

Satan's Eden No. 140
Watering the Seed Thoughts in Your Mind
The Seed Life pt 8

December 3, 2023, Morning
Brian Kocourek

Amen, Let's bow our heads in a word of prayer this morning.
Dear gracious Father, we are so thankful, Lord, that You are here with us.

And Father, we just pray that we would get ourselves ready for the going home and this life has really nothing left for us. And you know, we may be young, we may be old, but Lord, we know that one thing for sure, the encroachment of the world is upon us. And so, Lord, that the foods that we eat, he can't go to a fast food restaurant anymore, because there's a product in it, leftover from the animals that will actually 'cause their bodies to rot.

So Lord, we just pray that You would help us, because You said that unless you shorten the days, no life would be safe. So thank You, Lord, for this Word that we are studying. It's helping us to prepare ourselves. In Jesus name we pray. Amen.
You may be seated.

Good to see you. So this morning we're going to look at the seed life that lays within your mind, actually the watering of your mind, but the seed life that lays within.

This Morning we will study the thoughts that brother Branham is laying out for us in paragraph **124** of **62-0318 The Spoken Word is the original Seed, 124 Jesus is the Word of God, and He was bursted open, that Life, the Life that's inside the Seed, that this Life, which, is Spirit, Water flowing over, the Spirit over the Seed of God will bring forth the Life of the Seed.**

Now I want to focus on that last thought, that the watering of God's Spirit upon the seed will bring forth the life that lays within the seed.

*And to bring forth something else, there's some other kind of seed there then. Amen. Do you understand? **If the Spirit of God comes forth to water the Seed, if it's the Seed it's watering, it'll produce the Life of the Seed.***

And that's very important to know. It's going to produce. Jesus said by the fruits you should know them.

*That clear? **Produce the Life of the Seed**, for that's what It's given for.*

Now, you all ought to be shouting Amen, because if you are a son of God and have Son of God's seed, it's actually going to produce itself, and that ought to get you very excited.

Now, God also identifies Himself By His Characteristics. But most everything is identified by its characteristics. Now, a characteristic of anything identifies what it is. Like in all of nature; flowers are identified by their characteristic. You know, there's a difference between a rose and a Tulip. There's a difference between a Tulip and a Daisy. If they're close together, of one species to another, the characteristic of that flower will identify what flower it is.

So in hunting, I'm going to say this to Eli. If he's around, he got his first buck the other day, actually with his vicariously.

In hunting you have to know the characteristics of the animal you're hunting, or you can be deceived. If you don't know the difference when you were tracking a sheep, or tracking a deer, you couldn't tell the difference unless you were a very smart hunter, because both the deer and the stone sheep make the same kind of tracks, and they bound when they run away.

And when you see one standing at a distance with his head hidden, you would hardly know the difference. They're about the same size across the backside, and both are white, just like the deer. It'd be hard to tell them apart. But the horns identify their characteristics. The sheep has a horn that's round, and a deer has prongs that run out. So, one large one's not so large.

Another thing that sets them apart is that deer won't go as high up the mountain to feed, as sheep. And in a goat and a sheep, there is a characteristic that you'd have to know in order to know the difference in them when you are up high in the mountain, because they both dwell high in the mountain. You have to know the differences.

But if you notice, a goat stumbles as he walks, where a sheep sets his feet down as he walks. That is the characteristic of the way he makes his track. Therefore, you identify your game by the characteristics of

what it does, and how it acts, and what it feeds on, etc. Animals identify themselves by their characteristics.

Birds are the same way, though they may look alike, you watch how they fly, and the pattern of flight they take, and that indicates what type of bird it is. The yellow hammers, or Flicker and a jaybird are both yellow and look alike and about the same size. Unless you see the two flying, they appear to be about the same kind of bird. You can look out of your feeder, and if they're sitting in the feeder you don't know the difference.

If you can't see the color, but just watch them, you can tell which is the yellow hammer. The jaybird flies more or less in a beeline, but the yellow hammer, as he flaps his wings, he goes down and then up, down and then up. (Brother Brian demonstrates how each bird flies.) That's one of the characteristics of the yellow hammer, the way he flies.

They can be identified by their characteristic in flying, of which bird they are. Therefore, if you just heard them, you can't tell. But watch them a while and they will give themselves away by the characteristic of their flight, or their feeding habits.

Now, I used to hunt when I lived in Minnesota, and I can remember the difference between the flight patterns of a pheasant, a quail, and a grouse. One takes off low and rises slowly the other takes off and heads up high very fast. The quail goes right up to the top of the trees. They are known by their flight characteristics.

Now, as for men and women, although both are human, yet they are very different in their makeup and characteristics. Why is color for a woman so important? But it's not for a man? I mean, most people I've seen that were color-blind were men. Why do their shoes, purse, and hat all have to match their dress?

Show me a man that takes the time to match his clothing, I show you either a hen-packed man or I will show you a man that is missing a chromosome. Women know what clothes must be worn for each occasion, whereas men just think red is nice, pink is nice, so dear why not wear them together? And you probably would never do it.

