

Satan's Eden No. 219
The New Pope and his Antichrist Deception
May 11, 2025
Brian Kocourek

Before we go to prayer, actually I had a sermon called the Third Pull and it was on the Third Pull. And I just had so much information that I had to put it off till next week because this morning I want to talk about **the new Pope and his Antichrist deception**. And there was so much information that I actually have 25 pages, but I had to actually put the other pages into next week sermon. We should have about 41 pages. So I think I'm going to have to do another sermon on that too. So anyway, we got a lot of information coming.

Let's just bow our heads in prayer,
Gracious Father, we're so thankful, Lord, that You have been with us and have been keeping us, Lord, in this time, this great hour, it's a great joy to know that it's all coming to an end. And yet we feel compassion for those who don't have this revelation and don't have this relationship with You. So Father, we just ask that You would somehow show them tender mercies in Jesus Christ's Name we pray. Amen.
You may be seated

I like to wish everyone that's a mother in here, Happy Mother's Day and for you fathers, your day's coming. So we'll wish you that when we get there. So we're looking at the new Pope and his Antichrist deception.

From **Satan's Eden pp 54** Brother Branham said, *Now, he brought forth this great Eden that they now live in--a church world's Eden.*

They're all uniting together now at the great Ecumenical Council, and going to have the world church, all coming under one head where Satan will be throned, just exactly.

And the last call's going out to catch the Bride before She gets into that. For once in that, she's took the mark of the beast, and doomed.

She'll never come out of it. That's the reason it said, "Come out from among them," My people, before it goes into him. See? "Come out from among them, and be ye separated."

So that's kind of our introductory that we're coming to a time there's going to be a forcing of a union and we're going to watch it as it comes to pass. Hopefully not too soon, maybe two months or maybe I hope this year we don't know.

From **Questions and answers COD 64-0823M P:86 248...** Brother Branham said **this the third pull and is speaking the Word...** *"There's coming a time, in this nation, to where this nation is going to exercise all the power that the beast had before (which was pagan Rome, when it become papal Rome. See?) that this nation will do that.*

So you've got to have a marrying of the church, and this nation. This nation has never been married to the church. In fact, the early Founding Fathers said if you're a Catholic, you can't even vote. OK, So they were very definitive as to Catholicism was a Pagan religion and we didn't want anything to do with it. But now look, it's everywhere. Half the cabinet is Catholic.

Revelations 13 *plainly explains it.* (And the elect, that's what Brother Branham says. And the Elect can see this, they are aware that this is happening right now) *The lamb came up out of the earth.* (He's talking about that beast that came out of the earth, the USA.)

The other beast came up out of water, thickness and multitudes of people. (That's your Catholic Church.) *This lamb came up where there was no people.*

A lamb represents religion, the Lamb of God. And remember, it spoke like a lamb; it was a lamb, and then after while it received power,

and spoke like a dragon and exercised all the power the dragon had before him; and the dragon is Rome always.

So don't you see, Roman denomination, a marked Protestant denomination, an image unto the beast, making a power that'll force all Protestants like a union.

You'll have to be into this council of churches, or you won't be able to have fellowship ... Well, it's practically that way now. You can't go to a church and preach, 'less you have a fellowship card or some identification.

And now, on persons like ourselves, we're going to be cut out of all that altogether. (In other words, we're going to be canceled, cultured. OK. Cut out means cancelled out, a boycott) *That's exactly, because they won't be able to do it.*

So there is going to come a time where Brother Branham talks about churches like ours will be shut down. OK, so we won't have access to having church in a building, but we can still meet from Home to home like the early church. So I don't know if the Bride will see that, but I know the churches will.

*It's tightening; and then when that time comes, and the press comes to a place to where you're pressed out, then watch (what I am fixing to tell you in a few minutes) **watch the third pull then.***

As you can see, some of these notes are from my sermon on the Third Pull. And I did want to change the title because otherwise we're going to have three of them on the Third Pull.

And so *It'll be absolutely to the total lost, It'll be absolutely to the total lost, but **it will be for the Bride** and the church. Now, we're closer than it seems to be. I don't know when, but **it's real, real, close.***

So just because he says it will be for the Bride, doesn't mean it's hers to use it herself. He does it because it's His third pull and he will use it for the bride.

*I may be building a platform for somebody else to step on. **I may be taken before that time.** (Which he was.) I don't know. And that time may be this coming week that the Holy Spirit will come with, and bring Christ Jesus.*

He may come this next week. He may come yet tonight. I don't know when He will come.

And that's why I say I wish it will be in the next couple of months because the next couple of months, we still have two months more spring. And he says it's going to be in the springtime. So I'm looking for it this spring and you should too, because I think we're all unpacked by now and we're ready to make our trip. So anyway.

He doesn't tell us that. But I do believe that we are so close that I would never die with old age.

*Yet at fifty-four years old, I'd never die with old age **until He's here.** See? Unless I am shot, killed, or something, or other, **some way killed;** just old age wouldn't kill me, until He's come. And I believe that...*

*And I want to say this; I have never said it before, but according to Scripture, **according to what He said thirty years ago, thirty-three years ago on the river down there** (in 1933, rather), **what He said, everything has happened just exactly.***

Remember, we covered the scriptures, that there's 23 scriptures that show the Parousia. And we showed the signs and events of those scriptures of the word Parousia. And I'm not

talking about other things like the new Pope and this and that. I'm just talking about that's associated in scripture with the Parousia.

And there's 86 events and 82 of them have already taken place. Now things that are taking place that are outside those scriptures that talk about the Parousia, we have like the new Pope and different things. Well, there's a lot more. OK. But there's 82 of the 86 events have already taken place.

*I may not do it, **but this message will introduce Jesus Christ to the world.***

I would like to add, did he not do that when he taught us this is The Appearing, and it gets us ready for the coming?)

I just like to stop there because Brother Branham's been gone for 60 years. None of us were in the message 60 years ago. Some of us aren't even 60 years old. Some of us are just over 60 and some even older than that. But Brother Branham didn't introduce me, but his message that he left did. OK. And I'm thankful for that message.

"For as John the Baptist was sent to forerun the first coming, so is this message to forerun the second coming."

And John said, "Behold the Lamb of God that takes away the sin of the world."

I was talking to Brother James Last night, and some places Brother Branham says so. Well, he says he quotes the Angel saying so will you, in other places, he says, so will your ministry and so will other places, so will your message. Well, all of them really refer to what God is doing in this message, because there wouldn't be a message if He hadn't sent us His prophet. I don't believe he would have chosen someone else.

He was ordained from before the foundation of the world to do exactly what He did. You are ordained to hear it exactly as you've heard it. You are ordained to be called out, separated and sanctified by this word. And that's what the main thing is. This message has prepared us for the second coming of the Lord.

