

**Satan's Eden no 120**  
*World Council of Churches pt 4*  
August 6, 2023, pm, Communion service  
Brian Kocourek, Pastor

Let's just bow our heads in a word of prayer. Dear gracious Father, we thank you Lord for meeting with us tonight. And Lord, we know that we have a very short time left. And realizing today to half my sermon through, and all of a sudden, I saw that the Catholic Church has already joined with the Protestants to put down communism. And they did it because Russia became a religious nation. And under Pope John Paul the 2<sup>nd</sup>, when he went to Poland and all the different countries, they turned from communism, they became a Christian nation.

So Lord, where we see that part of it is done. And we now know that communism will join together with Catholicism, which this Pope has done, Francis has done this. So we know that this is fulfilled as well. So really, Lord, there's nothing left to see.

It's all been revealed to us now. And so we just pray that we would rest in what we know, that you have all things under control. In Jesus Name we pray. Amen.

You may be seated.

Tonight will be the final on the World Council of Churches Part 4.

And I'd like to read from **New ministry 59-1115 P:69** *There'll come a mark of the beast soon. There'll come a confederation of churches, and they'll put out a sign that--a unionized church that **no man can buy or sell**. And Your Church, it won't bother them; for Your Holy Spirit shall lead them and feed them as You did Israel in the wilderness. You are God. Don't let us miss that, Lord. Let us remain faithfully. Let us be true.*

So just remember, he is God. He has everything under control.

Next week we're going to talk about Brother Don and what he went through and Brother Vayle. And you'll see that God's word is the seed. And as a seed, it contains life. And as a carrier of life, we are now seeing all of the seeds manifested and they're becoming a reality to us. So they're no longer seeds. They actually are reality.

Now, listen, you can't do what He's talking about, the power to shut down, your Buying and selling with the technology of his day.

So remember, they didn't have blockchain in his day. They didn't have all the technology, so they didn't have Internet. They didn't have cell phones. They didn't have nothing of that. So you're wondering, how are they going to do all these things? Now we know.

I mean they didn't have computers back then.

When I was a child, I was 8 years old, my dad was director of contracts and marketing

for Sperry Univac, and they made the Cray computer. It was a three storeys building.

They had all kinds of tape backups and disks. And so basically everything was like on a digital readout. It was analog, and it wasn't really digital, analog. And I remember in high school making a film where we actually went to control data. And it was just a big huge room, bigger than this congregation here.

It's like the whole building, and it was full of these backup units and stuff. And

so, we made a video and kind of took all that in. Well, as you see the picture on the right is the old Cray computers. They were three storeys large back in the 70s. Now Brother Branham was in the 60s and 50s, so these were in the 70s, the Cray computers.

The supercomputer was large enough to fill many rooms with calculating machines that took a three-story building to do what a small chip in your phone can do today. Just a small chip less than the size of your baby finger. That chip is about as thick and about the size of what this world supercomputer can hold. In other words, it doesn't even compare. the technology ...

They had to have a channel. I remember walking through it.

It was 8 feet tall. I was only about ... I was 4 foot eight or something like that.

And I walked through this channel, and they said, well on the days that the computer is running for the Navy, we actually bring water up from the Mississippi River. We bring it up and we fill these 8-foot round ducts, and they go through the building, and they cool it down. So that was the air conditioning, not like we have today. It was a cooling system. Everything was done with bulbs.

Now, not your light bulbs. You know, like the old Mig 25 and stuff.

They were all filled with bulbs when the silicon chip was invented.

Now you can have an EMP and wipe out an entire nation, everything, because your computers are filled with silicon chips. Well, they didn't have silicon chips back then. They hadn't invented it yet. It was invented like 75.

And I actually bought one of the Texas Instruments that was the size of my watch, only it was a calculator. And I had a calculator on it, but I also had a watch.

So I thought, I am high tech. I have a calculator and I have a watch, that is really cool.

Well now today, you've got GPS and everything else right in your phones, if you want it. And you could talk on your cell phones if you want it, it's just incredible what they have. But that's the technology we have today. So, they didn't have none of this technology yet. He was talking about what they're going to do. I mean, your cell phone has more computing power than a superconductor, supercomputer that we had in 69

that took us to the moon and back, so-called. Because really there's evidence showing that we never really made it.

You need block chain technology to accomplish this mark of the beast, no selling and no buying. You need that, And that was not invented and fully implemented until 2014. The Social credit system is very new and still in development and experimentation in China, but you cannot implement a boycott on the Level of Revelations 13 without it, Now think about this, 2000 years, but you can't do it without that social credit system. But it is coming to this nation. The banks have gotten ahead of themselves and have already begun

Dr Mercola

boycotting certain individuals. Like Dr. Mercola, last week, shutting down all is accounts, his associates accounts, like his CEO and CFO, and even their spouses, and their children and grandchildren's accounts. Two weeks before that the leader of the Brexit movement, Nigel Farage in the UK, was cancelled by his bank, and he tried ten banks and they would not open an account either, so it has become a reality today.

Nigel Farage

Now listen, Brother Vayle died in 2012. They didn't actually have Blockchain until 2014. Can you imagine that? They didn't have the technology when Brother Vayle died just eleven years ago?

They didn't have the technology to shut you down, to shut down your bank accounts, to shut down all your social accounts. They didn't even have Social Credit scores because they didn't come in until 2019 and they still haven't fully got them the way they want them, but they're still using them.

