

**Unveiling of God no 183**  
*The spirit of pride in Women today*  
November 22, 2020  
Brian Kocourek, Pastor

**Proverbs 8:13** *To Fear the Lord is to hate evil; I hate pride and arrogance, evil behavior and perverse speech.*

**Proverbs 16:5** *The Lord detests all the proud of heart. Be sure of this, they will not go unpunished.*

Let us pray...

Last Sunday we spoke from paragraph **174** and **175** where brother Branham was speaking of how Traditions held back the true revealing or unveiling of God, and he said,

**The Unveiling of God 174-** *Break the denominational veil of education. Break the denominational veil of tradition. Break those veils that's hiding Him from you. Break those veils of pride, you women; you're a King's daughters; act like it; live like it. Break every veil.*

Ok, so this sermon will be for you women today, and then we will look next week at the rest of what he says in this paragraph here. But first, I want you sisters to listen carefully today, because God is dressing His Wife with the Word for the marriage of the Lamb, and if you are not the right kind of a wife here how do you think you will be instantly made a righteous wife over there. Can't be done because the attitudes you have here you will have over there as well. The actions and reactions you have over here you will take those with you over there.

And there is certainly no excuse for some of the things that go on in your homes between husbands and wife. But today I am talking to you sisters. You brothers will get yours later.

From his sermon **He Cares Do You Care? 63-0721 56** brother Branham said, *"The people, they lie, cheat, steal, till you almost have to have a bond of security to borrow five dollars from somebody. It's a... You know, the Bible speaks that, that there'd be no love in the last days but just amongst the elect people. That's right. The Scripture speaks of that, that the husband would be against wife, and wife against husband, children against parents. Just among the elected of the Lord will there be any love left."*

So if there is that fussing going on in our home, you better get before the mirror of God's Word and ask if you really are elect or just a make believer.

Now, what I am going to point out to you this morning is very significant, and if you do not yield to what the Holy Ghost is saying, you will never really know Him in the power of His resurrection. And you simply will not be there when the Shout moves into the Voice of Resurrection. And believe me God is going to test you if He has not been testing you already.

But notice Brother Branham in paragraph 174 of **The Unveiling of God** is speaking to the women here, and he says you've got to break those veils of pride. And he lets you know that the veil of pride is what is actually hiding God from you women. And never forget the Bible teaches that ***pride cometh before a fall.***

**Proverbs 16:18** *Pride goeth before destruction, and an haughty spirit before a fall.*

We also read in **Proverbs 6:16** *These six things doth the LORD hate: yea, seven are an abomination unto him:*

Verse 17 1) *A proud look,* (other translations call this pride "*Eyes that look down on others*)

2) *a lying tongue,* (other translations call this pride *a tongue that can't be trusted,*

3) *and hands that shed innocent blood,* other translations call this *hands that murder the innocent,*

4) **18** *An heart that deviseth wicked imaginations,* other translations call this *a heart that hatches evil plots* or *A heart that creates wicked plans, a mind or heart that thinks up evil plans,*

5) *feet that be swift in running to mischief,* other translations call this *feet that are quick to do [run to] evil,*

6) **19** *A false witness that speaketh lies,* other translations call this simply *a witness who lies*

7) *and he that soweth discord among his brethren.* (and other translations call this *a troublemaker in the family.*

So we see this sin of pride is the first one named by God as something he hates.

Brother Branham said, **Break those veils of pride, you women; you're a King's daughters; act like it; live like it.** *Break every veil.*

Now, you may not want to hear that, but that is "*Thus Saith the Lord*".

Each age has certain attributes and characteristics that mark it and are definitive in respects to the condition of that age.

And he is telling you sisters right here what it is that you must die to or you will lose out. That is what he is saying here.

The Bible told us that in this last age it would be a woman's age, an age when women rebel from their place in society, their place in the home and their place in respect to their husbands role and her role in serving her husband as she would serves Christ

Now, I know you don't want to hear this but you had better hear it for your own spiritual welfare.