And John said, *Behold the Lamb of God that takes away the sin of the world. See? So it paralleled it in every way, and I know it will. The message will go on.*

And it has.

*Now, Brother Branham told us just to stand, just like Paul did. He said, **when the squeeze comes down, then you'll see what you have seen temporarily, be manifested in the fullness of its power.***

*See? Now, I must continue in evangelism, just as I was commissioned first; I must continue on. Therefore, you've had the Word, and **you know what to look for, how to stand.***

Can we all agree on that? All right. And I would like to add, we have known what to look for and we have seen the fulfillment of the following quote: Some of us have waited over 50 years to see this quote fulfilled and we did this week.

In fact, just last week we had mentioned it, and I couldn't remember the man's name at the time, but we did put it in the PDF when it was posted after the sermon.

54-1219E - "Acts Of The Holy Spirit" 87 Brother Branham said, *I believe, **one of these glorious days**, (Are we living in a glorious time? We're seeing things that Apostle Paul and others have never seen.) **when this united confederation of church goes together, and the new pope is brought out of the United States and put over there according to prophecy, then they'll form an image** (Notice **then**, all right, so it's after this guy's been elected,) **then they'll form an image like unto the beast.** (So that's the next piece in the puzzle is what they're going to do.) **And I tell you, the true Church of God will be drove together.***

Like I said last week, don't be fussing with people over the doctrine if they don't understand it. Just let them alone. Just love them anyway because somehow, somehow, if they're God's elect, they will see, if they're not meant for it, then you're causing a division. You're causing strife between you and them. Brother Branham didn't go for that at all. He said, "Draw the circle bigger". All right. Then they'll form an image like under the beast.

And I tell you, the true Church of God will be drove together.

And we have seen this week the fulfillment of this prophecy. From the headlines of the newspaper, it says:

A first U.S. pope: Cardinal Robert Prevost chosen as successor to Pope Francis

Now, you can go anywhere on the Internet or, if you've got a television, I don't think you do. But if you do, you're going to see it plastered everywhere. The new Pope, the new Pope from the USA, the new Pope from the USA, everybody knows it. Now, if they were smart, they would also look and see who spoke about this and they would say, oh, William Branham said it's going to happen. All right, so then what else did William

Branham teach us? And then they would search the message out and this may be the last call. I don't know.

A U.S. bishop thought it was unlikely that Catholic Cardinals would break with more than two centuries of precedent to pick a pope from the States, but it has happened.

Now, I'd like to say this. How did Kamala Harris, how was she selected or was she elected? No. How was she selected to become a vice president just based on race? OK. How was she? How was she selected to become president? That's right. She was selected. All right. In other words, somebody chose her.

Well, this man who has become Pope. He wasn't ordained a cardinal. You would think that, at least he'd be a cardinal for 10 years or more. He was selected as a cardinal September 30th, 2023, eighteen months ago, so 19 months ago, he was not even a cardinal.

So someone handpicked him, which was Francis, to become his successor, just like Kamala was handpicked to become Joe Biden's successor, which by the grace of God, it didn't happen. So we're looking at the same thing that happened in America. They tried it with the Catholic Church, and it worked for the Catholic Church.

61-1217-"Christianity Vs Idolatry" 166 Pope Leo the Great, he reigned in from 440 until 461. Oh, *he thought he was exactly doing what was right, (But there is a way which seemeth right unto a man, but the way thereof is a way of death.) come into the church...Before him was Victor, and he was a rat, too.* (Which means also. So both Victor and Leo were rats. All right.) *And he come in there, and how he put the Christians to death and everything else.*

So this Leo put Christians to death. So, this new Pope is named LEO and the pope who started putting Christians to death was named Leo. Now the name Leo refers to the Lion, you know the lion of the tribe of Judah, and that speaks of the 2nd Coming.

So you say in your mind, well wait a minute, Leo is associated with killing and death, and Leo the lion, what is that associated with?

What happens when the second coming takes place and we're taken up with the Lord? Killing and death? The lion is what? A stalker. He's the greatest hunter in Africa. He's a killer. God the Supreme Judge has come to kill, and abolish all unrighteousness. That was a revelation that struck me hard last night.

So, this new pope is known as Leo, and he is from the Augustinian order named after Augustine of Hippo: Who began the churches practice and doctrine of killing Christians as heretics. That began the riding of the red horse that went forth killing.

Remember, up till that time you had Paul, Irenius and Martin, who were three messengers of the Church, and up till that time Rome rode on a virtuous White Horse, looked like a genuine thing, but it was a bluff because it had a bow but no arrows.

So, from **Christianity verses idolatry - 61-1217 79**. Brother Branham said, **Pope Leo the Great**, *reigned and from 440 until 461. Oh, he thought he was exactly doing what was right.* Come into the church...

Before him was Victor, and he was a rat too. (and we can say Francis was also a rat too) And he come in there, and how he put the Christians to death and everything else.

And then who started all this, putting it legalized murder? You know who it was? Saint Augustine of Hippo. That's exactly who did it.

Now remember this new pope Leo is from the order of the Augustinians. So he's got an influence. From Leo, he's got an influence from the Augustinians named after Augustine of Hippo.

Saint Augustine had an opportunity once, (Huh? He did?) so says the history, to become a great man, and be filled with the Holy Ghost.

Can you imagine that the man who murdered all these Christians had an opportunity? Didn't God say to Cain, if you would have done like your brother Abel, you also would be right, but you didn't do it. And Cain got wroth.

Saint Augustine had an opportunity once, so says the history, to become a great man, and be filled with the Holy Ghost.

He set in the back of the yard there, in Lyons, France, at that great school where Irenaeus had taught, and Saint Martin. (So, he was aware of the doctrine. He was aware of the message of Christianity,) He set in this school yard, and the Holy Ghost come to him. But he refused to accept It. Then what did he become? A twofold more child of hell than he was to begin with. He went right on down to Hippo, Africa.

So, this is the pope Satan uses to incarnate himself thus bringing Satan's Eden to its climax. I'm talking about this modern-day man.

So, let's see what else Brother Branham says about the council of churches uniting under this pope and then bringing on the squeeze.

*I must continue on in evangelism. And friends of mine **keep still** and just **keep moving on**, for the hour is approaching swiftly (See?), that when something is going to be done.*

Then Brother Branham tells us how the third pull will come fully into use. He says, "**But it's going to be used.** (Now we want to know who is going to use it.) *And everyone knows that for as certain as the first was identified, so has the second been identified;*

*and if you'll think real closely, you who are spiritual (as the Bible said, "Here's to him who has wisdom.") **the third is properly identified.** See? **We know where it is.** So, **the third pull is here.***

At this point I would have gone and shown you the different ways that it was properly identified. There's actually five ways, but we'll go into that next week.

