

**Satan's Eden No. 221**  
*The Third Pull and the Squeeze Pt 2*  
May 25, 2025  
**Pastor Brian Kocourek**

Let's bow our heads in prayer.

*Gracious Father. We're thankful, Lord, for this morning and for our gathering together, knowing that we don't have much strength until we get out of here. But Father, we pray that You keep us till that time. In Jesus Name we pray, Amen. You maybe seated.*

This morning we're going to continue with **the third pull and the squeeze.**

We will pick up where I left off last week, and remember we are speaking about the third pull. So, just keep that in mind.

**21-3 Look Away to Jesus 63-122E** *He said, "Wait a minute." With the drawn diagrams and all the pictures and everything else, he couldn't find one trace of it. He examined her over and over.*

*He said, "I might not be able to explain it, but, Mrs. Branham, that tumor isn't there." And she's never had one symptom of it since. What was it? Notice, just exactly the way It said:*

*"Before the doctor's hand can touch it." **One split second** and his hand would've touched it. Remember he says, **one split second** before the bombs hit this country too. So just remember that, because we're already seen this, where his wife's tumor is gone. We're going to see the same thing.*

*How perfect is the Word of the Lord. Now, there's my wife, and we're both before God.*

*But before the doctor's hand could even touch her body, on the road coming to her like that, something happened. The tumor left. And they couldn't even... He said, I believe it was, wasn't it sweetheart?*

*"I want to reassure you, Mrs. Branham," Is that right the way he said it? That's right. "that that tumor isn't there. You don't have any tumor." What was it? **Just exactly according to the Word of the Lord that was spoke.***

Now remember that thing was the size of a grapefruit.

*Amen. **That's the fifth time.***

Now we went over last week the different times, the squirrels, Hattie Wright's children, the storm, etcetera. But we showed you how it's a restoration of life and everything had to deal with life, creation of life, restoration of life, etcetera. And so, this is again not a restoration of

life, but a protection of that life.

*Amen. **That's the fifth time.** Five is the number of grace, a number of f-a-i-t-h too. There's no more doubt in my mind. I know what the third pull is, and I know what it does.*

*Now, be reverent; just keep quiet. The hour will soon arrive, where God is going to do some great things **for us.***

That's what I'm looking for. Now, remember a lot of People think the third pull, we're going to speak the word. No, we're not going to do it. He's going to do it, in the box in the little room in the closet. We showed you those quotes last week. And so, we know it is the prophet, it is his third pull. Jesus had one, Paul had one, Moses had one. They all had a third pull.

**21-7 Look Away to Jesus 63-122E** *Now, let us bow our heads for a word of prayer. Lord Jesus, I have seen it upon other people, but when it come to my own precious wife, it was in my home then, Lord.*

*I looked at it with my own eyes, felt it with my own hands, and I... sixteen years before that it was also, Lord, known and revealed by You. **When anything is spoken, it must be done.***

Now remember Jesus had a pre resurrection ministry. Then after His resurrection, He had a post resurrection ministry. All right, you listen up. Listen, if Moses had one, Paul had one, Jesus had one, Brother Branham's going to have a pre resurrection ministry and a post resurrection ministry as well.

The 2 messengers, Elijah and Moses are coming back. They're both having a post resurrection ministry. You see, we have a post resurrection ministry, in the Millennium and in the New Earth. We're going to be kings and priests. So, we have a post resurrection ministry.

Everybody that's a child of God has a pre and a post resurrection. The pre resurrection ministry is a show whether you are His or not. And then the post resurrection ministry, you already know who you are. So, you're just going to fall into what you're supposed to do.

*You were showing me, Lord, then that my confidence in what You done for the people, and would let me know, **so I could help them.** You brought it to pass in my own home.*

*That was the first pull. And now the third pull confirmed the first pull. We are thankful, Father. **Forgive us of our shortcomings.** We are a small people.*

*We are uneducated, more or less an illiterate people, but we are so thankful that we have a great omnipotent God, Who watches over and cares for us, **for we don't know how to care for ourself.** We commit ourselves to You.*

Now, that's an understated statement. We don't know how to care for ourselves. If we did, I

wouldn't have the affliction I have. Many of you wouldn't have had the trials that you have because, *well, I'm great. I know how to do things for myself. I can prevent the stroke.* No, you can't. God allows these things to bring your spirit in line with His Spirit.

**22-2 Look Away to Jesus 63-122E** *Now, Father, I pray that You'll help me; and in this third pull, may, O Lord, as You have been speaking for the last couple of years about it, showing it on marking on mountains, and so forth, and bringing it on up.*

*Now, I was watching to see what it was until it was completely confirmed. Now, I pray, Father, that You'll help me to be more reverent with this than it was before. And **may You get glory**, as right over this same pulpit,*

So, in other words, just because it's his third pull doesn't mean he's getting the glory. God still gets the glory. Remember the Angel of the Lord was up in the dimension. Brother Branham was up there, so he was not in our dimension, and he was looking down and the Angel said, "I'll meet you in there." And so, the Angel went first and then Brother Branham followed in line where the Angel was.