We are the only generation that is living to see the fulfillment of Revelations 13.

Isn't that wonderful? We are absolutely in a wonderful time.

All the Saints that have gone on before us, say, what did they do? How did they do it? How did they shut everybody down? What did they use? And we can explain to them.

Everybody in here knows about blockchain and everybody in here knows about the social scores.

So, you're not stupid. You are going to have the brothers and sisters pile upon you.

And you're going to have to explain what happened in your day, to them.

And there's going to be so many of the brothers and sisters that it's going to take everybody in here, and everybody out there who knows these things, to explain to them what took place in this hour. Now, I would love to hear what took place in Noah's day.

I've got a script called the Bible that tells me some of it, what took place. But I want to know the details. I want to know how he was persecuted. How he was treated and what he felt like. Well, you know what, it's just wow. You talk about a 3 1/2 years sitting around the great wedding feast talking about these things, and it's just going to be remarkable. You won't even be hungry. You won't be hungry because you'll just be caught up in the moment and you'll be talking and talking and talking.

So, William, people like you, they're young. You're going to be 16 to 20 years old at that time.

But you already understand some of these things. And you're going to understand more in the days that come, that you know the blockchain and all this other stuff.

And if you don't understand, ask your dad. He'll tell you about it.

But you know, it's because you're going to have to start some place, right? So, you might as well start with your kids. And so anyway, it's going to be a wonderful, wonderful time and I'm just looking forward to it.

**Beginning ending gentile dispensation 55-0109E P:38** *And the Bible said in the last days that Satan would go about like a roaring lion. (Well, he's doing that,) He's gathering together all of his enemies, all of his friends, our enemies, and congregating them together, heaping up under a big head, **the mark of the beast: in the ecclesiastical realms, the confederation of churches, all in uniting and making **themselves a great organization, the same as Catholicism.**** And the world empires are uniting themselves together and forming up a big head over there in the political realms called communism. And the life of God is pressing on.*

Now, as we found out this morning that the same as Catholicism is a Nicolaitan system, a hierarchy.

They're setting up all these hierarchies and all the churches, and you have priests and district presbyters and bishops and all these things in the Lutherans and all the other denominations, the Methodists, you know, it doesn't matter. They all set up their system, like the Catholic system. You see, they got it from some place. They're harlots. So they're going to be like their Mama, right?

**Seal of God 54-0514 P:106** *Mark of the beast, confederation of churches, Catholicism, all bound together, **go into chaos.***

That's what we're seeing today with the LGBT and everything else. It's just chaos, a chaotic movement. And they don't really know how they're going to get out of it either.

Now, we showed you how they are bound into bundles in a previous sermon. In other words, the people obligate themselves into those organizations. They all align together into bundles by aligning themselves through belief in creeds, which are anti scriptural, which makes them easy to burn. because you know, we can take ... The number one

is, how many of them are Trinitarian?

How many of them believe the Babylonian triad? And then you take the oneness and they're wrong. And of course, you get the oneness that are Jews. You got the oneness that are Muslims. You got the oneness that are Christians. so-called. So, it's all a system. It's all creeds that are antibiblical.

**Guide a 62-1014E P:45** *What was the Ark? **The Word**. Don't travel your denominational routes now; **stay right behind the Word**; 'cause you haven't passed this way before. And, brother, if there ever was a time that the Christian church ought to examine itself is right now. We're right now where this great meeting is going on in Rome right now, differences are being made, the confederation of churches, **when all these denominations are confederated together to form the image of the beast, just exactly what the Bible says...** And you know what we said this morning in the messages. And here we are, right everything right at the door, and **people still following after a creed. You better stay behind the Word. The Word will lead you across, because the Word is Christ, and Christ is God, and God is the Holy Ghost. Stay behind the Word.** Oh, yes, sir. Stay with that Guide. Stay right behind It. Don't get in front of It; you stay behind It. Let It lead you; don't you lead It. You let It go. Joshua said, "Now, you've never passed this way before, you know nothing about the road."*

So you see you can't accept the message, plus traditions. How many people have done that? It's the Word alone. Martin Luther said, Sola scriptura (scripture alone). In other words, it's only the Word. That's it. Only the Word. They persecuted him for what reason? Only the Word. They persecute you, or begin to persecute you, for what reason? Only the Word. So, it's not the Word, Plus. It's not the message, plus our tradition of oneness, or our tradition of whatever denominational church you came out of. It's the Word alone.

Paul said if you add or take away from the teaching he taught you, you are cursed right there. So said William Branham. So says **Deuteronomy 28**. You either take heed to Gods Word, or you don't take heed, and are cursed. There you are. That's your choice. Take heed and be blessed, or don't take heed and be cursed.

**Seventy weeks of Daniel 61-0806 P:65** *There's one man in the world can stop a war or begin a war without just saying one word. **That's the pope**. What if he said, "No Catholic take up an arm." That settles it, brother. Talk whatever you want to. The biggest part of the world of Christendom is Catholic. See?*

So, like 1 billion Catholics in the world is only like 500 million Protestants. So, you know, they outnumber us 2 to one.

