

Satan's Eden No. 175
Questions from the Ministers from June 2024
July 7th, 2024
Brian Kocourek, Pastor

Let's bow our heads in prayer.

Gracious Father, we're so thankful to be here, Lord, and knowing we don't have many days left. But we know that it seems if your prophet said, that He would come, and that the resurrection would be in the springtime, then we have a few more months.

So, Lord, just help us to make the best of it, preparing ourselves for we know that Noah was only in the ark for seven days, and yet we're in here for about six months. So, Lord, time is blending with eternity, so help us just be focused on Thee. In Jesus name we pray. Amen.

You may be seated.

Now, this morning we're going to answer Ministers Questions. This is Satan's No. 175. And I actually have three more questions that just came in the last day. So those questions will be actually given in July. And I'll let the ministers know to send me the rest of their questions in the next week or so, so that I can prepare them. But anyway, they came in late, so they didn't have time to make the cut. And that's what I told them. So anyway, now.

Question no 1. This is from South America. It's about an aspect of God's Sovereignty. Can you talk about the issue of **free will**, and whether salvation can be lost?

How can the compatibility between absolute Divine Sovereignty and human freedom be reconciled in salvation?

How can God be absolutely sovereign, and humanity have the freedom to choose?

Well the scripture says, and I'll just bring it out here, that *There is a way which seemeth right unto man and the way thereof is a way of death*. And the scripture is twice spoken of, in **Proverbs 16:25** and **Proverbs 14:12**.

So, *there is a way which seemeth right unto man. But the way thereof is the way of death*. So that's your free will. I don't think I want it. I want *all things to work*

together for my good. And I can't do it myself. So I'm depending on Him to do it for me.

Answer to Question no 1) Concerning free will and whether once you are saved, can you be lost? And how can we reconcile God's will and His sovereignty with our will and lack of sovereignty?

Well, if you're reading the scriptures, you know that the prophet of God taught us that once you're saved, you can't be lost. So whether you are saved or whether you think that you're saved are two different things. All right.

Well, my brother and sister, if you were in God's mind before the foundations of the world, and therefore He put you in the Lamb's book of life, there is no way you can take yourself out of.

You can no more lose your salvation than God can make a mistake by saving you in His mind before the foundations of the world and placing you in that Book to begin with.

Jesus said in **John 10:29** "*No man can pluck them out of my hand,*" and that means you yourself cannot even do it, because He said no man. Oh, you say, well, I'm a woman. Man, Generic, okay? In other words, men.

So, you can no more lose your place that God ordained you to, than you could make your own decision to choose God. Think about that. You can no more lose your place that God ordained you to, than you could make your own decision to choose God. Who made you choice, to choose God? It's not your choice, it's what He placed in you from the very beginning.

Jesus also said in **John 15:16** "*Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain.*"

And when did God choose you? Before the foundations of the world. Did you choose Him before the foundation of the world? No. You didn't even know.

Then so much for your choice. You have none, or your choice makes no difference to God. That is how you can look at man's human will, his so-called free will. If God chose you then that's it, end of debate. Okay, that should make you feel pretty good.

Jesus said in **John 6:38** ***"All that the Father giveth me shall come to me;*** (When did He give you? Before the foundations of the world. He didn't say you might come to Him, if you make the right choice. Did he? No. You see, you're putting too much of your own salvation on your own thinking, and it doesn't make any sense.

He said ***shall come to me.) and him that cometh to me I will in no wise cast out.*** No wise cast out. You can't lose your salvation.

38 *For I came down from heaven, **not to do mine own will,** I threw it out. **but the will of him that sent me.** Therefore, Jesus even denied that His own will was anything, and that God's will is supreme. **39 And this is the Father's will which hath sent me, that of all which he hath given me I should lose nothing but should raise it up again at the last day. 40 And this is the will of him that sent me, that everyone which seeth the Son, and believeth on him, may have everlasting life: and I will raise him up at the last days.*** So much for your choice. You have none. So, what do these 2 things mean? It means that God chose you before the foundations of the world. You were in His mind, His thinking back then, and His thinking is eternal. He says so in **Ephesians 1:3-5** ***3 Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ:***

4 *According as **he hath chosen us in him before the foundation of the world,** that we should be holy and without blame before him in love:*

So get it out of your mind that you'll ever be lost. He brought you this far, can't He take you all the way through. Then **5** *Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will,...*

So, He chose you, and then He predestinated by placing that desire in you to make the right decision to become a son as He ordained you to be. We will see this when we come to **John 1:12.**

But first, look what the Bible says in **Matthew 6:27** ***"which of you by taking thought can add one cubit to His Stature."***

Did you have a choice in your human DNA? Come on, anybody. Yes or no? The answer is NO. Then why would you think you have a choice of your Spiritual

DNA? Do you think you made yourself a Son of God? I mean, can the child birth himself? No. Someone gave birth to you. It was God. That is contrary to scripture. Now, as we see in **John 1:12** *But as many as were made in such a way as to receive him, to them gave he authority to become the sons of God*, (to become what you are,) *even or in the same way them that believe on his name: 13 Which were born, not of blood*, (He's telling you it didn't come from your parents,) *nor of the will of the flesh*, (It didn't come from their desire to have you) *nor of the will of man*, (It didn't come from your desire,) **but of God**.

So, it all depends on who gave birth to you. Either God? Or were you a product of some incubator in a denomination?

In other words, you didn't just stumble into this Message one day by happenstance, you were ordained to it from the beginning and could not have come if God had not drawn you first to come. It's not by chance I come across the message in 19.. Whatever. God brought me to the message, He ordained the footsteps of the righteous, they are ordered of the Lord. Though he fall, yet God will not utterly cast him down. He'll raise him up,

Jesus said in **John 6:44** *No man can come to me, except the Father which hath sent me draw him: and I will raise him up at the last day*. Again, in verse **6:65** he said, *“And he said, Therefore said I unto you, that no man can come unto me, except it were given unto him of my Father.”*
Its out of your hands. I like that.