Then the people that were all healed didn't know how they walked in the room with one leg, and they walked out with two and they were young again. They couldn't explain what happened, but it happened. That's what's going to happen when we get our change.

*where the first was said, the second, and **now the third.** And **what You have said has come to pass; exactly what You said.** We believe You, Lord God.*

*Help every one of us to throw away our disbelief, and our superstitions, that we might stand in the Presence of the Living God, knowing that the same God that took that tumor from my wife, that is setting present now: verified by some of the highest medical science we got in the country who examined it, then looked, and pictured it; and now it's gone.*

The squirrels weren't there. Now they were there. See the same thing? It's creation.

Now the God who made the tumor is able to take the tumor. The God who allowed you to go through an aging process and getting old and decrepit and everything else. I'm speaking for myself.

But I know Brother Steve's looking right at me, too. So, we're getting old? Right? We can't dunk the ball like we used to? Right? But He allowed that, and now He's going to take that and give us back our youth again.

**Questions and Answers COD 64-0823M P:86, 248...** *this the third pull and is speaking the Word. It seems entirely possible for you to speak the word, and one would be completely and fully restored, placed entirely ready for the rapture in the resurrection, the Son of man.*

*This is so, or is it not? Now think about the question, because in Questions and Answers, someone asks the question. Hey, if you've got this third pull and the Speaking of the word, is it possible that God can use you to do this thing? And you would do this if properly pressed upon.*

*In other words, as the people rise up and say, Brother Branham, you got to do it. You got to do it. You got to do it. No, it's not the way it works, you see.*

*Would you not "escape all these things (it's got a ditto there) escape all these things and stand before the Son of man"? (Luke 21:36)*

*Now, my dear friend. See? Now, I think here that you got a good statement. (In other words, it is possible.) Yes, sir. Yes, sir. Now, that would be so. You said, "Brother Branham..." In other words, here's what I'm... I don't think that it's...*

*I can... I believe I... Not polishing up what you said, but I believe I can make it a little clearer to people. See? **You are believing, because of the Spoken Words and things like that that He said about.***

*And all of you here witnessed the squirrels and all these other things that's been done. **But did you notice, that was Sovereignly given.** I never asked Him, "Lord, let me do this, speak these things in like that, do these things there."*

*I never asked Him that. **He by His own Divine will came to me and said, "You go do this."** Notice Moses never asked God to come down and deliver the people. God came to him and said, you go do this. All right, *See? I wasn't asking one thing about it.* See Paul, on his road to Damascus. God had to knock him off his high horse, blind him for a season, then give him sight again and say, now go do this. All right,*

*I wasn't asking one thing about it. Moses never asked to go down in Egypt but was God that sent him down to Egypt. See? How perfect this message is.*

*So, you see, it was not William Branham who descended with a Shout, he was only a voice God used. Then it must also be God in the Voice using that same voice to bring forth the resurrection.*

*And then notice, the Angel said about the room in the tent, "**I will meet you in there.**"*

*So, what we have been witness to especially the last few weeks is God's Word spoken and it coming to pass. Remember the scripture teaches "**It is God that worketh in you both to will and to do.**"*

*So, if God's not working in you. I feel sorry for you, but if God is working in you and convicting you when you do wrong and all these things, then He's convicting you to get your will in line*

with His Will. So, what you do is in line with what He wants to be done. God said it, so it must come to pass.

So, we see a picture here of President Trump being given some type of an accolade from the Arabs.

And Brother Branham says from **God keeps His Word 57-0407M P:42**. That is in 1957, how many years ago was that? It was 69 years ago.

*You see it in the government affairs. They're trying to go right over and hook up with the Arabs.*

Now what other presidency has done that? Come on, tell me. You know Bush bombed the tar out of the people with drones and stuff like that. Obama did the same. They wouldn't even speak to the Arabs. But Mr. Trump is doing it. Now, not to say he's a great guy for doing it, I'm saying he's falling in line with God's spoken Word, and not saying he's falling in line as if he's bride either.

God said about Cyrus, 150 years before Cyrus was born, he said my servant, Cyrus. And Daniel showed that to Cyrus. And so, Cyrus then said, "I guess I'm going to let the people go back and build the wall this and that." See? And God said, he was a servant, so he's a servant. Listen, a servant is not a son. A servant is a person that's doing something for God, because they're ordained to do something for God.

*Don't you know, God's Word said, "**Ever who curses Israel, will be cursed?**" Certainly. I stand with Israel, take our ground or take it. Certainly. Arabs went in the wrong thing. Sure they are. Brother, **look at every nation that turned against the Jew; they sunk.***

Now, I'm not saying that even if a nation turned against the Edomites, that are running Israel what they are doing. They're evil people just like we have here. I mean, a lot of the people, Paul said, "**not all Israel is Israel**", right? Didn't he say that? And so, you see all these people in Tel Aviv, a big city. I mean, they believe in Nudism and everything else, OK? They believe in homosexual and transvestite. That's not according to the scripture.

