

Unveiling of God no 119

End Time insanity pt 1.

Anxiety is the first sign

October 6, 2019

Brian Kocourek, Pastor

This evening we will take a short study of the end time insanity that was prophesied by brother Branham to come upon all mankind just before the coming of the Lord.

124 Now, what if a fellow refuses to see the sun, say, "Oh, there, I know God said 'Let there be light,' but there is no such a thing. I'm going down in the basement. I just refuse to see it"? The guy's crazy. There's something wrong with him. **There's something wrong with a man or woman, can see the promise of God, and see It manifested, and then refuse to believe It because the denomination pulls the veil down. See, veiled...**

And from pp **18** of his sermon **Christ Revealed In His Own Word** *I was just talking to a young minister and his wife in the room just a few moments ago. And both of them are nervous just like the rest of the world, rest of the human beings on earth. I said, "Remember, Satan's got a punch coming at you." I don't care who you are, God... He's got a right to that one punch. Which had you rather be, that punch, be blind, or be an arthritic setting in a chair, or be nervous? See? He's got somewhere he could punch you. He's got a right to that open place. Now, that's the spot you got to keep covered all the time. 19* **And to see this nervous age that we're living in...** *And last week's tapes, I think, will reveal to you the great hideous things that we're going to speak on one of these days when we can get a place sufficient, of the opening of those last plagues to be poured out upon the earth--those Vials, rather, pouring out of the Vials, and the Seven Thunders... And those hideous sights that's coming upon the earth... 20 **Men now and people today are in such a neurotic condition, the whole world...** *You read this last months "Reader's Digest." You notice the subject there; it's on Billy Graham the great evangelist. He got so tired he just couldn't hold his meetings, and he--he went to Mayo's Clinic for a physical checkup. There wasn't nothing wrong with him, only he just doesn't do enough work. And they put him to running: physical exercise. He runs a mile every day. And then, the article goes on to say that science has proved, that today, that young children, these little boys and girls hit their middle age at twenty years old. And by twenty-five, many times in many cases the girls are out of menopause at twenty-five years old. I don't know if you knew it or not, but a few nights ago while the Holy Spirit was speaking here in the meeting, a little girl setting down here; that's exactly what was wrong with that child when It called out. I looked at her a second time, looked again, and I seen what was the matter. I thought, "It can't be; that child's too young." But it was, menopause, about twenty years old, twenty-three, something like that. See? 21 **My mother and your mother struck that age about forty-five to fifty. My wife struck that age about thirty-five. Now, it's down to twenty. The whole human race is rotten. Well, if them physical beings of our body is tearing down like that from eating hybrid foods, tensions, that rotten it, does not that also rot the brain cell? Then we can see how women can get on the street naked. We can see how they can speed through the streets at a hundred and twenty miles an hour, all these things. It's come to a place where the whole nation, the whole world, not only this nation, but everywhere,****

mentally gone. 22 *And then when we open up those, the Lord willing, on those Seven Vials and show those hideous things... Men will be so insane after while, till they'll imagine they're seeing ants the size of a mountain. They'll be tormenting women, be locusts come upon the earth with long hair to torment women who cut theirs off, hair like women hanging down, and long teeth like a lion, stingers in their tail like a scorpion, and so forth, to torment men upon the earth. But then it'll be too late to do anything about it. You get right now. See? Tormenting..."*

Now I hope you noticed that Brother Branham is focusing his thoughts here on the mental condition of man in this last hour. How man has come to the state where their bodies are rotting and their minds have become rotten well. In [pp. 18] he speaks of a young couple, a Pastor and his wife that he's been counseling and he mentions how nervous they both are.

Then he says, ***And both of them are nervous just like the rest of the world, rest of the human beings on earth.***

We see then, he's not mentioning this because a certain couple was nervous, but to let us know that the condition of this couple is a universal problem in all of mankind. It's not just a problem in America, but in every nation on earth. And so we see this nervous condition is an attribute of or identifier of the days that we live. It identifies the times in which we live. Now, I would like for you to pay close attention this morning to what I will be sharing from Brother Branham's thoughts here, because in these thoughts you will receive the help you need for yourself as well.

