

Satan's Eden no 121

Seed Word part 1

August 13, 2023

Brian Kocourek, Pastor

Thinking Man's Filter 65-0822E P:57 *Oh, my. There is that real filtration. Of all the sin of the world and the love of the world is dead and this soul is drawing only one thing. Here it is, don't remember it, don't forget it. All you out there on the telephones, set this down in your mind. When a thinking man begins to think Who he's going to stand before and what the Word of God is, when he begins to think, then when he draws through that, there's nothing can get to it but the Holy Ghost. What is it? **It's the germ, seed Word** from the beginning, that **you was in God at the beginning,***

So just think of yourself now. Remember, Jesus was the Lamb slain before the foundations of the world, and you were predestinated to adoption before the foundations of the world. So, it goes way back. And really, you didn't receive eternal life when you were 20 or 21 or whatever, you received eternal life before the foundations of the world. You were in His mind, so you're going to find out one day who you really are, and this is really exciting. Said, *what is it?*

It's a germ. The seed word from the beginning that you was in God at the beginning,

*standing here drawing **the seed Life.** **The seed is in your heart by foreordination.** Hallelujah. **The seed is already in there** by the foreknowledge of God, predestinated. And when it draws, it can't draw through nothing else but the Word. And then it's the taste of the thinking man, the righteous man, the holy man who sees the Bible, that Jesus Christ is the same yesterday, today, and forever. What comes into that place down there? That Word that's in the heart "**I've hid Thy Word in my heart that I sin not against Thee.**" What is it when it's drawing through the Word? There's only one thing will pass through the Word; that's the Holy Ghost. That's the only thing that can pass through the Word, is the Holy Ghost. And a thinking man's Filter gives a holy man a taste.*

Many people say, especially among the pentecostals, oh, glory to God, I got the Holy Ghost. A lot of people have the Unholy Ghost. The Holy Ghost will make you live Holy. It'll make you live according to His word, you will not choose the things of this world.

Ok, so he makes the type, that the Word is actually a seed. A germ of Life, for a seed is a carrier of life. It carries the Life, so he wants you to think of God's Word as a Seed.

A Germ of Life. And as a seed it is predestinated to carry the life. In other words, look at a seed, any seed.

What you have in that seed, is what you get. The Bible says, **“and Every seed after its kind.”** So, genetics began when God stated that word, **“every seed after its kind.”** He called it, predestinated. Why did he say it was predestinated? Because everything that the seed will ever become was placed in the DNA of that seed. And at the right time, with the right Light, and with the correct amount of watering it, will begin its journey, or it will begin to manifest everything that is in that seed.

Now I remember years ago I told the story, at Brother Vayle's church. I told my daughters, I said, just think about a seed when you think about predestination, because everything that that seed will ever become, is already there. It's already predestined there, so already predetermined there. And so that's the way with predestination. Just like, you plant a wheat seed, you're going to get a wheat, you plant a watermelon seed, you're going to get a watermelon. So every time you're eating watermelon and you spit out the seed, just think there's another watermelon right there.

I remember saying that, and one of the little children up there in Grace Gospel Church, they asked after church said, well, what is predestination? And she said, it's a watermelon seed. So anyway, she got it halfway. So that's just an example of something that's predetermined.

Spoken Word Original Seed 62-0318M P:75 *Now, Jesus is the Word made manifest. He and the Word is One and the same, and that's why it was so made manifest in Him so perfectly. That's the reason that God manifested Himself so perfectly in Jesus: because He was the Seed Word, the germ Word Itself (the germ that's inside the seed, that's the life in the seed). You get it? See, it was the ... He was the germ Word of God. The germ is the Spirit; the germ is the Water. And Jesus had to be broken open there, in order for that Seed to let forth It's Life to water other seed that was coming.*

Do you see? Even He said, "Other sheep I have that's not of even of this fold," I have. They're going to see that; they're going to get that Word and stay right with It. And I'm sending forth the Spirit to water it, and it'll produce just exactly. It'll produce miracles; it will produce the power of God; it'll produce ...

And **it will not deny anything**, because **it is a kindred seed with the Seed**. It can't say, "Mr. Cocklebur, you come live with me." No, no, sir; no, no. It won't do it. No indeed. It just won't mix. **Can't mix death and life. You can't be dead and alive at the same time.** Uh-hum, uh-hum.

Notice he said, "**(the germ that's inside the seed, that's the life in the seed).**" And then he said, "And **it will not deny anything**, because **it is a kindred seed with the Seed.**" So being that it is a kindred seed with His seed, then it cannot deny anything he said, for a Man thinketh in his heart and out of the Abundance of the heart the mouth speaketh. Then what Jesus spoke, He was. It's his DNA coming into view. And your DNA comes into full manifestation when you speak what He said. Oh, I hope you are catching what I am saying.

