

Satan's Eden no 150
The Same God – the Same Word
January 28, 2024
Brian Kocourek, pastor

Let's bow our heads in prayer.

Gracious Father. We're so grateful, Lord, that we have this wonderful day to meet with you. We're so thankful for the mild weather. We pray that we would not have extremes this winter.

And Lord, we pray that we will get our hearts ready for Your resurrection time. We ask this all humbly in the most gracious Name of Jesus Christ and in our humility in Jesus' Name. Amen.

You may be seated.

Now this morning we will be at No.150 in the Satan's Eden study of it. We're only at paragraph 17. So the Lord has been gracious to me.

I have actually, you see No. 150 on the screen, but I have finished last night No.168 and there are about 11 sermons that will be about the sovereignty, God's sovereignty and election, God's sovereignty and reprobation, God's sovereignty in His choice versus our choice. And there's going to be God's sovereignty in His will versus our will and of course the bondage of the will and a few things, other than that.

So, I just can't express what it means to me that He's just giving me so much information. And I can't say that I don't know where they came from, because I do. It came from Him, and so I'm thankful for that because these are actually completed sermons. They're not just in the workings, they're actually completed. And so we got a lot of food on the table and so let's get started.

Now we're going to call this one, The Same God, because Brother Branham says some things about it.

Satan's Eden pp.17 *The god of this world today*, Notice he is spelled, is not capitalized because he's maybe a small god to many people, but he's not our god.

*The god of this world today, the **worshipped** person of this world today is Satan, and the people are ignorant of **worshipping** Satan.*

Now you ask yourself, how could people be worshipping the devil and not even

know it? Now, I wish to pause just a moment to let this sink in. The word worship comes from two words, the word “worth” which means the high value that we place upon something or someone, and the suffix “ship” which means “the act or condition of being.” So the active condition of being is highly valued. That's how they put Satan first.

In other words, he is not saying the people bow down and prostrate themselves before Satan. He never said that, that is not really what worship is anyway. But they hold a higher value or worth to the things of Satan. Rather they are “worth-shiping” him, not knowing what they are doing. So, to hold a high value to satanic things like the cares of this world is actually “worth-shiping” Satan, and they don't even know it.

But it's Satan impersonating himself as the church (See?), as the church. They worship Satan thinking that they are worshipping God through the church, but it's the way Satan has done it.

So what he is basically saying is that Satan is an invisible being, yet he's a deceiving being, but he's using the church. Because people think by going to church, by participating in the church, that they are good Christians. But they don't look at their own soul to see how they are in God's economy. They look at how am I next to my peers. Am I doing what my peers do? Am I, like you going to a UCP church? Am I speaking in tongues? Am I wearing long hair? Am I wearing a long dress? Now, OK, I've made it. That's not it at all. It has nothing to do with the church. It has to do with your soul.

In other words, they have placed the church and the things of the church in a pre-eminent position above the Word, (Which are the things of God) which is His Word. They will hold onto their traditions of the church above what they think of God's Word. They will hold onto the teachings of the church even though you can't find them anywhere in scripture. In other words, what activities were you participating in the church that you can look at now and say, wow, that's not even in the word. OK. They believe it anyway. Not only do they believe it, but when they are shown it is contrary to the Word or what the Word teaches, they will choose it anyway over what the Word teaches. Now can you imagine that? OK, they are putting the church above the Word and thinking they're OK because the church is supposed to be serving God. All right,

Oh, you say, "But wait a minute; we preach the Word." Look back here at my text tonight. Satan was the one who preached the Word to Eve first. "God has

said." See? ***It's that misconstruing that part of the Scripture that applies to the day.***

In other words, they will preach part of the word but miss what it is saying for this day. They can preach the same Word as we are preaching, but then deny the part that applies for this hour. They may preach God had a son, and have that part right, and even know the word Parousia is translated as coming when it should be presence. They even might have that right. They might even say we teach the Parousia of Christ and quote the prophet and say there is an appearing before the coming, and we are in the appearing of Christ, and yet how many can tell you the signs and events associated with His Parousia? It's just that close.

Brother Branham said they can read the same Bible as you read but they can't see the manifestation of It. It's not a reality to them. But to us, we see the Word as a reality. They are not living in it; they are just aware of it generally speaking.

