

Unveiling of God no 138
End Time Depression Judgment pt2
January 26, 2020
Brian Kocourek, Pastor

Last Sunday we took our thoughts from br. Branham's sermon the Unveiling of God where in paragraphs 116 through 120 we saw how he showed us that the So Called Christian world today read the same Bible as we do, yet they do not see the manifestation of that Word as we do. And in seeing the Written Word manifested it brings us into the Reality of the Living God who is the Living Word.

He pointed out how the Pharisees were reciting in the Temple **Psalm 22:16** where David quoted Messiah as saying, *"¹⁶For dogs have compassed me: the assembly of the wicked have inclosed me: they pierced my hands and my feet.* And yet they could look out the window to the hill of Calvary and see the very one they sang about and yet they could not see that what they were singing was being manifested on that hill outside the Temple walls.

Notice David's painting of a picture using words to describe how dogs compassed me, and the word dogs means male prostitutes. Men who would sell out themselves for money. Then he says, *the assembly of the wicked have inclosed me: they pierced my hands and my feet.*

Now, in **Philippians 3:2** we hear Paul warning us, *"Beware of dogs, beware of evil workers, and of the concision."* And he was basically warning us of the same thing David prophesied Messiah as saying the **Psalm 22:16**.

Again we hear Jesus speak in **Matthew 7** *"Give not that which is Holy unto **Dogs**, lest they trample them under their feet, and turn again and rend you."* (He is speaking of those ministers, like male prostitutes, who would sell themselves for a mess of pottage.

And again later in the same chapter he spoke of these dogs when he said, *"Beware of false messengers which come to you looking like sheep on the outside but inwardly they are ravening wolves. But you shall know them by their fruits, which is their teaching."*

So the admonition has been given yet we see the scene still set with ministers who prostitute themselves for a meal ticket, instead of staying with the Word, word by word.

Now I want you to notice that David prophesied this concerning the crucifixion. He said, *"They pierced my hands and my feet."*

For a little back ground, it was about 955 BC when David prophesied this and at that time the earliest settlers to the place where Rome would one day exist arrived close to the same period in time as David penned this prophecy.

Those who settled around the area now called Rome were just shepherds and simple people at that time. They did not use crucifixion as a capital punishment.

Rome itself was said to have been settled around 753 BC which is 200 years after David wrote this Psalm. And Crucifixion as a capital punishment was not brought to Rome until the 3rd century BC.

Crucifixion is said to have originated with the Assyrians and Babylonians, it was used systematically by the Persians in the 6th century BC. Alexander the Great brought it from there to the eastern Mediterranean countries in the 4th century BC, and the Phoenicians introduced it to Rome in the 3rd century BC.

Although the cross was made reference to in the Book of **Genesis** where Isaac carried the wood for his own sacrifice, yet in the book of **Deuteronomy** we see the first reference to the curse of hanging on the tree.

Deuteronomy 21:23 *His body shall not remain all night on the tree, but you shall bury him the same day, for a hanged man is cursed by God. You shall not defile your land that the LORD your God is giving you for an inheritance.*

The Apostle Paul makes reference to this in **Galatians 3:13** tying the curse of hanging on a tree to the cross of Christ. *“Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, **Cursed is every one that hangeth on a tree:**”*

And then in **John 19:31** we read, *“The Jews therefore, because it was the preparation, that the bodies should not remain upon **the cross** on the sabbath day, (for that sabbath day was an high day,) besought Pilate that their legs might be broken, and that they might be taken away. **32** Then came the soldiers, and brake the legs of the first, and of the other which was crucified with him.”*

There are other references to the cross in the Old Testament but these spoke of being hung by the neck, and none of them spoke of hanging from a cross in the Roman way of being nailed upon it until David spoke of it in **Psalms 22:16** in prophecy of how the curse of our sins would be removed by the Messiah being hung in the Roman fashion of Crucifixion, *“**They pierced my hands and my feet**”*. David also speaks of the scourging of Messiah and it was only the Romans who scourged the victim before crucifixion.

So God tore the Veil apart that kept the people from seeing into the Holiest of Holies to show them His manifested Veil hanging on that cross outside.

We see the same thing in **Matthew 13**, **Mark 4** and **Luke 8** where Jesus told the disciples that He spoke in parables so that only those who were elect might know and understand the kingdom of God, while those not ordained to know and understand would not be able to see or understand the Kingdom of God.