And if you sisters expect your husband to be interested in helping you to pick out curtains, forget it. Men have no opinions about curtains. Women pick out curtains for the effect, the mood, the ambiance, the color, etc.

but men look for how much light they can block out so they can get an extra hour of sleep. So, they're just differences between us.

And speaking of sleep, for men, 2 am is time for sleeping, not for discussions about whether you didn't do something right 8 weeks ago. You know what puzzles me is that men go through life seeming to have Alzheimer's disease, because we do not remember details because we do not pay attention to details. I'm sorry, but the wife says, oh, you did this. I'm not saying she's doing it. I'm just saying in general, the wife will say you did this, at a certain time. And you go, when? Because we do not remember details because we do not pay attention to details, and yet statistics show that the majority of Alzheimer's deaths are women. So why is it that women get it but men don't or they do, but it's very rare.

And concerning clothes, men buy shoes and pants for comfort and fit. Women don't buy them for comfort and fit. I mean, you can't wear a pair of high heel shoes and say it's comfortable and you can't pour yourself into some of the clothes that women do and say that they're comfortable either.

So men buy them for comfort. I mean, I would prefer a pair of bagging jeans or loose-fitting jeans over ones that are real tight-fitting.

And as for color, men's colors, and black, brown, and blue. Talk about drab, right? And a man can pick out and buy a pair of shoes in 90 seconds over the internet. You say you can do that. I don't think so.

Women's colors would take too long to name, and I lost track of how long it takes them to pick out a pair of shoes. That's why I don't go shopping with my wife for clothes. I mean I do go shopping sometimes. I actually in the last 10 years have been better than the 1st 20 years but because I didn't understand these things. So now I go shopping. I said I'll sit in the car, you can go in, but before, I used to go in and then stand in line and I remember my wife being in the changing room.

The last time I did, I waited and waited and waited and so I struck up a conversation with another guy waiting, and I asked him, why do people put spikes in their noses and tongues, and he opened his mouth and showed me his 16 penny nail through his tongue, and I scolded him right there on the spot.

I just said, what in the world would you do that for? He said, well, it's something to do.

That's why I don't go shopping with my wife to buy clothes. I get myself in trouble. But women can recall every outfit they have worn for the past two decades. Men cannot remember what they were wearing yesterday without looking on the floor next to the bed.

When a woman looks for a car, she is not interested in what's under the hood, what she's interested in is what colors does it come in? And men can drive without having to look at themselves in the mirror. In other words, men don't do it.

Women, though, go down the highway and put on lipstick, and they got a book sitting on their steering wheel, and they're reading a book and putting on lipstick. And then you wonder why there are collisions like there are today.

When we communicate, men speak in sentences, but women speak in paragraphs. And men never seem to get it right when trying to communicate with women. Men use I or me when they should use we or us. But that's not so bad, women use we or us when they should use I or me.

It's the women who are really into LGBT and a few weird men who want to change themselves into women. But how many women change themselves into a man? Have you ever noticed that? I have seen very few of them except for the dykes?

Women enjoy planning a wedding too, but to men, it is the most boring thing on earth, next to the wedding showers, and baby showers. Women if you ever notice, you invite the women for a shower and there are no men there, because the men have other things to do.

Women make lists upon lists of things for their husbands to do, But why don't men make lists upon lists for their women for things to do? I just wonder why there's a difference, when they know very well they will never do them. And if a man knows an acquaintance has given birth to a baby, he will remember the gender and name - if you're lucky. If a woman is told about a birth, she remembers the names (first and middle), The height and weight, the time of birth, how long the labor took, and whether medical intervention was required.

And women have the ability to brain dump their entire day when they talk to their spouse at night – but men, they can only remember whether it went OK or not. You say, what did you do today? Oh, nothing. And men

cannot watch sports or a movie and talk to their wives at the same time. Ever to sit down at the football game. Your brothers and your wife come in. Oh, yeah, that's OK. Go do it.

And finally one more difference between men and women. Some men look good with a mustache, but there are no women who look good with a mustache. I'm sorry, but anyway, so these are just some differences.

Now, we have had fun with this so far, but that is not the purpose of what I wish to bring out this morning. What I am trying to do here is to get you to understand that the Life from every seed is known not while it is in the seed un-manifested but is known by the manifested attributes or characteristics. So, the Life is known by its characteristics.

I mean you can take a seed and you can hold 10 different seeds up here and say what is it and you would hardly guess at what it was. But once it's manifested, I could say what is it and you would tell for sure.

Many people are left-handed and right-handed. Their characteristic, the way they handle themselves, you can tell whether it's a right, or left-handed person by the way they conduct themselves, and the way they reach out, always with that left hand, or right hand. And remember, the two hands are almost the same.

I mean, you lift them up. Now I broke my knuckle here one time and so I got a little bit of a twist, but otherwise, they're pretty much the same.

They've got the same kind of thumbprints, fingerprints, five fingers, small, index, and so forth. Just as the right hand and the left hand have the same kind of fingers normally, the same size hand, just exactly, and the only difference there is in them is, that one is left and the other one is right. That's the only difference you can tell. One is left, the other one right.

And Jesus said in Matthew 24, that the characteristics of the two spirits would be so close in the last days, it would deceive the very elected if it was possible. You take your hand and just hold it up. Like hold your left hand up, hold your right hand up, See, if you don't notice, one of them looks like the other in every way. But one of them is left, and the other one's right.

