

## Unveiling of God no 165

*“The real Truth behind COVID and the riots”*

*“Calling good evil and evil good”*

August 2, 2020

Brian Kocourek, Pastor

**Isaiah 5:20** *Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!*

This afternoon, I want to go back to **P:121** of **The Unveiling of God** to re-examine something we missed when we brought this paragraph in our first sermon on the oncoming plagues.

**Unveiling of God 64-0614M P:121** *We in Him... Then we being in Him, we are still veiled to the religionists and professors of the world. See, our glory that we have and enjoying, we are still veiled to them outsiders. They think we're crazy, a nut again. See, see? That's right. But we who are in here, in Christ, baptized into Him (I Corinthians 12), into Him, we are partakers of this Glory. See?*

Now, remember this being in Christ and Christ in us by the baptism of the Holy Ghost brings us into His Glory, and we know that is His Doxa which is his opinions, values, and judgments. But they are known only to a selective predestined group of people.

*But not on the outside, you're still looking in, denying it. See? So now we are invited into Him to be partakers of all that He is. We're invited into Him, which is hid to unbelievers by the veil of human flesh. See? They know that Glory; they read of It, It's in the Word here, of the Glory of God and things like that; it's just a word to them. To us it's a manifestation. See? It is no more a word; it's a reality. Amen. God said, "Let there be light." That was the word, but now there is light. It ain't the word; it's the light. See what I mean?*

Ok, so at that point we began to show you how that there will come into the world a financial depression and plagues that were manufactured in bio weapons labs. I did not put it together that the plague would cause the financial depression but I can see that now when the entire world has shut down not because of bad economics but aq willing shut down by all governments due to the plague.

The week before I preached on “**Knowing the Message by the Word**”, and how you can't possibly understand the Message without taking it back to the Word of God and seeing it through God's Word. Then the very next week, January 19<sup>th</sup> we began a mini-series first on the depression judgment and then the plagues and this mini-series took us into March before we finished.

Now, remember, the plague did not come to America until that very week, when the first person arrived in the USA from Wuhan China, and it was not even made public until months later. That was the week that the Impeachment trial in the Senate began, which was January 15<sup>th</sup>. If you recall Pelosi kept back the articles of Impeachment from the Senate and seemed to be delaying and no one understood why she did that. The House was quick to push it through in December, so quick they would not allow cross

examination of witnesses. But then Pelosi the House speaker for some strange reason held it back until January 15<sup>th</sup>. Why? Why would Pelosi set on it nearly a month and then send it over, and then when they did send it over, they made a very big show before all the News Station cameras, and they filmed them walking the papers of impeachment from the House over the Senate like they were carrying a casket. It was a very somber parade, or shall we call it a charade, and it was all for show. And so we must ask the question Why?

Why did they want all the attention on that charade. Now, Remember, brother Branham told us behind everything there is a spirit, and a motive and an objective, so why did they push to get it done in the House, and then set on it for a month before bringing it to the Senate to be Tried? Remember, they rushed it in December and were finished by the 18<sup>th</sup>, and they used made up stories from many false witnesses and the Presidents Lawyers were not even allowed to cross examine these false witnesses. They did the same thing to him that their fathers did to Jesus. Not comparing the Two, but evil is evil whether it be against your Saviour of any man. It was a mock trial and the standard protocol in a mock trial, is to call false witnesses to testify and let them tell their stories, and then deny any cross examination, and that is what they did, and they seemed in such a hurry to push the trial through, so we must ask why? Why did they push so hard to get it done in December 18th? Why?

Well, you will find out why in this sermon this morning.

Then they stalled a month in bringing it to the Senate. Why did they stall? What was their motive, what was their objective in stalling? Why?

Well, here are the facts. The Corona Virus was not detected by the Chinese Government until around the Middle of December. So the timing of the impeachment in the House was timed with the release of the corona virus from the Wuhan Bio engineering weapons lab in China. Interesting, coincidence, right?

Then why did Pelosi wait until January 15<sup>th</sup> to begin the charade and carry the papers to the senate, so they could finally begin the trial? Why? because that was the very day that the first person from Wuhan entered America with the virus. You say, Coincidence? I don't think so. I do not believe in coincidences, not when you see the push then the wait and then the arrival of the plague.

When I preached that sermon beginning a seven week study on the end time depression judgment and plagues, I did not know at the time it was about to begin. I just knew that it would come because God's prophet warned us it would come. But just as brother Branham had said "*the world can read of the glory in the written word but they can't see it manifested*", and "*only those with the Holy Ghost can see it manifested*", as we read from **pp 121 of the Unveiling of God**. We read that on January 19<sup>th</sup> and brought it out so you would understand and then that very week the manifestation of that Word began.

Was that a Coincidence? Again, I do not believe in coincidences. I believe the Pillar of fire is still leading his elect to the millennium.

