

Satan's Eden no 128
Questions For Ministers Meeting September 2023
September 24, 2023
Brian Kocourek, Pastor

Let's bow our heads in prayer.

Dear gracious Father, we are so thankful, Lord, that You are here. And Father, we believe, Lord, that we're coming to the conclusion of all things. Now Lord, be it done according to Thy will.

In Jesus Christ Name we pray. Amen.

You may be seated.

Now we're going to go over the questions and answers from yesterday, from the minister's meeting and for you who are listening online. The sound is very low. It's like I'm down the well or like our song leader was down in the well. And I don't know if it's a problem we're having here or if it's a problem with the Christian World Broadcasting System. So, I sent them an e-mail for their help, somebody must have flipped the switch, because I'm sounding like about 95% speed.

So anyway, these are the questions that we had from our minister's meeting yesterday. And there was one question in particular I was really proud of, because the brothers found a golden nugget that shows us exactly what's happening in this hour.

Question No. 1: In the sermon, **Satan's Eden no 5**, preached in Hickory North Carolina, you said during your prayer *"believe that the Shout actually, there's coming a time when the Shout actually, blends into the voice, the resurrection will begin"*,

My question is what did you mean by *"the Shout **blends** into the Voice."*?

Answers no 1: Just Like William Branham said, *"time is blending with Eternity"*, we can say the same about the Message, which is the Shout, blending with Resurrection Season, which is the Voice of **1 Thessalonians 4**. Just look at the focus of the Bride and all she is thinking, all her thoughts are aligning with the getting ready for the manifestation of that word Seed, and the resurrection season.

We are here. The blending is already taking place.

Question no 2: In **Uniting time and sign 63-0818 P:58**, Brother Branham says, *"Notice, they're right now uniting. You say, "Brother Branham, is that true?" They're coming to the battle of Armageddon; exactly what they will do. See? And they're uniting for that right now. That's why we got the U.N. and*

everything we have. **The Western World's uniting against the Eastern World**, Communism and so forth; it's all uniting together”.

Notice, that he said **“The Western World's uniting against the Eastern World”** ..., is it what's taking place in Ukraine?

Answer no 2: Yes, it seems right now, the world is being split down the middle between the superpowers of the Western world and the Eastern world, which seem to be becoming against each other. They even have established a EEF as in Eastern economic Forum to fight against the WEF. It is not just Russia, but China, India, Brazil, South Africa, along with countries like Saudi Arabia, from the Middle East along with other countries from the Middle East and most of the African countries have joined the BRICS nations. It looks more than ever to be East vs West like Brother Branham warned us about. They now have formed the EEF to combat the WEF.

So, we're there. I mean you see it in the papers, you see it on-line. I have just something to show you.

This is a picture of their building. So, it looks like an UN type of building, but it's actually the EEF building. Well, we've all heard about the WEF for years and years and years. But now we're seeing that they're also have an EEF. So, I think it's interesting, because Brother Branham said the Western world's uniting against the Eastern world and there it is right in front of our faces. The seed has become manifested. So, then we see all the African nations that are, in east versus West, like Brother Branham warned us about. We used to say nation against nation, kind of lump it into that category, but now we can actually lump it into his category, East versus West. And here we are.

The following link shows a website hosting information about the [Eastern Economic Forum](#), I am unsure if this is the official site or just a proxy site.

The following Forum is organized by the Russian government agency Roscongress.

forumvostok.ru. Eastern Economic Forum (Russian: Восточный экономический форум or ВЭФ) is an international forum held each year in Vladivostok, Russia, for the purpose of encouraging foreign investment in the Russian Far East. Prime Minister of Malaysia Mahathir Mohamad, President ... [Wikipedia](#)

I have tried several times to send a picture of their HQ to myself, but it would not make it. I don't know if it is being deleted on purpose, but I never got it to show you. It's a WEPF file.

Question no 3: 1 According to **John 5:19**, are we also supposed to have visions before doing anything, as in the church leadership?

