

## Unveiling of God no 196

### Communism, Catholicism and Cancel Culture part I

February 7<sup>th</sup>, 2021

Brian Kocourek, Pastor

This morning we will take our thoughts from brother Branham's sermon **The Unveiling of God**, paragraphs number **178** and **179** where we left off and this will be **no. 196** in our series. The topic as you will see, is how Catholicism and Communism have a certain tie to the churches in order for them to come together before the end comes.

Now, last week we read from paragraph **178** where brother Branham said, *"But remember there's something in the old Book that promised that there'd be a predestinated, ordained hand come one day, that would pick It up and make the Word of this Book, to a predestinated heart, to the task that It's made for, reveal the promises that's in It. It might look old, like an old bunch of holy-rollers, or something other; but it just takes the Master's hand, the Word on It, to reveal that Word; and it becomes more than a holy-roller. It's become that to every one of us, hasn't it, friends? It's not a bunch of fanaticism. It depends on whose hand the bow's in. Let us pray."*

We read from paragraph **179** which was his closing prayer, and we will also pick up at this paragraph this morning as we continue in our study.

**179** *"Our heavenly Father, by faith today I see the Master of the old Book, that **they** have swapped for traditions, **they** swapped It for denominations, **they** tried to trade It off. Now, **they're** trading It for a World Council of men, of **churches, communistic, atheistic**. The auction's on, Lord. God, step forth. Surely, You will. Send us that prophet, Lord, that picks up that bow, **that picks up this Word and proves that Jesus Christ is the same yesterday, today, and forever**. Many, Lord, will sell their lives; they'll throw away the old traditions; they'll break the veils. They want It, Lord. They'll give anything, anything, **just give them Jesus**. Lord, I think You've proved It to them now. They come from everywhere. They spend their livings; they do everything to try to get to the meetings to do all they can, because they've found that Pearl of great price. Other things are very little. But bless them, Father.*

Last Sunday we began to look into what brother Branham said here concerning paragraph **179**, showing that the churches were already at that time full of atheists and communistic inspired. I read a couple of studies where they showed 17% atheists among the clergy in one study while another dealt with how an atheist minister felt he could still hold onto his position as the pastor of a congregation all the while not even believing in God.

Reminds me of how we have seen certain ministers who claimed to believe this message amass large congregations, and yet for several years they actually disbelieved William Branham was God's End time prophet. Now, I cannot understand the massive neglect on the part of the people to allow a minister in their pulpit who evidently does not support the Message and the Messenger. To me it is total dishonesty on part of the clergy and the people as well. They will all be held accountable for their lack of a stand for this Word. And it is pure and simple deceit on the part of both the clergy who does not believe and the congregation who cannot discern that the man is an unbeliever.

Then again those ministers never did believe the doctrine that William Branham taught, and since they preached lies to begin with, so it is no mystery that they were not even believers to begin with.

Now, this morning we are going to examine another characteristic of what brother Branham said concerning the church and communism.

From his sermon **Super sign 63-1129 P:37** br. Branham said, *“Along come Germany later on. They thought that was a good idea, so they fixed it so they could turn their guns the other way. So they built themselves a line called the Siegfried Line, but American blockbusters blew them out of the ground. See? They're trying to make something super, super, all the time. Churches today wanting their super denomination... We've tried for a long time. Methodists take all; Baptists take all. Then the Pentecostal come in the race; they take all. Catholics try to take all. So they find out, a little scattered group, they can't do it. But put them together, how Scriptural it sounds. "Put us together. Put us together, and we'll do it then. We'll run communism out in the ocean." Not knowing that God raised up communism to defeat them. That's a big word for a preacher to say. But I get so sick of hearing this, "Communism, communism..." You know the signs of communism, but the hour you're living in, you don't know nothing about it. Don't you know God promised to do that? The same as He started to raise up Nebuchadnezzar to destroy Israel, because they didn't walk in His way. The Bible plainly teaches that, and this is the hour for it to happen.*

So we see that communism is actually a punishment ordained by God to punish the churches for not serving him. Now, think about that. It is not for us, it is for them, but we shall see it. And why did communism rise up? **Because its a spirit.** And I want you to think about that as well. Why are these far left, so called progressives so emotional about their communistic ideals?, because they're anointed with a spirit to do so.