*It is so sacred that I mustn't not say much about it, as He told me in the beginning. Said, "This, say nothing of it." You remember that years ago? **It speaks for itself.** See?*

*But I've tried to explain the others, and I made a mistake. **This will be the thing that, to my opinion (I don't say the Lord tells me this.) this will be the thing that will start the rapturing faith for the going away.***

Now, for the next two sermons we will look at those things which Brother Branham said the third pull has already been identified with.

First, we see Moses in **Exodus 14**. The 1st sign was the staff turning into a snake, The 2nd sign was in his hand, you'll remember leprosy, it's interesting. It was leprosy in Moses hand when he pulled it out. What happened to Brother Branham's hand? Things ran all over his hand, right? The second sign was in his hand, the 3rd sign, he spoke the word and they moved forward. Notice it was to the totally lost, Pharaoh and his followers, but it was for the Elect.

Isn't that beautiful? You see the peril today. I believe it's going to be used in the tent. I'll just give you a hint. OK.

From his sermon **Souls in Prison 42-5** Brother Branham said ***“Noah had three pulls, his third was to the lost after the doors were shut. For God let him set right there where no one could enter or go out.”***

It was to that totally lost. They perished. They knocked on the door, tried to get in, tried to climb on top of the Ark, tried to do everything they could. And when the waters raised up and the waves came and just shook the people off, guess what? It was death, wasn't it?

Life to those who were in the Ark, and death to everyone else. You see Leo the Lion? You see the Supreme Judge? Listen, as Supreme Judge and He's married to the bride, He's not going to condemn the bride. That's a good thing to know, but He's going to condemn everyone else.

From his sermon **Souls in Prison**, he said ***“In the days of Lot the 1st pull to righteous Lot, 2nd pull 2 messengers to Sodom,***

3rd Pull what was He? What kind of ministry did He have?

So what was the 3rd Pull then? They died. They were bombed, they had Brimstone and whatever, third pull, we think of it, as that's for us, but it's to the world. It's going to leave them nothing.

3rd Pull what was He? What kind of ministry did He have? He set with the elected and told them what was happening behind them.

He's telling the elect now what's happening. He told us the elect, in the 1940's through 1960's, he told us, the elect, what is happening now. I'm so thankful.

42-3 Souls in Prison Now 63-1110M he said, "And notice, when the Third Pull of His

ministry come, the **First** was healing the sick, the **Second** was rebuking their organizations and prophesying what they had done, what they were, and what was coming: what is, what will come, what is and will come. That's what He done. Is that right? But His **Third** Pull was when He preached to the lost that couldn't be saved no more. They were down there where **them big painted eyes was**. Huh.

You see the snake and his big eyes. You see the Vatican and the big eyes here and there. You see his mouth. You see the serpent's mouth?

*Preached to the souls in hell that did not accept mercy, but were eternally separated from the Presence of God;
yet they had to recognize what He was, because God made Him there.
Wonder if His ministry climbs out the same way in the last days.*

Well, we're looking at it right here, the big eye. OK.

Now, last week we showed you that there would be a pope out of the United States. That is what brother Branham said. He never told us his name, and I said that is not important. And his real name is not important.

What is important is that he told us he will come out of the United States. But what is important now, is the name he as pope chose, because it signifies the spirit under which he will rule. So see, he wasn't this way before, but he will be when he's anointed under that name.

So, a few days later when they elected this man from the United States. I think it was Thursday. His name was Robert Prevost but the name he took to rule with is Leo. So what is the significance of Leo as a name.

You see the pope thing started on the Wednesday which was the 7th. Then on Wednesday, they had black smoke, then on Thursday they had the white smoke.

Remember, Brother Branham told us there is a spirit associated with what name you name your child. From **Modern events made clear by prophecy 65-1206 P:91** *That's the reason I say don't ever call your child "Ricky," or "Elvis," or something. "Elvis" means "cat," "Ricky's" a "rat."* See?

Wasn't Leo and Victor rats? Now hold that thought because Brother Branham says that the pope before LEO 1st was a rat.

Christianity verses idolatry 61-1217 P:79 *Pope Leo the Great, reigned and from 440 until 461. Oh, he thought he was exactly doing what was right. Come into the church... Before him was Victor, and he was a rat too.*

So, when he says, Victor as a rat too, that includes Leo as well. Let's read on.
And he come in there, and how he put the Christians to death and everything else.

Ok, so Leo put Christians to death. That is what the influence that name had on him. He could have been named Cain. It would have been the same thing. All right. I believe that is a Demonic influence.

And according to an article I read last night, it said, *"the name a new pope chooses often reflects attributes they hope to embody in their papacy."*

It will *"indicate a certain spirit and direction and vision of the new pope"*, said Dennis Doyle. A theologian and professor Emeritus of religious studies at the University of Dayton.

So basically, he is saying the same thing that Brother Branham told us, there is a certain spirit and influence behind the name. Now, I can feel sorry for the man because he doesn't understand what he has gotten himself into. And he has no way of knowing what his future involves.

So for the man, I can have a little compassion for him, but he will turn just like Judas turned.

And I am afraid he most likely is as sincere as Judas was. But that won't help him none, like it didn't help Esau, for he was ordained for this purpose, or he wouldn't have been elected the first pope out of the USA.

Brother Branham continues, *And then who started all this, **putting it legalized murder?** You know who it was? **Saint Augustine of Hippo.** That's exactly who did it. Saint Augustine had an opportunity once, so says the history, to become a great man, and be filled with the Holy Ghost.*

He set in the back of the yard there, in Lyons, France, at that great school where Irenaeus had taught, and them, and Saint Martin. (So, this foundation was right. It was a Christian organization, a school.) *He set in this school yard, and the Holy Ghost come to him.*

But he refused to accept it. Then what did he become? (Look what happened to Elvis Presley when he refused the Holy Ghost. All right, so you see what happened to these people, then what had he become?) A twofold more child of hell than he was to begin with. He went right on down to Hippo, Africa. There he set his school. And it was..."Show me."

Ok, so what do both the names of Leo and Augustine have in common? They both killed Christians under the influence of that name.

God's gifts always find place 63-1222 P:25 *Now, and many times, names are in the Bible.*

We don't notice it no more, today.

You've often heard me scorn this name of people calling their children "Ricky." Now, Ricky is a horrible name. See?

And it's a... You mustn't call them that. If you got a child named Ricky, for goodness sakes, change it to something else. Ricky, or Elvis, or something like that... "Ricky" means "a rat." See? And so you go...