Those people are not Israel, but the real Israel is over there. And so, God is protecting them just like He's protecting this nation because of you, His people are here and of course they're in other countries as well. So, **look at every nation that turned against the Jew; they sunk.**

In this picture we see Vice president JD Vance and Secretary of State Marco Rubio set before the pope ***“looking like school boys at a Head Masters office.”***

Now that's not my words. That's what was from the article. And look at the silly grin on their faces.

And they weren't alone in this, **President Donald Trump @Real Donald Trump stated of this meeting:** *“The Vatican as represented by the pope, has stated that it would be **very interested** in hosting the negotiations between Russia and Ukraine.”*

Now remember, both Russia and Ukraine are Catholic countries. Although Russia is an Eastern Orthodox Catholic and Ukraine falls in line with the other. But notice the Pope wants to get involved.

**61-0806 - The Seventieth Week Of Daniel, 123** And thank you, Brother Peter for sending this quote. Brother Branham said, ***There is one man in the world can stop a war or begin a war, without...by saying one word. That's the pope.***

Trump tried to stop the war, and they laughed at him and Zelensky acted like a 16-year-old boy, arrogant and just full of whatever, vinegar, in the presence of Trump. So, they didn't really care. They haven't done anything to stop the War. But Brother Branham said, one man can stop the war, and that's the Pope.

*What if he said, “No Catholic take up an arm.” That settles it, brother, talk whatever you want to. Biggest part of the world, of Christendom, is Catholic. See? All right. Let him say one word, that's what it is.*

So, yeah, He wants to get involved because he can do it. Trump couldn't do it. Now, if Trump tried to bring peace by himself, they have already just ignored him, but you can't ignore the pope in this Satan's Eden. He controls every country.

**An Exposition Of The Seven Church Ages (10 - A Resume Of The Ages)** *But Rome is not going it alone. Her daughters are right with her and she will take over absolute authority by the **World Council of Churches.***

Now before I say this, I just want to say from **Jezebel Religion** preached only a few miles from here. Brother Branham told us *that the Catholic Church, he said, she couldn't get it done through religion. So, she will use politics and through politics she will get it done.* So, the Catholic Church knows that they can't do it alone.

But if they can get the United States, the image of the beast to come to marry together, now you've got the thing getting done.

From **An Exposition Of The Seven Church Ages (10 - A Resume Of The Ages)** *But Rome is not going it alone. Her daughters are right with her and she will take over absolute authority by the **World Council of Churches**.*

Now, notice this picture here. **The church cannot remain silent. The World Council of Churches Condemn Israeli Aggression in Gaza.**

That's the first time I've heard from the World Council of Churches in about 20 some years. They've been hidden just like the Catholic Church behind the scenes, but boy, they're working.

*This may seem far fetched to some but actually it is very plain for all to the church cannot remain silent, World Council of Churches condemn Israeli Aggression because right now **the churches are controlling politics** and at the opportune time will manifest exactly how great is that control. This ecumenical move will*

*end up with Rome at the head, even though the people did not envision it that way.*

Now remember, President Trump is the only president in my age, and I'm an old curmudgeon, I guess you call it. I don't know what you call it. But anyway, I mean, Brother Steve how many presidents have we had? How many presidents? Yeah, in our day. Eisenhower, Kennedy, Johnson, Nixon, Carter, Reagan, Bush sr., Clinton, Bush Jr., Obama, Trump, Biden Trump again. You say Truman?. Before Eisenhower, oh, you had Truman a little bit.

OK, you're a few years older than I am. But anyway, there's been almost 13-14 of them, I think. And so, none of them were interested, and now Trump, he has an actual department. It's called the Department of Faith, and it's run by Amy White. She's the head of it. She's a Pentecostal whore basically, because she's had like four or five, I don't know how many husbands, but quite a few of them.

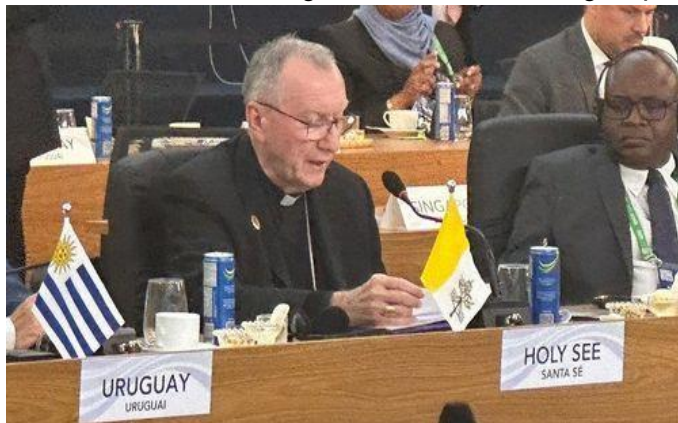

And there are things in the papers about her philandering before that. So, then you got all of them. I have not seen a president where you've got both the Evangelicals and the Fundamentalists all together in unison with this guy. He's got them all and he's got an administration that I think 37% are Catholic. That's never happened before.