Notice in **pp. 19** He said, "***And to see this nervous age that we're living in***"...and notice how he went on to tie this thought into the opening of the 7 vials and the letting loose of the end-time plagues upon man.

Again we see in **pp. 20** he says, "***Men now and people today are in such a neurotic condition, the whole world***"... Therefore we see this neurotic condition is universal, for he said, ***the whole world!***

In **pp. 21**, he speaks of how the body is rotting and women are reaching menopause at an earlier age, and we know menopause is a condition that the body goes into after it passes out of it's life cycle and enters into it's dying cycle. He continues to speak of the deteriorating mental condition of the people until the entire world is going insane.

He says, ***The whole human race is rotten. Well, if them physical beings of our body is tearing down like that from eating hybrid foods, tensions, that rotten it, does not that also rot the brain cell? Then we can see how women can get on the street naked. We can see how they can speed through the streets at a hundred and twenty miles an hour, all these things. It's come to a place where the whole nation, the whole world, not only this nation, but everywhere, mentally gone.***

Now, finally in **pp 22** we hear him say, "***Men will be so insane after while***" and he speaks on how they will see things that are not there, but their minds will be playing tricks on them and it will be real to them as far as they are concerned. And so, today I would like to examine these thoughts on the condition of man in this last hour and the condition of the mind.

Brother Branham is telling us that the whole world has come to a condition that it is mentally gone. He said, the hybrid foods and the tensions have caused our bodies to rot and since our brain cells are part of our bodies, they are rotting as well. We find this condition that brother Branham is speaking of in the scriptures. We are warned that there is coming a time that will be full of tension and stress and it will hard to bear. We are also told that the anxieties of life will be self-consuming everyone who lives on the face of the earth.

In **2 Timothy 3: 1** the **Amplified version**, we read: "*But understand this, that in the last days there will set in perilous times of great stress and trouble - hard to deal with and hard to bear.*" Now if you caught what Brother Branham was telling us, he said it is "*the hybrid foods and the tensions that are rotting the bodies*" and the minds of the people. So tensions or stress are a very critical thing in the undoing of the human race. And you will notice that the Amplified Translation of **2 Timothy 3:1** tells us *these times of great tension and stress will be hard to deal with and hard to bear*, that is why the suicide rate is so high.

On Tuesday October 1st, a British court ruled that belief in the Bible was "incompatible with human dignity." That statement came in a case involving Dr. David Mackereth, a devout Christian who had worked as an emergency doctor for the National Health Service for 26 years. He said he was fired from his job because **he refused to call a biological man a woman.** The court's ruling stated: "Belief in **Genesis 1:27**, lack of belief in trans-genderism and conscientious objection to trans-genderism in our judgment are incompatible with human dignity and conflict with the fundamental rights of others, specifically here, transgender individuals." The court added. "... in so far as those beliefs form part of his wider faith, his wider faith also does not satisfy the requirement of being worthy of respect in a democratic society, not incompatible with human dignity and not in conflict with the fundamental rights of others."

Now, what is (**Genesis 1:27** "So God created man in his own image, in the image of God created he him; male and female created he them".) And this judge that ruled that Genesis 1:27 which is God's own Word concerning two genders, and this judge opposes The Supreme Judge? YOU watch for an untimely death with this man. He has set himself up above God, and there is only one thing left for him, and that is to be judged himself by the Supreme Judge.

When the Highest courts of any land push trans-genderism then you know the level of insanity has taken its toll on mankind since trans-genderism is a mental disorder to begin with according to Johns Hopkins University Hospital.

Johns Hopkins Psychiatrist: Transgender is 'Mental Disorder;' Sex Change 'Biologically Impossible'

By [Michael W. Chapman](#) | June 2, 2015 | 1:34 PM EDT

(**CNSNews.com**) -- Dr. Paul R. McHugh, the former psychiatrist-in-chief for [Johns Hopkins Hospital](#) and its current Distinguished Service Professor of Psychiatry, said that **transgenderism** is a "**mental disorder**" that merits treatment, that sex change is "biologically impossible," and that people who promote sexual reassignment surgery are collaborating with and **promoting a mental disorder**.