That's the way the two spirits will be in the last day. See, they're both religious. They both worship God. They both are benevolent. They both give tithes and offerings. They both help their neighbor when he's sick.

They're both religious. But one has a word, the other one doesn't. That's the only difference. They're both speaking tongues. They both do all those things. But one has the word, the other one doesn't.

They're almost alike, but they each have a characteristic that identifies them. One is right, and the other one is wrong. And it can be identified by its characteristics.

You stand in front of the mirror and hold your right hand up and the guy in the mirror is holding up his left hand. He's identical in every way, but he's left-handed. I'm right. I'm putting up my right hand. But that guy in the mirror, he's got his left hand up. And he's looking at you. In every detail they are so much alike that it could deceive the very elected if it were possible, and yet just the opposite of each other. And that's the way that the two spirits are to be in the end-time.

The Spirit of God can be identified by its characteristics. See the Spirit of God and the spirit of the church... There's a church spirit. And the Spirit of God that's absolutely not like the church spirit at all. And in fact, Brother Branham said that the two spirits that would be so close are the Spirit of God in the Elect, or what we call the Bride, and the church spirit which is in the make-believers spirit.

So you see, Brother Branham says sitting right together, you got three kinds of believers. And I believe that most of them have gone. But still, you have to understand that's what he said and is in every church. And you look at these churches of 10,000 people and probably 99% are unbelievers and maybe you might even have a believer, maybe one or two believers in that church.

From his sermon, **Seed Shall not be Heir With the Shuck 65-0218 P:42**

Now think about that too. The seed shall not be heir with the shuck. What's the shuck? It's what goes around the seed. So when you harvest your plant, you take the kernel to make bread but you don't like the shuck in there. Now if you got whole wheat, you might throw it in there just to confuse the issue. But really it's not good for you.

So Brother Branham said, *Notice, see how close it looks. St. Matthew 24:24, said that **the two spirits in the last days, the church spirit of the church people and the Bride Spirit of the Bride people, would be so close together till it would deceive the very elected if it was possible.** That's how close. Look how it's come through the stalk.*

And from his sermon, **Mark of the beast 54-0513 P:74** Now, **you see what the mark of the beast is? It's the mark of apostasy. It's a person who just thinks that, "Well, I belong to church, and I'm just as good as the next fellow.** And I know quite a few of those people.

Am not I belonging to this church?" And you realize where your church organization that you're depending on, where it come from? Do your realize? The Bible said, "He that worships the beast, receives his mark, or the letter of his name (Now, watch.)

In forehead or hand. That's knowledge or deed. That don't mean you got a big tattoo on your face. It don't have to be that. It's not talking of the outward. It's talking of spiritual. **You watch him and see what he knows about the Scripture.** Listen to him and see where he goes to. "If any man don't have this doctrine, there's no Light in him," the Bible said. See? See? Watch where it goes to. Watch what he does. The Bible says if you do not have the doctrine of Christ, you don't have God.

*Watch what he does. You say, "Well, I belong. I'm Protestant. Yes, sir. I belong to this certain church. Yes, sir." And on Sunday you just have about enough respect for it to come in out of the rain. He goes down, **instead of going to prayer meeting, you'll close up the church and set and watch television.***

*He goes out here and he drinks and carries on and acts like the rest of the world, **yet he belongs to the church. Remember, that's the mark of sin.***

So any preacher who claims to believe this message and thinks that John 14:12 is not for everyone, in other words, if he only thinks, well, Brother Branham did it, and I'm happy with that and I'll go in on that. You're not going to go in on Brother Branham's coattails. I'm sorry. You don't go in on my coattails. You don't go in Brother Vayle's coattails. You don't go in on anybody's coattails. You don't go on your parents' coattails. You hear that, Ella? You go in by your own revelation.

We would see Jesus 61-0409 P:40 So don't place sin on smoking, drinking, gambling; that's not sin; that's the attributes of unbelief. Sin is unbelief. You might never touched a cigarette, drank, or never done anything evil in your life; if you disbelieve God's Word, you're still a sinner. Sin is unbelief. **There's only two spirits; one believes and the other does not believe.**

God of this evil age 65-0801M P:31 *The two spirits, one of them God's Holy Spirit, the other one the devil's spirit working in deception. The people of the earth are now making their choice. The Holy Spirit is here calling out a Bride for Christ. He's doing it by vindicating His Word of promise to Her for this age, **showing that It is Christ.***

If the finger's supposed to move in this age, the finger will move. If the foot's supposed to move in this age, the foot will move. If the eye is to see in this age, the eye will see. See? Amen.

Remember, He sends the Spirit of wisdom and revelation so that you can see.

*The Spirit of God, as It's grown into the full statue of God is... The age that we're now living in, **the Holy Spirit is here vindicating the Message of the hour.** And **the Holy Spirit is doing this**, so that the people that believe God will be called out of this chaos.*

And believe me, that's an understatement because it's 10 times worse now than it was back in the 60s.

The devil's unholy spirit is here calling his church by the error, as usual, by perversion of the Word of God like he did at the beginning. See it coming right back to that seed time again? From Eden, here it is again.