Now how many saw the quote that I sent out the other day about Brother Branham saying basically, when you see the reality of the word and the manifestation of it? He said you're the ones who God sent it to. OK, so we're very fortunate people. We shouldn't be arrogant about that because you can have this revelation and you can share it with all the love, all the gentleness and everything else and it'll just go right over their head. OK, those, it'll just go over their head.

Now. Let me just read a few quotes where he says this.

The Unveiling of God pp. 121 he said ***it's just a word to them. To us it's a manifestation.*** See? ***It is no more a word; it's a reality.***"

OK, so if the word is not a reality to you today, then you need to get to your knees and ask God to make it more so.

63-0120M - The Voice Of God In This Last Days 26 *And, today, one reason that the church is in the condition that it's in, is because there are so many voices, so many other voices to attract the church from the Voice of God, till it's very doubtful that many would hear the Voice of God though It spoke right in their midst. They perhaps wouldn't even understand It, because It would be a foreign thing to them. They have got themselves so much centered on the voices of the day!*

OK, now I'm not just talking about church voices. There's political voices. There's

educational voices. There's medical voices. There's a lot of voices out there. Let's just not put it all on the pastor. He's just one of many. But if you're not saying what the prophet said and taking it to the scripture, then you don't even understand what he said. Then your services are just worship and you frolic in your music and your dancing and whatever, but you lay the word aside. Now see Jesus said we worship God in spirit and, and, and in truth. And see they leave the truth part out and they just focus on the Spirit.

Hear Recognize Act On The Word 60-0221 pp. 18. Brother Branham is speaking of Balaam and says, *'He failed with the blindness of his eyes to see the predestinated plan, and to see the Word of God. First, faith cometh by hearing, hearing of the Word of God. Then the believer hears It, recognizes It, and acts on It. The carnal man will hear It, the sound of It, but never... "Hear" means to "understand" It. Look at, is looking at something; but to see it, is to "understand" it. "Except a man be borned again, he cannot see or understand the Kingdom of God.'*

Hear recognize act on word 60-0221 pp.18 First, *"faith cometh by hearing, hearing of the Word of God". Then the believer hears It, recognizes It, and acts on It. The carnal man will hear It, the sound of It, but never... "Hear" means to "understand" It. Look at, is looking at something; but to see it, is to "understand" it. "Except a man be borned again, he cannot see or understand the Kingdom of God."*

Now, back to **Satan's Eden pp.17** *"He will let you know all that Jesus did was perfectly well.* And now do the pastors do that? Yes, I think they do. I mean, most of them do, you hear about some radicals that say that, we don't believe in the doctrines that Paul preached. We just believe in what Jesus said. And stuff like that. They're just not even, they're not even Christian people.

He will let you know all that Moses did was perfectly well. Or all that William Branham did was perfectly well. So, now we're getting on a fine hair because if you say everything Brother Branham said, everything Moses said, everything Jesus said, is really good. It's really right. But you don't actually see the manifestation of it. You're still lost. Now, you might be religious. You might have followed the prophet your entire life, and you know what, 2 million people did? And they followed him for 40 years and they perished in the wilderness.

But when you take the promises that they gave for this day, then that was applied to another age." That's the problem we see in the message today. All right. They

might preach the Godhead right. *But when you take the promises that they gave for this day, that's the message; then that was applied to another age.*"

In other words, well look at sanctification. OK what's the pre sanctification? And you know we got to get saved. We got to do this and we and then we say, well now we got to have the baptism of the Holy Ghost and this and that and they're fail to recognize what God has actually done in this hour. God Himself is here and He has done many, many things and people fail to recognize it because they're not looking at the message. You see they're not hearkening to the message. Then what are they doing? They're ignoring it, and they're just going on with their religion. All right?

They might preach the Godhead right. They might even preach the Parousia of Christ right, showing that it is the Appearing before the Coming. But they are not aware of all the signs and events God has been doing. They don't even see that these things are fulfilling His Word. They just happened.

Satan's Eden pp.17 *"That's just all he has to do (See?) is to get the people to believe it that way, and that's all. For you cannot take one word away from It, or add one word to It, but that's what he does."*

That's why they can't see **John 14:12**. It's not for them. That's why they lay it all on one person, because it's not for them. So, in essence they mock the Parousia by saying where are the promises of His Parousia like Peter tells us.

