

Satan's Eden no 38
April Spanish Mistery Meeting
Saturday April 2, 2022
Brian Kocourek, Pastor

The Pastors from Paraguay, Chile and Peru have each submitted one question each for today's meeting.

Question no 1) Who are the nations that will lead the battle of **Gog and Magog**, at what time, and what is their connection with **Jeremiah 38:8** and **Revelation 20:14** and following verses?

Answer question 1)

First of all there is no comparison with the battle of Gog and Magog with **Jeremiah 38:8** *"Ebedmelech went forth out of the king's house, and spake to the king, saying"* Furthermore there is no connection between Jeremiah 38:8 and **Revelations 20:14 14** *And death and hell were cast into the lake of fire. This is the second death.* So I think we got our Scriptures for the question wrong. Therefore first of all to answer the question we have to get our scripture right first.

It is not **Jeremiah 38:8** But rather, I believe the brother meant **Ezekiel 38:8**. *"After many days thou shalt be visited: in the latter years thou shalt come into the land that is brought back from the sword and is gathered out of many people, against the mountains of Israel, which have been always waste: but it is brought forth out of the nations, and they shall dwell safely all of them."*

Ok, this speaks of when Russia and her allies comes down to fight against Israel but it has nothing to do with revelations 20 which is after the millennium, when the earth is all resurrected for the white throne judgment.

But we see in **Zechariah 14** this end time scenario when Russia comes down to fight against Israel and what happens to them. **Zechariah 14:12** *Now this will be the plague with which the LORD shall strike all the peoples that have warred against Jerusalem: Their flesh will rot while they stand on their feet, and their eyes will rot in their sockets, and their tongue will rot in their mouth. 13 In that day a great panic and dismay from the LORD will fall on them; and they will seize one another's hand, and the hand of the one will be raised against the hand of the other. 14 Judah also will fight at Jerusalem; and the wealth of all the surrounding nations will be gathered together—gold and silver and garments in great abundance. 15 So like this plague [on men] there will be the plague on the horses, mules, camels, donkeys, and all the livestock in those camps.*

But in this next quote we hear brother Branham answer a question asked concerning **Ezekiel 38**. **QA God being misunderstood COD 61-0723E P:44 143.** *Will Ezekiel 38 and 39 come to pass before the rapture? Now if you will notice, Ezekiel 38 and 39 deals with Gog and Magog, which is Russia, the north country. Now, I do not say that this is correct, but to my way of teaching it, that, it comes to pass after the rapture, after the church is taken up. And God deals with Gog and Magog when they come down before Israel there. And I think that will come to pass after the rapture. Now, that doesn't make it so. See? But that's just my way of teaching it. I suppose that's what they wanted to know, what my idea was.*

Now what we see in **Revelations 20:1-14** concerns after the millennium is over, and the general resurrection takes place then Satan and all that are his come to fight the Bride of Christ and Jesus Christ Himself. And guess what? We will win,

"1 And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand. 2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, 3 And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season. 4 And I saw thrones, and they sat upon them, and judgment was given unto

them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years. **5** But the rest of the dead lived not again until the thousand years were finished. This is the first resurrection. **6** Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years. **7** And when the thousand years are expired, Satan shall be loosed out of his prison, And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea. **9** And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and **fire came down from God out of heaven, and devoured them.** **10** And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night forever and ever. **11** And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. **12** And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works. **13** And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works. **14** And death and hell were cast into the lake of fire. This is the second death. **15** And whosoever was not found written in the book of life was cast into the lake of fire.

From **QA Image of the beast 54-0515 P :129** Will the prophecy of **Ezekiel 38 and 39** be fulfilled **before the rapture**? I think not. I think the next thing we look for is the rapture of the church. And then that's when Gog and Magog comes down is the Russian armies who comes in after...

And then they gave a second quote from **QA God being misunderstood COD 61-0723E P :44 143** Will **Ezekiel 38 and 39** come to pass before the rapture? Now if you will notice, **Ezekiel 38 and 39** deals with Gog and Magog, which is Russia, the north country.

Magog, Meshech, and Tubal were all sons of **Japheth**, who was one of the three sons of Noah. Japheth and his family migrated to the area of modern-day Russia.

Genesis 10:2-10. Now these are the generations of the sons of Noah, Shem, Ham, and Japheth: and unto them were sons born after the flood.