From his sermon **QA Image of the beast 54-0515 P:18** brother Branham said, *“And Communism, we found out, was not no antichrist that Jesus spoke of. Communism is not a nation like Russia; Communism is a spirit. America is eat up with it. It's in the churches; it's in the people; it's in business; it's in everywhere (Communism, the spirit of it). It's in schools; it's in homes, everywhere. And then when they organized this church which was contrary...*

Notice, this was **1954** and he said it is in the homes and in the schools, and in the businesses, and in the churches. No wonder that **19** of the **20** richest counties in America are Democratic strong-holds, because **the progressive billionaires love communism.** In fact progressivism is a communist term to begin with.

You say, now wait a minute? **Businesses are capitalists, therefore they cannot be communists.** And all I can say to that is my! my! Where have you been these last ten years and what school did you attend to come up with that? China we all know is perhaps the strongest communist country in the world and yet they are also the most capitalistic in the world as well. But **the CCP is in charge of all the Chinese businesses.** And it's the same way with the churches. **The Organizations are in charge of all the denominational churches.**

There is no difference between the spirit of organization in communism and the spirit of organization in the churches, or the spirit of organization in businesses. As brother Branham said, they all want to be **the top dog**, and so they run everyone else out of the picture.

Where do you think Cancel Culture comes from? It's been the main weapon of Communist demonology from the beginning. It's the same spirit that motivates the Nicolatians. They all use the same playbook. The Catholics used it while purging Europe of Protestants. Cancel them out all together, erase them from society, erase them from their neighborhoods, and from their families. So they killed 66 million people. They purged their society of all who did not swallow the Catholic doctrine hook line and sinker.

It's all about keeping your market share. If you can cancel out any opposition, you stay on top. Whether you're Amazon who has become a monopoly, or the Catholic church who has been a monopoly for nearly 2,000 years, Or Microsoft and Bill Gates who have been a monopoly, or Apple who came in and now has become a monopoly.

Is not that exactly what Br. Branham warned us of when he said, "***Churches today wanting their super denomination... We've tried for a long time. Methodists take all; Baptists take all. Then the Pentecostal come in the race; they take all. Catholics try to take all.***"

It's all about seizing power and control, and in order to do that, they have to get it from somewhere, so they take away from the small guy, the local guy, the local government, or the small local store, or the local church. And they encourage large stores and large churches.

Don't you see that same Nicolatian spirit in communism is the same Nicolatian spirit in the churches. Therefore they both have the same characteristics and the same playbook no matter whether it is in businesses, education, healthcare, or churches. It is that same domineering spirit that wants to be top dog so they begin by Cancelling out everyone else who does not fit into their system.

I've had to fight against that same spirit everywhere I've gone to preach around the world. The ministers go around to the churches before my meetings are to begin, and try to cancel out my meetings before they even began. They've tried but they didn't prevail. And in the 59 countries I've been to, it's all been the same Nicolatian spirit with the same motives, and utilizing the same playbook.

Now that playbook is known as Cancel Culture, but it's the same Nicolatian spirit whether it is seen in Religion, or Education, or Healthcare or Politics. And its about time that the people wise up and take notice, because its the same Nicolatian spirit everywhere.

And the apostle Paul warned us that "***we wrestle not against flesh and blood but against spiritual wickedness in high places.***"

And in this message, the "Two Souls" people wanted it all, and the "Seven Thunders" group wanted it all, and the "Push Play" people want it all, and that my friends is the same Cancel Culture Spirit that says "everyone who does not see the Message the way I see it, is not going to make it." So we are in and the rest are out. That is cancel culture. And that is the playbook of that Nicolatian spirit.

You say, “well then what about the Parousia preachers”.

