

## Spoken Word #22

*"You people listening to this tape"*

Brian Kocourek

May 18<sup>th</sup>, 2008

**2 Timothy 3:16** *All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: 17 That the man of God may be perfect, throughly furnished unto all good works.*

**1 Thessalonians 2: 13** *For this cause also thank we God without ceasing, because, when ye received the word of God which ye heard of us, ye received it not as the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe.*

**Hebrews 4: 12** *For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discernor of the thoughts and intents of the heart.*

**Hebrews 13: 7** *Remember them which have the rule over you, who have spoken unto you the word of God: whose faith follow, considering the end of their conversation.*

**Romans 10: 17** *So then faith cometh by hearing, and hearing by the word of God.*

**Luke 11: 28** *But he said, Yea rather, blessed are they that hear the word of God, and keep it.*

Let us pray, Dear Father, we thank you for your Word, which you have come down with in this hour to reveal that Word which you set forth in the Alpha and which was to be revealed in the Omega. And now father we come into Thy presence this morning knowing that if we walk in the Light as You are in the Light, that we will have fellowship with Thee and with one another. Be with us dear Father, and fill us with the joy of our salvation, and help us to focus ourselves upon You and Your Word which you would have brought to us and revealed to us in this hour, for we ask it in Jesus Christ's name.

Now, this morning we will continue with our study of Br. Branham's sermon "**The Spoken Word is the Original Seed**", and we will read from paragraph 16. Now, as of the next few paragraphs brother Branham has not yet began to speak his text, so he is still giving his greetings and warming up the people to his Message the Spoken Word is the original Seed. But these words, though not into his text yet, are still full of meaning to us. So let us begin reading at paragraph no. 16 *"I was astonished one time (not just merely for a sense of humor at this time), (notice this statement tells us that what he is about to say is not for the humor of it, but there is a point that he wishes to make here.) but there was a Chicago meeting, and a colored man was setting there, and he kept saying, "I want to see Doctor Branham." He had a great big hat on and great big crosses, eight or ten inches long and wide, across his chest, and robes and dressed very strange with funny rings and beads and so forth. And I told Brother Baxter, which was my associate, tell him, "Bring him on in the room; I'll see him." And he set down to me and he said, "Shall I regard you as 'Father,' or as 'Reverend,' or as 'Elder,' or what would you want me to regard you as?" I said, "If you love me, call me brother." And he, in respects, did so; and gave me his title, which, oh, I'd take a few lines to write across the paper the titles of the name of the church, and his title in the church.*

17 *But he said one thing that's always stuck with me. He said, "I'm interested in this, Brother Branham. I'm"... told me what he was interested in his church and these things. He said, "I's interested in one race"; he said, "that's the human race." I said, "There we'll shake hands." The human race to everybody, to every creed, to every color, and to every person that Christ died for, that's my interest this morning. And I've tried to always make it my interest--interest.*

18 *Now, I want to read and then just... I'm not aiming to preach, because what I've got here to say, will probably take me four or five hours; so after about two hours now then we'll dismiss and go to dinner, then come back at two o'clock. Be here before two because I want to start right at two. Be here about one-thirty if you can. Then we'll be out in time for tonight. I have to leave this afternoon yet for Tifton, Georgia, where I'm to hold a service tomorrow night in the high school auditorium there, just a preaching service. And then from there, I don't know: just wherever He leads from there, many places. Brother Arganbright and them's called from overseas to start right away over there, all across the west, out into Canada, around the world. But I believe you'll know better after I get finished, if God will help me to give it to you the way it was given to me; then after the service, you'll understand, I hope."*

Now, brother Branham is not just saying this to build up interest in this sermon. He's saying this because this sermon is packed with so much depth concerning the relationship between God and His children, that once we finish this study, we should without any doubt, understand our position in His family. And I think that we have a pretty good understanding, especially after our sermon of *"The difference between God and His Son"*, and *"The Spirit of Adoption"* which helps us to know and to understand our relationship to God as his Obedient children. But this sermon of brother Branham's takes us plumb back before the foundations of the world and places us in Christ before God set forth His great plan into motion.