We saw it in the Word, we spoke that it will be, and now it is. **“God interprets his Word by bringing it to pass,”** and until now then these things had not yet come to pass, but once spoken, then that word could become manifested. Does that mean we did it? No, that means God clued us into what was coming.

From his sermon **God Keeps His Word 57-0120E E-20** Brother Branham said, **“No matter how realistic it seemed, no matter how well it seemed to be fitted together with the time, if the supernatural Light on the Urim Thummim did not flash, it was rejected because God was not in it. And I say today... Oh, I want you to hear. Any message, regardless if it's from priest, from preacher, from prophet, from anything else, any man, no matter how spiritual, what his office is, what he has done, if he's raised the dead, if he's healed the sick, if he's the archbishop of Canterbury, if he's the pope of Rome, if he is the head of any great denomination, no matter how spiritual, though he has spoke with tongues, though he danced in the Spirit, though he has preached the Gospel, no matter what he has done, if his message doesn't come out of the Bible, it's wrong. This is God's Urim Thummim.**

Now, that ought to tell you, that William Branham is including himself in this, because many of the things he names here he has done. He is Spiritual, **“no matter how spiritual”** He has been used by God to raise the dead, **“if he's raised the dead”** He was used by God to heal the sick, **“if he's healed the sick”** but we also see that the Apostle Paul also included Himself when he said in **Galatians 1:8-9** **But though we,** (Paul is including himself) **though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. 9 As we said before, so say I now again, If any man preach** any other gospel unto you than that ye have received, let him be accursed.

Now, back to **God Keeps His Word 57-0120E pp 21** **When the Bible was completed, the Angel came down, was talking to John. Then Jesus come Himself, said, “I, Jesus, sent My Angel to testify of these things. And now, close this Book, but don't seal It. For whosoever shall take anything out of It, or add anything to It...” That's God's Word. Paul, in cooperating with the Spirit, said, “If an Angel from heaven (not an archbishop, not a pope, not a cardinal), but if a Angel from heaven, brought any other message than what this is here, let him be to you accursed.” But now, we are fixing, as years ago, by the Holy Spirit I've always told you before when Hitler and Mussolini raised, I said, “It'll all heap up; communism will take the whole thing and come down from the north.” Now, keep your eyes on this, Church: the devil is putting out this propaganda. And it's not Scripture. It's to confuse the mind of the unlearned, the unspiritual people. And we are living in the most glorious day that any people's ever lived, and yet in the darkest day for the unbelievers that they, and the most confusing time for they, those who don't know. It is remarkable that the day that we're living. And what a joy it is to know that your anchor holds.**

Now, we all know about Rome, and we know this Pope Francis is a communist himself, and Rome has always used the political arm to do their dirty work. And brother Branham says here it will all wind up in communism, that communism will take the whole thing.

And what we are seeing taking place in Portland Oregon, and in Seattle with Antifa and the BLM which are Marxist Trained and they admit it. And Marxism is raw communism, Let me just read what he said again a little slower so it sinks in. **"It'll all heap up; communism will take the whole thing and come down from the north."** Now, keep your eyes on this, Church: **the devil is putting out this propaganda. And it's not Scripture. It's to confuse the mind of the unlearned, the unspiritual people.** And we are living in the most glorious day that any people's ever lived, **and yet in the darkest day for the unbelievers that they, and the most confusing time for they, those who don't know.** It is remarkable that the day that we're living. And what a joy it is to know that your anchor holds.

Then in the next paragraph Br. Branham reveals how it gets to this situation. **22 Now, today as we're approaching it** (what? Communism taking the whole thing, so he's talking about the mindset that would allow this to take over) **in this dark evil time...** Now, I do not like to call people's names, but I'm going to have to call somebody's name now. **But I pray for the young man, and I pray all the time for him. But he is a instrument in the hands of the devil, and that is this man Elvis Presley. The people are gone boogie-woogie or rock-and-roll wild. The American people has gone. And they're trying by that same spirit, to get the thing into the church.** I like church music played like church music and not rock-and-roll in the church. **But when they get these spirits, there's something behind this, and the devil puts himself out a challenger. And it happens to be that this poor backslidden Pentecostal boy said, "The way he learned his maneuvers of jerking and shaking, he caught it and learned it in the church."** He is a member of the First Assemblies of God of Memphis, Tennessee. His pastor's a friend of mine. **And he is the devil's instrument of deluding and polluting the minds of these teen-agers, of getting them into a place till... They just left a place in Canada, I think they sent fourteen young people to the insane asylum a few days after he was there.**

So this Pentecostal boy introduces that spirit of insanity that took the Pentecostal movement **away from the Word**, and changed their focus, changed their experience, from being a Word based experience to fleshly experiences like shaking and other fleshly movements that brought the church into confusion in the their worship, and that same devil that brought this into the Pentecostal movement used a young Pentecostal boy to bring that same spirit of delusion to the youth of America through his music and gyrations.

