

Satan's Eden no 145
Attributes of your Father
December 31, 2023
Brian Kocourek, Pastor

Let's bow our heads in prayer.

Dear gracious Father, we love You, Lord, with all our hearts. And Father, we just pray that You'd be with us today. And Lord, not that we would just know and understand the things which You have given to us, but we would live them, Father. Help us, Lord, to be humble and help us, Lord, to get ready for the going home. In Jesus Christ's Name, we pray. Amen.

You may be seated.

Well, this morning we're going to be looking at Satan's Eden Paragraph 30, and this is Satan's Eden 145 in our series. So we're a little bit behind, but we've kind of diverted with different little studies, and we will continue, because some things have to be more expounded upon, than others. But anyway, Brother Branham says in,

Satan's Eden 0829-65 pp. 30 *And then made **one of His attributes** from His Own body.*

And I should have highlighted the word **own** because we were in God. I mean, we were attached to Him by the umbilical, so to speak. We're in His Thoughts.

God has attributes in His body like you are an attribute of your father. And you notice, you were in your grandfather's, grandfather's, grandfather. That goes way back.

But in that, say, we'll take it down to like you and your father. Now, you did not know anything when you were in your father. The germ of life comes from the male.

As I said in one of my last sermons. The virgin birth is nothing compared to our birth. God saw you before He created the creation. We were in Him, His thoughts before the foundations of the World. Nothing is out of kilter with God. He knew how you would look in His mind the way you look today. And you have a certain DNA that gives you that look, so he had to get your parents together to give you the right combination of DNA to make you look like you did in His mind.

And He had to get your parents, parents together. That's your grandparents. And their parents, who are your great-grandparents. And then their parents together, which is your great-great-grandparents. All the way back to the garden to make

sure you had the right combination of DNA to give you the Look that was in His mind before the foundations of the world. And He placed it in that first spoken word seed in Adam. Just think, you are descendants of Adam. That's something.

And with each generation all the way back to the beginning, God had to make your parents, grandparents, great grandparents, all the way from the beginning, to have the necessary attraction to each other to come together to produce the necessary combination of DNA that is now in you. That's a great God. That's a God who knows every time a gnat bats the eye and how many gnats it takes to make a pound of tallow.

Remember, the apple tree as a little sprig maybe ½ inch tall has every apple it will ever produce, and every blossom it will produce.

You say, oh, that can't be true. Where do they come from? Where do they come from? Do they just one day appear? That's even a greater mystery than having the apples in the apple, little apple tree, and every blossom that it will ever produce. And so did our ancestors.

Levi paid tithes while He was in the loins of Abraham, That's what the Bible says. God said to **Jeremiah**, *“I knew you when you were ye in the Loins of your Mother and ordained you to be a prophet to the people.* He has everything in His control, and He rests.

That's why I think all the stuff going on, doesn't matter. I don't think there will be an election in 2024. I'll go on record as saying that. I think they're doing everything they can. I guess there are 31 different states in the process of trying to keep Trump from the ballot.

But see, now Texas and Florida want to keep Biden from the ballot because the third article, the 14th Amendment states, insurrection. But it also states if you give aid to your foreign enemies and he's given aid to China and other countries. So, what's good for the goose is good for the gander. And so I don't think there will be an election this year. I think it's going to be so much chaos because remember, we go into chaos, and chaos already started.

So Brother Branham says in **30B** *“The male has the blood cell; the woman has the egg. Now, therefore **the blood cell has the life in it.** And then **when you were in your father, you actually knowed nothing about it; but yet, science and God's Word proves that you were in your father, but you knowed nothing about it.**” But then **the father longed to know you.** And with the union*

*of connection with mother, then you were made known to father. **Now, you are your father's attribute. You look like him, and you've got parts of your body that looks like your father.***

Now, that's the way God was in the beginning. Every son of God and every daughter of God was in God at the beginning. You don't remember it now, but you were there. He knewed it, and He wanted you to become, so He could contact you, speak with you, and love you, and shake your hand.

Now you see you were in His mind, what He wanted you to become. Now the word become, does not suggest that you change species or anything like that.

John 1:12 But as many as received him or** had such a nature as to be able to receive Him. **to them gave he power to become the sons of God, even to them that believe on his name: 13 Which were born, not of blood,** So it doesn't come by the physical,) **nor of the will of the flesh,** It doesn't come by your will, **nor of the will of man, but of God.