Answer no 3: Well, first of all, not everyone is called to have visions nor is even made to have visions. But God's prophet was a type of His son who certainly did. He told us that when you have a vision your sub conscience never sleeps, but when you have a dream when you are asleep, because your sub conscience is separate from your conscience, but with a prophet the conscience and sub conscience are together.

We have seen His star 63-1216 P:30 *Now, we find also, in this, that when a man is born to be a seer, or see visions, **you have to be called of that, by God.** Notice, here is your sub conscience natural, and here is your first conscience. Now, you have to go out of your senses, five senses, into sleep to go into the sub conscience, then come back to it. That's a dream. But a seer, both consciences are right together. You don't go out of these five senses; you're still in the five senses, stand right straight and look what's taking place. See, you never leave your senses. You're right there, know where you're at and what you're doing, speaking your words. Now, **that is a predestinated gift. "Gifts and callings are without repentance."** See, **God does that. You do not go to sleep; you're standing with both eyes open, looking right straight and seeing what you're looking at.** See? And what a vision is, is of God, of course.*

Now I remember in Uganda in 2006, and I've told you the story many times, that I went to sit down, and the Lord spoke to me and said, what are you sitting for? Have not I called you to preach? So I said, yes Sir.

And He said, then go take charge of the meeting. Well, of course, I'm just a human being. And we had a huge storm. And I didn't know how to take charge of the meeting. So, I stood up in obedience to what He's telling me. And I took a step toward the pulpit. I was about as far as the wall is away from here and I was sitting on a bench. And so, my first step, all of a sudden, I saw like a 30 second vision. I called it a mental vision because my eyes were open.

I could see the pulpit and everything, but I could also see this enactment taking place, of Jesus in the boat and it started to rain, and the apostle were getting scared, and it was like the whole scene was played out before me. I can only say it's like when you're a kid and you're sitting in school, and you have a Daydream. You have all had a Daydream. In your Daydream, you're out in the field, you're playing and you're ignoring what's going on in the classroom even though you can see it. Well, that's kind of the way it was for me. So I said, that it was a mental vision, but perhaps it was a vision, I don't know.

Anyway, then my second step I took, I saw Brother Branham running around

the tree. I saw the squirrel chirping at him, and Brother Branham had just stopped the storm in Colorado. And these were both about like 30 to 45 second visions, but they were, like encapsulated. It's like I just saw them instantly and because taking one step and then another takes you about a second, but yet they were like 30 seconds of time, and yet they were encapsulated into, it's like they compressed it. Like in your computer if you send a big file, you have to compress it in order for the people to receive it. Well, that's the way those mental visions were.

They were like compressed and yet my eyes are open. I saw them, but I didn't understand it, so I just put it off to a mental vision. Well Brother Branham saying, when you dream you go to sleep, but when you see a vision, the subconscious and the conscious come together. Now I can honestly say I haven't had a lot of these happen to me, so I can't say what it was. But I prefer to say it was a mental vision that God somehow gave to me. Like He downloaded to this little thing here, even though it's rusting. You know it wasn't rusting back then. But anyway, so He downloaded His Thoughts to me and so I took His Thoughts and I proceeded to the pulpit.

And also, from his sermon **Events made clear by prophecy 65-0801E P:46** *Now, God knew that them men was so puffed up and so full of theology that they thought they had everything right. **They had never noticed the Word for the hour.** See? So God said, "You will succeed; go on down." And when Micaiah said that, that made them prophesying under an evil spirit. They'd have jerked the plug out of the telephone, or turned off the radio, or done anything, they heard that coming against them, got up and walked out. But look what happened. Now, **Micaiah had to check his vision with the written Word;** therefore, he knowed. He said, "When I come... Put that man in prison; give him waters of sorrow and bread of sorrow. When I return, I'll deal with him." He said, "If you come back at all, God never spoke to me." **That's when he knows his vision is exactly with every Word for that hour.** It was Ahab's time. Brother, sister, this is the hour and the time of the calling out of Babylon. The evening Lights are here. **Walk in the Light while it is Light.** Notice, **the believers saw the Word manifested and believed It.** Jesus said, "My sheep know My Voice, My Word, My signs of the age. A false one they'll not follow."*

