

Satan's Eden No. 213

The Lust Veil

March 30, 2025

Brian Kocourek, Pastor

Let's just bow our heads in prayer.

Gracious Father, we know it's raining out, but Lord in our hearts it is sunny. And Father, we just pray that You'd be with us today in service and help us to better understand the day and hour which we live. In Jesus Name we pray. Amen. You may be seated.

This morning, we have **Satan's Eden No. 213 The Lusts Veil**.

From **Satan's Eden pp.67** Brother Branham said, Notice, take our women. Now, **if you want to see what condition the church is in, watch the way women are acting.** She always represents the church.

Look, the Old Testament is replete with Israel committing whoredom which is leaving its husband which was God for another lover. In some cases, Balaam, in some cases, just idolatry, etc. A worldly headship.

We see this in **Judges 8:27** And Gideon made an ephod thereof, and put it in his city, even in Ophrah: and all Israel went thither a whoring after it: (So even an Ephod, I don't know exactly what that is, but they went whoring after it.) **which thing became a snare unto Gideon, and to his house.**

Now in order to go a whoring, she had to leave her husband for another to make love to. That is the very definition of a whore and a harlot.

And in **Hosea 9:1** Rejoice not, O Israel, for joy, as other people: for thou hast gone a whoring from thy God, (Notice from God) **thou hast loved a reward upon every corn-floor.**

Again, we see the type with Israel leaving God (her Husband) for another.

And again in **2 Chronicles 21:13** But hast walked in the way of the kings of Israel, and hast made Judah and the inhabitants of Jerusalem to go a **whoring**, like to the whoredoms of the house of Ahab, and also hast slain thy brethren of thy father's house, which were better than thyself:

Again, we see another time seeing Israel rejecting their relationship with God as their head in favor of another, to be their head.

And in **Judges 8:33** And it came to pass, as soon as Gideon was dead, that the children of Israel turned again, and went a whoring after Baalim, and made Baalberith their god.

Notice, by rejecting God's headship to the Word, they began to look to another to rule over her. But that is not where it ends. The New Testament church does the same thing as we see in various New Testament Scriptures.

2 Corinthians 11:1 Would to God ye could bear with me a little in my folly: and indeed, bear with me. **2** For I am jealous over you with godly jealousy: for **I have espoused you to one husband,**

Remember, in the beginning it was ONE husband and ONE woman. So, He promised her to be the husband of ONE which is Christ.

And Paul said, "**I am jealous of this relationship**". It is a trust. My promise to Him is that you would be a pure virgin, no other man-made creeds. "**That I may present you as a chaste virgin** (which is purified, Pure Virgin) **to Christ.**"

So, we see that in the 7 church ages the church was engaged to Christ. But they, (the church), lost her virginity by listening to other men and being seduced by what she heard. They followed the same pattern as Israel.

From the sermon, from [Lee Vayle, Trees, Books, And Fountains#1 The Tree Of Life And The Tree Of Death P:20](#), Brother Vayle said, "All right. It is the Truth that the Bride had, that absolutely saves her.

It is the sanctifying Truth of the Word that puts her in a position of virginity, because Eve lost her virginity by having another man.

The Church lost its virginity by going to a false Jesus, a false spirit, and a false word. How deep can you get? ...

In other words, the Church became completely pregnant to bring forth all kinds of bastards and illegitimate children. And we'll see that it did. Now we're talking about trees.

Look what the catholic church has produced. Just look at them all through the years. Look what Lutheranism produced. Look what Wesleyans produced. And look what the Baptists and Pentecostals produced. And even look what the people in this Message have produced.

I know People don't like me say that, but is the message in you? If the message is in you, I'm not talking about you. I'm not talking about believers in the message. I'm talking about make-believers claiming to believe the message.

Brother Branham said from, [Lord Just Once More 63-0628A P:44](#) In Pentecost, the requirement was not a mental test; it was a test of the Holy Spirit that fell down on the day of Pentecost.

That's out of the question to the people today. Did you know the Roman Catholic church was first the original Pentecostal church? It taken it two thousand years to get in the condition it's got today. [If this Pentecostal organization](#) (that's the Message included. Because he was not talking to a message church. He was talking to the Christian Pentecostals.)

