

Spoken Word no. 72

Another Doctrine Gives you Another Spirit

Brian Kocourek

Genesis 1:11 *And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so. 12 And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good.*

And **Deuteronomy 22: 9** *Thou shalt not sow thy vineyard with divers seeds lest the fruit of thy seed which thou hast sown, and the fruit of thy vineyard, be defiled.* This scripture shows us that to mix or hybridize seeds, will cause not only the seed itself to become defiled or polluted, but the whole field that is sown is in danger or being defiled.

Now, we have been studying paragraph 52 of Brother Branham sermon **THE SPOKEN WORD IS THE ORIGINAL SEED** where he said, 52 *What did Eve try to do? Hybreed it, mix it with something. You've got to take it the way God spoke it. It won't mix with nothing. No, sir. Jesus one time said, "If you had the faith like a mustard seed..." I'm told that mustard seed won't hybreed. You can't mix it with nothing. You can mix other grains, but you can't mix mustard seed (See?), 'cause it won't hybreed. And if you've got that kind of faith, that's one--taking one Word of God...*

And last Wednesday night we showed you that it was a Catholic monk or priest named Gregor Johann Mendel (known for Mendel's law which concerns gene tracing and hybridization, which eventually led to the hybridization of the entire world's food supplies today.) This priest developed his Hybridization process between 1856 and 1863. These dates are interesting and I believe significant because in 1956 brother Branham said America would not accept the Gospel, and because America turned down the Gospel, she is now doomed with the curses of Deuteronomy 28.

Deuteronomy 28:1 *And it shall come to pass, if thou shalt hearken diligently unto the voice of the LORD thy God, to observe and to do all his commandments which I command thee this day, that the LORD thy God will set thee on high above all nations of the earth: 2 And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God. 3 Blessed shalt thou be in the city, and blessed shalt thou be in the field. 4 Blessed shall be the fruit of thy body, and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep. 5 Blessed shall be thy basket and thy store. 6 Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out. 7 The LORD shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways. 8 The LORD shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto; and he shall bless thee in the land which the LORD thy God giveth thee. 9 The LORD shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the LORD thy God, and walk in his ways. 10 And all people of the earth shall see that thou art called by the name of the LORD;*

and they shall be afraid of thee. 11 And the LORD shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, and in the fruit of thy ground, in the land which the LORD swore unto thy fathers to give thee. 12 The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow. 13 And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them: 14 And thou shalt not go aside from any of the words which I command thee this day, to the right hand, or to the left, to go after other gods to serve them.

So we see these blessings are what made America a great nation, because she was a Christian Nation, and observed the laws of God and taught them in her churches and in her schools. But then in 1956 this same nation turned down the Message that God sent to her and she had the curse of God pronounced over her by God's vindicated prophet.

Abraham restored 61-0211 P:55 The Word of God needs to be fulfilled. This is the hour.** Telepathy, they call it. They called it the same thing there, a devil. He said, "It's unforgivable to call the Spirit of God that's working a thing like that." I want you to think about that 'fore you go to making your decisions. **There's a new ministry that God has confirmed, and we know it to be the God's truth. But somehow or another it just won't work here in America. It does at other places.** Now, greater than what we have here. But you see, we just sinned away our day of grace; that's all there is to it. **I predicted that in 1956, and it's been that way ever since, constantly falling. See? But God will pull out that elect church. He's duty bound to do it; He said He would do it.

***Condemnation by representation 60-1113 P:18** And now, let me bring something else. I haven't got it written here, but on magnetic tape (And this is taped too.)... In 1956 in Chicago, Illinois, standing at that Lane Tech High School (They were there.), I said, **"This year is going to be the changing point of America. I've just come from overseas--don't know why I come. Come back; canceled my meetings in Africa and around--come back."** Billy Graham, something mysterious, he canceled his. Tommy Osborn canceled his. And we all crossing the United States in meetings. I said, **"America will either receive or reject Christ this year."** Then I said, "When they elected in Indiana, a twenty-two year boy to be judge," the Spirit of the Lord came on me and I said, **"They'll finally have a president that'll be one of these crew cut, playboy, beatnik-type presidents, a lady's man."** Now, them's predictions years ago. See where we're at? It's later than we think.*

And we know that was fulfilled in Kennedy and more so in Clinton, who liked to play his jazz on his saxophone, and now, we have another crew cut jazzman in the white house, no more qualified to be the President of the United States than Castro Himself. He's foreign born, born in Kenya and has not the honesty to show the people his birth certificate because he's a puppet like the rest of Washington. But they were put into office by a people who know not God, and who obey not the voice of the Lord God. So the curse is on and began in 1956 but is building up much steam until the complete curse

is now being openly manifested throughout the entire nation in every field and in every house except the few chosen of God who are sighing and crying for the abominations done in the city. But remember brother Branham said it all began in 1956, and we see it plainly today. Don't believe for one minute they will turn things around. You can not undo what the Word of God has ordained to be. So you had better prepare for tough times ahead, because they are here to stay.