Now, when Eve listened to the lie of the devil and believed his lie over God's Word of Promise, Adam who listened to his wife and Eve, who believed the devils lie were cast out of the garden of Eden, and God spoke to her and said, because you have listened to the lie of Satan over my word this is what your role will now be.

**Genesis 3:16** *Unto the woman he said, "I will greatly multiply your sorrow (pain) in childbearing; and in sorrow (pain) you shall bring forth children. Your desire shall be for your husband, and he shall rule over you."*

The word **rule** means he shall be your governor. Now, that is interesting because we have women today who are governors.

And we are taught by God's Word that women will rebel against God's directive in the last days, and they will want to be emancipated from the rule or governorship of their husbands.

**Isaiah 4:1** *"And in that day"* (the Hebrew word for day "**yome**" also speaks of **an age**, or **a season**)

So the words "*And in that day,*" can also be read as ("**in that season**" or "**in that age**"), so we are looking at **this day, this age, this season**. So what is to happen in **this day, this age** or **this season**?

Well, he tells us what is to take place in this day, age or season when he says, "*seven* (the Hebrew word "**sheba**" here by extension means an indefinite amount of) *women shall take hold of one man, saying, "We will eat **our own bread**, and wear **our own apparel**: only let us be called by **thy name**, to take away **our reproach**."*

So God warned us that of all ages, it is to come down to this age when women will rebel from the role that God has ordained for them to fulfill, and he says, they "*shall take hold of the man, saying, "We will eat our own bread, and wear our own apparel: only let us be called by **thy name**, to take away our reproach."*

So these are women who think that the role God has called for them to do is a reproach. And they want what man has, his food, his clothing and his name, but they do not want anything to do with him. They do not wish to any longer to identify with him, although they want what he has, what he eats and what he dresses like.

Seems a bit weird to me that you see women want to wear the clothing men wear, the hair styles men wear, and eat the foods that men prefer when God has called them to be otherwise.

The Apostle Paul said in **Titus 2:3-5** *Older women likewise are to **be reverent in behavior**, not slanderers or slaves to much wine. They are to **teach what is good**, and so **train the young women** (train them to do what?) to **love their husbands** and **children**, to be **self-controlled**, **pure**, **working at home**, **kind**, and **submissive to their own husbands**, that the word of God may not be reviled.*

Now, that is what God's Word calls for you to act out **in your role** God has called you to. And he says when you do that you show respect for the Word of God, but when you do not you actually are reviling the Word of God.

And you know what the word "**revile**" means? The word **revile** means "**to assail with contemptuous or opprobrious language; address or speak of abusively.**" And when you revile the Word you do it by reviling your husbands. You speak abusively to your husbands.

How do you think you will be "**Bride of Christ**" material when you are not even bride material to your own husband. **The way you treat your husband is the way you treat Christ the Word.**

I don't care what your excuse is, because you really have no excuse that is acceptable to God and you will answer on the day of judgment, for being abusive to your husband as surely as God's Word is true and every man's a lie.

Remember how that sister with the Holy Ghost acted when her husband came in and asked for eggs and then threw them down looking for a response knowing she would not blow up as other women do, but just took it to the lord in prayer. That is how every one of you sisters ought to act when your husband does something you think is the wrong way to of doing it, and any sister who mocks her husband, that's wrong sisters, don't do that.

Brother Branham showed us what the right kind of character a wife has who has the Holy Spirit in **Questions and answers COD 64-0830M P:64 330**. Now, someone asks him the question, "*Brother Branham, how am I supposed to show my wife that I really care for her and yet stay with the Word (That's) stay with the word, but still having a question like this said: "Why don't you practice what you preach or believe?" Well then, if the wife, if the wife is saying this to you when she has a right to say it, you better get right. See, see? Then if she, if she is saying it just to be evil, remember, the Bible said, "It was better that a millstone was hanged at your neck and drowned in the depths of the sea than even to offend the least of these, My little ones."* Now, that just your question. And may be that this wife is not that type of person. Maybe she's a different, maybe, she's a good person. Maybe she's just testing you to see what you'll do.