Dr. McHugh, the author of six books and at least 125 peer-reviewed medical articles, made his remarks in a recent [commentary](#) in the *Wall Street Journal*, where he explained that transgender surgery is not the solution for people who suffer a “disorder of ‘assumption’” – the notion that their maleness or femaleness is different than what nature assigned to them biologically.

He also reported on a new study showing that the suicide rate among transgendered people who had reassignment surgery is 20 times higher than the suicide rate among non-transgender people. Dr. McHugh further noted studies from Vanderbilt University and London’s Portman Clinic of children who had expressed transgender feelings but for whom, over time, 70%-80% “spontaneously lost those feelings.”

While the Obama administration, Hollywood, and major media such as *Time* magazine promote transgenderism as normal, said Dr. McHugh, these “policy makers and the media are doing no favors either to the public or the transgendered by treating their confusions as a right in need of defending rather than as a mental disorder that deserves understanding, treatment and prevention.”

This intensely felt sense of being transgendered constitutes a mental disorder in two respects. The first is that the idea of sex misalignment is simply mistaken – it does not correspond with physical reality. The second is that it can lead to grim psychological outcomes.”

The transgendered person’s disorder, [said Dr. McHugh](#), is in the person’s “assumption” that they are different than the physical reality of their body, their maleness or femaleness, as assigned by nature. It is a disorder similar to a “dangerously thin” person suffering anorexia who looks in the mirror and thinks they are “overweight,” said McHugh.

This assumption, that one’s gender is only in the mind regardless of anatomical reality, has led some transgendered people to push for social acceptance and affirmation of their own subjective “personal truth,” said Dr. McHugh. As a result, some states – California, New Jersey, and Massachusetts – have passed laws barring psychiatrists, “even with parental permission, from striving to restore natural gender feelings to a transgender minor,” he said.

The pro-transgender advocates do not want to know, said McHugh, that studies show between **70% and 80%** of children who express transgender feelings “spontaneously lose those feelings” over time. Also, for those who had sexual reassignment surgery, most said they were “satisfied” with the operation “but their subsequent psycho-social adjustments were no better than those who didn’t have the surgery.”

“And so at Hopkins we stopped doing sex-reassignment surgery, since producing a ‘satisfied’ but still troubled patient seemed an inadequate reason for surgically amputating normal organs,” said Dr. McHugh.

The former Johns Hopkins chief of psychiatry also warned against enabling or encouraging certain subgroups of the transgendered, such as young people “susceptible to suggestion from ‘everything is normal’ sex education,” and the schools’ “diversity counselors” who, like “cult leaders,” may “encourage these young people to distance themselves from their families and offer advice on rebutting arguments against having transgender surgery.”

Dr. McHugh also reported that there are “misguided doctors” who, working with very young children who seem to imitate the opposite sex, will administer “puberty-delaying hormones to render later sex-change surgeries less onerous – even though the drugs stunt the children’s growth and risk causing sterility.” Such action comes “close to child abuse,” said Dr. McHugh, given that close to 80% of those kids will “abandon their confusion and grow naturally into adult life if untreated”

“Sex change’ is biologically impossible,” said McHugh. “People who undergo sex-reassignment surgery do not change from men to women or vice versa. Rather, they become feminized men or masculinized women. Claiming that this is civil-rights matter and encouraging surgical intervention is in reality to collaborate with and promote a mental disorder.”

65-0815 - And Knoweth It Not, 82 *Let me prophesy something to you, just before it comes to pass. The whole world is grouping in insanity, and will get worse and worse and worse, until they’ll be a bunch of maniacs. And it’s almost that way now.*

Communion 65-1212 P:2 *Now, there's one thing that I'd want to say just before we start the communion, is this; that I believe that we have seen enough in our day that we live in, that we ought to really give every--all of our being to God. We should really serve God. I believe that He has blessed us with the direct answer to Scripture. As Brother Pearry gave it a few moments ago, that we--we are--we're at that time. We're not blind; we see that we're here; we've arrived. And we also can look around and see that the way that the human mind is leaving the people. That we can't stay too much longer, we'd be in a complete insane institution; the whole world would be. See? So we're at the end time.*