So, notice this is God's book (Bible) of visions, all right? And we don't have to have a physical vision. We can see what's happening here. Now the thing is, Brother Branham had written down in the flyleaf of his Bible that a boy was going to die and he'd be raised from the dead in a foreign country. He didn't even know where it was at. But when he was over in Finland, the scene played out. A boy was killed in a car accident. They stopped their car. There were the police along the side of the road. There were Russian soldiers alongside of the road and Brother Branham said, check your flyleaf. I think this might be the

vision.

They checked it with the vision and sure enough it was written down. They checked it with the written word, and it manifested in front of them. Then they knew this is that. Well, the same thing with His Word. We see things happening in the world. We know there's 82 events that took place from the 86, during the Parousia. And we're able to check it with the book of Vision. All right, Jesus, told us those things would happen. So, it's not that you may have a vision, but you have this (The Bible). And we don't do anything unless the Father shows us first, just like Jesus.

So not every believer is meant to have a vision but everyone who is a genuine believer will take everything including dreams and visions back to the Word to check it with the Word, for that is our absolute. And Brother Branham said to have a vision you have to be made a special way that your conscience and sub conscience comes together, whereas most people go to sleep first and then God deals with their sub conscience. As I told you about many of the dreams that Brother Don had, those were from God, because they've come to pass.

*19 Then answered Jesus and said unto them, Verily, verily, I say unto you, **The Son can do nothing of himself, but what he seeth the Father do: for what things soever he doeth, these also doeth the Son likewise.** 20 For the Father loveth the Son, and sheweth him all things that himself doeth: and he will shew him greater works than these, that ye may marvel.*

Acts 2:17** And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and **your young men shall see visions, and your old men shall dream dreams:

Now here's the question for you. It says your sons and your daughters shall prophesy. That means preach.

So the Pentecostal's going to say, well see, we're women, it's His daughters who preached.

Now, that is not all your young men, not all young women, just the ones with the gift of God, but everyone can have dreams but not all people do have dreams.

We see this also in ***Joel 2:28** And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy,* (Preach, so they will, and do preach, but we know that women are commanded not to preach, so even though they may be gifted to do so, they are out of God's will, to do so. You see they are tested to see whether they will

be led by a gift or led by God's Word, just like Balaam was.)
(Balaam had the vision, but he was off the Word.)

So, your old men shall dream dreams, your young men shall see visions:

Patmos vision 60-1204E P:98 O glory to God. "I'll pour out of My Spirit upon all flesh, and your sons and daughters shall prophesy; your young men shall see visions, your old men shall dream dreams." Hallelujah. **Sometimes He has to put you to sleep so He can look through you, but He'll sure show you many times.** "Your young men shall see visions; your old men shall dream dreams; upon My hands maids and maidservant will I pour out of My Spirit. Not upon My deacons and pastors, and upon My... Upon whosoever will, upon all flesh, I'll pour out My Spirit." You wonder why I scream that out, but it's coming in these church ages.

So, the promise of receiving His Spirit is for all children, but we know all won't receive it. However, those who do, His visions he said, sometimes God has to put you to sleep to see the things He has for you to see. That is called a night vision. I have met many Christians who have received many such visions from God. Very rarely is one made up in such a way as to see it, when he is wide awake, like a prophet.

Question no 4: CAB: THE PHILADELPHIAN.CHURCH.AGE P:88 ... The ecumenical move that has started on what seems such a beautiful and blessed principle (fulfilling Christ's prayer that we all might be one) becomes so strong politically that she **bears pressure upon the government** to cause all to join with her either directly or through adherence to principles enacted into law so that no people will be recognized as actual churches unless under direct or indirect domination of this council. **Little groups will lose charters, privileges, etc., until they lose all property and spiritual rights with the people.**

So, Question no 4: According to this quote, will the Bride go through this pressure before the Rapture, not buying or selling without this mark?