That word, **become**, is a Greek word, **Genomai**, which we get the word genome from. In other words, he is **not** speaking of a change from a human to a son or daughter of God, that is not in the genome. He is saying, you have the DNA to become what you already are, a son or daughter of God.

And he says you already have the power, which is the word Exousia, and it does not speak of miracle-working power, but the word Exousia means you have the ability, the capacity, and the authority to become what God has ordained your DNA to become. I mean, if God said it, it's got to happen. That is a whole lot different than the Baptist teaching that you change species from a hog to a human, or from human to a son of God. Either you are made to become what you already are, or you are not.

A frog was always a frog, yet we call a baby frog a tadpole. Why? Because he didn't have his arms and legs. Well, he just didn't grow up yet.

A caterpillar was always a butterfly, but when it received its full potential, we call it a butterfly. Why? Because it has wings. It didn't change species; it just becomes what it was ordained to become.

All right, you say, well, I'm not much of a son of God. Well, but the attributes and characteristics are already in you. You just have to die to yourself that's the main thing. Now, again from paragraph 31, he says,

Satan's Eden pp. 31 Don't you want your own boy... Isn't it a great day when your boy can come home and set down at the table; when he comes back from the battlefield, Now, how old have you got to be on the battlefield? 18? So you know he's talking about a mature son. or something another, scarred up, how you fix the dinner, and you kill the fatted calf or what evermore, and prepare for him?

You see, he is talking about when you are grown up at Adoption time. He goes on.

It's your own flesh and blood, and he was in you. Can you imagine that we have any? Well, I guess most of you have just young children. But I was going to say, if we had older sons that are probably bigger than their daddy and yet he was in you. That's an oxymoron. That's incredible. But it's true. I know William is going to grow up, maybe about 6 foot two. He'll be bigger than his daddy. And yet that little squirt came out of daddy. He's going to be a big squirt.

You didn't know him then, but you knew he was there. And **so, God knew that we would be here**, but then He put us in flesh so we would be contacted. **In order He could contact, He become one of us, when He become Jesus Christ the Son of God Himself, the fullness of the manifestation of God.**

Now just think of it. God entered His Son. That body that was born, was Jesus Christ the man. He had a body, soul, and spirit. But God Himself entered into that Son, and thus the Son became the manifestation of His Father.

1 John 3:2 *Beloved, now are we the sons of God, and it doth not yet appear what we shall be:* (In other words, you look in the mirror, you look at your life, and you say, oh boy, I just really messed up.) *but we know that, when he shall appear,* (in other words, at His appearing,) *we shall be like him; for we shall see him as he is.* (What makes you like Him? Seeing Him as He is. Let me say that again. What makes you become like Him, come into your sonship, is, by seeing The Son the way He was.)

So, at the time of the Appearing, that's the great Parousia of Christ, we will not only come to know Him, but we will through receiving His doxa, become like Him. He changes your DNA to be like His. Don't you see that Satan has tried to change your DNA to be like his own with his manmade mRNA? But our DNA comes from God who wants us to be exactly what He ordained us to be.

So it's not that He actually changes your DNA, but He activates what's already there. There are things in your human DNA that never sprouted, never really came to realization till you're in your, late teenage years the same way with God.

Christ is the mystery 63-0728 P:279 **Now, we are the sons of God, not we will be; we are.** *Now, we're redeemed. We have Satan's answer. God's a vindicated Himself. God's proved Himself to His promise in this day. Hallelujah. The Headship is here (Amen.), Christ, the risen Lord. It's here in the same power of His resurrection that He ever was, manifesting Himself. There's the devil's answer.*

But for everyone who is God's, by election, and foreordination, and predestination, there are others who are not. We're going to get into this around No. 156. So in about another 12 or 13 sermons, we're going to speak on God and election. God's sovereign in his election. All right, but notice for everyone who is elected, there are those who are not elected.

And because they are not, they can never be. For you can't be what you are not meant to be. He said all that He foreknew, all, A.L.L he foreknew, He has predestinated to be conformed to the image of his son. What did He say to the others? I never knew you. Not I don't know you. That's the difference. But I never knew you in eternity in my mind, you weren't even there. But for you, His elected, He says, you were in my mind, and you are now sons of God. So, you can never be what you are not. And if He foreknew you, you are predestinated to not only be conformed to His firstborn-born son's image, but you are to be glorified which means filled with his DOXA. His opinions, values, and judgments.