*All right, let him say one word, that's what is. It's like they said over here, who... We get into it later. **Who's able to make war with the beast?***

That was kind of the question I had today, Does Russia, fight the Vatican or the

Vatican fight the Russia? Well, the Vatican doesn't fight. They don't do anything openly. It was all diplomatic arm twisting. They've never done anything openly. Even look in your history, if you're a history major or history person, you will find that many of the popes, what they did was they got the kings or the emperors on their side, and they used the kings or the emperors weapons, they use their soldiers, they use whatever for their own purpose. The Vatican really didn't have its own army. The closest thing to it would be the Swiss Guard which is a handful of men plucked up from Switzerland and brought over to the Vatican. But notice, no Catholic take arms. That settles it, brother. Talk whatever you want to the biggest part of this Christianity and this Catholics. So who's able to make war with the beast?

**Who can speak like him? Who can do it? "Then let us make an image unto the beast." That's the confederation of churches, make an image, like it. See?**

*Confederate the denominations together, which they've already done it. Oh, we're just at the end. That's all there is to it, friends. We're here at the end. See? "Let us make an image to the beast," something like it. An image is something looks like something. See? Now, we're at the end time.*

And what do they look like?

The same Nicolaitan format or hierarchies, and bishops, and overseers. That's your image, that it's traditions. It's the word, Plus. Every denomination starts with one word. They choose one word. Sanctification. Now let's build a creed around it. Now let's build a denomination around it. Let's take justification under Luther. Now let's make a creed called justification. Now we're going to make a denomination around it. And so you got the Lutheran Church. Okay, every single one, the Baptist everything. Baptism is, you know, the Baptist is being baptized in the name of the Father, Son and Holy Ghost. The oneness is baptized in the name, Lord Jesus Christ. It's all creeds. See, there's no life there. It's just a simple, We've got you by a creed and we're going to build around it. So, it's a Nicolaitan Creed that joins them together. It's not Father, Son, Holy Ghost, because then the oneness would never come in. It's the creed of, hey, we got our organizations, and so why don't we just, get together on that. And so, they get together on their organizations and they join themselves, because they all want to be big shots. OK, let's face it.

**QA 59-0628E 387-124 073** *And now, that church was taken up, and the remnant of the woman's seed who keep the commandments of God and have faith in Jesus Christ (See?), not the bride, the remnant of the woman's seed... Then the dragon (the devil in his church) **sputed water out of his mouth to make war with the remnant of the seed.***

What comes out of your mouth? Words. It's all words. You know there's a big fight over words. It's a big fight, Trump and the DNC. You know what it's over? Words. Well, he was thinking that he really believed that he was, he didn't make it, but he used the false

premise of words that he did make it. Listen, we have freedom of speech. You can say anything you want to, but they won't, but they are arresting you because you are saying what you want to. You see how we've thrown away the 1st Amendment, because we put in a bunch of crooks for our lawyers and stuff. We used to have an expression in this country. How do you know when a lawyer is lying? He's opening his mouth.

That's what we're seeing today. Jack Smith and all these other guys, they're opening their mouth. And what are they doing? They're lying. Now they actually found out that they are lying, and they said, well Trump did these things. And now they're saying, well really, I guess he didn't do it. But you know what? I would throw the whole case out right there, just based on them admitting that they did wrong in what they were doing.

*That's when the Protestant church under the Federation of Churches, which is the image to the beast, which is now being formed... And **there'll be a boycott upon all churches like this.***

***Like we're in a great tax gathering right here now, a dispute, trying to say that we're not a church, and we got Constitutional rights to say that we are a church.***

That's Branham Tabernacle that's already been attacked. They said they were not a church. Brother Branham proved their church through the constitution.

This church, Grace Fellowship Tabernacle. We had brother Billy Diaz Basinga. He came over. He said I want to stay. I said, we'll do what we can.

So, I went to the government, and I said, "He's been doing translation work for me for three years. He now wants to do it from here. I said, we would like him to stay, and we'll see to his needs." And the government said, "No." They said, "What denomination are you?" And I said, "We're not a denomination, we're independent." They said, "I'm sorry, but he has to be in a denomination, or he can't come." And Billy said, "Well you know what, why don't you just say that we're a denomination? Because our Lima church said that we're a denomination. And they signed the papers for some brothers that I know." And I said, "I'm not Lima Church, I won't lie to the government."

I went to a minister's meeting, and some minister was talking about how they had insurance. And one guy said, Oh my wife had open heart surgery, and that she got paid for by this insurance company, and it's for pastors. And so, all you got to do, your pastors just write to them and tell them you're a pastor, and they'll let you in. So, I just wrote to them, and they said, "All you got to do is just send us a document saying you believe in our creed." And I said, "What's your creed?" "Well, we believe in the holy mother church, and we believe in a Trinity." And I said, "Well, I'm not going to sign that.

I don't believe in Trinity.”

So, I don't know how these people in the message were getting stuff signed. They say, “Well, it's just a signature. It's just words.” Listen, you will be judged by your words, and by your words you're condemned. So honestly, you can have your words. I'm sticking with His Word. That's all I want. So anyway, that's what goes on in the message churches. And we've got constitutional rights to say that we are a church.

*As long as the Constitution stands there, no amendment to that, then we absolutely have the rights, just as much right as anybody. Our forefathers stood for that. But what have we done?*

***We've broke every Constitutional law that they can break, and soon the Federation of Churches, which all the churches and denominations are invited into, and the Devil's got in and making worldliness and everything in local church members and so forth like that, and great congregations, and class, and society, when the little old church is still down yonder being borned again in a mess like any birth is, still paying the price, still getting down and dying out, acting the same way they did when they first got born at the day of Pentecost, same kind of a church down there...***

***They'll be closed and shut out under the Federation of Churches. It'll be a boycott like a union or something. You'll either come in or you'll go out.*** The mark of the beast is on today, and the Seal of God is the Holy Spirit. To reject It is the mark of the beast.