Answer no 4: I believe we are already seeing this around the world. Even to this day, brothers can't have a meeting or have some guest speaker come, unless he is pre-approved by the state government. In Congo DRC that was the case when I was invited. My passport was pre-approved by the Secretary of State and in Gabon they had to get a large church approved by the state to sign off for the meetings. I had was not aware of this until after this was done.

In his sermon **Jezebel religion 61-0319 P:64** "Certainly, nobody's going to stop her now, because **what they couldn't get in the religious circles, they cut it all into politics**, and there they done it.

So where did they do it? He said in Politics. Though the Catholic church is a religious organization, she will bring her power into politics, and then the optics will become clear.

*“Uh-huh, that's exactly what they done. **Which the political will be a boycott** (and what is a boycott? It's a cancel culture) **just exactly back to the mark of the beast, as sure as I'm standing here. See? And the Bible said it.**”*

See, so what is a boycott? It's nothing but “**cancel culture**”. And the world is full of **cancel culture** today which is nothing short of boycotts.

Alright, so we're already seeing those things taking place.

Question no 5: In most countries, there is a separation of power between Church and State.

Let me just stop here for a minute. Let me just say this. I believe with all my heart that what took place with the masking, the social distancing the people, having to take a certain thing, because they were mandated by their government to do so. I believe that was a test run for the actual mark, which will come when all the countries in the world go to a cryptocurrency, and they'll use your social scoring to whether to allow you to have access to your money or not. That's the real proof in the pudding.

That's exactly what the Bible says, and it'll come and I'm going to show you how it comes.

Question no 5: In most countries, there is a separation of power between Church and State. How will these denominational churches put pressure on governments?

Answer no 5: They are using the political powers to do their bidding for them. Remember, Brother Branham said, they couldn't get it done through religion, so they turned to politics.

Jezebel religion 61-0319 P:64“*Certainly, nobody's going to stop her now, because what they couldn't get in the religious circles, **they cut it all into politics**, and there they done it.*”

Now, what is the access? How do they do this? You ask yourself. Has the Council of Churches made a mandate to Congress that they're going to do this. They're using the unions. Let me just read it here.

So where did they do it? He said in Politics. Though the Catholic church is a religious organization, she will bring her power into politics and into the Unions. And then the optics will become clear. Like he said in California, where the Catholic church back in 1965 was telling the unions what to do. And the Unions told the city what it should do.

Leadership 65-1207 P:76 *A businessman setting here, telling me right here in California, the labor union what to do. See, it's coming church and state again. It's right on you there, and you take the mark of the beast not knowing it.*

That's why he told us to get out of those unions. You see, there's got to be a call to do that.

Question no 6: The First Seal 63-0318 P:156... *Why did Communism raise up over here, it made me sick at my stomach to hear so many preachers hollering about Communism, and that's what they're crowing about. P:174 ... What made Communism rise in Russia? Because of the impact of the war and the rest of them.*

In other words, Brother Branham is saying here, don't you worry about communism. It'll do what it has to do. You can't stop it, but it's the Catholic Church that's doing the greater damage.

In your sermon The World Council of Churches, Pt 3, you showed that **communism does not come from the USA and Europe, and that LGBT is a communist plot to destroy America**. Could you shed more light on "how communism came from Russia"?

Answer no 6: You must not look at Communism in the 40-60's in the light of what it has become. Communism in Russia ended on **November 9, 1989**, when the Berlin Wall came down. That was done by the Protestants as Brother Branham prophesied would happen.

Blasphemous Names 62-1104M P:79 *This woman, this woman, her power... And you see, the Catholic has their big to-do going on in the Vatican now, over there to where these bishops and so forth, they're trying to come to an agreement to fight communism and only joining up with Catholicism.*

That was what Pope John Paul II did when he eventually went to Poland and uniting with Lech Walesa, and took down Communism in Russia.