Now, this morning I would like continue with the thought we brought out last week where we showed you from the book of Daniel about that world ruler, who would come in as a spoiler and spoil the plans of the rebellious leaders, and make manufacturing to increase. Let me read it again for you then we will proceed to Daniel chapter 9 where we will pick up for our teaching this morning.

We took our thoughts from Brother Branham’s sermon The Unveiling of God pp. 121 where he had just spoke of those on the outside looking in who could not see the Word as it comes to pass, Then he said, *“**They know that Glory; they read of It, It's in the Word here, of the Glory of God and things like that; it's just a word to them. To us it's a manifestation.** See? **It is no more a word; it's a reality.** Amen.*

And we hear him say in his *audio letter to br. Vayle, 64-0500 2* “*Because if they only see it in the hour past, then there's no hope for the church. The church must see it in the present tense. So God sends His prophet to manifest, present tense of it. You see? And then, after it's over, then history is.*”

Now, brother Branham also said in his sermon **Anointed Ones at the End Time 65-0725M 158** Said, “*I AM sent me.” I AM, not I was, or will be, I AM, present tense, the Word now. Not the Word that was, the Word that will come, the Word that's now. See? You get it?*”

And then in his sermon **Anointed Ones at the End Time 65-0725M 168** He is quoting **Hebrews 6:4** and says “*For it is impossible for those which were once enlightened” and didn't move on with the Word as it come to pass...” They're dead, gone.*”

So the church must see it in the present tense or she is dead and gone.

Now if we take this back to the Unveiling of God where brother Branham said, it's just a word to them. To us it's a manifestation. See? It is no more a word; it's a reality.

And we know that the word “**revelation**” means “*manifestation of divine Truth.*” Therefore the Word manifested is the revelation, is the manifestation, is the right interpretation of the Word, for God interprets his word by bringing it to pass.

That is why I preached those two sermons on the doctrine of Parousia in the Faith series, Faith number 38 and 39, because to see it in the Word as the doctrine that Christ preached, and Paul preached, and Peter, James and John all preached, and then in 39 we showed you that in the 23 verses in Scripture where the word Parousia was taught that it will come at the end time, all 23 verses told us what signs and events would take place during the Parousia of Christ. And after we had established the Parousia teaching was the doctrine of the apostles in Faith no. 38, we then showed you in Faith no. 39 that there are 84 signs and events that were prophesied to take place in those 23 verses of Scripture, and there has already been 79 of the 84 signs and events that have already taken place during the Parousia of Christ in this hour. So that is the right interpretation and that is then God's interpretation of the Parousia of Christ.

So last week we showed you that **Daniel 8:23-25** is the time we are living in now, these past few years.

And so last week we began to teach on **the end time depression judgment**, but before we could do that I had to back ground you a little and take you to the Scripture and show you where we are today in which time everything is being set up for that time. Because brother Branham in the first seal goes to the Book of Daniel the 9th chapter to show us where the Pope will make a pact with the Jewish Bankers, So we had to see what happens before that time, and it is very clear in the reading of the previous chapter 8 where we are at in this day.

We read from **Daniel 8:23-27 (KJV)** where the Vision shown to Daniel says, “*And in the latter time of their kingdom, when the transgressors* (the rebellion against God, which has already happened in this hour, where they have put God out of the government institutions,

they've taken down the ten commandments from the court houses, the DNC took God out of their political platform, and where God and prayer have been taken out of the schools, and they've taken God out of all public forums, like News Papers, News Media, Radio, and TV, and they've even taken God out of the churches according to **Revelations 3**. And we have seen that Word fulfilled in this hour over the past 40 years or so.

So the rebellion has "*come to the full*". The cup of iniquity is now full.

In **Daniel 9** he tells us what makes up rebellion against God. **Daniel 9:5** *We have sinned, and have committed iniquity, and have done wickedly, and **have rebelled**, (How?) **even by departing from thy precepts and from thy judgments:** 6 *Neither have we hearkened unto thy servants the prophets, which spake in thy name to our kings, our princes, and our fathers, and to all the people of the land.**

And then once this scene is set, Daniel tells us the vision says "*a king of **fierce countenance**, (one who speaks strong and harsh words and one who "**understands dark sentences**," "*shall stand up.*"*

We saw how this king, or world **ruler**, will be a master of puzzles, a master of riddles and intrigue – which I mentioned that it sound to me like the "Q" phenomena where "Q" is the highest grade level in military intelligence and they are working with this president. And the President himself is called "Q+" and if you go to <http://www.Qanon.pub> you can read all the postings since President Trump has declared the coming storm in October of 2017.