(So, anybody rejecting the Holy Ghost, they got the mark of the beast.)

*Ever who sees the Holy Ghost, that you're supposed to receive It, and don't do it, automatically you take the mark of the beast; because there's only two classes to exist: all that didn't have the Seal of God had the mark of the beast. So, to receive the Seal of God is to receive the Holy Ghost. To reject It is to have the mark of the beast. There's the whole thing. That's exactly right.*

**QA Image of the beast 54-0515 P:34** *And now, let me get this one though again while we... Now, someone asked me today; two or three times I've been asked it: 27.*

***Brother Branham, speaking on the mark of the beast, don't you believe they'll tattoo a number in your head, or tattoo something on your hand? No, sir. Don't never look for that. It'll be a boycott, certainly.***

So, the boycott itself is the mark of the beast. What you do with the boycott, either you succumb to it, that's the mark of the beast, or you don't succumb to it, then you die. But you don't have the mark of the Beast.

Now, listen carefully, he said the Mark of the beast will be the boycott itself.

**No man could buy or sell** 'less he belongs to the confederation of churches. That's true. **That'll come like a union, unionizing the thing, bringing it down, unionized religion. Mark my word; it ain't far off. And you'll see it, she's just around the corner. The reason you don't know these things; you're here at home all the time. Follow me over these countries where Catholicism has the upper hand one time, and see what takes place. Brother, they tell them all what to do and what not to do.**

So, Brother Branham says look, you don't know it, because you haven't seen it. You haven't traveled much. But travel with me.

Listen, I've been invited to speak in many countries and in some of them they said, "We are not recognized by the government, so we have to get letter from a big church who is recognized by our government first. And I said, "Forget it. I won't come." When I was in the Philippines, they had a list of churches that had gotten together to form an organization that would give them recognition by their government, and I said, "Stay away from that, it's a trap of the devil."

You guys in this message, are falling right into the hands of what the Prophet of God warned us against. Stay away from that stuff.

**Lord just once more 63-0628A P:62** *Then it comes to his mind, something arised. I believe God did it. Oh, if it could only happen on this campground. "There's a possibility." There is a possibility God is forgiving. **There is a possibility. We ain't got long to stay here. Our time's running out.** The confederation of churches is taking the country. **It'll unite with Catholicism.** We got the man in there just exactly. Wished I had time to go into it, to show you that this nation is just exactly like Israel. They come into a strange land, drove out the occupant, and inherited the land. That's what we did. Israel, they had the first man, great men, such men like Joshua, such men like David, like Solomon; but finally there come a man on the kingship, a Ahab, a renegade.*

You know, it's really funny. Even the word renegade. Does that come to anybody's mind? Renegade. You know what Obama's name was given to him by the Secret Service? Renegade. So we've got our renegade.

*We had great men, a Washington, a Lincoln; but now what you done? The very thing that we come here for freedom for, you've put it in the White House, because you think more of your politics than you do about Christ. Exactly right.*

You know Obama admitted, he said my religious faith, my Muslim faith, oh, I mean my Christian. Who in here would make that mistake? I mean I've had a stroke. I wouldn't make that mistake. So, if I wouldn't make that mistake, do you think any of you would make this. I don't think you would make that mistake. You say, well I'm a Muslim. No, you're not a Muslim. You're a Christian. All right. So, it wouldn't be a flip of

the mouth. Being Christian was a cover up. He's really a Muslim.

**Restoration of bride tree 62-0422 P:201** *The Bible said that He would burn her children with fire. How many knows that? The Bible says so. Well, the Bible said that the wheat and the tares would **grow together until the last day**, then **He would bind the tares (Is that right?) first, and burn them. And the wheat would go to the garner. Is that right? The tares are binding themselves together in organization: Confederation of Churches, for the atomic burning.** Exactly right. **But the church is getting ready to go to the garner, just as sure as the world, in the rapture, for the freewoman won't be heir with the bondwoman.***

Like I said this morning the Russian Orthodox Patriarch which is the original catholic church is already gathering the African churches together to fight LGBTQ ism and the agenda of the Communist Roman Catholic church and her American and European partners.

So that's already happening. We're seeing it happen. So again, what are we looking for? We're looking for sign 82, Resurrection. And I'm going to show you next week. We already are in the process. The spirit of resurrection is already in you. You are justified. All that He foreknew, He justified. All that He justified; He's sanctified. And all that he's sanctified. He has – (past tense) - glorified. You are already, your glorified body is just waiting. It's sitting right next to you, Sister Gail. He's sitting right next to you. I don't know if you can actually move over a chair and sit on it. But because it's in another dimension. But it's that close.

See, Brother Don is here. He's sitting right there. But you don't see him. You know, he's part of us. He's with us. And we just don't understand that dimension that he's gone to. But he's here, all right. I mean, the two sisters up there, Sister Green and Sister Graham. Brother Don saw them. Do you remember how long ago that was in dream? But it's been about two years or so. Anyway. And they said to him, oh, it's kind of fun seeing you here. And he said, well, Brother Branham said, you know, you'd be surprised that who made it. Well, you know what? They died first. All right, Sister Deli Green and then Sister Mary Graham. One died a year ago and one died 1/2 year ago. They both died. They both were over in that dimension. And guess what? They were both waiting for Brother Don. And they met him and I'm sure they said exactly what he said, because God showed Brother Don a little preview of what was going to happen.

