

The Spoken word no 111

End-time mental deficiency, the curse of Deuteronomy 28

Pastor brian Kocourek

August 22nd, 2009

This Morning we'll pick up where we left off last Sunday at paragraph 88 of the Spoken Word is the Original Seed.

*88 Who is illegitimate born then? They were. **Illegitimate children professing to be God's...** Jesus said, "You are of your father, the devil, and his works you do." What kind of works did the devil do? **try to hybreeed the Word of God through Eve.** That's exactly the same thing that these big denominations do today. The works of the devil, their father, they do. They're trying to take a creed and breed it with the Word of God. That's what Satan done in the beginning, the father, the devil. God bless you, brethren. Come out of it. Jesus said so. You've got one little scratch of God in you, you ought to look and see that. **Hybrid. Oh, my.***

***2 Corinthians 11: 4** For if he that cometh preaches another Jesus, whom we have not preached, or if ye receive another spirit, which ye have not received, or another gospel, which ye have not accepted, ye might well bear with him.*

***Galatians 1: 6** I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: **7** Which is not another; but there be some that trouble you, and would **pervert** the gospel of Christ.* What does Hybreeding do? It perverts, that's what Paul is saying,.

The curse of Deuteronomy 28 is now upon the entire world.

***God of this evil age 65-0801M P:57** The whole world has been plunged to a spiritual, denominational death,*

***Token the 63-1128E P:66** The world today, it's not shut up in a side somewhere, **the whole world knows these things goes on. The whole world has known.** The Episcopalians, the Catholic, the Lutheran, all the denominations know that there is a God that works in His Word in this day, and keeps His signs and wonders a-moving. **It's not just shut up in a corner. They heard it, but they did not want to receive it.** His great power and **His signs had been displayed, but they didn't want to receive it.** Just the same as it was in Sodom , His great signs and wonders had been displayed there, but they didn't want to receive it. **So there wasn't nothing left but judgment** was next. .*

Now, Countries like Iceland are bankrupt, and other countries like Ireland, Greece, Italy Portugal, Argentina, Dubai, Japan, China, Russia, UK, USA, Mexico, most of south America, and many Asian countries and all others are all headed that way. 70% of the currency being used around the world is the U.S. dollar and it won't be worth anything, one day soon. It is already worth only 4% of what it could buy back in 1933. And it will loose another 90% shortly. And when it does the whole world will go into bankruptcy, not being able to pay off what they owe? And why is that? They have all turned down the Voice of God.

Deuteronomy 28: 12 *The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and **thou shalt not borrow.***

New International Version (NIV) 12 *The LORD will open the heavens, the storehouse of his bounty, to send rain on your land in season and to bless all the work of your hands. You will lend to many nations but **will borrow from none.***

The Message 12 *GOD will throw open the doors of his sky vaults and pour rain on your land on schedule and bless the work you take in hand. You will lend to many nations but **you yourself won't have to take out a loan.** GOD will make you the head, not the tail; you'll always be the top dog, never the bottom dog, as you obediently listen to and diligently keep the commands of GOD, your God, that I am commanding you today. Don't swerve an inch to the right or left from the words that I command you today by going off following and worshipping other gods.*

Deuteronomy 15: 6 *For the LORD thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but **thou shalt not borrow;** and **thou shalt reign over many nations, but they shall not reign over thee.***

New International Version (NIV) 6 *For the LORD your God will bless you as he has promised, and you will lend to many nations but will borrow from none. **You will rule over many nations but none will rule over you.***

Amplified Bible (AMP) 6 *When the Lord your God blesses you as He promised you, then you shall lend to many nations, but you shall not borrow; and **you shall rule over many nations, but they shall not rule over you.***

The Message 4-6 *There must be no poor people among you because GOD is going to bless you lavishly in this land that GOD, your God, is giving you as an inheritance, your very own land. But only if you listen obediently to the Voice of GOD, your God, diligently observing every commandment that I command you today. Oh yes—GOD, your God, will bless you just as he promised. You will lend to many nations but won't borrow from any; **you'll rule over many nations but none will rule over you.***

Proverbs 22: 7 *The rich rules over the poor, and **the borrower is servant to the lender.***