God is Life, right? And He is the Word. Therefore, although He is an invisible being, for He is a Spirit being, yet he has DNA in Him, and it is in the form of Word. So, God's DNA is His Word. Why do you think God made man in His image. After His Likeness. He made us to be a carrier of His DNA. His Life.

Now look, your DNA has in it every detail of your existence. I mean the attributes and characteristics that make you what you are, and so if you are one of his children, then you are seed of His seed, Life of His life. Then he had to place part of His Own Life in you to express Himself. So that's who you are.

You see the miracle in your Life is that you were sewn another seed, "**you were sewn in sin, shaped in iniquity, and come to the world speaking lies.**"

That was the human seed of your earthly parents. And like all other seed you come in the image and likeness of your earthly parents, But God through predestination planted in that seed another seed, His Seed.

Now, He did not do that with every seed. He chose you by foreknowing which seed He would do this for. So, God chose you and didn't choose others. It is that simple. And He chose you to come forth in His Likeness one day and to manifest His Life and nature. But sometimes, you are more comfortable in your parent's nature than you are in reflecting His nature. Let me explain.

Brother Vayle, as a seed of God, still had a very terrible time totally reflecting only God's nature. He said to Brother Branham, "*would you pray for me. I want that love that you have.*" Now, he was looking at His nature, the way he reacted to certain things, certain trials that he had. But Brother Branham said, "*Brother. Lee, you have that love.*" Brother Branham said, "*Maybe you just don't understand what love is*", he said, "*Do you do things for others just because you are Christian, that you would not otherwise do.*" And Brother Vayle said, "*Yes, all the time.*"

And Brother Branham said, "*that is Love. That's the reason you do it.*"

Now, you might say, "Then why was he so quick on the trigger?" Well, he was, and yet he did not like it.

He did not like being quick on the trigger. If any of you ever had really good talks with Brother Vayle, he would tell you he despised himself. Just like Brother Branham said, my greatest enemy is William Branham. Brother Vayle didn't like that.

You see, he had that nature that he was born with, which was a result of his human parents. But down inside was that other nature, that nature of God. And the human nature was so strong, and the nature of God is so timid, that you could see more that quick trigger nature than you could see his God nature. But you did see his Love and devotion to the Word of God, but you also could see that other nature. So, it confused him and you. But God knew what was there in him, so God, in his wisdom, allowed the devil to make Brother Vayle get sick until he became so weak that his earthly nature had no fight left in him. And then took him home with that sweet spirit only manifesting itself.

I remember I came there, and he was dying, and he had been in a coma all week and I'd seen him on Sunday. But then, Monday or Tuesday he was in a coma again. I visited the next Sunday. And so I laid my hands on his hand and I said, well, I'll pray for him.

And so, I said, Brother Vayle, this is Brother Brian. And when I said that he looked up and he had such a sweet expression. And he said, oh, Brian, how wonderful. And so, he was ready at that time. He had lost his fight, OK? And he was such a lovely person and lovely Christian. And God took him home.

So, all I'm saying is, that sometimes the nature that you children, listen up, the nature that you are born with, is the nature of your mom and dad. But when you

receive the Holy Ghost, things change in your life. Your focus changes. Your life changes. You're directed toward God, you children that have been baptized, just remember the Holy Spirit is very timid. But he will let you know if you do wrong. He will let you know.

You might get confused sometimes, who's talking to me? Because you want to do certain things. That's the nature of your parents. But when you don't want to do those certain things, that's the nature of God. Like I asked my granddaughter one time said, does God ever talk to you? And she said yes. She said, I remember I was going to steal a piece of dad's candy. And He spoke in His words that thou shalt not steal. So, you see, she became tender to that, and that prevented her from taking the candy. Now, I wish the kids would do that all the time.

But even we as adults, we have our nature, we have the things that we've lived with for 70 plus years, and then we have God's Spirit directing us. So, we see the things in our spirit that God wants us to do. But how we get there sometimes we want this spirit to get us there. In other words, we want to take our ways to get there. Like David. David wanted to get the ark home. It had been stolen in a raid. So, he wanted to put it on the people that he knew, he wanted to put it on their shoulders. And God struck him dead when they touched it. And then they realized something was wrong and they consulted the prophet.

And the prophet said, hey, it's got to be on the shoulders of the Levi's. So even David, a man after God's own heart, had trouble discerning between his thoughts and God's thoughts. God's thought was to get the ark home. His thoughts were, how I'm going to do it. God's thoughts for you are, I want to get you home. Your thought is, how am I going to get there? You got to just surrender to God. Just let go and let God and He'll have His wonderful way; we sing that song.