2 The sons of Japheth; **Gomer**, (German) and **Magog**,

(In **Ezekiel 38**, Gog is an individual and Magog is his land;^[1] in **Genesis 10**, Magog is a man and eponymous ancestor of a nation, but no Gog is mentioned; and centuries later Jewish tradition changed Ezekiel's "Gog from Magog" into "Gog and Magog"^[2].)

In his sermon **Questions and Answers 64-0830E 1160-Q-392 392**. Brother Branham said, "The church age ending and has blacked out, the Bride is called, we have already entered into the tribulation period? No, no, no, you're... I wished that I could just have more time on that. See, see? **The Bride, when she's taken from the church, then the church age will cease. Laodicea goes into chaos; the Bride goes to glory;** and the tribulation period sets in upon the sleeping virgin for three and a half years while Israel is getting its prophecy; then tribulation sets in upon Israel; and then comes the battle of Armageddon which destroys all things. And then, the Bride returns back with the Groom for a thousand years, the millennium reign; after that comes the white throne judgment; after that comes the new heavens and new earth and the new city coming down from God out of heaven. Eternity and time blends together."

Notice he said, **Laodicea goes into chaos; the Bride goes to glory;** And those words could never have been any truer than what we see today, total chaos until people don't know if they are male or female or even a human or some other animal. And that can only happen when men have lost their minds altogether.

End Time insanity is predicted for the entire world at the last church age.

Revelation 3:14 *And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God; 15 I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot.16 So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.17 Because **thou sayest**, I am rich, and increased with goods, and have need of nothing; **and knowest not** that thou art wretched, and miserable, and poor, and blind, and naked*

Notice those words, “**And knowest not**,” look at their condition and yet because of the condition of their mind in this age they don’t even know it. How can a person in their right mind be blind and naked and yet they don’t even know it.

In fact brother Branham preached on this condition in his sermon **And Knoweth it not 65-0815 P:29** *So it throws the whole world into insanity. The whole thing's insane. And it's so gradually crept in till the people don't know it.*

And Knoweth it not 65-0815 P:32 *Let me prophesy something to you just before it comes to pass. The whole world is groping in insanity, and will get worse, and worse, and worse until it'll be a bunch of maniacs, and it's almost that way now.*

Invisible union of the bride 65-1125 P:51 *The complete total insanity this world will go into right away. **It's almost there now.** Why, you can see the footsteps of it.*

When their eyes were opened 64-0312 P:29 *The whole world's insane. Sure, the man's crazy. No man can shoot another without being crazy. The whole world's crazy. Certainly it is. The farmer, he's crazy to the businessman; the businessman's crazy to the farmer. Who is crazy? The whole group is. **There's only one sane thing, and that's Jesus Christ, the Son of God.** And His Gospel has the answer to everything. Our books of psychology, and all these things, are nonsense. **If it's contrary to this Word, throw it all away.** God's Word is right, and all others are wrong.*

Question 2)

Was Noah and Enoch preaching at the same time?

56-0115 The Union of Time *Notice that back in that bad day before the destruction, God had a man preaching the Gospel a poor man. humble was not much for the world but he was a man who had a heart to listen to God, Noah. Noah and Enoch were preaching at the same time.*

56-0115 The Junction of Time pp 13 *Now, as we see that the time that Nimrod had brought all the confederations together, and made all people come to Babylon, and come into this great confederation, and at the time of all the evil going on between the women, sexually and so forth, at the same time God had a witness on the earth:*

Answer Question 2) Now, notice he says at the same time, then there is a colon following, and then other things are said after that colon. Let me say that first of all the words “the same time” would indicate they both preached in the same age, but not necessarily at the same moment, hour or minute.