New International Version (NIV) 7 *The rich rule over the poor, and **the borrower is servant to the lender.***

Amplified Bible (AMP) 7 *The rich rule over the poor, and **the borrower is servant to the lender.***

The Message (MSG) 7 *The poor are always ruled over by the rich, so **don't borrow and put yourself under their power.***

2 Peter 2: 19 *While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage.*

New International Version (NIV) 19 *They promise them freedom, while they themselves are slaves of depravity—for a man is a slave to whatever has mastered him.*

Amplified Bible (AMP) *19 They promise them liberty, when they themselves are the slaves of depravity and defilement, for by **whatever anyone is made inferior or worse or is overcome, to that [person or thing] he is enslaved.***

The Message (MSG) *19 They promise these newcomers freedom, but they themselves are slaves of corruption, for **if they're addicted to corruption—and they are—they're enslaved.***

THE MESSAGE TRANSLATION Deuteronomy 28:43-44 *The foreigner who lives among you will climb the ladder, higher and higher, while you go deeper and deeper into the hole. He'll lend to you; you won't lend to him. He'll be the head; you'll be the tail.*

New King James Version (NKJV) Deuteronomy 28:43 *“The alien who is among you shall rise higher and higher above you, and you shall come down lower and lower*

Amplified Bible (AMP) Deuteronomy 28:43 *The transient (stranger) among you shall mount up higher and higher above you, and you shall come down lower and lower.*

New International Version (NIV) Deuteronomy 28:43 *The alien who lives among you will rise above you higher and higher, but you will sink lower and lower.*

King James Version (KJV) Deuteronomy 28:43 43 *The stranger that is within thee shall get up above thee very high; and thou shalt come down very low. 44 He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail.*

Brother Branham said in his sermon, **At thy word Lord 48-0305 P:8** *Look. In a few years from now, I will say within the space of five years, maybe a little longer, maybe a little less, your money won't be worth the paper it's wrote on. It won't be worth nothing. Over in Russia today, they have their houses papered with thousand dollar bills. It ain't worth nothing. Confederacy... That's right. And we're coming to the same thing. A missionary here in Miami the other day was talking to me. He walked down the streets of London, England, where we're going to there at the London Hall. He said, "I had six hundred pounds in my pocket," which was dollars. And said, "My little girl wanted a little cookie. And those six hundred dollars would not buy that little cookie. I had to have a stamp first. It's rationed." Mark of the beast... No man can buy or sell except he that had the mark. And it's coming right here. You listen to it. You'll probably be seeing it 'fore I get back here again. It's right at the door, and we're near the end.*

Let me read some articles about the condition of the world to you.

Iceland goes bankrupt Posted by: Michael Mandel on October 10

That's an amazing sentence: Iceland goes bankrupt. But that's exactly what happened yesterday (see BW piece [here](#). See NY Times piece [here](#)). That's a clear sign that the global financial crisis is entering a new and vastly more dangerous phase, where we are paying the price of the lack of a global financial regulator and global central bank. What 'bankrupt' means is just that: The country cannot pay back its external debts, and the Icelandic currency, the krona, has become essentially valueless in the rest of the world. That means the country can no longer pay for imports.

The USA is on it's way to bankruptcy as well according to the Vice President, and of course William Branham said it 50 years ago.

"We're going to go bankrupt as a nation," Biden said. "Now, people when I say that look at me and say, 'What are you talking about, Joe? You're telling me we have to go spend money to keep from going bankrupt?'" Biden said. "The answer is yes, that's what I'm telling you." ([Listen to Audio](#))

China's Hidden Bankruptcy

Throughout 2008, only 3,500 enterprises formally filed for bankruptcy in China. Hiding behind this tiny number however is the approximately 800,000 businesses that exited the market by either cancelling their registration or having their business license revoked. The rise in the number of these hidden bankruptcies has emerged since a new bankruptcy code came into force in China on June 1, 2007.

Niall Ferguson, respected economic historian, warns of other European countries facing an Iceland style [bankruptcy](#) 'Switzerland is first in line... and Britain is not far behind,' he says. While many politicians in Europe like to shift the blame for the credit crisis to the U.S. Niall points out that excessive lending and leveraging was much more endemic in countries such as Germany and the U.K.