Now, you have seen some scripture on this but what did our prophet teach on this?

Thinking man's filter 65-0822E P:73 *What's it drawing? It's drawing through the Word*, (In other words, like Brother Vayle used to talk about, water up to the ankles, up to the thighs, and then high enough to carry us over. Remember him saying those words? All right. In other words, you're drawn by the word.)

You can't help it. You turn the spigot, you open the spigot, and everything in that sink goes down the hole. Unless it's just too big to go down the hole. All right? So, it just happens. He said, *It's drawing through the Word because you are a part of the Body of Christ of this age*. Of this age.

And if that Word is in you, It can only draw through the Word the Spirit that quickens that Word that's in you. Just the Word alone won't live. That's the

reason, *"All the Father has given Me will come to Me, and if I be lifted up, I'll draw all men unto Me."*

In other words, you can't drain the sink unless you pull the plug. Just the water won't do it. You got to pull the plug.

See, see? The Father...The part of the Body of Christ that's in the world, predestinated, put into the heart...

Any man that's a real Christian, borned again today, knows since he was a little kid or a little girl, either, that there was something in you that hungered for God.

And you tried joining churches and everything else; it wouldn't work. What was it? It was that Word. You was hunting for a Filter, and one day It flashed before you;

I left the Catholic Church. I knew that was wrong. I mean, just common sense would tell you it's wrong. Who goes to the secretary to get things done? You go to the main man. Okay? I sat at the university and I argued with the priest. I said, how could Jesus be born and be eternal? And how could a finite woman give birth to an infinite God?

In other words, he just didn't have answers for it. You got to believe in a holy trinity. You got to believe in a God and a Father and the Holy Spirit and this and that. And I said, just a minute, just a minute, just a minute. I don't understand your logic. If Jesus was born the son of God, then He wasn't eternal. He wasn't eternal before the foundations of the world. He became co equal with the Father when He was adopted because God gave Him 50% of what's His.

And you tried joining churches and everything else; it wouldn't work. What was it? It was that Word. You was hunting for a Filter, and one day It flashed before you; You seen Jesus Christ the same yesterday, today, and forever. That satisfied the taste. See? 'Cause life was in you drawing. See the life in you is drawing; it's set on what desire you got here. You're pulling... You can't pull through this, and that, and the other; you've got to find that right Filter, 'cause you're a thinking person. See? If you're a thinking person, you are predestinated, or filtered from the, -'fore the foundation of the world.

So take everything back to the beginning. You take marriage and divorce back to the beginning. All right? You take salvation back to the beginning. Brother

Branham said, if you are saved, you always were saved. If you have eternal life, you always had eternal life. That's really a good statement, because there's only one form of eternal.

So, God chose you in Himself, a part of God, before the foundations of the world, and He predestinated His Son to be a bleeding dying lamb, when, before the foundations of the earth at the same time.

And He then predestined you coming forth as a believer by drawing you, which means that He actually put that choice in you to come, and He placed that desire in your seed.

It is no circumstance that you just stumbled into this Message, **He drew you to it**, knowing He had already called you to come, and believe.

He made you that way, so you didn't make it that way yourself. Pat yourself on the back. I can't even do it anymore. I knew a guy one time, he could wrap his arms around his whole body. He's pretty, pretty limber, but I couldn't do that. You didn't choose Him, He chose you.

So, get that free will out of your thinking. **It's not your free will, it's His free will.** Anyone who holds on to free will is going to end up in death. Because there is a way which seemeth right unto man, and the end thereof is a way of death.

Romans 9:15 says, *"It is not him that runneth, nor is it him that willeth, but it is God that showeth mercy."*

You know, if I were to plan out my life when I was 22, Brother Branham said 22-23, so when we came to know Christ, but if I were to plan out my life at the age of 22-23, it would be a horrible mess. But God has planned it out.

So why do you think you believe, and others don't believe? Paul said in **Philippians 2:13** *"it is God working in you (both) to will and to do."* Who's doing the willing, God, and who's doing the doing, God. Because remember, as Jesus said, I only do what I see My Father do.

So, you couldn't will, nor could you do unless *"God was working in you to will and then to do"*. The problem I see with men is that they are not sure of their salvation. So, then they aren't even saved yet. Men want to be in control of their destiny. I don't want to control my destiny, I want Him to control my destiny for me, and then I am guaranteed that *"all things will work together for my good"* which is what Paul said in **Romans 8:28**. You think that because you did

something wrong that God will never forget that you made a mistake. Now, your wife/husband might, but God won't.

And that is probably because you misread the scriptures wrong all the time.

1 John 3:7 *Little children, let no man deceive you: he that doeth righteousness is righteous, (is rightly wise) even as he is righteous. (or rightly wise)*

8 *He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil.*

9 *Whosoever is born of God doth not commit sin; for his seed remaineth in him: and he cannot sin, because he is born of God.*

Now, most people read this wrong as though the man that is born again it is impossible for him to sin. But this word commit is not even in the Greek, so the issue is not whether he commits sin, but whether does he initiate sin or not.

He that is born of God does not initiate sin. In other words, you might fall into the trap, but unwittingly you do so. You don't plan and plot how you might disbelieve, you just fall for the devil's temptation.

David didn't set out to commit adultery, he went to the balcony to look over the city and there was Bathsheba naked, taking a bath on her house top.

The steps of a good man are ordered by the LORD: and he delighteth in his way. 24 Though he fall, he shall not be utterly cast down: for the LORD upholdeth him with his hand.

