

Satan's Eden no 119
World Council of Churches part 3
August 6, 2023 a.m.
Brian Kocourek, Pastor

Amen. Let's just bow our heads in a word of prayer. Dear gracious Father. We thank you, Lord, for this morning and for the Word which you have given to us to speak. And Lord, we know that you are doing something for us, and it's just wonderful to have the Mind of God, which is what the prophet had. So, Lord, we just ask that you would bless us today as we read further about the World Council of Churches. In Jesus' name we pray. Amen.

All right, you may be seated. Sister Cindy, it's good to see you.

So you know, Brother Don is here in another dimension. So anyway, I would just like to mention this morning that I received an e-mail from sister Heide, with a quote. And I think it's interesting that the last couple of weeks ago I said, I read from Revelation 13 and verse **11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.**

Now notice, this is another beast, and it comes up out of the earth where no people are, which is the United States. It is number 13, with 13 stars and

13 stripes in its flag, and there were 13 colonies, etc. Well, I put up this picture here of the Buffalo over the United States. But I didn't say anything about it. And I was going to use this faded one over on the right side. And then I thought, no, I'll use the colored one showing, that my thinking was that he looked like a lamb. But see, when the Bible says it looks like, it's not saying it is.

Well guess what, some people thought I've been preaching conspiracy theories, but I have only said what the prophet said.

From his sermon **Mark of the beast 54-0513 P:54** Now, if I can just find the place where, the **11th** verse. **"And I beheld another beast coming up out of the earth" ... (not out of water, out of the earth). "Then, the thickness and multitudes of people is water," then this is where there was no people, the United States. And he had two**

horns like a lamb... "Two horns like a lamb," not a lamb. What is it? It's our American buffalo.

So, you see, he said exactly what we had actually put the picture up, and not knowing that he had said it, but knowing that it looked like a lamb, because it's woolly, you know, and it has horns, but it's a beast. And see, it's kind of related to a cow. It's not really a cow, the cow was a beast of burden. But this beast is the Buffalo. So, he says it's our American Buffalo. So that's Brother Branham. That is the word of God. That is a prophet of God. That is not a conspiracy theory.

Now, I know people were mad at me for mentioning Fauci and Bill Gates. But you know, they're just two devils in disguise. And they're disguises is the kind old priest type of thing. And so, whenever you get a person who really puts on the dog, I have to be wary of them, because it's not normal to be that kind. He would talk so soft and everything else, and you have to be leery of those people.

Sure. See, here is "two horns like a lamb." But then what did he do? He had freedom of religion, first; he acted like a lamb; he spoke like a lamb. But remember, he never did become an old ram. He was a lamb. This country is only a hundred and fifty years old, you know that, just a lamb.... and then he spake like a dragon. And he exercised all the power... the first beast had before him... (the red dragon)... and caused all that was on the earth, that dwelled upon the earth to worship the beast, whose deadly wound was healed. (Look!) And--and he does great wonders, so to make him a fire come down out of heaven... (The atomic bomb, and hydrogen; smart, intelligent nation, and so forth, deceiving the nations by these things.)

So I thank Sister Heide for her studies and for her diligence to follow up, in the translation work. This quote was sent to me this morning showing you I have been right in the same mindset as the prophet.

Now we're going to be studying again on the World Council of Churches. And Brother Branham said from,

The Book of Exodus 2 55-1006E P:10 *Here not long ago they made a proclamation that you couldn't shout no more,*

(And you know, they made the same proclamation in Congo. I had Brothers in Congo write to me and say: Our nation forbids us, we're not allowed to shout anymore. We're not allowed to sing loud anymore. And I said, well, that's a problem with you African people, is that you like to make your voices heard, which is

fine. And you take a few quotes from the prophet that he talks about, if you don't like

noise, you won't be up there. But the thing is when you're in a neighborhood, you have to be careful. They don't have sealed walls like we have, and the churches there are not isolated, it's open. And they were singing too loud. So they actually came up with sound regulations, and they couldn't sing anymore. And I said, now you're going to have to do what the prophet said. When you come to church, you should be singing songs that make you meditate in your soul.

*and all these things, was going to try to pass it in Congress, said they'd stop all the doors, and every people that didn't belong to a certain denomination, when the confederation of churches united, and going in now to form the mark of the beast for this nation, this world ... When they all confederated themselves together, **they were going to pull every door and shut every door.** And they will do it sometime. And **everybody that don't belong to a certain denomination that's in this confederation of churches, will have to take the mark.***

Well, I just wanted to let you know I just put up the picture there. So, you know, the church closed until further notes. You see many churches in this nation closed because of COVID. They shut them down. Not only this nation, but almost every nation. I mean, Trudeau was famous for shutting down the churches and making statements that they should remain shut. And we have even churches in this nation that don't have a religious service since COVID. So that's really striking indictment knowing what the prophet said and they go ahead and do it anyway.

*And doing so, well, then, they think then that they'll stop all of this stuff, **like Divine healing and all these things that the churches don't accept. But they'll never do it; you can't do it.** God's Church will move on just as sure as the world.*

So he said they won't do it. But now see, this church never closed down. Now we thought it was kind of ridiculous that the government was getting involved with religious worship and say, you should wear a mask and you should sit apart every six feet. And in fact, you shouldn't even have church service. And you can't assemble, even though it's okay for BLM to go out and burn down buildings and have these big, huge gatherings, they're okay, but you're coming to worship God. No, forget it. We don't believe in God anyway, so you're going to do what we say.

Well, a true Christian says nonsense to that. A true Christian says, I am going to

worship God after the dictates of my heart. Let's look at the mask.

The true doctors will tell you that trying to contain a virus with a mask is like putting a cyclone fence on your yard and keeping out mosquitoes. I mean, it's just so stupid. And then, yet you see people drive down the street with a mask on and they're the only ones in the car. Or you see people walking down the street and they're walking out in public, and they got a mask on.

Those people are not right in their heads. You might get mad at me for saying these things. But listen, it's about time that all of you say those things. Because if the Voice of America had not been silent on these things and if everybody would have stood up and held their ground and said forget it, you're not doing that, they wouldn't have done it. They'll push you as far as they can push you. Well, it's time to start pushing back. And if you don't believe that God will watch over you, then I'm sorry for you as a Christian. You're a pretty sorry excuse for a Christian.

They tried that before, fed them to lions, and burned them to the stake, but God's Church moved on just the same. Said, "The gates of hell cannot prevail against It." Showed that all the gates of hell would be against It and the powers of hell, but It would never prevail. God will move right on with His Church. It always will be that way.

So, if you're the silent type that wishes to put your head in the sand and hoping that you're somehow, you'll make it to the Rapture and you'll get out of here without ... Let me just tell you something. You have absolutely no idea what God is doing. You don't.

Now, I'll get to Brother Don next week, but just to let you know that we're going to do his funeral, which won't be until after Thursday sometime. Maybe it will be Thursday, but we don't know. But we do know that the viewing will be on Thursday.