Le Temps - Switzerland | Wednesday, January 28, 2009

EURO-TOPICS: Are European states going bankrupt?

The Swiss daily Le Temps analyses the risk that European states may go bankrupt as a result of the financial and [economic crisis](#). "The risk premiums imposed on these states [Greece, Italy, Spain, Portugal and Ireland] signal that they could go bankrupt. A year ago such a possibility would have been laughed at. How could a country like Italy, one of the world's seven major industrial economies, get into such a predicament? ... Even before the crisis the national debts of Greece and Italy were far too high in relation to the strength of their economies. As a result, today these countries have not the slightest room to maneuver in their budgets. ... And let's not forget that Milton Friedman, a Nobel Prize laureate in economics, predicted that the euro would collapse with the first recession. The consequences for Switzerland of such a failure would be dramatic. The death of the euro ... would lead infallibly to an explosion of the Swiss franc. ... And that would mean the death of the export industry."

Now, let's read about the curses that are coming on this earth all over the world...

DEUTERONOMY 28: 15 *However, if you do not obey the LORD your God and do not carefully follow all his commands and decrees I am giving you today, all these curses will come upon you and overtake you:*

¹⁶ *You will be cursed in the city and cursed in the country.*

¹⁷ *Your basket and your kneading trough will be cursed.*

¹⁸ *The fruit of your womb will be cursed, and the crops of your land, and the calves of your herds and the lambs of your flocks.*

¹⁹ *You will be cursed when you come in and cursed when you go out.*

Now, for the rest of this morning I want to focus out thoughts on the next curse in verse 20. ²⁰ ***The LORD will send on you curses, confusion and rebuke in everything you put your hand to, until you are destroyed and come to sudden ruin because of the evil you have done in forsaking him.***

What is this **Confusion**? The Bible speaks of here. The whole world is insane, and no one knows what to do to get it out of this mess.. Brother Branham said the whole world would go insane... **When their eyes were opened 64-0312 P:29** *The whole world's insane.*

Christ revealed in His own Word 65-0822M P:17 *The whole human race is rotten. Well, if them physical beings of our body is tearing down like that from eating hybrid foods, tensions, that rotten it, does not that also rot the brain cell? Then we can see how women can get on the street naked. We can see how they can speed through the streets at a hundred and twenty miles an hour, all these things. It's come to a place where the whole nation, the whole world, not only this nation, but everywhere, mentally gone.*

Christ revealed in His own Word 65-0822M P:16 *Men now and people today are in such a neurotic condition, the whole world...* Now, we do not have time to go into all the curses one by one so I am going to just bring out the most apparent ones that are on the world' stage and in view of every one's eyes right now.

[a] ²¹ ***The LORD will plague you with diseases** until he has destroyed you from the land you are entering to possess.* ²² ***The LORD will strike you with wasting disease,*** (CWD, or Chronic wasting disease like bovine spongiform encephalopathy (Mad cow disease) and its human equivalent, variant Creutzfeldt-Jakob disease, or vCJD, is known as a transmissible spongiform encephalopathy. Like other TSEs, CWD is believed to be caused by misshapen prion proteins that gradually take the place of normal proteins and destroy brain cells, causing large holes to form in the brain. TSE victims are left emaciated, stumbling, drooling-and, inevitably, dead.)

No wonder the people are going insane... **2 Timothy 3: 1 AMPLIFIED:** *But understand this, that in the last days there will set in perilous times of great stress and trouble - hard to deal with and hard to bear.*

From pp. 20 & 21 of "**Christ Revealed In His Own Word**" where Brother Branham said, (20) *Men now and people today are in such a neurotic condition, the whole world...* (21) ***The whole human race is rotten.** Well, if them physical beings of our body is tearing down like that from **eating hybrid foods, tensions**, that rotten it, does not that also rot the brain cell? It's come to a place where the whole nation, the whole world, not only this nation, but everywhere, mentally gone.*

But it's not just loss of memory that concerns us in this hour, but the whole body and mind is being destroyed by hybrid foods and the stress and technology that we are living under. I have a film of an interview with a German scientist that says the constant bombardment of our brains by cell phone microwave is actually causing the right side and left side of our brains to loose their synapse between each other. The synapse is the connection between each side, so our rational mind is not able to work together with our

emotional side, and as such we see people becoming enraged over things of little importance.