Mark of the beast 61-0217 P:31 *Now, therefore the great church making itself ready. We find out that Esau and Jacob, before either child was born, God said He loved one and hated the other. And remember, they were twins: same mother, same father. Get it? Twins. **Every revival produces twins.** Certainly does.*

There's twins born in natural man and the spiritual man. *It was back in the garden of Eden, Cain and Abel, the same thing. Started from there, just keeps coming on down. And look at the church, Jesus the Pastor, Judas the treasurer, brothers, out of the same tribe, so forth, **right in the same group, same church.***

And no reflection. On you brother Steve, but I just what he said, *One the Pastor, and the other one the treasurer. One a devil and one God.* That's the way it goes.

That's the way it goes. Jesus said, "In the last days the two spirits would be so close it would deceive the very elected if it was possible." Amen. If it was possible, but it isn't. And it... They'll never do it. All right.

Ten virgins 60-1211M P:113 I'm going to read you quite a few quotes here. *All right, now, during this church age... Oh, here's something so beautiful. I like this so well. During these church ages, **there is two spirits working almost alike right down through here: one is the denomination; the other one is the Holy Ghost.** And Jesus said they were so close that they would deceive the very elected if it was possible.*

These two spirits are marking their people for future judgment. *Satan promised that he would have more than Christ, and he has. Now, watch this real, real close now as we get to this: more than it would be, marking the people.*

No, I'm just going to stop and say that we showed a chart the other day of the trajectory of the people. And it says in the book of Genesis that men begin to multiply on the earth. OK well, then you say, well, OK you had two lines. You had Cain's line. You had Seth's line and why didn't the people on Seth's line multiply as fast as on Cain's line? It's like, why do rabbits produce faster than humans?

But anyway, so we look at the trajectory and go up like that, and when Brother Branham was speaking these words, there were about 2 billion people on Earth, 1.52 billion. Now there are 8 billion.

Now there are 8 billion. Now there's 8.043 billion. So why?

Number 1, what is this all about?

Number 2, why does the scripture say many more are the children of the harlot than she which has a husband? Have you ever gone and seen a snake den? Have you ever pulled back the bark on a tree and seen 50 snakes in the tree? They come from one Mama.

So you're talking about the serpent seed is more prolific in breeding. Why are the Muslims gone in only about 1500 years? They've gone from just a handful to 1.5 billion. All right, it's just serpent seed. Now there might be one or two in there that have the seed of God, but they will come out of that or they certainly don't have the seed of God. But why do they proliferate so much? OK, because they're supposed to. They're supposed to.

Hear recognize act on word 60-0221 P:47 Why are **all** of the false churches, big churches? I'm not saying there's. I will say there's no big Church of 1000 thousand 2000 thousand, 10,000 thousand people, that is right with God. If they were, they wouldn't have those people sitting there because they'd be preaching fire and preaching it hot. But why are the big churches where people accumulate together like the snakes breed 50 in the trunk of a tree? All right, It's their nature.

Why are the seed of God alone? Because God's molding His character in you, you think the 50, you think the Church of 10,000 people with the guy who puts on his suit and talks very nice about he doesn't even mention Jesus Christ, but he mentions about we can be a right-thinking people and all that stuff. You know Josh, whatever his name is.

Why do the people flock to those churches? Because they get a concert for free, except for the guy who ends up pulling them and making an issue and pulls them down to the altar and has 5 offerings before he retires. I mean retires for the day. So, very few if maybe 2000, if we say one in a million and there's 2 billion Christians so-called, if you see 2000 people in this world and we'll make it out of that. In other words, there's going to be very, very, very few that make it all right.

Hear recognize act on word 60-0221 P:47 *Now, about two thousand years ago, it came to a head, and it headed up in two men: one of them, Jesus Christ; the other, Judas Iscariot. Now, Jesus associated the coming, of His second coming, that these two spirits would be a lot different than what they was back there. Now, here's where I want you to put on your glory garments.*

These two spirits are going to be different. Because Satan come and lived in a man that was a church member, Judas Iscariot, lived in the carnal church, and was a friend to the church all the time.

Why do you think Judas carried the bag? Why do you think these ministers want big churches? The same reason. One of them got four jets.

Can you imagine that Jesus Christ having four jets? If He was here, He'd still be probably hitchhiking to get to where He wanted to go.

And was a friend to the church all the time. But he come in and deceived, or thought he was deceiving, his brother.

He come in and pretended to be one of them, tasted the good things of God, moved right along in the Spirit, seeming to be, went

out and preached the Gospel, and cast out devils. But down in him, all the time he was Judas to begin with. The Bible said, "He was born the son of perdition."

I'm sorry, but I can look at all my friends who are preaching this gospel, and none of them have a big church. I mean you look at in DRC, they've got maybe a handful of people there, in Gabon and different places, I think the biggest one might be in Malawi was about 70 or so. But that's not a lot of people.

But you look at some of the other churches in this message, you have 10. There's one church that has 50,000 in DRC, 50,000 and they're of course they're in the Diamond District. That's a good location to be if you got 50,000 people. But it's all about money. It's all about good times. It's all about being social. It's all about the club. We belong to the same club, but really it's not. It's about your soul. And are you really seeking God or not?