63-1129 The Super Sign V-17 N-7 Friday 77 *Churches today wanting their super denomination, long time, Methodists take all, Baptists take all. Then the Pentecostal come in the race, they take all. So, they find out, a little scattered group, they can't do it. But put them together, (together like communism unites the people, just like Catholicism is called universal church.) How do we put them together! Put us together, we'll do it then. **We'll run communism out in the ocean.**" Well, they did that to Russian communism, but not to the Chinese form of communism, which is still in the States.*

Lech Walesa & Pope John Paul II

But notice what he says next in paragraph **78** *Not knowing that God raised up communis big word for a preacher to say. But I get so sick of hearing this, "Communism! Communis communism. But **the hour you're living in, you don't know nothing about it.** Don't you that? The same, as He started, raise up Nebuchadnezzar to destroy Israel, because they Bible plainly teaches that, **and this is the hour for it to happen.***

So, you're not going to get away. You're not going to destroy communism altogether, is w It's actually meant for purpose.

So, you see, even though God's prophet prophesied that the Catholic church would join w take down Russian communism, yet it was so inter-twined in America it still exists today to

So, in this next quote we see they are uniting to do it, then he says, but Communism will ho how he says it, it's simply prophetic.

53-0325 ISRAEL.AND.THE.CHURCH.1 IC 1-34 WEDNESDAY 166 *The churches of Chr (that is present tense) confederating with all their churches, and they're going to have a (future tense like in the 1980's) **shut out to fight Communism, which will (This is future Francis) hook up with Catholicism, with the Protestant church and the Catholic interdenominations who stand out for the truth, and get away from that dogma persecuted.** The mark of the beast, the Seal of God, the showdown will soon come. An there, you'll be deceived as sure as the world, 'cause it'll look so nice.*

This pope comes off really sweet and tender. Talks like a little baby, like you talk to your words. That's the way this Pope talks. He's making fun of you.

From his sermon **QA Image of the Beast 54-0515 P:18** Brother Branham said, "And C was not no antichrist that Jesus spoke of. Communism is not a nation like Russia; (So, c when you think of communism. It's a spirit, he says.)

*Communism is a spirit. **America is eaten up with it. It's in the churches; it's in the pe in everywhere (Communism, the spirit of it). It's in schools; it's in homes, everyw organized this church which was contrary...***

So, God has already took down the Russian version of communism, that is a prophecy have now, is the Catholic Church uniting with the Chinese version of communism, which States and the Western world. And look how China version took over technology to technology is controlling everything worldwide.

53-1129E TESTIMONY E-13 *When **communism goes to forcing you** right hard, don't worry, **you'll come together.** God has a way of doing things. See?*

54-0401 God's Preparation E-37 *I said, "Cut out all this vulgarity on the television, and all this other kind of stuff like that, and get **that communistic spirit started to moving, and it'll move.** But as long as the kids has got it*

*in them, drilled in them; see it at home, see it among their father and mother, walk down to school and act impudent and everything like that... How can one church do it? Brother, you're putting them into a... **Communism is a spirit, not just a nation; it's a spirit. And the spirit's what's worming into America. It's worming into the churches; it's worming into the schools; it's worming into the individual. And communism is the thing that's breaking it down. Watch these high-headed, haughty Americans, and you see whether Communism has got them or not. Why, they're rooted as deep as Russia is right now. That's right. It's a... Don't never fear about the robin that pecks on the apple hurting it. It isn't the robin peck on the apple that hurts it: it's the worm at the core that gets the apple. That's right. Don't think about Russia coming in and hurting us; it's our own... The spirit of communism big headed, heady, high-minded lovers of pleasure; forsaking God, making fun of the Holy Spirit, that's what's ruining us. That's what's a hurting us: the worm at the core. That's where it's at. Amen.***

So don't worry about Russia. He always said, get your eyes off of Russia. It's the purple curtain.