**65** Now, **stay in love with her and let her see Jesus in you. You do that.** See? You just go on. Some... I give a little illustration this morning about a person that... **One time this little woman had received the Holy Ghost. And she was a very sweet little person.** They... She said... Well, she'd had a hard life, and **her husband was an alcoholic.** And so, she just kept on; **she bore with him.** He says, "You want to go to church, honey, take off. But I just go down to the saloon, down at the old Brown Derby, down here. Go and--on." So they hung out down there all the time, used to be Bonifers. Many of you old-timers here remember when Bonifer had there on the corner of... It's called Brown Derby now, I believe it is.

**66** So, hanging around down there, and the first thing you know, one night come up a question about church and about Christians. One of the old drunks setting there said, "**There ain't no such a thing as Christians anymore.**" Said, "**There is no such a thing. All**

*this bunch of hypocrites," said, "you see them out here smoking, drinking, doing the same thing that we do," and said, "call themselves Christians. There is no such." This one drunk raised up and said, "Just a minute. There's one that I know about. " Said, "Who is it?" Said, "It's my wife." See? She'd become salty. He was catching it all the time. He said, "I bet if she was put to a squeeze..." He said, "No, she's still a Christian; I'll prove it to you." Said, "I tell you what let's do; let's go up home, and I'll show you whether she's a Christian or not." Said, "Let's go up home, and now, let's really be drunk. We're going to act like we're really drunk." Knocked at the door, come in staggering over everything and... "Why don't you set around this a-way," and everything. And she set them all a chair and (his guests, you know)--and tried to make them just as welcome as could be. Said, "I want you to fix us some supper." And so she went out and fixed some. Said, "we want ham and eggs." He knowed they had it, so they fixed the ham and eggs. When he got there at the table, he looked at them like that, picked up his plate, and slammed the stuff on the floor, said, "You know, I don't like my eggs like that. Come on boys let's get out of here anyhow," like that.*

*67 They went out and set down like that, you know. And she come out; she said, "Dear, I'm--I'm sorry I didn't get them fixed; I'll fix some more for you." "Oh, nonsense, you knowed I didn't want them that way in the first place," just carrying on like that. They went out there, and set down, and act like they was drunk. They heard her in there kind of snubbing to herself, singing real low voice: **Must Jesus bear the cross alone, All the world go free? There's a cross for every one, And there's a cross for me. This consecrated cross I'll bear, Till death shall set me free,** One drunk looked at the other one, said, "**She's a Christian; she's got it.**" And that little woman led her husband, plus these others to Christ that night. See? Why? See? **Just be real sweet.** Just remember, He knows all about it. So, sister, or brother, whoever it might be, or brother, it is here, 'cause he asked about his wife, **you just be salty;** she'll get thirsty if there's anything in her to thirst for. If it isn't, remember, **if you got the wrong person, you'll get the right one in the millennium.** You just keep on going; all wrongs will be made right there.*

Now, that was William Branham, and he said he only preached what Paul preached so lets see what the apostle Paul said the role of women is to be. **1 Corinthians 14:34** "*The women should keep silent in the churches.* (you know what the Greek word for silence is? "**Sigao**" and it means "**keep your peace**", which means "**hold your tongue**", and that means "**hold your own opinion to yourself**", because God's word be true and everyone else's is a lie) Paul continues, "**For it is not permitted unto them to speak, but should be under obedience** (That means **submissive,**) **as also saith the Law.**"

And what Law is Paul speaking of here? Gods Law. So when you step out of line and blow off your mouth with your own opinions, you are stepping out from behind the protection of the Word, and showing just one thing to all, that you are an unbeliever in God's Law, His Word.

Sorry sisters if that hurts, but that is God's Opinion, and you have just one thing to do and that is if your opinion is contrary to God's opinion, you had better die to your opinion, or recon yourself reprobate to His Word. For God will not be mocked.

The Apostle Paul also said in **1 Timothy 2:12** *I do suffer not* (I do not permit) *a woman to teach nor to usurp authority over a man but to be in silence, that means* (to be quiet).