In the early days, they said, hey, we can't allow Catholics to even vote, because if we do, they'll take over the country. So, now they're doing just the opposite of what they stood for, you see? They're encouraging the Latino vote. What are Latinos? Mostly Catholic? So, they're encouraging the Catholics to rise up.

Brother Branham goes on and says, now **the churches are controlling politics** and at the opportune time will manifest exactly how great is that control. This ecumenical move will end

*up with Rome at the head, even though the people did not envision it that way.*

We didn't see it coming, did we? Well, this group of people did, (us) but the world didn't.

**63-0318 - The First Seal**, Brother Branham said, **357** *Now, he is going to hold the money. And that's where I think it'll come in. Just a minute, when I say this, then I want to go back to it in a minute.*

So, we have a picture here of Cardinal Parolin.

### **Cardinal Parolin in Brazil for the G20:**

He's the Secretary of State of the Vatican. It says *The Cardinal Secretary of State was in Rio de Janeiro November 18, 2024, around the time of the USA vote. Just a few weeks after representing the Pope and the Holy See at the G20 Summit.*

Now you say, well, isn't that kind of strange? No. I read a book called "**Windswept House**" written by Malachi Martin years ago, maybe 20 years ago, before they killed him, poisoned him to death, and he said, that back when the G5 summit began, he said, you had US, Canada, England, Germany and Japan were the G5, but there were six signers on their summit. And the 6th signer was the Secretary of State of the Vatican.

Isn't that strange? Well, it's not strange because he set the whole thing up. Nobody had any wisdom at all to try to do this, but the Catholic Church did, and so they set it up. So, they're still involved with the G20. Now that congress has grown to 20 Countries.

Now, Brother Branham said of the pope: **358** *He is called the antichrist, and will be called the antichrist, in the sight of God, until the end time. Now, but then he'll be called something else.*

**359** *Now, when he gets the money all under control..."*

Remember the dollar is basically losing everything and it's the currency that holds the world together and it's just going down. So, somebody's got to stop it. Otherwise, 70% of the world that's tied to the dollar are going to crumble as well. And guess what? Those 70% are all Catholic nations. So, he's got to do something with the money. He's got to. They've got to. So, *when he gets the money all under control..."* Now what year was this? It was from the Seals. So, it was 63. *Now, when he gets the money all under control, "Then he'll break this covenant with the Jews," as Daniel here said he would do it, "in the midst of the last half of the seventy weeks," of Daniel.*

Now remember, the tribulation is 3 1/2 years after we're taken, because God didn't allow the rain to fall until Noah was taken. Right? And what was the other one? The other person, Enoch, OK, Enoch was gone, but there was another one, Lot, where God actually didn't allow

this thing to happen until that person was gone.

*Now, when he gets the money all under control, then he'll break this covenant with the Jews," as Daniel here said he would do it, "in the midst of the last half of the seventy weeks,"*

So, if there's 3 1/2 years of tribulation and just to update everybody. There's 70 weeks attributed from the book of Daniel, 70 weeks given to the Jews. All right, the first half of the last week and you could figure out that I think it's 460 some years, something like that. Jesus Christ had His ministry. Now, why, if He was born, why didn't he start His ministry at 20 or 21? I mean, I did at 21. Why didn't He do it at 20? Well, because it wasn't ordained for that. He was supposed to spend the 3 1/2 years. Brother Branham's was 33 years, and Jesus lived 33 years, and so he spent...

But the last 3 1/2 years was to the Jews. Then at Pentecost it began to the Gentiles, you understand? Now, out of seven years that were left for the last week, 3 1/2 years were Jesus's ministry. That takes us then to when we are gone, the Gentiles are gone, God reverts back to the Jews. That's Revelation 10. Brother Branham said Revelation 10 He comes for the Jews, but he also said it's a Gentile ministry, the 7th Angel.

So, you scratch your head and say oh I don't understand. How can it be both? Because He has a pre resurrection ministry and a post resurrection ministry. William Branham has a pre resurrection ministry and a post after his resurrection. Well, people say I don't believe he's (William Branham) coming back in the resurrection. Well then, you're not coming back either. Who do you think you are? If William Branham isn't coming back and you think you're going to come back, we might as well **just eat, drink and be merry because tomorrow we die.** That's what the scripture says, but it's not true.

All of God's children he saw before the foundation of the world, are going to be there. And that includes all of you. So just believe for yourself, believe for your household and God will do it. Now you think God's going to leave your little children behind.

I've got quotes, where Brother Branham says he's not going to do that. He said, take the same faith you have for yourself, and apply it to them, your family see?

So, he says, *and then, brother, what will he do? He'll have all of the world trade and the commerce, a pact with the world, 'cause he'll hold the wealth of the world, completely.*

Now remember he says, *then he'll break this covenant with the Jews," "in the midst of the last half of the seventy weeks," of Daniel.*

So, we will be in glory for about two years before this happens, because that's about halfway through. Somewhere between 18 months and 24 months. We're going to be gone.

