Pope Francis attends an ecumenical event at the Malmoe Arena in Malmoe, Sweden, Oct. 31. (CNS photo/Paul Haring)

Amen. Let's bow our heads in prayer. Gracious Father, we're so thankful Lord, that You are here. And Father, that You have come down in this hour. And we've seen the things that You have done so far, the 81 things plus others that actually weren't mentioned with the word Parousia, but are in the Bible as well, like Malachi 4 and these things. But Father we recognize Lord, that Your word is a reality to us. And Father, We, knowing this, we just enter into the study in Thy Name, that the people might be aware of what's taking place. In Jesus Christ's Name we pray. Amen.

You may be seated. Well, it's good to be here. And we're going to look at the Federation of Churches, or the World Council of Churches. It's kind of used in the Federation. World council churches, the Council of Churches and those things. And this is the Satan's Eden 117.

And this is an ecumenical event at the Malmoe Arena in Malmoe, Sweden, and it was an ecumenical type thing. Now.

This is walking, praying and working together. Now just get these in your mind.

“Walking, praying and working together” is the motto of Pope Francis' when he visited the World Council of Churches in Geneva, Switzerland, on June 21, for the 70th-anniversary celebrations of the founding of the world's largest and most inclusive ecumenical movement.

So, it's inclusive. So, if you're not in it, you're exclusive. You're canceled out. All right?

Notice he never said anything about believing God's Word. He says, walking, praying and working together. And notice He never acknowledged that the Lord Jesus Christ is the head of the church or who we pray to or walk with in His Word. Just prayer which you could be Muslim or Buddhist and you would fit this description. So, prayer, and working together which means you could be atheist politician, or walking, you just have to be human to do this, well, even a dog or cat really. So, what was he pushing? He was pushing Unity, doesn't matter if you disagree with the word. If you can walk together, and work together, then we can pray together.

Francis is the third pope to visit the World Council of Churches headquarters, which has been designated as an ecumenical pilgrimage.

Now think about that. You know they have pilgrimages amongst the Muslims, they have pilgrimages amongst the Catholics they have. Now they're going to have pilgrimages amongst the World Council of Churches. OK.

Pope Paul VI went to the council headquarters on June 10, 1969, after visiting the International Labor Organization to celebrate its 50th anniversary. He hailed the W.C.C. as “a marvelous movement of Christians” but said the time was not yet ripe for the Catholic Church to become a full member.

Pope John Paul II went to Switzerland twice in 1982 to visit the international organizations in Geneva, and during a pastoral visit to the country in June 1984 he confirmed that **“the engagement of the Catholic Church in the ecumenical movement is irreversible and the search for unity is one of its pastoral priorities.”**

So, all right, there's a lot of things going on in the world, but one thing we haven't heard of is the World Council of Churches. They just don't talk about it. They don't talk about the ecumenical movement. They don't talk about religion. Period. And so anyway, we have to ask, you know, why would he be making these pilgrimages? WHY? Why is it one of the priorities of the Catholic church. Because having the image gives it strength to do it's real agenda.

Now I want you to think about that. You see, the World Council of Churches hasn't given its strength yet. Because really, they haven't shown themselves to be strong either.

But this is ANTI WORD. Which is to make war with the saints. Which is to replace the preaching of the Word of God with just a religion, walking and talking and holding hands basically.

Revelation 13:1 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

And we're going to look at each of these things. It says about the beast because we want to know, the Bible uses signs and uses symbols. And so, we've got several symbols in here. We got 7 heads, 10 horns, the horns are 10. Basically they're 10 kings. And upon his heads name a blasphemy.

Now this beast is spoken of in **Revelations** chapter **17:1** *And there came one of the seven angels which had the seven vials*, (remember, this is the seventh angel that is spoken of, each Messenger of an age had one vial, one

judgment, but the angel of the 7th church age had seven vials. We've covered this previously in the End Time Plagues mini-series in this Satan's Eden series.)

“and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters:

Ok, now he is going to tell us who this Whore is, and why she is judged so severely.

2 With whom the kings of the earth have committed fornication, (ok, what is this fornication. Remember, fornication is a willful act, with someone who is not your Husband. In other words, you're making love to a person who's not your husband. She says she is the queen of heaven, sets as a bride adorned by her husband but she commits fornication with the Kings of the earth. She has her secret dalliances with them. She meets in private with them to plot against her husband.)