Now, if God can forgive, why can't you? If God can say, okay, you're a sinner, shaped in iniquity, come forth the world speaking lies, but you're saved. Why can't you?

Jesus said in **Matthew 18:21-22**, *Then came Peter to him, and said, Lord, how oft shall my brother sin against me, and I forgive him? till seven times? 22 Jesus saith unto him, I say not unto thee, Until seven times: but, Until seventy times seven.*

Now, I know there's nobody in here who makes a boo boo with his wife or with her husband or as a child makes a boo boo before his parents. 70 times seven. That's 490 times a day. 490 times a day. Now how many of those hours are waking hours? Maybe twelve. Maybe 16 at the most. So in 16 hours, you're going to make really bad mistakes, at least four times. What if you're a twelve hour sleeper? Well, then your odds of making a mistake are even less than four times. Okay, so get it out of your thinking. If God can forgive you, why can't you forgive one another?

So, it is not about making no mistakes in your life, we all do it. It's part of growing. A little child begins to try to walk. He doesn't walk. He falls. And his daddy's there or mommy's there to help him up. That's what you're supposed to do with your brother and sister, help them up.

In fact, I can show you many quotes from Brother Vayle where he said Brother Branham told us "*There is no perfection this side of the resurrection.*"

Now Brother Branham didn't say those exact words, but he said the same thing in other words.

62-1014M - The Stature Of A Perfect Man, Rev. William Marrion Branham
367 ... So, **this Church has got to come to perfection,** (If she has to come to it, she is not there yet.) **in order to bring the resurrection.**

Masterpiece the 64-0705 P:87 Notice. The seed is coming up. That Life is coming up, not going back. There'll be no more resurrection after this. The Life is coming up to go to its perfection, a resurrection.

That's why you won't see perfection this side of the resurrection. It's in the resurrection.

Jehovah Jireh 59-0417 P:37 ... But all that's got Eternal Life, God will bring with Him at the coming of Christ. And you'll resurrect, not an old man and woman, not a little bitty baby, but you'll resurrect to the perfect young man and young woman of about twenty-two or twenty-three years old. You'll be like that forever in the Presence of God. That's exactly the truth.

Now, how many know of enigmas? You know puzzles? All right, so you have a puzzle piece. And you pretty much got the puzzle complete. But you got one piece left. And you look at it, and you're looking at it upside down. So you can't fit it in. You turn that thing around, and all of a sudden it matches. And you place

it in, and voila the picture is done.

Right. What is there about what he just said to us that's so startling? You come to Christ around 22-23 years old. And that's the way you're going to be for an eternity. So when you reach the picture in God's mind. Of what he saw you like before the foundations of the world. And you reach, and that picture is the same. Boom. The spark flies. And you become what you were ordained to become. You see that? Isn't it wonderful how 20, 22, 23 years old, all of a sudden you give your heart to the Lord.

Really, you might have been a Christian. You might have gone to church. You might have. But you know what you were doing. You know the facial poses and everything else. But all of a sudden, something strikes you. That's because that piece matched up with that piece. And now you've heard from your theophany. It's, like, not going to happen till then. You hope as a young child. They'll give their heart to the Lord. And live right and everything else. But he knows at that time, boom. That's when they are just like they will be for eternity. And they will spend eternity in that condition forever.

Now, from **Blind Bartimaeus 57-0809 P:77** *And you and mother will be young there forever in the very prime of life.* (You two will be the same age. You know that, you will be Sisters) *I can prove it by God's Bible. It's a promise. So, what makes you long? What makes you long for health? What makes you long for perfection? Is because there... You in this life are the negative. If this earthly tabernacle be dissolved, we have one already waiting.*

Now I know we read the Scripture that says, "*be ye therefore perfect even as God is perfect.*"

And Brother Branham explains that to us in **Water of Separation 55-0121 P:14** *God looking through the Blood, He doesn't see you no more as a sinner, He sees you redeemed. Amen.*

You're redeemed because He only sees you through Christ. That's the reason we can be perfect. Not perfect in the sense of sinless, we're perfect in the eyes of God when we're in Christ.

That's the reason He said, "Be ye therefore perfect, even as your Father in heaven is perfect.

"Paul in the 10th chapter of Hebrews trying to explain the law having a shadow of good things to come, not the very image of the things could never make the comer unto perfect, because God was looking through animal blood.

But now He looks through the Blood of His Son. Perfection come by Jesus Christ. Now, I'm not perfect in your sight. You may not be perfect in my sight. But what about in God's sight?

Then I like to ask the question. Are you looking with God's eyes or your own eyes? Come on. You think it should be this way when maybe God wants it that way?

There's where it lays. And if you're borned again into the body of Christ, then God looks upon you as a perfect as Christ was Himself.

*Amen. **Nothing you can do;*** (Well, isn't a choice doing, isn't accepting Christ's doing. Nothing you can do.) ***it's not by any works you can do at all.***

It's by grace God has give you this offer, and if you've accepted it, in the sight of God you are perfect, redeemed, washed in the Blood of the Lamb, Without fault, without blemish, without spot. Isn't that marvelous?

So, if you were in God's mind to begin with that is the only way you can ever possess eternal life, because God is the Only Eternal One. The prophet taught us that.

He said in his sermon **Leadership 65-1207 P:37 There's only one form of Eternal Life, and that comes from God.** And He foreordained every creature that would ever have it.

Just as you were the gene in your father, you was a gene in God, one of His attributes to begin with, or you'll never be There. (Brother Steve, I am afraid if you weren't in your father, on this earth, you would not be a Gray, you be some other name, but see, you were in him, and you're also in your Father, who is in Heaven.) ***You come forth in the bedding ground of your mother; your father didn't know you; you were in his loins.***

And when you come forth in the bedding ground of the mother, then you become a human being and are made in the image of your father, now you can fellowship with him.