So we see that this King, is a **world ruler** who will come on the scene speaking tough and rough, and will be involved with communications that seem also like an enigma.

24 "*And his power*" (which means his **vigor**, his **high energy** and his **high capacity to produce shall be mighty**," "*but not by his own power*" (In other words, he will come accomplishing what no other man has accomplished, and yet the vision tells us it is not the man doing this but God is gracing this ruler to do those things.

Now, remember, God interprets His word by bringing it to pass. So all we have to do is to look at all that this King, this **world ruler**, this man who is appointed to power and look at what he has done, and it is very apparent it is not talking about some king in some remote kingdom that does not play on the world stage. It speaks of someone who comes in and is a mover and shaker and more notably he comes as a **spoiler**, because it says he comes to bring to ruin, to spoil the plans of the mighty.

Therefore we see by coming to pass the fulfillment of this prophecy that it would have to be President Donald John Trump because there has never been a president like him, we have never seen it in this country nor in the history of the world politics.

When he was elected most Christian leaders said it was because of the prayer of the church that prevented Hillary of being elected. Many have tried to tie him to men in the bible like Cyrus who conquered Babylon and Daniel was able to speak to him and show him that God had actually called him out in the book of Isaiah 170 years before he was even born.

Isaiah 44:28 *That saith of Cyrus, He is my shepherd, and shall perform all my pleasure: even saying to Jerusalem, **Thou shalt be built; and to the temple, Thy foundation shall be laid.***

Isaiah 45:1 *Thus saith the LORD to his anointed, to Cyrus, whose right hand I have holden, to subdue nations before him; and I will loose the loins of kings, to open before him the two leaved gates; and the gates shall not be shut;*

So God prophesied that Cyrus would assist in the rebuilding of the Temple, and Daniel lived during the reign of Nebuchadnezzar during the Jewish captivity in Babylonian, and then Darius, and finally Cyrus, where he consulted with Cyrus.

Daniel 6:28 *So this Daniel prospered in the reign of Darius, and in the reign of Cyrus the Persian.*

I think the reason they look to Donald Trump as another Cyrus type is because he came into office a three time divorcee and a sort of heathen. But during his early time in office they say he got converted and he has actually done more for the Christian church than any president has done in the history of this nation.

But Cyrus is Cyrus and Trump is the Donald.

Now, it is interesting and I do not believe this is just a coincidence, but the name **Donald** means actually means “**world ruler**”, and his middle name **John** actually means “**Graced by God.**” So this Trump will be a world ruler who is graced by God.

Now, the prophecy continues: “**and he**” (this fierce king, This **world ruler**, who shall come with **strong** and **rough talking** “**shall destroy wonderfully**”.

The word “**destroy**” actually means he will come in as **a spoiler**, “**one who spoils**”, and he will come in with the purpose of bringing down or spoiling the plans of the Global rulers.

And the word “**wonderfully**” actually means “**to separate,**” so this one will come in the role of **a spoiler** and will wonderfully **bring to ruin** or **spoil** the plans of the rebellion (the haters of God) by means of **separation**, and **dividing the rebellious one by one** exposing them openly.

Now this tells you that he could not come in and just take down the entire deep state all at once. So he is systematically taking it down person by person, and regulation by regulation. It has to be that way because God said it would be done that way.

And then the vision says, “**and he shall prosper,**” (and that means he shall make profitable) “**and practise,**” (shall **accomplish**) “**and he shall destroy**” (bring to ruin by **spoiling** the plans of) “**the mighty**” and the **holy people.**

Now, this term **the Holy People** is a term used throughout Old Testament Scripture in reference to the people of God, the Jews, but this is not speaking of the state of Israel as a nation, but rather it speaks of the holy people, the Jews who have led the rebellion against God in America. As most of the court cases that took God out of our culture came from regenerate Jews in politics and the court system.

Brother Branham in reference to what we read in **Daniel** concerning this term “**the Holy People**” said it refers to the Jews, and more specifically the Wall Street Jews.