Now, in this next paragraph brother Branham instructs us as to how we should be listening to his tapes. 19 *And then, if there be any questions that you don't understand, I ask you to bring your books, and then you who have tape recorders can get the tapes, and put them in your home, and set down with an open heart, just an open heart. Just lay it out and say, "Lord, I've just relaxed now; I'm going to listen"; and then when you catch something, turn the recorder off and go get the Scripture. And the Bible said, Jesus said, "They are they that testify of Me." See? And let's look through the Scripture and see if it's all right.*

Now, I want you to notice that that brother Branham is telling us to search the Word and take all that he says back to the Word. He said when you are listening to my sermons, just be relaxed, and listen... and then when you catch something, stop the tape and get out your Bible and search that thought through your Bibles, and that is exactly what Jesus told us to do in **John 5: 39** He said, *Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me.*

And so this morning I would like to focus our thoughts on these last few words here where Brother Branham instructs us as to how we should study the tapes and take them to the Scriptures. And I want you to notice that he said that we should listen to the tape, and we should have our Bibles ready so that when he makes a statement of interest.

Then while hearing, we should pause the tape and then take that thought and trace it through the scriptures. And I believe that is exactly what we have been doing for the past 26 years here in this Church.

That is exactly what the apostle Paul said in **2 Timothy 2: 15** *Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.*

Notice he said, “*Study to show thyself approved unto God*”... Too many people claim to believe Brother Branham’s message and yet have no clue from this Bible what he said because they have not done what he said they must do. He said study to show thyself approved unto God.

The apostle Paul said, *Study to show thyself approved unto God*,..., and the word study was translated from the Greek word spoudazo which means more than a mere mental exercise. It means: *to use speed, to make an effort, to be prompt and to be earnest, to give diligence to what you are doing, and it means to labor or study.*

So God’s not looking for a bunch of lazy Laodicean people, he wants us to be earnest and diligent in our approach of His Word. And if your family is far removed from the local church, it means that you are to actually study the message as you sit together, and stop the tape and take the thoughts he said back to the Bible.

You know, that is exactly what my father in law used to do. He was not called to the ministry but he would gather his family and friends and other relations together on Sunday mornings to listen to Brother Branham’s tapes, and every so often when that Word would strike a chord he would stop that tape and say, “*did you here that*”, and play it back again. Now, he was criticized for doing it that way, But I would like to know, how can you claim to believe the prophet and then criticize someone for doing what the prophet said we should do, the way he said we should do it?

Look, it matters not if you can preach a whirlwind sermon, or if you do it this way. But what matters is that you study this word. That you be diligent in searching out these truths, to know them to live in them, and to be absorbed by them.

Peter said in **1 Peter 1:13** *Wherefore gird up the loins of your mind, be sober, and hope to the end for the grace that is to be brought unto you at the revelation of Jesus Christ;*

Notice, gird up the loins of your mind. That means get ready to move out, for at the revelation of Jesus Christ things will come fast and furious and at such a pace that if you do not have the loins of your mind girded up, you will not be able to keep up in the race. And that is exactly what we have seen the past 20 some years, and that is why so many of the so called Message followers are so clueless as to what God is doing right now. Their minds are in the clouds, and they are being left behind in the dust.

Paul said in **Hebrews 4: 11** *Let us labour therefore to enter into that rest, lest any man fall after the same example of unbelief.* Let us labor to enter into rest? What does that mean? Sound like an oxymoron to me, but it’s not. He says let us spoudazo to enter into this rest, and that is exactly what brother Branham was telling us how to study the Message, He said get relaxed and then be ready to bolt. Just like a sprinter. He does not get down in the blocks all tensed up like a race horse ready to bust out of the blocks. He gets as relaxed as he can, and as he sets his feet into the starting blocks, he shakes each leg to get it all relaxed.

Then he readies himself and just settles into that block with his feet, but in his mind, he is ready for the sound of the gun to begin the race, and when he hears that sound, he is able to explode out of that relaxed position. You see if he is so tensed up in those blocks, he may cramp up, or his mind may not hear that sound the first instant possible because he is so tense, and by missing that sound, he may lose the race.

The apostle Paul said, **1 Corinthians 9: 24** *Know ye not that they which run in a race run all, but one receiveth the prize? So run, that ye may obtain.*

And again in his letter to the **Hebrews 12: 1** the Apostle Paul likened our race with running a distance race where patience and strategy is so important... *Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us,*

Peter also instructed us to be diligent in our study in **2 Peter 1: 10** where he said, *Wherefore the rather, brethren, give diligence to make your calling and election sure: for if ye do these things, ye shall never fall:* and the word diligent means: *Marked by persevering, painstaking effort.* In other words, not just effort, but a painstaking effort. A persevering effort. You want it and you want it bad enough to go to great lengths to get it.

And that is why Peter and Paul went to great efforts to make sure the people understood. **2 Peter 1: 15** *Moreover I will endeavour that ye may be able after my decease to have these things always in remembrance.* And the word endeavor means: *A conscientious or concerted effort toward an end; an earnest attempt.* **2. Purposeful or industrious activity;**

And again we find in **2 Peter 3: 14** *Wherefore, beloved, seeing that ye look for such things, be diligent that ye may be found of him in peace, without spot, and blameless.* Notice, he said be diligent to be found in peace. Work hard to be at peace. What a statement.