Well, if certain ministers are teaching that doctrine in order to gather you to them then they are no different. But if they are correctly saying what Jesus taught, and what Paul taught, and what Peter taught, and what John taught, and what James taught and if they’re not focused on building their own kingdom, but rather focused on preparing the people to come into the presence of the King Himself who has come down, then no, they’re not Canceling out others, but rather they’re gathering together all things in Christ. That’s why you cannot teach the “*Appearing and Coming*” without talking about Who came down in this hour. That’s why you can’t teach the “*Parousia of Christ*” which is the Appearing, without focusing on the “*One Who came down*” according to **1 Thessalonians 4**.

To help in the gathering together all things in Christ is not Cancel Culture. That is drawing people “*together unto Him*”. And that would also be getting the people to stop their Cancel Culture and turn their eyes upon Jesus, and look unto Him the author and finisher of their Faith who is here *to work in us both to will and to do*.

After all, how can you point people to Him and also to your own self at the same time. That’s impossible. Jesus said “*Man cannot serve two masters, for he will either love the one and hate*”.

After all, One is the God of Grace and the other is a vessel saved by Grace. One is the God of Mercy and the other is a vessel in need of God’s mercy.

From his sermon **Experiences 2 47-1214 P:20** brother Branham said, “*Now, there's coming a confederation of churches. It's already national. You know, you...?... And you're confederating. And there's two great powers a moving in the world. You know what they are without telling. There's one combination of power, and the other one is Catholicism and communism coming together. One against Christ, the other, the Catholic church. Those two powers are coming together. It's... Every person in the world is going to be under obligation to take sides with one or the other. That's when the little Holy Ghost Church will come together.*”

And I am afraid they are already together, because this pope Francis is a Communist, and he is pushing the Communist Cancel Culture against everything Christians hold dear.

From his sermon **The Seal of God 54-0514 P:107** Brother Branham said, “*Get ready. The only safe place there is today is in Christ Jesus. God bless you. If you're not in, press till you get in. Those that are in Christ Jesus will God bring with Him in the second coming. Without the Seal of God, which is the baptism of the Holy Ghost, confederation of apostasy is the mark of the beast. That's THUS SAITH THE LORD. See what I mean? But these religious teachers are trying to put it on communism, when they don't realize it's working right in their own midst. He said, They'll be blind leaders of the blind, He said, will have eyes, and can't see. Said, You do in your traditions, speaks the doctrine of men, make commandments of men, making the commandments of God of non effect. You'll laugh at the Catholic for setting up their catechism, and your men goes right up here to some conference or something, and decide whether they can receive Divine healing, or the baptism of the Spirit, and these things. And they condemn It and turn It down.*”

And **you laugh at the Catholic.** **You ain't got no right to laugh at the Catholic.** 'Cause **if she was a whore, the Bible said you're a harlot in the same confederation.** "Come out from among it, My people! Be ye separated," saith God, "and I will receive you unto Myself." That's right.

You know, I get so sick and tired of hearing people, especially right here in this Message who look down on Catholic people as though they are some sort of demonic possessed people, and yet I could easily compare the virtues of many a Catholic person today as superior to many so called believers in this message. When I look at being kindly affectioned one to another, I know more Catholics that way than I see in this Message. When it comes to being civil and respectful to others, and being honest and ethical with others, I do not see very much of that among too many Message Believers.

Oh my, don't get me started. As a Catholic boy when we sinned we acknowledged our sin, and even confessed it because the bible says, "**confess your faults one to another**". But I have been a pastor for **39** years and I have seen many so called believers in this Message who were thieves, liars, fornicators, and adulterers. Yes sir, right in this Message, more of them than I ever saw as a young man growing up Catholic. So don't tell me the Message people are high and mighty when it comes to ethics, because many who claim to believe God sent a prophet in this hour have no ethics because they have never been born again, and thus have not become a new creation in Christ. As brother Vayle used to say all the time, "*Blood is thicker than water*", and that is because he found that people hold more onto family ties than they do to the Word of God when it comes to judging their own families.

So if the Catholic Church is the Whore and she has many daughters which are harlots, then is not a harlot the same as a whore? "**Can the pot call the kettle black**"? When you **DIS** another person what are you doing? You're trying to **Cancel** them out. That is **Cancel culture** my brother and my sister. And isn't that that the same method all those so-called Message ministers did to brother Vayle over the years? And I know first hand because they tried to do that to my meetings overseas. They went ahead and told the people I was preaching two Gods to scare them away from attending my meetings, and that was a lie. I've never preached two Gods, and I don't believe in two Lords either.