Today as in no other time in history, we see women wanting to be the mask Nazis, and control freaks ruling over men. Just go into any store without a mask on, and watch some women freak out. Women today like Hillary Clinton a witch, and The supreme court justice Gingrich who recently died, she proposed that children should be allowed to make up their own mind at 12 years old concerning sexual relations with adults. And then there is Gretchen **Witchmer** of Michigan who not only totally embraces killing unborn children but as Governor of Michigan has usurped her authority to outlaw planting your own garden, and visiting your own children and grand children. And wants to cancel Thanks Giving, and what about the Governor of Oregon, and the Mayor of Chicago. All these women who want to control men. They are totally anti Christ and Anti Word.

In days of old when me were bold, women did not get out of their place and try to control others like they do today.

But there is a prevailing spirit in this age of women's power, and many men have lost their manhood when they allow women to raise up like this and usurp authority that is not theirs to usurp.

**Flashing red light 63-0623E P:62** *Watch our businesses. Most of our businesses is controlled by women, lots of them. That's right. Look at our churches, look at our nation, how **the sons of God bow low at the shrine of these things, these women...***

And when we see any crisis arise we see women step up to take over. A woman is supposed to be a help mate, not a control freak. She has no authority over the man, yet she wants to be the neck that controls the head, and that is a blasphemous attitude to have.

Brother Branham warned us of this spirit in his sermon **Laodicean church age 60-1211E P:29** preached in 1960, 60 years ago. *"But there'll be a powerful woman. Now, remember, this is on tape too. A powerful woman, great woman, she'll either be President, or it'll be a woman representing the Catholic church (which I think it is) will take over here someday and she'll rule this country. This nation is a woman's nation. Flag was made by a woman; it's number thirteen. She started out, thirteen stars, thirteen stripes, thirteen colonies. Everything's thirteen, thirteen, thirteen, right on down. Thirteen stars on her silver dollar now. Everything's a thirteen. It's number thirteen, and appears in the **13th** chapter of **Revelation**: completely thirteen. Everything is "woman, woman, woman, woman, woman," right on down. And she took over all the offices. She's took over Hollywood. She's took over the nation. She's took over the offices. She's took over everything there is; equal rights with the man, votes with the man, cusses like a man, drinks like a man, anything else. And just bait for the Catholic church, for the worship of a woman. They're already worshipping a woman anyhow. An immoral woman is the*

*best bait the Devil ever had. She's worse than all the barrooms that ever was. She can send more souls to hell than all the barrooms in the country. That's right."*

But God has made a woman to be a help-mate for her husband. Just go back to when God created her in the book of **Genesis**.

**Genesis 2:18** *Then the LORD God said, "It is not good that the man should be alone; I will make him a helper fit for him."*

But women today who are anointed with that spirit of Satan do not want to be just a help-mate, they want to be a ruler. And anyone who wishes to be a ruler, whether male or female has a spirit that is anointed by Satan himself.

Now, I'm not blasting our good godly sisters here and abroad, but that spirit that would anoint women to talk like drunken sailors and speak indignantly against their husbands. That is sinful.

And granted no man is perfect, but that has nothing to do with the Word of God. God's Word said for **a wife to reverence her husband**" That means to deeply respect him. And God's word never gave you any exceptions to reverencing your husband.

Now as for obeying your husband there is only one exception, and that is if he tries to take you away from His Word, but women today think they have some right to not obey God. But just remember sisters, one word off is Satan's kingdom. Just One word off will place you in hell forever.

And at the White throne judgment you can have all the attorneys the world or Satan can produce for you but it won't do you one good, because God knows your heart. And willful ignorance will be no excuse. Since when did God give you a command and then allow you to arbitrarily accept it or reject it and come out the same? But you want to make up your own mind whether to obey His Word or not based on conditions of your own twisted mind. Well, we will see at the white throne and don't say I didn't warn you.

But even as the Apostle Paul also said in **1 Timothy 2:11** *Let a woman learn in silence with all subjection*, which means *with all submissiveness*. The carnal women today do not even have the word submission in their vocabulary.