And the same thing by God, if you got Eternal Life. The life that you come in, the natural life, physical life, that was by your father.

And the only way you can come borned again is the only way, is it has to be from your heavenly Father, His attributes. "All the Father has given Me will come to Me." See?

You are here because your name were placed on the Lamb's Book of Life before there was even a foundation of the world. That's exactly right.

You're older than the mountains. You've heard that expression, boy, he's older than the mountains. Yeah, you are. You're in Him.

You're a gene, a spiritual gene out of your heavenly Father, a part of God's Word. That be so, as I've said, then you was with Jesus when He was here because He was the Word:

you suffered with Him, died with Him, buried with Him, and rose with Him, and now setting in heavenly places in Him.

I remember as a young child and I said, I read my Bible for the first time. I was about 18. And I saw all the agony, all the suffering that Jesus did for his brothers. And I said, Lord, why couldn't I have been that brother? And those words coming out of a babe were exactly what the prophet is saying here. You did die with Him and you did raise with Him.

Sirs we would see Jesus 64-0304 P:8 *Now, if you were in His thinking at the beginning, if you've got Eternal Life,*

there's only one form of Eternal Life, Eternal Life had no beginning and it has no ending. So, if you have Eternal Life, you were an attribute of God's thinking before there was anything but Him.

Your form, your shape, and what you're in now, is just a negative, when you come up to around twenty, twenty-two years old. There you go. So he says that again.

You were a negative, and death develops the picture to the positive, that when this earthly tabernacle be dissolved, we have one already waiting. See?

And since you were part of Him, to begin with, then you are a son and always were a son, you just didn't know it.

Question no. 2.- Can you talk about the topic of the new world order? Can we talk about a new world order inspired by Satan and a new world order that will be established by God?

Answer to Question no. 2) Well, in **Satan's Eden** Brother Branham talks all about how God took 7 days to create His World Order, and how Satan has taken 6,000 years to pervert his new world order which is very apparent as we view what is going on.

The fact that man calls it a New World Order ought to show you they have turned down God's Order, for Satan's and thus call it a New World Order.

There is not much more that I can say about it, but we know through Scripture and **The Future Home of the Heavenly Bridegroom, and the Earthly Bride** that William Branham preached that God will bring His order back in the Millennium first, and then when He creates a new Heaven and a New Earth. Then God will have His world order.

Question no 3) Questions from African Ministers

From **QA Image of the Beast 54-0515 P:18** Brother Branham says, *"And Communism, we found out, was not no antichrist that Jesus spoke of. **Communism is not a nation like Russia; Communism is a spirit.***

If it was a nation, then you would only have it in that nation.

*America is eaten up with it. **It's in the churches; it's in the people; it's in business;***

And, you know, McCarthy recognized that in the 50s. And he started to try to bring to the attention of Congress all of the communism in Hollywood and different places. And they mocked him, made fun of him and everything else. He was right. Brother Branham says so.

So, the question is: Since years ago, we placed Communism only in Russia. Well, I didn't do it. You did. You might have, but according to the quote above, what does he mean by:

- a) communism is a spirit.
- b) And so how does it work exactly in politics, churches, people, business, etc.?

Answer to Question 3) What Brother Branham is letting us know by this statement that communism is not a location. It's a belief system. It's a spirit. Because if it were then how would you explain how Russia went from a capitalistic country under the Czar to communism under the rebellious Spirit of the Bolsheviks.

So they were a capitalist system under Russia. Went to under Bolshevism, they went to a communism. Then they got right with Christ again, and now they're a Christian nation, probably one of the only few left in this world.

It was a rebellious Spirit that anointed a people and then grew among the people of that country. That's how communism spreads. That same spirit has anointed the people of the USA, and they are doing much the same as they did in Russia.

That in itself shows that it is a spirit.

How is it that you can be born a man and somehow you think you're a female or born a female, and somehow one day you happen to hear your college professor tell you you're not a woman, you're a man?

Question no 4.) Please explain this expression “**Cancel culture**”?

Answer to question no 4.) Cancel culture is another word for boycott. It means the cancel out or boycott you right out of the picture as though you don't exist in their mind.

You see, you can be a democrat your whole life, espouse all the democratic ways, but as soon as you wake up and say, well, just a minute, these things are wrong. If I'm a democrat, I'm in a satanic cult of death because I believe in aborting kids at birth, and I believe in changing my sex. So I don't have children at adulthood, whether I want to be homosexual or a lesbian or LGBT whatever, I don't want children. I will have a dog or a puppy, and that's good enough. That's a culture of death. That's a cancer of death in the human society.

In other words, the Bible in Revelations warns of the boycott, correct? And we see they boycotted all who did not take it, buy into the mindset that is controlling the world.

You couldn't even take an airplane if you didn't wear your thing over your face and get yourself injected with all kinds of evil, which has been proven by science now that this thing was totally evil. It's caused myocarditis, all kinds of cancers.

Everything else, women's and 300% have lost their ability to have children. 300th, that's three times.

In other words, the Bible in Revelations warns of the boycott. And we see they boycotted all who did not take it, and buy into the mindset that is controlling the world. Now, the Bible tells us that a boycott will be the evidence that if you do not think like they think you will be boycotted from Society.

The international boycott which we call cancel culture was just the optics, to let us know what is coming. They will use Crypto-currency to keep us from buying and selling. That's what the Bible says. China has a social rating, and they shut off your car and cancel out your bank account if your social rating doesn't comply with what they demand. And they've already done it in England and places like USA. Certain banks in the USA, if you're a Christian, you've been canceled out of them. We have seen other countries cancel your bank accounts etc.

Question no 5) In your sermon, **The Unveiling of God No.196, P 7**. You said communism. You're quoting Brother Branham.

