1) Rejoice - euphaino = to put in a good frame of mind or to cheer or gladden.

Notice he is quoting Isa 54: 1 - 17

51: 1 - 16

This word euphaino is also used in Revelations 12: 7 - 12

It is used in a call to the heavens to rejoice at the casting out Satan and the inauguration of the Kingdom of God into manifestation of His Christ.

Again, it is used of the destruction of the Babylonian system when the great Whore is destroyed.

Revelation 8: 20

Notice, (she) the true church, The True Bride of Jesus Christ, the One who Truly has a Husband - she is the one who appears barren and yet she is told to rejoice.

"The free but True church of the living God is the one who seems barren" what does that mean?It means she

is the one who appears not to have any fruit. Nothing to show for her efforts. Nothing to show for all her love making and pure dedication and devotion and patient waiting on her husband. The True church who alone has a perfect rest and a perfect peace and a perfect liberty because she alone has a perfect Word from the Presence of a perfect God Who has come to her as a Husband. Yes - she alone is heir to everything He has yet she is the one who seems to be barren and without much fruit. But because of her position in Christ she is at rest and does not "do God a service without it being His Will."

So, because she is doing only what she has been commanded to do by her Husband, Christ Himself, for the hour which she live. This hour that is harvest season, she then does as commended and layes in the Presence of the Son to ripen just as Ruth layed at the feet of Boaz because she had found favor in His eyes. But because she is doing what was asked of her by the Word of the Hour, and she appears to be resting, she then appears to be idle,

considered by all to be barren and without fruit. No great efforts, too secure and her security surely brings no success and prosperity.

On the other hand, the false vine church can not find rest for their souls and so they work like the old mule who knows neither his pappy or mammy.

The false vine church is the one with all the offspring, she is the one with all her disciples. She has more disciples only because her rules which have been layed down by her man made ideas are more attractive to the carnally minded. The law of liberty is unknown to her.

1 Cor 2: 11 -12

Therefore, the sweet aroma of God's pure revelation is not known to those who are not of Him. They are Spiritually discerned. And therefore because the True Bride is at rest under the Seventh Seal, she appears to be dead to the very active church who is in bondage to her own programs.

2 Cor 2 : 14 -17

There are more who corrupt the Word of God than there are who rightly divide it.

In Mal 3: 18 where we are to become discerners of the Word - that means we are to come to a place where we rightly divide it. To know right from wrong, Truth from error.

That is why Hebrews 5: 14 tells us to exercise our senses - our spiritual senses by discerning or rightly dividing.

II) Promise : GALATIANS 4: 27

Epaggelia : = an announcement or pledge especially a Divine assurance. Message. Promise or Summons (This is done by the Judge by the way). Engage.

Romans 4: 13 - 20

Galatians 3: 13 - 16

Notice the promise is made to One - Christ

But Ephesians 1: 3 - 5 tells us we were in Him before the foundations of the world when that very promise was made to Him the way was spoken. (John 1: 1)

Romans 8: 15 - 17

So if the promise was made to Christ and we were in Him and therefore a part of Him, then if we are a part of Him, we therefore are to be a recipient of His blessings and His inheritance. Then there is no way we could ever be left out of His Will.

2 Tim 1: 1

See? The promise of His Life is in Christ from whence we came and to whom we must return.

Notice further, it is He who's come for us, not we for Him. But He is here to gather together all things in Christ. To quicken us. To restore and bring back to our rightful position in Him.

John 17 : 20 - 26

Hebrews 6: 13 - 20

God said it and He can not lie. That's our blessed assurance. His Promise!

Hebrews 9: 11 - 15

The Promise - The announcement - the Message - The engagement of and to Eternal inheritance in Him.

Now, it is interesting that the same way the bride is at rest & thus Appears to be idle , our Groom also is at rest and seems to the false vine church to be delaying His Coming when He is already here.

2 Peter 3: 1 - 13 esp. 4 & 13