See, the world will know nothing about it. I believe as Trump says, we're going to have a golden age. You see, the Bible says that **He comes as a thief in the night**. He doesn't come when we're all hoping to get out of COVID, when we're all hoping to get out of the grips of the government. He's coming as a thief in the night. **When you least expect it**, he'll come. So, you had better shape up your lives right now, that is all I'm saying.

*And then, brother, what will he do? He'll have all of the world trade and the commerce, a pact with the world, 'cause he'll hold the wealth of the world, completely.*

So, you don't understand that Trump is a Gold man. Now Trump doesn't take cash when APMEX is renting his big building which is the largest gold and silver distributor.

And they happen to be in Manhattan and Trump happens to own the building and for years now, he takes payment in gold bullion. All right, so he's been saving up gold himself, and he knows if they change the gold for \$3,000 an ounce to \$30,000 or \$50,000 or whatever it takes to pay off the debt, he's going to look like a hero. He's been planning it a long time.

He's watched every Democrat make promises, and he says every one of them lied to the People. He says, **"I'm going to make promises and I'm going to keep promises"**. Have you ever heard a president say he would keep his promises? **"Promises made, promises kept."** Well, he's doing it. Why? Because he knows it failed for all the others.

So why do you think he's such a great politician? He studied; he's a smart man. He's got 168 IQ. He studied all these years, and he's seen what failed. Just like when he started out in business and he failed. He studied why he failed, and he made corrections. William, you have a business. How many times have you failed with some idea? How many times have you corrected the failure?

Well, but you can look at your business now and you can look at your business back then. You can say, hey, I made corrections and I'm doing well now, because I made those corrections. That's the same that Trump has done. So don't think well, he's such a great man. Just think he's a pretty shrewd businessman.

*359 Now, when he gets the money all under control, Who's he? The Pope.*

*Then he'll break this covenant with the Jews," as Daniel here said he would do it, "in the midst of the last half of the seventy weeks," of Daniel.*

*And then, brother, what will he do? He'll have all of the world trade and the commerce, a pact with the world, 'cause he'll hold the wealth of the world, completely.*

Why? Because he backs up all the Jews on Wall Street, all their quadrillions of debentures. What do they call it? He's got the money to do it. You say, well, no, they're, so poor they can't even pay when they have all these child molestation cases. No, they just ship them off to somebody else, so they don't have to pay. They ship them, like the guy, that was the best

friend of this Pope, and he was in Michigan, and he got scared. So, he went down to Peru, and then of course, this Pope would follow him there.

So, they don't care about the poor. They act like they do, because it's a great press. You think Bill Clinton and Hillary Clinton actually care about the poor when they've gotten a couple billion dollars for their foundation. But you know what? And none of it went to Haiti. I mean, the government sent all kinds of food stuffs and everything else to Haiti. And guess what? It sat in the warehouse and rotted. You think those people really cared?

You think they care that global warming is going to happen, when Bill Gates and Obama and all these other people, they have ocean view houses or huge complexes that are worth hundreds of millions of dollars. You really think they care about global warming? It's a big ruse.

People are stupid, they're sheep. They don't understand what's going on. All they got to do is open their eyes and they would know. And then they say, well we didn't know that Biden had dementia, and that he had cancer.

And yet all of us people said for years that the guy had dementia. Even his own family said he had dementia in 2019 before the election. But that didn't make the news, did it? And they said, it's just a conspiracy theory, of the conservatives. And now they say, well, maybe they were right. Maybe they were right after the fact. They put out their books so they can collect another \$1,000,000 off the affair. Maybe the Republicans were right. Oh boy, I tell you, these people are going to burn in hell, every one of them.

*And then, brother, what will he do? He'll have all of the world trade,* because he's backing up their paper with gold. And then he calls it and says, "I'm calling the note."

Now I don't know if any of you have ever had a note from a bank called on you, but then if you don't pay it, it goes to foreclosure. I know some of you would take advantage of that and bought land, bought houses on foreclosed ones. But the thing of it is, the bank can do that anytime and you're stuck.

What's the Catholic Church going to do? Hey, we're sitting on these quadrillions of moneys around the world, and now we're going to either call it, we will call it, but we're going to give you this option. We're going to tell you what to do and you do it, then you're fine. That's exactly what he's saying here.

And the Catholic Church will do it. And during that time when the bank notes are called, when the depression hits hard, every nation, it hits the Jews, because that's when the Jews tribulation begins.

*And during that time, them two prophets will rise on the scene and call that hundred and forty-four thousand. Then what'll take place? Then the mark of the beast, of **Revelation 13**, will set in, 'cause he holds all the commerce, trade, and everything of the world.*

And remember, **Revelation 13** has to do with the United States, and it also has to do with the boycott, which is cancel culture, which is a boycott.

We've already seen a trailer; they have already proved it. You couldn't get on a bus, a plane, a train or any commercial transport. You couldn't have church services. You couldn't go to a ball game. You couldn't do anything that was right, during COVID. But you could protest in the streets and burn down the cities and everything else, that was OK.