*The First seal 63-0318 157 And after the church is taken away, Rome and the Jews will make a covenant with one another. The Bible said they would, **with the holy people**. And now notice, they'll make it, because why? **This nation is going to be busted, and the rest of the world that's on the gold standard is busted.** You know that. If we're living off of taxes, due bills for forty years from now, where are we at? There's only one thing can happen. That's to call in the currency and pay off the bonds; and we can't do it. Wall Street owns them, and Wall Street's **controlled by the Jews**; the rest of it's in the Vatican, and the **Jews has got the rest of it in Wall Street with the commerce of the world.***

Now, I think it is fitting that this revelation is given to us when the first seal was opened, because God said to “*seal up the vision until the time of the end*”, and so when the seals are opened this vision of Daniel was also opened to us to let us know what it means.

*25 And through his **policy** (and Policies are set forth as a reflection of the sense of **understanding** and **wisdom of the administration**.) “*also he shall cause **craft**” to prosper in his hand;* which means during the time of his dominion and power.*

Now, here is the greatest key to understanding who this king is. William Branham in the first seal tells us that this word **craft** spoken of here in the book of **Daniel** is actually *manufacturing*.

*159 The Catholic church can pay it off. She's the only one that's got the money; she can do it, and she will do it. And in doing this to get it, she'll compromise with the Jews and make a covenant, and when she makes this covenant with the Jews... Now, remember, I'm taking this from the Scriptures. And now, when she does this and makes this covenant, we notice in **Daniel 8:23** and **25 he will cause craft to prosper** (And **craft is manufacturing**.), in his hand.*

Therefore **craft is manufacturing**. *25 And through his **policy** also he shall cause **craft** to prosper in his hand;* And we know it is the policies of the Trump administration that has caused the manufacturing to prosper. He has de-regulated all the globalist regulations that were hurting manufacturing in this country, and his use of tariffs which is another one of his policies that has caused companies to bring their manufacturing back to this country or pay the price of high tariffs.

But there is another clue that shows us the character of this World ruler who will be graced by God. “*and he shall **magnify himself in his heart,**”* Now, we know that God sets up kings and takes them down, and it was God that raised up Nebuchadnezzar to his high position and then took him down when he got too puffed up.

“*and by **peace** he shall **destroy**” (bring to ruin) “**many**” (which is defined in the Hebrew dictionary as **Captains**, **Masters**, and the **Mighty**. So he shall spoil or bring to ruin the captains of industry, the Masters and the mighty and powerful people.)*

And we showed you last week that nearly 4,000 captains of industry have stepped down since President trump set forth his executive order in December of 2017, and he has taken

down many of the leaders of the CIA and FBI and DOJ one by one. He has also intends to cut the National Security staff by 50% since the whistle blower event in October 2019. He has also cut the National Security Council by 45 members.

Now we don't have time to get into the details, but if like to study these things out, in just the first 20 months alone look at all the accomplishments. Please click [here](#), [here](#) and [here](#). Now, I am not preaching Trump, I am just showing you the Word of God manifested in the days we are living. He is just a tool of God, and no man could have accomplished all these things is such a short time if not Graced by God to do so.

Now, I want to take us to the study of the end time depression that William Branham spoke of. In order to do that we saw in **Daniel 8** today, this past few years of 2016 through 2020.

Now, in the book of **Luke 21:25**: we hear Jesus warn us of what will come upon the earth. We see that he mentions many things which we are witness to in the hour we are living. *“And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth **distress of nations**, with perplexity; the sea and the waves roaring;*

Now, a few years ago we had two years in a row that we have had a double blood moon, back to back and these were tied to the Jewish Jubilee. This has not happened for many thousands of years.

More precisely they were called a ‘**blood moon tetrad**’ which is a series of **four lunar eclipses**, separated by 6-months each. The most recent tetrad occurred in the spring & fall - 2014, and spring & fall - 2015.

But if you follow the order of what Jesus said, those signs in the sun and moon were the beginning, for he adds, *and upon the earth **distress of nations***, now this word “*distress*” comes from the root word “**sunoche**” which is defined as to “*compress*” or “*press*” and speaks of a “*squeeze*”. Now anyone who reads the Wall Street Journal has seen this word “*squeeze*” used in referring to financial conditions where money gets tight, credit gets even tighter, and recession sets in. And the world will go through a squeeze before that squeeze gets so bad it will become the great tribulation.