Question no 7: Hebrews 2:4 God also bearing them witness, both with signs and wonders, and with divers miracles, and gifts of the Holy Ghost, according to his own will?

According to the Bible, only miracles can testify of the Presence of God, and the vindication of a ministry? As many today, are running after signs and things?

Answer no 7: This is more a statement than a question, but I agree that many are running after signs, but they can't see the manifestation of the Word itself.

Brother Branham said **64-0614M - "The Unveiling Of God" 243** *So now we are invited into Him, to be partakers of all that He is. We're invited into Him, which is hid to unbelievers, by the veil of human flesh. See? **They know that Glory, they read of It, It's in the Word here, "the Glory of God" and things like that, it's just a word to them. To us, it's a manifestation! See? It is no more a word; it's a reality!** Amen!*

So that's why you and your neighbor can read the same passages in the Bible, and you see one thing, they see another.

Trying to do God a service 65-0718M P:22 *Now, **He reveals His Word only in Its season.** Martin Luther read the same Bible we did. Wesley read the same Bible Martin Luther did. **Pentecostals read the same Bible we read. Jesus read the same Bible that the Pharisees read, but they had... Trying to keep***

*the corn in an early stage when it was ripening, they failed to see their hour. Now, David has done the same thing here. **God reveals this Word in the season and to whom He chooses to reveal It to. God chooses who He reveals It to.** He chose that before the foundation of the world. All of His doings were foreknown by Him, hidden from man; **He just reveals them as He will. It is His chosen season, His chosen person** (Glory to God, we can be thankful for that.)*

And He never did choose a party or sect; it's a chosen person. How He does it...

The Indictment 63-0707M P:116 *You poor intellectual, spiritual deprived, rejected upon your own grounds, **you read the same Bible that any other man can read; but you've turned down the Spirit of God, till the Bible said you'd be given over to a strong delusion to believe a lie and be damned by it.** You actually believe that you're right, and the Bible says that you'd believe it and be damned by the same lie that you believe to be the truth.*

Now here's something I want you to think about. When did Eve commit Adultery? When she did the physical act, or when she turned down the advice from her husband, and she listened to another man. You see, the word is a seed. Satan went forth sowing a seed. The Son of Man went forth sowing a seed first, and that seed He sowed was the word. The seed Satan sowed to Eve was the word. Thou shalt not surely die. She listened to that lie of a man, instead to her husband. God had never told her, the day you eat, the day you die. Read your Bible. He told Adam before Eve was on the scene. And when Adam told her, she's got to think in her mind. Do I listen to this man, that I'm married to? Or do I listen to this big handsome, strong looking fellow? I think I'll listen to him.

So, when he interjected, he said, God didn't really say that. She's doubting in her mind, because she didn't hear it from God. She heard it from her husband, and he heard it from God. He was a prophet of the hour, which we don't really call him a prophet, because we don't consider, until we get into, like Isaac and Jacob and Abraham. But he was a prophet. God spoke to him. He spoke that same word to his wife. She didn't take it from him, meaning she rejected God, in favor of listened to, I'll call him a denominational preacher, what he had to say. In other words, my husband's not good enough.

Listen, everything your husband tells you, take it to the Word. If it's in the Word. You believe it. If it's not, you don't act on it. Like if another man says, I think it should be done this way, and your husband says no, I want it done this way. Don't say to your husband, now I'm going to take his way. You take your husband's way. That's how it's supposed to be. But she took the serpent's way. She said, oh, he's good looking. I'll try his way. I will produce what God has

promised. And God said, no, that's where you die. All right.

Adam heard it from God Himself. But the wife wasn't even created then. She was in him as far as being part of his flesh, but she was not given a body and separated at the time. So, she really didn't hear it from God. She heard it from God's messenger, which was her husband. All right. So, she committed adultery based on a word, which manifested in the act, in the spiritual act. Because you are, as a man thinketh in his heart, so is he, that out of the heart, the mouth speaks. So, it comes up from here, and the act then becomes manifest.