So, I told his sons to prepare something for next Sunday. But I already have incorporated into my sermon things about what Brother Don and Brother Vale, what they went through, and showing that if you are a son of God, don't be like David. OK? You see, when you're born in sin, shaped in iniquity come forth to the world speaking lies. All right, you're born from your parents. You have your parents' spirit on you. But when you're born again, God's spirit comes in there. Now, the trouble that we have, as Christian people, is, that sometimes we think that we're doing God a Service, but it's not His will. Sometimes those two spirits, the spirit that you're born with and the Holy Spirit, collide. OK, you're not going to win. I'm sorry. Don't even try. You're not going to win. You have to let go and let God.

Well, I'll just mention it, that I've been visiting Brother Don and having good conversations in the hospital. And when he was there for seven weeks, his wife, his two sons told me and even his daughter told me that he's been kind of hard to live with and he suffered a lot, but he's taking it out on staff, the doctors and even us.

So I told Brother Don, listen, I said, you're going about this all wrong. I said, you want to get out of here. Is that right? He said, yes, I do. I said, then why don't you just shut up and just let go and let God. I said, be the sweetest person that you can be, be the greatest testimony of a Christian that you can be. And I said, then God is ready for you. But God is not ready to take home someone who's grouching. So he's going to knock it out of you, whether you have to sit in here eight more weeks or whether you are going to just give up, and let go. So he said: Okay.

Well, then they sent him to a temporary place, then sent him home. In the meantime, he made up with his wife, his children, and the people. And then he was ready for God to take him home. So what happens? He goes home and he's there for a few days and he gets sick again. So they take him in and he has troubles and he dies. He was not in any condition. He was too weak to fuss. He was too weak to do anything, but just lay there and just take whatever God has for him. And that's what I'm telling you is, once you let go of your disposition and let God. Get your thoughts on him, not your illnesses, you will either be taken home, or you will be healed.

People can have attitudes that cause them to prolong their illness, but if they apologize to everybody they have hurt and get right with God. Listen, we had a brother overseas who did the same thing. And I won't go into detail, but once he made things right with everybody, God healed him of prostate cancer. So, I just want you to know that some of the things that you might do, when you're in that condition, are not good.

Some of the things you might do when you're in a back slidden condition, are not good. And you say, the Bible says that these kinds of people won't be in the Kingdom of heaven.

But when you turn it all over to God and get right with everyone you know, that includes them you've hurt, and God heals you, that tells me you're a son of God. Brother Branham said if you're a son of God, he takes you home. But he said he'll hear you. And so, when we see that God says, OK, you now have won back my mercy and my favor. I'm going to touch your body and heal you.

And the person that had prostate cancer, which was bleeding, and went to the doctor, after he had made all those things right. And now the bleeding went away. His cancer went away. I have a note from the doctor. It's in their language. The Doctor says, this man, can only have been healed by God because he's now completely, there's not a sign of it left in his body. So, I want you to know that if you think this is a conspiracy theory, you are deadly wrong. Not only deadly wrong, but you know you're missing the mercy of God. Okay. These are not conspiracy theories. They are facts.

First seal the 63-0318 P:168 *This is the Satan's superman with education, with wisdom, with church theology of his own word, of his own making, and he rides his white denominational horse to deceive the people. And **he will conquer every religion of the world,***

(In other words, Muslims, Buddhists, whatever they are, Taoists, every religion of the world.)

*'cause they've all going into the confederation of churches and the world confederation of churches. And **they already got their buildings built and everything setting right in line.** There ain't one thing left. Every denomination's stuck right into it, the federation of churches. And what's backing it? Rome. And the pope's now crying, "**We're all one. Let's come together and walk together.**"*

(Isn't it prophetic to say what pope Francis just said about walking together? He said "**Walking, praying and working together**" and that was the motto of Pope Francis' visit to the World Council of Churches in Geneva, Switzerland, on June 21.)

Jehovah Jireh part 1 62-0705 P:85 *I found out, Jesus said, "**Let the weeds and the wheat grow together.** The angels will come and bind up the tares and burn them first." **And it's binding time now.** Every one of them going into the confederation of churches, all the denominations. That's right. That's right. World League, Council of Churches, every denomination's pulling right into it, the big thing going on. All of them coming back to Rome just as they promised, "**an image made unto the beast,**" the power, a confederation of churches, just exactly what God said would come to pass.*

Spoken word original seed 62-0318E P:8 *All right, **I predict that the two denominational groups, Pentecostal and the Evangelical groups,** will work together in a denomination, will unite themselves together, and will become a member*

*(all of them) of the Federation of the Council of Churches or the Council of Churches. They already belong to it, all of them. And **there will come through them a forcing or a boycott, that'll stop everything but what belongs to that union of churches.** That's what a... **The Bible said that there would be a boycott, even to such a way it would cause people to not buy or sell***

unless they had received this, the mark of the beast, which is Romanism, and the image of the beast, which is Protestantism, that the image... The beast had power, authority to give the image life to

speak, and it did. And that's the Confederation of Churches, when they confederate themselves together.

Seal of God 61-0216 P:46 *And now, you watch: just about the time the antichrist is holding itself up now and taking **all the churches, even our Pentecostal**, into the big morgue up here, you know, the union of churches... You understand where I mean. I understand some of our Pentecostal organizations is getting into that. How far away from the Spirit of God can you get when you start wandering. Just slip off that narrow road, and you'll just keep sliding. That's right. You got to come back to where you left off. That's right. **Confederation of churches, which will form the image of the beast...** And we all know that. See, there? It's all 5 working right around now **to bring all the churches together**, unite ourselves together to fight communism. Don't you worry about communism; it ain't going to be the thing to fight. There's three curtains. I say this in the Name of the Lord; don't you forget it. There's a iron curtain, a bamboo curtain, **and a purple curtain. Watch that purple curtain. Keep your eye on that.***

Now notice, there's a picture of the Pope with a Pentecostal sister in a Pentecostal church.

All right, So you know, they've already gotten the Pentecostals that go along with the World Council of Churches. Now you say, well, they haven't done so with the oneness Pentecostals. They will. Listen, if you have a pastor and you came from that church, and he was into joining up all the churches together, don't you think he's got the same mindset? Don't you think he has a hierarchy? Don't you think he has a Nicolaitan spirit? Well, that Nicolaitan spirit, they're all coming together. They'll vote for the same legislation, they put their stamp of approval with what the people are doing.

Israel in Egypt 53-0325 P:105 *Then Joseph was sold for almost thirty pieces of silver by his brothers. The Jewish church betrayed Joseph. Today what is it in this church? A betrayal. They getting documents; they're going to try to have a... Well now, you just keep this on your mind. They're going to have a confederation of churches.*

*The churches of Christ of America has already confederating with all their churches, and **they're going to have a band here someday that'll shut out to fight Communism, which will hook up with Catholicism,***

They've already done that. You know, I showed you the Pope. Here's a picture of the

Pope. He's got the Hammer and the sickle.