So the world economic systems are being squeezed. It actually began in 1971 when President Nixon took the USA off the gold backed dollar system in favor of an oil backed fiat currency. Just a note but no fiat currencies have ever lasted more than 40 years, so we are well over due to see a new dollar that will be based on gold again.

Brother Branham warned us this would take place, but like Jesus speaking in parables so that only the elect might understand, William Branham also spoke in cryptic language when revealing *to those who have ears to hear*, but those same words also hid the vision from those *who are not ordained to see and understand* as Jesus said in **Matthew 13**, **Mark 4** and **Luke 8**.

Now, here is what he said in the Church Age book **Church Age Book Chapter 9 - The Laodicean Church Age P:15** *Based on these seven visions, along with the rapid changes which have swept the world in the last fifty years, I PREDICT (I do not prophesy) that these visions will have all come to pass by 1977.*

Now, here is where many have fallen away because they mistake the word predict with the word prophecy, but when he says I predict he is saying, based on what I know and watching the speed of the way things are developing, I as a man predict, but I do not prophecy, which means if I were prophesying, then that would be God inspired, but saying I predict means that is my best guess. The problem is that far too many have their eyes on the vessel and not the God who used the vessel, and thus they in their own hearts want to make the man infallible when no man is infallible.

In fact that is exactly what he said in his **Questions and answers COD 61-0112 P:9** *And these answers are not infallible (See?), because the Scriptures is infallible; and as far as I know they're lined with the Scriptures. I hope that makes it plain. And the tape is to be kept now, and anyone that would want it, why, they could have it. But now, I know the Scriptures are infallible, but my answers are not infallible. So I'm sure everyone understands that. And if it's not infallible, then you have a right maybe to ask me at anytime...*

And from his sermon **A Guide 62-1014E P:65** he said, *“That was God's policy. That's the way it was laid down. That's His program; He can't change from it, because He's infinite. Amen. He can't change from it; He's God. **I can change; I'm a man.** You can change; you're a man or woman. But **God cannot change. I'm finite; I can make mistakes and say things wrong; all of us can.** But **God can't and be God.** His first decision is perfect. The way God acts on the scene, that's the way He's got to act every time. If He's called on the scene to save a sinner, He saves him on the basis of one thing. The next time a sinner comes, He's got to act the same way, or He acted wrong when He acted the first time. Amen. I love Him. I know it's the Truth.*

Spoken word original seed 62-0318E P:195 *And remember, Christian friends, I'm a man; I can make mistakes, but God, being God, cannot make a mistake. All the Words that's been written must be fulfilled; Jesus said so. So we've got things here in the Scripture that must be fulfilled, and that is one of the things, **this boycott to come.** But **before this boycott can come** of the marking of the beast, **there has to be a Seed sowed for God to take a church out of it.** You understand now? A Seed has to be sowed. A denominational seed and there--to make a form or an image to the beast, the church of Rome... And there has to be a true Bride.*

Ok, so before the vision of **Daniel 9** could come there had to be the vision of **Daniel 8**.

Now, back to the quote I was sharing on 1977. *“And though many may feel that this is an irresponsible statement in view of the fact that Jesus said that **'no man knoweth the day nor the hour.'** I still maintain this prediction after thirty years because, Jesus did NOT say no man could know the year, month or week in which His coming was to be completed. So I repeat, I sincerely believe and maintain as a private student of the Word, along with Divine inspiration that **1977 ought to terminate the world systems and usher in the millennium.***

And I have maintained that there are two things he speaks of here. The first is the termination of the world systems by 1977, and the second is the period of time that he calls

the ushering in or the millennium. Now let me take the second item first, He said it will bring in the ushering in of the millennium. So what does it mean to usher in something? It means that 1977 will be the beginning of what will be necessary to come in order for the millennium to break forth. An usher ushers. And what he does is to meet you at the door and then walk you to your seat. And thus there will come a time he says beginning around 1977 that there will come a movement that will position-ally place the people. And it was in 1977 that the teachers arose in this Message. And teachers are to position-ally place the people.

Adoption is all about being position-ally placed as sons. In fact it was 1977 that Br. Lee Vayle began to teach on the Parousia of Christ which is the appearing before the coming. So 1977 was a very significant year, because not only did the road to adoption begin when the people were to be child trained and helped to grow up into Him in all things, but it is also when the world system was to begin being taken down.

