

Satan's Eden no 127
Seed Word no 6
September 17, 2023
Brian Kocourek, Pastor

Let's bow our heads in prayer. Our gracious Father we're a wonderful and privileged people to have you as our Papa. So, Lord, we just commit ourselves to You and to Your Word. We just ask that You would help us to rest. In Jesus Name we pray. Amen.

You may be seated.

This morning we are going to take another look at what Brother Branham says about the Word being a Seed.

In his sermon **God's power to transform 65-0911 P:23** *"Now, God, in six thousand years had planted **all these wonderful seeds, or He had spoke His Word. "It shall be this way. This tree shall be. This shall be."** Everything was perfect. It was just good.*

*And He commanded each one of those seeds that they would be, they would transform themselves into the plant of **which kind of life that the Word of God had spoken in them should be.***

Now that's really kind of a restful position to be in, because God has spoken about us, and we will be here in this hour. And He would transform us by His Word.

And so, he said: *If it was an oak tree, it was to bring forth an oak. If it was a palm, it was to bring forth a palm. Because the great Creator had just sent forth His Word, and the Word seed was there before the real seed was ever formed. And **the Word formed the seed. See, He made the world out of things that does not appear.***

In other words, God is not going to say, you get down to the end of the road. And, well, I missed it because I didn't do this or I forgot this or because I'm just not up to the task. He's doing it all and He already placed the seed, and you can't change the seed. So that's really a good thing. I'm not going to fall away at the end time. Now some people were meant to fall away, and they've already done it. But it's just a good restful position to be in, knowing that you are His.

He says, *See, He made the world by His Word. God spoke everything into existence.*" Including yourself.

Now, did you catch what he just said here? Every seed, of every plant, was first a word seed. So, you know what God spoke. He said let there be horse, then God clothed horse. Let there be a fig tree. Then be clothed fig trees with the elements.

Let's it be, palm trees and clothed the palm tree.

And so, every seed of every plant, was first a word seed, then the natural seed took on all the attributes and characteristics that are to manifest exactly what the plant should manifest as. Wow, what a great God, and to think in that seed, in every seed, it is ordained to manifest exactly as planted.

I just think, as I mentioned before, your parents had to come together to give you the right DNA. You had to come together with your husband to give the right teenager, children, your parents, parents, parents had to get together that little, teeny, itty, bitsy DNA. Do you know if you string out all the DNA in your body, you get something like you can go to the moon and back. It's just tremendous. One DNA strand unraveled, become six feet. That's how big it is. Just think about all the characteristics that your parents, your parents, parents, your parents, parents, your parents, parent parents, your parents, parents, you know, all the way back to the Garden of Eden. They had, each one, had the other in them.

And so, God was responsible for making it manifested. I tell you what an awesome God we serve. I just love Him, it just makes you love Him even more, because you know when He said, all things shall work to the good for those that love the Lord, He really knew what He's talking about. Okay. He has everything under control. So that left nothing to circumstance. Every seed is ordained to manifest exactly as planned. What a mind. Okay.

So, God left nothing up to circumstances. He has it all under control. So, all the evil in the world is doing exactly what they were ordained to do, so look up your redemption draws nigh. And all the righteous seed, will manifest exactly how they are ordained to manifest.

In other words, you're not going to miss a thing. You say: Well, maybe. Can I miss it? No, you didn't. You didn't, just hang on, like Brother Branham. Well, he missed the vision. No, he did not miss the vision. So, did God take the vision away. God don't take His Word back. You see, he is going to get that bear. Now you might have to raise him up to do it. That's okay with me. I'd love to see a resurrected man get his bear. Right.

Romans 8:30 *Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified.*

So, you see, we already have it, we are just not aware, we're not in touch.

Jehovah Jireh 61-0226 P:51 *"No man can come to Me except My Father draws him. All the Father has given Me will come to Me." What you scared*

about? What you afraid? You say, "Well, maybe I'm just not the right kind of Christian." How can you come to God without God calling you first?

Who started? Did you call God? No. I'm sorry. He called you. So, what are you scared about?

*And all that He foreknew, He has called. Is that right? **All that He called; He has justified. Is that right? All that He has justified, He hath already (past tense), has glorified. Amen. It's a finished work from the foundation of the world. Christians, don't you see you're living under your privilege? You don't know who you are.***

On the cross. What was His last words? It is finished. What did that blood do? What did that blood do for you? It covered you and put you back to the condition God saw you in before the foundations of the world. You see, God made Adam. He gave a son; He brought forth a son and he breathed into him the breath of life. He gave him everything, He equipped him with everything. He could speak to the world and change, breeze and mountains, everything else. But he hadn't given him the Holy Ghost. Now I realized, you say, well, God, breathe into him. But he didn't get the Holy Ghost that we have, because it wasn't given until after it was released from Jesus. So, then he got rested and he put him on Free moral agency and what did he do, he took advantage of the Free moral agency and he fell away.