[If this Pentecostal organization keeps on another fifty years, it'll be worse than the Catholic church.](#) That's right. Sin heaping on every side ... Now, you might not think that ... You might think I'm crazy, but I know where I'm at. See? It's true. You just wait; you'll find out. You just wait.

And look what the Pentecostals have produced by 2013? Remember, he said this 50 years ago. It's been 50 years, and we have money and sex scams right in the pulpit, and the people can't live any higher than the one who teaches them. The Bible says in [Hosea 4:9](#) **And there shall be, like people, like priest: and I will punish them for their ways, and reward them their doings.** So the people and the priests are just the same.

So just like Brother Branham said, there's something about where you go to church, where you learn, who teaches you. Because you can't live any higher than the one who's teaching you. All right? So if the one who's teaching you is polluted, you're going to be polluted. I'm sorry. That's just the way it goes. You better get up and out of those churches.

Brother Vayle said in [Shalom #14 Coming To A Virgin Mind P:11](#) In the beginning of the church ages, we had a church that was spoken of in [2 Corinthians 11](#).

Paul is speaking to them; and he says: [verse 2](#) **I am jealous over you with godly jealousy: I have espoused you to one husband, that I may present you as a chaste virgin to Christ.**

Now that's what he had been given of God to bring into existence as a foundation for all the Seven Church Ages and **the church**, which was to be built upon it. **She was to be a virgin.**

But notice, **she** loses her virginity, and what it means to lose her virginity. **3 But I fear, lest by any means, as the serpent beguiled Eve through his subtility, so your minds should be corrupted from the simplicity that is in Christ.**

And Brother Branham in many places (82 in all) where he says that the church, when she organized, she became a whore, which means you leave your husband.

Now from Seed Shall not be Heir 65-0429B P:54 Still, we find out in this age that we're now living (See?), that the womb, the Pentecostal organization looked just exactly like the real thing.

But did you realize that **Revelation 17**, it called the Roman Catholic church, the first organization, a whore? How many know that's true? How many know that she was the mother of harlots?

What is an immoral woman? Now, He said this woman was a church. What is a whore? Is a woman that's untrue to her marriage vow. What is a harlot? Same thing, same word. Now, she gave birth. What kind of birth?

Not to the Word, but to organization birth. Here's Methodist, Baptist, and Pentecostals, and they all took the habits of their mother. (Why? **Every seed after its kind**, okay.)

Any ornery woman in California can give birth to a virgin girl; and that's why the first message come forth; but when truth was presented to Luther's church age, of sanctification, he couldn't take it.

When the baptism of the Holy Ghost was permitted, presented to the Methodists, they couldn't take it. And now when the Seed time has produced to Pentecost, she can't take it. She's organized.

But she has been a carrier of the Seed. See?

Seed Shall Not Be Heir 65-0429B P:18 Now, that's why I am so strongly today. And I thought this would be a good time, because I don't know how much longer we'll be together.

And maybe I could, some way God would help me to show you the reason that I so firmly denounce organized religion.

See, see? It cannot be heir with the original program of God, because organization is not of God. It's of men. The first church was ever organized in all the world was the Roman Catholic church at Nicaea, Rome.

And **Revelations 17** said she was a whore, and all of her children were harlots. And a whore is a woman who doesn't live true to her husband, and a harlot is the same thing.

You cannot tell me that everybody who claims to believe the message, actually believes the message. So those who don't believe the message are whores because they're not living true to the message of their husband, okay?

But you see, it becomes a church anyhow; it's an organized system, and it separates brotherhood. We tried to organize all the churches together. It won't work; never did work.

It will never work. The World Council of Churches, they're just... They're out of the program of God.

So, we see Paul speak of wanting to present the church as a pure virgin to Christ. But when they begin to listen to men instead of the Word, they lost their virginity and were to be judged as a whore. The same thing that happened in The Old Testament, happened to The New Testament church as well.