And he didn't understand the dream at the time, he said because they were alive when he said it, they weren't even unhealthy when he said it. And so, you know, he didn't know. He just thought maybe we'd all go together, and they see him there. And no, they were there waiting, already waiting. They were already there positioned for Brother Don to get himself ready to go home. And then he did. And guess who he met?

He met Sister Graham, Sister Green. You see how God works everything out for His glory.

Why do you give the brother the dreams? To prepare him. You know, three years ago, Brother Don was ready to be taken from us. But he had to get some things right with the Lord. Not that he was wrong, but I tell you what, when your spirit and God's spirit says two different things, well, actually you say the same thing. I want to go home and I want you home. So, he said, well, if a guy wants me home this way, I'm going to go home. He said you got it wrong, right there. You see, you got to wait, find out how he wants you to go home. Just like David. You know David with his ark, he said. The Lord wants us to return the ark. That's the Lord's will.

So I guess we'll just put it on the arms of you brothers. Come over here and grab a hold of it and they got smitten and they died, and David said, what's wrong? He said you didn't do it my way. It's on the shoulders of the Levites.

Brother Vayle was with Brother Branham in New York, and they had the meeting up there, big banners, you know, William Branham, evangelist. And so, he was sitting in the room waiting to be called out. And they had the service, and everybody went home. And they said, "Oh, I'm sorry, Brother Branham, you know, we, just didn't have time to have you out." And he was very discouraged. And Brother Vayle said, "Let's take advantage of this. Let's just bypass the ministers." That sounds good, doesn't it? Let's bypass the ministers. And you know what he said? He said, "No, it's got to be on the arms of the Levites." Actually, he said, "God's way is through the ministers."

In other words, God's way was through the Levites, on the shoulders of the Levites to return the ark. So, I've got to go God's way. So he was sensitive to the things of God.

**Restoration of bride tree 62-0422 P:160 The Lord told Micaiah, "I've got to send Ahab out there, have them preachers to say that, to send Ahab out there in order to make the Elijah's words come to pass." God had to let communism raise up. What did it do? Then it run all these here morgues together and made a Confederation of Churches, to join up to make an image of the beast, just what His Word said would take place. Don't you worry about that. You watch the thing, it's forming under it. That's... Umm.**

**End time sign seed 62-0319 P:60 Rome will rule. A confederation of churches, with Catholicism will bind it together, and right there you are, the ruling power. The Bible says that. That's the seed that can't fail.**

So if it is in God's Word, it has to be fulfilled, and we are in the midst of watching it come to pass. And God interprets His Word by bring it to pass.

You see, that's why this morning, I was saying, we see that where the Catholic Church has to join with communism. And yet we have to see this other, that says that the Catholic Church will join together with the Protestant Church and fight communism. And I thought how can you join communism at one hand and fight them at the other hand? Well, we saw that the actual churches coming together with the Catholicism, actually did fight communism in the 80s. And the Pope went to Poland, and all these communist nations left Communism, became Christian nations. Russia became Christian nation.

Communism was done except for one thing; it was still in seed form in the United States. And Brother Branham said this whole nation is just covered everywhere with that communistic spirit. So, then Pope Francis comes along, which is the present Pope, and he's a communist. And so now the Catholic Church and communism has joined together. So I had it backwards. See, when you try to figure it out, just let God's timing do the right thing. I had an understanding. It was 2 events. Remember I said we used to think it's one event, now it's two. I had two events, but I didn't realize that John Paul had joined the Catholics and all the World Council churches, and they fought communism back then and they defeated it. OK, that's one already gone. Now, Pope Francis has become a communist, and you know, doing his LGBT and all this other stuff. So if it is God's word, it has to be fulfilled. And we're in the midst of watching come to pass. God interprets His Word always by bringing it to pass.

I didn't look at it proper. I saw there were two events, but I had them reversed. That's just being a man. But God showed us this morning. He stopped me in the middle of a sermon, corrected me in front of you all and said, It already has come to pass. Now we're seeing the other one come to pass.

So praise the Lord.

**Questions and answers COD 59-0628E P:73 *Then the dragon spurted water out of his mouth to make war with the remnant of the seed. That's when the Protestant church under the Federation of Churches, which is the image to the beast, which is now being formed... And there'll be a boycott upon all churches like this. Like we're in a great tax gathering right here now, a dispute, trying to say that we're not a church, and we got Constitutional rights to say that we are a church. As long as the Constitution stands there, no amendment to that, then we absolutely have the rights, just as much right as anybody.***

And so, I've got a little picture here of our founding fathers and they see the Constitution has been ripped to pieces.

But we have already witnessed the courts erode our constitution to the place we don't have the right to assemble, they call it a conspiracy theory, or a dissent, an insurrection. We don't need an insurrection; we need a resurrection.

He continues, "*Our forefathers stood for that. But what have we done? **We've broke every Constitutional law that they can break**, and soon the Federation of Churches, which all the churches and denominations are invited into, and the Devil's got in and making worldliness and everything in local church members and so forth like that, and great congregations, and class, and society, when the little old church is still down yonder being borned again in a mess like any birth is, still paying the price, still getting down and dying out, acting the same way they did when they first got born at the day of Pentecost, same kind of a church down there... **They'll be closed and shut out under the Federation of Churches. It'll be a boycott like a union or something. You'll either come in or you'll go out.***"

Now, John Adams has said, "Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."