And, you know, it's interesting, but there was a man, his name was Armand, you know the brand of arm and sickle or arm and hammer. Yes.

The arm and Hammer enter in gold. Well, just a minute.

That is just so ... How do you have a gold Hammer and sickle, OK, I mean, isn't communism ... They have nothing to do with materialism and capitalism?

What's a gold hammer and sickle doing in the hands of the Pope, given to him by a communist? Well, because Brother Branham said the *Churches of Christ of America is already confederating with their churches. **And they're going to have a band here some days, that'll shut out to fight communism, which will hook up with Catholicism, with the Protestant church and the Catholic church together.** And the inter-denomination's who stand out for the truth, and get away from that dogma that they've got, **will be persecuted.** The mark of the beast, the Seal of God, the showdown will soon come.*

(Now, right before that, the Catholic Church would join together with communism.)

*And, brother, if that's not in there, **you'll be deceived as sure as the world, 'cause it'll look so nice.***

This is the whole thing. The guy, and I'm just kind of targeting you sisters, he came out of the oneness Pentecostal church, and he's so nice. He's just nice to everybody. He's so nice that everybody wants ... Hey, we'll buy your building, we'll have our denomination over here and we'll have our denomination over here and we'll have our denomination over here. And guess what?

I'm the Bishop now. I've become a Bishop. Now I've become a Pope. And now I've become the big dog. Okay. That's exactly the same spirit that is in Catholicism. All right, but it looks so nice.

*You'll say, "Now, if Communism made a... for the world, why, **let us make another agreement, and bring all the Christian, and Christianize the world back.**" And **look so good, the people will jump into it.** See? They'll confederate the churches, and bring, try to make Christianity one unit. And the Bible says in Revelations, "**that he give his power and everything, that he made an image unto the beast and exercised all the power the beast did before him.**"*

Now look at ... so if you have the beast of Revelation 17 and you have the beast rise up out of the ground. This one, nations with multitudes and tongues, this one is an international one. This one is from the ground, the earth, the United States. Now this one's going to make an image of this one. What's the image? It's Nicolaitinism. What's Nicolaitinism? You have a hierarchy. You have people answering to a Bishop, to an Archbishop, to the head Honcho. And so that's what God hates. Okay. Now we've made an image unto the beast.

Uncertain sound 60-1218 P:80 *Great denominations will rise; they'll all form themselves into a confederation of churches (We got it.), **making an image to the beast, the Catholic hierarchy.** We'd make an image unto the beast. There we've got it, confederation, every denomination in it. It's not an uncertain sound. It gives a real true sound. It's a certain sound.*

Acts of the Holy Spirit 54-1219E P:34 *I believe, one of these glorious days, **when this united confederation of church goes together, and the new pope is brought out of the United States and put over there according to prophecy,*** (Now, he didn't say he would be an American citizen. He said sometime he would be in America. And then once that Pope who's in America, is put over there according to the prophecy), ***then they'll form an image like unto the beast. And I tell you, the true Church of God will be drove together.***

Now, what's happening today? All right, you have communism is merged with Catholicism under Pope Francis. God has to remove Pope Francis. Why? Because he needs to join Catholicism with the World Council churches to fight communism. They're going to fight everything he did. They're going to fight this LGBT. They're going to fight all this other stuff. You see, LGBT is a tool in the hands of communists, OK?

Putin said we used to be that way. We used to have our LGBT. We used to be, but he said under Stalin and stuff. But he said now we're a Christian nation. I'm a Christian, he said.

Why, isn't that funny? Because Biden would never admit it. Okay, the people in Washington DC are fighting Christianity. All right. So, it's the reverse role. Now, they are going to destroy Rome, which we should have done 50 years ago, 100 years ago. And all these little boys and girls would have been safe from so-called priests, which are nothing but a bunch of deviants.

*The real, true believers out of Methodist, Baptist, Presbyterian, Pentecostal, Nazarene, Pilgrim Holiness, whatever they'll be, will go together and **cemented by the love of God,** that'll make the Body of the Lord Jesus Christ, all the believers. And **agnostics** ...*

(They see, as Washington DC, the agnostics and shallow-minded. That's the liberal. That's the progressives. You talk about a shallow mind. You give them a regular mental test and every one of them would flunk (fail) it. They come up with stuff that is totally mind blowing, because their mind is blown. The only true mind people, that have a true mind, are those that have the mind of Christ.)

... agnostics and shallow-minded will be cast to one side; they'll go right on into the confederation of churches.

The world is again falling apart 63-1127 P:75 *The people wants that kind of a system though. They're going to get it. They're already in it right now.*

The World Council of Churches will give them just what they want, every one of them together. *How these Pentecostals can set in these conventions, and get in the Vatican City and write a circulated letter, and say, "The most spiritual thing I ever said, when I set beside Holy Father Pope So--and--so," and be a Pentecostal and know how... It's . It's... The whole thing's dead. It's corrupted. It's gone. It's right back in the Confederation of Churches where it belongs. Exactly right.*

Now, I'm going to show you a letter later on, where one of the Pentecostal ministers wrote a circulated letter. And he said: What a blessing it was to stand there with the Pope. Good grief. You know, he's absolutely, I think his mouth is bigger than his brain. And then, when you see his picture, you understand, Kenneth Copeland. I guess that's not nice. But you know what? I don't care. I really don't care because he's not really nice. He's leading the people to their death, and he thinks he's leading them to a greater time.

Identification 63-0123 P:71 *When Dathan stood there and said, "Don't you people think that? That man takes too much in his own hands. He's trying to tell us what to do. Why, in the multitude of many, there's counsel, there's safety. Why, we all ought to get together and solve this thing out." But there was a message of... God vindicated His message. We don't have to ask somebody else something about this message that we're preaching. It's wrote here in the Bible and God proves that it's right.*

(Now see, that's why I don't ... I'm sorry but I have very, very little things that I say, that are my own from this pulpit. Basically, I just tell you what the prophet said and what the Bible said, showing that in the mouth of two or three witnesses, that all things being established.)

So why do you have to go out and say, "Now, you Catholic, what should we do about this? We'll join the Confederation of Churches. We'll find out. We'll get together with them brethren and see how they built their great groups.

(See, that's what it's all about. See how they built their great groups. What do you think is happening? He's building the group here or group here or group here. And then they're all partly the same thing. Guess what, He just increased his tithes to manyfold.)

"We Pentecostal people don't need that. We don't need to join the World Council of Churches. We need to join the heavenly band, the Pentecostal power, be lifted up into heavenly places. We don't need those things.

Seventy weeks of Daniel 61-0806 P:86 *Now, you Protestants say, "Well, now that's it." But just a minute. We find out that the Protestants has an organization, and makes a confederation of churches--a image to the beast, and go right with*

them. And we find out here that the Jews are called in on this confederation. Yes, sir. And they agree. And the Bible said they did.