The apostle Paul was the same way. He said in, **2 Corinthians 12:7** *And lest I should be exalted above measure through the abundance of the revelations, there was given to me a thorn in the flesh, the messenger of Satan to buffet me, lest I should be exalted above measure. 8 For this thing I besought the Lord thrice, that it might depart from me. 9 And he, (God) said unto me, "My grace is sufficient for thee: **for my strength is made perfect in weakness.*** In other words, the weaker you get, the stronger God becomes. *Most gladly therefore will I rather **glory in my infirmities,** that the power of Christ may rest upon me.*

And Brother Vayle, you knew him, Brother Nathan and Brother Josh, and different ones. You know Brother Vayle always put himself down.

He always talked about, he just glory in his infirmities like Paul was.

Trying to Do God a Service 65-0718M P:20 *Now, we find that God had a way of doing things. But David, just being blessed of God like he had to become king, he just thought that he would just do something for God anyhow. And he never went about it in the right way. We notice, God reveals His Word in His own predestinated season. Now, how could Martin Luther have knowed about the Message today? How could the Presbyterians ... How could Martin, or the Catholic church know Martin Luther's message? How could John Wesley have knowed Luther's message? How could Wesley have knowed the Pentecostal message? Or how could the Pentecostals know this Message? See? He reveals It in His seasons, because It is a Seed; and as It grows and matures He reveals Himself.*

So just to say, Brother Don was so much the same way. He wanted to go home so bad. He started unpacking years ago, and his motto was, *last day, last dollar*. Is that right? But the problem was that although his motive was right, he wanted to meet God his own way.

And so, when he was in the hospital for seven weeks, he could not understand why God was not taking him, and he got frustrated. And so, he got upset with the doctor. I won't say upset; I'll say he fussed. Because, if you have that operation that opens up your chest, they take your heart out, they have to operate on it and put it back in. And now you've had that same operation twice. Can you imagine the pain every time they compressed his heart? Push down on his chest, he just didn't want that anymore. He wanted to go home. He wanted to go home so bad. He could taste it. But he wasn't going. He was frustrated and he was upset.

I don't blame him with the Doctor Who saved his life and the staff will care for him and even his own loved ones and family.

And so, on my last visit in week 7, I said to him, *“Brother Don, I know how you’ve suffered and want only to go home. But you will never meet God in your current condition. You are fussing too much. God wants you to die to self before He is ready to take you. You need to be sweet.*

You will be remembered by your testimony. You want it to be so sweet that they will know you are a Christian. Until you are ready to meet God on His terms, He will just let you lay there looking up with nowhere to go. He wants to meet you on His terms, not your own terms.”

I told him, *“Brother Vayle also wanted to go for 20 years or more. He told me he had his reservation in, to go home for more than 20 years. But couldn’t figure out why God wasn’t ready to take him. One day, at 97 years old, he lay in his bed and was not responsive to anything. The brother said he has been in a coma for a week, so he probably would not even know that I am here. So, I went in to pray for him, and laid my hand on his.*

He looked like a skeleton of 80 pounds. I laid my hand on his and said, Brother Vayle. And I was surprised, he opened his eyes, and said, Oh, Brian, how wonderful.” He had such a sweet spirit. Less than a week later, he was gone, had passed over the Riven Veil.

And Brother Don received what I had told him, He said to me, *“Yes, I know you are right, will you pray for me?”* And so, we did. And I said to him, Brother Don, I know that you're suffering. Would you like me to pray for you to go home?

He said yes. I said, okay. But I said, you're not ready yet. So, you get sweet, get real sweet and everything and God will get you ready. Well, he did.

Then, a short time later he was released to go home. He told his wife what had taken place and made right with her and those around him. Then, a week later he had to go back in, and shortly thereafter God took him over, he was ready on God’s terms.

So, you may sit in a hospital bed, you may sit in your own bed for weeks and months and even years, and you want to go home. That's the Christian part of you. That's the Holy Ghost part of you. But the part that was born in sin, shaped in iniquity and came forth in the world speaking Lies, will get upset and will make things harder than others.

Well, God wants us. You see, the character you leave here with is a character you'll have on the other side for eternity, because you won't have this body. You won't have a chest that's been operated on. You won't have these pains and these things that you suffer through. You're going to be sweet people.

Remember, Brother Branham, everybody you saw was so sweet over there. There was even one woman. She was so beautiful, she said, don't you Remember Me? I was 90 years old when you led me to Christ. And she was so sweet and beautiful. So that's my message really to you is get sweet, get that sweet spirit on you. Then a short time later, he went home.

And you know, God had been preparing him for years. He went through the same surgery about 3 years before, and he was aware that God was preparing to take him. He knew time was short, but he was still caught between the two worlds, his and God's. God even gave him a dream that he had and didn't understand at the time. But in the dream, and this was about a year after, his first surgery, he had this dream. And in the dream Sister Graham and Sister Green came to him, he was actually on the other side. He told me. He said I was on the other side. And he said, and they were there, and they said, "*Don, we never expected to see you here.*" And he said, Brother Branham said, "*You'd be surprised who you see made it*".