Well, show me today where you have your younger people and they just say, well, I don't need to hear the voice of God. You know, I've got feelings. Today I'm a mouse. Tomorrow I'll be a cat or maybe next week I'll be a horse. I'll say this. You are a horse, you know what. So just stop the nonsense. It's pure nonsense. God made us man and woman in

His own image.

**First seal the 63-0318 P:168 and he rides his white denominational horse to deceive the people.**

Listen, his major objective by riding a White Horse was to deceive. It was religious. **And he will conquer every religion of the world, 'cause they've all going into the confederation of churches** and the world confederation of churches. And they already got their buildings built and everything setting right in line. There ain't one thing left. Every denomination's stuck right into it, the federation of churches. And what's backing it? Rome. And the pope's now crying, "**We're all one. Let's come together and walk together.**"

Now he said this in 1963, March 18th of 63. Well, guess what? The last of the patriots. I mean, let's face it, we're all one. Let's come together and walk together.

And didn't I read this morning that the Pope said that we will come together and walk together and work together? Well, Brother Branham didn't say work together. But he

did say we'll come together and walk together.

So Brother Branham actually said what the Pope said, he only said that's what they're going to say. And he said it in 1963. Isn't it funny that this is 2023, that's 60 years ago. 60 years ago he said the words that came out of the Pope's mouth in 2023.

*The last Patriarch of the Russian Orthodox church, which is the Russian Catholic church, called for all religions to stand together as brethren, whether you are Muslim, Catholic, Buddhist or Christian, to stand together.*

That's words out of his mouth. Whether you are Muslim, Catholic, Buddhist or Christian, let's come and work together. Let's come and stand together, all right. That's what he said.

**Stature of a perfect man 62-1014M P:145** *Oh, it looks very pretty. They'll unite to run. It'll run all the... Why, the Bible says, "**And these beasts gave their power unto the whore,**" (See?), **united themselves together.** See? Just exactly what the Bible said*

*they would do, they're doing it now; it's right in procession this very week. That's right. It's not that I have anything against Catholic people, no more than Protestant people. You Methodist and Baptist and a lot of you Pentecostals, when your churches has gone right into this federation of churches, when they got the big morgue built there in New York of that federation of churches; it's the same as the United Nations and things; they're trying to unite all Protestantism together. Now, the*

*Catholics are wise to that, and going to bring... **This Pope John the 23rd**, or 22nd (whatever it is)*

You know this back in the 58 to 63, we can remember it, because I was 5 and 58, and in 63 I was a little bit older. So I remember this Pope here.

***he's trying in a little humble way to bring all Protestant faith and Catholic faith to one faith:** exactly what the Bible said they would do. There you are. And the Protestants falling for it hook, line, and sinker.*

*Why? Why? Because they don't possess these things. Knowledge, the Word's right; patience, "**They that wait upon the Lord.**" See what I mean?*

Now remember, the Apostles Creed is what? Can anybody remember the Apostles Creed. You know we believe in one church, the holy Catholic Church. You know basically and the remission of our sins and all this. Well, the Protestants use the same creed. They say, well we got one creed, the Apostles Creed. Well, it's not the Apostles Creed, it's the pistol. I mean like our brother Vayle, called them pistols like in you know like guns and pistols.

And as I showed you this morning, they are together now. This picture is with the Pentecostals leaders.

You see Kenneth Copeland, who is one of the leaders of the Pentecostal church. And I think Amy White and some other people were joined together. Of course, she was one of the people that prayed for President Trump. So, you know, it's all together. And then on this side we see all the Methodists were joined together with the Pope.

**Shalom 64-0119 P:19** *The Holy Spirit first moved by inspiration; I drew them on the platform. Then He came down Himself and made His vindication of it, as the moon and the Light going out, going out, and to this Laodicea age going into total darkness again. And here He comes down and vindicates it on the moon, **just at the time that all the churches are going together in a consolidation of the federation of churches.** No wonder, as Isaiah said, "**Gross darkness is upon the earth, upon this people.**"*

So, in the back of the Tabernacle there was a light appeared and it showed the seven church ages. It showed the light getting less and less and less and less. It was 2:00 o'clock in the afternoon. That's pretty bright. Well, so everybody went to eat over at the Blue Boar with Brother Branham and the rest of the people, Brother Vayle with him. But certain ministers, big shots in this message, they hung around and they said, let's try to duplicate that.

And so, they tried to set their cars outside to reflect the light so they could duplicate what they saw, because they thought it was just a car. They didn't realize it was a supernatural presence of God doing that. Brother Collins told me this just a few years ago. And I know some of the names. I won't say them, may they rest in peace, but they're gone. But you know, they wanted to also have a book burning of the Church Age book in which they got together and there's about two dozen of these ministers and they burnt the Church Age book. And so, it's just disgusting.

But you know what? These men claimed to believe Brother Branham, but they had their own agendas.

**Unity one God one church 58-1221E P:24** *Did you ever think of Catholicism and the Catholic church is trying to make every person Catholic? It won't work. It's under a*

manmade program. Did you ever think of the Protestant church under the federation of churches is trying to force all these little churches out? **And it will happen, that you'll not be able to go to church unless you belong to the union of churches, then little places like this will certainly pay for it. But we got a Scripture that says, "Fear not, little flock, it's your Father's good will to give you the Kingdom."** That's what we look forward to.