That's what it's going to be like. Listen, when God's Holy Spirit leaves the earth, He takes us with Him, and then Brother Branham says, chaos opens up. Chaos, there's nothing left but chaos.

When Divine Mercy is spurned, there's nothing left but judgement. Meanwhile, we've been judging ourselves by the Word. This Word.

*And what will take place then? The mark of the beast will come in, that, "No man can buy or sell, except him that has the mark of the beast." [Brother Branham knocks on the pulpit three times—Ed.]*

No man. So those that try to buy and sell, those that don't want to enter the beast system? What? Guess what happened to them? Like what's happened in South Africa if you're a white Boer, all right?

**"Kill the Boer, kill the farmer"**. All right, *oh, we're not doing that*. You're a liar because it's on video all over the place. The same thing is going to happen.

360 Thank God, **the Church will be enjoying a great three and a half years in Glory, won't have to go through that.**

Can we all say Amen? I'm so looking forward to that time.

**58-0520 - The Sign Of The Time, 46** *The Bible teaches that the Church will be raptured before the tribulation. You know that. Everybody knows that. Jesus said, "As it was in the days of Noah, and in the days of Lot, so will it be at the coming of the Son of man.*

*In the days of Noah, not one drop of water fell from heaven till Noah went in the ark. Wow, isn't that wonderful? In the days of Lot, not one bit of fire fell from heaven till Lot got out of Sodom. Isn't that wonderful?*

*And not one bomb can drop until His blessed Church be resurrected and taken in the rapture to see her Lord. And if destruction is this close, how close is the coming of the Lord? It has to happen before the destruction and annihilation. It has to happen.*

Now, I don't know how aware you are, because most people don't watch the news, and the news don't tell you anyway. And a lot of people don't even watch podcasts because that's about the only place where you get maybe 80% of the truth. Not all because they lie too, but you've got the Holy Ghost.

So, your eyes are open to what is happening in the world and the world is having great difficulty with the money system. It's all going to collapse. It's going to collapse.

**61-0808 - Thy House, 59** *So, then in that, believe on the Lord Jesus Christ. If your children isn't saved, until they get saved. And Jesus said (now, remember, Saint **John 5:24**), "He that heareth My Words and believeth on Him that sent Me, hath Everlasting Life and shall not come to the judgment."*

Did you hear what I said? If you believe on the Lord Jesus Christ with all your heart, that means His Word, because God is His Word.

*Then if he doesn't come to the judgment, where does he go? (and the judgement is coming to this world, then) where does he go? In the rapture. See? 'Cause that's the judgment after the rapture. After the rapture.*

*See? "Shall not come into the judgment, but has passed from death unto Life."*

*Because he's believed on the Lord Jesus Christ. Isn't that wonderful? So, your children will be there with you.*

Did you hear what I just said? Your children will be there with you. Listen, Job's children were living on their own. They were having a party every night, probably getting drunk, doing all kinds of things, and they died.

And you know what Brother Branham said? He said, what did Job have? After all of his trials, he had double of everything in his life except for his children. He got the same ten children back. (7 sons 3 daughters). When was that? He said God kept them in heaven for him.

So, don't look at your child if he's a little stinker, he's under the Token. You were a stinker one day yourself, so don't look at your children who don't have all the values of God yet, but they do have some, and they quote some, and they believe the word some, but they don't have it all yet. Neither do you. But you will. And so now is the time of salvation.

Now is the time to start applying that token. *Your loved ones will be there with you. And I hope I'm there with you. Amen.*

**171Shalom 64-0112** *Then one time He said about the Third Pull, how it would come by this one way, then by knowing the heart, and then the spoken Word.*

OK, so we show that Moses had a third pull. He had a Spoken Word. All right, God said speak to the rock. What did he do? He spoke to the rock when he doubted his own revelation of what God told him to do, and struck the rock. Nothing happened.

He struck it twice in anger, and God kept him from going into the promised land because of that. So, the spoken word has to do with the third pull.

**263** *And I'm sorry, really to have held you like this, but just to get a tape of this now from... If the Lord willing, this is what I'm to speak on at Phoenix, Sunday afternoon. Then Monday, I'm going with a little short meetings, and so forth.*

*I purposed in my heart this year, if the Lord willing, I'm--I just cut and tore from side to side. And we all know that the identification, we know what the third pull is, we all understand that.*

Like I said, what had Hattie Wright's sons? It was life imparted. What was in the upper room? It was life imparted. OK, same thing. Jesus' Third pull during the speaking the word. What did He do? He spoke fishes upon the water. What did William Branham do? He spoke squirrels. What were both of them associated with? Eating, Health. Eating. OK. In other words, a sustaining life.

What did his third pull happen to do with the storm? It was a preservation. What about Sister Meda? It was a keeping of her life. You see, all has to do with life, every one of them. There are five times.