Therefore memory loss is not just attributable to the rotting of the brain from the foods that we eat, but to the stresses and tensions that we place upon it as well as well as the technology that the world has embraced. Even in countries where they can't afford a tape player to play tapes of the prophet, or MP3 player, yet they can all afford a cell phone to stay in contact with each other. But they don't realize that those cell phones a part of the curse because they add to your tension and stress and also the ether waves are frying your brains.

To show you the effect of stress or tension on your memory, I would like to ask you the following question. "How many have ever taken a test and because of the tension you seem to forget the answers even though you know that you know them?" And remember, we are not just looking at this subject to help us with a memory problem, but first and foremost, we are looking at this subject because we have a need to be more mindful of the things of God in order to walk in the light and as brother Branham said, "We live by every word that proceeds... Not just a word now and then, but every word that proceeds out of the mouth of God. That's what the saints should live by." And if we do not remember what Words have proceeded out from the mouth of God then how can we live by them.

There is a book by Dr. Manfred Doepp German Scientist who is cofounder of the board of the German society for energy and information Medicine – DGEIM. The book deals with the switching of the brain as they call it, but the Bible calls it the searing of the conscience. You can also get the information on "youtube" called [mobile phone radiation switching](#). (click on this link) It is a 13 part study and shows how you can detect it in your self.

People do not realize that they are switched because the ratio, the upper part of the brain is functioning like it was before losing it's connection, but the connections inside the brain do not exist anymore. That means there is no connection, or association or communication between the two hemispheres, the rational side and the emotional side. And so rational side and emotional sides do not communicate.

But we are living on the level of the ratio, the intellect level or the reasoning. Nobody knows that he no longer has connection to his emotions, his feelings. And this is because the hemispheres have no connection, and the upper part of the brain, and the lower parts of the brain, the old parts of the brain, like the nuclei, the thalamus, and the hypothalamus, they have no connection too. Only the ratio is working, the intellectual performance may be good, but will have no deeper feeling, and will not know what is going on in their emotional life. The emotional life has a blockage, what we call subconsciousness is now bigger, and the emotions are trapped inside the subconsciousness. They are no more open to us. The emotions are as closed to us as the subconscious was and is. And so their lives is functioning like robots, men become like a robot, or like a voodoo zombie, where most parts of the brain are no longer open to the person, They are living of course, but they become vulnerable to manipulation. This is a typical kind of manipulation, and thus become manipulated by every influence on our feelings, and emotions and subconscious, and we do not know it nor do we recognize it, so we become disconnected and are only living on the supra, or the surface consciousness level.

God's power to transform 65-0911 P:78 Let me tell you about you Arizonans here. You seen that analysis the other day of schools, didn't you? Eighty percent of the children in Arizona schools are suffering with **mental deficiency**, **sixty-seven percent of them was by looking at television**. How about that? You better use your shotgun. See? Now, don't let the Devil spray you with that. No, sir. Now, people, as I said, people act like they don't have to come to judgment. These boys and girls, they had some Indian family, and whole lot of stuff. I think a fellow named Mr. Pool is the head of it. And if I ever seen a modern mockery of hymns, it was way they handled it; a bunch of Rickies standing there, shaking their hands up-and-down.

One in a million 65-0424 P:23 They made an analysis throughout Arizona, where I live; of all the schools. They gave the children, unknowingly to them, a mental test. And guess what? Including high schools and grammar schools, **there was eighty percent of the children suffering with mental deficiency**. **Seventy percent of them was television watchers**. See, the evils has just slipped up on us and we don't... You wonder why it comes. You can hear the Voice of God screaming out against it, and yet here we find ourself webbed into it.

Then Jesus came 57-0407E P:48

There you are. There you are. What is it? It's neurotics; it's mentally. And the doctors claim that nine out of every ten Americans is suffering with mental deficiency. Even the psychiatrists that's supposed to be mental interpreters, they are going wild and insane. They're hooking them by the great cuffs in the insane institution. Insanity is on the move. Rape is on the move. Whiskey is on the move. Sin is on the move. Debauchery is on the move. There's no way to stop it. Communism is sweeping in like a flood. There's no way to stop it because they're in the government and everywhere else.