O, you might see a little relief from time to time, but that is all part of God's hardening process. He brings on the plagues, the people suffer, then he removes them, and they forget and go back to their sinful ways. Then more plagues, the people suffer again, but then he lifts them, and they go back to their sinful ways. As this process repeats itself over and over the people become harder and harder with each wave of judgments, until they are so hard that there is no way for them to ever repent and become soft in their hearts again toward the Lord and his Word. At that time they will be broken.

It's just like hardening metal. You heat it, and it becomes soft and pliable. Then you cool it suddenly and it becomes harder than it was before. Then you heat it again, and cool it and as you repeat it over and over the metal becomes harder and harder until it becomes so hard it becomes brittle and with one whack you can break it, and so too will it come to pass that there will be a sudden blow against this country and it will fall in one day.

*Fellowship 56-0212 P:12 And I believe that this 1956 is a turning time. I predict this, not by spiritual inspiration, or I don't say that, not by vision. But **this is the turning time for the U.S.A.** They'll either accept it this year or **they'll be cast off**. See, there's only so many fish to be caught anyhow, and when the pond's all seined dry, **won't do no good to cast nets in no more**. So there'll be a time. I stood not long ago at the great city of Rome and saw the great Neros and emperors that once lived there. The great power of the world existed in Rome, and now you'd have to dig thirty feet underground to find the remains of it. Stood in Athens, Greece, where Alexander the Great, many of those great men where old ancient cities are sunk, many of them.*

Now, I want you to notice that the same blessings that God blessed us with if we obey His voice becomes curses if we do not obey His Voice. and we do not have time to go into them all actually become a curse if the people turn down the Voice of the Lord God as we see in verse *15 But it shall come to pass, if thou wilt not hearken unto the voice of the LORD thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee:*

It is also interesting that in 1856 the Republican Party was established and also held their first National convention which would eventually elect Abraham Lincoln as it's nominee for president. This is significant because the Republican party was the party that for the next 100 years would try to uphold God and conservative values in this country, while the Democratic party fought every which way to push a very liberal agenda which was developed by the Jesuit priests and which they tried to force on the peoples of latin America called liberation theology. It was the democratic South that tried to hold onto slavery, and even 100 years later tried to stop the Republican Party from giving the blacks the right to vote.

But what is even more interesting is that it was the hybridization of the Republican Party in order to look better and attract more voters that eventually led to the total collapse of the United States of America and the rest of the world's economies that were tied to hers.

Another comparison is that in 1863 Mendel finalized his hybridization methods, and that same year Abraham Lincoln wrote the emancipation proclamation setting free the slaves. So on one hand we have the development of the methods that are being used to enslave all the world into the Roman system, while on the other hand the setting free of all slaves by the emancipation proclamation that went forth from that God fearing Abraham Lincoln.

So I hope you can see that when the spirit of the devil comes on like a flood the Lord raises up a standard against it. But notice that there are always the two spirits that raise up side by side. Then it follows suit that this hybrid religion that the Catholic Church developed, which claims to be the spokesman for all Christianity, in order to spread its influence around the globe, it adopted many other religious practices into its own church thus bringing a hybrid Christianity into the world. A religion that is so much bigger and looks so much prettier than the humble Gospel that Jesus brought to the world. And thus she hybridized her Christian values and doctrines adopting compromises from many other religions around the world, and thus polluted the Christian Message.

It is interesting to note also that it was a Catholic Priest who introduced to the world the scientific techniques necessary to hybridize and thus pollute, destroy and bring about the destruction of the world's food supplies thus making men subject to a handful of men for their very existence. And *they shall not buy or sell unless they have the mark of the beast.*

It is no secret that Monsanto and several other companies are racing to see who can control the world's supply of seeds, and thus the world's food supply. The rise in global food prices has sparked protests around the world, bringing a global epidemic of hunger. The World Bank estimates world food prices have gone up 80 percent over the last three years and that at least thirty-three countries are facing social unrest as a result. The U.N. Secretary-General warned that the global food crisis has reached emergency proportions.