You see how Satan works. Not based on the Word of God, but based on sensations and feelings. It's the Musical Stimulus, the same spirit that moves people by sensations and feeling in the Pentecostal churches. It's no wonder that same music is prevalent in the churches today. Even babies jerk and move to that form of music. It shows the rational mind has been set aside and giving over to feelings and sensations took the place of a rational mind.

**23** And all over the country... But the people have gone wild, frantically. The reason they do that is because they don't know anything better. Oh, how I wish that they knew the Lord Jesus. How much better... I do not condemn; I feel sorry for the mortal. And now, would not that even be appropriate in the day that we live, that when things are going the way they are, and the idol of America is the hollywood glamor girl, when she sets the pace of all America... Come out with her immoral dressings on... And practically every woman in America will fashion after her. Oh, how it came to me not long ago standing in Rome, when the newspapers give a headline of this woman that they had in the paper the other day was going to have a baby in Hollywood, a Roman. And they said in the paper, the newspaper, which my friend of Baron Von Blomberg could speak seven different languages and read the paper plainly, he said, "She may be a American goddess, but she's here a Roman prostitute."

**24** What a disgrace. Now, they have to have things like that. That has to happen to cope with the spirit of the day.

Notice he said, they will resort to this mindlessness in order to cope with the spirit of the day. Sounds like what they call the Snowflake mentality. And so they have reverted to this mindlessness today if hiding behind a mask, to hide their minds as from what is going on in the world. And that's exactly what Paul warns us of the condition at the end time.

Remember the Scripture warned us that this would be the setting of this last hour.

**2 Timothy 3:1** But understand this, that in the last days **dangerous times** of great stress and trouble will come difficult days that will be hard to deal with and hard bear. <sup>2</sup> For people will be lovers of self, narcissistic and self-focused, lovers of money and impelled by greed, they will also be boastful and arrogant, in fact in their arrogance they will become revilers, disobedient to parents, ungrateful, unholy and profane, <sup>3</sup> And they will be unloving devoid of natural human affection, calloused and inhumane, irreconcilable, malicious gossips, devoid of self-control, intemperate, immoral, brutal, haters of good, <sup>4</sup> traitors, reckless, conceited, lovers of sensual pleasure rather than lovers of God, <sup>5</sup> holding to a form of religion, although they have denied its power for their conduct nullifies their claim of faith. Avoid such people and keep far away from them. <sup>6</sup> For among them are those who worm their way into homes and captivate morally weak and spiritually-dwarfed women weighed down by the burden of their sins, easily swayed by various impulses, <sup>7</sup> always learning and listening to anybody who will teach them, but never able to come to the knowledge of the truth. <sup>8</sup> Just as Jannes and Jambres opposed Moses, so these men also oppose the truth, men of depraved mind, unqualified and worthless as teachers in regard to the faith. <sup>9</sup> But they will not get very far, for their meaningless nonsense and ignorance will become obvious to everyone, as was that of Jannes and Jambres.

Now, pay close attention to what brother Branham says next because we just gave you the background on how the world received this insane ungodly spirit. The devil used a backslidden Pentecostal boy to bring that anti-Word spirit into the world and it got on the youth as he stood there before them, gyrating as he did, and that set the flames of lust and filth that ran rapidly throughout the entire world. Even into Africa.

I believe if someone were to do an in-depth study on infidelity, fornication, adultery and sodomy, you'll find that after that spirit was unleashed on the world stage through Elvis during the 50's when he began his career in 1954 and by 1956 became very famous. Also remember **1956** is the year brother Branham predicted the church would turn down the Message, and they did, and I have shown you the record of church attendance hit its peak that year and has declined every year since. Also SAT tests began declining that year as well. Those are facts. And that year began the stats will show began the sharp rises in all those evil actions of fornication, adultery, sodomy etc..

I found an article in a **CDC study** which said, "*cohabitation, either before marriage or as an alternative to marriage, has become a popular living arrangement, particularly for young people. Nevertheless, a record low of 47% of adult women are married. The increase in cohabitation, combined with the growing number of states that recognize marriage for homosexual couples, has created a new minority group: non-monogamous couples and couples who live together but do not wish to get married....* ...**Enforcement of adultery and fornication statutes appears to have been commonplace until the 1940s and 1950s, when it abruptly tapered off.** (YOU could blame some of that on WW2 and men away from home for years while fighting the war, and that is a contributing factor, but God's prophet said that spirit was brought to the youth by Elvis Presley. The article goes on to say...) **Since then, adultery has become a civil, rather than a criminal matter in most jurisdictions; as such, criminal prosecutions for adultery have been largely replaced by divorce proceedings.** Fornication laws have not found a civil counterpart, and consensual premarital sex between adults has all but disappeared from the legal landscape. A few states have recently repealed their adultery or fornication statutes."