Now you see what God's doing in your life. He's changing you, not changing the fiber, not changing the DNA, but activating it. It's time for that DNA to grow up.

Abraham 56-1208 P:20 *Say, "Brother Branham, why are you hitting on those things at night?" This is the reason for this. If you can ever get the scare out of the church and let them realize who they are and what they are positionally, healing will be the simplest message to be preached, or anything else. But you're scared. You're afraid. You don't realize that you're sons and daughters of God; and **now**, not we will be.*

We are now sons and daughters of God, not way off in the future. *And we won't sometime in the future set-in heavenly places; **now we're seated in heavenly places, right now.***

And now we are the sons and daughters of God. It does not yet appear what we shall be in the end, but we know we'll see Him, for we'll have a body like His. We'll see Him as He is.

*But **now we are the sons and daughters** of God, and the covenant is made to Abraham and to his seed after him. Now, notice. Now, God didn't tell Abraham, "**If you'll do this, or if you'll do that.**" He said, "**I have.**" So, the whole covenant is grace altogether and no works about it at all.*

In other words, it is God working in you to will and to do. You know, people are so afraid of **John 14:12**. They don't know what they are afraid of. What are you afraid of? The Bible says, "**Ask abundantly that your joy may be full**". But in this Satan's Eden, we are living so below our privilege as sons and daughters of God, the Creator.

Believest thou this 60-0402 P:28 ... *The coming of the Lord is at hand. The church ought to be moving on into the powers.* Brother Vayle taught this in 1972 in The Adoption Series.

*Science can only climb so far and then it has to drop off, but WE GOT UNTAPPED SOURCES, that's NEVER BEEN TOUCHED, of the power, UNLIMITED, of God, that WE OUGHT TO BE MOVING INTO. **We're living a million miles under our privilege tonight, of privileges of Christians** to be enjoying.*

Why did Brother Branham say also, the Pentecostals have missed it by 1,000,000 miles? Because they went into tongues, they went into acts, went into long hair, they went into dresses, they went into no TV. They went into this and that and the other and so as it became an act of works instead of receiving God and His word.

Pardoned 63-1028 P:47 *Now, let's just ask ourself the question. Isn't that something like today? As bad as we hate to say it, we've got to face facts somewhere. There's something wrong somewhere. Why, this church OUGHT TO BE A MILLION MILES UP the road to where it is now. Jesus is waiting on His church to get ready. His Bride has made herself ready.*

WE GOT THE POTENTIALS. The Holy Spirit is here. God is here. The power to heal the sick, the power to do all the things that Christ did, I've seen it demonstrated myself by the Holy Spirit. So, THE POTENTIALS ARE HERE.

Now, Brother Vayle actually went into two or three paragraphs on having the potential. But we don't have the actuality or the manifestation of those potentials yet. But they're coming. And Brother Vayle was looking for them to come and he used the word potentials and I thought, where did he get that from? I can see

where he got that from. He got it from the Prophet.

Now, remember, if you got the potential, the DNA is already there, to produce the potential. When a child is 10 years old, they say, boy, he's going to be a great athlete one day. And sure enough at 18-20 years old, he's a great athlete. Why the potentials are there, the kid might be a really smart brainiac and you say, he's going to be a doctor someday because he's really smart. Yeah, the potentials are there. You see, he already had it. It just had it be developed.

We think we are going to save the planet by not drinking from plastic bottles. Can you imagine that? Or plastic straws? You go to the grocery store and it's wrapped in plastic and the potato chips are in plastic and the meats are wrapped in plastic and in a plastic bag, then you get to the counter and you got a plastic soap bottle, everything's in plastic. But they don't want to give you a plastic bag there. They say they might pollute the planet. I mean, their stupidity is just unmeasurable. As if the planet is so fragile that we can have anything to do with it.

Let me tell you, my brothers and sisters, the planet will be around you not only for the millennium but for a long time after that. God will renew it, but you can't destroy it. It's the spoken word. You drive around in your little electric cars, and you think that saves the planet? It takes 30,000 tons of destruction of the planet's water and land to mine lithium, for one battery to run your silly cars —30,000 tons for one battery.