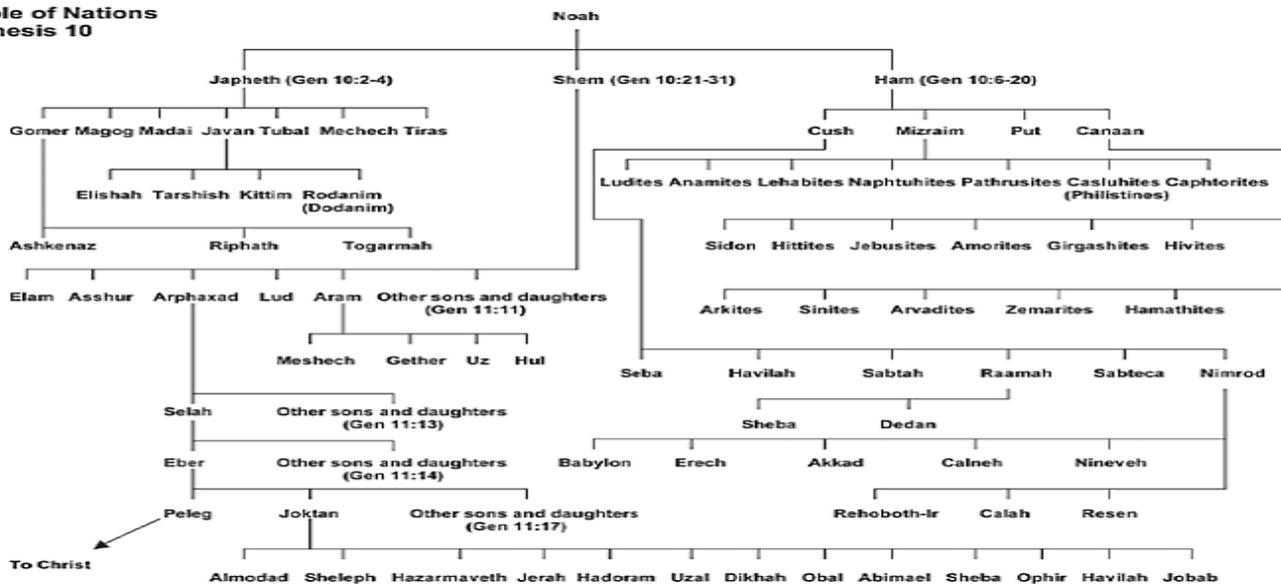

The word **time** means the system of sequential relations that any event has to any other, as past, present, or future; indefinite and continuous duration regarded as that in which events succeed one another. So yes, Enoch preached, and Noah succeeded him. The time of the parousia of Christ is one series of events that open up to another, like the seven seals. Like a roman candle. One blast comes out of another and from that comes another and then another etc.

But we must stop here because a colon is used, and we need to know what the colon refers to. A “colon” is the sign (:) and is used to mark a major division in a sentence, to indicate that what follows is either an elaboration, a summation, or an implication, of what preceded it; and/or it is used to separate groups of numbers referring to different things, as hours from minutes in **5:30;**”

So the colon is used here to separate the Time of Nimrod which came after the flood, from the time before the flood when Enoch and Noah who Peter said was a preacher of Righteousness. That is what he says after the colon which is a separate thought from what he said before the colon. And yet the colon is used to tie to two thoughts together but not in an eschatological order,

So after he speaks of Nimrod and the condition of the people after the judgments, he then reverts back to those who preceded the judgment of the flood. For Nimrod is said to be the great grandson of Noah. Noah had a son “Ham” And Ham had a son “Cush” who was Noah’s grandson, and then Cush had a son “Nimrod” who was Noah’s great-grandson.

**Table of Nations
Genesis 10**

Enoch, who walked with God blameless. And at the same time that evil was appearing, angels appeared on the earth. Angelic beings moved in to men. Very beautiful type of today, also; as the evil is appearing, so is good appearing. And notice, back there in that evil day just before the destruction, when God had a man out preaching the Gospel, a poor man, humble man, not very much of the world, but a man who had a heart to listen to God: Noah. There was Noah and Enoch preaching at the same time. And if you notice over in Revelations 11, it said, "I'll give power unto My two witnesses in the last day." Two witnesses again in the last day, Revelations 11... And they performed signs and wonders among the people.

Genesis 5:1 *This is the book of the generations (lineage, or family history) of Adam. In the day that God created man, in the likeness of God made he him; 2 Male and female created he them; and blessed them, and called their name Adam, in the day when they were created. 3 And Adam lived an hundred and thirty years, and begat a son in his own likeness, after his image; and called his name Seth: 4 And the days of Adam after he had begotten Seth were eight hundred years: and he begat sons and daughters: 5 And all the days that Adam lived were nine hundred and thirty years: and he died.*

Adam was created on day 6, and Noah was 130 years old when he “begat” his son Seth, Then Adam lived another 800 years, so he lived 930 in all. So he died in year 930 after Creation.

6 And Seth lived an hundred and five years, and begat Enos: 7 And Seth lived after he begat Enos eight hundred and seven years, and begat sons and daughters: 8 And all the days of Seth were nine hundred and twelve years: and he died.