So you can see what this evil spirit that's been unleashed on the youth of America did to spearhead the insane spirit of unchecked sexual gratification. And his sexual gyrations on stage set the trap that an entire generation fell under its spell. This demon released upon America's youth has destroyed every generation since. And it will never go back to the days when sex outside of marriage was condemned by the legal systems in most states. And it has led to that spirit of sodomy that is so prevalent among the nations today.

Just look at the results of the action of one backslidden boy. And Just like Eve, who fell for the gyrations of the Serpent, that same spirit has now conquered and taken over the world.

Then brother Branham says, "*That's the reason that this church is coming in with the worship of Mary, of other women, and things. It's **that same spirit** under a religious head. And **that's the reason they have to get your mind off the unadulterated Word of God to produce that program.** Sure. Do you see the twist that we're in? **Do you see the American youth, what condition it's in?** That's men and women of tomorrow. No wonder Jesus said, "*Except these days be shortened, no flesh would be saved.*" Therefore, I'm basing my thoughts here: That we're at the end time. The Lord Jesus shall come soon. But **the spirit of the day...** Oh, can you see? **Take on your thinking.** Can you see what's happened? **Before this great onslaught coming on to bring the mark of the beast, and to fulfill the Scriptures by forcing the people after the hold is gotten, just like it is in other countries, force them into things that they do not accept, to cause the persecution***

**and the boycott to come.** Can't you see America has fell for the glamour and the goddess, and this. It's paid the devil in the realm of flesh, **making a way for this to present itself.** Amen. I hope you understand this. Stay clear from it. I don't care how many D.D.'s, Ph.D.s, or ever what's behind it, it is a lie. *"For let every man's word be a lie, and Mine be true," saith the Lord. "For heavens and earth will pass away, but My Word shall never pass away."*

#### AMERICAN FLAG, BIBLES REPORTEDLY BURNED IN PORTLAND RIOTS

Rioters in Portland were caught on camera putting **Bibles** and an American flag **into a fire outside of the federal courthouse**, which has been a focal point in the protests that have been ongoing for more than a month and a half, numerous sources reported.

And now, I want to focus our attention for the remainder of this sermon on the words Brother Branham says in **PP:24**

Notice he says, *"After **the hold is gotten**"*... So what does he mean by that? *"After **the hold is gotten**"* The dictionary says the word **"hold"** means *"to remain or continue in a **specified state**, like what we see today **the lockdowns, the stay at home orders, the hold down.** In older times **a hold** referred to a place down below deck in a ship to contain things.*

And notice his words that he says, *"**after the hold is gotten,**"* and the word **gotten** means: *"to come to **a specified place**; to arrive, or arrived at; reached: . to succeed, become **enabled**, or be **permitted**:"* **After the hold has arrived, then what?**

So we see that **after the arrival at a specified place, the Stay at home orders, and the lockdown, after that, then what?** The setting is ready for the great onslaught.

Notice brother Branham says, ***Before this great onslaught coming on to bring the mark of the beast, and to fulfill the Scriptures by forcing the people after the hold is gotten, just like it is in other countries, force them into things that they do not accept, to cause the persecution and the boycott to come.***

***by forcing the people after the hold is gotten*** Let's all say it together so you will never forget this prophecy...

***by forcing the people after the hold is gotten***... again ***by forcing the people after the hold is gotten***

Now, let's look at what has taken place, and let's compare it to what the prophet warned us would take place.

So let's look at these things he warned us in the order as they occurred.

**Number 1)** we see the COVID19 virus, and I preached that series on the oncoming plague judgments back at the beginning of the year just before the plague began. But **the Deep State has used this virus to transform the American people into an obedient society doing exactly what the government tells you to do.** Now can you see why Pelosi rushed the impeachment, to get rid of Trump who was the only world leader to stand up against the Globalist plan. And now can you see why they held back the trial in the senate until it could cover for the plague while it worked its way across America?

**Number 2) COVID19** was used as **the excuse** to get you to the place where you would allow yourself to be ***forced against your own will to stay in your homes.*** (***the hold*** that William Branham warned us would take place.) And if you do venture out, it has forced you to do things you normally would not have even thought of doing, like social distancing and wearing masks. Normally I would not even go into a store that required me to wear a mask, but they have forced that on everyone, and if you want to eat you have to, and if you need something for the house you have to. You are forced to do it.