Works is faith expressed 65-1126 P:136 *We realize, Father, that we're a dying generation of people. We're heading, faced--faced with eternity. **The world has gone insane. Murders; little girls being cut to pieces and ravished. The people, men wearing their hair like women, women like men; they're just perverting. The race is dying. The world's a-dying. Everything's a-dying. The church is dying. O God, bring Life. Bring Life, O God, Life of faith. Reveal to these people, Lord. I can only pray and lay my hands upon them. But You're the One that can heal them, and You alone can heal them. I pray that You will, Father, to each and every one. Grant it, with my hands upon them, and asking with all my heart; in the Name of Jesus Christ, heal these people. Amen.***

Invisible union of the bride 65-1125 P:50 *But now, look what Hollywood has took the virtuous things from our women. I'm setting here looking at a dear old woman, Sister Schrader. Many of the women here, that and Sister Moore over here, the older women that remembers a few years ago, if their mother or even them, would have walked out on the*

street the way some of these women walk today (church members), they'd have locked the woman up for being insane. She forgot to put on her skirt. Well, **if it was insane then, it's insane now.** Well, look, **the whole world proves it's insane.** Look at the murders and things that's going on now in the world (See?): **insanity. The whole thing is coming to fulfill Revelations;** we may get to it this week, where those hideous things... Them's not natural; **that's spiritual things that makes people scream to the rocks and the mountains and everything else to fall on them.**

Knoweth it not 65-0815 P:29 And if this woman... Now, she'd say, "Now, wait just a minute, Mr. Branham. I'll give you to understand, I am no prostitute." My sister, maybe if you'd be took before a Bible, put your hands upon It in the Presence of God and swear an oath that you'd been just as true to your husband as you could be. Your body belongs to your husband, but your soul belongs to God. There is a evil spirit that's anointing you. If that--if you're not, then you're... I can prove that you're totally insane. **What would've happened to your grandmother if she'd have walked down the street with them shorts on? They'd have put her in the insane institution; she come out without her dress on. There's something wrong with her mind. If it was so then, it's so now. So it throws the whole world into insanity. The whole thing's insane.** And it's so gradually crept in till the people don't know it.

God's provided place of worship 65-0425 P:77 Look at this **teenage insane.** Why, we had a... I told you the other day, they was taking an analysis there of the schools in Arizona where I live, and **eighty percent of the children in school is mentally retarded. What will their children be? We can't have another generation.** We're at the end. Jesus said these things would come. Look at all the televisions and things getting these fictitious things in order. **It'll come a time, I predict, that people will be completely totally insane; the world will be.** The Bible speaks of such hideous sights as they show in movies today of some prehistoric creature's age, that's lived in the earth for so many thousands and millions of years, hatch and come forth to some... That's just a minor thing to what's going to happen. When hell is opened and the Devil comes out with all of his mysterious things, of women--or locusts with hair like women, and teeth like lions. Why, the world will be completely, totally insane. It's not but just about one degree from it now.

Who do you say this is? 64-1227 P:27 Look at the world today, what a tension the whole world lives in. You go down the street... It's not even safe to drive. It's not safe to be on a four lane highway. Everybody's at a tension, snapping and... What's the matter? Quieten down. Where you going? That's what's making the insane institutions fill up. That's what's got the church in such a turmoil. They're so head-bound on certain thing. **They won't stop and consider God's Word and the hour that we're living: all under a strain, tension.**

Oddball the 64-0614E P:51 And the rude expression, Lord, of being a nut... And we know that in this day that it takes sometime when the world gets in a rut like the church is today, just joining new churches and new denominations... A man who comes forth with the Word is considered a nut, an insane person. As the great apostle Paul, who was trained to be a theologian, a priest, and yet he said **he become a fool for the glory of God.** He forsook his education that the people might listen to his high polished words. And he said he come not with enchanting words and wisdom of men that their faith would be in such. How the

church has turned to that today as he prophesied, "After my departure, wolves shall enter in, not sparing the flock." But he said he came to them in power and manifestations of the Holy Spirit, that their faith would be in God. Father, he became a fool to the world to know Jesus. And so do we today, Lord. **There's people setting here that's considered crazy, because that they're ready to trust God for their healing, for their eternal destination, placing their reputation at stake in worship to Him, thanking Him, praising Him, giving freedom to their spirit to worship God.** They're considered crazy. But You said that the--**the foolishness of God** (if we are fools) **was stronger and wiser than the wisdom of men;** for man by wisdom knowed not God, but through the foolishness of preaching, it pleased God to save them that was savable. We pray, God, that the great Author of this Word will come tonight and heal the sick, save the lost. We ask it in Jesus' Name. Amen.