Now, when we speak of world systems, there is really only one that is predominate to all the world. Religion is not a world system. There are 1.2 Billion Catholics, 1.3 billion Muslims, 900 million Christians, 900 million Hindus 1.1 billion secular agnostics/atheist, 394,000 Chinese traditionalists, and about 300 million primal indigenous. There are even many more smaller religions as well.

Healthcare is not a world system, as there is eastern medicine, herbal medicine, western medicine, shaman medicine, and Acupuncture, chiropractic and many other forms of healthcare in this world.

Education is not a world system either, for there are as many forms of educational models as there are educators it would seem.

But since the [Bretton Woods](#) system that was set up right after WWII when the USA held the gold of most of the European countries, there then became a one world economic system which was the U.S. gold backed dollar system where 70% of the worlds currencies were directly tied to the U.S. gold backed dollar.

But in 1972 President Nixon took us off the world gold backed dollar system and placed us on an oil based fiat currency system. And by 1977 the world was totally of the gold backed currency with the exception of the Vatican city State. And that is what was needed to bring the world into such a perplexing state of confusion.

This fiat currency was based on trust in the Central banking system. And that is all about to end as Rome with her gold is prophesied by the vision in Daniel Chapter 9 to come in and make a pact with the Jewish Central Bankers, and then in the midst of the 70th week she breaks that pact and the tribulation will be on. But it is President trump that will bring down the central banks, that will cause them to make their pact with Rome. We will see this in his second term. He won't do this until he is re-elected. His goal is to back the U.S dollar with Gold, and push for all countries to do so, but Rome owns the gold of the world. And so they will step in to bail out the central banks with her gold, but that bail out will only last a year and a half or so and then Rome will double cross the Jewish bankers and

will call for repayment, and break them, and then be in control of the entire world debt system.

You see, that is what the central banks are all about. The **fiat system** is one that is based on debt, and in order to stay a-float the Central banks are dependent on the debt of nations, states, counties and cities, and companies as well as individuals to them.

Remember, the Bible teaches us, "***the borrower is servant to the lender.***" And they use debt, your debt to control you. And that will lead to where the mark of the beast will come into manifestation as well, but we will save that for later. Just stay out of debt brothers and sisters.

Life 57-0602 P:26 *You see, if Satan has a kingdom, he's got to have a **false economy**. He's got to have something that he can present to them to make them think they are living. But it's absolutely on the vice versa side. It's death in the form of life.*

Brother Branham said if you have a car payment or a house payment that is ok until you see the unions getting into government and the churches. Then you are going to have to get out of the system altogether or take the mark. And ***you will not be able to buy or sell without that mark.*** But we will be gone before that happens. So don't worry too much about it, but you better be prepared for it.

In fact if you wish to understand which world system brother Branham was referring to he tells us in his sermon **Falling Apart of the World 62-1216 108 084** *Now, anything that pulls you away from That is wrong; that's a false messiah, a false anointing. Oh, he said, "The brother had such anointing." What kind of anointing? That's it. Hitler had an anointing too. Khrushchev's got one also. Pope Pius has one also. What kind of anointing you got? **If it's not anointed with this Word and vindicate every Word to be Truth, leave it alone: wrong.** If it don't produce itself, then it isn't germitized. It'll show its color. Oh, say, "But That was for another age. We..." Leave that thing alone. Jesus Christ is the same yesterday, today, and forever. Yes, sir. So when this world falls apart, we are born into a Kingdom that cannot fall apart. You believe the world is falling apart?*

*Its systems are falling apart. Do you believe that? **Do you believe the economical system's falling apart?** The political system's falling apart. The national, U.N. system is falling apart. The church is falling apart. The denominations are falling apart. **Everything is falling apart.** But we got a Kingdom that cannot be moved; It's a eternal Kingdom of God; it cannot be moved.*

Lets read what else Jesus said would come upon the earth.

So after he speaks of ***the distress of nations***, the squeezing of the nations, he adds, ***with perplexity***; and this word perplexity means to have no way out of this situation, To be at a loss.

So we see that much of what Jesus prophesies will come has to do with our financial system.

Now, skipping up to verse **29** Jesus speaks of Israel becoming a nation, ¶ ***And he spake to them a parable; Behold the fig tree, and all the trees; 30 When they now shoot forth, ye***

see and know of your own selves that summer is now nigh at hand. 31 So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand. 32 Verily I say unto you, This generation (that sees all these things come to pass) shall not pass away, till all be fulfilled. 33 Heaven and earth shall pass away: but my words shall not pass away.