**Token the 63-1128E P:72** I'm trying to press upon your minds, friend, that the hour has struck, that something's got to be done by it. We must do something. It's either in or out; that's all. The hour has come where the Token must be there. If this ever... **If this church ever expects to remain alive until Jesus Christ comes, the Token will have to be here. That's all. If death don't, it'll take the death mark.** And soon, it's in **congress right now**, the big machine set up to make all churches come into that **federation of churches**. And you'd better really have the Token shining. But the hour is here for the exodus. And this time we're going to a promised land, the promise of Eternal Life. This Token shows that Jesus Christ... The Holy Ghost shows that Jesus has met every requirement for us, that we are, in our nature, fallen sons of God. And we have no power within us. We have no Life within us. We are a fallen race of people from Adam. But when we can display the Token, **that the Word and we become the same**, shows that Jesus Christ met the requirement for our sin and death, and has displayed His Token within us. Oh, how simple it can be.

Now before we move on, I just want to see this picture shows a capitol building and it says faith for HR40. Now this is a Methodist. This is a Methodist push for LGBT and for reparations. Now I'm going to show you something else here. But he says shows that Jesus Christ's medical requirement for sin and death as it displayed his token with us all. How simple it can be.

Now here's what I want to show you, this is a headline from one of the websites out there, it is actually a news website. It says Mormon Church Backs Bill Supporting Same-Sex Marriage.

### **Mormon Church Backs Bill Supporting Same-Sex Marriage**

Notice churches becoming involved with politics. They are exercising their powers of the vote. OK, they're getting together with the politicians.

**Seventy weeks of Daniel 61-0806 P:93** Now, Jewish, and Romanism, Protestantism (that is, the sleeping virgin) **shall consolidate themselves together** in the form of the Federation of churches. And it will be like Jesus said in **Matthew 24** and from **Revelations 13:14**. Let's get **Revelations 13:14** and see how... I had it marked down here to see what--**13:14**. All right, sir. And **deceives them that dwell upon the earth by the means of those miracles which he had power to do... (Consolidating his churches,) ... in the sight... saying--in... sight of the beast; saying unto them that dwell upon the earth, that they should make an image unto the beast that had the deadly wound by the sword and did live.** Now, we know beyond any shadow of doubt who that beast was, that power that had the deadly wound that did live. It was when pagan Rome was killed and papal Rome took its place: when pagan power was killed and papal power took its place.

Well, what about when Papal Rome is killed? When Putin nukes them, people are going to think, oh wow, this is a great thing. Because you know what? We're not afraid of the methods and baptism and whatever. You should better be, because they're the image you see. So you know they're going to take over.

**Hearing receiving and acting 60-0607 P:59** They're at the end of the road. Science is at the end of the road. Oh, moralization is at the end of the road. Motherhood and womanhood's at the end of the road. The church is at the end of the road. **The carnal church is heading right towards a federation of churches.** That's exactly right.

**Lord just once more 63-0628A P:64** That's how it'll have to come to pass, and we got it right there now. And here we are, organizations, with **the mark of the beast upon us**, just exactly like the first beast, an image unto it, a federation of churches joining of power. And they made a image unto the beast, that he could both speak, and it done the same thing the first beast did before it. Right in our clutches”...

**Influence of another 62-1013 P:54** I understand that everybody that won't agree and come into the international agreement of this fellowship that they're trying to form to put, and unite all churches together, the federation of churches, that all that won't come in and unite with it, they're making them **a little province; they're going to send them to Alaska**. You might as well get ready for cold weather, 'cause it looks like it's coming. So what a disgrace.

And I showed you pictures of that FEMA camp that is made for only 500,000 people. But they said, well, we can bring in as many as 2,000,000. Sure, they'll have overcrowding. They'll have four times as many people there. And people will be dying of dysentery and everything else.

**Spoken word original seed 62-0318E P:183** Remember, the tares, the weeds, are to be gathered and bound in bundles. Is that right? This has come to pass. The apostate

organization churches is bound tighter than they ever was bound. **They are bundled together in the federation of churches, ready for the fires of God's judgment.** (I never wrote this; I feel that He did it.) Pentecostals are full of so-called... **the same as them... The wheat-Word will be gathered someday after** they leave for the Master's...

**Lord just once more 63-0628A P:63** And the first thing you know, we are right now asking the Protestant church to consolidate with it, and every organization will go right into the federation of churches, and **there you're trapped.** We are living off of tax money that'll be paid in forty years from today. The nation's broke. Where's it at? And we've seen that they're putting 0 interest on that. Who's got the money? We haven't got it. Our bonds are no good.

**We've got to have gold. Who's got it? The Catholic church.** What will they do? Before these whiskey men and all these great holders and stockholders will ever give it up, they'll absolutely sell out, and **the church will loan the nation the money.** And what it will do, it'll sell its birthrights right straight into Catholicism.

Then what are you going to do? Amen. That's the gold of the world, them and the Jews, **and that's the covenant that he makes with Israel.** See, you Bible readers can teach that in your church. You see, I'm just showing you I believe the same thing.

Now, it's interesting that you see the prophet was just a seed sower, but he was looking at the seeds in the Bible and showing us the seeds in this generation. Now we're seeing those seeds have become a reality and we actually now understand what he was saying. But back then it was a guess, is he right? Is he wrong? But all you had to do is like Brother Vayle said, I sat there, and Brother Branham said, "The Shout is the Message." He said, I thought, "That's the corniest thing I ever heard." And then some voice spoke to me and said, "When has he ever been wrong?" And he said, "He hasn't."