Now, God don't give you a chance. He's put His Own Life in you. Think about it, God Life in you, you're not going to fall away. You're not ordained to fall away. All right. You're not ordained to do what Adam did or Eve did. He hadn't given them Himself. If I have a daughter and I say now daughter, you can go out with this fellow, but be back at 10:00, and I'm kind of looking through the windows and see, make sure she does. See, I don't have to do that with you, because he gave you. See, if I give my daughter my own spirit, my own mind, I know she's not going to do the things, that would happen.

And so God gave us His Mind, the Mind of Christ in you. Wow. Just think about that now. The very Mind of God, He's put and placed inside of you, so, that you'll avoid those things. That's why you in the Millennium, Satan's loose. But he's bound by a chain of circumstances, Brother Branham said. He can't get to you. You're all born again. Everybody's born again.

There is no Hillary Clinton's in the world. She's in the lake of fire. You know there is no people like that. They're gone. You know that they say that two mayors from Michigan, from Texas. The reason why they let people cross the border and everything, and the reason why they're doing all that, what they're doing. They're

part of the WEF. They're members of the WEF. We should make it a law that nobody can be a member of the WEF, but they won't do that. But where we're going, we don't have to worry about those kinds of people, because they will be in the like a fire. They can get what they want now, but you can't take it with you. You can live 1000 years and you can't take it with you.

Recognizing your day 64-0726M P:90 *Look what He said in this day would take place. Listen to it real close. The sign of Sodom would take place in the day, sign like Abraham that day before Sodom that was called out. All these things that was prophesied will be talking place, now. Watch the day you're living. We've went over it and over it.*

In other words, look, everything. Listen to it, real close, he said Sodom would come. It has. He said the earth would be burned. It's getting ready to be. He said that the transvestites and everything else would be here. They are. But he also said there's a Bride, who's being made ready by His Word, and we are.

Now, He's promised to send you heavenly Light to ripen the Word Seed that would be sown for this day. The Seed is in here. The Seed is the Bible. Why? Jesus said so: "The Word is the Seed that a Sower sowed." And now, before you can have any crop, no matter if you sow the seed, it's got to have light to ripen that seed, or it'll rot and won't do no good; it'll perish. But if it's got seed in the ground, the right ground with the right kind of a sunlight on it, it's got to ripen. And He promised that in the last days, in the evening time the Sun would come out to ripen that Seed. The Seed is being preached.

The Son of God is ripening that Seed by vindicating It, making It push out before you, and proving that It's right. Do you get it? Recognize your day. I'm closing now. It's time now to close.

Now notice, that everything is taking place, was ordained to take place and you are now seeing that the seed is becoming a reality. You think all of this chaos is taking place and God knew nothing about it? You think God would be too late to save you? Think again. Sister Neesha, she was really worried the last time around because, they had the COVID restrictions and all the doctors had to take the jab, wear the face mask. And she said, if we don't take it by Friday, I'll be fired. I said good.

I said, because you know that God always puts you to the test. We're living in the age of testing. And so, you're going to go down to the last wire and something's going to happen. And you know what? On Friday that week she was supposed to be fired that very day. Think about it, you're going to lose your job and you won't have a job tomorrow, and you come up to Friday morning and then guess what? The Prime Minister says we've lifted the COVID restrictions and you're spared. All

right. God is on the scene. He won't let you fail. He won't let you get caught up with the rest of the world. He's watching over you. He's protecting you. Okay.

Notice he said everything taking place was ordained to take place and you are now seeing that seed become a reality. You think all this chaos is taking place and God knew nothing about it? You think God will be too late to save you, think again. He ordained it to be this way. He ordained the devil to bring on this chaos through the devil's seed, the serpent seed to do exactly what they are doing. Wow.

He knew Donald Trump would be ordained as a fire to bring forth the fires of God's fury upon this nation. He had to expose it. Because listen, none of us knew how deep the deep State really was. The swamp is terribly deep. You cannot fix it unless you just destroy them all. All right? And God's planning to destroy them all.

It took an in-your-face president to raise their fire and expose what was already planted in DC like it is. There's nothing happening that God has not ordained, by placing all those attributes and characteristics which expose their nature of rebelliousness at this time. It's all for a purpose, to show that God is God, and you can't get away from His plan.