Oddball the 64-0614E P:22 I was thinking the other day, who is able--who today is not a nut? You're somebody's nut. **I believe the world is completely going insane.** Did you know, **it's a time that people can't judge between right and wrong, or truth or error? Do you know the politicians can't judge right and wrong?** You see them keeping quiet on this voting the Bible back in the church or into the--Bible back into the schools? They don't know which way their politics are going to blow. Think of it. I don't know how it is in Indiana now, but in the State of Arizona it's against the law to read the Bible in school. I think it's the same thing in Indiana, nearly the whole United States, because some infidel woman changed the whole program. And remember, it's against the law to read the Bible in our public schools, but believer's taxes supports infidelity to be taught in the schools. Politics... We need another Abraham Lincoln; we need another Patrick Henry; we need an American who can stand out regardless of where the politics are and call right, right, and wrong, wrong.

When their eyes were opened 64-0312 P:29 My, testing Jack Ruby the other day for insanity; they're still doing it. The whole world's insane. Sure, the man's crazy. No man can shoot another without being crazy. **The whole world's crazy.** Certainly it is. The farmer, he's crazy to the businessman; the businessman's crazy to the farmer. Who is crazy? The whole group is. **There's only one sane thing, and that's Jesus Christ, the Son of God. And His Gospel has the answer to everything.** Our books of psychology, and all these things, are nonsense. If it's contrary to this Word, throw it all away. **God's Word is right, and all others are wrong.** You see these things. No wonder the world's become drenched in blood. No wonder the things are the way they are now. We don't--it's just every time... Wonder if Oswald, that murdered our president, wonder if he'd have got an insane test. I doubt it. But you see, how can a man run in and shoot another man, and take his life, and go on? Well, I'm in Texas. I'll just stop on that. But let me tell you something. Every... The Lord will take care of it all someday at His coming. Notice. You have no right to take any man's life. No sir. God's the only One has right to take life. It's true.

In **Mark 4:18-20** we read, "**And these are they which are sown among thorns; such as hear the word, 19 And the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the word, and it becometh unfruitful. 20 And these are they which are sown on good ground; such as hear the word, and receive it, and bring forth fruit, some thirtyfold, some sixty, and some an hundred.**"

We notice that the cares of this life creep in and chokes off the Life of the Word. And so this is a warning to us to be careful not to get so caught up into the things of this world as to allow them to take over sole dominance of our lives. Now the Greek word used here for *cares* is the word *Merimna* which means the anxieties of this Life. And I want you to notice that the word anxieties is defined by Webster as being a state of being uneasy or apprehensive, or worried about **what may happen**; concern about a possible **future** event, and the psychological effects of anxiety are **worry** and **nervous *tensions***.

Like 8:14 *And that which fell among thorns are they, which, when they have heard, go forth, and are choked with cares and riches and pleasures of this life, and bring no fruit to perfection.*

Notice in this Scripture that it is **not just** the anxieties of this life, the bills and the mortgage and the auto loans, and the utilities etc., but it is also the pleasure seeking and other things as well that will creep into our lives and choke off the Life of the Word. Now notice that brother Branham used the term **neurotic** which comes from the word *neurosis*.

Neurosis according to Webster's Dictionary is defined as: *Any of various Psychic, or mental, functional disorders characterized by one or several of the following reactions: anxiety, compulsion, obsession, phobia, depression, disassociation and conversion.* Now, for you who are taking notes, I want you to notice that **there are 7 of these attributes**, and that is the number of completion.

Brother Branham said, *Men now and people today are in such a neurotic condition, the whole world.* So we see that this neurotic condition is a world-wide mental condition that has come upon mankind like a trap. Just as we see the Laodicean condition of being naked, blind and miserable is a universal condition as well.

Notice in the Book of Revelations we see also this prophesy of end time neurosis among the people. **Revelations 3:14** *And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God; 15 I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot. 16 So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. 17 Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:*

Notice they are in this condition and yet are not aware of it. They think every one else is wrong, when they are actually insane.