Have you ever thought of that?

That's 62 million pounds. How much do you weigh? 100 pounds? 150 lbs? Anybody. 200, All right. How many 200-pounders can you fit into a million? I think it's like 5,000, something like that. Can you imagine 5,000 people being destroyed of destruction for one battery? And that is what they are doing. And look who is mining that stuff, little children in Africa, slave labor. Can you imagine your own children out mining all day? And they're older than the kids out there. They're 10 years old. William, I guess next year you can start mining the fields in Africa. You can get yourself a job.

But you say you are worried about saving the planet? Get real. Talk to the people who are buried in the volcanic ash from Krakatoa or any of the other destructions the earth has done so far if you think you are going to save the planet. God will destroy it first then rebuild it. Man can't build back better, but God can. And He promised to do it and He can't lie. But you want to get educated by a 12-year-old

girl named Gretta. What a joke. I would like to see if she can answer any of my questions.

Just I could ask four or five questions that you could all answer in here and she wouldn't have a clue what I or you are even talking about. Her mind is on earthly things. Our minds are in the heavenlies.

Patmos vision 60-1204E P:146 *Never again to turn to the things of the world, I am dead to the world and the world is dead to me. I only walk in Christ, led by the Holy Spirit. I love Him because He loves me, and shined His blessings upon me, giving me the right hand of fellowship into His Kingdom.*

Now, we are sons and daughters of God, and it does not yet appear what we shall be at the end; (But notice, He adds at the end, even though the scripture doesn't. But that's what it is talking about.)

*but we know that **we shall have a body like His own glorious body, for we shall see Him as He is.** Then we'll be walking in the Light, a beautiful Light, That comes where the dewdrops of mercies are bright; Shine all around us by day and by night, Jesus, the Light of the world.*

I could not have said it any better than that. **We are now Sons of God**, and we are dead to the world and the things of the world are dead to us, and we are **walking daily in the Light, as He is walking in the Light**, for He is the Light. And we are just waiting for the final manifested seeds to become a reality, and we will walk with Him then for an Eternity.

He swore by Himself 54-1212 P:56 *When God condescend and overshadowed virgin Mary, He was a Life. And a Life overshadowed and created a blood Cell around Itself. Anybody knows now that the blood cell comes from what? The male. Is that right? The life lays in the blood cell, and the blood cell is coming from the male, not the female. There's where the life is, is in the male sperm.*

Notice. Then God Himself come into the womb of virgin Mary and wrapped Himself in a created blood Cell. Hallelujah. That's the reason we have Eternal Life. Then when that blood Cell, because of sin, was pierced with a sword yonder, and broke, it freed God yonder. And He broke open the blood Cell, and washed us, and brought us into Himself by the Holy Spirit. There you are.

And now we are sons of God, part of God. Deity Itself lives in every believer. Every man that's borned of the Spirit of God is a part of God. No wonder he believes in the supernatural. No wonder he can believe in anything. Why is it?

I want you to just think of what He said right here, “**Deity, God lives in each of you believers right now**”. Can you imagine that, God is actually living in you? And we are all a part of God by that Same Spirit living in us, breathing in us. We can’t get away from that, for it is a fact of life now for each one of us who has been born again.

Acts 17:28 *For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring.*

It says, **we are his offspring**, I didn’t make that up, God’s own Word tells us that. “**For in Him we move and breathe.**”

1 Corinthians 14:13-14 *By One Spirit, we are all born into one body.*
Baptized into one body.

13 *For by one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free; and have been all made to drink into one Spirit. 14* *For the body is not one member, but many.*

And I think it's interesting, he said, we have all been made. That's our DNA. We've all been made to drink into one's spirit. Oh, that's just beautiful, because you see, if you don't have water, the plant doesn't grow. So, God actually fills us with His spirit and keeps pouring His spirit upon us until we grow and grow and grow and grow and grow. And that's the promise we've received from God.

And that is a promise Word Seed from God, and what that means is we will be raised up even if this body we are living in right now, perishes because we have another one waiting.

1 Corinthians 15:51 *Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed. 52* *In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. 53* *For this corruptible must put on incorruption, and this mortal must put on immortality. 54* *So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. 55* *O death, where is thy sting? O grave, where is thy victory?*

That is why the Shout is now swinging into the resurrection season, because we have a promise of a resurrection season, and we are now seeing it in the Word that is becoming a reality in us.