Then Jesus uses the next few sentences to admonish us to be always watchful and aware of what is coming upon the earth.

34 And take heed to yourselves, (that means to be very careful and observant) lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares. 35 For as a snare shall it come on all them that dwell on the face of the whole earth. 36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Now, what is this *distress of nations* and why is it so *perplexing*? This is what we must know if we are to understand why everyone on earth is going to be affected. The word “*distress*” is a Greek word, “*sunoche*” which means: “*a narrowing, a constraining or a press. To hold together with constraint. To press on every side, like the forcing a ship into a narrow channel or the forcing of an animal into a position where it cannot move so the farmer can administer medication. To impel.*”

From this we can see that the whole world is being pushed or **squeezed** into a **universal condition** from all sides in order to receive or be open to the bail out by Rome. And then we see that the world will be *perplexed* by this **Squeeze**. And the word *perplexed* means there is no way out, and thus the world will begin to panic. Remember that Brother Branham said that the world must come into a neurotic condition, and the first stage of this neurosis is anxiety which is to worry about what might happen.

Luke 21:26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.

We find also in **Hebrews 12:25-29** *See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven: 26 Whose voice then shook the earth: but now he hath promised, saying, Yet once more I shake not the earth only, but also heaven. 27 And this word, Yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain. 28 Wherefore we receiving a kingdom which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and godly fear: 29 For our God is a consuming fire.*

Now, I've given you plenty of Scripture so far, now I want to give you what brother Branham had to say about what is coming. So we will just read his thoughts for the next four pages or so until we close.

In his sermon **Gabriel's instruct to Daniel 61-0730M P:57** “**Daniel had been reading. Just think. Daniel read the same words that we are reading this morning. Daniel read**

the same Bible, the same punctuation, the same sentences, the same things that I'm, by the help of God, will read you in the next few messages, the same thing to show you that we are at the end time. And Daniel taken the word from Jeremiah, goes down into Babylon, and he was the anointed prophet. ...and wonders among them, yet standing alone by himself. Amen. He stood alone.”

Jezebel Religion 61-0319 pp 100 brother Branham said, “When God sends forth a message and tells the people, and they don't receive it, then He withdraws His servant and sends His plagues: famine, death, spiritually speaking, physically also. You watch for a depression, brother. You think you've seen something; you just wait after while. You haven't seen nothing. You think you're dying for a good spiritual revival; you wait till after a bit. You just wait, long and cry to hear the Word of God. The Bible said so. "There'll be a famine in the last days," said the prophet, "and not for bread and water alone, but for hearing the true Word of God." But that voice will be quiet in the wilderness somewhere, hid away. He ordained the ravens, His servants. Bless them birds, His servants, that kept the voice of Elijah alive during the time of his isolation from the church.

87-4 Hebrews Chapter 3 57-0901M America doesn't want the Gospel (You know that.); we just might as well admit that. This Anglo-Saxon people is finished; that's all. There's no more Gospel that America will receive. Oh, you get a few stragglings now and then; but just as the Gospel, it's over. And you can't even preach to them, can't talk to them. They won't believe nothing. See? They just got their own hardheaded ideas, and they're set, and the next thing's for this nation is judgment. She's going to have it too. It may be through depression; it may be through an atomic bomb; it may be through a great plague, a disease or something; but she's ready. It's a-coming; thousands times thousands will fall.

18-7 This day This Scripture 65-0219 We had a great nation; but she is now rotting and crumbling and shaking and giving away, and trying to tax people to get money to send over yonder to buy friendship with our enemies. They're throwing it back in our face. One world war, two world wars, and still moving on to a third one. Certainly. Politics is rotten, corrupted, rotten to the bottom.