Now, this is a picture of Kenneth Copeland reports in about his meeting with Pope Francis from 2014. Now I'm going to show you a letter that he wrote.

[Kenneth Copeland Reports In About His Meeting with Pope Francis](#)

June 26, 2014

That's nine years ago. Brother Copeland just returned from his trip to the Vatican, which included a visit with Pope Francis. Here's what he had to say about his meeting with the Pope.

(So, you see, we have Kenneth Copeland, and all these people there are Pentecostals. Later Tony Parker, in turned around collar who got them Together, died in a mysterious motorcycle accident in London.)

“I am so Blessed! What Jesus asked the Father for in John 17:21, “that we may all be one in Him”, it’s finally coming to pass. Pope Francis is a man filled with the love of Jesus. All eight of us in our meeting together with him were moved by the strong presence of the Holy Spirit, and our love for one another was strengthened beyond measure. Like I said, I am so BLESSED! What a time to be a believer! – Kenneth Copeland.”

That's what Kenneth Copeland is saying. So they're looking at the scriptures in so wrong way. They're looking for the signs in a wrong way. They're completely looking over here, look over here, look over here. And right over here is what's going on. We're looking at what's happening right here. They're looking at what's happening or supposed to happen.

They think, what's supposed to happen, because of theology. Oh, we're all going to be one together. They don't realize it's one in the same word, one with the same mind.

Wow, isn't that fantastic? Doesn't that inspire you? Oh, good grief.

Listen, there's a picture of Priests attending a vigil, led by Pope Francis, ahead of

Pentecost Sunday at the Vatican in this June 8, 2019. Photo zoomed during exposure. Pope Francis encouraged Catholic-Pentecostal dialogue in a message marking the 50th anniversary of the establishment of the Commission for Catholic-Pentecostal Dialogue. (CNS photo/Remo Caselli, Reuters)

And Brother Branham said, 60 years ago, they would do it. So, since he's been gone, they've been doing it.

Pope encourages Catholic-Pentecostal dialogue.

July 12, 2022
By Catholic News Service

VATICAN CITY (CNS) — The more Catholics and Pentecostals understand each other and bear witness to Jesus' call for his disciples to be one, the more effective they can be in sharing the Gospel, Pope Francis said.

(In other words, their Jesus, because they have another Jesus, and the Pentecostals have another Jesus, because they have a Trinitarian Jesus. And so, they're all preaching the same other Jesus.

And Apostle Paul said if you preach the other Jesus, you're lost, you're cursed, all right, but they're doing it.)

Seventieth week of Daniel continued. "And he makes a covenant with them, and in the midst of the seventieth week, he breaks--the antichrist breaks his covenant with the Jews, "thy people." Why? Now, when you read in Revelations 11 that, "I'll send..." (That's 11; you're coming over towards 19 now) that He will send His two prophets, and they'll prophesy in that time. And then they'll get angry with these prophets and actually kill them.

(Why are they going to kill them? Because they're giving you the Word of God, straight. Always conspiracy. They'll call it conspiracy theory. Listen. We won't be here for that. But I'll guarantee they'll call it a conspiracy theory when the two prophets are wreaking havoc. They'll get angry with those prophets and actually kill them.)

Is that right? And their dead bodies shall lay in the spiritual street called Sodom and Gomorrah where our Lord was crucified: Jerusalem. Why did they crucify Jesus? Guess what?

Ding, ding, ding. Because they hated Him. Because they got angry with Him, they said He makes himself God. Well, it was God, in flesh, and they say, well He makes himself equal, because He says He's the Son of God. Well just because you say you're a son of God doesn't ... Their idea of God is wrong, because they couldn't understand he had a Son, just like the oneness, Trinitarian say: "He's not the son of God. He's God the son. So he's God." No, he's not God.

I'm sorry he's not God. He's the son of God. Just like you are a son of God and daughter of God. And you got the Holy Ghost. He had it without measure. You have it with measure.

Is that right? And they'll lay there for three days and nights. And after three days and nights, the spirit of life will come into them, and they'll be raised up and go into glory.

(Now doesn't the Bible say, if the same spirit that dwelled in Jesus dwells in you, you'll be raised up?)

A tenth part of the city fell at that time. Is that right? See? What is that? In the middle of this last seventy years.

Revelation chapter 4 pt 3 throne mercy 61-0108 P:84 Now, in Revelations 15, the remnant of the woman's seed, which was the tribulation saints that went through the

*tribulation was found (Look.) standing on this sea. And it was filled with fire, blood, red blazes licking forth, the fire of God. They had gotten the victory over the beast (Rome), over his number, over the letter of his name, and over his image (the Confederation of Churches), and had come out. **And through the preaching of Moses and Elijah, those two prophets that will appear to Israel to pull out the--this group of people, those tribulation period saints, back in that time that'll be brought in would... See, the church is done raptured now, but remember the Wife is on the throne.** The tribulation period...*

*Lived in the kingdoms, out, and brought all of her kings and her honor and glory into the city. As we get down into **Revelation 22**, you'll see it.*

(OK, I said a lot there, we're going to be gone. But this is for the Jews, all right? Those 144,000 that will become Christians, they'll actually become Christians and not these denominational Christian Jews today. So-called. They believe in a three gods, you know, Father, Son, Holy Ghost. But these will be real, genuine Christians who believe in God. And that He had a Son.)

Ten virgins 60-1211M P:127 "And now, let's make a image unto that beast." And over in this country they made a image: a confederation of denominations together, the Nicolaitanes getting together and denominated themselves;

(Now I've got a picture of the Archbishop KIRO up here and he spoke to all the African leaders.)

and finally will unite this brotherhood, not come in as Catholics,

There was 49 out of the 54 African countries, there was 49 present. And so he spoke to them and he told them that we are in a fight for family and for church. And so, for family in church. He said, "We got to fight this LGBT. We've got to fight the sodomite agenda by the United Nations." So they are gathering all of those denominations across Africa and the Catholics in Russia, the Eastern Orthodox Church and the Greek Orthodox Church and all these Orthodox Churches.

And they're fighting LGBTism, which is a communist plot to destroy America by destroying the family, by destroying the unit. He says, and the Nicolaitans getting together denominated themselves and finally will unite this brotherhood. Not come in as Catholics. That's what he said. And over in this country, they made an image of Confederation denomination together, the Nicolaitanes getting together and denominated themselves.

Now I've got a picture of the Archbishop KIRO up here and he spoke to all the African leaders.

Catholics, (That is exactly what is happening in the Russian meeting with African Leaders this past week in Russia. The Patriarch of the Russian Catholic Church, which is called the Russian Orthodox church, which claims to be the original Catholic church, got up and spoke to the African leaders to join together to fight against the West and their LGBT agenda which they oppose. so Brother Branham says,) **finally will unite this brotherhood, not come in as Catholics, but they'll be united as a brotherhood to try to stamp out Communism.**

(Well, guess what? Where is communism coming from? It's not coming from Russia. They're Christian. Isn't that strange? They're coming from the United States and Europe, which are communists inspired.)