OK, so in year **130** after creation, Seth was Born, and he begat Enos Adam’s Grandson at age 105 and that means Enos was born in the year 235 and since he lived 912 years, then he died in the year **1,042**.

9 And Enos lived ninety years, and begat Cainan: 10 And Enos lived after he begat Cainan eight hundred and fifteen years, and begat sons and daughters: 11 And all the days of Enos were nine hundred and five years: and he died.

So Enos was born in the year **235** after creation and he was 90 years old when he begat Cainan which was Adam's Great Grandson, so that would be in the year 325 after the creation. And since he lived 905 years, that means he died in the year **1,140**.

12 And Cainan lived seventy years, and begat Mahalaleel: 13 And Cainan lived after he begat Mahalaleel eight hundred and forty years, and begat sons and daughters: 14 And all the days of Cainan were nine hundred and ten years: and he died.

So Cainan was 70 years old when he begat Mahalaleel Adam's Great, great Grandson, which means he begat Mahalaleel in the year **395** after Creation. And Cainan lived 910 years so that means he died in the year **1,305** after the creation.

15 And Mahalaleel lived sixty and five years, and begat Jared: 16 And Mahalaleel lived after he begat Jared eight hundred and thirty years, and begat sons and daughters: 17 And all the days of Mahalaleel were eight hundred ninety and five years: and he died.

So Mahalaleel was 65 when he begat Jared Adam's great, great, great Grandson, in the year **460** after creation, and since he lived 865 years that means he died in the year **1,325**

18 And Jared lived an hundred sixty and two years, and he begat Enoch: 19 And Jared lived after he begat Enoch eight hundred years, and begat sons and daughters: 20 And all the days of Jared were nine hundred sixty and two years: and he died.

So Jared was 162 when he begat Enoch, who was Adam's Great, great, great, great grandson, who was also Noah's Great Grandfather, and Enoch was born in the year **622** after creation, and since Jared lived 962 years that means Jared died in the year **1,422**. Enoch was born in 622 and lived 365 years so he was taken up in 987.

21 And Enoch lived sixty and five years, and begat Methuselah: 22 And Enoch walked with God after he begat Methuselah three hundred years, and begat sons and daughters: 23 And all the days of Enoch were three hundred sixty and five years: 24 And Enoch walked with God: and he was not; for God took him.

So Enoch was 65 when he begat Methusaleh, Adam's Great, great, great, great, great, grandson and also Noah's Grandfather, in the year **687** after creation, and since he lived 365 years that means he went up with God in the year **987**. Now, keep that in your mind now.

25 And Methuselah lived an hundred eighty and seven years, and begat Lamech: 26 And Methuselah lived after he begat Lamech seven hundred eighty and two years, and begat sons and daughters: 27 And all the days of Methuselah were nine hundred sixty and nine years: and he died.

So Methusaleh was 187 when he begat Lamech which was Noah father, in the year **874** after creation, and since he lived 969 years that means he died in the year **1,656** after the creation.

28 And Lamech lived an hundred eighty and two years, and begat a son: 29 And he called his name Noah, saying, This same shall comfort us concerning our work and toil of our hands, because of the ground which the LORD hath cursed. 30 And Lamech lived after he begat Noah five hundred ninety and five years, and begat sons and daughters: 31 And all the days of Lamech were seven hundred seventy and seven years: and he died.

So Lamech was 182 when he begat Noah which was Adam's great, great, great, great, great, great, great Grandson of Adam, in the year **1,056** after creation, and since he lived 777 years that means he died in the year **1,651** after the creation.

32 And Noah was five hundred years old: and Noah begat Shem, Ham, and Japheth.

So Noah was 500 years old when he begat Shem, His firstborn son, in the year 1,556 after creation.

Noah was 599 when the flood came, which lasted about one full year until the water descended. So he was 600 when the flood waters rescinded. The flood came in the year 1,656. Noah died in the year 2006.

Genesis 6:28 *And Noah lived after the flood three hundred and fifty years. 29 And all the days of Noah were nine hundred and fifty years: and he died.*

Question 3 When does the pact between **Rome and Israel begin** and what are the reasons why this pact is made? If Rome breaks the pact in the middle of the last week, are there still seven years left?