“Communism, Catholicism and Cancel Culture ... “So, you see they used fighting communism as a ruse to bring the churches together, and yet “communism is a spirit,”

And it is a spirit of organization that uses certain tactics to set themselves forward, in order to come out as the top dog, and so they use Cancel Culture to do their work for them. This is myself speaking.

And remember in Russia only about 2% of the people were actually in the Communist party yet they ruled the 98% who were not.

So, the question is: Is there a link between “communism” and “cancel culture”?

Answer to Question no 5) Since Communism and let's face it Catholicism are both a spirit, then both will show forth the same Attributes and Characteristics. And they both used Cancel culture as a means to control the masses.

Why was it then that I was born into a catholic family, and I recognized at a young age that it's screwy? When I was in 10th grade, in our history class, I read that one of the popes, Julius II, had 22 illegitimate children. Another pope married his mother. These were evil and perverted people.

One pope became a bishop when he was two months old, his dad's Fiefdom was being attacked. So his dad bought a bishopric for the son, so they could not

kill the son because he was a bishop of the church. Good grief. Two months old and he was a bishop ruling over priests.

Question No. 6) You stated during your sermon, **The Unveiling of God 192**, *modern events made clear by prophecy, "When you see what is taking place I hope you will realize we are indeed at the very end.*

It is just the resurrection we are waiting for to get us out of here. Now, I have this up on the screen for everyone to see, but I want you to open your own Bibles to have a ready reference as to what is being said here.

*Mark down in your Book from **Daniel 8:23-25**, because this is taking place right in this hour we will.*

Now, these words were said in 2020 when President Trump was still president, didn't get tossed out on his ear until eleven months after.

So, our question is this: As we followed the presidential debate between President Joe Biden and the former President Donald Trump, and considering some facts during the election campaign of both candidates:

A) What will be your interpretation of **Daniel 8:25**, if President Donald Trump returns as the next US president?

Your supposing he will be elected but I'm saying he won't. Pelosi said he won't. They won't let him. That's what she said. They won't let him. That's what Hillary Clinton says. They won't let him. He will either be killed or they'll get rid of him some other way. Look, they've already nullified him, and he got passed some things that they weren't thinking about. So he went in and changed the economy, made the craft – the manufacturing to prosper, and things like that by his policies, right? They've got that all locked up now.

What will be your interpretation of **Daniel 8:25**, if President Donald Trump returns as the next US president? In other words, were you wrong? I don't believe I was, because God don't tell you something will happen, then it happens the way he said it and be wrong. God interprets His word by bringing it to pass.

Answer to Question 6A) You are assuming we will have an election. I do not believe the election will take place. They have used every trick in the book to destroy him in his first term in office, do you really think they will allow a second term? I believe it is over. I don't even think we'll get that far because they are

crazy and they got a crazy man in the office and we will go to war. There was a period of time that Noah was in the ark and had to sit back and wait. We are just waiting for the resurrection to manifest itself, that it is here. Everything is over. The powers that be, who have been running the country, (because we all know Joe Biden is not capable of running the country) and we have known this for at least 3 years now. So as Zelenski never held an election so will Biden.

Zelenski is a usurper of his government, because he is not voted in and his term has expired. He's not the president there. He's a usurper.

Question 6B) During the presidential debate, President Donald Trump refused to respond about what he would do if he lost. Is this attitude hiding a rebellion movement, which will lead the USA into chaos, as you said once concerning this coming election?

Answer to Question 6B) Well, my answer is, if you recall, the real rebellion was when the Usurpers who controlled the country were spoken of in **Daniel 8. Daniel 8:23** *And in the latter time of their kingdom, (Not God's) when the transgressors, (The rebellious, the LGBT, the black lives matter, all the people that burned and slashed and went across the country destroying everything, are come to the full, (And I showed you this Word transgressor is actually the Word rebellion.*

They've been rebelling since I was in school. They went from a dress code where the girls had to kneel down and their dress had to touch the ground, or they were sent home from school to a place where they even wore pants and shorts and halter tops and everything else.

And they have rebelled against the Laws of God, that governed our nation for years, And they allowed abortion to kill 30 million children. And they say they love blacks. They hate blacks. Oh, we love you. Go kill your children. Come on. If you love somebody, you don't tell them that. Kill your children. You say, have more children because we love you and we love people like you. No, they don't do that. And they have rebelled against the Laws of God, Abortion, marriage, one man, one woman. They've rebelled against all of that. It can't get any worse. they turned them upside down. They rebelled against our marriage laws of One man and one woman.

They turned against the sanctity of Life killing innocent babies as did Moloch. They rebelled against God's creation of man and woman and chose to create alternative genders, 72 at last count. They are insane and it is a spirit that anoints them.

It is interesting that Putin said the same thing when Russia was under Communism. They accepted homosexuality, they broke the sanctity of marriage and Life etc. Putin, he himself said, when we were a Russian Nation under communism, we did all these things that you're now experimenting with. We've been there, and we know it doesn't work. "We're back to being Christians".

But it says *a king* (world Leader) *of fierce countenance* (Strong and being harsh. He's harsh in his rhetoric- they don't like his tweets) *and understanding dark sentences*, (Enigmas. That's understanding how to put things together,) *shall stand up* (or come into power).

24 And his power shall be mighty, but not by his own power: (In other words, He comes to power, but it is not by his own power he takes control, but God places him in control for a season). A season to fulfill this word.