Well, just to let you know that God had to prepare the whole case to where he took Mary Graham home about almost two years ago, just after his dream. And then he took Delhi home last year, or this year, actually, and they were there to greet Brother Don when he came over. So you see, we don't understand how we're going to get there sometimes.

Here's our dream, Here's our vision. I see myself in eternity. I see myself as one of the family of God. But how I get there, and if I'm not careful and let God do it for me, I will try to get there on my own. So anyway, I can't. In other words, stop fussing. Just let go of this life.

Let go of looking at your fingernails, and all the other girls at school have fingernail polishers. Just let go of that. Just be a Christian, the best Christian you can. Don't look in the mirror of the natural. Look in the mirror of the Word and say, how am I looking according to that? Then you're going to be fine because your heart is set on Him. Your heart is set on eternity.

So God gave him his dream that he didn't understand, but now he does understand it. You see, we didn't understand until Brother Don was gone. And then I said, hey, isn't Sister Delhi Green dead? Isn't Sister Mary Graham dead? Wow. God gave him a dream to prepare him. He saw the dream, and now he's seen the dream. He's actually seen the fulfillment of it. The truth be known, both of his sister died sometime back. One about of your two years ago and the other six months before. So they were waiting there for him to come, just like the dream told. And I believe they were actually there to greet him, just like God showed him. It would happen that way.

So, rest my friends. God has everything in control, showing how great a Loving Father He is. He knows your end from the beginning, and he does not need, nor does he ask for our input. He will carry out His plan as He planned it before even the world existed. Remember, it's Him working in you to will and to do. You're not even working, you're at rest. Let Him work for you and will for you. Okay. So, he will carry out His plan even before the world existed because it was in his mind.

Remember, as long as you are in this body of this death, you have no thought coming. Just let go and let God have His wonderful and marvelous way. Even the prophet David allowed his own spirit to put the ark on the shoulders of those whom he desired, instead of on the shoulders of the Levites, as God wished. So, sometimes The Holy Ghost in us, sees what God wants us to do.

But He lets our own spirit within us, make our own choice as to the way it should be done. And we have got to learn how to crucify our own desires, and let God have His way. God allowed Brother Vayle to lay on his back, and have no brother Vayle left there to fight with, before He would take him. He won't have that quick trigger over there. You know that? Brother Vayle's going to be the sweetest person you ever met, and he won't have that quick trigger because that's his earthly spirit. But he's got his God spirit, all right.

Brother Branham told us, "The Character we depart with in this world; is the character we will have over there." So, the spirit you were born with, has to die to His Spirit that is within you. Then we will spend eternity with that Spirit.

Now, won't that be wonderful, LaVonne, you won't have an old curmudgeon to fuss with. I mean that fusses at you. Because you know, I've got this body to deal with. But over there I won't have this body to deal with. So, it'll be a real true love.

Romans 8:11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you.

So, if you have His Spirit, you're guaranteed it's going to be raised up. Amen. Not, I hope so. Not, I'll press myself into it. I have nothing to do with it. It's all about Him.

So, brother Branham said in his sermon, **Hear Ye Him 56-1215** **And every Word of God is a Seed.** **And if that Seed can be planted by the inexhaustible Fountain**

*of Life, which is Christ, the believer has to drink beyond his imagination, drink and push out. Push **out everything you have need of, 'cause it's in you when you receive Christ.** And we are planted together in Christ. And He is the inexhaustible Fountain of Life. And don't never be afraid to ask big things. God wants you to ask big things. **He don't want you to be little petty and juvenile.** He wants you to ask big things that your joys may be full. Could you imagine a little fish about that big, way out yonder in the Atlantic Ocean, say, **"I better drink just a little bit of this water, I might run out." Nonsense.** Could you imagine a little mouse about that big down there in the great garners of Egypt, saying, **"I just better eat two grains a day, 'cause I might run out before summertime again."***

***Well, that's nonsense.** If they had ten hundred thousand rats that size, they'd never eat it up. And they had billions times billions of tons of them fish, they'd never drink up the water. And how many times could we multiply; you could never exhaust God in His powers and His mercies to His children. He's the inexhaustible Fountain of Life. Just drink, and drink, and drink, and drink.*

So, what else can I say, just be at rest and just be looking forward to that day because it's coming.

So, both Brothers died with dignity and God honored them and took them home.

Those of you who can't seem to overcome your trials out there, it's because you first have to overcome yourself. Can I say that again? Those of you who seem to have your trials out there, it's because you first have to overcome yourself.

You may wonder why God is not healing you. Maybe you're not ready to be healed yet. Maybe the problem is that you are getting in the way. So, just let go and let God have his way. Maybe you have something you have to make right? Maybe your opinion of yourself is getting in your own way, and God is waiting on you.