2 Peter 3:4 *And saying, Where is the promise of his Parousia? for since the fathers fell asleep, all things continue as they were from the beginning of the creation.*

They had to know if His Parousia existed or they would not ask that question, *"Where is the promise of his Parousia?"* So, these people are aware of his Parousia, just not the promises associated with it.

Now people can't see the slight, just ever so slight shift in the wind, in politics and religion and education, everything else. Look, if you're my age, your age, OK, your age. You see that when we were kids growing up, your age too, even though you're a little bit younger. All right, Michael, you too. But if you don't see the things, I mean, we can see the big change, because we know when we grew up it was free.

When I was three years old, I rode my tricycle one mile to the gas station to buy some gumballs. My mother went out of her mind, she was looking all over for me. And they found me a mile away. That was 10 city blocks, because we lived in the city then. That was 10 city blocks away. I rode a little tricycle. We got one out around here someplace, you know, the kids do.

And I rode a little tricycle, the little one, not the big one. I couldn't get on the big one. It was too big for me. I got on the little tricycle. And I rode one mile away because I found a penny or a dime or I don't even remember how many cents it was. But I knew that they sold gumballs there, because I had gone with my dad one time to that gas station and he got my gumball, so I knew where to go. OK, well, my mother just about had a conniption and everything else. But you see, those days, you didn't have to worry about kidnapping so much. I mean, you might hear of a case here and there, but you didn't hear it. There wasn't pedophilia going on because they were too ashamed to try it.

And society in general was, at least they were in church and they believed in punishment. But today they don't believe in nothing. They think, why should they be punished? They knew there were to be promises, but they could not see the reality of those promises as they came to pass. In other words, it was still somewhere off in the future for them. And that will be the same way with the Voice of the Resurrection. They don't see it as a season, and they will not see it as it comes to pass, because they're not looking for it, you see, they will only see it as a future promise to come.

In other words, if you are looking for something, then you actually see it, when it's starting to come to pass, you start to see this thing happening. You say we are in the resurrection. People ignorantly, you see they're not willful. They're not.

pp. 18 *People, ignorantly worshipping Satan, thinking they are worshipping God.*

And that's quite a judgment. I mean, this is quite an indictment.

Now this is quite a statement he says here. They are actually “worth-shipping” Satan, but they are not aware that it is Satan they “worth-ship”. Now listen, you all say, oh, I really like this guy. He says the right things. He's very conservative, and he says all the right things and yet he's got dreadlocks or he's got tattoos all over his body or this and that. I wouldn't even want to listen to the guy, because he's not going to go where I'm going to go. I'm sorry, none of us are like that. I mean we are not dressed like a serpent. We don't act like a serpent. We don't take the jab and all these other things that the serpents do. So, this is just

incredible that these people are that way, but they're actually church people. They talk about God. Which God are they serving?

(They are upholding his values over God's Word) **Why?** Because of the way he has done it. He said, "*They think that as long as they "worth-ship" the church that they are worshipping God, but they are actually "worth-shipping" the Church.*"

They're putting the value of the church above the value of God's Word. You see, God is the Word, but they don't feel led to get you to the Word, because they want control over your life. Oh, you've got to see this minister. Oh, you got to see this minister. Oh my. You got to come to this church, everybody's just so in the spirit, just outpouring of the Holy Spirit and everything else. I said, have you ever been to a football game? I said, that's called human dynamics. Everybody's doing the wave and everything else and just in a row and all the way around 55 to 100,000 people all in one spirit, and it's the spirit of the devil. All right? But you get caught up into it. Why? Because you're human and because you got a human Dynamo, and that Dynamo has been triggered by the events that are all around you.

It's all about the church. And let's face it, The Word is God. Out of the abundance of the Heart the mouth speaketh. But they want to get you to the Church, which is a creed, or a tradition, or something they have a say in. Something they can control you with.

Brother Branham continues. *As we're warned by prophecy in **II Thessalonians** that... Let's just read that: **II Thessalonians**, the **2nd** chapter. Let's just get it a moment, if I can right away. I'd like to read that just a...*

*I believe **II Thessalonians**. I got the Scripture here and say... **Now we beseech you, brethren, by the coming (that word is Parousia) of the Lord Jesus, and by our gathering together unto him,***

So, there is supposed to be a gathering together unto Him. They think it's to the church. You see, Brother Branham, when he went to the church, he spoke Ok, about the church, until he tried to present his message to the church and they rejected it. That's why he is saying they don't want it. They want church and that's all they want.