Brother Branham said "*a person who would walk around naked and then doesn't know it, is either mentally gone or demon possessed.*" We'll find out in this message.

You know the world is insane when you have people promoting eating people to remedy global warming. And now some young woman approached AOC at her rally and said "*we can't wait for people to grow up to eat them, we must eat babies now, we can't wait for them to grow up. The Global warming crisis is now. We don't have time*". And they're all in a panic. Let me tell you about global warming. It is a farce, it is a fraud on the young

generation and it's causing them to become anxious, and when you become anxious, you begin the journey into neurosis.

From the Gospel of **Luke 21:31-36** we hear Jesus warn us with these words, "*So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand. 32 Verily I say unto you, This generation shall not pass away, till all be fulfilled. 33 Heaven and earth shall pass away: but my words shall not pass away. 34 And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares. 35 For as a snare shall it come on all them that dwell on the face of the whole earth. 36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man. 37 And in the day time he was teaching in the temple; and at night he went out, and abode in the mount that is called the mount of Olives. 38 And all the people came early in the morning to him in the temple, for to hear him.*"

Notice, this condition is to come upon everyone who dwells upon the face of the earth. So it is a world-wide condition, and then if so, then it will affect us as well unless we are aware of it. Now, we are not super humans that cannot be affected by these things. We are merely mortal in this flesh and we need to know what it is that is affecting us before we can find the cure. If we think this doesn't pertain to us then why did Jesus warn us that it was coming?

Now, I believe the thing that is causing this condition in the earth is **the focus** we have in our lives. If our **focus** is on the things of this world, then we will be caught up into these anxieties which are a snare to us. But if our focus is upon Christ and His Promises for us at this last-hour, then we will overcome this trap.

Jesus said "*if the man of the house had known what hour the thief was coming, he would have prepared his home and he would not have suffered the thief to break in.*"

Our focus has got to be on "***standing in the presence of the Son of Man***" as Jesus said. We should not be concerned with the cares of this life, they are a snare to the real things that God has in store for us.

We are told in **Matthew 7:24-27** We see that the same trials will come upon all who dwell on the face of the earth.

24 Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock: 25 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock. 26 And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: 27 And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.

Therefore, it's the spirit of the age, or the condition of the hour, as we saw in **Revelations 3:14-20**. "***They are miserable, blind and naked and don't even know it***" That is a mental disorder. Their mental faculties of being able to think right are gone. That's this age.

Now, as we examine these attributes that make up the neurotic condition that is in the world everywhere, let's begin by examining Webster's definition again. Webster defined Neurosis as: *Any of various psychic, or mental, functional disorders characterized by one or several of the following reactions: #1) Anxiety, #2) Compulsions #3) Obsessions #4) Phobias #5) Depression #6) Disassociation #7) Conversion.*

This evening we shall begin our study by focusing on the **1st attribute** which is **Anxiety**. My hope for you this message is that you will find help to understand your own life situation better and how to cope in this stressful world. After all, Brother Branham said in His opening prayer, "*And we ask that You'll speak to us today through Thy written Word, and may the Spirit reveal to us the things that we have need of,*". Therefore, I believe this Message will meet the needs of every individual here if we only look for it.

Now in **Luke 21:31-36** when Jesus spoke about the cares of this life he was speaking of Anxieties. **Anxieties** as defined by Webster as *being a state of being that is uneasy or apprehensive, one which is worried about what may happen;* having concern about **possible future events**. The psychological effects of anxiety are worry and nervous tensions. So we see that it has nothing to do with today, but **what might happen** tomorrow. And what did Jesus tell us about such things as this?

In **Matthew 6:24-34** *No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon. 25 Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment? 26 Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they? 27 Which of you by taking thought can add one cubit unto his stature? 28 And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin: 29 And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these. 30 Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith? 31 Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed? 32 (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things. 33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. 34 Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.*

Jesus commands us to take no thought for tomorrow, pertaining to what we shall eat or wear. Don't worry about tomorrow, because after all each day there is enough to think about? And if you worry about tomorrow, then you only compound your troubles. Because not only do you have today's troubles, but tomorrow's as well.