Brother Branham said, *"My greatest enemy is my own self."* So, I ask this question. Look at everybody's eyes. How about you? Whose greatest enemy do you have? And I hope we can say the same thing. It's ourself.

From **God's Power to Transform 65-0911 P:98** Now, **what is the transformation? (Quickly.) How do we get it? What does the transformation?**

God does it by the Spirit of His Word. He transforms. He plants His Seed, throws His Spirit on It, and It brings forth the product. His Holy Spirit transforms the Seed Word in to be vindicated of its kind. What kind of a seed you are, that shows just what's in you. You can't hide it. Whatever you are inside, it shows outside. You just can't keep from it. You can't make that tree anything but what it is. See, it's going to be that way. **The Holy Spirit transforms the seeds that's on the inside of it. No matter what kind of a seed it is, It'll transform it. If it's evil, it'll bring forth evil. If it's a hypocrite, it'll bring forth a hypocrite.**

If it's a genuine Word of God, it'll bring forth a genuine son or daughter of God, through a thinking man's Filter. When the Seed comes up, it comes through That; It produces a son and daughter of God.

So be at rest. You can't produce wool as a sheep, you just bear it.

It's natural, just to make wool.

So, what Kind of seed are you? That is the question he wants us to consider here.

What kind of seed are we?

Spoken Word Original Seed 62-0318E P:109 *My, Christ is now taking Himself a Bride to be **pregnated with His own Seed Word** in Her womb (spirit womb) and **in Her mind**, and won't mix with any denominational trash with it. She is a virgin to Him. Oh, I remember setting there in a room, three days in there praying and waiting on the Lord and fasting. When that struck me I thought, "Oh, God what is it?"*

*Here I am at a picture, here I am. If I bring up this much to the church, where will I be? I'll have them on a limb; what can I do? I've done seen the church as every type and shadow and everything else, shows she's gone. What will You do?" And then, I thought of that Word, "**I will restore, saith the Lord; (Uh-huh.)**" There you go. You might have found yourself wayward. You might have found yourself, maybe in the wrong church, or in the wrong word or whatever. But you know what? You're here today. Why? Because God took a hold of you and gave you His Word. **I will restore. saith the Lord; I will restore.***

Remember, the old pine tree; when the fire hits her and burns her down, she shakes off a seed though. That seed brings forth a new one. That's right.

The old trees are burned up with organization and everything else, but there still remains a Seed of Word. And if it ... God's Word, It'll come right back, reproduce Itself just as sure as the world. Yes. Now, now, she won't miss it.

You're not going to miss it, Brother, Sister. God has everything under control. So, he is talking about how God transforms that seed by His Spirit. His seed, no matter what condition it is in, God is here to transform that seed by His Spirit and His Word. Remember, it is nothing that you can do, just leave it up to Him. "*It's not him that runneth, nor him that willeth, but God who shows mercy.*" And that is what everyone of us needs, is His mercy.

Power Of Transformation 65-1031M P:110 See where we got to walk? **Understand?** ... Same as in the times **Noah's seed Word**, it erected a **floating transformation** from the earth to the sky. It sound crazy to the people to have a little cult like Noah had. And he told them, said, "**THUS SAITH THE LORD. God has spoken, and there's coming a rain.**" Science, and the educated and religious of that day, said, "Look at that old quack. He's getting old; his mind's slipping." See? **But he was right, because he was a vindicated prophet.**

And then, at the end time, his message was truly vindicated. What would he do? **He transformed from the earth to glory by an ark of the Word that he was preaching. He was transformed.** The scientific spray rotted the rest of them in the judgment. They rotted upon the waters of the judgment of the flood. What are people trying to do today in this great scientific age of education, the Eden church, restored again to its Eden, scientific condition, instead of the Word? Word? **Are they exalting the Word of God? Is people trying to exalt the Word of God, or are they trying to exalt themselves? Which is it, wonder? The church ...**

And then we wonder why the world is rotting under germ warfare. He said, "*The world has chosen science over the Word.*" And what was the results? Sicker than they were without the science. And those who chose science (Even though it was a fake science) over the Word, they are the ones who are sickest among us. And the evidence is very apparent.

Seed Not Heir with Shuck 65-0218 P:33 Notice Sarah the tassel, that had the pollen. That Jewish nation raised from her, come out of Sarah brought Isaac, through Isaac brought Jacob, Jacob brought the patriarchs, and through the patriarchs brought forth a nation. Mary the virgin, **faith, produced the true spiritual Seed Word made flesh.** See? The three women, **three women that this seed was carried through, one of them was actually an adultery under polygamy. The second was a freewoman, and the third one had no sex affair at all;**

but by faith she believed the Word of God. Hagar, Sarah ... Both Sarah and Hagar was sex, but Mary was virgin by the power of a promised Word of God. That's right.

Oh, my, this is so important, I just had to stop here. Notice **all three women had a seed**, but one did nothing to get that seed, she simply believed the promise of God to her.