But ***seeming to be, went out and preached the Gospel, and cast out devils. But down in him, all the time he was Judas to begin with. The Bible said, "He was born the son of perdition."***

He did everything the same way from our story said, Now watch the two spirits. I know that we want to be nice to everybody. But you have to take your stand with this word. And if you end up being not so nice because you take your stand with this word, then that's something that you have to work out how you're going to take your stand with this word. So that's our challenge. But like Joshua said, for me, and my house, I will serve the Lord.

I will restore 54-0620A P:22 Now, watch these two spirits on these boys spring up here in Genesis, and watch it end off in Revelations. And let's bring it through the Bible a few minutes on these two vines. I'll take Cain to my left side, Abel to my right side. Now, and now, both of those boys was religious. (Give them both a plus.)

Both of them were worshipers of God. (Give them a plus.) ***Now, remember, Cain built an altar to the Lord. In other words, he had a church. And if a church membership is all God requires,*** (Then give them both plus) ***Cain was just as good a man as Abel was, and as just as Abel was, if God only requires a man to go to church. Cain went to church.*** (So they got a plus.) ***Well, you say, "Wait a minute now." All right. Cain was also a worshiper of God. Do you realize that you could belong to church and worship God and still not be a***

Christian? *Cain in the beginning... Now, don't fall out with me. Just set still a minute; let's look at it through the Scripture. See?*

Esau was a better man than Jacob. He took care of his pappy. He's a good boy. And he was lost. And you know what? He was born lost. God didn't say. I'll wait down the road and see if he's going to accept it. He knew he wouldn't accept it.

Father the hour has come 56-1002A P:57 *The time has come where there's a falling away. The Bible said, "Except there come a falling away, the man of sin won't reveal Himself."*

In other words, you won't have the manifestation of the Antichrist in a man until we're gone. And course we have to go. But there's also going to be a falling away that shows you that we're getting ready for that going.

The Pentecostal church is living in the final of all times. The time has come. The time has come for the signs to follow the believers. We're at the end time.

We're in the latter rain. We're at the time when men will be heady, high-minded, lovers of pleasure more than lovers of God, trucebreakers, false accusers, incontinent, and despisers of those that are good. Heady, high-minded...

So all you have to do is just turn on any News, Radio, or whatever and that's how you're going to get heady. High-minded, lovers of pleasure more than lovers of God.

The time has come when they're teaching doctrines of devils, perverting the Bible's teaching into theories and theologies to draw groups of people away after themselves.

I remember one time Brother Vayle told me he had a certain minister. His wife came to him and said, look brother, so and so is going to be turning 40 years old. It would be very nice to have a birthday party for him in secret. So Brother Vayle called all of his minister buddies and they all met together. And then this woman brought in her husband, and they had this 40th birthday party for him.

And then the brother, when it was time to say, well, thank you, he didn't just say thank you. He ended up preaching to all these ministers. And now he set up his own ministry. Brother Vayle said, if I wasn't deceived

by this guy, I don't know what is. I'll never trust him again. All right. You see false motives and all that.

The time has come when they're teaching doctrines of devils, perverting the Bible's teaching into theories and theologies to draw groups of people away after themselves.

And I know some brothers who actually follow this ministry.

Father the hour has come 56-1002A P:10 And we get our chartered set right towards Calvary, (I think he meant charter) and no matter which way the wind's blowing, we're still looking to Calvary, whether it's opposite, or whether whatever it is, we still are set towards Calvary. That's the true believer.

And then we're not tossed about by every wind of doctrines, and this comes in, and that comes in, and this takes place; we just got that one pilot course that's right to Calvary. I think that's what God meant when He spoke through Jude over there and said, "A clouds without rain, wandering stars..." just wandering around about.

*That's not right; we shouldn't do that. We should just... **When a Christian is first born in the Kingdom of God his affection, his life, everything is set right on Christ.** If he's just a little bit smart, if you don't watch he will put all of it over on education and go off to real cold formal, and indifferent, and everything, some theology, or some great interpretation of Greek words.*

In other words. I've seen groups of people form around a Greek word. A whole bunch of people form around a Greek word.

God of this evil age 65-0801M P:88 As She is part of the Groom, true to Him in every point, waiting the Wedding, uniting, not at the ecumenical council, but in the sky, the wedding supper. She has been given (This is for our own church.) the... She has been given and revealed to Her the Seven Sealed mysteries of the Bible.

She sees the folly of the deceiver, so very close to the Truth that almost deceive the Elected; She sees it. She... See the two opposing spirits at work in this evil age? Can you see it?

Now, I just say this, I don't care if a church has formed around a certain doctrine. The doctrine doesn't make the church right. Your spirit makes

you right. In other words, the fact that you receive a doctrine, I'll just say it. Let's say the Parousia. That's a Greek word. Just because you say you believe the Parousia doesn't mean that you understand the Parousia.

Just because you say Jesus was a Son of God doesn't mean that you believe that you are a son of God. Doesn't mean diddly squad only God looks at the life. Is the life of the seed in you or not? That's it. So just because you focus on a doctrine and if you get the attitude that everybody else that is not focusing on my doctrine it's wrong and I'm right because I'm focusing on my doctrine. You're wrong right there.