Now some have tried, but God stepped on the scene and said, you can try. You can live like a jerk, but I'm not going to let you do that. Now, what you do. He stepped on the scene. He opened their eyes and wow, changed his life.

Spoken word original seed 62-0318M P:115 *All right. Predestinated as he was, makes the Word Seed the same water on what? This church today is a Bride predestinated? Did God say He would have a Bride without spot or wrinkle? Then it's predestinated, isn't it? See? Well, Christ was predestinated. He was a Royal Seed of Abraham, and what did it do?*

When the Spirit come on Christ, He bore record of the Word of God, and when the Water, Spirit, falls on the Word Seed, the Royal Seed of Abraham's faith in God's Word will produce the same kind of a crop. Say, "I don't believe that."

All right let's find out. Let's go now and see; if are we Abraham's seed?

Genesis 17. *Go back in Genesis and get the 17th chapter. I'm leaving a lot of these off here, but I've got to hit some of them in here, 'cause some critic might come along and say, "I don't believe that," so we'll just place a little bit in there so He can stop him from saying it. See? All right, 17:7. Let's start at the 6th verse.*

And I will make thee exceedingly fruitful... (Abraham's seed)... and I will make many nations... (Gentiles and all)... and kings shall come out of thee. And I will

*establish my covenant... (Now watch.) ... between me and thee and **Thy seed after thee in their generations**, (Notice a seed for a generation, a seed for a season.) **for an everlasting covenant, to be a God unto thee, and to thy seed after thee.***

Now, did He not do as He said he would do? Is not God working in you both to will and to do? Did He not warn us these end times would be hard to deal with and hard to bear? Then, relax, God has everything under control, and He doesn't need your help in manifesting what is to manifest? Did He ask your permission to manifest any of his 86 signs and events associated with His Parousia? No, He said they're going to happen. Guess what, it happened? Did you know about it? No. We do now. You see.

Or did He just tell us what Word seed would manifest and we are to sit back and watch for them. Then He does not need your help to Judge what is taking place in His courtroom of the world. Behold the judge stands at the door, and He is just building up enough evidence to judge them and punish them.

Did He not tell us in **James 5:9** *Grudge not one against another, brethren, lest ye be condemned: behold, the judge standeth before the door.*

Did God not say He would send His Word to Judge in these last days?

John 12:47 *And if any man hear my words, and believe not, I judge him not: for I came not to judge the world, but to save the world. 48 He that rejecteth me, and receiveth not my words, hath one that judgeth him: the word that I have spoken, the same shall judge him in the last day.*

49 *For I have not spoken of myself; but the Father which sent me, he gave me a commandment, what I should say, and what I should speak. 50 And I know that his commandment is life everlasting: whatsoever I speak therefore, even as the Father said unto me, so I speak.*

The Rapture 65-1204 P:54 *Then how do we get into this Body? **I Corinthians 12**, "**By one Spirit we're all baptized into this Body**," by one Holy Spirit baptism. And that...*

*If you want to put that down, it's **I Corinthians 12:13**: "**And by one Spirit we are all baptized...**" And **the Spirit is the Life of Christ** (is that right?), the **Life of Christ**. And the **life of any seed**, which He was **the Word Seed**, brings the seed to life. You get it? If that **life is laying in the seed** and this baptism of the Holy Spirit comes upon it, it's bound to bring that seed to life.*

Isn't it amazing that maybe 300 million sperm will contact the egg and she'll only receive the one predestinated? The right set of genes had to be there, the right DNA, you see.

So, we have this same promise that is we believe in Him He will give us Eternal Life, His Life, and He will raise us up at the last days.

John 5:24 *Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life. 25 Verily, verily, I say unto you, The hour is coming, and now is, when the dead shall hear the voice of the Son of God: and they that hear shall live.* Hear, and that's a shout, shall live.

26 *For as the Father hath life in himself; so hath he given to the Son to have life in himself; 27 And hath given him authority to execute judgment also, because he is the Son of man. 28 Marvel not at this: for the hour is coming, in the which all that are in the graves shall hear his voice, 29 And shall come forth; they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation.*

30. *I can of mine own self do nothing: as I hear, I judge: and my judgment is just; because I seek not mine own will, but the will of the Father which hath sent me.*

So, we can all say the same thing. We're not seeking our own will, we're seeking His.