Answer no 3) There week 70 weeks of Daniel remaining for God to deal with the Jews. Last Week of Daniel is seven years. And Jesus Messiah was cut off in the midst of the last week which would be 3-1/2. Which means that only 3-1/2 years remain in the last week that God deals with the Jews. In between God turned to the Gentiles. When God is finished with the Gentiles then God turns back to the Jews to finish the last week for 3-1/2 years. To answer this question we must simply go to the Scriptures that tells us that surely God will do nothing first until He reveals it through his servants the prophets. Therefore if anything is going to happen on this earth it will be revealed to us by God's Prophets. The world churches teaches a seven year tribulation, but Gods prophet taught a 3-1/2 year tribulation.

Amos 3:6 *Shall a trumpet be blown in the city, and the people not be afraid? shall there be evil in a city, and the LORD hath not done it? 7 Surely the Lord GOD will do nothing, but he revealeth his secret unto his servants the prophets. 8 The lion hath roared, who will not fear? the Lord GOD hath spoken, who can but prophesy?*

And God's prophet for this last hour said in his sermon **The First seal 63-0318 P:149** *Now, look, let's go back to **Daniel** again just a minute. I want to read something 'fore... Whether if you don't go back, it's all right. I want to read **Daniel 9**, and I want to read the **26th** and **27th** verse of **Daniel 9**. And watch, if he isn't the one to destroy Daniel's people, what he's going to do. "**And after threescore and two weeks shall Messiah be cut off...** (See, that's the threescore and two weeks, He'd be cut off out of the seventy weeks.)... **not for himself: but for the people and the prince...** (That's the hierarchy here.)... **that shall come--that shall come shall destroy the city and... sanctuary; and the end thereof shall be with great flood, and unto the end of the war desolations are determined.**"*

150 *I want to ask you people something. **After Christ was cut off from the earth in the three and a half years of His ministry, and what destroyed the temple? Who destroyed it? **Rome**. Sure. Titus, the Roman general. He destroyed the prince. Now, notice. Watch this fellow come right on down just go on.***

151 When Jesus was born, the red dragon in heaven stood at the woman to devour her child as soon as it was born. Is that right? **Who was it tried to devour the child when it was born?** [Congregation says, "**Rome**."--Ed.] See? **There's the red dragon. Here's your prince. Here's your beast.** See? There they are, everyone of them, just the same. See? Devour the child... God caught it up into heaven to set on His throne. **That's where Christ is now till the time appointed.** See? Now, watch what he shall do.

152 Now, oh... Now, I believe I was talking to somebody here. It might've been Brother Roberson today, or somebody I was talking on about this (about not this here but just on the same thing.) I believe I preached on it here not long back, **what will happen to this United States on this money situation.** See? Well, we are now paying our debts on taxes that'll be paid forty years from today. That's how far we are behind. Did you ever turn on "KAIR" up there or "Lifeline" and listen to it (See?) from the... Washington? Why, **we are completely busted.** That's all. What's the matter? **The gold's all housed up, and the Jews holds the bond. It's going to be Rome.** Now, watch. We know who owns the big department stores, but **Rome has the greatest part of the wealth of the world. The rest of it the Jews have.** Now, watch this. Now, just listen to this how the Holy Spirit brought this out for me.

Notice he said it (the Gold) **It's going to be Rome.** Br. Billy Paul in his testimony, said he and his father were driving in Kentucky near Fort Knox and they saw a movement of Truck, Military Trucks, and Br. Branham said to Billy, there goes the last of the Gold from Fort Knox. So the US sold it gold to Rome. During WW2 the USA housed the gold for many European countries to protect it from the Germans.

153 And he shall confirm the covenant with many for one week:... (Now, watch.)... and **in the midst of the week he shall cause the sacrifice and the oblations to cease,... for the over spreading of abomination he shall make it desolate, even unto the consummation, and that determined shall be poured out upon the desolate.** Watch. Oh, what a shrewd thing he is. Here he is. Now, we got our picture and **know that he's Rome. We know that he's the white horse rider. We know that he went forth as a doctrine.** And then what was pagan Rome? **Converted into papal Rome and crowned.**

154 Now, watch. In the end time, not in the early days when Christ was preaching, but in the end time, the last part of the week, where we just took the seventy weeks of Daniel; and **Christ has prophesied for the three and a half years, and three and a half years are yet determined.** Is that right? **And this prince in that time is to make a covenant with Daniel's people, which is the Jews. That's when the Bride's taken out now. She won't see it.**

So the question is when will that pact be made, and the answer is during the tribulation period, after the bride is caught up and out of here. "**And this prince in that time is to make a covenant with Daniel's people, which is the Jews. That's when the Bride's taken out now. She won't see it.**"

But that does not mean we cannot see God's Word coming into view and the makings of it, or the setting up of this pact, Because he says some things next that will let us know how the Vatican, Rome, whose influence over the WEF (World Economic Forum) is major. In Fact the Vatican is just using the WEF to sing their tune, to bring on what they call the Great reset.