You've got to look at people and give them the word test. And if then once they received the word test, because I know Brother Peter told me one time he's talking to an old man and he thought I'm going to give him the word test. And so he starts talking about the Parousia. The guy didn't know what he meant. But then he started saying, well you know the appearing before the coming. Oh yeah, I know that. And so they've got a different language that they're using, but they're saying the same thing.

So you have to be very careful not to knock everybody out, because they don't see your doctrine. And if I ever sounded that way, I'm sorry, but I've never been that way. And I've always walked alone. But if they turn down the doctrine, yes, then you can understand that. But if they haven't been given a chance to understand, or even if they haven't been given a chance to really know what you believe, if they turn that down, then I can understand you're making your position. But if they don't turn that down, it's just lovely people. They're going to be there. There's going to be a lot of people there that Brother Branham said you'd be surprised who made it.

She sees the folly of the deceiver, so very close to the Truth that almost deceive the Elected; She sees it. She... See the two opposing spirits at work in this evil age? Can you see it?

Each is very religious, Cain and Abel, spirits again coming to their heads, still same as they started: one worshipping by beauty, and by knowledge, and by education, and by science, and by ethics; and the other one by faith of the revelation of the Word of God.

Do you think Hattie Wright understood the Parousia? But she understood that He's here. So, it's the same thing. But the word Parousia confused her. She didn't know the Greek, but she knew that God is here

because only God could do the things that were happening with William Branham.

Both of them is standing right in this building this morning. That's right. (Note: he preached this in his own church. And he said they're both standing in this church this morning.)

What shall I do with Jesus 63-1124M P:97 God's Body united as His Bride, being One. Him and Christ together, as the Spirit working in the flesh of the church like It worked in the flesh of Jesus Christ, 'cause It's part of His Body, not twain, but One. They are One.

*A husband and wife's no longer two, but one. And Christ and His Body is One. And **the same Spirit was in Christ is in His Bride, in His Body, that unites them together with all the Word.** And God living in there Himself manifested.*

Abraham and his seed after him 61-0423 P:39 Now, that's exactly what God did by the Royal Seed of Abraham. Now, I know Isaac was the seed of Abraham potentially...?... it was the natural seed of Abraham, but not the real Seed of Abraham. The real Seed of Abraham was Christ, the Royal Seed.

Isaac only was substitutionary until Christ came, which was the Seed of Abraham. Now, and then the real seed of Abraham believes the promise, just like Abraham did, because it's to Abraham and his seed after him. Now, watch what God did to the Royal Seed to make the covenant confirmed.

He took Christ, which was the Seed of Abraham; on Calvary He tore Him apart.

He took the Spirit off of Him and put His body in the grave and His soul in hell, and raised Him up on the third day, and raised up His body, and brought it up into glory, and there sent the Spirit back down, and kept the body on His right-hand side.

Sent the Spirit back down, to live in the church, to make a church just so much with the Life of Christ that in the resurrection, the two will come together, Bride and Bridegroom, the church and Christ will be exactly alike with the same kind of ministry, same kind of power, same kind of Spirit.

He raised up the body of Jesus Christ and set on His right side, His right hand, and poured down the Spirit upon the church on the day of Pentecost. That's how God proved His covenant with His church.

Five identifications 60-0911E P:23 *Now, He likened it in many parables, like in a husband and wife. He calls the church the Bride. And the bride is no longer, and the bridegroom is no longer two people; they are one. She's flesh of His flesh and bone of His bone.*

*And then when a man or a woman is called to the mystical Body of Christ by the Holy Spirit, they become a full member of His Body when they're filled with the Holy Ghost, 'cause **God took the Spirit out of Christ, raised up His body and placed it on His throne, and sent back the Holy Spirit to make up the mystical Body of Christ, which will be united at the marriage supper at the coming of the Lord. You cannot organize it. It is a mystery.***

You see, organization. The minute it organizes, it dies, right there. Because they inserted their own thinking for God's program. Brother Branham said, you take only two men and they can start a denomination. Do you know that? Two men. If you get another person to believe with you and they believe the same thing, now you've got a denomination. All right, you have to be careful. It's because it's got to be the word of God.

Jehovah Jireh 57-0612 P:34 *In the days of Abraham, and in the Orient, the way they made a covenant, they taken a beast, and they killed it, split it in two, just like you see Abraham doing for God's covenant. And they split the covenant in two. Then they write out their agreement, and then they take that, and tear it apart, give it to one and to the other.*

In other words, you got the Chinese ticket for your clothing. He takes 1/2, gives you 1/2, he has 1/2 and then you bring back the half that matches to the tear. Then you get it. How many people came in and they got with a different piece of paper? He wouldn't give them their clothes. OK, that's how they could tell. Now that's all they had, they spoke Chinese. So they couldn't tell you. You've got 3 slacks and two coats and whatever. They just took this paper and ripped it at an angle. This next guy ripped his at an angle. The person next to them ripped at an angle. Next person, they ripped across this way. So every ticket was different, but they matched if they were of the 1 ticket that was ripped, you see?