So let's go back to **1 Timothy** and read again what the Apostle Paul said and also the next few verses as well. **1 Timothy 2:11-15** *Let a woman learn quietly with all submissiveness. I do not permit a woman to teach nor to usurp authority over a man; but rather, she is to remain quiet. For Adam was formed first, then Eve; and Adam was not deceived, but the woman was deceived and became a transgressor of the law of God."*

And the reason he said that is because God has set an order in his universe, and Paul tells us what that order is in **1 Corinthians 11:3** *But I want you to understand that the head of every man is Christ, the head of a wife is her husband, and the head of Christ is God.*

And when a woman breaks that order with her husband, she cannot call herself a Christian and do so, because Christian means Christ-Like, therefore she has fallen away from The

Faith, and has become part of the falling away of the church. And never forget the falling away of the church represents a woman falling away from her husband, because a church is always represented in Scripture as a woman. That is what God's prophet taught.

From his sermon **The Second coming of the Lord 57-0417 P:34** William Branham, prophet of God said, *"If you want to look it up, look in **Galatians 5**. You'll find out that that woman represented the Church, and the Church is an espoused Wife to Christ. And the tablet that the Church is supposed to wear is found in **Galatians 5**, which is love, joy, peace, long-suffering, goodness, meekness, gentleness, patience. That is the tablet that's supposed to be wore in the Church: brotherly love, kindness, fellowship. And this woman, when it... It must have been along about dark that she realized that she had lost one of those coins.*

Notice what the Apostle Paul taught in **Ephesians 5:22-24** *Wives, be submissive to your own husbands, as unto the Lord. For the husband is the head of the wife even as (in the same manner as) Christ is the head of the church, his body, and is himself its Savior. Now as the church submits to Christ, so also wives should submit in everything to their husbands.*

You know there was a time when the young people would look up to the older person, the people with white hair and reverence them for their wisdom. But the same Prophet Isaiah who prophesied in **Isaiah 4:1** about women coming into the condition of rebellion where they wanted nothing to do with man, but wanted everything the man did, the way he dressed, his hair, even his food and his name. But notice she wants nothing to do with him.

Now, remember that was **Isaiah 4** and he starts out by saying *in that day* women shall do this and that and he goes on and tells us what they shall do. But if we go back to see what else he said about that day, let's just go back to the chapter before that which is **Isaiah 3:12** and read more of the condition of *that day*.

**Isaiah** warns us of the attributes and characteristics that shall befall the people in the last days. And it's not the elderly that are out their rioting.

It's the youth, the millennial that you see rioting, the young men and young women who have become so dumbed down by public school communist indoctrination that are out their oppressing the elderly people.

And we see this exactly as **the Voice** translation words for **Isaiah 3:12** *"Oh, how I ache for my people! They are oppressed by children, you will be ruled by women, (naïve and inexperienced ones). O my people, your leaders are misleading you, guiding you down the path to disaster."*

And that is what we are witnessing today when we see women who are so naïve and inexperienced like they have in Congress called "**the Squad**". Some of these women are perhaps the dumbest creatures this country has ever produced in the public schools and yet they are in Congress pushing legislation that would bankrupt this country, and bring on another dark age. They are pushing legislation called the "**green new deal**".

And part of that **Green new deal** is to ban all internal combustion engines that use fossil fuels, thinking they will save the planet. Let me tell you one thing, there is only one savior and it isn't you.

They want to ban planes from flying. So they have devised a plan, use trains. Oh yes, they think we should build a railroad to Hawaii. And they want to demolish every house and building in America and rebuild them with new ones with no windows to save energy.

And every cow in the world should be slaughtered because they pass too much gas which creates carbon dioxide. And they are so dumbed down that they don't know that without carbon dioxide, all life will perish? That's why Isaiah said they would be **(naïve and inexperienced ones)**.

Every school age child is taught that trees convert carbon dioxide into Oxygen so we can breathe. Carbon dioxide is one molecule of carbon which is attached to two oxygen molecules, And through photosynthesis in the trees, the Co2 molecule is broken down and the carbon is released from the two oxygen molecules, and the carbon molecule goes back to the earth from whence it came and the oxygen molecules are released into the atmosphere making it easier to breath. But this piece of legislation would cost between 93 and 100 trillion dollars. So where do you get that kind of money? The squad thinks you can just print it.