**Number 3) The Governments have taken over your thinking** for you, and the people are not even using a rational approach to ending this so-called pandemic. People driving down the road with masks on, when there's no reasonable reason for them being alone in their car to have on a mask. And the real science will tell you that masks don't make you safe from others, they only prevent your own spittle from leaping onto others, and infecting others when you speak. So why wear it in your car when you're alone? Its insanity. And it is brought on by fear. Remember my sermon on "***the end time neurosis?***" It begins with Anxiety, and that leads to **compulsive** behavior called compulsion, and when you become compulsive you enter into Obsessive behavior, and obsession leads to fear, and fear leads to depression, and depression leads to withdrawal and full neurosis.

I have spoken on this many times over the years and I hope you can see that this nation and all nations are now in a complete neurotic condition, ready for the SQUEEZE to be squeezed economically as we see happening as we speak.

And look at the people's compliance to the nonsensical orders that they know are wrong and that don't make any sense at all.

**Step 1)** was to **get people to fear**. They tried 911 and terrorists, and now they have tried a virus, and guess what fear works. First after 911 they began to control any travel. Now they control people to the point of no travel at all. People everywhere are Afraid and they show it by complying to these strange purely non sensible orders they think are for their own safety. They swallowed the pill and they have believed the lie.

Did not the apostle Paul say, **2 Thessalonians 2:3** *Let no man deceive you **by any means**: and then a few verses later he tells us **10** And with **all deceivableness of un-right-wisdom in them that are in the act of perishing; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie:***

Now, brother Branham said in his sermon **Lean not unto thy own understanding 65-0120 P:46** *You know, **the Bible said you can believe a lie and be damned by it. See? That's exactly the truth. They form, no matter what the Word of God says, **they lean to their own understanding.** They lean on it; they believe it; they think it's the Truth. You can keep believing a lie over and over and over till it's the truth to you. That's right. But how do we know whether it's Truth or not? **God proved it's Truth, 'cause it's in His Word and He a-vindicates It. He does His own interpretation of It. How do they do, get to this? They do it by their culture, their education, of their understandings of their, the degree of doctor's degree, and so forth, that they have come from some certain seminary and learned these things.*****

And this is not only in the churches, but we have doctor **Falso Fauci** who has been lying for years to the public. First about HIV 20 years ago, and now, telling the public one thing one week and then telling the public just the opposite the next week, playing with the minds of the people like a yoyo and the people don't know what to believe anymore. One month he says "*masks are bad*", "*they don't do anything for you*", and "*social distancing is not mentally healthy*", and then the next month he says just the opposite: "*everyone should wear a mask, and social distancing is very important*". One year he praises Hydro Chloroquine and then the next year he calls it fake medicine.

From his sermon **The Indictment 63-0707M P:116** *brother Branham said, "You poor intellectual, spiritual deprived, rejected upon your own grounds, you read the same Bible that any other man can read; but **you've turned down the Spirit of God, till the Bible said you'd be given over to a strong delusion to believe a lie and be damned by it. You actually believe that you're right, and the Bible says that you'd believe it and be damned by the same lie that you believe to be the truth.** Therefore, I indict you by the Word of God. You are teaching the people a error and crucifying the principles of Christ, of holiness, and Life above as a person might walk out on the street and be a different person.*

And from his sermon **The First seal 63-0318 P:169** *Brother Branham said, "And these people, even some of you Full Gospel people, deny, **have to deny your evangelical teaching to take such a step as that.** What have you done? So blind to that denominational thing you've rejected Truth. And Truth was set before them, and they walked away from it and left it, and now **they've been given over to a strong delusion to***

*believe a lie and be damned with it. That's exactly what it is, and **the antichrist takes it all.** And the Bible said that **he deceived all, a-double-l, all upon the face of the earth whose names were not written under those Seals from the foundation of the world.** Now, if the Bible said he did it, he did it. They say, "Well, I belong..." There you are. See? That's just exactly. **It's the same prostitute institution.** It's the same system that started in the beginning which is antichrist throughout. I'll hear from it, but that's, it's the Truth. I expect to. Amen.*

**Second seal the 63-0319 P:81** *Now, but in the age after the Church goes home, he becomes a beast. **He becomes the devil incarnate, the red dragon himself.** Oh, my. Can't you see what I mean? **He's incarnate in his people then. He's got his people bound by his power.** The false prophet has prophesied them right into it, **give them over to strong delusions to believe a lie and be damned by it, denying the Word with a form of godliness.** God works His place in a trinity: justification, sanctification and incarnate Himself in His people in the baptism of the Holy Ghost. Same thing. The devil's just in a type after Christ. Oh, Satan incarnates himself.*

Now, let's look at **Step 2)** The riots then are added to the plague next in order to cause people to fear to go out, and are actually glad to be able to hide in their homes. The youth get caught up into the STIMULUS, which was no longer dancing to music but caught up into the slaughter frenzy like Parana in a fish tank at feeding time. And that same spirit is operating in the minds of the youth numbed to rational thinking, just ready to burn, hurt and destroy.