After every single World conference of leaders. One or two of them goes and kind of fills the Pope in on what's been going on, and what they're talking about.

“and the inhabitants of the earth have been made drunk with the wine of her fornication.”

So not only does she drink wine or does she fornicate with the kings of the earth, but also with the inhabitants.

Now drunkenness is intoxication, when the mind is not thinking logically. Not only has she had her secret dalliances with the Kings of the earth but also with the inhabitants of the earth with her confessions. In other words, bless me father. I have sinned, okay. Now I'm going to, you know, list all my sins and then I'm going to go say, oh, he might say, well, you know I think that's pretty bad. So, you're going to have to say seven our fathers, and this one. Oh. That was an okay sin. So, you know, just say 3 Hail Mary's. It's just ridiculous, but it's a superstition, Okay. It's not Christian, not at all. It's Mystery Babylon. The bible says, ***“to confess your faults one to the other”***, not privately with a priest. And the inhabitants act like they are drunk, (intoxicated), because though they commit murder and extortion, lying, adultery and fornication, and stealing and theft, etc. All they have to do to absolve themselves, they

think, is to get it off their shoulders by confessing it a priest and saying some prayers that are given her to say by the priest as her punishment for her sins.

So, for 2000 years they have been doing this. You don't think that they write that down in their little priest book. This is Mary Lou and she's committed adultery and she hasn't told her husband. So, I guess I'm over her. Now, next time I need a favor, I'm going to go to Mary Lou and I'm going to say Mary Lou, you know what? You know, you confessed adultery to your husband. And I don't want, I really, really feel for you, Mary. But I really don't want this to get out. But the church does need \$1000 on the plate this week, you know, because we have some things that are, you know, involved. And so, see, they've used the people to make money. That's all it is. Okay.

3 So he carried me away in the spirit into the wilderness: and I saw a woman (Now remember a woman always represents a church, so he is speaking about this woman, who claims to be married to the King of Heaven, but she is an unfaithful wife, and she is called a Whore and she) ***sits upon a scarlet colored beast***, (The scarlet is the color of royalty, the color of princes, but she is) ***full of names of blasphemy, having seven heads and ten horns***.

So, what is blasphemy which she is full of? It is speaking against the Holy Ghost. The Word of God. She loves her traditions and pays them homage all the while denying God's Word.

And here they sit in their scarlet-colored robes, sitting piously. You know what? The word of God. The word of God. Well, how can I put this right? Look up the word pious in the Bible.

And it's all of the priests and all of the rabbis and all these other guys, they sit there. They're very pious. You know, the word pious means holy. They're not holy. They're full of corruption. They're child molesters and 40% of them are. And, you know, they sit there, we're so holy and so we've got our scarlet-colored robes on, and it makes us look better, OK. And then we see the priest with all his gold there. I mean, there's a golden chalice, he's holding up a golden chalice, Golden Candle sticks. There's all kinds of gold. You know, the Bible itself is lined with gold and stuff and they're poor and they can't pay all the kids.

That have claims against them, for being molested, they can't pay for it. But you know what? Sell your gold. Why do they not sell their gold? Because they're holding on to it. Let me just say this right now, next month the BRICS nations will put out a dollar that is backed by gold, but it's not really backed by gold because you can't give them \$200,000. They have now given me \$200,000 worth of gold. No, they don't have enough gold. You know, one of them has 3000 ounces, another has 2000 ounces, another has 1000 ounce. They don't have enough ounces, but need thousands of tons. So, they don't have the gold of the world. Who has the gold of the world is a Catholic Church, which the gold is worth more than one quadrillion dollar right now. It could pay off every single debt, you know, could settle every single debt in the world.