That's all you have to do. Just simply believe and just let Him take care of the results for you. And you're going to end up a better person than you thought you could.

You thought, well, I'm going to try this and try this and try this and it just always fails. But He won't fail. He won't fail. You are going to be so beautiful and so nice and sweet and He is going to do it. It's Him in you working to will and to do.

Masterpiece The 64-0705 P:69 *Now, He's doing the same thing in His never-changing method. We find out in **Malachi 3**, He said, "**I'm God, and I change not.**" He cannot change His method. Now, as He started in Abraham ... After the fall of the first masterpiece, He started in Abraham, on a foundation, to build another masterpiece.*

*He started on the day of Pentecost to build another Masterpiece, **the original seed Word**, started in the first Church. What was it? **The seed Word, the Word manifested**, the promise that had been given. Joel said, "**It shall come to pass in the last days, saith God, I'll pour out My Spirit upon all flesh. Your sons and daughters shall prophesy. Your old men shall dream dreams; your young men shall see visions,**" what **He would do** in the last days: two, last two thousand years.*

We look at the 86 signs and events He is doing at His Parousia, and not one of them did He need help from anyone else to do it. Jesus said, "**told us the signs that will follow His Parousia, And He is in us here to will and to do His good pleasure, not ours**", and He places this will to do what he wants done in you. So, He's doing it all. Then why worry about sign and event number 82, He will do just as He did signs 1 through 81.

He did them all. We didn't even know they happened until finally one day, our eyes opened. So, wait a minute. What will be the signs of thy Parousia? What will be the signs? Or I'll give you 52 signs, he says. And see, one day we saw it. Look, we believed the Parousia first. But now we see that Jesus said there's signs that will let us know what He's doing.

Spoken Word Original Seed 62-0318E P:190 *God never placed signs ahead of His Word. (Amen. That's a scorcher.) God never placed signs ahead of His Word. They were added for proof of the Word, but the Word is first.*

That is exactly scriptural. They said, "**what will be the signs of your Parousia.**" What will be the signs that You are here. And he said this sign will happen, and then that sign will happen etc. He gave us 52 of the 86 signs, and Paul, Peter, James, and John added the rest. The signs came after he arrived, He was here and then the signs began to show.

Brother Branham continues, "To prove it, Elijah said to the woman, "**Bake me a cake first.**" Then watch the miracle happen. Come to the Word first and then watch the miracle. **The Seed Word Itself is what the Holy Spirit energizes.** How can a messenger sent from God just believe some of the Scriptures and not all the Word? Deny part of It?

Spoken Word Original Seed 62-0318E P:85 *Now, the womb ... Eve, received the wrong seed word. Now, listen real close now. We're going to drive this right down, if the Lord willing. She received the wrong word. What did it do? It was Satan's lie:*

Said she'd be wise; why, she could belong to the big church; she'd be well thought of in the city; why, she'd be like the rest of the people. Sure, that's exactly what Jehovah's bride believed. That's exactly. **That's exactly what Satan would've tried to have said when the Word come to Mary, but she shook him away.** She was stronger. Said, "**How can this be?**" Said, "**The Holy Ghost will overshadow you. It's the Word of God.**" Said, "**Be it unto me according to Thy Word.**" **That brought the Life.** There you are. Well, did you know Satan said, "**They'll all laugh at you.**" That little rosy cheeked girl didn't pay any attention to that.

Right up in Judaea she went and, "**You know, I'm going to have a baby**"; before **she felt anything**, because the Word had already been set there. That was all. She didn't have to go through the prayer line the second time. No ...?... Yes, sir;

she believed it. **She didn't have any sign of life**; she never had no sign of pregnancy at all; she never felt nothing; she--her--everything had been just like it was, but she went telling everybody, "**I'm going to have a baby.**" Why? **God said so.** What's that? The Royal seed of Abraham.

Just like when we had the great thunderstorm and kind of shut down the service and I said, I want to sit down. And he said, what are you sitting for?

And I said, I just didn't have any words. And He said take charge of the meeting. And I thought, how do I take charge of the meeting? But you know what? I got up in obedience to it. And then he gave me that mental vision and I saw Jesus sitting in the boat and it was a long vision, about maybe 30 seconds or mental vision anyway. And He had a rest in the boat. The rains came and the apostles were all afraid and He sat up in the boat and said peace be still. And it was still. That was an example.

Well, then I saw when I took my second step. I saw Brother Branham in a mental vision, and he was running around the tree, and he was so happy because he had just stopped the storm. Well so then I thought I'll just keep walking. And so, as I walked, I had three or four more steps.

But on my walking to the pulpit the devil said, you're going to make a fool out of yourself. And you know what my first thought was?