And the Bible said that God raised up Communism to get revenge upon the nations for what they've done to the children of God. Exactly right. He said, "And they give their power and everything to the beast for one hour, and to revenge the people, the... of the blood that they had shed." And when that atomic bomb or whatever it is will strike that Vatican City, and the Roman hierarchy will be no more,

(So a piece of the action will be gone, which is Romanism. Notice, there will still be Romanism. There will still be Catholic churches. They just don't have Cardinals. And they give their power and everything to the beast for one hour and to revenge the people and the blood that they had shed. And when that atomic bomb or whatever it is will strike the Vatican City, the Roman hierarchy will be no more.

Okay. So notice this. This is him and he's up there. He's giving a speech at this meeting, and you can see hundreds of people here. If I could blow up the picture bigger, you see hundreds of African delegates sitting in front and of course he was addressing them. Moscow Patriarch of Russian Orthodox church is one of the speakers.)

it said, "And in her was found the blood of every martyr that ever was killed in the world." There she is. And here's the image to it, a confederation of churches. Won't be long till we'll have to close them doors out yonder, that's right, or either take a denominational mark. And we'll close the doors. That's right. We'll... We know better than that.

Now, I had mentioned up here, that he calls them. He calls them the Nicolaitans get together and denominated themselves.

So you see, they're not getting together under Trinitarianism. So this guy will find out, oh, that's not about Trinitarianism. It's about coming together and having an organization and making things better. I like that, because now I can be a big shot. I can be even a bigger, big shot, because maybe now we'll go international with it. So it's all getting the Nicolaitanes and spirits of these ministers in the World Council of Churches and the Catholic Church on the same page.

*together, and that's what they'll have. And what does it do? **It makes a power, a beast just like the first one.***

Thyatirean church age 60-1208 P:63 *Make an image to her, what would it be? Just what they're doing right now, just exactly, moving up in this confederation of churches: **all the churches belong to this organization, all go into one group.** Now, they're getting a Bible. And **Pope John has invited them all back.** The archbishop of Canterbury, that's England all going around... First thing you know, the whole thing comes right back to mammy, because they're harlots to begin with. See, see, see? They say, "**We'll all join together in one big cause to fight Communism.**"*

Now, see at this time that he's Speaking of, which is 1960, if you know what the other quotes were in the 50s, where he says that the Catholic Church will join communism, but now he's saying in the 60s.

Wait a minute, They're all going to fight communism. They're all going to fight communism, the world, the Catholic Church, and well, how are you going to fight communism when Pope Francis is in charge and he's communist. You got to get rid of Pope Francis. So you watch for Pope Francis to retire or to be taken out of the way. It has to come. You watch for Joe Biden to be taken out of the way, because he's communist. You watch for the Catholic and the World Council of Churches to take charge in the next election.

Just mark my words. Okay. Watch for it to happen, because a vindicated prophet of God said the Catholics would join together with the World Council of Churches to fight communism. How are they going to fight communism when the image of the beast is Catholic. When, the United States is the beast. The Catholic Church was Catholic, because they got Pope Paul in there. So they're going to have to have something revolutionary take place, and you're going to see the removal of Pope Francis, and you're going to see the removal of Biden. They're already starting to find evidence against him.

And our mainstream media is already starting to speak about this evidence. They're already starting to pick apart all of these indictments against Trump. And they're going to say, wait a minute, now, see, after the election was stolen, 2022, we knew it would, because we saw the Catholic Church get involved and they did it. He was put out. He tried umpteen amount of times to have a court case and all the court cases were thrown out. Well, guess what? Now they have to have them because why? Because he didn't come with the court cases. They came with them against him.

So by coming against him now, it allows him to show all the evidence as his evidence for saying the election was stolen. He gets to show who's the pillow guy. He had all kinds of videos showing the packets were going out of America, coming back in different packets and everything else. So all this evidence gets to be shown. And

guess where it's going to be shown. It's going to be shown at the Supreme Court level.

And then the Supreme Court level is going to say, you know what? Trump was our right president. He was stolen from. These are trials by Democrats, they are nothing but political. You watch for it all to happen. But guess what? It also brings with it the new, the Catholic Church and the Protestant church. And you know, like Trump used to have people lay hands on him, was praying. We thought, hey, finally, you know, at least we got a guy that believes the Bible. Well, he don't believe the Bible. You know, he said he could end up in Jerusalem, for all he knows. He was given a crown, you know, by the Jews. So what's the next thing? He could become the leader, if it goes that way, he would become the leader of ... But he won't go that way.

I don't think it will. I think they'll be shut down. And if he doesn't get shut down, he'll be going anyway. But us, we're not fooled. The Catholic Church and the Protestant churches have to come together. All right. So we're just waiting for that time to take place.

*And don't know that God raised up Communism (I can prove that by this Bible.), and even put in their minds of them to avenge the saints, of the blood that they had shed upon the earth. God organized Communism just the same as He did King Nebuchadnezzar to chastise Israel. **He raised up Communism, and someday she'll blow Rome plumb off the map.** That's exactly. God said so. That's right. I'm against communism; it's anti-God. Sure it is. But don't you place much sense in that Iron Curtain, but watch that purple curtain. Read the Foxes "Book of Martyrs" and you'll see that that's right.*

Now, remember, communism back then was synonymous with Russia, and Russia only. Then

China got on the bandwagon in the 60s and they went communist. But today it's America. The Prophet said, It's honeycomb throughout America. Putin gave a speech the other day and in it he spoke of the ills of Communism and all the terrible things Stalin and the Marxist did. He spoke of how they took motherhood away, and family away and brought in the killing of innocent children, (Abortions) and homo sexuality and what we have now is the LGBTXYZ craze and he said, it's not a new thing, we've had that under communism. And of course, we all remember the soviet Union and how godless it was and how the women athletes looked like men, and took male steroids to make them more competitive in the Olympics and they would lose their femininity etc. And he said under the guise of being progressive they did all these things, but he said, we've gone away from those evil things. But notice that Russia will nuke the Catholic church, but by then we have an image of the beast that is just as bad.

Smyrnaean church age 60-1206 P:28 *And now at the end of this age, it's predicted here that it'd come to a Laodicean, a lukewarm. Now, here it is. **Why, if this thing***

here brought them to this, why would we want that down here in Pentecost? And you know the Bible said there'd be a beast. And we know that's the Roman papacy. That's exactly right. And then they would form an image to that beast. What is an image? Something made like it. And that's the confederation of churches, and Pentecost is in it. It'll come a time where you'll either belong to an

organization or you can't keep your door open. Now, you see if that isn't true. That's the reason we pound it to death. Yes, sir. You... They even go lower than that; they'll try to stick you so bad, till they won't let you buy or sell 'less you've got that organization mark on you. It brings it right in.