2 Corinthians 11:3 But I fear, lest by any means, as the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ.

4 For if he that cometh preacheth another Jesus, (An allos or a different Jesus) whom we have not preached, (that's like people preaching the Oneness, okay.) whom we have not preached, or if ye receive another spirit, (a heteros spirit or one of a different nature) which ye have not received,

or another (a heteros spirit or one of a different nature) gospel, which ye have not accepted, ye might well bear with him.

In other words, they could be preaching the same gospel, but it's got a different feel to it. It's got a different slant to it. It's got a different impression or expression to it.

They're saying the same things. Like I've always said, you can look at a woman and say she's really ugly and you can tell that I mean the person is ugly. Or you can say, "She's really ugly?" In other words, I kind of doubt that she's ugly. She might be, whatever.

All right? In other words, the way you say it, it's not an echo if you don't say it the exact same way. You see, that's what I'm trying to get across.

And then he says, **another gospel, which ye have not accepted, ye might well bear with him. 5 For I suppose I was not a whit behind the very chieftest apostles.**

In other words, I'm not behind any of these big shot apostles, but God told me what to say. Because he says, if you say anything what I didn't say, you're going to be cursed.

Paul also pronounces; To do so, you are cursed for doing it, just like a woman found in adultery according to **Numbers 5**, was cursed with a curse for committing adultery against her husband.

Now, we don't have time to go into it, but basically, you all know that in **Numbers 5**, talks about the adulterous woman.

The man comes home from a long trip. He comes home, and suspects that his wife has not been living true to him. Well, if she has not been true, when she drinks the portion with the dust off the floor and the barley essence or whatever, she drinks that, and if she hasn't been true, she's going to rot in her thighs and swell in her belly. But if she's been true, she's going to be able to conceive a child, for the husband.

We see this as well in **Galatians 1:6-9**. **I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel:** (a heteros Gospel or one of a different nature)

They might be saying they're preaching the message, but they're not preaching the message. It's not the same thing Brother Branham said. All right? It's not the same message. They call it a message. I don't care what you call it. If I take a banana and call it a Rolls Royce, you think I'm going to get in and drive away. Come on, people, smarten up. Don't say it just because they call themselves something they are.

Like Brother Branham said, **you can say a lie over and over again until you finally believe it.**

Then he says, **7 Which is not another;** (Allos or a different one altogether) **but there be some that trouble you, and would pervert the gospel of Christ.**

So if it's not another, then it's a perverted one. And if it's of a different nature, it's a perverted one. That's what I'm trying to get across to you.

You see, they preach not a different Gospel but the true Gospel, only that it is twisted, it is a perverted Gospel.

8 But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed.

In other words, I don't care if they're preaching the so-called message. If it's a twisted message, they're perverted. Don't listen to them. That's what he said.

... preach any other gospel unto you than that which we have preached unto you, let him be accursed.

9 As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed.

That's why Brother Branham said, "I'm only saying what Paul said". And if you can't take what Brother Branham said and show it from where Paul said it, and you don't understand it, you're like a child singing the wrong words to the song.

So, you see it is a phenomenon that takes place in both the Old and the New Testament alike. And Brother Branham continues to warn us in PP 67 of **Satan's Eden**, as he says...

"In Satan's Eden of sin and unbelief, a religious perversion, perverted kingdom...

Instead of taking God's Word, they have taken the intellectual learning of man. Instead of taking the Church, they took the organization, and they're bringing it to one great head.

Notice they're bringing this organized religion into one head. How they're going to do it through politics. Brother Branham said in, **Jezebel Religion, They couldn't get it done through religion, so they're mixing it with politics and that's where they'll get it done.**

Now I'm going to show you where this is taking place.

Now we are seeing this take place as we sit in church today.

From An Exposition Of The Seven Church Ages, 6 - The Thyatirean Church Age, Brother Branham said, Ahab married Jezebel and he did it as a political maneuver to strengthen his kingdom and secure it.

That is exactly what the church did when it married under Constantine. (Now, remember that word, Constantine.) They both got together for political reasons, though they put a spiritual air to it. Now, no one can convince me that Constantine was a Christian.

But people try to say that they are, because, oh, they mentioned Jesus Christ.