Like the sisters said to brother Don in the in the dream, funny seeing you here. You said Brother Branham said, you'll be surprised who makes it. Well, I said I'm a fool for Christ. Whose fool are you? Because I remember about the man, had the thing on the front, the placard, and said, I'm a fool for Christ. And so, people would turn and look at him. When he walked past them, it said, whose fool are you?

That's my thoughts for you this morning. Are you going to be a fool for Christ? Because you will be somebody's fool. Well, anyway. And then what happened? He had me take charge of the meeting. And I said, I take every spirit under my control for the glory of God. And I didn't know how. But you know what? I saw the prophet do it. I saw his older Brother Jesus do it. And I said, well, if the older brother does it, the other brother does it, I can do it too. And I walked up that pulpit and I said, I take every spirit here under my control for the glory of God. And I prayed and that rain stopped, and the storm stopped.

So all I'm saying is when the word comes into you to do a certain thing, do it. Don't think of other people. That's the thing I liked about Brother Don the most is, Brother Don didn't care what you thought. He was going to say it anyway, if it was God's word.

Now, listen, we believed God's Word spoke of the Parousia of God even before we knew anything about there being signs and events associated with His

Parousia.

Why? Because He said He would Appear to us, He said He would manifest to us, because He said there would be a Parousia in this day. Because brother Branham said thousands of times,

"He is here", "His presence is among us," Because He said that He would descend with a SHOUT, which is a Message. And that God said not only He would be here with a SHOUT but also said He would come down and be here with a VOICE which is a resurrection. And not only that but He also would come down with a TRUMP, which is a catching away. He chose you by foreknowing which seed He would do this for. So, God chose you, and He didn't choose others.

So, we are looking for all three. We are not satisfied to say, **"I received the Message, the Shout so that's all I need"**. We want it all, Shout, voice and Trump, because we want everything that He has come down to give us. And we are believing for the rest of it to manifest itself to us, just Like the Shout has.

Power of Transformation 65-1031M P:117 *Look at you in here. How many have had that experience? Every one of us. We've had that experience. **Because It was spoke; It was believed; and the Word came forth and fell into the bed of the heart; and there It grew right out of it. See? Transforming yourself, His Holy Spirit transforms the seed Word into Its likeness. Like if a pear tree brings forth a pear, apple tree an apple, things like that, His Word will bring forth sons and daughters of God. That's what It's supposed to do.***

Wisdom Verses Faith 62-0401 P:87 *Now, now, you see **that the seed Word cannot grow in the atmosphere, then, of knowledge. Is that right? See? As soon as knowledge mixes with faith, it dies right there.*** (So don't try to figure things out. Let God be God.) *Eve came and said, "The Lord God said the day we eat thereof, that day we die." Then she stopped to see what he'd say. He said, "But listen, my dear, you lovely little thing (See?), surely, God made you for a purpose. You know, that's right. See? You're a woman; you were made for this purpose. That's what it is. You don't know it now, but **you were made for this purpose.*** Oh, you're a lovely little thing, dear. Look at those dainty little hands. (See?) *Why sure he would... Surely..." "But He said if we--if we did, we'd die." He said, "But, oh, do you think that a good loving Father, God, would do a thing like that?" What did she do? **She listened to reason, took his wisdom, said, "It's a tree of delight; one can be desired of it";** and she fell for it.*

That's exactly. And when she did, Listen, what did she do? Here it is. She got to

look at the fingernails while the other girls have fingernails. I'm going to put fingernail Polish on them.

She got to look at, well, they're wearing these kind of clothes. I'm going to wear this kind of clothes.

In other words, she got to looking at herself. And she said, oh, I guess we do have a lovely body. And he says, yeah, he says, that's right.

He says you're beautiful. So that's what a woman's supposed to do is, you look at all the animals out there procreating.

You're supposed to do it that way. But see, God said it would be spoken word seed.

She couldn't wait. She looked at all the other creation and said, well, I guess I am. I just guess I am. No, you're not. I'm sorry, Sister. No, you're not.

You see, you do it God's way, and you have God's results. Brother Don did it God's way. Brother Vayle did it God's way. And they end up having God's results.

*what happened? Like it would to any woman. **As soon as you fall for it, it finishes right there.** That's right. Now, you see, **the seed that she was holding** and would have finally become a mother... By the will of God, **through a spoken word**, she would have finally become a mother, but she couldn't wait, and went into that.*

Oh, can't you see how pure His Word is. It's all you need in this hour or any hour. It's pure word seed. You mix it with anything else and it is no longer pure Word seed, pure Word life.