And that leads to **Step 3)** The third phase is to **get the people conditioned to accepting Laws that will control everything?** Like other countries already have done he said. For your own safety they say. No, they're wrong, it is for your own destruction. When they shall say peace and safety then sudden destruction cometh. That's what Jesus warned us of.

*"It's just mask"... they say... "don't be such a jerk, wear it, it's for the greater good.".....*

So I'd like to list Five logical arguments **against the wearing of masks** as follows:

**1. Wearing masks prolongs the amount of time the virus stays around by slowing down its infection rate *WITHOUT* decreasing the number of people who ultimately have to get the virus before it fades away.**

***One assumption that most mask advocates make is that viruses only lasts a specific period of time, like a month or two, and then the virus will just disappear regardless of how few people wind up catching it. That's false science. Viruses don't lose their power to reproduce after a few months and then vanish. It won't go away until a certain percentage of people have an acquired immunity, either thru infection or a vaccine which is nothing short of just injecting you a specific amount of the virus into you to allow your own immune system to take over. The COVID virus will continue until the infection rate in the population reaches a herd immunity.***

**Number 2)** *It is scientifically proven that wearing a mask reduces your oxygen level from 95% to 85 % and a prolonged time at 85% and your organs become damaged, and could very well shut down. This has been scientifically proven in many studies.*

**Number 3)** *Everyone walking around in public wearing surgical masks feeds the fear and panic over the virus that's less harmful to young and healthy people than the flu and delays our urgently needed return to normalcy.*

**Number 4)** *No one even knows the long term effects that will happen by depriving people of emotionally connecting with each other via facial interaction. How about people in church, you really think people can listen to what is being preached while wearing masks? No sir!, Masks shuts down social interaction. Masks shut down proper communication.. We depend on looking at the one we are speaking to and we watch their reactions to what we are saying. That's communications.*

**Number 5)** *We should never let anyone bully us into behaving irrationally. Especially the state. And Mask wearing can't even protect you from a virus. Surgical masks can't even keep you from breathing in drywall dust which is 3 microns large yet a virus is 0.12 microns. One doctor who spoke at the white house said, using a mask to keep out viruses is like using a cyclone fence to keep out mosquitoes. Wearing a mask to prevent a virus is insanity. Yet the American people are buying off on an insane methodology because some doctor says*

SO.

The average size of dry wall dust particles is 3 microns. The average size of a corona virus particle is 0.3 microns.

The above pic is the same mask Fake Fauci wears and wants you to wear in order to protect yourself from the virus. It does not even hold out a 3 micron dust particle as you see above. The pic to the right is a proper drywall face mask. Notice it has two to three filters to keep out 3 micron size drywall dust particle.

To keep out the virus you would have to wear a level 4 suit and sealed mask as you see in this pic below.

But the delusion is so bogus, and the deception is so clearly seen and yet people acquiesce to the peer pressure and stupidity from these so called “Trusted” medical professionals that they just go along.

This is fake medicine on display, and in this hour we are warned that everything will be false. False Economy, False education, false medicine, and false religion and false 5 angels of light. And they don’t have to be false five fold to be false angels of light. You can be a doctor with false information.

And the next thing they will try to do is to push a new vaccine. *“It’s just vaccine”* they’ll say... *“don’t be so stubborn, it’s for the greater good.”*..... Is it?

In just two months they’ve shut down the Christian church and the celebration of Good Friday and Easter all across the nation, and in fact all over the world. To me this shows that spiritual death has set in. The Last plague to strike Egypt was spiritual death, and the first plague to strike America and the world is spiritual death which is evident by the world wide end time insanity. So it is no wonder when it was suggested to stay home from church people went along with the suggestion. Why? Spiritually dead.

Now, let’s look at the biblical way to handle these things that the governments tried to impose upon the people.

From his sermon **He cares do you care? 63-0721 P:87** Brother Branham said, *“He cared for Daniel when Daniel cared for God's Word enough to pray sincerely. No matter what the king said, "I don't want no more of that done," Daniel just threw open the shutters and looked towards Jerusalem and prayed. Elijah cared for God, and God cared for Elijah. Daniel cared for God's Word, and God cared for Daniel. He sent a Pillar of Fire that scared that lion off of him and stayed down there all night long. God cared because Daniel cared. Yes, sir. Sincerely prayed, knowing that it’s going to mean being thrown into the lions' den if he disobeyed the denominational orders. But he knelt down by the window, not fearing what man said. He threw open the windows, because it was a commandment of God, and he prayed sincerely and honestly to his God every day. He cared for God and His commandment, and **God turned around and cared for Daniel and his stand.** Daniel cared for God and His Word, and **God cared for Daniel and his stand for the Word. He'll do it every time.** Amen.*

Look, he’s talking about you and me. I believe this nation is being judged right now, and so are the people who claim to be end time believers. So what are they fearing? God or man? God? or a virus? Because what you fear is what you’ve surrendered yourself over to. That becomes your god. That becomes your absolute. That becomes you object of worship.