People are becoming more and more unconscious day by day, and there reactions are becoming so wild and primitive, that it is scary. With words they say they love you and they care about you, but let something come up that should just be brushed aside and they blow up like a ticking time bomb. They do not remember their love and emotion, all they do is react to something that is so trivial that should be overlooked but they can not overlook it.

The wireless society we live in is causing this switching to take place and the strongest part of the brain which we do not know any more is the so called reptile brain... (serpent brain) which is the oldest part of the brain, the primitive part of the brain called the archioallium) which is the part of the brain for self preservation, and aggression and this is of course a very brutal part of the brain which means fighting each other becomes the main occurrence in our society, and the egoism, the egocentrism, (greed, manipulation and lies) becomes more important, and what we learned by our Christian heritage, to love each other, it does not exist anymore.

Knoweth it not 65-0815 P:105 If a woman's a woman, let her be lady. If a man's a man, let him be man. If he's a president... Where is our John Quincy Adams ? Where's our Abraham Lincolns? men of principle. Where's our Patrick Henry? Said, "Give me liberty or give me death." Where's a man that stands for what's right? **Where's a man that's not afraid to speak out regardless if the whole world's against him**, speak out for what's right, and stand for it, and die for it? Where's our Arnold von Winkelried in this world

again today? Where is men of integrity? Where is men with spirit? They're so wishy-washy and gaumed up, until they don't know where they stand. God, let me stand with the principles of one man as a minister, the Word of Jesus Christ: For heavens and earth will pass away, but It'll never fail.

Men and women do not wait until marriage any more to hold each other or kiss or embrace, or even to have relations. They are becoming more and more like the serpent in the garden who was not married to the woman, and in fact he took another man's wife to do with her what he wished to do, and she went along with it. But today both women and men want to have it the first time they meet each other. There are no constraints any more.

Now, brother Branham said from his sermon, **World again falling apart 63-1127 P:23** *Now, that's not only in America here, but that's all over the world, wherever you go, the religious world, the political world, the everything, the world of moral. There's just no more of it; it's just... Morals is just amongst the good people anymore, and that's very hard to find. It's--it's a shame. And politics and everything is corrupted, till the whole thing is sick and putrefied sores from the head to the feet, the whole world. Our political system, our religious system, our moral system, everything we've got is gone. Just there's no way to keep it together. She's finished. We're at the end of the road. That's all there is to it.*

Women are becoming like men, competing in careers, and fighting with each other in the likes of no other age before this one. Women used to be feminine, but you can look long and hard today to find a feminine woman. They act like men, dress like men, talk like men, joke like men, and even chase the other sex like men. And that is because their consciences have become seared.

Even people who walked in this light are leaving and women cutting their hair and men doing things not fit for any decent person to do, yet they do it without shame. But the Bible predicted it would be that way... **1 Timothy 4:1** *Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; 2 Speaking lies in hypocrisy; having their conscience seared with a hot iron;*

God of this evil age 65-0801M P:73 *The children of disobedience and the children of obedience has nothing in common. One of the--is of the day of light, the other one of night and darkness, evil age, this evil age of darkness, nightclubs, dances, yet belong to church. It's okay with their god. They don't have any condemnation about it; nothing bothers them. "Why it don't condemn me to cut my hair," a woman said. "Don't hurt my conscience." She's got no more conscience than a snake's got hips. That's right. Certainly not. She don't know what a conscience is. It's been seared so hard till she don't even know what it is. That's right. Walking around over the Word of God, saying, "Why that's some old fogy. Don't go up there, it's just a bunch of noise and carry-on anyhow." Know no more about God than a Hottentot would know about an Egyptian knight. That's right. It's true. Having a form of godliness but denying the power thereof; from such turn away; for this is the sort that go from house to house and lead silly women,"*

As I thought on my way 59-0814 P:54 *It's the Holy Spirit that's here, wants to bring the child to the fountain while she's young, and **her little conscience isn't seared with old rock-and-roll**, and True Story magazines, and filth of the world. Let her plunge beneath the flood tonight, lose all the guilty stains. She's thinking on her ways.*

You heard him, what was the first thing to sear the conscience? Rock and Roll, that heavy metal bang, bang, bang, on that electric guitar causing the synapse in the mind to sear off switching the brain so it has not heart felt convictions toward God any more. When's the last time you had a good cry of repentance. If your heart can't weep before God your mind has been switched. Your conscience has been seared.