Now when I say the same thing, people say, oh, you're just, mocking the other message churches. I am not mocking any message churches. I'm sorry, Brother Branham never said, there's message churches. He said there's a message from God, which is the word of God. And so there are word and churches. And I will

not mock a word church, but I will mock like Elijah mocked the prophets of Baal. I will mock a church that is just playing church, thinking they're getting their way to heaven.

So, there is supposed to be a gathering together unto Him, and He is the Word, and this is said to take place at His Parousia which is His presence. Yet how many are aware of this gathering? It's already taken place as we are gathered together to the revealed Word that the Lord Himself has come down with a SHOUT which we know is a message.

*“And see the coming (Parousia) of the Lord and the gathering to Him, as God will gather His people to Him in the last days: the gathering of the people to the Lord, (and He is the Word. And watch what he says next) **not to the church, to the Lord.** (the Word) ... gathering together unto Him. (The Word).*

But all you have to see is the actions of the people and you will know that most are gathering to the church, and not to the Word.

So, you see you can't get away from it, people. It's not a church saying. It's like when the revival fires were supposedly ignited down in Kentucky. Right away, I was suspicious because our prophet said you'll never see another revival until the resurrection. When we're gathered together and we see the resurrection around us, we'll be revived, All right. And they are revived, because they're going to be raised up from the dead. But you're not going to see another revival.

And so we got people from other states, in the message and out of the message, going down there to check it out. Why would you check out the Devil's Trap? Well, let's see if it's a trap. I've got a trap for a lion, and I know it holds so much weight, so I'll see if it'll hold my weight.

Do you want to fall on a bunch of spikes? I mean, that's exactly what's happening, people think that, oh, we let our emotions get away instead of our knowledge, that we are a select people of God. We don't get messed up with the world. OK, so it says not to the church. We're not gathered to the church, but to the Word, gathering unto Him and He is Word, but all of you have to see, is the action of the people, and you will know that most are gathering to the church, and not to the Word.

But the preachers gather the people to their churches and neglect the Word for their day. They think dancing in the aisles takes the place of the Word. Since when has that taken place? Oh, they think that by gathering the people to their church

like, let's have a big convention, they're gathering the people to the word, but they're not gathering the people to God. They're gathering to a church, to a doctrine.

They think that is the correct thing, but they are so deluded that they think by gathering the people to the church they are gathering them to the Lord, and that is how they are being deceived. That is how Satan gets them to “worth-shipping” himself thinking they are “worth-shipping” God through the church. And so, they are placing a higher value on the church than they are on the Word of God. But His word says, “*Preach the Word, be instant in season and without. Rebuke with all long-suffering, for the day will come that they will not endure sound Doctrine, (teaching) but will heap to themselves teachers the people having itching ears*”, to hear what they want to hear.

Focus on the family, focus on this, Focus on that, Focus on the music, focus on fellowship, focus on worshipping, focus on jumping up and down, and everything else. What about the word?

Now, back to **2 Thessalonians 2** “*That ye be not soon shaken in your mind, or troubled, neither by spirit, nor by word, nor by letter as from us, as... the day of the Lord is at hand. Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin... (man of sin, watch what he is now) ... man of sin be revealed, the son of perdition, (That was Judas. See?) Who opposes and exalts himself above all that is called God, or that is worshipped; so that he as God setteth in the temple of God, showing himself that he is God.*

In other words, he wants to be worth shipped his value higher than the rest. Satan wanted to be above the stars of God. He wants to be above the sons of God.

19 That deceitfulness of the church of today... See, the son of perdition, the devil, the son of perdition, the devil... Then people worshipping Satan in this day, thinking they're worshipping God...

How many people have you sat by over the years and wow, that person is just worshipping this church? Or they're just worshipping that church.

But they're worshipping him through a creed, a manmade denominations and creeds that's brought the people right down to the greatest deception

that the world has ever knowed of. No matter how much the Word of God promised for this day, is preached and vindicated, they still won't believe It.

They won't believe it. And guess what? Then they get the plagues of Deuteronomy 28.