But that method of cancel culture is what Cain did to Abel, he canceled out Abel by stoning him. And they tried to cancel out Jesus by stoning him as well. But it didn't work, and the message moved right on. And yet God succeeded anyway. And His word for the Hour which is His Teaching which is His Doctrine has gone into all of the world in spite of their efforts to stop it. In spite of all the **Cancel Culture** we've had to fight against.

And look at the **Cancel Culture** brother Branham had to fight every step of the way. Yet I marvel at how he kept his sanity through it all. And I marvel even more how he kept his perspective during all those years the denominations fought so hard to Cancel out any influence he might have in winning souls to Christ and "**return the hearts of the children to the doctrine of the fathers**".

And that is the way Joseph did in Egypt with his own brothers who **Canceled** him out from their own family. Yet he brought them back together.

Lord help me to be more like your prophet William Branham and your Joseph in Egypt in that same way.

From his sermon **Israel in Egypt 53-0325 P:105** Brother Branham said, "*Then Joseph was sold for almost thirty pieces of silver by his brothers. The Jewish church betrayed Joseph. Today what is it in this church? A betrayal. They getting documents; they're going to try to have a... Well now, you just keep this on your mind. They're going to have a confederation of churches. The churches of Christ of America has already confederating with all their churches, and they're going to have a band here someday that'll shut out to fight Communism, which will hook up with Catholicism, with the Protestant church and the Catholic church together. And the interdenominations who stand out for the truth, and get away from that dogma that they've got, will be persecuted. The mark of the beast, the Seal of God, the showdown will soon come. And, brother, if That's not in there, you'll be deceived as sure as the world, 'cause it'll look so nice. You'll say, "Now, if Communism made a... for the world, why, let us make another agreement, and bring all the Christian, and Christianize the world back." And look so good, the people will jump into it. See? They'll confederate the churches, and bring, try to make Christianity one unit. And the Bible says in Revelations, that he give his power and everything, that he made an image unto the beast and exercised all the power the beast did before him. Sure, it is. Wish we had time to hook Revelations in this thing (But we haven't. See?) to see where it's at. You're right here in the end of time, brother. We're at the end of the age.*

And then from his sermon **The Ten virgins 60-1211M P:127** brother Branham said, "*And now, let's make a image unto that beast." And over in this country they made a image: a confederation of denominations together, the Nicolaitanes getting together and denominated themselves; and finally will unite this brotherhood, not come in as Catholics, but they'll be united as a brotherhood to try to stamp out Communism. And the Bible said that God raised up Communism to get revenge upon the nations for what they've done to the children of God. Exactly right. He said, "And they give their power and everything to the beast for one hour, and to revenge the people, the... of the blood that they had shed." And when that atomic bomb or whatever it is will strike that Vatican City, and the Roman hierarchy will be no more, it said, "And in her was found the blood of every martyr that ever was killed in the world." There she is. And here's the image to it, a confederation of churches. Won't be long till we'll have to close them doors out yonder, that's right, or either take a denominational mark. And we'll close the doors. That's right. We'll... We know better than that.*

You know, when I see these mega churches being built in this country, and people claiming the coming of the lord is near, I just wonder what their motive is for building those big churches? Brother Branham said, they are going to close down the true churches, and in fact they've already begun, because they closed down the Branham Tabernacle, and they can't hold church in it any longer.

So as I said before, therefore if they close us down, does that mean we just build another one bigger than what we had before? Some would think so. But I can't see it, not in this nasty world environment we are now in.