Going beyond the camp 64-0719E P:28 *Where is the stopping place? Some man or woman at my age, I might ask you this. What if my mother or your mother about fifty years ago walked out on the street with one of these pair of shorts, or bikinis, ever what you call it on? The law would've picked them up immediately and put them in the **insane institution**. A lady left the house without her top clothes on, and she should be in the **institution, because mentally there's something wrong**. And if it was mentally to do a thing like that then, it certainly is a sign that something's went insane. **It's still a mental deficiency. Going beyond reason, filth...***

There is no moral subconsciousness, they are disconnected from their subconscious by the switching of the brain, and by turning away from God and turning to technology. Yes, brother Branham said God made man to thirst, and so instead of Thirsting for God's Word, they thirst for information, and technology.

It used to be they tried to quench their thirst by using alcohol, but today it is information. They become drunk with information, and to get it they are subjecting their minds to all kinds of radiation, and bombarding it with radio waves , and television waves, and wi-fi waves which are radio waves and the worst is cell phone microwaves, because the cell phone uses micro waves, and you would never put your ear up to the glass on your microwave in your kitchen for hours every day. But people are so lonely they are willing to fry their brains just to be able to communicate. How about getting on your knees the old fashioned way and praying to your father in heaven.

Yes, and there is energy in God's Word and in Prayer, but it is a positive energy, and not a negative one.

From the Book, "A Scientist Discovers God", by Dr. N. Jerome Stowell, published in 1970, he said he had been an atheist, and he relates his story as follows: "I was almost a devout atheist. I didn't believe that God was any more than a conglomeration of everyone's mind put together, and the good that was there-that was God as far as I was concerned. As for the real, all-powerful God existing and loving us all, with power over everything, I didn't believe that!"

Then one day I had an experience that really set me thinking. I was in a large pathological laboratory, and we were attempting to find the wavelength of the brain. We found more than just a wavelength of the brain: we found a channel of wavelengths, and that channel has so much room in it that the different wavelengths of each individual brain are further separated in identity than lines of the fingerprints on each individual's hand. This is a point we should remember: God can actually keep in heaven a record of

our thoughts as individuals just as the FBI can keep a record of our fingerprints in Washington, D.C.

We wanted to make an experiment to discover what took place in the brain at the moment of transition from life to death. We chose a woman dying with cancer of the brain. As far as her alertness of mind was concerned and in every other way, she was exceptionally brilliant. But we knew she was on the verge of death, and she was informed in this research hospital that she was going to die.

We arranged a tiny pickup in her room to ascertain what would take place in the transition of her brain from life to death. We also put a very small microphone, about the size of a quarter, in her room so that we could hear what she said if she had anything to say. Five of us, hardened scientists -perhaps I was the hardest and most atheistic of the group - were in an adjoining room with our instruments prepared to register and record what transpired. Our device had a needle pointing to zero in the centre of a scale. To the right, the scale was calibrated to 500 points positive. To the left, the scale was calibrated to 500 points negative. We previously had registered on this identical instrument the power used by a fifty-kilowatt broadcasting station in sending a message around the world. The needle registered 9 points on the positive side.

As the last moments of this woman's life arrived she began to pray and to praise the Lord. She asked the Lord God to be merciful unto those who had despitely used her. Then she reaffirmed her faith to God, telling Him she knew He was the only power and that He was the Living Power. She told God He always had been, and always would be. She told Him how much she loved Him!

We scientists had been so engrossed with this woman's prayer that we had forgotton our experiment. We looked at each other and saw tears streaming down scientific faces. I had not shed tears since I was a child.

Suddenly we heard a clicking sound on our instrument. We looked, and the needle was registering a positive 500, desperately trying to go higher, only to bounce against the 500-point positive post in its attempt.