Not only has God done many infallible proofs by His prophet but he has also done many of the same miracles through His true five-fold ministry, and yet they can watch those things take place but refuse to ask why those same things are not taking place in their church. But they see them take place, and yet they boycott meetings, of the same minister whose ministry shows these signs that God is definitely with him and not with their group.

And they show disrespect to the very ministry which God has appeared with, and not even knowing those things are showing who God is with, and who has the right interpretation of His Message. Because, you see, God doesn't leave it up to a man to have the right interpretation. But the very fact that God backs him up with signs and wonders lets you know that he does have the right interpretation because God backs up His word by bringing it to pass. And when you see those things brought to pass, you're watching God, not the man. He has nothing to do with it. It's God.

“They won't believe It. Then why? We wonder why. Why doesn't it... Why won't they believe It, when God said He would do a certain thing, and He does it; and still, they turn their back from it, and turn away from it?”

Why? When God's vindicated prophet said His pillar of Fire will lead us to the Millennium, and then show us signs of His continued presence with us, and they have the gall to boycott those very meetings. Why do they believe the devil's accusations against the ministry God backed up with His Signs and wonders and choose what has been proven to be outright lies, and yet think they still have God?

It's like when I went to Mabanza Nagungu and the Pillar of Fire came down and the people saw it and they took films of it. They took pictures of it and everything else and so the pastor of that congregation asked me to come back and a handful of those ministers that were there, when I wanted to come back, and they said, no, you've got to come through us first. Can you believe it? Ministers who claimed to believe the message saw what God did. And they say, no, but you got to get permission from us to come to our country. Why would I need permission from them? I told them sons of God are led by the spirit of God. They are not led by a

committee. That's in this message.

*“**Just as Eve knew that what God said,** (yes, she is without excuse, she knew what God said and what) **God would do, but she turned her back on it to listen to what he** (the serpent) **had to say. Just remember, in other ages, it's always been the same thing.**”*

So, if it has always been the same thing in every age, why won't it be the same thing in this age?

In every age it's always been that Satan tries to pervert that Word to them, making them see some other age. Don't you see it has been the same in our day?

20 *Look, when Jesus come, See, **Satan was in that bunch of Jewish teachers and rabbis and priests,** Now listen, Satan was in that bunch of Jewish teachers and rabbis. They preached the same word Jesus was preaching, but they didn't see the manifestation of it. They didn't see that God was manifested alive in flesh. Yet they preached that He would come one day, but he'd have to come to their organization. They'd have to come through them. See, the same thing today is happening.*

So Satan was in that bunch of Jewish teachers and rabbis and priests *trying to tell them to keep the Law of Moses, when the very Word said, that in that day, the Son of man would be revealed (See?) that He would reveal Himself.*

So they were *trying. As long as they kept them religious and on the Law of Moses... See what he did? He was trying to tell, "That part of the Word is just exactly right, but this man isn't that person."* See how deceiving he is? That's that real day of deception.

So, what makes you think this day and the things that take place will be any different than they were then? When a man comes along and says the same thing the prophet says, even quoting that prophet said, and tying what he said, with the Word from Genesis to Revelations showing how they both line up together, you think it will be received by the brethren? It never was with Joseph and his brothers. They didn't receive what he had. Moses' people were all lost except for two of them, you see,

But because he is not in their click of minister friends, they won't accept it. That shows as the Church Ages stated, *they are not hearing to learn but they're hearing to refute.*

In other words, they've got their mind made up. And so when they hear the word, they got other things that come to them and say, well, you know what? But it all says this. It says this. It says this you know but they won't give you the word for it. They'll say well what brother so and so said that the Parousia is a false doctrine. So I believe the brother, you're treading on dangerous ground.

When the very God that backed up the prophet comes down and does what He has done and gives a supernatural vindication that He is with that ministry and then you say, who does He think he is, showing those evidences of God's presence on his website.

I had a brother call me one time and say, who do you think you are having that horizontal rainbow that was over your meetings? Who do you think you are, putting that on your website? I mean, how dare you put a picture of the supernatural of God on your website?

And I said, brother, I wasn't the One who came down. I was only standing there when He appeared. I wasn't the one that says these things and foretells these things and whatever, as perfect as they are. I was just near when He did it. And I'm just saying what the prophet said. And he said, oh, brother, forgive me. So he didn't realize he had already been wrapped up in the church, that nobody could do those things except for William Branham. And well, William Branham never did them, and I don't do them either. God does them. And God doesn't change. He's the same yesterday, today, and forever.