And what you call a person, that impresses that. (what's impressed? It's an influence. How are they influenced? It's a demon.) *A little lady, the other day, had a little boy out there called "Ricky" and his name's Ricky, James Ricky. And because it was so popular (Ricky), they called him "Ricky." I said, "Change that name."*

So, if there is something about a name, then the name has an influence upon your life. I call that a spirit influence. Every time you call that name you are calling out to that demon influencer.

How many people have ever stood by yourself or with someone else? And there's a group over here and somehow you hear your name. What does it do? It brings your attention. What are they talking about? They're talking about me. What does a demon do when you use his name? Huh. He says, OK now, it's time to go. Let's go to work.

So, what can we say about Leo? Brother Branham told us that Leo the 1st murdered Christians. He also told us that Augustine had a doctrine of killing Christians.

Remember you are what is in your mind. That's why I told you people, look, just because you may be correct in your doctrine, don't say to others who are not correct in their doctrine, don't treat them with that cancel culture, because that is murder. That is like saying I have no use for them. I am right, they're wrong, therefore I don't need them, therefore they're out. Treat them as a son and daughter of God. Let God determine the results.

Remember you are what is in your mind, The Bible tells us, *"As a man thinketh in his heart*

so is he". So you're thinking Leo, you're thinking Augustinian, you are. It also says, "*Out of the abundance of the heart the mouth speaketh.*"

What's that? The actions coming out of the thinking. So, what you are in your mind will be reflected in your speech and your actions.

Augustine had a doctrine to persecute and kill everyone who disagreed with him. Why? Because he thought he was right. Brother Branham told us he actually turned down the Holy Ghost and then something happened to him.

So, when Cain turned down Abel's revelation of the way Back to God, remember, it says, *Cain talked with Abel, his brother in the field, and then Cain rose up and slew him, after they had spoken.*

I believe Cain was saying, "Why was my Religious observation, my sacrifice, why was it rejected?" And Abel said, "Mine was accepted because it's by the blood. It was a mixing of the blood, of a son of God with the serpent that brought you." And I'm sure that made him rile up and get mad, so he killed him.

So, when Cain turned down Abel's revelation of the way Back to God, what did Cain do? He murdered his brother Abel. Same Spirit will do the same thing.

When you say... That's exactly right. So 'less, or something, don't you never call one of your children that. If it is, change it right quick, people. Don't you never... If you believe me to be God's servant, don't tack that name on that poor child. See?

No, sir, **give him another name besides that**. *My. I oughtn't to have got off on that, 'cause I'm off of my subject, but I said it and it's all over. I... That's how you do, you don't know when you say it. See?*

Now, another thing that just comes to my mind, but I'll say it anyway because I read it last night. This professor Emeritus from Dayton, he said about the name, they consider, when they choose another name as a new birth. Huh. That's their form of a new birth. What's the new birth? Another life entering you. He's now anointed to Leo, the devil Leo. OK.

Now, I am going to show you how important that name is. So you will have to follow me through with these quotes.

So Brother Branham said from **God's only provided place of worship 65-1128M P:91** *He built the Lutheran message, and they denominated it. It was growing, the footstool. Then He grew up into the leg part, the Methodist, and so forth.*

There's where He built His church, upon His Word. Now, He's not all foot or all thigh; He's a body; and now is the capping part. Did you notice in the pyramids, which I don't preach a pyramid religion, now.

*But the first Bible was ever wrote, was wrote in the sky, the zodiac. Did you notice it? **It starts off with the virgin, the first figure in the zodiac. The last figure is Leo the lion.***

Why would a virgin represent the first coming and then the Lion represents the last coming? There's something about the name.

***He come first by the virgin; He comes next as the Lion of the tribe of Judah.** Just before that, a cancer age, (Huh. What's cancer? Death.) a cancer age, a cross fish, all the rest the ages. If we had time to go through it; which we have at the Tabernacle...*

*So we are now living in **the Cancer age, the age of death.** You see how everything ties together, so perfectly.*

Future Home 64-0802 P:173** God's first Bible was in the skies, the Zodiac. It starts off and runs every age. The first, beginning of the Zodiac is the virgin. That's how He come first. **The last figure in the Zodiac is Leo the Lion, the second coming.

*Just before there is the cross fishes, which is **the cancer age, that we're living in now.** (We're living in the **Cancer age, the age of death.**)*

There was a pyramid after that (Enoch) which testified exactly (We wouldn't have time to go into it, but someday by God's help I'll show you.), just exactly draws the dimension of the hour we're living.

See? Notice, but this geographical measure now that we have, whose dimensions are the same, doesn't necessarily mean there has to be a cube. Notice, this would answer Enoch's sign in Egypt.

Now notice, he said we are now in the cancer age. What is cancer? It is Death. So then what does that have to do with Him returning as Leo for His Second coming. The Lion is King, but he also is the greatest killer in the jungle.

At the 2nd Coming is death to all who remain here on earth, for those whose names were not on the Lambs book of Life since the foundations of the world, and even those who have to shed their own blood during the tribulation period. It will also be death to them.

All will be slain dead by the coming of Leo. Whether in the physical by Leo the papacy or Leo the Lion.

And the physical types the spiritual, just like the Last Trump is in office at the time. Did you know that? Of the last TRUMP of God which is the change of the body and catching away.

There's a parallel natural type of the spiritual, oh brother, that we're living in, everything is so perfect for this age. How in the world did a man who is so despised get elected president? Because God wants him there? All right?

Paradox 64-0418B P:9 *I believe God wrote three Bibles. He wrote one in the skies, which is the zodiac. Anybody knows that; Job spoke of it. What? Look at the zodiac. It starts off with the virgin; **it ends up with Leo the lion**. That's how He come.*

*First was the virgin. **His next coming will be Leo the lion (See?) coming as the Lion of the tribe of Judah**. And all of them, the crossed fishes, and what we're in now, **the cancer age**, and everything; **it all speaks**.*

But forget it. See? That ain't your Bible. (The Cancer age ain't for you. The Leo, the Lion, the second Coming, the death that goes with it ain't for you, because you are part of Him.) **That ain't your Bible.** Then the pyramids, exactly how they were drawn, the **headstone was rejected. Still, that's not your Bible.** Then God wrote it on Words.

So, he is telling you that is not for you. He is already here, and it is Life. When He leaves, and takes us who have life, his very Life, there remains only death, and that is not for you who are filled with His life. Now I ought to be hearing a lot of amens and relief. [Brother Brian wipes his brow.]

So, let's look further at the influence of this name Leo. We already know he was a murderer, so what effect had this name on others?

On January 3, 1521, another pope name Pope **Leo X** (10th) and he was known for his being a pedophile, raping little girls, that's what Leo the 10th is known for, but it issues the papal bull "*Decet Romanum Pontificem*," which [excommunicates Martin Luther](#). Oh, so we have the second and third. You know, Iranians and Martin, now we have another messenger involved. That's Martin Luther. Of course, Paul was put to death by Nero when he was emperor, which the Popes are emperors. So that's another messenger. That's four now. And now we have the 5th, which is William Branham. I'd like to look at Wesley and the other one to see if there's anything there.