And so we see the slavery agenda is still working behind the scenes, because slavery is a Catholic idiom, and yet the Monsanto family tradition was laced with the selling of slaves in the 18th and 19th Century. And controlling the food productions is nothing short of enslaving the world into its system. There are many websites that show that the family is Zionist and so we see again that the Jews own the paper but Rome owns the gold. And Monsanto has around 11,000 seeds under patent already and are working hard to control it all. But Rome with her gold will eventually own all that paper too giving her total control of everything you eat. So the world will not be able to eat unless she allows it. And she does nothing without a price to be paid. That's her history.

Now, as we read from **Galatians 1: 6-9** we see that by giving ear to a wrong Gospel, the people opened themselves up to receive another spirit, not the Holy Spirit, but a different spirit, an unholy spirit.

GALATIANS 1:6 ¶ *I marvel that ye are so soon removed from him that called you into the grace of Christ unto another* (or heteros) **gospel:** Notice Paul is telling us that these people had become removed from the doctrine of Christ (the true Gospel as he had taught it) unto a Gospel of a totally different nature. And never forget the law of reproduction. “every seed after it’s own kind or nature. So if the people had removed themselves from Christ by turning away from the Doctrine of Christ, Then they would by the same law of reproduction must take on a different spirit other than the Holy Spirit. said, 7 **Which is not another gospel as though it is altogether a different Gospel, but simply because it is a Gospel with a different nature it shows it is not the nature of God, and thus not God’s Gospel at all.** And so Paul says, **I marvel that you have been removed to one of a different nature, yet not a totally different one,** and then he continues by saying, **but there be some that trouble you, and would pervert the gospel of Christ**

Now we also saw Paul tell us in **2 Corinthians 11: 1-4** that these people had taken on a different spirit than the Holy Spirit because they were preaching a different Jesus and believing a Gospel of a different nature.

2 Corinthians 11: 4 *For if he that cometh preacheth another Jesus,* (a different Jesus) *whom we have not preached, or if ye receive another spirit,* (one of a different nature) *which ye have not received, or another gospel,* (one of a different nature, a perverted, polluted Gospel) *which ye have not accepted, ye might well bear with him.*

So we see that Paul was warning the people that it was not a different message altogether they were being removed to, but it was the same message, only it had a different nature because it had been perverted from the message he had first presented to them. And if Alpha has become Omega as Brother Branham warned us it would, then the same thing has taken place in this hour. The message has become perverted, and it no longer has the same pure nature as it was taught by William Branham, but there is a perverted nature that has taken over the Message where most of the people are Oneness in their thinking, and they think they can live just any form of life, and still make it.

So Paul said they were already preaching a variant message back in the Alpha church age, then it is no surprise when Brother Branham before he left the scene he told a brother I know there are already 17 different versions of the Message being preached. And that was in 1965 more than 40 years ago.

So in getting back to what the Apostle Paul said, 8 But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. Then to make sure he was fully understood, he says again in verse 9, **As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed.**

Brother Paul McTaggart sent me an interesting quote the other day, and I think it is very appropriate for what we have been studying concerning this other spirit that the people receive.

Brother Branham said in **If God Be With Us Then Where Are All The Miracles.** 61-1231E 105 *Many person has been deceived in receiving the Holy Ghost; as I said, they've got doctrines today like Elijah's garments, and all these other things, manifested Sons of God, and all these different isms, and so forth, in the world today. People fall blindly on there, and go through some kind of a sensation, raise back up with a **arrogant spirit, indifferent, fussy, high-tempered. That's not the Spirit of God.** Still continue right on out of order, don't know what church order is, don't know how to behave themself in the house of God, no manners, no, just no audacity at all, no feelings towards God, all they think about is **'my church.'** It shows they received a church spirit, and not the Spirit of God, 'cause It knocks all that out of you, burns it up. Sure.*

Notice he says the Holy Spirit will knock all that churchy stuffy, arrogant attitude out of you. And again in the message, **Seed not heir with shuck 65-0218 P:42** Notice, see how close it looks. St. **Matthew 24:24**, said that *the two spirits in the last days, the church spirit of the church people and the Bride Spirit of the Bride people, would be so close together till it would deceive the very elected if it was possible.* That's how close.