But they're going to wait until this BRICS nation puts out this dollar and about 92 nations now has signed up to be part of that. So, we're going to see gold rise and we're going to see they're going to think that they're going to compete with U.S. dollar and it's just not going to work. They're going to say, you know what, after a year or two they're going to say, we really got to back this better. We're backing with gold and other commodities like rice, because 50% of the world's rice they make, and we're going to oil, because Kuwait and Saudi Arabia have joined it, so they're going to have oil. And so, we have a few commodities that can back it, but really, we want it backed by gold. So, the Catholic Church will step forward and say here I've got the gold of the world, I've got enough gold to pay every debt, every transaction in the world. Now I want one thing from you. I want complete submission to our plan. We've been working with the World Economic Summit. We've been working with the WAF. We've been working with all these rich men. They come and kiss my ring. They show obedience and your Politicians line up at my door to kiss my ring. So, why don't we just instead of doing it undercover, why don't we just kind of make it an universal thing? That will be the global church. And so, we'll use our gold to back up. You know, your nation's back up your debt. And they'll say, oh, never thought we'd get to it. We have \$31 trillion in debt.

Don't know how we could ever get out of it, but if we have the gold to do it, we'll do it. That's what's going to happen. So, I think we're going to stick around here for a little while longer. I'm sorry, but when I'm looking at the World Council of Church and I realize that the Catholic Church makes her pact in the middle of the Tribulation, and sometime during the Tribulation, the World Council of Churches gives power to the beast. Well, you see that doesn't happen till you're gone. So, but it's got to be lined up for when you're gone. So, we're seeing things happen. We might be here till spring of next year, I don't know, might even be here till spring of 2024. Because you see, they're going to have to do something political. The world is got to come against the communism.

And the world is all against Putin right now. I feel sorry for the guy. He's kind of like Trump, you know, Only Trump's not going to get out of this, OK? He's just not going to get out of it. I don't care how many rabbits he can pull out of the hat; they won't let him. They'll put something else on him, then put something else on him, then put something, they can make up anything, you know Mr. Dertchuous, who's one of the top nations' lawyers? He said you can, indict a ham sandwich in New York. You can indict a ham sandwich, Okay, Picture a ham sandwich. And now we're going to make up some laws against that ham sandwich, and it'll be guilty. And so, it'll be thrown in the dumpster. Okay, That's New York. That's our liberal minds, all right? So, we have to see some of these things come together.

We have to see a candidate which could be RFK, he's Catholic or could be on the Republican ticket, it could be DeSantis, he's Catholic. I don't think any of the other people running for president will even come near those two men. And so, they will get the nod from their parties. It will be both of the parties will be Catholic. Now when has that ever happened in history? It hasn't. All right, so one is a South American type, he's a Hispanic Catholic, and the other is a Catholic of longstanding. And I'm sorry, but if you're Catholic, you're superstitious and pretty stupid. And I'm sorry, I got family members that might hear this tape, but you are stupid, because you can't do the things that the Catholic Church demands of you, like confession with a priest.

And have a logical mind, Okay. You just can't do it. You can't say there's one mediator between God and man. That's what the Bible says. And then say it's the woman, Mary, you can't do those things, Okay. I mean, you can't say the Eucharist is somehow magically becomes the body of Christ. And so, when you serve it to the people, you might have 10,000 people in your congregation, but you got 10,000 pieces of Jesus. Give me a break. Martin Luther, you know, he threw the thing to the floor, and he said that's just a piece of bread, all right. It's just a piece of bread. So, you can't do these things and call yourself a Christian. You are a Babylonian triad, which is a Babylonian religion. That's what they are, All right.

4 And the woman (the church) was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: 5

And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

The Trinity comes from Babylonian, and she's called Mystery Babylon the Great, the mother of harlots and the Abomination of the earth. There's your World Council of Churches.

All right. They do. Exactly. They set up exactly the hierarchy like she does that Nicolaiten spirit, which God hates. He wants a one-man ministry, you and God alone, and he wants his prophet as a one-man ministry. And so, the devil, he says no, we got to have a hierarchy. We have got to have people over you, to tell you what to do. I'm sorry. We don't need them to tell us what to do. Now the reason she is called Babylon the Great is because her religion is lifted from the Babylonian religion where they had mother of God worship, and believed in the Babylonian Triad of Anu, the father of the gods, Ea his son, and Enlil the wind of Spirit god.

6 And I saw the woman drunken with the blood of the saints, (Why the Saints? Because she claims to be a Christian, nation. But you know, she killed 68 million people during the Dark Ages.) and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

Now he wasn't wondering like, oh, I'm admiring her. No, he's wondering, like, how in the world could this be? That's great admiration. How in the world could this be? This woman is beautiful, but, boy, she's just, she's full of the blood. She's drunken with the blood. She's drinking blood. Aren't they doing that today? She's drunken with the blood of the Saints, All right.