On January 3, 1521, another pope name Pope **Leo X** (10th) What does the 10th mean? Can anybody tell me, you all should know that? I've taught you all these things, huh? Remember,

it's the end of a what? It's the end of a cycle. It's the beginning of a new Pope, Leo the 10th issues the papal bull "*Decet Romanum Pontificem*", which [excommunicates Martin Luther](#) from the Catholic Church. So, he rejected the Light of that Age.

Because he had to reject it in order to excommunicate, right? He didn't excommunicate because he just said, well, I don't like that guy. He excommunicated, because Martin Luther put up the 95 Thesis which point by point showed where the Catholic Church was wrong, and three months later he gets excommunicated. Huh.

So, he rejected the Light of that Age. Now, remember, Augustine had rejected the Light of both Irenaeus and Martin.

Martin Luther, the chief catalyst of Protestantism, was a professor of biblical interpretation at the University of Wittenberg in Germany when he drew up his 95 theses condemning the Catholic Church for its corrupt practice of selling indulgences, or the forgiveness of sins.

I've got another thing I'll just share with you. So Martin Luther makes a statement. He says the Pope alone can interpret scriptures and absolve wrongdoing, just as a donkey alone can play the pipes. He was Sarcastic. You should see some of his cartoons are almost vulgar. I won't get into them today.

He followed up the revolutionary work with equally controversial and groundbreaking theological works, and his fiery words set off religious reformers all across Europe.

In January 1521, Pope **Leo** X excommunicated Luther. Notice he was Leo the 10th. Ten is the end of a cycle and the beginning of a new one.

So, three months after Luther posted his thesis showing the Catholic church was wrong, just like Cain did to Abel, Luther was called to defend his beliefs before Holy Roman Emperor Charles V at the Diet of Worms, where he was famously defiant.

For his refusal to recant his writings, the emperor declared him an outlaw and a heretic. Luther was protected by powerful German princes, however,

and by his death in 1546, the course of Western civilization had been significantly altered.

Then we have another pope known as Leo the 13th. He influenced the Mariology of the Catholic Church and promoted both the rosary and the scapular.

You know what a scapular is? I had one when I was a kid because I was a dumb Catholic.

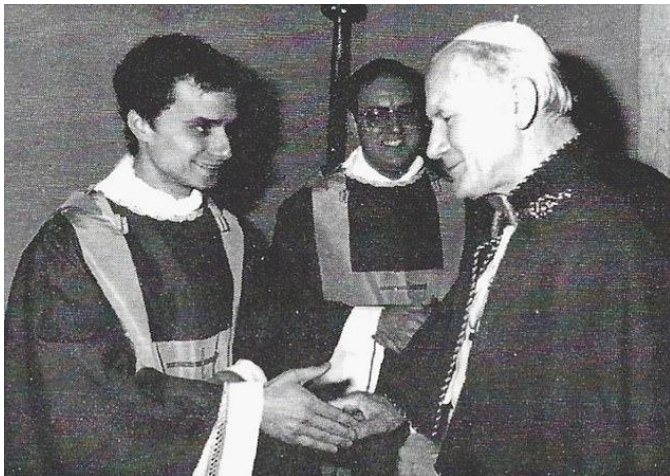

You're taught that if you wear a scapular, it has a bone or a hair or a fingernail, a part, something from a Saint, in between two pieces of cloth, and that'll get you to heaven. Yeah. That's how dumb Catholics are.

Just like the New Agers. If I wear this, whatever, it's going to do something for me.

Upon his election, he immediately sought to revive Thomism, both the Mariology, the scapula, both are based upon paganism.

OK, just get a hold of Hislop's Two Babylons and you'll see it. Upon his election, he immediately sought to revive Thomism, the theological system of Augustine of Hippo. You see how this Leo is tied to Augustine as well, and Thomas Aquinas, wishing to make it the official **political, theological**, and philosophical foundation of the Catholic church. You see how politics and religion are married together.

So, what of Leo the 14th, the present pope. In **Genesis 1:11** we read that "*Every seed must come forth According to its nature.*"

Now I don't know about you, but when I look at this picture, I don't see someone who I want to be friends with. Looks very unbecoming. I don't mean to be cruel.

So, what can you expect when we have seen that names have an influence. We also know this one becomes the manifestation of Satan when the Holy Spirit leaves with the bride that I will

show you in this sermon by scripture and from words of the prophet.

So, we will have to keep a vigilant Watch for what we know. Remember the Evil one does not incarnate until we are gone. I can be so thankful for that. I don't have to put up with the antics of his tribulation, I'm gone. I don't have any part to do with it.

2 Thessalonians 2 tells us what will happen. I will read from the Wuest Translation: Because it is so perfect. When you hear the prophet's words, it's just perfect.

So, the Wuest in **2 Thessalonians 2:1** *Now, I am requesting you brethren*, (that's all of us) *with regard to the Coming and personal Presence* (Parousia) (In other words, that word

coming is Parousia, in regard to the Parousia) *of our Lord Jesus Christ, even our being assembled together to Him,*

not to become unsettled, the source of this unsettled state being your minds, neither be thrown into confusion, either by a spirit.

Now what happened to 73% of the world's population? Almost 5.5 billion people in the world who took the jab. I probably shouldn't say that because we'll probably get cut off YouTube again. But I don't care who took the thing, that Obama or Biden would say, what happens to them. Their DNA has been changed. It's been altered.

not to become unsettled, the source of this unsettled state being your minds, neither be thrown into confusion, (Like the Media would have you do) either by a spirit.

(A believer in the Christian Assembly claiming the authority of divine revelation and claiming to give the saints a word from God),

or through a word (received personally) as from us or through a letter falsely alleged to be written by us, to the effect that the day of the Lord has come and is now present.

Now there was someone and came quoting the prophet and claims to be a brother. They creep in, as it says in **2 Peter**. *They're creeping alongside of true doctrine and bring destructive heresy.* Don't be alarmed, let them be.

or through a word (received personally) as from us or through a letter falsely alleged to be written by us, to the effect that the day of the Lord has come and is now present.

They're all teaching. Listen, there are people in this message teaching that the Lord has already come, that we are now waiting for the third coming that we're in the Millennium. Can you imagine that? Where does it say that the lamb shall lie down with the lion in the Millennium? And yet people are killing one another for Nikes, tennis shoes. It shows they're insane, to believe such things.