So we see how that this church spirit is to be so close to the Bride Spirit that it would deceive all but the very elect. And you know why? because even in a church with an Elect pastor, that spirit of church can get upon people and they will talk the talk, but watch it a while and you will see that all they have is that church spirit that is arrogant, and no real feelings toward God and His children, but self centered looking only at themselves and their church is this and their church is that. Why? Because it is a proud spirit. And you all know that is the thing I hate. And I hate it because God hates it. That church spirit that, arrogant spirit that looks down on the others and oppresses the people in the name of religion.

Feast of the trumpets 64-0719M P:75 Well, what has it done? In the cunningness, as He said, **he'd come in like flatteries.** And what has he done? He's bringing the Protestant ecumenical council of the world churches, the spirit of antichrist, upon both of them, bringing them to the slaughter, just like they did the other in a hour to call the Bride. How? Loosed in **the ecclesiastical church, spirit.** Loosed upon what? Not upon the denominations, upon the Bride. But here you'd get it; **the Bride will not go through that time.** The Bible says not. **The church will, but not the Bride.** Can't you see? Ministers, can't you see that, brethren? You say **the Church has to go through the persecution for the perfection of it. The Blood of Jesus Christ perfects the Bride. A man who chooses a wife don't put her through a lot of punishment; he's already found grace with her; she's found grace with him. He engages to her. And if there's anything, he'll keep her from every place to turn her hand. His grace is so great upon them, and so will it be upon the Bride, and so is it on the Bride.**

God identifying Himself 64-0320 P:9 The Spirit of God can be identified by Its characteristic. See the Spirit of God, and the spirit of the church... **There's a church spirit. And the Spirit of God that's absolutely not like the church spirit at all.** There's a denominational spirit. There's a national spirit. There's a spirit of the nation. Every nation, when I go into... You walk in there, you find a different spirit.

You must be born again 61-1231M P:83 People of today take all kinds of spirits. They go up and take a **church spirit**; they even take spirits that call themselves God's spirits, born again, and deny the Word of God being true. **Could you imagine the Spirit of God denying His Own Word?**

Humble thyself 63-0714E P:38 Now, surely, after all these years on the field and around the world, and seeing different people, I ought to know a little bit about the gate to enter in at. And **if you want to get somewhere with God, never let an arrogant spirit ever come around you. Don't let no malice come in.** No matter what anybody's done, if they are wrong, **don't you never build up a complex against that person.** See? You be sweet and kind. Remember, God loved you when you were in sin. And **if the Spirit of God's in you, you love the other person when he's in wrong.** See? Just pray for them and love one another. **Above everything, love God and love one another. And be humble with God and around one another, and God will bless it, and it's hard telling what He will do. Usually when a church begins to get in numbers and get to getting a little bigger, or something like that, then they get away from that real thing, the real thing.**

India trip report 57-0126B P:42 When that man sets there and his arms folded, and this man come by and shun him and walked past... And yet the missionary tries to tell him that he is our brother. And would we treat a brother like that because of his color? Because of his nationality? Oh, brother. **Don't you see that same arrogant spirit gets amongst denominations and denies Christian brotherhood in the same way.** We are the products of God, everyone of us, and we should be brothers, closely knitted together by the Gospel. **In our motives, and our ideas, and everything,** we should give to God for the relief, and the furthering of the Gospel, and the bringing together of a brotherhood and the coming of the Lord Jesus Christ.

Perfect strength 61-1119 P:34 Now, a somebody can become one of His people; **God can use them if they're ready to forget that they are a somebody. If you're ready to forget that you're a somebody and become a nobody, then God can use you and make a somebody out of you.** See? But you've got to forget that you're so important. There's many of us; many of us do that in our lives. **Some people, as soon as they become Christians, they become arrogant, indifferent** (That's right.) when they're just taking a vice versa the path. They're going backwards instead of forward. More you can get out of yourself, more room you've got for the Holy Spirit to come in.