And they take an oath over this dead body: If they break this covenant, let them be as this dead beast was. What an oath. And this only way this covenant can be manifested, is for both men to bring both pieces of paper, and they have to dovetail together, just exactly like that, and that confirms the oath. Now, what was God doing?

Have you ever ripped up a piece of paper and taped it back together because you made a mistake? You line it up just so right, so that it matches. Then you tape it and you're fine. Like a dollar bill. OK, Now, if you walked in with a dollar bill and you had two left sides of the dollar bill and you tape those together, I don't think they're going to pass them.

*He was showing Abraham how He was going to be the father of nations; through Isaac would come Christ. And **at Calvary, Jehovah God, the Father, taken His own Son to Calvary, and laid upon Him the sins and sickness of the world, and there tore Him apart, and took the body up into glory, and sent the Holy Ghost back down for the church.***

Notice, **for the church**, do not back down upon the church **for the church**. In other words, we're part of it. And so he sent the Holy Ghost to get us.

He was showing Abraham how he was going to be a father.

And when the resurrection comes, the same Spirit that was in Jesus Christ, doing the same things that Jesus did when He's here on earth, has to be with the church, the covenant church, for when they come together the same signs, and the same wonders that Jesus did will have to compare with the body of Christ to make the Bride. Amen.

OK, that's why I say write your book. Write your book and notice every time that God does something for you, write it down. All right.

How can I overcome 63-0825M P:28 *We see this age that we're living in. It's one of the grandest ages of all ages. This Laodicea church age is the grandest of all the church ages, because it's the ending of time and the blending of eternity. And then, it's the greatest sinful age. There's more sin in this age than there's ever been.*

And the powers of Satan is many times harder to fight against than it was in any age. See? Here, back there in the early ages a Christian could for his professing of being a church--of belonging to Christ could be beheaded for it. He could be killed and put out of his misery, and go

to meet God quickly.

So I would not cry over someone who has died, and many have died in the last few months. I wouldn't cry a bit. I'd be actually happy for them. And if you're going to cry, you cry for yourself because you didn't go.

He could be killed and put out of his misery, and go to meet God quickly. But now, the enemy has come in, in the name of the church; and it's so deceiving.

*This is a great age of deception when... **Christ said so, the two spirits would be so close in the last days till it would deceive the very elected if it was possible.** See, see? See? And remember, Christ spoke of an elected people for the last day. See? It would deceive the very elected if it were possible, so close.*

So it's got to be right in this message. I'm sorry, it's not just us and the Pentecostals. I mean, we are very different, but the bride in this message and the church in this message are very different.

An Ensign 62-0119 P:35 *Then there come another, which was King Nebuchadnezzar, and he was going to build a city. And if you'll notice, sometimes those spirits that get onto man...*

*And it's a day coming, and is at hand now, where the Christian church, the church of the Lord Jesus Christ ought to be so spiritual, because that Jesus said that **the two spirits would be so close till it would deceive the very elected if it was possible.***

The enemy is so cunning. Now, watch him with Nebuchadnezzar. He built a city just exactly a pattern of heaven: as the river Euphrates flowed by the throne, like in heaven the river of water of Life goes by the throne, swinging gardens and everything, just exactly like it was, for before when Abraham was journeying, looking for such a city... And if you're not spiritual-minded, Satan will blind you on these things (See?) something that looks almost like it, but it isn't it.

Remember, Satan appeared to Martin and said worship me. I am Jesus and he saw something. He said. Wait a minute, now you got a crown on your head and the Saints shall crown Him. Depart from me, Satan. You're a bluff. So almost the same. But it isn't.

If it's manmade, it's no good; if it's Blood-boughten by God, it's the truth. That's... See, it's true. But if it's manmade...

Now remember, I'll just say this. We have many people that not only claim, but maybe they were, they died in their hospital beds, whatever, and they went up to meet the Lord. But he said it would be so close that it would deceive the very elected if possible. So if you get your eyes on what they saw and not what a vindicated prophet says, it's going to be in future home. Because he says we don't go up through the skies. We don't go up past the Milky Way, we don't do all these things.

He said we're right here. I mean, he did use the Milky Way one time in the early sermons, but later on he says, no, we're meant to be here. We just go to another dimension. You got to be careful on these things. Just that's all I'm saying is just he's saying that they're going to be so close. Nebuchadnezzar built a city, that looked like heaven. His throne sat on near the river Euphrates and the throne of goddesses next to the river of life and all these things. Even their their experience they say they had.

How many of them actually came back and became believers or they just come back and become better persons? Well, being a better person does not get you to heaven. So you got to be real careful when we look at these things, because it's all meant to deceive. I'm sorry. Even their confessions are meant to deceive. Satan. That's a person back in his. I mean, he doesn't let him. He didn't actually die. Look, I was 50 / 30, but I wasn't dead. But, you could say, you get to flatlining. You're dead. Look, it's either this word or it isn't. That's all I'm going to say.

Satan will blind you on these things (See?) something that looks almost like it, but it isn't it. If it's manmade, it's no good; if it's Blood-boughten by God, it's the truth. That's... See, it's true. But if it's manmade...