Romans 8:10 *And if Christ be in you, the body is dead because of sin; **but the Spirit is life because of right-wise-ness.** 11 But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. 12 Therefore, brethren, we are debtors, not to the flesh, to live after the flesh. 13 For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live. 14 For as many as are led by the Spirit of God, they are the sons of God. 15 For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father.*

So He's established the relationship, that's what the appearing is all about. It's to bring back the hearts of the children, and the understanding of the children to their fathers.

So, what are you worried about? He promised us a resurrection and that process has already begun. We are complete in him.

Colossians 2:10 tells us *And ye are complete in him, which is the head of all principality and power:*

The word, “**peroo**”, is the Greek word and it means “**to be accomplished and finished off.**” So, we are accomplished and finished off in Him. So, what have we to worry about, He said on the cross, it is finished, and the seventh angel has come to finish off, what He started.

31 In him is a portion of God, wrapped up in that mortal body there, where there's sin and everything else, has created this body. But down in there, some work of God alone in regeneration has come down through there by the shedding of His own Blood, (that is why he could say, “It is finished**”) and taken away that blood that was in there, as a way, and set it aside, and entered into this sinful man, and put in him a hope that he'd die for It just as freely as he'd stand there. Speak to him. Sure, he believes It.**

Notice then, just think about what has happened in this age. The Covenant Angel, God Himself, has descended with a Shout and the seventh angel has declared, it is over. And all we have ever longed for to live in a body that is glorified and will live forever has been declared that it is just one breath from reality to us.

Satan's Eden pp. 32 *Therefore, that was God's purpose to display His attributes in fellowship. When I was in my father, I knew nothing about it. But when I become his son and was born of him, I was an attribute, a part of my father. And you are a part of your father. And as children of God, **we are a part of God's attributes that was in Him, made flesh like He was made flesh, so we can have fellowship one with the other, as a family of God upon the earth.** And that was God's purpose at the beginning.*

We see how beautiful it is to be living in the age when it is all to come to its fullness.

Yes, sir. **That's what God wanted at the beginning.** He had everything under control, and He turned man over into the garden of Eden on free moral agency, and says, "**Son, it's yours.**" What a beautiful place.

But what did man do? He allowed Satan to come in and he has distracted man for 6,000 years but will distract you no longer. Why? Because God has given you His own Spirit which comes by His Own Word and Satan can't get to you any longer. Oh, he will try, but when God-Life, which is God's Word lived in His son, it responded to Satan's lies, "**It is also written**" and Satan was defeated every time. That's why when they pass stupid laws like LGBT and all this other stuff, you can say in your heart, but it is also written.

Satan's Eden pp. 33 *God was so satisfied till **He just went back and rested from all of His works.** Every tree never brought forth thorns and thistles. No berries ever come off of a thorn tree; everything was perfect. all seeds were perfect. Everything was in perfect condition. **Then when He went to take a little rest,** His enemy slipped in with deceit and took it over **by misinterpreting His program to His children.***

*When He put trust in His own child, as you put trust in your daughter when she goes out at night with a man, when you put trust in your son when he has to go with a drinking boy or smoking boy (See?), **He put trust in His son that he would not do anything wrong and would keep every Word that He said.** But the enemy slipped in. Like that greasy slicker that would take out your daughter and misbehave himself, or some woman would go out with your son and the same thing. See? He slipped in; the enemy of God slipped in and misinterpreted the Word to Eve.*

But now His sons and His daughters have His own Spirit. They didn't have it back then, which comes via His Word, and they cannot be taken out from that, for they have His mind. It is also written.

Let's bow our heads in prayer.

Dear gracious Father, we thank You, Lord, for this sermon, it is just a really beautiful fact, to know that it brings rest, to know that we are His, that nothing, no mistakes that we make is going to put us in or out.

No man can pluck them out of My hand, He said. So Father we know that it's a done deal.

Help us then, as Jesus knew, that He didn't bypass His theophany, so He wasn't able to be deceived. Well, now you've returned to us Your word, Your glory, Your Doxa.

And now we can't be deceived either, so we just commit this unto Your hands. In Jesus Christ's Name we pray. Amen. Amen.