Spoken Word Original Seed 62-0318E P:173 The first son was spoken Seed Word of God. *He was given a bride (I'm just reviewing the Spirit, and I was picking up what I said. See?) **a bride to produce himself.** She fell. See, what does she do? She produces the seed of the serpent. (See, that's what the bride was given, to produce himself again another son of God, but she fell by hybreeding. See?) produced himself, but she fell: caused him to die. The second Son, a spoken Seed-Word of God was given a bride like Adam, but before He could marry her, she had fallen also; for she was put to a free moral agency like Adam's wife was: to believe God's Word and live, or doubt It and die; and she did.*

Who is that? Sarah. She said, "Take Hagar, I can't do it. I'm too old." And God said, "Is anything impossible for God?" But she laughed and said, "I'm just too old. Take Hagar." And it produced the war, are still going on to this day between Hagar and

Israel.

Spoken Word Original Seed 62-0318E P:162 *Now, the power of the believing church: Christ has all power in heavens and earth. You believe that? Then what if He's in you? Has Christ got all power? **Matthew 28:18**. All right. **He is the Seed Word in His Body, and He in us becomes the Seed Word in us**. What, all that God was, He poured into Christ, and **all Christ was, was poured into the church; that's the power.***

Jesus said, "All power's been given unto me." Well, if it's all given unto Him, then He said, but I've given it to you. It's in there, brother. It's in there, sister. All His power is in you.

Spoken Word Original Seed 62-0318E P:146 *Let's take **John 20** to start with. All right, take **John** the **20th** chapter and let's see: **John** the **20th** chapter and we're going to begin at the, oh, I'd say about the 19th verse. Saint **John 20** (I believe that's what I got marked down here) and beginning with the 19th verse ...*

Now, listen close. I challenge you to believe it. Oh, I just feel good. Oh, if I could just ... I wish I could just see the Holy Spirit just huddle over here like that; say, "Now, it's Me."

*Listen ... **the same day at evening, being the first day of the week, when the doors were shut where the disciples were assembled ... doors were shut where the disciples were assembled ... for the fear of the Jews, came Jesus and stood in the midst, and said unto them, Peace be unto you. And when he had said ... And when he had so said, he shewed unto them his hands and his side. (And when his disciples... Let's see.) ... his side ... (and when) ... Then were the disciples glad, when they saw the Lord. Then said Jesus unto them ... Peace be unto you ... (Oh, are you ready?) ... as my Father hath sent me, ... (He's the Word, the Seed, Word Seed) ... so send I you. (You believe it? Don't stop; there's more of it.) And when he had said this, he breathed on them, and said unto them, Receive ye the Holy Ghost: Who soever sins you remit, to them they are remitted unto them; and who so ever sins you retain, they are retained.***

Now, I said this before, but just to brush up a little bit. There's a difference between forgiveness and whose sins you remit. You see? Because if you remit them, we're talking about you are giving to unto them as a brother, shared the quote earlier. You are imparting life.

If you impart life, you have God's nature in you. If God's nature is in you, your sins are remitted because you won't ever want to do sin again.

So, you see there's a difference between just forgiving a person, who can do it again and again and again 70 X 7 or remitting their sin altogether. So, don't we want to impart life? How does it come? It comes by seed word.

Spoken Word Original Seed 62-0318M P:91 Then the works will be manifested in Him are the same, for it is the same Seed Word of God. God's Son was His example Seed. And what His Life was when the Spirit poured upon Him after His baptism and the Holy Ghost come upon Him, the very Life that He produced will--that same watering Spirit of the Holy Ghost will bring forth the same kind of a Life, doing the same thing that He did; if it's the same Seed. Son of God Seed will bring forth a Son of God Seed.

Now, shame on you women with bobbed hair. Shame on you preachers denying that Truth. Say, "It's all right; hair has nothing to do with it." But God said it did.

I remember Sister Vayle and I just say this. It was 1964 and Sister Vayle, she cut her hair. And so, Brother Vayle already had the Holy Ghost.

Brother Branham said, "The first time I saw you, I knew you had the Holy Ghost." Yet he had never been baptized. Brother Vayle shared with him what John said to Jesus, "You don't need to be baptized. I should be baptized of you." Jesus, said: "Suffer is to be so, for so it becomes us to fulfill all righteousness." So, you see it's not a matter of the length of your hair. That has nothing to do with it. It's a matter of submitting to the will of God. That's it, entirely.

Do you want God's will, or do you want what other man's will is? And so, Brother Vayle, he and Brother Branham talked about a woman shouldn't cut her hair. From that point, Sister Vayle never cut her hair again. And the minute you decide in your heart that you're going to just give Him yourself. You're going to give him your hands. You're going to give him your hair. You're going to give him your dress, from that point that you've decided to give, then God sees you just like He saw his Son. He sees you as perfect because he's now looking through the blood that was shed for you from before the foundation of the world. And if you walk in the light as He is in the light, the blood of Jesus cleanses you from all unbelief.

Let's bow our heads in prayer.

Gracious Father, we're so thankful, Lord, to have Your Word. It's the most important thing in our life to have Your Word. Even, sometimes we might not understand it, but let's hold on to it anyway. In Jesus name we pray. Amen