Sardisean Church Age 60-1209 P:67 *They read the same Bible that we read. See? But they just didn't take all of it, because it wasn't revealed to them. It wasn't for their age. That's the reason that they'll come forth in the resurrection. They walked in what Light they had to walk in, so they'll come forth.*

In other words, we have people, loved ones, etcetera, that lived in another age. They might not understand what you understand today, but they lived according to what understanding they had. Then they'll come up.

Question no 8: Brother Brian, the Bible tells us in **1Thessalonians 4:16-17** about Saints who will resurrect to unite with the living and Brother Branham says that when we will resurrect, we will return to the initial state. Now my question is, when will they resurrect, what Body will they have, so that only us, we'll see them?

Well, let's just look at what Apostle Paul says, because he's our absolute and Brother Branham preached from Paul. Brother Branham didn't say that they would come in their initial state. He said, they'll come up as they went down, but we don't know what he meant by that.

Answer no 8: The Apostle Paul said in **1 Corinthians 15:42**, ***So also is the resurrection of the dead. It is sown in corruption; it is raised in incorruption: 43 It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power: 44 It is sown a natural body; it is raised a spiritual body. There is a natural body, and there is a spiritual body.*** (So, it appears they come up in the body they have in the 6th dimension that they have right now, but in the Tent, they receive their glorified bodies.)

In other words, they will receive the minerals from the ground to come together, with that state they're in right now. They will have a glorified body because the Word glorified is Endoxazo. So, in other words, the Word will be in that body.

45 And so it is written, *The first man Adam was made a living soul; the last Adam was made a quickening spirit. 46* Howbeit that was not first which is spiritual, **but that which is natural; and afterward that which is spiritual. 47** *The first man is of the earth, earthy: the second man is the Lord from heaven.*

See, they won't come up as Brother Branham said. It won't be a patched up old body. You know, you won't come up missing limbs. You won't come up with patches on your body, so that you can make it. You're going to come up in your sixth-dimension body and then get a glorified body. I believe in the tent. That's why the people were shouting, because now that spiritual body had been clothed with immortality. And that's what the Bible says.

48 *As is the earthy, such are they also that are earthy: and as is the heavenly, such are they also that are heavenly. 49* And as we have borne the image of the earthy, **we shall also bear the image of the heavenly. 50** *Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; (So there's no way.) neither doth corruption inherit incorruption. 51* Behold, I shew you a mystery; *We shall not all sleep, but we shall all be changed, 52* **In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and** (a conjunction, and then) **we shall be changed.**

So, we raise up incorruptible. What's that? The Spirit body is incorruptible. Then we get our glorified body.

53 *For this corruptible must put on incorruption, and this mortal must put on immortality. 54* **So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory.**

So, I think that puts to rest any thoughts. If I lose an arm, am I going to come up that way? Are the people going to come up all maimed and being old in a resurrected body? No. They're in their 6th dimension right now. They're immortal because it was in the mind of God before the foundation of the world. They have it, but it'll be joined together with elements, and I don't know what elements, because I know that flesh and blood will not inherit the Kingdom. So, we're not going to have flesh and blood. So, it's going to be a body. It'll be able to eat and things like that, and we'll enjoy it.

Question no 9: Brother Branham says, there is no eternal hell, that's what I believe; but how can I explain it to people, just using scriptures?

Answer to no 9: Tell them that in order to have eternal hell they must have eternal life to live there, and since there is only one form of Eternal Life, they would have to have God's own eternal life to live eternally, so that is an error.

QA on the Seals 63-0324M P:90 *14b... is the lake of fire and hell eternal? **No, sir. No, sir. Anything that was created is not eternal. No, anything that's created... That's the reason there cannot be an eternal hell.** If anybody ever tells you that you're going to burn in an eternal hell, I want the Scripture for it. See? There's no such a thing as that. **Hell was created for the devil and his angels,** for the antichrist and his people; that was the devil, the incarnate devil.*

What does that mean? Incarnate devil? In other words, he's going to have a body to burn in. It's not just the spirit burning. You understand what I mean? Because it wouldn't hurt a spirit, but he's going to be in a body to burn in.