After this, we decided to try a case very unlike the first one. We chose a man lying in the research hospital, stricken with a deadly social disease. Just then he was at the verge of death. He began to curse and abuse God who, he thought, made him suffer on earth. The instrument registered 500 on the negative side, and was even trying to go further on the negative side.

We had established by instrumentation the positive power of God and the negative power of the adversary. We have recorded that the brain of a woman alone and dying, in communication with God, had registered more than 55 times the power used by a fifty-kilowatt broadcasting station in sending a message around the world. We also established that opposition to God lack of recognition of His Word and His existence will work negatively. We had found that beneficial truth is positive and that non beneficial things covered by the "thou shalt nots" of the Ten Commandments are negative in varying degrees.

If we scientists can record these things I believe with all my heart that the Lord God can keep a record of our thoughts. He has more power than we have, and is a better Record Keeper than any of us on this earth.

I believe with all my heart that emanating, magnetic, electromagnetic power was actually with Jesus Christ while He was on earth, because He was always with the Father in His truth. This power is promised to us. "It is the presence of God in us that gives us power, the extent of which we have no conception as to its magnitude (Eph. 1:19)".

Soon after this discovery, Dr. Stowell forsook his work and practice and started witnessing from place to place about the goodness and greatness of God, and His salvation to mankind."

The reptilian brain (r-Complex) is the ancient part of the human brain. From here we get the character traits of cold-blooded behavior, the desire for top-down hierarchy, and an obsession with ritual. These are balanced by other parts of the brain in humans, but not in reptiles.

Reptilian Complex or **R-Complex** is a part of the [triune brain model](#) ('tri', as in 3 part) proposed by [Paul D. MacLean](#). This theory seeks to explain brain function through the [evolution](#) of existing structures of the generic [brain](#). The triune brain consists of:

1. The R-complex
2. The [Limbic system](#) and
3. The [neo-cortex](#)

The [brainstem](#) and older, atavistic areas of the [central nervous system](#) control normal involuntary behavior that the conscious mind does not, such as the [cardiac](#) and [respiratory](#) functions. These are found in all [vertebrates](#). In between these two brains, lies the R-complex^[citation needed].

The R-complex is named for the most advanced part of the brain higher [mammals](#) share with [reptiles](#). It is responsible for [rage](#) and basic survival [fight-or-flight responses](#).^{[1][dubious – discuss][not in citation given]} Often, the R-Complex can override the more rational function of the brain and result in unpredictable, primitive behavior in even the most sentient of creatures, humans included. A well developed and healthy neo-cortex can monitor R-Complex activity in sentient beings. The Reptilian complex is the most ancient part of a very successful brain scheme, evolutionarily speaking^{[dubious – discuss][citation needed]}.

So how can a man love God or others if they have no connection to their own feelings? It won't happen any more. It will not happen, it can not happen any more. And so if we suppress our feelings into the subconscious what comes out are only perversions. And if we look around in our world, what is happening? We see perversions in morality, in ethics, in politics, and religion. The morality, and ethics are degenerating, and the old immoral human heritage like the Romans who had there games and they were happy when people were killed, this will come up again.

In fact you look at the way people are tattooing themselves and they are more and more looking like reptiles and serpents. And watch how the computer games are to fight and shoot, and they are feeding this part of the brain. And shows like survivor and games where only one can win, and everyone else is annihilated. This is typical reptile behavior, and we see in more and more in man today because of brain switching caused by our wireless technological oriented society today.

In our energy-diagnostic department we noticed in the last years cases with irrational stimulus-reaction-patterns and with a chaotic or rigid regulation state of the autonomous systems more frequently. We found a possible explanation in the switching phenomenon.

As the frequency levels of the cell phones and mobile house phones have increased from 600 megahertz that is 600 million hertz to 900 mega hertz, then to 1.2 Giga hertz, that is 1.2 Billion hertz and now at 2.5 Giga hertz, and moving up to 3.9 Gigahertz, you can see that the level of radiation is increasing by not 10's but by hundreds upon the brain. You can see when it escalates by more than a hundred times the power of radiation on the mind.