From his sermon **It becometh us to fulfill 61-1001M P:59** Brother Branham said, *“So we find that, Daniel, it was becoming to him, as a prophet to stay with the Word, regardless. So there was a decree out, and said, **“That whosoever will worship any other god, besides the god that they had selected...”** In other words, **“If you don't cooperate with us, we'll just throw you into the lions' den.”** Well, it was becoming to Daniel; it was becoming to*

*him that he fulfilled all righteousness, that he worshipped no other god, nor entangled himself with the world; only to God only. So he just threw back the shutters and threw up the sash, and opened up the curtains, and looked out towards the east, and prayed three times a day, **just like he always did.** Why? **Not slip off somewhere and hide to do it, but he opened up the windows, let anybody see, that wants to. He wasn't ashamed of his religion.***

And what are people doing when wearing a mask? They think they are hiding from a virus. Yeah right, you are just doing what you are told to do, and not because you think it is right. Now, I understand if you are forced to wear it to enter a store, or they won't let you enter, that's one thing. But you can choose to not enter that store as well.

Within only four month the United States and the rest of the world has been transformed into mindless compliant zombie like people. The world has been forecasting a zombie apocalypse, and I wonder if we are not seeing it enacted out right before our very eyes. The Blind following the blind. People, blindly following instructions from their masters they appointed over themselves. And these masters were not appointed as masters but as public servants. But the people out of fear have sold their birth right as a nation and are ready to obey the next absurd command from those in authority. It's time to wake up my brothers and sisters before it is too late.

In just four months the USA which has been the lone standout among the nations to socialism, but in four short months she has gotten swept off her feet by socialist mayors, and tyrannical Governors, and now she has transformed herself into an obedient compliant socialist nation. It's over, America is finished.

The government dictates what social events are acceptable and which ones are not.

1. Rioting is now considered acceptable and deemed an essential practice.
2. Gambling which used to be considered a stain on society is now considered acceptable and deemed an essential businesses.
3. Casino's not only gambling sin, but with ungodly striptease entertainment are now considered acceptable and deemed an essential businesses.
4. Abortion clinics which are the greatest stain of sin upon any nation, are now considered acceptable and deemed an essential businesses.
5. Alcohol establishments, and Marijuana businesses are now considered acceptable and deemed an essential businesses.

Those are the institutions which used to be looked down upon by this nation as a Christian people, but are now they are deemed essential business and can remain open.

But those institutions which used to be vital to the salvation of any nation and the mental health of any nation are now considered non essential and not even deemed acceptable to remaining open during this plague. And the number one public institution that is being discriminated against is the church.

- 1) Churches are no longer considered essential and therefore they are not acceptable to remaining open.
- 2) School are no longer considered essential and therefore they are not acceptable to remaining open.

3) Small family run businesses are no longer considered essential and safe and therefore not acceptable to remaining open. The small stores have been forced to close while the crowds have been encouraged to shop at the huge money machines like Wal-Mart, Sam's Club, Costco, Home Depot and Lowes. These stores that can hold thousands of shoppers at one time are considered essential, while the mom and pop shops that founded this nation are not.

Violent protests pushing fear are ok, and even deemed essential, but funerals to bury your loved ones, patriotic gatherings to help heal the nation, and weddings which are the backbone of any great civilized nation are now considered dangerous. And most Americans have bought into this without a fight, and Standing in a graduation line is now considered a safety hazard.

“come on, you say, “it’s just a mask, you know, safety precautions”

And how about a little hush money, how would \$2,400 that we stole from your pocket, and while we are at it, how about some money for your kids too”.

“Use it to buy something from one of the big corporations, to help the economy...”

Oh, and by the way “Cash is dirty”, “there’s a coin shortage and we can’t give change, so just use your credit card.” And in just four months they’ve convinced you to use a traceable card for every single purchase you make.

In less than 4 months Governments have closed schools and restructured education under the guise of public safety.

In less than 4 months our government demonstrated how easily people assimilate to guidelines that have no scientific premise whatsoever because they’re fearful.

All these hoops people are jumping through for what they’re told is for their own safety, yet Jesus warned us “**when they shall say peace and safety then sudden destruction cometh.**”

Br. Branham also warned us that **God can not send destruction until the people are in the spirit of destruction.** Have we arrived at that point in time?

It looks like the people have bought into this fear mongering to the place they’re willing to do what they normally would never even think of doing.

The people have allowed themselves to be deceived. They are brainwashed by Lies. Media lies, Medical lies, Government lies, Economic lies, Education lies, and Religious lies.