Now, you might not like my personality, but it's what I am. OK? So I'm not going to change my personality on the other side. You think, oh, finally, when it gets you on the other side, it's going to be nice to live with.

I'm not going to be that way. But you're going to change. Either that or you're not going to be there. I'm sorry because we don't change, all right? We just change our habitat, but our spirit was given by God to do certain things, to say certain things, to cause some to go out, to cause some to ponder over. Brother Branham said it. All right.

So, He makes you the way you are. Brother Branham said about a man. The bells that play the song, people hit the bells, and he says, every bell is made to a certain tone. He said, "Every vessel of God is made to give forth a certain sound." And so, we learned our sound is to echo, what the prophet said. That's all we can do.

I'm doing it with the voice of Brian Kocourek. But it's the voice of God that's doing it.

Now, like Sister Meda was standing there and she saw Brother Branham say, as John the Baptist came to forerun My first coming so shall your message forerun My second coming. She said Bill, that was your voice. He just smiled at her and just went on his way. Well, it was because it was God using his voice, you see. God's using my voice. It's to try to shake you up, it is to try to get you, not to be so starchy and so indifferent that the messages, just, I mean they claim the message, so they must be right. No, let's just clean the slate of everybody and say, try the spirits, whether they be of God. And if you're not doing that, you're lost. I'm sorry. If you're not doing that, you're lost. You have to try the spirits to see whether it is of God.

How do you try the spirit? Is it saying what God said if it's saying what God said, what the prophets said in the Bible? If it's saying the same thing, it's the voice of God, all right? If it's not saying the same thing, it's not the voice of God. It's the voice of the devil. All right

It's the same God doing the same signs and yet you say you believe the prophet because of the signs but yet when another man says what he says, and takes it to the Bible, why are you not consistent in believing the same God is also with that man, backing up what he is telling you with His personal Presence.

Now I can say why was Miriam, Moses sister so indifferent toward Moses and the things of God, that God had to slap her down with leprosy? Well, because that was her brother. She was too close to the man. See, look the man, he's born in sin, shaped iniquity come forth, in the world speaking lies. But when God gets a hold of him, he's changed. He says what God wants him to say. All right.

But you see the deception is, that by getting the people to gather to their church, they think that way you are gathering them to the Lord, but you are bypassing the Word by doing so. And you are gathering only to that man. That's the greatest deception and it is taking place all across the message. They say, "We are the bride", You know what you say. I only hear that in the message. No, also the Catholics. I was raised in the Catholic Church. They say we are the bride of Christ. No, they're the bride of Satan. I'm sorry, but they are the bride of the devil. Because all you have to do is look, they bypass the word. They go right to what the church says.

They say, "We are the bride", we've got the truth, and what are they gathering the people to? To the Truth? I don't think so. But they are only gathering together the people to their church with its traditions and creeds. Like come down the aisle, genuflect before you go in. If you go in, you're a Protestant. But if you genuflect, it shows that you were raised in the tradition of the Catholic Church. So it shows who you are. And what do you get? You get emotional and charismatic gatherings. And all of that is flesh without the Word.

That's why I was so opposed to the fake revival that was actually organized in Kentucky. Listen, Brother Branham said you've seen your last revival. Why, because you've seen your last Word. That's your last Message. You can't have a revival based on emotions and a gathering.

That is why I was so upset a year ago when people who claim to follow Brother Branham's Message, traveled across state lines to check it out. If they would have believed the prophet, then they wouldn't have wasted the gas money. Then they would have realized there was nothing to check out. But they let YouTube guide them instead of God's Holy Spirit.

Instead of opening their Bibles and saying, now I'm going to compare my Bible, what it says, and what they're saying. Well, they're saying, we're LGBT, but we're saved. We love God. My Bible says you're lost. They say, well, I was doing this, I was doing that, but, I'm saved. And just because I'm attending this revival and you got these emotions too, makes me feel bad for my life.