And we see also in **Romans 8:11** *But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you.*

Now in **Jehovah Jireh part 1 62-0705 P:28** He said, *We've had a revival. Joel said... We fuss so much about latter rain, had movements called latter rain; latter rain, former rain, inner rain, outer rain. I was reading the other day. Do you know what former rain means in the Hebrew word? I can't call it right now; I never wrote it down; it skipped my mind.*

But "former rain," the first rain, means "a rain of teaching." The second rain is the Spirit that comes upon what's been taught and produces the crop.

You see, that's where we're under right now, is the manifestation rain, that takes a crop and brings it into reality. So, you know who sends the rain? God does. You're not watering yourself. God's watering you. And He's bringing it into reality.

Why is it, we had such a revival? Pentecostal, Baptist, all the other trees put forth their buds, as Jesus said they would be. And what have we hatched out? The Baptists said they got a million more in '44. Look at the Catholic, how they increased. Look at all denominations.

*Look at Pentecost. What did we do? **We sowed denominational seeds; we reaped the denominational harvest.** Why, the church ought to be on fire for God right now, if there'd been a Word seed sowed back there, and there'd be signs, wonders, miracles, and that church would be together, one heart, one accord, and marching toward Zion for the rapture. That's right. What did we do? We had intellectual speeches instead of the Word. We had reasoning against the Word and everything else.*

So instead of the real word being preached, we've had all kinds of intellectual speeches, and it has produced exactly what He said it would produce. But notice, He told us they would produce this end time characteristics.

2 Timothy 3:1 But understand this, that in the last days dangerous times of great stress and trouble will come difficult days that will be hard to bear.

You say dangerous? Well look at all the assassinations taking place. It's all around politics. I mean, Hillary Clinton and Bill have something like a hit list of 38 people, or it's probably more than that, because that was when they were still in office. What about now?

2 For people will be lovers of self which are narcissistic, self-focused, lovers of money, [impelled by greed], boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy and profane,

3 and they will be unloving and devoid of natural human affection, calloused and inhumane],

Look what they've done to the city of Maui, the people passed laws declaring no development could come into the region unless there was a natural disaster and then 2 weeks later, they had a natural disaster, which was a grass fire.) ***irreconcilable, malicious gossips,***

(The Ex-president has been under attack by malicious gossips – with Law fair) The voters, instead of saying OK, you are the product of someone trying to blackmail you. No, we're going to target you with the crime for paying the woman and call it interference. You're using your funds for running for president. We're going to say, while you use those funds, they don't know that this woman tried

blackmail him. So, he's guilty. You see the whole thing. He just haywire.

devoid of self-control, intemperate, and immoral, brute beasts, (serpent seed) haters of good, 4 traitors, reckless, conceited, lovers of sensual pleasure rather than lovers of God,

Pedophilia is run amuck among our so-called elites, in Hollywood and DC swamp people.

5 holding to a form of outward godliness which is only (religion), although they have denied its power [for their conduct nullifies their claim of faith]. Avoid such people and keep far away from them. 6 For among them are those who worm their way into homes and captivate morally weak and spiritually-dwarfed women (churches) weighed down by [the burden of their] sins, easily swayed by various impulses, 7 always learning and listening to anybody who will teach them, but never able to come to the knowledge of the truth.

And God's Word Seed said it would be this way and here it is. You are seeing the reality of that Word Seed. Now when I read those sayings, I never imagined it would be this bad. I couldn't imagine how it could be this bad. But it is.

Spoken word original seed 62-0318E P:146 *Then were the disciples glad, when they saw the Lord. Then said Jesus unto them... Peace be unto you... (Oh, are you ready?) ... as my Father hath sent me, ... (He's the Word, the Seed, Word Seed) ... so send I you.*

(You believe it? Don't stop; there's more of it.) And when he had said this, he breathed on them, and said unto them, Receive ye the Holy Ghost: Who so ever sins you remit, to them they are remitted unto them; and who so ever sins you retain, they are retained.

Spoken word original seed 62-0318M P:111 *All right. Predestinated as He was, makes the Word Seed flesh in you, His church. God's Word... You say, "Sure, Brother Branham, every Word, I believe It." Then don't back up when you get your tradition. See? Stay right with that Word and stay with that; watch what happens. Say, "Oh, Lord, I believe It. Send the Holy Spirit." Then watch.*

Then if He goes to bearing record, then you know you got It, not by some sensation; the devils do that; not by some miracles, the devils do that; but by your constant belief in the Word of God and the life that you live, never denying nothing. All right, that makes the Word becoming flesh (See?), flesh and the same water, Spirit.

By staying in His Word, and believing what He said, then He makes it become a reality to you. He unfolds it to you.