7 And the angel said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns.

8 The beast that thou sawest was, and is not; (That was Civil Rome wounded as if to death and came back as papal Rome) and shall ascend out of the bottomless pit (That's where Satan lives), and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is. (Notice, was, is not, was again, is not, etc. this is papal

succession. They went from being Constantine the emperor and Nero and these people to a Pope. We've got her hierarchy, a Pope. And it says that the beast carries her. So, the beast is not her, but she's sitting on the beast. Okay, this is Rome.)

9 And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.

So we see that this woman, this church, sits on seven mountains.

10 And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

Baptist, Catholic Delegations Meet to Promote Christian Unity

Why are we not a denomination? 58-0927 P:45 I've often heard that over the throne of the pope of Rome, it's wrote, "**Vicarius Filii Dei.**" I often wondered if that was true. Draw a line, and draw it up in figures in Roman numerals, and see if it is. **It's exactly the truth.** I stood that close to the triple crown of the pope in a glass: Jurisdiction of hell, heaven, and purgatory. See? So, those things, I've just come from there, just come from Rome and know it's the truth. Now, we know it's pictured out. And here the **seven kings: five are fallen... (which was at that time),... and one is... (That's the one that come now, which was Caesar.),... and another is yet to come... (which was Niro, which was wicked);... Now watch, watch how perfect it is.... and when he cometh, he must continue for a short space. Does anybody know how long Niro reigned? Six months. Pulled his mother through the street on a single tree of a horse, and burnt the city, and laid it onto the Christians, and fiddled on the hillside while they were burning the city. Six--six months. And see, "And the beast..." Now watch, look what a rascal that he was.**

Pope in Pentecostal church

11 And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition. 12 And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

Notice these receive power as King but they are not, they are dictators.

13 These have one mind, and shall give their power and strength unto the beast. 14 These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful. 15 And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.

So we see this city that sets on 7 mountains, which Rome is a city which sets on seven Mountains, and within her is the city state of 600 people and only

one Mile square but has a 400 foot wall all around her. You think she really believes in open borders? The Vatican rules over peoples, multitudes, nations and tongues.

Pope with Methodist leaders

*16 And **the ten horns** which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.*

17 For God hath put in their hearts to fulfill his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.

(No wonder they hate her because she's telling them what to do, because she has gold.)

Why are we not a denomination? 58-0927 P:49 *Let's see. And the beast that was, and is not,... (the 11th verse)... and yet is the eighth, now the seventh, and goeth into perdition. (He'll continue on until he hits the bottomless pits at the end of the road.) **And the ten horns which thou saw are ten kings,... are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. They're not crowned kings; they're dictators. See,***

they never was crowned king, but they received power as kings one hour in the reign of the beast. That's just in this little shadowy time right now where dictators are rising up (See?), "Received power as king one hour with the beast." Now, all right.

Why are we not a denomination? 58-0927 P:60 Watch that now, these ten horns, these ten kingdoms. See, that's everything falling in, what these dictators are. **Watch the way dictators lean to. Where's it leaning to? Just look,**

tell me a dictator that doesn't lean towards communism. See? And **they shall what? "Hate the whore," the woman, the church. But watch. Watch what's going to do it... these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire. Now who's going to do that? Who's going to burn her with fire? Putin? Who's going to do it?**

Mark of the beast 54-0513 P:80 If we'd take the history, and go right back and show it, where the kings had fallen in Rome, since the Babylon kingdom. ... one is... (Nero)... and one is to come;... and he must continue a short space... (about six months when he comes.) And the beast... (Oh. Look at this. Now, the power is going to take the pagan place.) And the beast that was, and is not, even... is the eighth,... (now watch)... and is of the

seventh. You all know what a terrible king he was. He hate... He hooked his mother to a single tree of a horse and drug her through the streets, and set the city a fire, and fiddled up on the hill. That's the same kind of a spirit that's dominating the church that sets in the place of a pagan. "The eighth, which is of the seventh. And then he is, and is not; and is, and is not; and is, and is not," on down.... and goeth into perdition. Plumb till the time of the coming of the Lord and he's cast into hell. And the ten horns which thou sawest are ten kings, which have received no kingdoms as yet; but receive power as kings one hour with the beast. Oh, if we just had...