*It was created for that to destroy. And anything that had, Anything, **There's only one thing at all out of everything there is, the whole world and everything else; there's only one thing eternal, and that's God.***

The First Seal 63-0318 P:103 *How you got a eternal hell in there then? See, it's the last days when these things are being revealed. **There's no place in the Bible says hell is eternal. To be in a eternal hell, you'd have to have Eternal Life to stay there. There's only one form of Eternal Life,** and that's what we're struggling for. Everything had a beginning has an end. Hell was created for the Devil and his angels, and will be consumed and done away with.*

Question no 10: Has the 7 thunders been revealed? If so, what are they talking about exactly? Can we have a list of these few points? If this is found in the book of 7 Seals, then what are they talking about? I really want to know, If the 7 thunders have not been revealed should we wait for the interpretation of it, during the prophet's resurrection ministry?

Answer no 10: Brother Branham said in the Seals that each time a seal was opened, it thundered.

In other words, that ripping sound is, when you pull back like Velcro, you know you pull back Velcro, it rips. Or when you open up a seal, you rip off the seal from the document. That's the Thunder, he says.

Every time it opened, it thundered.

**That was the ripping sound,
when each seal was opened.**

From **Questions and answers COD 64-0830E P:49** 395. Brother Branham was asked this same question, and said, *"Have the seven thunders which*

*equals seven mysteries already been revealed? **Were they revealed in the seven Seals, but are yet not known to us as the thunders yet? No, they were revealed in the seven Seals; that's what the thunders was about. They was to reveal...***

So that should end all the speculation, should drive that doctrine right down the pits of hell where it came from.

Unveiling of God 64-0614M P:137 Said, "If with your experience that the Lord has given you for His people," humbly saying this, said, "you'd be eligible to write-a Bible yourself, your Word that God has manifested." I said, "That might be true." See, he was trying to catch me. See? And I said, "But, you see, I couldn't do that." He said, "Why couldn't? You have all the qualifications." I said, "But, you look, **one word cannot be added or taken away.**" See? And he said, "Well then, **them seven thunders** (You, see?)," said, "wouldn't them seven thunders blasting out, won't that be a revelation be give to some man?" I said, "**No, sir, it would be adding something to it or taking something from it.**" **It's all revealed in there, and the seven seals opened up the revelation of what that was**

There you go. So, it's not going to be a group of men coming along saying, well, I got a Thunder, and you got a Thunder, and together we'll have thunders. It's not even Brother Branham coming back to the resurrection and adding to it, the words already been preached.

So, you see that doctrine of the seven Thunders has not passed the Word test, and furthermore they believe that seven brothers will come with the seven thunders. That is wrong from the very start, because God never uses a group of men, he uses one man.

And if that one man, Apostle Paul said, comes from heaven even, and adds one thing to what he said, guess what? He's cursed. So, it's got to be. Let's go back to our Bibles.

Sign of this time 63-1113 P:25 God at no time ever dealt with any organization. Find it in the history. He always deals with **one individual, never a group: one individual.** We find in history that when great men raised up, the Lord sent them on the scene, and when they passed away, they had an organization behind them.

So, they are just way off the Word on this to begin with.

Question no 11: If the 7 thunders were revealed in the opening of the 7 seals, does the Bride have access to the life of Faith of the 7 thunders?

Answer no 11: And the answer is Yes, it's already been revealed.

Let's bow our heads in prayer.

Gracious Father, we thank you, Lord, for Your Word. And I know it's kind of tough, but, Lord, we just say what You said and it's good enough for us.

So, in Jesus Christ Name, we just commit this word to Thee and to Your people in Jesus Name.

Amen.