Listen we have not seen the end to the passport issue, it's only waiting for better legislation, but we'll

have it. And it won't be the Catholic church you will have to worry about, it will be her image. All the protestant denominations including the Pentecostal churches.

Last week, Doctor Mercola and his CEO and the CFO and all of their wives and their children. And guess what their grandchildren were told they could never open up an account with the Chase Bank. And the week before, that Nigel Farage from the UK, who led the Brexit defeat of the globalists, he was debanked. He was canceled from his bank, and he went to 10 different banks, and every one of them said the same thing. I'm sorry, we can't let you have a bank account here. So he says. I'm going to have to go overseas to get a bank account now. We are already seeing the social scores manipulate businesses. We see that Black Rock is very strong with their thing called ESG. It's that Environmental, social and government.

And they will score each company and then you get loans based on that score. So Elon Musk cannot get a loan. Elon Musk, because he's against that system, they rated him very low. They said, he doesn't believe in union, so we're going to put him out of it. So he's fighting them to the nail. I'm just letting you know that it's through Black Rock, which is nothing but a communist, globalist intervention of business.

Hear recognize act on word 60-0221 P:102 See, we're at the end. The carnal world, the carnal church is at it end. Watch how it's heading up in the federation of churches, the United Brethren went into them, the Pentecostal is into them. All the rest of them organize themselves.

(Now I'm really glad that when I get stumped for a name, you brothers know what it is. It shows me that you're on your toes. You know what's going on? We're all in this

together and we see what the devil is doing. Now from the spoken word is the original seed. Oh, it's such a wonderful message. 6 hours. Brother Branham talks a lot about it.)

Spoken word original seed 62-0318E P:100 *Moab did the same thing. He come down there, and he taught the children of Israel; said, "Now, looky here, friends..."* **Now, that's the same thing they done in Pentecost.** (Now, look), **"Now looky here, aren't we all the same? Don't we believe the same God? We're all the same."** *The children of Moab was Lot's daughter. See that whole bunch skate down there, still a hair in the biscuit. See? There they are, gaggy.*

(See, there they are. Gaggy. I like that word. Gaggy. You know what's gaggy to you? LGBT, Sodomite agenda. It's gaggy. See, they was up there. See they didn't have the word LGBT back then, so all they could say was gaggy. She said, now looky here. you know he's talking about the Moabites. Well guess what, they were the product of an incestuous relationship, Lot and his daughter. So you know that's why he says gaggy. That's because that's what they were.)

*See, they was up there, and they had... "Why," she said, "now, looky here, you know we're all the same." (How many knows that that was Lot's children? Sure--from their own daddy--adultery.) And said, "Now, we're all the same. You know, you Methodists, and you Baptists, we Presbyterians and all; why sure, we want some of your oil. We're all the same." And what did they do? They married among them. And **that's what Pentecost did to the Protestants.***

(Now listen, just stop here, just a minute. Doesn't the Bible say that an adult's relationship that brings forth a child, is a bastard child, and he's to be put out of the congregation for 10 generations? So Lot's children were Moabites. The Moabites said, we'll all unite together. Don't we sing out of the same hymn book? Don't we do all the same things? Aren't we like you? No, they're bastard born.)

She married in the federation of churches; she denominated herself, and where is she? Just exactly like Israel was: put away for both spiritual fornications and literal fornications. God refused her from then on. So, a fornication. Why? Because 10 generations.

Hear recognize act on word 60-0221 P:100 *But the church carnal, the Esau church, she's come to her end. What she doing? Heading up in the federation of churches, which will finally join with Romanism to fight Catholicism—*(he corrects himself here) **or with Catholicism to fight Communism.**

(See, here's a beautiful thing about this. This is 1960, he says. No, it's not really

Romanism. It's not really those people in the Vatican, but they are Catholic. So the Catholics will join up to fight communism. They'll join up with the World Council churches. Guess what? I think I might just be the Roman Catholic Church of Russia. The Roman Orthodox Church. He's the one talking. He's the one uniting the Brethren, so to speak.)

Pope John is calling for all the churches to come back, and they will. And they'll unite themselves together, just exactly what THUS SAITH THE LORD. You say, "Wait a minute, Brother Branham, you're getting off the line."

(In other words, you're a conspiracy theorist. That's exactly the same spirit this in Catholicism. All right, but it looks so nice. Well, they don't put me in my place. I say conspiracy facts because they are conspiring. They are. If two people conspire to do something, aren't they conspiracies? Well, it's them that are conspiracy theorists. No, it's them that are conspiracy factual.)

*If I am, God wrote His Bible off the line. **You have to be Micaiah on this case.** And who was Micaiah? A five-fold prophet who echoed what Elijah said would take place.*

Why are we not a denomination? 58-0927 P:86 *One of these days old mother is going to say, "You know what? After all, honey, **we're both the same.**" And you know what it is then? **The Confederation of Churches are going to all unite together as they are now.***

***And you know what's going to happen to a little group like this? You're going to pay for it, boys. That's exactly right. But don't worry, the Lamb shall overcome him. For He's the Lord of lords and a King of kings, and God will go to leading His church, instead of a denomination. He'll pour out that golden Oil of the Holy Ghost upon that church, brother, Fire will fall from Heaven, with signs and wonders will take place like you've never seen before. Yes, sir. "Fear not, little flock, it's your Father's good will to give you the Kingdom."** Yes, sir.*

***"He that endures to the end..."** There you go. Keep right down the road; keep your head towards Calvary. This Bible's right. Don't worry.*

Hebrews Chapter 4 57-0901E P:37 *Did you notice this **United States is number thirteen in everything it does?** You know it was established, **the thirteen colonies?** You know **the flag had thirteen stars** in it first? You know everything that the United States does is in the number thirteen? **Did you know it appears in the Bible in Revelations 13?***

*Certainly does. The little beast, the lamb that come up out of water, not thickness and multitudes of people, not out of the water, but out of a land where there's no one. **It had two little horns: civil and ecclesiastic powers. And he was a lamb: freedom***

of religion. And after while they went together and he spoke like the dragon and exercised all the power that Rome did before him. That's coming to our nation.

(Listen, let me say this. There's nothing good about a Buffalo except for it tastes good and it's height. That's it. So you got to kill it first, then it's good. It's not good while you have it because it'll go out there. It'll jump your fences. You have to put up higher fences. It'll tear up cars. It'll do everything. But kill it, and it's good. Same thing with the World Council churches. Kill it and it's good.)

You mark it down. You watch to the Confederation of Churches and the Catholic unite together, and watch what takes place.

People who follow the Pillar of Fire will certainly have a rough time, but they're ready for the translation at that time (That's right.), Are you ready for the translation? Amen. (And I would like to add, that's us) just ready to go, "**For the Lamb overcome them,**" said the Bible. "**And them that followed Him because they were called the chosen and the faithful, the elected of God.**" Keep from getting on to that prophecy now, so we can run this on.