So we see that Brother Branham was saying is how to study his message. And that goes for even those who do not believe in the five fold ministry, or those who will only listen to tapes. They do not listen to those tapes like he said they should be listened to. They do not stop the tape to reflect upon what is being said, and that is the reason why brother Branham could make the following statement and yet it goes right over their heads.

**The Godhead Explained 61-0119A P:74** brother Branham said, *Many of you people listening to this would say, "Brother Branham is a Oneness." I am not. I think you're both wrong, both oneness and trinity. Not to be different, but it's always the middle of the road. Like Isaiah said, Isaiah 35 said, "There shall be a highway." And you Nazarene brothers, and so forth, you say. "The grand old highway of holiness." I beg your pardon. it doesn't say the highway of holiness. It says, "There shall be a highway and ("and" is a conjunction) and a way, and it shall be called the way of holiness." Not the highway of holiness. The way is in the middle of the road. Each side is where the off-falls is found. That's where you Oneness brethren went to on one side, Trinitarian went on the other side, but the true message lays in the center of the road.*

From his sermon, **Anointed ones at end time 65-0725M P:135** brother Branham said, *"What is iniquity? Ask somebody. It's something that you know you ought to do and you won't do it. They know that Word; they hear it. You're listening to this tape; you're listening to this message. You see the Lord God say so; you see Him confirm it, make it true. And you know this just as*

*plain as the sun shining outside. But you that'll hold on to your denomination, hold on to those false things, you worker of iniquity..."Oh, yes, I had great campaigns. I done this; I done that." Said, "You depart from me, you worker of iniquity, I never knew you." "Well, the Holy Ghost fell on me." I don't doubt that a bit. "I spoke in tongues. I sang in the Spirit. I done..." I don't doubt that a bit. No question to that. Oh, brother, sister, what kind of a condition? This is a trembling time. Where we at? **This Word is coming to Life now.***

Well, you say he was speaking to the denominations? Was he? He was speaking to the tape listeners with a denominational spirit on them who will not take to heart what he was teaching.

Again from his sermon **Three kinds of believers 63-1124E P:92** *Look, you're one of these classes. And your present state right now, the present state of mind that you here in this visible audience, and **you that'll be in the invisible audience of this tape, your present state of mind, after listening to this tape proves to you what class you're in.** It tells you exactly where you are: whether you are a believer in the Word and will stay with It; whether you'd walked out, or shut that tape off. See? That tells what you done. You don't want to listen to it and shut it off and say, "I don't want to listen to that." That's that unbeliever. See? You won't stop to test it and see if it's the Truth or not. See? Or just hanging around and trying to find some fault with it. Then you know where you are too. It tells you. God help us to believe it and stand on it, and be loyal to it, and obey the Word for He is the Word.*

Then what about those who have decided that certain quotes of brother Branham's concerning the Godhead they just will not use or speak of. Is that not the same as shutting off the tape? When you can show them literally hundreds of Quotes where brother Branham teaches the Godhead a certain way, and they will toss them all out, and then try to take a few quotes out of context and claim those are the absolute teaching on the Godhead. And they distort the quotes that they do use. Chopping off the context which is nothing short of splicing his tapes.

And from his sermon **What shall I do with Jesus 63-1124M P:143** he said, *If we disbelieve It willfully after the Truth has been presented to us, there will be no more mercy. No more mercy will be granted. Pastor, **listening to this tape**, what about it? Member of the church, **listening to this tape**, what about it? **What are you going to do, if we disbelieve it willfully?** Can't wash it off your hands. You can't pass it on to the headquarters; it's going to backfire right back to you. You've heard it. What about you? How are you going to stand in that day? He is either on your hands or in your heart, one or the other. God help us.*

So what about those men who would rather stand with a few five-fold ministers than with a vindicated prophet? What about those people who would sit under such ministries that would try to get you to see them instead of the One brother Branham pointed too? What about them? Workers of iniquity is what they are. They know better and yet they will not say what he said.