From an article exposing the relationship between the Vatican and Klaus Schwab founder of the WEF, we see that Pope Francis is a major contributor to the goals that were set for the reset in this article.

To quote the article from the website : "In November 2020, Pope Francis declared that a new "social justice" is needed, and that private ownership is not something obvious in Christianity: "Let us build the new social justice and admit that the Christian tradition has never recognized the right to private property as absolute and immovable," said Francis. He does not elaborate. In October, 2020 the pope issued an encyclical letter, **Fratelli Tutti**, in which he went after private property. He wrote, "Business abilities, which are a gift from God, should always be clearly directed to the development of others and to the elimination of poverty..." He declared, "The right to private property is always accompanied by the primary and prior principle of the

subordination of all private property to the universal destination of the earth's goods, and thus the [right of all to their use](#)."

This is remarkably similar to what Schwab of the WEF writes in his 2020 book, **The Great Reset**, where he states, "First and foremost, **the post-pandemic era will usher in a period of massive wealth redistribution, from the rich to the poor and from capital to labour**." Schwab claims that the era of free market neo-liberalism is over and major Government intervention is needed to enact "[sustainable](#)" environmental policies.

On the WEF website Schwab's organization described their vision of the reset to a world where **no one owns anything**. A video declares of their vision of the world in 2030, "**You will own nothing and you will be happy**," adding that "**Whatever you need, you will rent**." It would even include renting your clothes! Schwab states that this radical redistribution of property rights globally will be necessary to attain "**ecological justice**." This echoes Francis' call for a "**green financial agenda**" to replace the [current financial system](#).

The Davos embrace of **the Vatican agenda** is far more sinister than it might seem. Their Great Reset is about the end to human liberty or freedom in favor of **a new globalist agenda of total control, high-tech surveillance, mandated medications** and **massive income redistribution from the middle class of society down**.

So what about the upper class of the wealthy? **It says nothing of them redistributing their wealth**. So the whole thing is to bring on world-wide servitude to their Satan's Eden. Now in getting back to what Brother Branham was telling us, lets pick up at **pp 155 of "The First Seal"**.

155 Notice. In the last one-half of Daniel's week, the people makes a covenant--this prince makes a covenant with Rome; makes a covenant with them no doubt for the wealth, for Catholic and Jew holds the wealth of the world. I was in the Vatican. I've seen the triple crown. Was supposed to have an interview with the Pope. Baron Von Blomberg got it for me for a Wednesday afternoon at three o'clock. And when they took me to the king, they took the cuffs out of my trousers. That's all right. Told me never to turn my back, walk away from him. That's all right. But I said, "What do I have to do before this guy?" Said, "Well, just go in and kneel down on one knee and kiss his finger." I said, "That's out. That's out. No, sir." I said, "I'll call any man a brother that wants to be a brother. I'll call him reverend, if he wants to have the title of that, but to worship a man, that all belongs to Jesus Christ." No, sir. Kissing no man's hand like that. No, indeed.

156 So I didn't do it, but I got to go all through the Vatican. Why, you couldn't buy it with a hundred billion billion dollars. (so in 2022 what would a hundred billion billion be valued at? 100 Octillion, which would be 100 million trillion. And that was in 1963 when Gold was at 30 an ounce and not \$2,000-\$3,000 range it is at today., So add another 1,000 times the 100 Octillion, and we are approaching)

Name	Number
Million	1 x 10 ⁶
Billion	1 x 10 ⁹
Trillion	1 x 10 ¹²
Quadrillion	1 x 10 ¹⁵
Quintillion	1 x 10 ¹⁸
Sextillion	1 x 10 ²¹
Septillion	1 x 10 ²⁴
Octillion	1 x 10 ²⁷
Nonillion	1 x 10 ³⁰

I think it is interesting that the word is "nonillion", is where the Vatican wealth is at today based upon a vindicated prophets valuation in 1963 with the hyperinflation that has taken the world since the dollar went off the gold standard, and this prefix "non" is the Latin word for "not" which is exactly the lie the

serpent told to Eve. Not that it matters but it is another great coincidence in this entire script we are seeing unfold. And combine that with the other things the beast in the garden did to the woman such as injecting a hybrid life into the human race and we see the plan is the same as that began in the garden.