The King James calls it "the falling away must come first" which is the (apostasy) which we have already seen, and we've already gone through that apostasy. You know, Believe The Sign guys.

and the NIV calls it the rebellion against Truth, In other words the rebellion or apostasy occurs.

The Amplified version says **3 Let no one in any way deceive or entrap you**, (now the use of the word entrap is interesting because it suggests you willingly walk into it, like a bird walks into a trap. You pull the string and the box comes down. You didn't force the bird into the trap. He came of his own will, just like Eve came of her own will.

So, the Wuest Translation is very fitting here when it speaks to ministers who appear to be believers, take the very word you believe and twist it to say something else.

Now listen, so we're already looking at these false brethren coming in and entrapping you with words that you say, well, he's preaching what I believe. I mean, he's saying words what I believe and this and that. So it must be right. But you're not leery of the string and the rope and everything else involved.

So Wuest has already said about this falling away.

for that day will not come unless the apostasy comes first [that is, the great rebellion, the abandonment of the faith by professed Christians], and the man of lawlessness is revealed, the son of destruction [the Antichrist, the one who is destined to be destroyed],

So, we continue with the Wuest: *Do not begin to allow anyone to lead you astray in anyway*, Television, schooling, medicine, whatever. OK. And I believe this church is pretty sharp on that.

(ok, so that is the falling away or apostasy then he says,) *because that day shall not come except the aforementioned departure*

(of the Church to Heaven) comes first and the man of lawlessness is disclosed (in his true identity), the son of perdition, he who sets himself in opposition to and exalts himself above everyone and everything that is called God or that is an object of Worship,

So here he's talking about two falling away, actually the bride going up, and the falling away of the rest, life for some, death for others.

so that he sets himself in the inner sanctuary of God, proclaiming himself to be deity.

The vicar of Jesus.

*Do you not remember that while I was still with you I kept on telling you these things? And now you know with a positive assurance that which (namely, **the departure of the church,***

the saints being assembled together to the Lord,) is preventing his being disclosed.

So as long as we are here, he will not be disclosed, except for we know, because we've been taught by a vindicated prophet. *(as to his true identity) in his strategic, appointed time, for the mystery of the aforementioned lawlessness is now operating.*

So it's already operating. You're already aware. You have the word, the understanding. They shall know. In the last days, the elect, we've been taught, God came down with a Shout, and He's taught us all.

Only He (The Holy Spirit) who is holding (the lawlessness) down (will do so) until He goes out from the midst (of humanity).

Then what happens? Chaos. That's all that's left is chaos. When mercy is spurned, what's left? Chaos.

So, he is antichrist already, but Satan cannot incarnate him until the Holy Spirit who is in our midst now, takes flight and brings his Bride with Him. Then what happened? He goes from the false prophet to the beast. There you go. Then chaos is all that remains, and Satan incarnates his man of Sin, which sin is unbelief.

The Seventh Seal 63-0324E P:63 *That last, that question they asked Him: "And what will be the sign of the end of the world?" When you see these Jews... When you see these other things taking place, you know what takes place.* All right, we've seen them all.

Now, when you see these Jews... Talking to the Jews... Now, watch. What company is He talking to? Gentiles? Jews, Jews. See? Now, He said, "You'd be hated of all nations for My Name," and so forth like... (Now, is that happening?)

Now, when He said... You see these Jews begin to put forth their buds over yonder, when that Israel begins to turn back, getting into her country, when she gets there, the Church is ready to rapture,

and there's only three and a half years left unto the end of the old world, and she goes out into chaos, and in comes the millennium to the new earth. Said, "Even at the door."

Wow, isn't it getting better? Alright! I love it, because God is showing Mercy to us.

Questions and answers COD 64-0830E P:46 392. *Ah... The church age ending and has blacked out, the Bride is called, we have already entered into the tribulation period? No, no, no, you're...*

*I wished that I could just have more time on that. See, see? **The Bride, when she's taken from the church, then the church age will cease. Laodicea goes into chaos; the Bride goes to glory;***

and the tribulation period sets in upon the sleeping virgin for three and a half years while Israel is getting its prophecy; then tribulation sets in upon Israel; and then comes the battle of Armageddon which destroys all things.

And then, the Bride returns back with the Groom for a thousand years, the millennium reign; after that comes the white throne judgment;

after that comes the new heavens and new earth and the new city coming down from God out of heaven. Eternity and time blends together.

It's not blending together now. Blends together then. You see, I've told you about the Pre resurrection ministry of Christ and the post resurrection ministry of Christ and there's a pre resurrection ministry of William Branham and there's a post resurrection.

So when he says Revelation 10 is now, and yet, then another quote he says, we'll see Revelation 10 is to the Jews, because that's the second coming. Then we realize the second coming takes us up, but then it goes to the Jews. You see that?

*And **then shall the Lawless One be disclosed** (In his true identity), whom the Lord Jesus shall slay with the breath of His mouth and render inoperative (or Useless) by the sudden appearance of his personal presence, So Christ's Appearing, (His Parousia) renders the dealings of Satan useless.*

It has no effect on you. Useless. All right? It's like some car salesman trying to sell you a jalopy.

Ok, so the incarnation and the phaneroo (which is the identifying in his true character) of Satan (the man of sin- which is unbelief) is withheld by God as long as we are here,

then once we are gone with Him, Satan incarnates the man of sin (sin is unbelief) thus revealing his (Satan's) Parousia presence is here. So there's two Parousia. One God saves us by sanctification of the Word. The other Satan becomes enthroned on his Satan's Eden. Thus, revealing his (Satan's) Parousia presence is here. Or Satan Incarnates in his Satanic

Eden.

the coming and presence of whom (the man of lawlessness) is according to the operation of Satan in the sphere of miracles demonstrating power and attesting miracles and miracles of startling, imposing, amazement-awakening character which will deceive,

It's Pentecostal bait. Oh, look at the Pope is doing what we're doing. Yeah, so did Janice try to do what Moses did?

So, the whole purpose of God allowing Satan's man to do the miraculous is for one purpose only and that is to deceive. Period

And of course, 72.8% of the world has already shown themselves to be gullible and did what the government, along with the media, wanted them to do and took the (J.A.B.).

So Wuest continues, *and whose coming and presence (Parousia) is in the sphere of every kind of wicked deception geared to (the gullibility of)*

And we've shown that 3/4 of the world's population is already gullible. They took the thing. You know the J.A.B, all right. And they got their DNA changed. They said, well, Brother Branham had a vaccine, he took the vaccine. That was a vaccine. This is not a vaccine. If you don't know the difference, go back to school.

(the gullibility of) those who are perishing, (this gullibility being) caused by the fact that they did not accept the love for the truth to the end that they might be saved.

Wow. And because of this, I hope this sermon is helping you to see today and where you're sitting at. It's beautiful.