"Received no power as yet." They're not kings. They didn't have... They ten... The horns didn't have crowns. "They received power like kings." What is it? Dictators; not crowned kings, dictators. Oh, my.

18 And the **woman** (The church) which thou sawest is that **great city, which reigneth over the kings of the earth.**

Notice a great city in Rome, which is the woman, which is the church. and she reigns over peoples, nations, multitudes and tongues.

Revelations 13:2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon (The devil) gave him his power, and his seat, and great authority.

3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

That is when she went from Civil Rome, which conquered the world, and then when she burned down, she came back strong as papal Rome.

4 And they worshipped the dragon (The devil which is Satan) which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? Who is able to make war with him?

Why could no one make war with her? Now she doesn't even have an army. She's got 600 people. And yet she controls the world. How? By the armies of the ones of the kings that she controls, used the armies of the nations to do her bidding.

That's the whole story of Martin Luther. Martin Luther finally broke the neck of the emperor of Europe, because the emperor had all these Princes, and their kingdoms and Martin Luther got the Princes to read the Bible. And once they read the Bible, they became Christians. They became, let's face it, Lutherans, OK? And they stepped out from the Emperor said OK, if you come after Martin Luther, we are going to kill you.

And so, we're going to defend him. And so, they were powerful. And he said, I can't fight that power. I've got the Turks on my upper left and I just, can't split my armies like that. And so, we're defending Rome and all this other stuff. So, we're just going to have to back off. And they did, all right. So, with it, with God raising up the Princes, Martin Luther was able to overcome.

5 And there was given unto him a mouth speaking great things and blasphemies; (Harmful words) and power was given unto him to continue forty and two months. (42 months is three and a half years, the length of the Tribulation. So now we're getting into tribulation.)

6 And he opened his mouth in blasphemy (Harmful words) against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

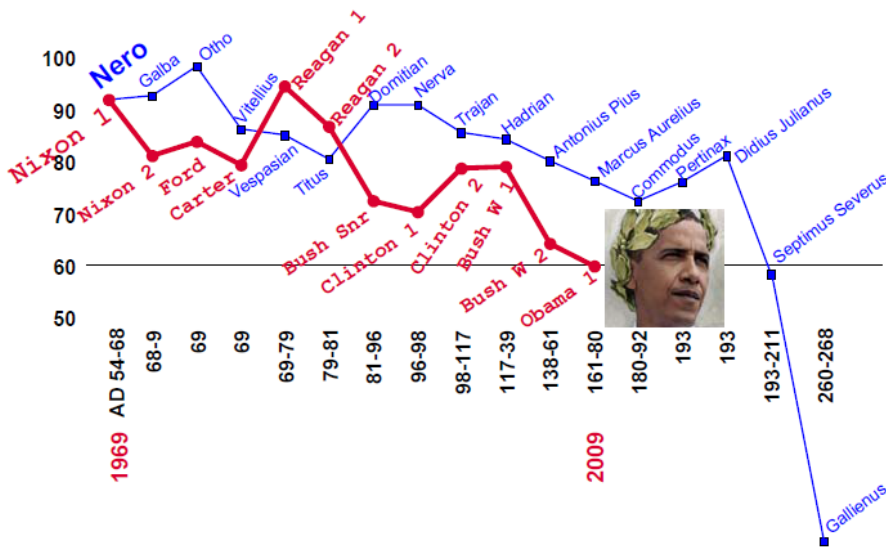

All right, so in other words, something happens during the Tribulation period. Where the Christians are overcome, they're hunted down, they're persecuted, and he is given power. Over kings of nations and tongues. So, he's given the power to do it. Notice that the power is given to him to make war with the saints. So she did not have that power by her own, it was given to her from somewhere else. The kings of the earth who fell for her spell on their poor diluted souls. *And power is given to him.* It was Given which means it was a gift. He doesn't have power on his own to do it, but God allowed it to fulfill his Word.

8 And all that dwell upon the earth shall **worship** him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.

Now, what does man worship the most? He worships Money. Right? And she has the gold of the world. She has been storing up gold of the world for the Past 1,800 years, the Vatican has. People worship the value of Gold. When gold goes to 100.000 an ounce people will die for it. And it has to go that high just to pay off all their debts. It's been suppressed for 40 years at this low level but watch when the pact is made. And the BRICS nations in August are

Emperors... with no clothes

Denarius silver percent; \$index normalised to Nero

planning to announce a gold backed currency. That will begin the process and unlock gold from being suppressed. But when the Vatican allows it to rise to pay off the debt of the world, it will shoot to the moon.

