354 thousand and \$642 per second since Life on earth began. The global debt is 10 times higher at 305 trillion so multiply the \$24 billion by 10 Times and you get 242 Billion of expenditure for every second of life has been in existence from the very beginning. You see what a curse we are living under? They will never ever pay it back.

That's why they will have to go to the Vatican, whose wealth is more than quadrillions in gold. And that's at the present state of \$2200. If we have what gold we have divided into the national debt, it would be something like \$125,000 per oz. Not 2125 thousand per oz. All right? And who can pay that? The Vatican. Will she? That's what she's been storing up her gold for years and not paying all the child predators that work for her.

You know, I read a few years ago that 40% of all priests are homosexuals. 40% in the seminaries are homosexuals because they let down the bars. They're sodomites, they have a sodomite religion. And yet they will end up owning everything. And you know what? I won't even care because I'll be gone. And you will be too.

Let's bow our heads in prayer.

Gracious Father, we thank you, Lord, for the study. It's shocking, Lord, the numbers of statistics. But Father, we know that if there is a way, we just pray that you show it to us. I don't know if we can incorporate and run everything through a business. If it's tax-free, I wouldn't know. But I tell you what, it just makes my blood boil to

think that people are paying taxes, supporting a nation that is criminal, that is pedophilic, and that's doing all these devil worshipping things. It's sacrificing children like abortions due to Molech. And what for? They think they're Christians. They are not Christians, they're devils. As I told a woman one time said, you can't be a Democrat and be a Christian. Because Christians don't believe in abortion. Christians don't believe in child mutilations. And the Democratic party put God out of the platform, and they believe in all those things. But, Father, we stand here as your bride, Lord, believing we are your bride. And Father, we want to take a stand today, a stand that's very diligent. And we ask you to help us. In the name of Jesus Christ, we pray. Amen.