In **2 Thessalonians 2 : 12** the Wuest translation tells us that **those who are turned over to believe a lie and become damned by believing the lie** are turned over by God Himself because **they did not have a love for the truth.** It tells us that when the anti Christ comes, **“he will come with deception and this deception is geared to the gullibility of those who are perishing.”** So if the **anti-Christ deception is geared to the gullibility of the gullible,** then that’s their deep calling, and the deception and lie is the deep that responds to their calling. In other words, people are getting what they want in their hearts.

In less than 4 months our government successfully instilled fear in the majority of the population of America that allows them to control every aspect of your lives including what you **eat**, where you **go**, who you **visit**, and even how much **water** and **toilet paper** you can buy.

And the most dangerous and terrifying part is that **the people are not afraid of this government who removed all their freedom.**

They're not afraid of this government that fed them lies and fear, yet they've become afraid of their **family**, their **friends** and their **neighbors**. And **they hate those who will not comply**. Why? Because they're afraid. Fear brings darkness to the soul.

In past ages, a snitch was considered a low life, but now the people are encouraged to snitch on their family, friends and neighbors, and they do so willingly. Just like they did in Nazi Germany and Communist Russia. Why? Because of **Fear**. If you can just make the people to fear they're willing to give up their freedom and liberty for what they think will bring peace and safety. And not realizing that this is bringing on their own destruction.

**Americans are not permitted to travel abroad, and the rest of the world has shut down Americans from entering their countries.** Have you thought as to why this has taken place?

Why do you corral an animal? **To control them** of course. Then when they are corralled you can administer **vaccines**, and any other thing to in the guise of **herd immunity**.

And they use this term **herd immunity** so regular that you would think that the people are nothing but a **herd** to them.

**Its absolutely terrifying to see a people who will not question authority.**

They have willingly surrendered their critical thinking skills and their independence.

They've just given up without thinking and without a fight.

Do you know what's coming next? "Its just a vaccine, Come on, it's for the greater good, right?" wrong, it's about controlling you.

Wait until you are told that you cannot enter any store of business or school without evidence that you've had the vaccine. And you think they'll stop at one vaccine? No, way. They will run the gamut until all people are vaccinated with every vaccine to date and new ones to come.

Wait until you cannot go to any public event or even get on a plane or bus or train without proof that you've had the vaccine.

You don't think it's possible?

You've already allowed the government to say **when you can go outside**, and **where you can go**, and **what you can do**, and **where you can buy** and what you can buy, and whether your children can take part in the new digital education programs or not...And this was just in the past 100 days, and you've followed blindly because you were told to do so. It's all right, it's for your own good. Is it?

If you think so you're only deceiving your own self. And if you think this mass behavior modification won't be repeated with a vaccine, or some new guideline to control your behavior, you're willfully ignorant, and that is the worst kind. Because you will have to give an account to God one day for going with the flow when you know the flow is leading to death.

**Matthew 7:14** *Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.*

Once they have the popular way, then they will own the masses. I know there are many people who know they should do something, but it's much easier to go along with the crowd than to stand out like a radical and fight back.

We've seen it in other countries throughout the years but you all thought "it could never happen here in America right?" WRONG!!! It can happen and it has happened. It has begun.

And God's prophet warned us it would. He said, *Before this great onslaught coming on to bring the mark of the beast, and to fulfill the Scriptures by forcing the people after the hold is gotten, just like it is in other countries, force them into things that they do not accept, to cause the persecution and the boycott to come.*

They've done this without a thought and without a fight. Just about everyone around you and walking the streets right now, gave in and went with the herd. And what was their motive and objective to this do nothing reaction? You might say I do the same things around my house I've always done, and that may be true, but outside your house there's nothing happening. Just like in Egypt during the time of the ten plagues, there was no activity outside the house, but there was death coming, and the last plague was the death of the first born and today it is spiritual death.

There's almost no activity outside your home today.

There's no sports, anywhere. *They even arrested a little girl tossing a baseball to her father.* That's **End Time Insanity**.

No basketball at the local parks,  
no little league baseball,  
no high school sports,  
no college sports,  
no professional sports where fans are in the stands.  
The basketball courts are empty.  
The baseball diamonds are empty.  
The soccer fields are empty.  
The public skateboard parks are closed.  
The volley ball courts are closed.  
There is no park, or activity field that is open.  
The movie theaters are empty  
The music halls are empty

And even the professionals who play for pay, if there's no fans in the stands, then there's no concessions, and no ticket sales, so how are they going to get paid? This too shall not last. We are seeing the death of everything.

All activities are shut down, there are no more distractions, there is nothing to do, there is nowhere to go, Except perhaps to visit family. Mission works has been closed down, Churches are closed down, no more big meetings, no more evangelizing, no more meetings. Could it be that the ark has been prepared? Has the Bride made herself ready? Could the time of the resurrection finally be upon us? Let us pray...