He was a pagan with what looked like Christian trappings. He was a pagan, (Constantine was a pagan, but he had religious trappings.) He painted white crosses on the soldiers' shields. He was the originator of the Knights of Columbus. He put a cross on the steeple of St. Sophia, thereby starting a tradition.

It was Constantine's idea to get everyone together, the pagans, the nominal Christians and the true Christians. And for awhile it looked as if he would succeed, for the real believers came along to see if they could bring back the ones that had drifted away from the Word.

When they saw that they couldn't bring them back into the truth, they were forced to break away from the political body. Then when they did, they were called heretics and persecuted.

BREAKING: GREEK AUDIENCE CHEERS AS ARCHBISHOP HANDS TRUMP A HOLY CROSS AND SAYS HE IS THE NEW CONSTANTINE - LIKE THE FOUNDER OF CONSTANTINOPLE

I'm going to show you a picture here. Breaking Greek audiences cheer as Archbishop hands Trump a holy cross and says he is the new Constantine, like the founder of Constantinople.

What do you think of that? Alpha has become Omega? What took the whole world under Catholicism will do it at the end under Trump.

So don't be fooled by what is going on. It looks like common sense is finally prevailing, but it is just setting up for the persecution. Do you think President Trump is aware of what he is doing? I doubt it.

I don't think Constantine was aware, just as much as President Trump was unaware of being played by Fauci with rushing of the Covid vaccine. Remember? Oh yeah, we'll make it good. We're going to push it through, and then they mandated the push through.

There is one thing, he is very naïve. Remember, he is not a politician, he is a businessman. So, when he was looking at the vaccine, I'm sure he was looking at the business of the vaccine.

Now, back to Satan's Eden pp 68 The church has been with this lust veil on. Notice what it has done to her. It's perverted her from innocence to knowledge. (See?)

How many of you thought, hey, maybe this guy's a real Christian. I hope he didn't fall for that, because he used the name of God or used the name of Jesus.

68 The church has been with this lust veil on. Notice what it has done to her. It's perverted her from innocence to knowledge. (See?)

The holy Veil, she was innocent; with the lust veil, she has knowledge. She knows it's pleasant. She knows what it does. See?

The fruit, a tree to be desired, making one wise, she is perverted from innocence to knowledge, from holiness to filth and lust, and from Life to death. This kingdom has to die.

This kingdom shall die. The God of heaven will destroy it from the face of the earth.

God's Power to Transform 65-0911 P:54 Now, if you'll turn, if you wish to, or write it down, to **Revelations the 3rd** chapter, the Holy Spirit predicting this last age, to the Laodicea Pentecostal church age in the last days, He said, "**Thou art naked, and blind, and know it not.**"

There is God's seed under innocence, not knowing at all they were naked, under a veil of the Holy Spirit, veiling them from sin.

It's like he brings in this Amy White or whatever her name is, makes her big. She's a Pentecostal, so he's under a Pentecostal influence under a veil of the Holy Spirit, veiling them from sin.

And now, in the last church age we find here that they're naked again, and don't know it.

And President Trump does not know that his first term ended in a trap and his second will also fall into a trap just the same. The Vatican and religious circles cause all the blindness we are seeing, but remember, it is a trap.

Now remember he lost his first term. It was stolen from him after he went up against the Pope. You would have thought he would have learned by experience. But he didn't, because he's falling for the same trap this time, with the Russian Orthodox Pope.

But it's not the Holy Spirit veil. It's the veil that Satan slipped over Eve back there, a veil of lust, the lust veil. They are so filthy, till they don't know that they are naked, our women on the street with shorts on, sexy dress...

Notice it's a veil Satan slipped over them They don't know how naked they are. Notice William Branham said, "And now, in the last church age we find here that they're naked again, and don't know it."

Can't get any more naked than to sleep with all them women that he did. And they (The people) think that's ok. And they shouldn't think that's okay. They just can't think it's okay. But they do.

69 Notice in this perversion, it's become from a man to a woman

Huh? You see it in the schools, and from a woman to a man, and don't know it: And so we've got an administration that says we're not going to take that filth anymore. But we'll take this filth over here. We'll take the homosexual, but we won't take the LGBT. You see, it's become from a man to a woman

and from a woman to a man, and don't know it: (They don't even know it.) a very good product of Satan's Eden if you'll watch the streets today, at our modern people.