We would see Jesus 61-0409 P:40 *So don't place sin on smoking, drinking, gambling; that's not sin; (So let's just get that out of our mind. The person a Sinner is drinking. You know, he drinks it. Listen, he's a Sinner because he doesn't believe.) that's the attributes of unbelief. Sin is unbelief. You might never touched a cigarette.* Now think about that. You never in your life touched a cigarette. You never *drank, or never done anything evil in your life; if you disbelieve God's Word, you're still a sinner.*

The Republican Party is full of people who don't drink or smoke or gamble and do bad stuff, but they don't believe the word either.

So *Sin is unbelief.*

There's only two, and it's got to be. I'm saying this, you can go into a message church or even a Pentecostal church or a Baptist Church or whatever church and the people. You can't tell the difference between the conservative political movement and the church political movement.

In other words, in this message, people make comments. We ought to go nuke them and this and that. Well, that's not the spirit of Christ, Jesus said to those guys who want to pull down fire out of heaven upon unbelievers. He said, you don't know what kind of spirits are on you. If you ever find yourself even thinking those kinds of things, repent right there. Because that's not of God.

There's only two spirits; one believes and the other does not believe. Matter, we have based all of our thoughts upon some kind of a holy act, something we've want to do, and something that we've done. "I give Jones' some coal, when they were... I got a right to a heaven." You haven't got no right to heaven, till you've believe God, accept it by the basis of faith upon the shed Blood of Jesus Christ the Son of God. Have no rights, for no other way, no matter...

You might be a staunch member, Pentecostal to the core, Methodist, Baptist, or Catholic to the core; makes no difference what church you belong to. If you've solemnly believed on Jesus Christ, and accepted Him as your personal Saviour, and your faith's in Him. I don't care what church you go to, you're saved by faith.

Look, I'll just say this. You might be a message believer and you're still going to hell. You might be in a great wonderful message church, and you're still going to hell. Why? Because you don't believe in the Lord Jesus Christ and His blood.

You can be in a church organization that's so close to the very left, like the 2 million people that were following the prophet, they were baptized. The Bible says they were all baptized under the cloud. They all worship God. They did this and that. And you know what? 1.999,998 people perished. Only two made it. Only two out of 2 million plus those who were under 20 at Kadish Barnea. So you might be a staunch member, Pentecostal to the core, Methodist, Baptist, or even Catholic to the core.

Makes no difference what church you belong to, *makes no difference what church you belong to. If you've solemnly believed on Jesus Christ, and accepted Him as your personal Saviour, and your faith's in Him. I*

don't care what church you go to, you're saved by faith.

And without that, there's... There's no holy church; there's no holy people. It's the Holy Spirit in the people, what makes it holy. A holy God that lives amongst people, what makes the holiness. Not something that I do, something that you do, or something that we would've done, but it's what God has done for us, through Christ Jesus. That's the Bible.

Choosing of a bride 65-0429E P:70 *Now, just a moment now; that's it. He chooses a **Bride to reflect His character**, to which the modern churches of today certainly misses His program here a million miles, 'cause they deny this to be the truth. So how could it be? Now, **He's looking for the day for that Bride to be formed (Hebrews 13:8) just exactly like He was.***

I know a sister who sat for 50 years of her life. Actually she grew up in the Branham Tabernacle. She sat for 50 years of her life. She professed God sent a prophet, I believe all these things and everything else. And today she's a believe the sign person.

That's against Brother Branham and everything else. So don't tell me just because you're sitting in the right Pew. Did God put a sign on your Pew saying sit here, this is the right Pew for you? I don't think He did that. All right, So be very careful.

*It's got to be His same flesh, same bones, same Spirit, same everything, just exactly built up, and them two then become one. Until the church becomes that, they're not one. **The character of Him, the Word for this age, must be molded...** She must be molded like He is. Now, in closing I want to say the reason that I've said these things, and I'll close.*

Feast of the trumpets 64-0719M P:77 *Notice, the loosing of this ecclesiastical spirit. Now, twenty years later after that war, we see the loosing of the ecclesiastical spirit, what under? The Seventh Seal, the Seventh Trumpet to the Jew. Look at the moon darkening out. Where under? See it drawn out?*

The Son of man being drove from the church. *What is it? Joining in with the ecclesiastical bunch. The ecumenical move, and with the World Council of Churches has drove every man... What does that thing stand for? Why, you have to surrender all your evangelical teachings and things. How can two walk together less they be agreed? They can't. Jesus said they can't.*

*And how can a church of Methodists and Baptists walk together? How can the Church of Christ walk with the Presbyterians? How can the Catholic walk with the Protestants? How can Protestant walk with Protestant? **But the Bride can walk with the Word, which is Christ; it must be in agreement, not the ecclesiastical system, but the Word. You have to agree with the Word to walk with the Word. Jesus said so; that makes it right.***

Let's bow our heads in prayer.

Father. We just thank You, Lord, for Your word and for this warning to us as a church to no matter how things go for us personally. Like You said, the bright sunny skies are no indication that God is pleased with you, and in the cloudy days, no indication that God is not happy with you. The only thing that really matters is, are we in Christ the Word? In Jesus Name we pray. Amen.