When the BRICS nation back their currency with gold, it's going to. Take the world off the Fiat currency system and put it on the gold backed system.

And it says the whole world will worship the Beast system which will be their gold. Now, you couldn't expect them to worship their doctrine could you. They won't do it. How can you get a Oneness Pentecostal to worship a Trinitarian God? How could you get a Muslim to worship a Trinitarian God? How can you get a Jew to worship a Trinitarian God. They won't do that. So, it's got to be their money, their worshipping. All right? In other words, the root of all evil is money.

The word worship comes from two words, “**worth**” and the suffix “**ship**”. In other words, it is ‘**the worth or the value associated with it**’ that you give to him. And the word “**ship**” is a suffix that means “**the state or condition of being**”.

The state or condition of being of the world will be that they will value their gold. All right, they will worship her.

9 If any man have an ear, let him hear. But do they have an ear to hear which means to understand? No, they don't. So just very few do. If you have the Holy Ghost, you will. If you don't have the Holy Ghost, you don't care.

Hear recognize act on word 60-0221 P:18 First, faith cometh by hearing, hearing of the Word of God. Then the believer hears It, recognizes It, and acts on It. The carnal man will hear It, the sound of It, but never... **"Hear"** means to **"understand"** It. Look at, is looking at something; but to see it, is to "understand" it. **"Except a man be borned again, he cannot see or understand the Kingdom of God."**

So, he got to be born again. All right, it's just that easy.

10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.

11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

Notice this is another beast and it comes out of the earth, where no people are, the United States.

It is number thirteen, 13 stars and 13 stripes in its flag, and there were 13 colonies etc.

And this beast has two horns, which means it has civil and ecclesiastical power. And notice she hosts the United Nations and the World council of churches, and she controls both. So those are the two horns. So, you got the World Council of Churches, and you got the United Nations. And guess what? Notice where they're located. They're located in the head, which is New York. So, you see, he looks like a lamb but spake like a dragon. In other words, he spake like the devil, OK

12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

Now notice the United States is a corrupt nation. It's run by corrupt people. It has pushed its agenda of transphobia on the world. He exercised all the power of the first beast before him and caused the earth and them that dwell there, to worship the first beast, to worship Rome, whose deadly wound was

healed. He is able to direct the affairs of the world just like the first beast, which is Rome. He has been given the power to do it.

13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,

Look how the United States sent men to the moon and they came back to earth again. Now, I do not know if this nation actually went to the moon because brother Branham said they would never get there. Now they can't with the rocket technology because the rocket technology couldn't get them there and then get them back.

So, they may be, if they have alternative technology, which they would never show publicly. So, this is Speaking of rocket technology.

They say that the radiation is so strong, you would have to have several inches coated of lead, in order to make it through without getting radiated yourself. Well, if they had several inches of lead, they'd never be able to get the boosters up there. OK, so anyway that was proven by a scientist who actually developed the Triton missiles. There are too many facts that don't jive right with true science such as the Van Alan belt, and no stars were in any of the moon-shot photos. And the shuttle landing craft door was smaller than the pack they wore on their back as they took pictures descending the craft. The pack was huge. And if you ever seen the shuttle itself which is in right pad Air Force Base the door was like you know you have to be about like a monkey to get through. Okay. So how do they pull out a big pack through a little door? Honestly, inflated it for pictures? Who knows. Okay, and the shuttle crash landing door was smaller than the pack they wore on their back as they took pictures.

And there was light from various sources casting shadows at angles that were indicative of alternate sources or light. And look at how they used space weapons to deceive the world with the downing of the Twin towers.

So, you know they do have satellites which travel about 5 miles high and notice this. You see the tower in the picture on the left you see the tower and then you watch this dust rising. And look at the tower, how it disintegrates before it actually is gone. Now what can do that? A fire. Hogwash. What fire can melt steel like that? Those were weapons that they used in the sight of all men, and they marvel at this beast, who could take fire from heaven and do all these things. Okay.