You see, they say "it's ok to have a man to be your wife, but it's not okay for him to be called a woman." In other words, "we won't accept the transvestite". But you know what? They still allow homosexuals to marry. They say "They can do these things. They can live in sin". Yet the Bible says you turn down the word of God and you're going to burn in your lust one toward another.

That is what we see today, all this transexual stuff, men not only acting like women, but they actually want to be women, and it started by the women's movement where the women wanted to be like men.

You see, all you got to do is go back 20 years ago, maybe 40 years ago, 1980s, the women's liberals, they all had butch haircuts and butch this and butch that. And they all wanted to be men. And you know what?

The men followed suit and started dressing and acting like women, wearing earrings and painting their fingernails and doing all kinds of stupid stuff. Okay?

If women had never gone that route, if they'd never worn the earrings and the fingernails and stuff, men wouldn't have tried to act like them because they wouldn't have a pattern to act like. They'd just be men or maybe sissified men, but they'd be men. But they have this pattern. So they're falling into it.

Don't you see that it is a spirit, and our prophet warned us it would take place 60 years ago. Can you imagine that? I'm 72.

70 is a full generation. And we have gone from when he said these things in 1965 until we see them in 2025. We are promised 70 years, and if good health, 80.

And notice the paragraph here is 70. And notice the prophecy. Notice, it was Eve that Satan used to make Adam sin by her power of lust. Now, (What? 60 maybe 70 years later) the same, doing the same thing today...

Notice, bobbed hair, painted faces, sexually dressed (See?), she does that, and don't know that every one of those things is contrary to the Word of God.

To cut her hair makes her a dishonorable woman, a prostitute. To wear shorts puts her disgracefully. To put sexy dresses on her makes her a prostitute,

and she don't know it, not because of the holiness of God; because of the lust of Satan.

Do you think President Trump knows he is living in Adultery? And Adultery in the flesh is idolatry in the spirit.

71 She causes her Adam to lust for her. She took off the clothes that God dressed her in back in Eden for her journey through this wilderness; she took them off.

She stripped herself down, when God had her wrapped all over in skins; she has begun to shave a little off each time. Now, she's back to where she was at the beginning.

Now, she's got her Adam to wear her underneath clothes. (You hear that, boys?) A man, put on them little old sissy looking shorts, and get out here.

I don't think there is much of a man to him. He is the biggest sissy I know of. See, she's got her perverted Adam to act like she (See?), wearing her underneath clothes.

She seen what she could do out yonder when she took off all her clothes, but her underneath ones; that's the shorts, of course that's a woman's underneath clothes.

I grew up, I have to admit, before I got the Holy Ghost, I didn't see a problem with wearing shorts. I played soccer all the time. But after I saw this, and I was a graduate from college and I saw this, I said, wait a minute, I can't wear shorts anymore. And so I would wear long pants. Then they said, well, you can't play if you got long pants on. So I said, well, can I play goalie? Yeah, you can play goalie with pants on. So I changed and became a goalie, so I could still play.

I don't think there is much of a man to him. He is the biggest sissy I know of. See, she's got her perverted Adam to act like she (See?), wearing her underneath clothes.

She seen what she could do out yonder when she took off all her clothes, but her underneath ones; that's the shorts, of course that's a woman's underneath clothes.

All right, so we're just going to bow our heads in prayer before I say another word and really get you mad at me. But I am just saying what a vindicated prophet said, and he only said what Paul said.

So let's bow our heads in prayer.

Gracious Father. We're thankful, Lord, for this word. We know it's a little bit short today, but Lord, it was very good because we're actually peeling back the Onion of 2025, and we're actually seeing all these things foretold many years ago (60) by our prophet.

And so, Lord, we're just committing it all back to Thee, the unfolding of it and the manifesting of those spirits. In Jesus Name we pray, and that we would not fall under them, but that we would fall under Your Word. In Jesus Name we ask it. Amen.