Church and its condition 56-0805 P:34 And that's the reason today that we're wondering what's the matter with the Pentecostal church. It's because we have taken on a different nature. We've taken on a nature that, "We want our rights. We're going to do what we know that's right to do." And **we become arrogant. We become hostile. We become indifferent. We let temper come in. We let selfishness come in.**

We would see Jesus 57-0226 P:33 *If any spirit doesn't follow the Scripture, it's a wrong spirit. That's right. If it goes beyond this Bible, it's a wrong spirit. If it doesn't get to it, it's a wrong spirit. See, if the devil can't keep you from seeing a truth, he will push you overboard with it. You see? That's his business. See? If he will go off onto some fantastic, or either he will keep you from seeing it at all. But to stay right straight on Calvary, it'll always come right back to the Word every time. It's the Word.*

Why against organized religion 62-1111E P:124 *And you go into a denomination, they say, "I know; we don't believe in This. Our bishops in our church teaches we are one of the oldest churches. We don't teach..." I don't care what they don't teach. If the Bible teaches it, the Holy Spirit in you, It'll feed on the Word. No matter how smart a man is and how he can try to explain it away, they can explain away. A infidel can take the Bible and explain God away from you. Therefore, no man has any right to preach the Gospel unless he's been like Moses, back yonder on that sacred sands where him and God alone stood, until a man's born again and stands there face to face with God, and knows. There's no infidel; there's no psychology; there's no explaining; there's no scholar in the world can take that away from you. You were there when it happened. Yes, sir. You know what taken place. Then you say, "I had that kind of experience, and I got a spirit on me." And if it denies the Word in any way, you got the wrong spirit. You say, "I can't go for this stuff like this, I know, but our church..." Oh, oh, there's a wrong spirit. There's your mark of identification. Cain, you're marked. Yes, sir. Eve just doubted one little Word, not all God said, just one little Word, and it caused every heartache and heartbreak, and death, and sin, and battles, and everything else, every grave, every ambulance ever screamed, every hospital was built for the sick. Her one little doubting one little Word of God caused all of this. And she was put out, when this never would've had to happen. How are you going to get in, doubting one Word of It? Say, "I know It says that, but It..." It means just that.*

Revelation chapter 5 pt 2 61-0618 P:112 *I want to ask... No one has to say this. There's at least fifteen or twenty people setting right here was guilty of thinking that I was Jesus Christ. How could they do it? I was right onto them till I found out that God told me it was a spirit. And them men, I said... And them men believed me, every word. I said, "How do you believe me then, if I tell you?" Then we got to the Word; then they begin to see, said, "Well, sure, we didn't believe you, or we'd have listened to what you said." See there? But they actually thought they were right, sincerely. See? And one of those spirits gets on you, that's got it (See?), you'll absolutely believe it. I don't care; there's nobody can tell you any different. See? No matter how much the Word says so, well, you just don't believe It anyhow; just go on. "If you want to be that way, you go ahead, and I'll have my own way." See, that shows you're anointed with the wrong spirit.*

Church and its condition 56-0805 P:60 *I'm talking to the Branham Tabernacle. I ain't talking to you people from other churches. I'm talking to the Branham Tabernacle. That's what's the matter around here. That's what makes the Dove take Its flight. Just let somebody just start a little something around the church, and the first thing, "Oh, is that so? Oh, did... You don't mean so?" Right then the Holy Ghost goes, fly away. It just*

*can't stand that kind of spirit. As long as that lamb nature leaves you, then the Holy Ghost is gone. That's right. And that's what's the matter today. That's the reason the people is in the condition they are, is because **they let the wrong spirit come into their heart, into their life.** Now, The Bible said that's the reason there's so many sick and afflicted among us, is because of such things. **We must be gentle. We must be peaceful. We must be a lamb, so that the Dove can abide with us.***

Taking sides with Jesus COD 62-0601 P:59 *And that's the way you have to do. You've got something in mind. The people here wants a church. Build it. As quick as you can, get it up. Get your teachers and things. You brethren out yonder with your little churches and you're doing a work, God will reward you for that. Go out there. Preach. Do everything you can. Let all of you get together, **you bunch of men, and have meetings and talk on deep things of the Scripture and pray.** Don't just come here together unless you come for a prayer meeting alone. **Do your praying in secret. Stay out in the place, and go into your rooms, hide out somewhere, and just kneel down, and just stay before God and stay there.** Then if you find out, look like something's moving up, oh, you just going, and you find out it gets a little bit off the Word, then be careful. No matter how good it looks, stop right there. **A wrong spirit struck you, 'cause the Message of this day is to the Word. See? Don't...***

O my, let us pray that God would take that kind of stuff out of His Bride, because no man wants to join himself to an arrogant woman, and God will not do so either. We need to be humble and see how small we can make ourselves, and see just how big our God really is, then we will have the right spirit to be inviting to his Spirit to take us over. Let's bow our head's and pray...