Then Jesus came 57-0302 P:29 But, you know what? Right in this darkest of hours, right when **they're making an order in the courts today that all these little preachers outside of the confederation of churches is not going to be able to broadcast anymore on the radio, and they're not going to have any television, they won't let them on there...**What is it? Nothing but petty jealousy. They are trying to stop the message of God. They're trying to keep this from the people. **They are ignorant that they're trying to do it. They don't realize what they're doing. But Jesus said it would be a time that they would even kill you, thinking they was doing God service.** But, brother, the thankful part of it is, right in this darkest of hour, Jesus is come along, and **He's proving Himself alive.**

(I think these quotes are just absolutely beautiful.)

Beginning ending gentile dispensation 55-0109E P:40 What's it doing? And the devil says, "Now is my time." He's congregating his forces, confederation of churches, trying to stop it. Say, "They're nothing but a bunch of noise boxes. There's nothing to them. It's all fanaticism. There's no such a thing as working in the supernatural."

(And here's the liberating a continent. Pope John Paul and the fall of communism.

All right, so it's fanaticism.)

And at the same time the head of the American Medical Association writes a piece in the paper and said, "No man's got a right to come into a sick room to

minister to the people that don't believe in Almighty God and accept Him as His helper."

Now I'm going to stop here just a minute. I have to just stop because we have a picture here. You see what happened during the 80s? And Pope John Paul, he did fight communist. So the church at that time did fight communism. I just thought of that now. They did make Russia, is no longer communism. They're Christian.

So the Pope did unite already. It's done. **It's a done deal.** The Pope Paul, the John Paul the Second went to Poland. He did all this stuff. All those communist nations, Poland, you know, Ukraine, Romania, Lithuania, Hungary, Russia, they're all now Catholic. They're all, I mean, they're all now Christian nations. So that's already been done. All right. So that's somewhere, there are signs, 81-86 signs as we go through the escalator, and we see them all.

We've already seen this. We forgot about it. They've already joined. They've already united. Then they turned to communism under Pope Francis.

All right. So what I said about the joining together, I'll just have to admit at this point we don't see it, but we already seen where Catholics came against communism and now we already seen where Catholicism had joined as Catholics. OK that's all a done deal. I'm sorry it's over.

I don't even know if we'll get to the election. I think, 2023, sometime maybe 2024, we're just going to be gone.

And you know it's actually good for us, bad for them. But it's all over. It's over.

Communism has joined. And the church, the World Council has joined right here, that you see the picture there with the Catholic Church, they joined. And you see where they're going to destroy Catholicism. The ones that are Christian, turned to Christian. The same house that this man lived in, is going to be cannon fodder. So it's all done, Okay, It's all fanaticism.

Experiences 2 47-1214 P:20 Now, there's coming a confederation of churches. It's already national. You know, you...?... And you're confederating. And there's two great powers a moving in the world. You know what they are without telling. There's one combination of power, and the other one is Catholicism and communism coming together.

(Excuse me, Pope John Paul second fought it. Now we got Pope Francis, coming together.)

One against Christ, the other, the Catholic church. **Those two powers are coming together.** It's... Every person in the world is going to be under obligation to take sides with one or the other. **That's when the little Holy Ghost Church will come together.** That's when ... the hall the critics for a long time. And I believe that God is going to hang It in the hall of fame one of these days. Persecutions...

(So really what we've got next is the persecutions. I believe we'll be gone. I believe God's little bride does not get persecuted. We'll be gone. But you have loved ones that will be here for that. So just pray for them that somehow either they get ready or God takes them home, takes them off the scene so they don't have to go through that.)

Is your life worthy 63-0630E P:40 *But if I do the works, you believe the works if you can't believe Me." And when you see it clearly cut and made **manifest**... Now, the time has come that she rejects it, then she's bored in the ear with an awl, then she'll never hear it. Now, she takes herself to the confederation of churches to go right in to take the mark of the beast.*

(Now I just have a picture up here, false teachers, and I can say Amen to that. And there's quite a few of them, and they're all the big shots in America. And of course we see the Pope with his golden calf scheme.

You all know what the picture is. It's the voice of God. Well, they own the Branham Tabernacle. Well, guess what?

There are too many people that came to hear Brother Joseph, so the government shut him down. So, the Branham Tabernacle is not open to the public except for if you want to tour it as a museum, but it's not there for services. Okay. Now what about The Voice of God? They haven't publicly had a meeting in three years. They're shut down now. He says,)

Sign of His coming 62-0407 P:109 *Let's close by saying this, just for a moment. And they say it's not like... They just say that that's not the way God formed it. "God wants a great big this, and a great big that; and we're going to build... **Six million dollars***

building, Oh, guess what? That's what it costs to build on that picture, \$6,000,000. *And we're going to put this in this, and this in that" and **preaching the Son of God's coming right away**.*

(See, they're all looking down the future.)

*What is it? It's all turned into denominational fodder, **bound in a big bunch of confederation of churches, to be burned at the end-time**. That's what Jesus said. Saw-briers and all kinds of things bound in them (That's right.); fuss, carry-on, keep a revival out of the country. I challenge that man that challenged me with that Word, **anybody else. Dispute it and see what happens**. Find out what takes place. If you can't stand for It, then shut up. That's right. Either come make it right, or say--do something. Yes, sir.*

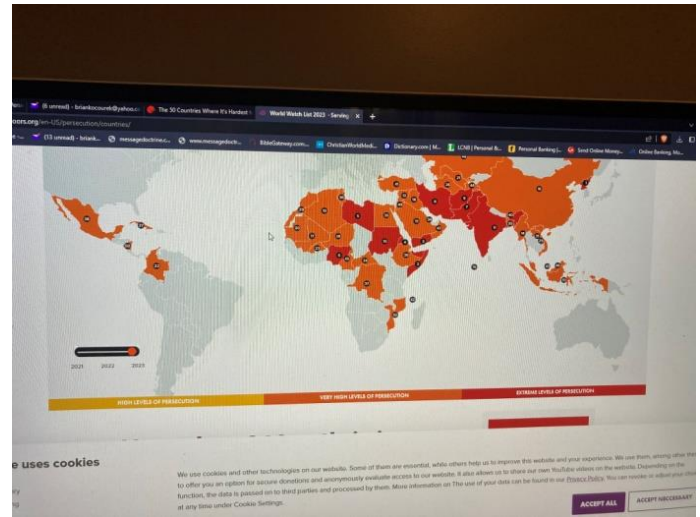

Then Jesus came 57-0302 P:28 *Jesus come on the scene, but they didn't know Him. And I'm sure that's the fault of many churches today. **Jesus is here, but they don't know it**. You see there? He just said they're looking for Jesus to come. He's already here. They don't know it. You see, they said, tell us what will be the signs of your being here? So he was there first, right? Then the signs followed, Brother Branham said. The signs followed the Word. So it's all done. It's all here. And so we're just seeing the signs that follow His presence.*

They don't realize it. And in this great hour that we're now living, in the day that when the nominal world is all bringing themselves together to form the mark of the beast, when the confederation of churches has swallowed them up, all denominations, and in the time that when even our full Gospel brethren are differing, and fussing, and fighting, and pulling, and stewing over little bitty Scriptural differences, and each one separating themselves and getting different, and calling disciples, I begin to think it's more for a meal ticket than it is to get souls saved.