Brother Branham continues, *"Why, you... And just think, **"The wealth of the world,"** the Bible said, **"was found in her."** All... Just think of the great places, the **billions times...** Why did Communism raise up over here in Russia? It just makes me sick at my stomach to hear so many preachers hollering about Communism, and they don't even know what they're crowing about. That's right. Communism ain't nothing. **It's a tool in the hand of God to bring revenge upon the earth for the blood of the saints that...** That's right.*

157 And after the church is taken away, Rome and the Jews (WEF which is the Wall Street billionaires) will make a covenant with one another. So that is your answer to when this pact will be made. "after the church is taken away".

*"The Bible said they would, with **the holy people.** And now notice, **they'll make it,** because why? This nation is going to be busted, and **the rest of the world that's on the gold standard is busted.** You know that. If we're living off of taxes, due bills for forty years from now, where are we at? There's only one thing can happen. That's to call in the currency and pay off the bonds; and **we can't do it.** Wall Street owns them, and **Wall Street's controlled by the Jews; the rest of it's in the Vatican, and the Jews has got the rest of it in Wall Street with the commerce of the world.***

There's where the **WEF** comes in. You have to have **one group** tied together that represents the business interest of the world. The pact will not be made with a million different individual billionaires. They have to come together as one group which represent them all, one organization, and that organization is the WEF (World Economic Forum).

158 *"We can't call it in. And if we could do it, do you think these whiskey guys and all these tobacco people with billions times billions of dollars a year and write off all their income tax for old vulgar pictures and things like that, go out in Arizona there and buy millions of acres of land--or **thousands--**and dig them big wells at fifty thousand dollars and pay it off with income tax? And they'd put you in jail if you don't pay yours. But **they write it off** and throw up wells and send bulldozers in. And what do they do? They put housing projects in there, and the next turn around with their money they made (they have got to make an investment) and put houses, projects in there and sell them for millions of dollars. **Do you think them guys is going to compromise to change the currency?***

No one would set back and watch a Gold Denar take the place of the US currency, or the Chinese Juan. Or the World banks SDR. That will never happen. But if you place all currencies into a crypto currency they will allow that because all currency has been digital for the past 40 years anyway. There is approximately US\$ 40 trillion in circulation: this includes all the **physical money** and the money deposited in savings and checking accounts. Money in the form of investments, derivatives, and crypto-currencies exceeds \$1.3 quadrillion. So you think men are going to burn their physical currency? No way, but since they have both physical which is in the minority, they will allow it to be transferred into crypto currency and then everything will be digital. And once all currency is digital it will be backed up by Rome's Gold, and then they will know every penny you spend. That is the trend where things have been heading since our prophet left the scene. Digital currency is in the vast majority. These bailouts in the trillions are not physical money, but digital.

159 *Like this fellow down here in--in (What's his name?) Castro did. He done the only smart thing he ever did do then, when he destroyed the bonds: paid them off and destroyed them. Notice, but we can't do that. These guys won't let us. The rich merchants of the earth hold it, and then there's only one thing to do: **The Catholic church can pay it off. She's the only one that's got the money; she can do it, and she will do it.** And in doing this to get it, **she'll compromise with the Jews and make a covenant, and when she makes this covenant with the Jews...** Now, remember, I'm taking this from the Scriptures. And **now, when she***

*does this and makes this covenant, we notice in **Daniel 8:23 and 25 he will cause craft to prosper (And craft is manufacturing), in his hand.** (this term in his hand means within his power)*

So we saw Present Trump attempt to make manufacturing increase, and he did, but once this pact is signed after the elect are gone out of here, and with the pact everything will go digital, then watch for Satan's Eden to appear to be blooming like never before.

160 And he makes this covenant with the Jews, and in the midst of this three and a half years, he breaks his covenant as soon as he gets the thing wrapped up and gets the money of the Jews tied up.