The shout is a message, with a vindicated prophet saying something. You believe it and throw out your own idea.

You believe his. Because it is not his. It's just, Thus Saith The Lord, it is God.

**End time sign seed 62-0319 P:61** Now, look today. Isn't this new pope inviting all the Protestant churches in? Aren't they going? What about your Pentecostals? Same thing; the federation of churches. There you are. **That seed's got to come to pass.** This has got to happen. It's got to mature. It's time for it to mature.

**Spoken word original seed 62-0318E P:194** We are at the end time. The seeds are sowed now; **the latter rain is fixing to come forth.** Remember, there will be such a denominational gathering pretty soon; it'll be terrific. And **they will bring themselves together into this federation of churches, and then this kind of a church will be**

**put out of operation** (as far as they know). *It's at that time that Jesus will appear, and He will show which is Bride and which is not.*

And it already is. The Branham Tabernacle has been shut down by the government, and only plays tapes. They have not had a service in 3 years. Why? To fulfill prophecy. But it's so sly how the devil did it.

**Spoken word original seed 62-0318E P:9** *There will be like a union, a boycott. All such places as this here will be closed down. And you'll not be able to speak unless you got a permission or a license from this federation of churches to hold a service.*

Well, they're not even permitting anybody to speak, except for brother Branham. So they're already fulfilling what he said there.

Now you think that is in the future. I'll let you know that governments around the world have already this kind of control. I have had many meetings where the smaller churches had to reach out and ask the larger churches to sign for me to come to their country and I said, "forget it". I'm not coming. It's later than you think.

**Israel in Egypt - 53-0325** *They're going to have a confederation of churches. The churches of Christ of America has already confederating with all their churches, and they're going to have a band here someday that'll shut out to fight communism, which will hook up with catholicism, with the Protestant church and the catholic church together.* (This seed is already fulfilled; this pope and The Protestant churches are already communist. They already did that under Pope John the second okay now and this Pope here Francis is communist.) *And the interdenominations who stand out for the truth, and get away from that dogma that they've got, will be persecuted.*

*The mark of the beast, the Seal of God, the showdown will soon come. And, brother, if That's not in there, you'll be deceived as sure as the world, 'cause it'll look so nice. You'll say, "Now, if communism made for the world, why, let us make another agreement, and bring all the Christian, and Christianize the world back." And look so good, the people will jump into it.*

*See? They'll confederate the churches, and bring, try to make Christianity one unit. And the Bible says in Revelations, that he give his power and everything, that he made an image unto the beast and exercised all the power the beast did before him.*

**Mark of the beast - 54-0513** *Now, if you'll give me one more night, if God does, I'll prove to you that communism is working straight in the hands of Almighty God*

**to destroy the Roman... And remember, I say this as God's prophet: The Russian empire will drop an atomic bomb of some sort on the Vatican City and destroy it in one hour.** (Now, it doesn't have to be a big one, doesn't have to be Satan 2. It can be a tactical nuke. A tactical nuke will blast everything within a one-mile radius. That's what a tactical nuke will do. So, it's going to be done and we're going to see it. The Russian Empire will drop an atomic bomb of some sort on the Vatican City.) **THUS SAITH THE LORD.** And the Bible said that God took them cruel-hearted men and put them in His hands, and they were instruments in His hands to fulfill His will, and to bring back to her exactly what she had coming to her. That's exactly. That's the Word.

Now again we showed the patriarch of the Eastern Orthodox Catholic Church talking to the African men there, and their leaders. That is what the Patriarch of the Russian Orthodox wants to do. Fight against the Godless west. And guess what, it's the west who has joined the pope of Rome into a godless communism. They are Christian, so called. They want to fight it.

**Seal of God - 54-0514 Remember what the mark of the beast is: not communism. The mark of the beast comes from Rome, throughout the world: Catholicism with Protestantism joined into it, organized religion. And they're going to unionize the churches, till every church will have to bow to that thing,**

**QA Image of the beast - 54-0515 And communism, we found out, was not no antichrist that Jesus spoke of. Communism is not a nation like Russia; communism is a spirit. America is eat up with it. It's in the churches; it's in the people; it's in business; it's in everywhere (communism, the spirit of it). It's in schools; it's in homes, everywhere.**

So we've reversed roles. Russia is now a Christian nation, and we are now a communist nation.

**Ten virgins - 60-1211M And over in this country they made a image: a confederation of denominations together,**

**the Nicolaitanes getting together and denominated themselves; and finally will unite this brotherhood, not come in as Catholics, but they'll be united as a brotherhood to try to stamp out communism. And the Bible said that God raised up communism to get revenge upon the nations for what they've done to the children of God. And that is what they are doing.**

**Thy house - 61-0808** *There was communism, fascism, Nazism. **They were spirits. Communism is a spirit.** It gets on you. See? It's a spirit.*

**Spoken word original seed - 62-0318E** *Don't never fear communism. communism is only working in the hands of God.*

**Restoration of bride tree - 62-0422** *Don't you fear communism; you fear Catholicism.*

So, then we'll just bow our heads in a word of prayer. Gracious Father, we thank You, Lord, for our ending of the service and beginning of the new.

And Father, we just pray, Lord, that you would be with us and that you would guide us into all things. In Jesus Christ's Name, Amen.