And because of this God sends them a deluding influence resulting in their believing the lie, Wuest says "The Lie". King James says "a lie", but Brother Branham tells us. It was "The Lie". *in order that they all might be judged who did not believe the truth but took delight in wickedness.*

What's wickedness? Bible says because Cain was that wicked one. Because what? He turned down the revelation.

Now, Brother Branham said in **The First Seal 63-0318 P:44** *For the mystery of iniquity doth already work:... (deceivers, you see, deceiving the people off into something. See?)...*

only he... (God)... that... letteth will let, until he... (the Church--Christ, the Bride)... be taken out of the way. (Didn't Wuest just say the same thing, we read, now Brother Branham saying the same thing. He didn't even read Wuest, because Wuest did not come around till after 1965.) *And then shall the Wicked one be revealed... (at the breaking of the Seal, at his time.*

Paul said, "Not in my time, but in the time when he'll be revealed. See?)... whom the Lord shall consume with the spirit of his mouth... That's the word. (We're going to get to that after while.)... That's a Shout. OK, the spirit of his mouth... (Watch what that is.)... and shall destroy with the brightness of his coming: Even him, whose coming is after the working of Satan...

So he has a coming Christ, the Parousia that word coming, is Parousia, and he has a coming, the word is Parousia. Ok, and that word coming in the Greek is the word Parousia.

(him, him, a man)... whose working is after the working of Satan with all power and signs and lying wonders. (What's a lying wonder? It's something that's wrong. It's not right, according to the word.) (See?) And with all deceivableness of unrighteousness... (deceiving people by unrighteousness)...

And if righteousness is being "having the right Word", it's right, then unrighteousness comes by having a wrong word.

in them that perish;... (not this Bride, in them that's looking for such a thing)... because they received not the love of the truth... (And Christ is the Truth, and Christ is the Word, but they'd rather have a creed.),...

that they might be saved. And for this cause God has sent them strong delusion, that they should believe a lie:... (It should be translated there, as I looked in the Lexicon, "the lie," not "a lie"; "the lie," same one he told Eve.)

What did they tell you when they were going to give that thing? Take it and you'll live. Isn't that what the serpent said to Eve? Take this fruit and you shall live. Same thing, The Lie. All Right.

That they might be damned who believed not the truth, but had pleasure in unrighteousness.

Now, back to the Wuest. *But as for us, we have a sense of moral obligation to be giving thanks to God always concerning you, brethren beloved of the Lord, because God from the beginning chose you out (from the rest of mankind)*

You're sitting here this morning because you've been chosen out of the rest of the people in this area of mankind, and those watching from your area too.

(from the rest of mankind) for salvation, this choice being within the sphere of the setting-apart work of the Spirit and belief of the truth, into which (the setting-apart work of the Spirit and the belief of the Truth)

also He summoned you through our good news, and resulting in your acquisition of the Glory (The Doxa, the judgement, the opinion, value and assessment,) of our Lord Jesus Christ.

So, then brethren, be constantly standing firmly, and be holding fast to the teachings which were delivered to you and be passed on to others, which you were taught either orally or through our letter.

Now, what did our prophet teach us about this?

The First Seal 63-0318 P:135 Notice, when Nicolaitan (See?), antichrist is finally... **He's incarnate in a man; then he's crowned. When he starts off as a Nicolaitan spirit in the church, he's a spirit. You can't crown a spirit.**

But three hundred years later he become a pope. And then they crowned him. He had no crown to start with, but he got a crown later (See?), when that spirit become incarnate. See? He become a man.

So, this changing of the White horse to red horse, it became crowned and incarnate with killing of Christians, and when did this take place?

It came under Leo and then Augustine made it a church doctrine after he rejected the Holy Spirit which came by the (Righteous-virtuous) teaching of 2 church age messengers, Irenaeus and Martin.

Then we saw again that name Leo X (and ten is the end of a cycle and the beginning of a new) And he rejected the 5th church age Messenger and his message and excommunicated he cancelled-cultured him and tried to kill Martin Luther.

So, these men struck out against God's Message. The first was Cain murdering Abel. Then Nero against Paul's Message. But He was an emperor, not a pope. Moses, what happened with Moses? He was tried by Pharaoh who tried to cancel culture Moses. He rejected him. He knew his message and turned it down and tried to cancel him out.

So don't think this guy doesn't know the message. I've asked the brothers in Northern Peru. I've got several brothers who are constantly coming to our website. We even support them. And I've asked them to let me know if this guy has ever come across the message, because I believe he has. I believe he has, just like all five of the others and he's a six, which is a number of men.

Then Messengers 2, and 3, Irenaeus and Martin, and Augustine rejected. Then the 5th Leo X rejected Luther's Message, and you can count on the pattern not changing with this Leo, I'll call him Leo the last. So, the first and the last will be the same. You see the parable?

I am sure this Message has come across his path as well. I would like the brothers as I said from South America to investigate any evidence that Robert Prevost a.k.a. Leo the last, heard about this Message.

Now Brother Branham continues, ***Nicolaitan doctrine become a man; then they could crown it. They couldn't do it because he was just a doctrine. Glory.***

*Notice, and **when this Holy Spirit that we have, becomes incarnate to us, the One that's in our midst now in the form of the Holy Ghost.*** So, it's Parousia.

*becomes **incarnate** to us. When does that happen, at the second coming, **to us in the Person of Jesus Christ, we'll crown Him King of king...?... That's right. See?***

So again, Brother Branham telling us how it's going to happen. And when does that happen? When Christ Jesus takes us out of here.

Again, Brother Branham said in **The First Seal 63-0318 P:44** ...*only he... (God)... that... letteth will let, until he... (the Church--Christ, the Bride)... **be taken out of the way.** And then shall the Wicked one be revealed... (at the breaking of the Seal, at his time.*

Notice nobody knows the time, but He does. All right.

Well, from the Seals he said: **The First Seal 63-0318 P:42** *Oh, let's just read a Scripture. You all like to put down some of the Scriptures? Let's take **II Thessalonians** just a moment and look here just a minute. It's such a beautiful picture here.*

*I like it. And let's see. Yes, **II Thessalonians**, and I want the **2nd** chapter of **II Thessalonians** and the **7th** verse. Let's see. **II Thessalonians 2:7**. I think that's right. Now, I was writing this down, quivering and shaking....*

the mystery of iniquity doth already work: It's already happening. It's already manifested to you and I, revealed to us, unveiled to us, but not to the world.

only he who... letteth will let, (OK, who's allowing this to happen? God) until he be taken out of the way. (Until when? When God leaves the earth,) Who? He that letteth. See? See, a mystery... The mystery of iniquity way back in that very first church age here, here's Paul writing, saying that the mystery of iniquity... What is iniquity? Iniquity is something that you know you ought not to do, and you do it anyhow. And Paul said there's such in the earth today, workers of iniquity.