Therefore the ability to control people is becoming far greater than at any time, because the people are not thinking for themselves any more, they are just "sheeple", as Michael Saveg calls them. Following as they are told, even when it comes to taking deadly viruses masked as vaccines. People are being programmed to laugh when they are manipulated to laugh, and get angry when they are manipulated to get angry, and as a result you watch the level of savage attacks on people who are different from the norm. We have the HAARP activity that is putting out these signals, the cell phones, television sets, and radios, as well as traffic signals, security cameras, and the list goes on and on. The Amish are about the only people who are not being bombarded in their lives right now.

The first sign that you are being switched will be neurosis. And then the borderline, and afterwards the schizophrenia of psychosis, maybe depression, or agitated, that means sometimes I am in a depression, sometimes, I am euphoric, and agitated, and it's changing back and forth with no control over it. This is also one of the symptoms. Look at the sales of antidepressants in 2008 it was over 11 billion dollars and growing and has doubled in the USA alone between 1996 and 2005. It is only a matter of time before we will be able to no longer distinguish those who are in psychiatric treatment and those who are not.

Confirmation of the commission 62-0122 P:108 *The whole world's in neurotic condition. The churches has gone away from the Word; there's all kinds of organizations and denominations that's packing earthly credentials.*

Now, let's skip forward to verse 65 to keep in continuity of thought, because there are so many plagues heading our way, that your mind will have a hard time keeping up. And what I want you to remember from this sermon today is the condition of the mind in this last hour.

*⁶⁵ The LORD will give you an **anxious mind**, eyes weary with longing, and a **despairing heart**. ⁶⁶ You will live in constant suspense, filled with dread both night and day, never sure of your life. ⁶⁷ In the morning you will say, "If only it were evening!" and in the evening, "If only it were morning!"-because of the terror that will fill your hearts and the sights that your eyes will see.*

World's Falling Apart 63-0412M P:24 *Whole thing's begin to come corrupt. They made the Word of God of non-effect by their traditions, so the whole world was falling apart. Every nation was looking for someone or some system that could bring them out of it, that's to hold them together. They were so corrupted that they knew they couldn't hold out the way they were going, and they was looking for something to hold them together.*

If that isn't the picture of our world today, I don't know the world. It is. It's a picture of our world today. Everything is looking for a system, or something to hold us together. It's a picture of it today. It was looking for some system, or something that would keep it from falling apart. As it was then, so is it now again. It's repeated again.

Trumpet gives an uncertain sound 63-0114 P:27 *The national life is uncertain, with the world is uncertain. We're just living in a place to where **the whole world's having a nervous prostration**, looks like, **shaking** all... **Every nation**, everybody, one's afraid of the other one.*

Confirmation of the commission 62-0122 P:109 *The whole world is scared to death, and even our nation is like a little boy going through a graveyard at night, whistling to keep himself from being afraid.*

That day on Calvary 60-0925 P:59 *We are in this world, but we're not of this world.*

Everlasting Life 54-1231 P:27 *It's our indifference towards God, has determined what we're getting today. We are going to receive **Divine judgment**. The whole world's **shaking right now**, under the impact of the on-creeping judgments. One of the ministers will probably pick it up in a few minutes, on **the oncoming judgments**. And I hope they*

do, anyhow, on the oncoming judgment. Because the whole world is ready, it's quivering. Every nation is quivering. Don't you think that Russia isn't quivering too. The United States and the islands are quivering.

Testimony 53-0902 P:50 *And tonight this old world shook to pieces, troubled on every hand, the whole world's nervous, ...*

Invisible union of the bride 65-1125 P:50 *Well, look, the whole world proves it's insane. Look at the murders and things that's going on now in the world (See?): insanity. The whole thing is coming to fulfill Revelations; we may get to it this week, where those hideous things...*

Invisible union of the bride 65-1125 P:48 *Not make institutions, hospitals, and so forth, them's all right. But that's not the church's duty. Their duty is to preach the Gospel. But we've done everything else but that, and we've drifted in just like Satan did, and **mixing it up with some Gospel, something else, and something else**, till it has got **a conglomeration of nothing: corruption**. Even the whole world... Watch the trend of the world.*

Thinking man's filter 65-0822E P:23 *It's come till the whole world has become a great deception of what is really true and what's right. See, even in politics and in social affair, in school, in everything, it becomes a deceitfulness.*