*Now, you'll have the tape. You see? And it's... Now, I think it'll just lay dormant for a little while, until the great hour of persecution comes on. That's when...?... It'll speak. It'll be manifested.*

*Just like the five straight signs without failure, perfectly. And now, I think, just wait (See?); just see what does.*

*Now, I'm going the same again, through and through, to find out, short meetings, and we'll try to get out every night early. Have just about thirty minutes, talk on something about Divine healing, or something like that.*

*And whenever I get ready to make a tape again, I'll either run down here to the backside of the desert, or else to the Tabernacle, or somewhere, where they can make a tape, where we'll be among ourselves, and I can say what I wish to, like that.*

**262 Anointed Ones at the End Time65-0725M** *Notice the very day when this messenger, not when he starts on the, but when he begins to declare his Message. See? The First Pull,*

*healing; Second Pull, prophesying; Third Pull, the opening of the Word, the mysteries revealed.*

You see, Moses had the stick in his hand, first pull, all right, He had then the judgments of plagues and stuff, the second pull, all right, but then he had the third pull. The manna from heaven came. Now manna is the food. Brother Branham has squirrels. Jesus had fishes.

People in the wilderness had quails, and they had manna. So, it's the same thing.

*No more... There's no more higher order to reveal the Word than prophets. But the only way the prophet can be a-vindicated is by the Word.*

*And remember the Third Pull was the opening of them Seven Seals to reveal the hidden Truth that's been sealed in the Word. Do you see it?*

*It is then, in that day when this thing is to take place that Jannes and Jambres, the impersonators, will appear again, just like they did when Moses appeared with the original Word to say it; they appear to impersonate it. Just exactly right. Now, you see what **Matthew 24:24** is? See? Anointed ones.*

**27 What is the Attraction on the Mountain<sup>65-0725E</sup>** *So I've got my mind set on this Message. That's that Third Pull, and it's the one I must be loyal and reverent to.*

**132 What is the Attraction on the Mountain<sup>65-0725E</sup>** *I went up in the canyon, climbed plumb up where the eagles was flying around. I was watching some deer standing there. I knelt down to pray, and raised up my hands, and a Sword struck my hand.*

Now I have a duplicate of that sword that was given to me by Brother Vayle who had bought it. It is in my study if you want to see it.

*I looked around, I thought, "What's that? I'm not beside myself. Here's that Sword in my hand, bright, shiny, glistening in the sun." I said, "Now, there's not people in miles of me way up here in this canyon.*

*Where could that come from?" I heard a Voice, said, "That's the King's Sword." I said, "A king knights a man with a sword." He, the Voice come back, said,*

*"Not a king's sword, but 'THE King's Sword,' the Word of the Lord." Said, Fear not, it's only the Third Pull. It's the vindication of your ministry."*

**170 Man that can turn on the Lights 63-1229M** *And watch, as it went forward, it grew stronger and stronger. And so has the real little minority of the church grow from justification, sanctification, baptism of the Holy Ghost, and now to the coming Capstone, shaping itself up.*

*No more organizations after this. There won't be no more. See? Can't be. See, we're on the west. Just to show you, through all types and everything else... And look at those three jumps, three pulls.*

*We'll get into that tonight (See, see?), how we're at the end time. It's just...The s-u-n has traveled like S-o-n: S-o-n like s-u-n. The church has come the same thing from the seven church ages and so forth.*

*Civilization's moved right on to the west, and the church has moved right on to the west. And now, if we go any further than what we are now, we come back east again.*

*You leave the west coast you go right back into China, Japan, right back in again. Seven thousand miles across you go right back to the east again. So east and west has met. That's all of it. We're at the end. There's nothing left.*

So, if you're hesitating, if you are not living according to the word.

You're not ready. You're going to be left behind. If you're echoing, then what He says, *he that hath the Son*, that word in Greek, is echo?

**1 John 5:10-12.** *He that hath the Son, he that echoes the Son, echoes life, echoes the life of the Son. Paul said, I am crucified with Christ. Nevertheless, I'm living, but not I that is living, but Christ is living in me.*

If Christ isn't living in you, then you are dead. You might think, *well, I don't need to hear that. I'm fine.* Go ahead, just go ahead. You'll be here. You won't make it. You won't make it.

**168 Man that can turn on the Lights 63-1229M** *Look. Paul... The early church started in the east; it went from there, jumped across the sea over into Germany. And it's made three pulls. Looky.*

*From Asia down in Palestine it jumped across the ocean to Germany. That was Luther. And it jumped from Luther across the English Channel over into England by Wesley.*

Why do you think that Gaza is such an important thing today? Because it was important back then. It started there. It's ending there. Isn't that wonderful? God in simplicity, Alpha and Omega, always the same.

*And from Wesley she's jumped to the west coast to the United States. And this, if you go any further, it's coming back east again. This is the evening time.*

*The mark of the beast been here all along, either seal of God or mark of beast, but there comes a time when it will be activated.*

Notice when it becomes activated, there's already people that have the mark of the beast, that's in their forehead. It's in their actions. So, if your actions are not according to the word, you've got the mark of the beast. That's all I can say.