The name Donald means leader. The word John, that's his middle name, means "graced by God". So this world leader, who is graced by God, come on the world stage.

and he shall destroy wonderfully, Now, we people who are righteous think what he did in destroying or spoiling the plans of the mighty was a wonderful thing. (This actually says he will come in as a spoiler, spoiling the plans of the mighty. It does not say it is wonderful that he is destructive, but says his destruction is his tearing down the establishment as a spoiler.) "I'm coming to clean the swamp out."

and shall cause to prosper, and practice or government, (That's what the word means, government.) *and shall destroy the mighty* (Those who think they are the elites) *and the holy people*. (In the 1st seal Brother Branham actually calls these people the Wall Street Jews.)

First seal the 63-0318 P:157 And after the church is taken away, Rome and the Jews will make a covenant with one another. The Bible said they would, with the holy people. (That's the Wall Street Jews.)

And now notice, they'll make it, because why? This nation is going to be busted, and the rest of the world that's on the gold standard is busted. Or, that's on the gold standard.

You know that. If we're living off of taxes, due bills for forty years from now, where are we at?

You know what's interesting about this verse, what he's saying, he says this nation is going to be busted and the rest of the world that's on the gold standard is busted. The world is getting ready to go back to a gold standard, and then she's going to be busted, because she's busted. That's why she's going there.

You know that. If we're living off of taxes, due bills for forty years from now, where are we at?

There's only one thing can happen. That's to call in the currency and pay off the bonds; and we can't do it.

Wall Street owns them, and Wall Street's controlled by the Jews; the rest of it's in the Vatican, and the Jews has got the rest of it in Wall Street with the commerce of the world.

25 And through his policies also he shall cause craft to prosper in his hand; under his control.

Now Brother Branham said the ***craft*** was actually ***manufacturing***. So we got another clue as to who this person is.

Also in the 1st Seal, he said ***First seal the 63-0318 P:159 Like this fellow down here in (What's his name?) Castro did. He done the only smart thing he ever did do then, when he destroyed the bonds: paid them off and destroyed them. Notice, but we can't do that. These guys won't let us. The rich merchants of the earth hold it, and then there's only one thing to do: The Catholic church can pay it off. She's the only one that's got the money; she can do it, and she will do it. And in doing this to get it, she'll compromise with the Jews (Wall street) and make a covenant, and when she makes this covenant with the Jews... Now, remember, I'm taking this from the Scriptures. And now, when she does this and makes this covenant, we notice in Daniel 8:23 and 25 "he will cause craft to prosper" (And ***craft is manufacturing***.), in his hand.*** under his control.

"and he shall magnify himself in his heart," He will be a real narcissist "and by peace" (No other President had a term of World Peace, which was highlighted

by the Abraham Accords which are still governing the Israelis and Arab states.) And in doing this it *“shall destroy many”*: shall spoil many.

“he shall also stand up against the Prince of princes”.

President Trump is the only President who would not kiss the pope's ring, and actually, the pope was very angry with the president and outwardly opposed him. Remember, the pope's comment that Trump can't be a Christian because he wants to build the Wall, and Trump shot back, that means the pope is not a Christian because he hides behind a 400-foot wall around the Vatican. He stood up against the pope. So, the Words, *“He shall stand up against the prince of princes”* which is the pope. He is considered a Cardinal, and the Cardinals are called the princes of the Vatican. And he is a prince over the princes of the Vatican. He is a Prince of Princes.

“but he shall be broken without hand.” Now, this word, broken without hand means he will lose his power outside of his own control and it happens after he goes up against the pope.

26 “And the vision of the evening and the morning which was told is true: wherefore shut thou up the vision; for it shall be for many days.” So, the vision he saw is said, that it will come to pass, because it is true, but it will not come to pass until the end time.

27 “And I Daniel fainted, and was sick certain days; afterward I rose up, and did the king's business; and I was astonished at the vision, but none understood it.”

And if the vision made Daniel sick? What about the fulfillment of it? We are living in perilous times. And the prophet said we will understand the Word of God when God brings it to pass, and not until. So, if he was brought down by a deep state that was bigger than himself, the pope included because it was three Vatican satellites named Leonardo that captured the voting statistics and were relayed to the CIA in Germany and altered there. He did win in 2020 but the votes were altered. Recently the state of Georgia discovered that nearly 350,000 votes were altered as well as in Wisconsin and Pennsylvania and Arizona. There were no signatures on those election ballots. So, He should have won but God said he wouldn't. And if it is said that he would be brought down, not by his own hand, then it is by people that have more power than he had. So,

I see Scripture fulfilled and I believe he will not win because they will either take him down or there won't be an election. Or if there is and he does wins, he will never see himself in that position again. They'll kill him. So do not be distracted by the election. Get your eyes on the resurrection and be looking for it.

Now, I brought this out in **Unveiling of God no 137** the first time in January 19th of 2020, a full 11 Months before he was taken from power. It looked like I was wrong right up until 3 am when the polls closed, I would have been presuming and missed it, but at 3 am the fix was in, and he was out. He won't be back in. Now, I am not a prophet, but it doesn't take a prophet to believe God's Word. And when God gives you the interpretation of His Word by bringing it to pass, then we are expected to believe it. Or suffer the consequences.

"You receive God's prophet, you receive also that prophets reward". And when God's prophet gave us enough clues. Like he told us, that craft is manufacturing, the holy people are the Jews. And the prince of princes is the pope. I mean, he laid it all out for us. I didn't do this myself. He did it. Daniel didn't lay out the 70 weeks of Daniel himself, but when he saw the 70 years were nearly over, he got to reading the scriptures about it. And when God's prophet gave us enough clues then we ought to believe those clues the prophet gave us.

2 Chronicles we read, *"Believe in the LORD your God, so shall ye be established; believe his prophets, so shall ye prosper."*

What are the odds of one man making it to be president? I looked this up in Google, and it was one in 300 million.

Anybody in here understand statistics? You know, if there's like five elements that have to come to pass at the same time, you look at the difficulty of that thing and you say, okay, if there's one in 300 million, then if he's a world leader, it's actually one in about 8 billion.