And you say, well, but aren't you one of the leaders on campus of the gay movement and of the LGBT movement? Well, yeah. But, God doesn't deal with you. I'm sorry. You're not part of His number. God does not deal outside His word. Now, I preached this to you about the fact, that the reason why God could hate Esau before he was born, is because Esau wasn't in God's mind before he was born. He was an intrusion and God said anything outside of My word will never make it. If you didn't have representation back then, you won't have it at the end.

I'm sorry. That's why He can say these are weeds. These are tares. But these are wheat. Because these are wheat, gather them into my barn. My garner. In other words, they're my possession. But take the tares and bundle them up and burn them. Get rid of them. They weren't in the Word to begin with. They weren't in the original plan. They were interjected by the beast and Eve.

And Eve even, she was not in the original plan, but she was part of Adam. See,

the reason why she's going to make it. She was a part of her husband, all right. She was a part of Adam and he was in the original plan, but she wasn't in the original plan. And she had sex with the serpent. And he begets, many more of the children of the harlot, than she, which has a husband. So you see, like you, there might be a few, a handful of people around the world that believe the truth, see it, and it's surreal to them. And the rest of them are just going on like we've got tomorrow to live for. We don't have tomorrow to live for. We have today. All right.

I know you plant your potatoes, but if you're planting potatoes, you better believe that He's coming anytime. In other words, it doesn't matter how much value you have in your potatoes, how much income you've got that's going to come in or how much you know your silver is going to be worth in 10 years or 20 years or 30 years. And no matter how much you think you know your cars and your houses and everything else is worth, it's all going to burn. So why do you let that become your absolute in life? Why aren't you living for Christ every moment of the day?

You only get revival based upon the Word. And God is Holy and won't use people to start a revival based on transgenderism, and not repentance based on the Word. But what did they promote? The same old denominational thinking. That is dead. But God came down with a SHOUT, that was a Word for this generation, and He is done, and there is not going to be another revival until the Resurrection. Until we are caught up to be in that resurrection season. Don't you know the very word revival means to make alive? How can God bring anything to Life outside this revealed Word? He said so. The Bible says so. Ephesians 5:13. Nothing is manifest except through light. All right. The Bible says that only the Light can make life. Only light will make life.

Ephesians 5:13 *But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light.* (So you can't have a seed that manifests unless there's light.) **14** *Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light.* And if you walk in the light as He is in the light, then you have fellowship.

So, when we saw this event take place down in Kentucky, we gave it the Word test and the word test says Life only comes by the Revealed Word. So, what was it? A planned event? Yeah, it was. A staged event? Yes, it was. They could count on the dummied down of the people and gave them testimonies based on emotion, and the people fell for it hook, line, and sinker. Which they called a revival and the dead churches across the Midwest picked up on it and tried to call it a revival from God and they came up short.

It's either the Word, and only the Word, or it is just religion at its best. And we don't seek religion, that is a covering, we seek "Thus Saith the Lord".

Ashamed of Him 65-0711 pp. 61 *And remember, you might meet a spirit that would act like God. You might meet a spirit would do this, that, or the other; follow it a little bit and **see how it compares with the Word of God.** That's just perfect. All you had to do was just open your bibles when that revival took place.*

*You might meet a spirit that would tell you you're saved, and give you a glorious feeling, and you'd shout and scream; then **it comes to denying the Word, how can the Holy Spirit, that wrote the Word, deny His Own Word?***

*That Spirit must punctuate every promise of God with an "amen." **If it isn't, then you never met God; you met a deceiving spirit. And the world's full of it today.***

But when you see God come down and make a statement that He's going to do a certain thing, then it comes back and does that time after time after time, then you've got a genuine Spirit of God. How could a Spirit be on a man, the Holy Spirit that wrote the Bible, then turn around and deny, "That's not right; that was for some other day"?

*He said, "**The promise is unto you, and to your children, to them that's far off, even as many as the Lord our God shall call.**" That was **Acts 2:38.** **How can a spirit then accept anything different from that, and be of God, when **Hebrews 13:8** said, "**Jesus Christ is the same yesterday, today, and forever**"?***

Now has somebody gotten up in their testimony and said and spoke in the message? OK, spoke in the word of God said, Behold, Elijah shall come and restore all that we're in God, to begin with, and start to teach them the doctrine. And then they had a revival. Then I'd say that's genuine, except for the fact that Brother Branham said it would never happen. Then I have to come back and say, OK, how are they teaching that God sent the prophet? What are they doing? All right.