That is why the scripture calls it a deception. **14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.**

15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

This beast itself is from the USA, but the image of the beast is the World Council of Churches. And so, the Beast, or the United States had power to give life to the World Council of Churches. So this beast which came out of the earth where no one else lived, is the United States which gave Life unto the image of the beast which it gave life unto the council of Churches, and the United nations.

And it is through this United States that **16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:**

Now I know I've got a picture of a X-ray. And you can see between the palm and the hand in this part here is embedded a little chip. They are going to try someday. I think we'll be gone when that happens. But to whoever is left here, they'll try to make you have a CBD.

That mark is in their minds and in the actions. And in conjunction with what they did in 2020 with the lock downs, and Bill Gates Wo2020060606 patent on his vaccine that is called human operating system 02, which makes men a transhuman, combine that with the Luciferin in that drug and you have people in their own brain and in the actions creating their own currency which is all digital. In other words, every time you type a paper and submit it, you get rewarded in your body and now you have your CBD, your crypto currencies already in you and So what do you get? Well, it's connected by Wi-Fi and you can go and buy and sell. Hold your hand up to the cash register, you know. All right, so

So how does it go from being a spiritual thing to a physical thing? That's the question. How do they do it? They do it through the money system, the love of money. They do it because the love of money is greater than anything else for them. And so, they turn over their soul. They sell their souls.

So the creation of digital currency has to become fulfilled for the Mark of the Beast which is a rejection of the word, to become manifested in them. They have it already, the world has turned down God's Message and thus His Mercy and is about to receive God's judgment.

Now how do they receive it? Well, listen, you see, if we're purists, we say, well, you know, they got the mark of the beast because they turned on the Word. That's right.

The curses come upon you if you turn down the word. We went over that and showed how the people are cursed. Okay. Now how is God going to fulfill that through a CBD? Through a universal money system, that you will have and if you disagree with the Catholic Church, now your social score. Becomes low enough. Like in China. They're already manifesting that. You have seen videos of a man get in his car, try to start his car, but his social score wasn't high enough so his car wouldn't start. He couldn't buy anything at the store. His money was no good because his money was blocked. So basically, this person is left out, unless he has friends that will feed him. Then if the friends feed him and if they find out about those friends, they become blocked.

And then it's on and on. So, you see they're developing this already. You know, a famous guy in England had his bank account blocked and then he went to 10 other banks and every one of them blocked him. And so, he put up a big fuss online and finally the head of the bank says, well, OK, we got a bank in this part of England, you can do business with them. What you're not going to do with us and you're not going to do with the rest of the banks. And he said, forget it, I'll have to bank outside of England, Okay. So, they're blocking people already. It's already, the objects are there, of what it's going to be like. We're getting a preview of what it's going to be like. We are seeing the 81 things as we go down the escalator, the people mover, so to speak. God's moving us. We see them happening, transpiring, and along the way we see this other stuff develop.

Okay. So, you know, there's a lot of things going to happen when we're gone, all right? They have it already. The world has turned down God's message. And when they turn down God's message, they don't harken to the voice of God. So, if they don't harken to the voice of God, then the curses are upon them.

17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

So the technology is here, and all it will take is a currency that is digital and you will carry in your body.

18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

Let us pray.

Gracious Father. We're thankful, Lord, for your word. We're thankful to see these things fulfilling themselves from your scripture. And we're grateful to see all the pictures. And there are many, many more pictures if we have time to look them up and to view them. But we see that it's all set up, now, we're just waiting for the 82nd sign wonder, to take place. We're looking for the Change of our bodies, which will happen. I believe in the tent, because Jesus had a pre resurrection ministry and he had a post resurrection ministry which continued to this day. William Branham will have a pre. He already has had a pre resurrection ministry and he will have a post resurrection ministry. So, I believe that some of this stuff will take place when we're together.

The 82nd is a change of the body. The 83rd is a being gathered together with the Saints that are dead, and the 84th is being caught up with them to meet the Lord in the air. Now somewhere in between, the prophet has to meet with Moses and Elijah. I don't know if it'd be in the tent or otherwise but see the baton. The message has to be handed off to them. And so, I believe your prophet with all my heart will meet with them. He will give them this message. He will lay it out for them and then they will take it to Israel. And so, Lord, we're looking for this time in Jesus' Name we pray. Amen, God bless you all.