Brother Branham said in **981-Q-274 Q & A COD 64-0823M** "*If you worry, it'll break your health down, and that's what Satan wants to do*". He wants to distract you from where we should really be focused, and that is in Christ. So just commit yourself and your family to Christ and keep moving on.

In **Ecclesiastes 11: 9-10** we read, "*Be happy young man while you are young, and let your heart give you joy in the days of your youth. Follow the ways of your heart and whatever your eyes see, but know that for all these things God will bring you to judgment,*"

In other words, just keep your life lined up with His Word) "*So then, banish anxiety from your heart, and cast off the troubles of your body, for youth and vigor are meaningless*".

1 Peter 5:6-10 *Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time: 7 Casting all your care upon him; for he careth for you. 8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: 9 Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world. 10 But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you.*

Notice verse 7 "*Casting all your cares (or anxieties) upon Him for He careth for you.*"

Proverbs 12:25 "*An anxious heart weighs a man down, but a kind word cheers him up.*"

Ecclesiastes 2:17-26 "*So I hated life, because the work that is done under the sun was grievous to me. All of it is meaningless, a chasing after the wind. I hated all the things I had toiled for under the sun, because I must leave them to the one who comes after me. And who knows whether he will be a wise man or a fool? Yet he will have control over all the works which I have poured my effort and skill under the sun. This too is meaningless. So my heart began to become **anxious** over all my toilsome labor under the sun. For a man may do his work with wisdom, knowledge and skill, and then he must leave all he owns to someone who has not worked for it. This too is meaningless and a great misfortune. What does a man get for all his toil and **anxious striving** with which he labors under the sun? All his days his work is pain and grief; Even at night his mind does not rest. This too is meaningless. A man can do nothing better than to eat and drink and find satisfaction in his work. This too, I see is from the hand of God, for without him who can eat or find employment? To the man who pleases Him, God gives wisdom, knowledge and happiness, but to the sinner he gives the task of gathering and storing up wealth to hand it over to the one who pleases God. This too is meaningless, a chasing after the wind*".

In the Message **E-10 Uncertain Sound 61-0429E** He said, "*Traveling around from nation to nation, I find that everyone seems to be nervous. **And the psychic wards are filling up.** And the people are... Down the street, **there seems to be so much anxiety**, and rush just as hard as they can, till they don't have courtesy even, one for the other. And I've noticed it amongst all people.*"

Philippians 4:6-7 ***Do not be anxious** about anything, but **in everything**, by prayer and petition, with thanksgiving, present your requests to God. And **the peace which transcends all understanding, will guard your hearts and your minds in Christ Jesus.***

In speaking of the nations where the Jews were to be scattered and dispersed throughout all the world the Lord said the following words letting them know that there is no rest and there is no assurance in this world outside of Him.

Deuteronomy 28:65-67 *And among these nations shalt thou find no ease, neither shall the sole of thy foot have rest: but the LORD shall give thee there a trembling heart, and failing of eyes, and sorrow of mind. 66 And thy life shall hang in doubt before thee; and thou shalt fear day and night, and shalt have none assurance of thy life: 67 In the morning thou shalt say, Would God it were even! and at even thou shalt say, Would God it were morning! for the fear of thine heart wherewith thou shalt fear, and for the sight of thine eyes which thou shalt see.*

John 14:1-3 *Let not your heart be troubled: ye believe in God, believe also in me. 2 In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be als*

John 14:27-29 *Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid. 28 Ye have heard how I said unto you, I go away, and come again unto you. If ye loved me, ye would rejoice, because I said, I go unto the Father: for my Father is greater than I. 29 And now I have told you before it come to pass, that, when it is come to pass, ye might believe.*

What we have here is a mental disorder that actually cripples the persons functionality as a human being. If the person is a wife and mother, it cripples her ability to function in those roles. If the person is a minister it cripples their ability to minister the Word of God. If the person is a Deacon, it cripples their ability to keep order and to help as needed in the assembly. Whatever the persons function, father, mother, sister or brother, it cripples those functions in the home. No wonder there is so much talk today of the **dysfunctional** family. Since the world is in a neurotic condition, they've got to be dysfunctional.