Wisdom Verses Faith 62-0401 P:187 *Then if Jesus defeated Satan upon the faith, knowing Who He was a predestinated creature (are you ready?) **what about the predestinated Bride of Jesus Christ now?***

In other words, for a Millennium, Brother Branham said, that the devil will be bound by a circumstance. He can't get to you. Why? Because you have the Holy Ghost. What's that? You have the Word of God living in you. So, like I said to Ella, have you ever had God talk to you? And she said, well, I was going to take daddy's Jellybeans. And He said, thou shalt not steal. That's the Word of God in you correcting the error of your nature. All right. But over there we're going to have a glorified body that will be word. Jesus was tempted, just like we are, but he never succumbed to that word, never succumbed to it. Because He said it is also written. And that's what we're learning how to do.

Do you believe the Bride's predestinated? The predestinated Bride of Christ now, the church, the Word seed, with everything that God promised to put in the church in It right now; it's in It now. Everything's in order; the Holy Spirit's been given; the Seed's been sowed; the evening Lights has been shining; the sign of Sodom that Jesus promised is here, and Malachi 4, a predestinated church. Oh, devil...

Spoken word original seed 62-0318M P:102 *Now, my brethren, search out across the country. We find a lot of imitations. Let's go on just a little while longer. See? All right, the works is same manifested in His church that would be, that was manifested in Christ. In another words, John 14.*

*He said so: Saint **John 14:12 "Heavens and earth will pass away but My Word shall not."** Is that right? All right, predestinated as He was, makes **the Word Seed flesh...** I better stop there now. Maybe you wouldn't but somebody out in the tape-land might under--might not understand.*

Ok, so everything is in order, the wickedness is ordained, and so are the righteous Bride.

The Way back 62-1123 P:120 *I'm preaching one of these nights on a "Paradox," and that was a paradox you just seen. **It's something that can't be explained.** See? **It's a miracle, that how the God of heaven can produce such.** Now, you say, "Could you heal me, Brother Branham?" It's impossible. **You're already***

healed. If He was standing here wearing my suit that He give me, He couldn't do no more.

*That's all He could do was vindicate that He's Christ, prove that He's here. You have to believe Him. **"I can, if you believe."** That's it right now. If you believe it, that's all there is to it. It looks to me like **it ought to electrify. It ought to send people to repentance.** It ought to send people seeking for the Holy Ghost. It ought to do something more than it's a doing.*

Is the Word seed falling upon stony ground?** Ladies, what's the answer? Brethren, church, what's the answer? **What more can God do? He never promised another thing. You'll never see nothing no greater than the Presence of Jesus Christ working in His church, performing the things that He promised to do...

And He's here to do it. And he said you can't receive anything greater than that.

Oh, my, you will never see no greater than what He is doing right now in His church. I was talking to a friend the other night and I said we should all write down everything that we have witnessed that God has done, and we, each of us, would have a book bigger than the Bible if we could just wright down all the time, we have seen the arm of God interceding for us on a daily basis.

He is real, He is a reality, and He has proven it to us time and time again, we have just got to open our eyes to what He is doing, and His word will become more than a reality to us. Oh, if I were to write in a book all the healings, and all the times I have witnessed Him change the weather and stop storms and lower temperatures, and redirect storms etc.

It would just boggle the mind, but then add every time God stepped on the scene to redirect my car to avoid an accident, or prevent me from being sick, it would be like John said, "if all the world were parchment and all the oceans were ink, there would not be enough words to describe what He has done in our lives."

And finally, from **Wisdom verses Faith 62-0401 P:105** *Now, but the Word seed of the Bible can't grow in such ground as that. **How could a person go into one of those modern churches now, the Spirit of God would come upon them, and they want to holler, "Glory to God! Hallelujah."**; you know what? **Why you'd make the preacher swallow his sermon!***

I will just leave you with what he said. How could you go into one of them churches anyhow, where the Spirit of God is so void, that it would be like going into a funeral home or a morgue. Don't you ever be caught doing that. I can't even stand to

listen to them on the radio or on the internet. Or at the volleyball games. All right? They learn to shout because you know what, the shout is what, the message or what Pentecost will do. Is what Pentecost does when they teach at a young age. If they are not quoting the prophet, they have nothing to say.

Let's just bow our heads. Our gracious Father, we thank You for the sermon. We know it's kind of simple today, but we're just taking Your Words from Your prophet and kind of expounding on them. And so Lord, we just pray that You would add to them and touch our lives in Jesus Name we pray.

Amen.