**Three kinds of believers 63-1124E P:80** *And a man saying that a man be a prophet and then saying his teaching's wrong, now, if that ain't a money working scheme, what is? The hour's close at hand when that thing will be pulled out on their scene. Yes. But that's the kind that (that make-believer) pat you on the back, call you "brother," just as Judas. But remember, He knowed from the beginning; He still knows. Yes, sir. Remember, all these listening to this tape too. That's right. You're in one of them classes. That's exactly right. Now, we're going to close. Every person that's here present, **every person that listens to this tape, and even though***

*someday I have to leave this world, these tapes will still live. And that's right. See? And you're in one of these classes. You've got to be in one of them. It's exactly. You can't escape it; you're in one of these classes.*

So he's talking to those people that were either listening to his tapes back then or will be after his departure. He says you are in one of these three classes. So there you are, right down to the tape listeners. Three kinds of believers right in this Message.

And from **Shalom 64-0112 P:63** Brother Branham said, *And minister brethren, you know from the way I'm talking, you that's listening to this tape. I'm talking to you, not only to the little congregation here, but men around the world. Many men go out, impatient; but believing that the time is near, you try to do something within yourself. Wait upon the Lord. Patience is virtue. If you can have patience, it's virtue. It's virtue if you... "They that wait upon the Lord shall renew their strength." Not they that try to get ahead of the Lord, they that try to tell the Lord, "Lord, I know You want me to do this, and glory to God I..." Don't do that. Wait upon the Lord. The Bible said, "They that wait upon the Lord shall renew their strength."*

**Thy seed shall possess gate 62-0121M P:103** *I haven't power to make any of these women clean up, any of these men that's listening to this tape or wherever. I have no way of making them clean up. I'm powerless. But I do have the authority of God's Word, as a servant, to preach It, and duty bound to that authority. Neither this policeman out here has power to stop a car, but he has authority to do it.*

So you see, it is not his power, but God's Word that counts. And if you hear it and receive it and act upon it, then it is yours. If not, then you are the one who loses out.

And again he is talking to tape listeners when he speaks of that organizational spirit and the loosening of morals. From his sermon, **Why I'm against organized religion 62-1111E P:128** he said, *Now, some of you brethren listening to this tape, some of you old men know that years ago, forty, fifty years ago, if they'd talked to you about an organization, you'd have said it was blasphemy. But today you belong to the thing that you thought was blasphemy. You women that bob your hair and paint your face, your mother was against that, that good old Pentecostal saint. What happened to you? Paul said, "You did run well, what hindered you?" See, see? Back there you was free from that stuff, but you wanted to be like the rest of them.*

**Church order 58-1007 P:25** *Now, when the pastor comes to the platform, let the pastor then lead, at least, one or two songs, and go straight to the Word. Not no time for these long testimony meetings, and everybody get up, and a word to say. That does not prosper in the Branham Tabernacle. If any people, if you are listening to this tape, and, you, it has prospered in your church, well, that's perfectly all right. And we are very glad of that, that it does prosper in your church. But in ours here, it does not, it only causes confusion. I've been pastoring here for twenty-some-odd years, and I have found that it only causes confusion.*

**Recognizing your day 64-0726M P:52** *And you preacher, listening to this tape, you listen. If you'd only recognize the hour that you're living, if you'd only recognize the sign of the time, you'd see why all the people are running from them denominations. The Spirit of the Lord calling... "No man can come to Me," said Jesus, "except My Father draws him. And all that the Father has in past times given Me, will come."*

***What shall we do with Jesus 64-0126 P:55 You natives in Africa, you in Australia, Sweden, Switzerland, you listening to this tape, how you going to answer in the day of judgment, when I've been in your nations and you've seen the identification of Jesus Christ rising among the people and proving Himself? Sweat, my, he must've sweated out. Oh, how could he do it if he was in his right mind? What kind of a angry God do you think it'll be to those who have trod under foot the Son of God and crucified Him afresh again?***

When brother Branham took his board aside and taught them on the Godhead, he taught it exactly as we have been teaching it, and for some smart-alecky young preachers to come along and say William Branham was a Oneness and taught as the Oneness teach, and then say you are a follower of His Message/ You most certainly are not. You are of your Father the devil and the lusts of your father you will do, for he was a murderer and he abode not in truth because there was no truth in Him, and you are his offspring, ye vipers, ye generations of serpents, who has warned you to flee from the wrath that is to come.

Let us pray, Dear Father forgive me for the anger I feel towards them that know your truth and will not teach it, but will rather deny it and make up all forms of isms to follow rather than to subject themselves to your truth and live. Help us father to get our eyes off of all that say they believe, but rather help us to be only focused upon you and your Word for we are Your Seed and the flesh of Your flesh and the bone of Your bone, because we are filled with Your spirit. Therefore, Father, help us to have a willing heart to repent of isms that may come our way, and help us to look only to Thus Saith the Lord. Prepare our hearts for the change of the body for we ask it in Jesus Christ's name, Amen!!