From his sermon **Blasphemous names 62-1104M P:79** *This woman, this woman, her power... And you see right now where **they're going to take all the people that's got odd ideas about religion and send them to Alaska.** You've seen that. All of our odd beliefs... And what is it? **The Council, the World Council of Churches... And the Catholic has their big to-do going on in the Vatican now, over there to where they're trying... And all these bishops and so forth, they're trying to come to an agreement to fight communism, the world fighting communism and only joining up with Catholicism.***

FEMA camp in Alaska reported to be able to hold 2 million people

So they began in **1962** by **calling together the churches to fight Communism**, and yet back then they were just fighting a nation that was communist. That country was the Soviet Union. And when Pope John Paul 2 who was born in Poland, when he went to Poland and joined together unions to fight Communism, we saw what brother Branham was talking about. Yet today the joke now, is that **this present pope has come full circle and is a Communist himself**. So you see **they used fighting communism as a ruse to bring the churches together**, and yet *“communism is a spirit,”* and it is a **spirit of organization** that uses certain tactics to set themselves forward, in order to come out as **the top dog**, and so they use **Cancel Culture** to do their work for them. And remember in Russia only about **2%** of the people were actually in **the Communist party** yet they ruled the **98%** who were not.

But I’ve seen **that same spirit** right among churches that claim to believe this Message. They use the same tactic Hitler did, and the same tactics that Stalin did, by making other churches their enemy, and thus cutting off all fellowship with others, they can hold onto the people, because let’s face it, that’s the only way they can hold onto their people. But if they would bring the people to Christ, you wouldn’t have to hold onto them, because they are in Christ they would not want to leave. And let’s face it, It is not them holding onto Christ it is Christ holding onto them. He said he *“**would not let anyone pluck them out of His hand.**”*

The apostle John said in **1 John 2:19** *“**They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us: but they went out, that they might be made manifest that they were not all of us. 20 But ye have an unction from the Holy One, and ye know all things. 21 I have not written unto you because ye know not the truth, but because ye know it, and that no lie is of the truth. 22 Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son. 23 Whosoever denieth the Son, the same hath not the Father: (but) he that acknowledgeth the Son hath the Father also.**”*

John said *“**they went out from among us**”* because of one thing. *“**They were not of us**”*, and he said *“**it is no doubt that had they been of us they would not have left.**”* And therefore, I have never believed in using any of their tactics to hold onto a congregation and keep them from leaving. If they want to leave it is because they are not meant to be here. So if they wish to leave let them go and I don’t believe in standing in their way.

Just wish them God speed. But don't ever fuss with them because they want to leave. They left because they didn't belong here, and they were not comfortable with what is preached here.

I had one brother who, after he left, said *he wanted to come and shoot me dead*. That was almost 20 years ago but I just found that out the other day. I think that is why God put him where he can't hurt anyone. You see, God is always in control. Jesus said, "*Fear not little flock, for its your Fathers good will that he Give you the kingdom.*"

And I can't enter into my Fathers Kingdom any sooner than he has ordained for me to enter. And no man can hasten that day because that day is up to God. They wanted to shoot brother Branham as well, and a good friend of mine, br. Kash, they tried to shoot him as well. So what's knew. **Satan has always wanted to cancel out God's Servants.** That just shows it's the same spirit behind it all.

Now, from his sermon **Second Coming 55-0220A P:42** Brother Branham said, "*Communism comes in with a false economy, and promise him something faulty. Oh, they care, but really what these fellows has done, and so forth, like the Catholics, and so forth. They got out among... the poor fellow has got a soul. ... Be he promised him something.*"

And everyone knows we are living under a false economy and any day now the whole thing will fall apart. Wall Street has been rigged for so long, that everyone knows about it. It is no longer a secret the rigging they do, but it has become blatantly rigged.

Notice he said, Communism comes in with a false economy and promising something faulty. And the promising something faulty is when you make promises that you and everyone else knows will be impossible to do. Like the "Green new deal" that appeases the gullible small minded people who have swallowed the myth that the world has only so many years left and it will die from global warming.

When I was in high school they said we have only 10 years left and we will enter another ice age. The left (Communism) is always promising something they know are lies but they say it anyway, because no one is ever held to account if he has the media at his back. But the facts are that there is a God who will hold all liars to account for their lies, and there is a lake of fire that they will go to as a result of their lies. So to be communist you first have to do away with God and with accountability to Him. And that is where they had to take over the education system and make it godless first.