Going beyond the camp 64-0719E pp. 82 *If there be those here who doesn't know Him and has never went beyond the camp of some church affiliation, yet you profess to be a Christian... But when you say these things, "I believe it was for another day," that shows it cannot be the Holy Spirit. **How can a man that's filled with the Holy Ghost ever be baptized using the name of Father, Son, Holy Ghost, when Paul, the great apostle, said, "**If an angel comes from heaven...**"** You might've done it one time not knowing any different.*

So what are you all going to do when the government, if they have their great deception, where they can project in the skies, holograms of angels coming down, of flying saucers floating around and all these things? Are you going to get afraid or are you going to say, it is about, that time when God's coming to get me? He said your theophany will drop down and you'll be changed. I'm looking for that day.

Those people did it not knowing different in Acts 19. But said, "If an angel preaches anything different, let him be accursed. And let it be what? Well, you can believe what you want. I'll believe what I want. No, he says let him be accursed. That's a strong word. Let him be accursed. Let all of these churches, and I'll just say it, that claim to believe the message of God and are not preaching the message of God. Let them be cursed and fall into what? Deuteronomy 28, verses 15 through 68. What is that? All the things that are going to happen not only happened before, but they're going to happen all of them at once. During the tribulation you won't be able to hide, because cursed is he that goes and comes, so it doesn't matter where you're at. But accursed is he that's in the city and cursed is he that's in the country.

Well, the same curses are going to be in the city, are going to be in the country. And the same curse is in the basket. Your storehouse in your basket.

Yeah. Even though you think you've got, years and years of food, you're going to make it through and everything else. You know what? You're not going to be able to make it unless you're in Christ. And if you're in Christ, then you're in Deuteronomy 28:1 to 15. The first part of 15, you're in. Blessed are you in the storehouse. Blessed are you in the basket. Blessed are when you come from the city, Blessed are you in the country. Blessed are you. Wherever you go, you come in, you go out. You're blessed because you're a blessed people because when did you receive your blessing? Before the foundation of the world. Ephesians 1, Three to five. Wow.

Those people did it not knowing different in Acts 19. But said, "If an angel preaches anything different, let him be accursed.

" How can you accept some creed, or some ism, some something another when the Bible said the promise is unto you, this same thing, the real baptism of the Holy Spirit...How can the Holy Spirit that wrote the Word be in you denying that same Word? How can It deny, when the very Holy Spirit Itself said, "If any person shall add one word to This or take anything from It, I'll take his part out of the Book of Life." How can the Holy Spirit then take anything from the Word or add anything to the Word?

It can't be done. So how is a serpent seed someone who came from the lineage of Eve and the serpent going to make it to the New Jerusalem? They're not going to make it. They weren't there to begin with.

From the **Voice of God 63-0120M pp. 37** *So many confuse things. The people get up; they don't know the Word, and they say things, and maybe it sounds very reasonable. Communism is a very reasonable thing: "Everybody the same. There's no more capitalists; they're all communists." **Did you ever stop to think that that's a false revival, communism is? And where did he pattern it all after?***

*Jesus said, "**The two spirits would be so close, it would deceive the elected if possible.**" And everything the Devil's got, it's a perversion of what God created. **Sin is righteousness perverted. A lie is the truth misrepresented. Adultery is an act that God ordained us to, perverted. All unbelief is the perversion of belief.** You have to deny the truth in order to take the perversion. See, straighten out these voices; **test them by the Word and see if it's truth.***

Don't just turn on their YouTube station or their website and say, oh, I love their music. I'll sit through their preaching so I can hear their music. Go ahead. You're listening to the devil. Just like Eve, you're listening to the devil. Turn it off. If you like their music, then get their record all right, but don't listen to that false preaching.

Let's bow our heads in prayer.

Gracious Father, we're so thankful, Lord, that You've called us to Your word and Your word only. And everything else to us is a lie. And so, Lord, let it be. If I've got a grumpy spirit, people think, oh, I'm just against everybody, then let them think that, I don't even care. All I care about is what the Father has taught us.

All I care about is what You have said and You vindicated it through your prophet. And even in this ministry, you vindicated it by coming down and showing that it's the same. It's the same thing. And so, Lord, we just pray that we will be yielding only to Your word. In Jesus Name we pray. Amen.