It's a meal ticket. Let's join this group over here in Kenwood with our church over here. And it's a little church up here in Fairfield. And whatever churches it may be, we can join them together. And guess what? We're bigger. We're stronger. And guess what? I'm in charge. I'm in charge of it all. Oh, my, he says to his wife. Oh, honey, we've got so much money coming in. I think I'll just buy you this and that and the other. Yeah, we've got things going the way, it just looks like it's just never ending. Because now, I mean we're going to start going Interstate.

Like we'll go to Iowa, and we'll have churches there too. And we'll go to this state, Kentucky. And we'll go to this state, Indiana. And pretty soon, you know what? They're all just feeding from us. We're making more money. You want a Cadillac? Have a Cadillac. You want this, have that. You see, that's how they do it, Brother Branham says.

So now we see here these pictures, in red are the nations where Christianity is basically being persecuted already. Look at all those nations.

Greatest battle ever fought 62-0311

P:181 *Let's take Daniel's vision; that's the Word of God. "Thou, oh Daniel thou, oh King Nebuchadnezzar is this head of gold: Babylon. Another kingdom will succeed thee, which is silver (See?), which is Medes O Persia." Another one was*

*Greece, Alexander the Great; next come in Rome. And **there wasn't nothing said about a communism. Rome conquered the world.***

*Jesus Christ was borned in the Roman kingdom and **persecuted**,*

You see, you can't separate Romanism and persecution, all the way through the church ages. They were persecuted. They persecute anybody that didn't go their way.

*His first time come here by the Roman kingdom. And on His second advent coming now, His message is persecuted by the Roman denominations, which is the mother of all of them. And when He returns, He will come back to wipe out that Roman kingdom, that the Jews has always looked for Him to come and wipe out the Roman kingdom. The Catholic hierarchy with all the denominations in the world, right now coming together as an organization, the confederation of churches organizing themselves together. It isn't Russia, it's Rome. **THUS SAITH THE LORD.***

(Now, if he says, THUS SAITH THE LORD, that's pretty powerful stuff.)

Thy house 61-0808 P:72 *Now, the Bible predicts that in the last days that **He will trap Catholicism, Romanism, and all those things, and them--communism, and all of them together in the valleys of Megiddo there, until there will be such a slaughter amongst them, until the blood will flow to a horse's bit--horse's bridle. See, that's in Revelation... That'll be in...But thanks be to the heavenly Father, **I don't think we'll be here. By His grace, we won't. We'll be in glory then. See? That will be right after the two prophets has prophesied in the battle of Armageddon.*****

Years ago, I went to a message believer, he followed brother Vayle.

He claimed to be a believer. But you know, I was down there to preach, and he had this theory. And of course, he taught it to his church as doctrine. And he said, I've been doing a lot of calculations. And you see, the valley of Megiddo is 23 miles square. And you know, a person has four to five pints of blood, in every person. And so, it says the

blood would be up to the horse's bridle. And of course, the average horse is, we just take an average, it's 16 hands. And so, if we take the height of 16 hands, which is so many feet, times, so many pints of blood, then, therefore there will be this many people killed in in the valley of Megiddo. And I said, just a minute, just a minute.

I said it doesn't say that the horse wasn't laying down on the side and the blood came up to the horse's bridle. And all of a sudden it was just like I popped a bubble, and his theory was just out the door. So you see, these people are so, I don't call them stupid, but I just say, why are they talking about black holes and about this and about that. Look, Brother Branham said, we won't be here. So, why do I even care about Armageddon? I won't talk about Armageddon. I don't. Why should I talk about tribulation. It has nothing to do with me. Why should I talk about the two prophets? It has nothing to do with me. We're going home. We'll be in glory when that happens.

That's when these Gentile nations gets so wicked Wow you think it's wicked now. How much more wicked is going to be when the Holy Ghost takes us out here and there's no Holy Ghost to hold it back. *just keep on, and the confederation of churches, and all this come together, and God will take the Church, the Elect Church home out of every one. And all the sleeping virgin will be wait...Now, that bridle's bit there will come out from the sleeping virgins and all them back in that day. And Communism, when they're all meet there, and God said He'd plead with them like He did in the days gone by, you know, there in that valley. And that's where it'll ride to the bridle bits of the horses. Did you ever get that word? Did they... Oh, they're still look... Oh, it... Go ahead, it's all right.*

Abraham and his seed 61-0416 P:62 *He will appear on the scene one of these days. Just watch him; they'll hate him. But **after his Message, then judgment will strike the earth.** He will get away somewhere so the judgments can strike.*

Patmos vision 60-1204E P:29 *And so there'll be a unionize amongst the churches, and they'll unite themselves together, form up the head of the confederation of churches, which they've already got a big U.N. building and every denomination is in it. And **you'll either have to belong to some of those denominations or be ousted. And that's the time where we have to show our colors and be sure that we know, not a guess work,** not an always conspiracy theory. No, we have to know our colors. We have to show our colors. **but know THUS SAITH THE LORD where you're standing.** The little church has always been **in the minority; it's a little bitty group** that--a little thread, like a red string that wipes through the Bible, but it's the church always. And we want to remember it.*

Condemnation by representation 60-1113 P:48 **Those things are not in the Bible, those doctrines.** *But to be popular, to make themselves a church, to line them up as they are now with the Confederation of Churches, to bring themselves in to make them*

*like the rest of them, they did that and dwarfed themselves: keep dwarfing. **The first generation of Pentecostals was on fire. The second generation begin to die out.** That's now. **Watch what the third generation will bring.** It ain't going to go all the way out before Jesus comes, because the Laodicean church was lukewarm: neither warm, nor hot; it still had a little bit of the blessing left in it. They was mixed up, one here, and there, and back there. They were mixed up, not all together cold, but warm. So the first generation was on fire, the second generation just kind of a church members. What's the third generation going to be? Oh, they got a creed. You know they are speaking tongues.*

They do this, but they dress like the world. They live like the world. It's all over. So it's over. So we see that Catholicism has joined to fight communism under Pope John Paul the 2nd. It's done. It's a done deal. Then we see under Pope Francis the Church becoming communist, joining the Communism, okay. So we see where we're at. That's where we're at right now. God is ready to take us home.

May we bow our heads in prayer.

We thank You for this Word. We thank You for your correction to us in this word. And Lord, we just ask that You would give us more further light. In Jesus Christ's name we pray.

Amen.