Well, if he changes the policies, I mean, when he changes them and by his policies making manufacturing to prosper, now you're going to take 300 million. Times 300 million you've got.

Now here you had eight zeros, now you got 16 zeros. He's a narcissist. Well, you know, maybe not so many zeros, because if they can do that, they're going to do this. He going to be a peacemaker, oh, that's another eight zeros. And so

you add them all up, all the things he comes against a pope, that's another thing, that's a no-no. And now you've got another eight zero. Now you're up to about 50 zeros.

Anybody know what 50 zeros following a number is? I stop at quadrillion, I think there's quintillion, quadrillion, quintillion and quintillion, I think. Then Sextillion, Septillion, Octillion, nonillion, Decillion, Undecillion, Duodecillion, Tredecillion, Quatuordecillion. Etc.

And then I can stop and I'm about 30 zeros off because my mind can't go that far. But I did this in my sleep the other night.

I figured out how many zeros there are. So what are the odds of one man making it to be president and by his policies make manufacturing to prosper and this man is also a narcissist, while understanding enigmas and on the world stage as a peacemaker, but one who stands up against the pope on the world stage and will be brought to nothing by the acts of the same pope. What are the odds?

Come on, what are the odds? Well, you can't know those things because you're not a prophet. Well, I have God's word and God told me who's going to do it? One man is going to do all those things. Look up all those things in your bible. Has anybody done them in the world's history? No, except for lately. Now I went to chat GPT. You've all heard of chat GPT? It's AI. And I said, how can one man. And I said, I gave him the things spoken of in Daniel.

It said, "The scenario you're describing involves a series of highly specific and interconnected events, each with its own set of probabilities. Let's break down the components":

"1. Becoming President: The odds of one person becoming the President of a country depend on various factors such as political climate, public opinion, campaign strategies, etc.

Well, what about if he's the president of the United States? See, that's what I asked Google, I didn't ask if he's the president of Argentina. If he's the president of the United States, it's one in 300 million.

It's a complex mix of personal qualifications, political connections, and luck. Oh, is it really? For a single individual, these odds can vary significantly depending on the country and its political system. If the country is the USA 300 million to one.

Now, who ever heard of AI? Artificial Intelligence calling something lucky. That shows it was programmed by a human. Junk in, junk out. Okay, where does AI come up with this information? From a human.

2. Making Manufacturing Prosper by Policies: This depends on the effectiveness of the policies implemented by the President. Success in this area would be influenced by economic conditions,

International trade agreements, technological advancements, and global market trends. Oh, didn't he do a lot of those? Put tariffs on China and this and that. The odds would be influenced by the President's economic expertise, political support, and external factors beyond their control. When have we had a billionaire as president of the United States, a man who's used to making money, used to trade and everything else. All right.

In there making policies that change things. Well, then we add being narcissistic. See, it still hasn't come up with an odds times an odds. Right. It's afraid to answer. I shouldn't say afraid because artificial intelligence isn't afraid. It's just too dumb. It's too human inputted.

3. Being Narcissistic: Narcissism is a personality trait and not directly tied to policy outcomes. However, a narcissistic leader may exhibit certain behaviors that could affect their leadership style and decision-making processes. The odds of someone being narcissistic can vary widely among individuals. It's not much of an answer. Is that.

4. Understanding Enigmas: This depends on the individual's intellectual capabilities, curiosity, and exposure to various fields of knowledge. Understanding enigmas is more about cognitive ability and interest rather than probability. In other words, his IQ was 168. Only one other president had that high IQ.

5. Standing up Against the Pope on the World Stage: This would depend on geopolitical circumstances, the issues at stake, and the stance of both the President and the Pope on those issues.

It's not a common occurrence and would be influenced by specific events and the personalities involved. All right, this one alone. We go back to the beginning of the popes, and this one standing against the pope as a president of the United States. How many popes have there been? 20, some 30, some hundreds

and hundreds of years. Right? Almost 2000. All the people that lived in 2000 years stand up against the pope. Martin Luther did it, but he wasn't our president.

So this brings it down to about one in about maybe 20, 30 billion people that have lived since that time, over that time. So now, 300 million times 20 billion. I mean, the odds are really, really getting stacked up there.

6. Making Peace Prosper: Achieving peace involves diplomacy and negotiations. He's a good negotiator." You know what he did one time? He called in a bunch of Arabs that were causing a fuss in Afghanistan, and he said, "now we plan to peacefully remove our troops from your country. We're going to do it over time. But if one head of an American is killed, I'm coming for you, and we're going to destroy you" and the interpreter, there was only one there. He said, I can't say those words. He said, tell them. So he told the interpreter to tell them.. Then Trump whipped out of his pocket a picture of the leader's man's house, said, we know where you live. We're going to... And you know what? For 18 months until his term expired, For 18 months, they didn't do nothing. Not one American was killed. That's a negotiator.

conflict resolution skills, That's conflict resolution, isn't it? You kill one of mine, like the Russians said, we're going to send you first the ears, then the fingers, then the toes of your children and your wife, and there was no terrorism, okay?

and the cooperation of multiple parties. the odds of, now listen, God had to make sure that Israel, who's at war all the time with arab countries, and all these arab countries, signed this agreement, which is still in effect today. That's why all these countries are not helping Hamas, they're not helping Hezbollah, because those are not countries. These countries signed the accord. They're living by the accord.

The odds of successfully making peace would depend on the complexity of the conflict, historical context, international support, and the effectiveness of diplomatic efforts. Each of these points involves a combination of personal traits, circumstances, and external factors, making it difficult to assign specific odds to the entire scenario. What a cop out. I can't remember the exact number. But when they added up all the prophecies that Jesus fulfilled in just the last days of his life, it was like 300 or something. And they said, the odds, and I can't remember, but it was just like way out of this world. You know, the digits would surround the globe.