There is only one way for the Vatican to get all the currencies in the world tied up and that is to bring them into a world wide crypto currency scheme, and when that happens the Jew on Wall-Street will lose out because then who controls the currency will control the world. And so the Vatican with her gold backing will own the crypto-currency which will be backed by her gold. And she can then tell the WEF and the Jewish billionaires to take a hike, and she has it all. They will all now work for her or they are out.

“And when he does that, oh, my, oh, my, he's called the antichrist until the end of the church age, for he and his children are against Christ and the Word. This man's called the antichrist. Now, he's going to hold the money. And that's where I think he'll come in. Just a minute, while I say this, then I want to go back to it in a minute. He's called the antichrist and will be called the antichrist in the sight of God until the end time. Now, but then he'll be called something else.

Notice again what Brother Branham tells us in the next paragraph. **161 Now, when he gets the money all under control, then he'll break this covenant with the Jews,** as **Daniel** here said he would do it, **in the midst of the last half of the seventy weeks of Daniel.**

And so that is the key to controlling it all, is to **get the money all under control.** And that is what Crypto currency is all about, getting all the currency under the control of a one world government or governing body.

“And then, brother, what will he do? He will have all of the world trade and the commerce, a pact with the world, 'cause he'll hold the wealth of the world completely. And during that time, them two prophets will rise on the scene and call that hundred and forty-four thousand. Then what'll take place? Then the mark of the beast of Revelations 13 will set in, 'cause he holds all the commerce, trade and everything of the world. And what will take place then? The mark of the beast will come in that no man can buy or sell except him that has the mark of the beast. Thank God, the Church will be enjoying a great three and a half years in glory. Don't have to go through that.

Ok, so let me break this down into bite size pieces so we can understand it a little better.

- 1) He is speaking here of when Rome gets control of the currency. **Can't do it with physical currency,** that will never work.
- 2) So they must devise a plan that will ensure complete control of every dollar spent. Just read the articles today about how they will incorporate the **social score** mechanism that is already fully implemented in China, and has began to move out across the world, where if you do not have a very good social score you cannot even get your money out of the bank. That is what all the protesting and riots are about right now in Kazakhstan. They have used the vaccine pass-ports to control all financial movement and if you have not been vaccinated you cannot even access your money from the banks. This has also taken place in several smaller countries like some of the island nations in the Caribbean.

“How quickly governments have moved the goal post from “15 days to slow the spread” to mandatory vaccinations and proof of health just to be out in public. In France, businesses that don't enforce C.O.V.I.D. passport compliance from their patrons face up to a year in jail and €45,000 (~\$52,960) in fines.”

Germany and Israel are moving closer to making C.o.v.i.d.-19 vaccine shots **compulsory**, Greece is introducing fines and Spain is banning some unvaccinated travelers. Despite protests, making life harder for those who don't want a shot is a tactic increasingly favored by governments, spooked by the spread of the [omicron variant](#).

Here are some of the measures against the unvaccinated deployed by governments around the world. **Greek Fines.** The government is making vaccines mandatory for all **Greeks** above 60 years of age. From next month, refuse-niks will pay a 100-euro (\$113) fine every month they don't get a shot, with the funds going to hospital services. In Greece, only 60,000 among the 580,000 unvaccinated people over 60 years old received the vaccine in November.

Austria's Lockdown The country with one of the lowest inoculation rates in western Europe will remain in lockdown until mid-December. Chancellor Alexander Schallenberg has vowed to then lift restrictions for the vaccinated or people recently recovered from the virus. **A lockdown for the unvaccinated will probably persist**, though they can still go to work with a negative test. Officials are also working on plans to impose mandatory vaccinations from February, with fines reaching as high as 7,200 Euros (\$8,151).

Vaccine Mandates in **Argentina** and **Nigeria** Ban Un-vaccinated From Visiting Bank Branches

In conclusion, what we are witnessing all around the world is the move to reset the world economic system to a digital crypto currency that will be necessary for the pact to be made between the DAVOS WEF world industrial leaders and the Vatican. The talk has begun, and the technology has been created, they needed a world-wide emergency to gain control over the populace in order to have them used to lock downs and then they will implement the plan, which is the pact.

Therefore if all this is already in process, then how close are we brethren for we as the Bride of Christ to be taken out of here in the catching away of the Bride, and how much closer then are we to the resurrection 40 day season to begin? Because we have "Thus saith the Lord" that we will not be here when that pact is signed and goes into effect.

Let us pray