Testimony 63-1128M 20 011 I was trying to say last night, the world's coming to a place it's falling apart, politically, socially, economically. You say, "Economics? More money." Yes, but where's it coming from? We're borrowed on taxes that'll be paid forty years from today. She's broke. She's bankrupt, the nation: not this nation, but all of them. And there's no way ever getting it back. And it's a trap set exactly to swing this nation into something. And all of you are wise on that. Well, who's got the wealth of the world? Who holds it? [Someone says, "Rome."--Ed.] Sure, it does. Rome holds it. And whenever we do, when we get broke, instead of these big merchants tobacco, whiskey, and so forth, like have to get the money; what we'll have to do, either change the currency or borrow the money. And when they do, it's the birthright sold right back, exactly, just as perfect, and just what the Scripture says about it. I'd like to get a place sometime, the Lord willing, when a tent comes on the scene. And I believe that's soon now, soon I'm going worldwide. I got a worldwide meetings coming now. And I--I'd like to get a place

where I could set down for about six weeks, and just take those things and go through them (You see?), back and forth, through the Scripture. And it's astounding to see the hour that we're living in. It frightens me. It frightens me, not because... In my heart, the joy bells are ringing, knowing that the coming of the Lord is so close at hand. But **what frightens me, is to know that so many is unprepared for the hour that we are facing.** That's the bad part. How many ever heard the story about the squirrels up there that time? Many, all, of course, I guess, everywhere. A little something like that happened the other day. And I was... You've heard the story about the mountains, coming down, when the Lord wrote those things on the mountains the other day. My, my life... I'm not a preacher. Anybody knows that. I'm not a preacher. But **it's made up in a spiritual form of watching things and seeing things move, and forewarning people of things that's coming to pass. And it's just that's my makeup.** I can't help that, no more than you can help your makeup. But He-- God has put us each one in the Body to do certain things. And **I watch every little move, every objective, every motive, 'cause everything is governed by spirit.** This church was put here for a purpose. There's a spirit behind this church. Certainly. Spirit behind your home, behind every building, **behind everything there is a spirit, motive, and objective.** This church comes here to greatly exalt some human system or something, then its motives is not right; but if it's put here to try to achieve something for the Kingdom of God, then the motive and objective both is right, if the motives is directed that way.

Oneness 62-0211 48 031 The whole world's based on that. **The whole economy of this nation is based upon false conception.**

The Supernatural 56-0129 E-37 037 Brother and sister, our great America and our great **economy** that we have **is rotting under the foundations,** and someday, I see it in the making right now, she'll lay in the ruins.

167-4 341 The First Seal 63-0318 Now, watch. In the end time, not in the early days when Christ was preaching, but **in the end time,** the last part of the week, where we just took the seventy weeks of Daniel; and Christ has prophesied for the three and a half years, and three and a half years are yet determined. Is that right? And this **prince** (you will see this prince he speaks of is the pope who is the prince of princes)

And this **prince in that time is to make a covenant with Daniel's people, which is the Jews. That's when the Bride's taken out now. She won't see it.** **342** Notice. In the last one-half of Daniel's week, the people makes a covenant, this prince makes a covenant with Rome; makes a covenant with them no doubt for the wealth, for Catholic and Jew holds the wealth of the world. I was in the Vatican. I've seen the triple crown.. **346** I got to go all through the Vatican. Why, you couldn't buy it with a hundred billion billion dollars.

Now he said that back when gold was only \$30 per ounce in the 1963. Today gold is at 52 times greater than then, at \$1550 an ounce and it is headed many times more than that before it is finished. Some say in order to have the amount of available gold meet the amount of fiat currency debt, gold would have to go to between \$150,000 an ounce to \$187,000 an ounce. Therefore, a billion billions would be 1 quadrillion back in 1963. Multiply it times the difference between \$30 and \$1,550 plus the inflation factor and you

have something in the \$108 quadrillion range. But there is around \$250 trillion is world debt so she would have enough gold to pay it all off and plenty to spare.

William Branham continues, *“Why, you... And just think, **“The wealth of the world,”** the Bible said, **“was found in her.”** All... Just think of the great places, **the billions times...** Why did Communism raise up over here in Russia? It just makes me sick at my stomach to hear so many preachers hollering about Communism, and they don't even know what they're crowing about. That's right. Communism ain't nothing. It's a tool in the hand of God to bring revenge upon the earth for the blood of the saints that... That's right.”*

Now, I've already gone through the Scriptures and the Message and showed you what I believe to be evidence of what President Trump will do while he's in office at the end time. His ultimate goal after restoring the economy, he will bring down the FED. **The Federal Reserve Bank** which most people do not understand that it is neither Federal nor is it a government institution. It is made up of 8 foreign banks the central banks of Europe.

I think we will leave off here and get into what happens after the FED is taken down, and the Bride is taken up next week.

Let us pray..