*He speaks of economic troubles, disaster & one other thing*

*Mark of beast "you Pentecostals can't fellowship, the government is moving you.*

In other words, like I said, during the time of COVID, we had a preview of what is to come. And that preview showed lockdowns everywhere, a cancel culture, which is nothing but a boycott. And that's exactly what the Bible says, look it up. **Revelation 13**. What were the attributes and characteristics of the mark of the beast? It was a cancel culture, a boycott. We've already seen it. 70% of the world got themselves jabbed. 70% of the world got their DNA changed. The beast. You know that they're a beast now. It's too bad.

*They say well, I got the shot. I'm going to be fine.* No, you're not. You're going to die a miserable death. Many have already died of myocarditis and pericarditis and all kinds of things. Well, we can't blame that on the vaccine. Why can't you? It's not even a vaccine. It's an mRNA.

It's a scientific thing that they did to change your DNA. I've got proof of it. I've got Bill Gates talking to a DARPA. Where's all the evil come out of America? Where are the so-called vaccine, MRA vaccines developed by DARPA, then sent over to China to kind of instill it and get it ready?

You don't realize Bill Gates in 2004 said we have a vax that's called The Fun Vax. Not fun, like it's going to be fun, but fun, as in fundamental. And he says, it changes the M2 in your brain so that God cannot communicate with you anymore. You're basically a beast. That's what's happened.

**168 Who do you say this is? 64-1227** *Now, when the Methodists and Baptists can't hardly get together because of their organization, but when there's coming a master organization, that we can all get together, all right.*

*"Oh," you say, "the Pentecostals will never receive it." They won't? What'd they do the other day in Missouri? You read your papers, surely. See? You won't? No, not you Pentecostals, you people; but it's not you; it's that government up there that's moving you. That's the head that's turning you. That's right. Don't you go with it. You stay away from that thing; that's the mark of the beast.*

But you know what, 90% at least. And I'm being gracious, because that means to 25,000 people, who claim to follow the message, have all kinds of doctrines and everything else, then what the prophet said. But they think that the message is an extension of Pentecost. Brother Branham said it's a million miles beyond Pentecost. And a couple weeks ago I asked Grok, it's a supercomputer. And I said, who would you say in the 50s and 60s was the prophet of the hour? And they said, well, that has to be William Branham.

And he says, but he didn't have the people that Oral Roberts had, or Amy Simple McPherson had, but he had the most miracles and stuff like that. So, if a computer which is based on logic, logic in, logic out, all right, input in, input out, it can't create its own logic. It takes what somebody else's implied. It is taking all the things that are on the Internet about William Branham and says, yeah, I've come to the conclusion he must be the prophet of the hour. You know what? There's 2.5 million people in this message that believe God sent a prophet.

They don't have revelation, brother, sister. They have logic, logic. Only the bride has revelation, and Brother Branham said it might only be 500 people and that is .0002 of the 2.5 million people. That means it's 100th of 1% if it's 500 people.

Now we can pray that it will be a few more than that, because Brother Branham just said, there's two schools of thought, 500 + 5,000, he said. But I believe it will be closer to 500. There were only 8 in the days of Noah, as Brother Vayle told us, there were 6 billion people on Earth at that time, and only eight were saved. It's not going to be a whole lot of people. You don't have room to play games. All right. So, what are we going to do if I say 1%, and you say, well?

*That's not very nice of you.* Listen, 1% is 25,000 people. Do you think it's going to be 25,000 people around the world when the prophet said 500? I can show you, I've been to 59 countries; I can tell you that there's churches over in Africa that all leave their shoes outside and walk into the church because it's holy ground and somebody comes along and steals all their shoes, and I guess they start a shoe company.

Yeah, I've seen tremendous amount, like in Congo, North Congo, the brothers asked me the question. *Well, now that we've got the doctrine, can we still eat snake?* And I just burst out laughing because back home there's people that wouldn't eat meat because of the doctrine.

*Well, we got the doctrine and so we can't eat meat.* And Paul says you're pretty simple if you do that. He said there's some that don't eat meat, some who will eat meat. So just bear with those ones that don't because what can you do? They are who they are.

Brother Branham said, people are going to do what they're going to do. And yet we don't go through all the quotes where Brother Branham says, that cult eating, like not eating meat.

So, pick and choose what part of the message you want and then you're going to be fine.

Right? No, you're not going to be fine. You're going to be left behind. All right.

I think that we'll close now, we'll close it here, and so we all can get out, and then Brother Justin, you pick up this afternoon and then I'll save the rest for next week. I thought we were just going to have two sermons, but actually we've got three so far and maybe it's going to be 4 sermons.

So, let's just bow our heads in prayer.

*Gracious Father, we're so thankful, Lord, that we're looking at this third pull. We're looking at the evils that are happening in this world. And so, Lord, we just pray that You will be with us and help us Lord, through this time. In Jesus Name we pray and help us Lord to just enjoy the day and the sermon to come this afternoon. In Jesus Name we pray, Amen.*