Furthermore, the interconnected nature of these goals means that achieving one could affect the likelihood of achieving others. It's a complex interplay of personal ambition, political skill, global events, and historical context. And you think a man like Biden, who doesn't even know the day of the week, doesn't know what city he's in, could do this. But Trump did it.

Daniel 8:23-25 And in the latter time of their kingdom, when the **transgressors** (great rebellion against God, the taking prayer out of schools, taking God's name off of anything that the government was associated with, they took it. Taking prayer out of the schools, taking the Ten Commandments out of the court systems, providing for abortion, making marriage between man and man, woman and woman, all these things. The great rebellion against God. In other words, it started in the fifties and,

are come to the full, a king (world leader Donald Trump. Donald means leader. John is graced by God. Trump and Trump, there's always a war) **of fierce countenance**, (harsh talker, His tweets are too bad. We don't want him in the office anymore.) **and understanding dark sentences**, (Now, listen, I'm not for Trump.) I'm not a Trump man. I mean, he's too vile. He's going to do a lot of same stuff. He did a lot of the same stuff. You know, his son wanted money from me. I said, listen, how can you make America great again when you've got homosexuals in the administration? You can't do it. Okay? So. And he lets those people around. So, I'm not for Trump, but I'm definitely against anything that's democratic. They're a cult of satanism. Okay? A death cult.

But enough understanding dark sentences, which is (Understands enigma's) **shall stand up**. (Come to power)

24 And his power shall be mighty, but not by his own power: (In other words he does not come into power on his own, God places him there.

Remember, Donald means Leader, and John means blessed by God) **and he shall destroy wonderfully**, (he shall wonderfully be a spoiler, spoiling the plans of the elite.) Now, that's what the word destroy means, is a spoiler. **and shall prosper, and practice, and shall destroy the mighty the Holy People** (which Brother Branham said in the **1st seal** is the Wall Street Jews).

25 And through his policy also he shall cause craft (Brother Branham also told us in the 1st Seal that this word craft is manufacturing) **to prosper in his hand;** (which means under his direction)

and he shall magnify himself in his heart, You know, Nebuchadnezzar did that. Remember that? Now God had to turn him into an animal. Okay? (He will be narcissistic) and by peace shall destroy many: (By His Abraham Peace Accords. The Internet says,

“These accords mark a significant shift in the Middle East diplomacy, as they have normalized relations between Israel and Arab countries, paving the way for increased cooperation and peace in the region.”

he shall also stand up against the Prince of princes; (The cardinals are the princes of Rome, and the pope is the prince of princes, which is what Brother Branham also said.)

Notice, after it says he takes on the pope, but he shall be broken without hand. (Which means his power will come to an end not by his own hand or choosing.)

Now, we are not to say, well, the Prophet never said that, so I won't believe it. That is because you don't believe all the prophets.

On the road to Emmaus, Jesus admonished those disciples saying, “*oh fools and dull of heart to believe all the that prophets have said*”. Jesus didn't say o fools and slow of heart to believe all that this prophet said. He said all that the prophets have said. So apparently you are a “fool” if you don't believe all the prophets. Anybody offended? We don't have any fools in here.

Countdown 64-0209 P:15 *But God in the spiritual achievement is going forward, not going backward.*

He's going forward, looking into the Word and believing the promises for things I got this quote from Brother Peter, and it came at the right time because I had already sent two copies of my sermon to Brother Sem.

I said the copy was done and then I sent another copy when I added all those GPT things, chat GPT and then I sent it again. Okay,

He's going forward, looking into the Word and believing the promises for things And I didn't tell Brother Peter I was doing this, so God put it on his heart to send it. So I added it.

He's going forward, **looking into the Word and believing the promises for things that never has come yet, for the spiritual revelations to manifest the spiritual things that God has promised. He sees them come to pass.** Just as the scientist in his laboratory are working on different things to help man taking creation; **the spiritual man is looking forward to something that God promised that has never yet been created.**

(In other words, he sees it in the Word and knows it has not been manifested yet, so he looks for God to manifest it. When he sees God manifest it, he knows it. Amen. He is not a prophet. Brother Branham said he is a spiritual man. *The natural man looks backward. The spiritual man looks forward. That's the way they've got that in the church. The natural church member looks back to what Finney, Sankey, Knox, Calvin. That was all right. But that was their day. We're looking forward for something else, a promise that's greater and higher, and what God has promised.* Science goes back to pick it up. We go forward in the Word of the Lord to find what God has achieved.

So we can see the word as it comes to pass. Why? Because you're spiritual. Why? Because you have a thinking man's filter. Why? Because you have the word. Why?

Because you were foreordained to have it all.

Let's bow our heads in prayer.

Gracious Father. We're so wonderfully thankful, Lord, for these words which we have spoken today, knowing that all were quotes and scriptures and everything else. And we know that we are a spiritual people to pick up on that. And so, Lord, thank you for giving us this revelation, because we saw it, Lord, manifest, come to pass. But in January 19 of 2020, I was only puzzled over one part, and that was, he will be brought down, not by his own hand. And I didn't understand that until they rigged the election, because even up to the time of election, I thought Trump had 100,000 votes. I thought he was going to sweep it. He was sweeping it. And then they stopped the polls and they cheated. And they, for every vote for Trump, they gave two to Biden. And when I woke up at three in the morning, it was over. The steal was done. And now even their own science proves that it was stolen. And so, Lord, we know that this man, Biden, came in not righteously, but came in by a stolen election. Therefore, by deception, this man of evil came in by deception. So we just commit this all to Thee, in Jesus precious Name. Amen.