Oh such wisdom? These woman as Isaiah prophesied are **(naïve and inexperienced ones)**. And brother Branham taught us that “***God interprets his word by bringing it to pass***”. So He spoke it and now we see it before our very eyes.

So what are their qualifications to lead? One was a **bar tender** because she couldn't get a better job, and another was a woman who **married her own brother** so he could get citizenship, and yet another was an avowed socialist.

***Proverbs 30:21 For three things the earth is disquieted or shaken, and for four which it cannot bear: 22 For a servant when he reigneth; and a fool when he is filled with meat; 23 For an odious (hateful) woman when she is married; and an handmaid that is heir to her mistress.***

God does not wish for any man to marry a hateful woman. She is not to be hateful, but humble and kind and sweet. That is the right spirit a Spirit filled woman should have.

The Apostle Paul said in ***Titus 2:5 To be self-controlled, pure, working at home, kind, and submissive to their own husbands, that the word of God may not be reviled.***

Notice, that the Word of God may not be reviled. Which means spoken evil against.

Now, let me close in reading a few more scriptures that speak of the attributes and characteristics God wants in a wife.

He also says in ***Ephesians 5:22 Wives, submit to your own husbands, as to the Lord.***

Now, I know that some men are chauvinists and think every woman should be submissive to them, but that is not what this scripture says, it says to their own husbands.

**1 Corinthians 14:34-35** *The women should **keep silent in the churches**. For they are not permitted to speak, but should be in submission, as the Law also says. If there is anything they desire to learn, let them ask their husbands at home. For it is shameful for a woman to speak in church.*

**Proverbs 31:10-31** *An excellent wife who can find? She is far more precious than jewels. The heart of her husband trusts in her, and he will have no lack of gain. She does him good, and **not harm**, all the days of her life. She seeks wool and flax, and works with willing hands. She is like the ships of the merchant; she brings her food from afar. ...*

**1 Peter 3:1** *Likewise, wives, be subject to your own husbands, so that even if some do not obey the word, they may be won without a word by the conduct of their wives,*

**1 Peter 3:1-6** *Likewise, wives, be subject to your own husbands, so that even if some do not obey the word, they may be won without a word by the conduct of their wives, when they see your respectful and pure conduct. Do not let your adorning be external—the braiding of hair and the putting on of gold jewelry, or the clothing you wear— but let your adorning be the hidden person of the heart with the imperishable beauty of a gentle and quiet spirit, which in God's sight is very precious. For this is how the holy women who hoped in God used to adorn themselves, by submitting to their own husbands, ...*

**Proverbs 18:22** *He who finds a wife finds a good thing and obtains favor from the LORD.*

**Proverbs 14:1** *The wisest of women builds her house, but folly with her own hands tears it down.*

**Proverbs 12:4** *An excellent wife is the crown of her husband, but she who brings shame is like rotteness in his bones.*

**Proverbs 21:9** *It is better to live in a corner of the housetop than in a house shared with a quarrelsome wife.*

**James 1:19-20** *Know this, my beloved brothers: let every person be quick to hear, slow to speak, slow to anger; for the anger of man does not produce the righteousness of God.*

**Proverbs 21:19** *It is better to live in a desert land than with a quarrelsome and fretful woman.*

**Proverbs 17:1** *Better is a dry morsel with quiet than a house full of feasting with strife.*

**Proverbs 27:15** *A continual dripping on a rainy day and a quarrelsome wife are alike;*

**Proverbs 25:24** *It is better to live in a corner of the housetop than in a house shared with a quarrelsome wife.*

Now, if William Branham prophet of God can state that any woman who bobs her hair dishonors her husband and if she dishonors her husband he can put her away, then if she dishonor's her husband in any way, he has a right to put her away, then how ought we to act sisters, and brothers, when Christ is our Bride Groom.

When one Word off is Satan's kingdom, and to take one word away puts you in tribulation and you lose out on the rapture and change of the body, and to disrespect His Word, and only one word keeps you out of His kingdom, and you will be put away in the great divorcement, then how ought we to act sisters to our own husbands who we live with now?

Let's bow our heads in prayer.