The Second Seal 63-0319 P:44 *These people who think that the Jews are the antichrist, they are certainly a million miles off the line. Don't you never think the Jews are an antichrist.*

Their eyes were blinded purposely that we might have a way to get in, giving us a time of repentance. But the antichrist is a Gentile. Certainly, it is, an impersonator of the truth: "Anti," "against." Now, this great superman...

Oh, how he become a great man, and then finally was throned. Then after throned, he was crowned. And now, he... After that he was worshipped in the stead of God.

Aren't the masses of humanity worshipping this man today?

*Now, look, before that ever come... I want to ask you something: Who was that? What was that on Paul in **II Thessalonians 2:3**, that said that man would come? Why did that man look down through the age and see it? He was God's prophet. Certainly.*

The Second Seal 63-0319 P:105 *The Bible said he would be setting in the temple of God, worship like God. When that little doctrine become incarnate, it become a vicar instead of the Son of God. See? Oh, my.*

That awful deceiving spirit. *If you want to read that, read in **II Thessalonians 2:3** and you can see where it's at. And of course, you will remember **Satan is the head of all political power of every nation.***

How many know that? You want to put it down? **Matthew 4:8** Satan took Jesus up to a high mountain, and he showed Him all the kingdoms of the world **that ever was, or ever would be in a moment of time.** Time travel.

Talk about a person, he said, **"I'll give them to you if you'll worship me."** And Jesus knew that He was going to fall heir to them.

The First Seal 63-0318 P:139 God has promised it; when the Word is refused then they are turned to their desires. Let's read Thessalonians again. Let's... I want you to watch here just a minute. Say, "Well, we read it awhile ago."

II Thessalonians 2:9-11, It said that they would, in turning down, rejecting the Truth, they would be given over to a reprobate mind and would believe a lie and would be damned by it. Now, that's what the Holy Spirit said. Now, isn't that the desire of the church today?

You try to tell people they have to do this, that, or the other; they'll let you know right quick they are Methodists, Presbyterian, or what more; they don't have to paddle in your boat. See? Certainly. They want it.

And God said, **"If they want it, I'll just let them have it. And I'll actually make them believe that that's the truth, 'cause I'll give them a reprobate mind concerning the truth."**

348-1 Laodicea Church Age CA - Now God says they are naked as well as blind. I cannot imagine anything as tragic as a man who is blind and naked and does not know it.

It's like the king who thought he had clothes on, and he was naked. He was blind to his own condition.

There is only one answer--**he is out of his mind.** He is already deep in oblivion. His faculties are gone, spiritual amnesia has set in. What else can it mean?

When all the churches in the nation are having little flags showing the LGBT that everybody's welcome? They're blind and naked and don't even know it?

Can it mean that the Holy Spirit has taken His leave of this last day church. When you see people with purple hair streaming down. It looks like they fell into a bucket of paint. And their representatives in Congress. Yeah, from Connecticut.

Can it mean that the Holy Spirit has taken His leave of this last day church? Can it mean that men have put God out of their minds to such an extent that it is happening even as stated in Romans 1:28.

"And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient." (So, all of LGBT QXYZ and whatever, all of homosexuality all sodomite conditions. It's because they've rejected the truth.) It surely appears that something like that has happened.

*Here is a people who say that they are of God and know God and have His Holy Spirit, and yet they are naked and blind and don't know it. They are already deceived. **They have the wrong spirit.***

The Elect cannot be deceived.** But it is evident that these others are. **These are they who have become blind because they refused the Word of God.

These are they who have stripped themselves naked by leaving God's care and protection and sought to build their own way of salvation, their own tower of Babel by organization.

Oh, how lovely and beautiful dressed they appear in their own eyes as they formed their general assemblies, and their councils, etc.

But now God is stripping it all away and they are naked, for these organizations have but led them into the camp of antichrist, into the field of tares, right up to their binding and burning. Objects of pity indeed they are.

Yes, pity them, warn them, beseech them, and still they go their way headlong to destruction, wrathfully turning away any and all attempts to save them as brands from the burning.

Miserable indeed they are, yet they know it not. Callused and beyond hope, they glory in what is actually their shame. Defiant against the Word, yet one day they shall be judged by it and pay the price of its awful indictments.

***The First Seal 63-0318 P:167** Notice, this rider is nothing but **Satan's superman, an incarnate devil. He's a educated genius.** Now, I hope you got your ears open.*

*They were trying one of his children out not long ago in a television cast to see if he wasn't smarter than the next man to run for presidency; but however, he's got a lot of wisdom; **so has Satan.** He tries to sell it.*

*He sold it to Eve; he sold it to us. We've been wanting a superman; we got it. All right. The whole world's wanting a superman; they're going to get it. **Just wait till the Church goes up, and Satan's cast out. He'll incarnate.** That's right. (See, notice? Just wait till the church goes up and Satan is cast out, then he'll Incarnate.) **That's right. They want***

somebody who can really do the job; he'll do it.

And just look who they have chosen for Satan to incarnate. He speaks 5 languages and can read another 2 languages, so he can communicate in 7 languages, and 7 is completion. The new pope speaks multiple languages, including English, Spanish, Italian, French, and Portuguese. And he can read in Latin, and German. What can I say? They wanted a Superman, they got him.

And he turned a deaf ear, a blind eye, when the priests in his country in northern Peru were doing things to the children that I cannot say from this pulpit. But you know what pedophilia is?

One of his buddies from Michigan was a priest up there and got run out of the country in Michigan, because he got caught. Where'd he go? Peru. Where did he go? He joined him in Peru. Didn't say anything about it, covered it over. The man was able to escape America, and go to Peru and in their ignorance, because the language differences, they didn't know it.

And this man covered it up and I showed you a picture. I said, just look at that man's face. He's got a smile like a Cheshire cat. That just caught a mouse.

Let's pray,
Father, we're thankful, Lord, that You've given us these words today to say, no condemnation to what a man is, but when he yields himself to Satan, we condemn that very much. So Lord, we just pray that we all would not be arrogant in our approach. But we would be humble.

And realize that it's all been said. The Prophet said it, the Apostle Paul said it, the last prophet said it, first and seventh messengers, they both said the same thing. We read it today, and now, Father, we just ask you to keep that in our memory. Help us, Lord, to just keep our eyes on what you're doing in Jesus Name we pray, because one day it's going to be very apparent that this World Council of Churches has gathered together. The squeeze will be on and we'll be looking to get out of here. But we do know one thing for sure, we will get out of here, before he is Incarnate and the evil that he's incarnated with, transpires before us all. In Jesus Name we pray. Amen.