Our educational system has run wayward because the teachers unions have tied themselves to the progressive communist agenda and have pushed that agenda on the students, turning out uneducated idiots with a high school degree not worth anything. And that has created chaos in our American society. Children today are graduating from the public schools who can't even read or make change for a dollar bill.

This nation spends more per student than any other nation in the world yet we are the last in value of education per dollar spent, even behind the lowest third world countries. And if you get a good teacher who tries to teach the children to learn, they are ostracized by other

faculty members and the union will not support them because they're not following the unions manifesto.

In fact back in **1995** I remember hearing a recital of the National Federation of Teachers manifesto for the **1995** and **1996** school year, in which the gay agenda was pushed forward as an acceptable lifestyle in the schools. The California teachers union put out a calendar of events for that year and listed among the events, “**Coming out week**” and “**National aids awareness week**,” and some **Hindu holiday**, but it skipped *Thanks Giving* and *Christmas* showing who is in charge of the schools.

Now we all know the effects of a Godless society is what we are seeing today. But did you know that the Catholic church through the Society of Jesus (**the Order of the Jesuits**) has been planning the takeover of the minds of the school children for well over a 100 years or more? I have 7 books in my possession that deal specifically with this subject and only one of them has been written in the past few years and that by a devout Catholic Malaci Martin. The other books are very old and in fact 3 of them were written around 100 years ago or close to it.

The book [Thirty Years in Hell](#) written by ex-priest *Bernard Fresenberg* was written in **1904** with many quotations dating back to the **1860's**.

The Second book entitled, [The Devil in the Church and his snares laid to destroy our Public Schools](#) was written by *Norman Morand Roumane*, was written in **1902**, while the third book, entitled [Romanism a Menace to the Nation](#), was written by ex-priest *Jeremiah Crowley* who was a pastor from Cincinnati, and the book was written in **1912**.

Each of these books reveals specifically the role of the Catholic Church from ex-priests who were aware of the **Jesuit** plans to destroy our public schools. The books are very interesting and reveal much concerning what we are now seeing take place in our public school system.

This **dumming down of America** is nothing new in this Nation. It has been planned for a very long time and has been implemented slowly over the years little by little until we see the full manifestation of it today.

Many quoted statements in these books reveal where the real dumming down of America has come from, such statements are quoted as the following:

*Pope Pius IX from the Encyclical 45 “The Roman church has a right to interfere in the discipline of the public schools, and in the arrangements of the studies of the public schools, and in the choice of teachers for these schools.”*

So who gave them that right? They gave themselves that right, but the American people never gave it to them. Its just the same as some progressive leftist black activists gave themselves the right to speak for the black people, but the black people never gave them that right. The problem is that the people just let that kind of stuff go without challenging it publicly.

Another Quote from a *Catholic Priest in The Boston Advertiser*: “*Catholics would not be satisfied with the public schools even if the Protestant Bible and every vestige of religious teaching were banished from them.*”

In other words, because it is a public school we don't care what is taught, whether proper or not, we will oppose it. That is the same cancel culture we see today among the democrats who cancel out anything that is not progressive communist.

Another quote from **Cardinal McClosky**: *“We must take part in elections. Move in solid mass in every state against the party pledged to sustain the integrity of the public schools.”*

So you see, it mattered not what party wanted integrity in the schools, they would cancel culture it away with all their preplanned dishonesty. Now, how can you have a civil discussion with people who are diametrically opposed to truth. That is why they adopted feelings and emotions to campaign on, because feelings and emotions have nothing to do with truth, honesty and integrity.

Another quote from **President Garfield in His Acceptance letter, July 12, 1880**: *“Next in importance to freedom and justice, is popular education, without which neither freedom nor justice can be permanently maintained. It would be unjust to our people and dangerous to our institutions, to apply any portion of the revenue of the nation, or of the State, to the support of sectarian schools. The separation of the Church and the State, in everything relating to taxation should be absolute.”*

Now, this president knew that the Catholic church wanted the tax revenue to support their schools so our tax dollars would support their indoctrination of our youth.

Then we have a quote from **General Grant at Des Moines, Iowa in 1876**: *“Encourage free schools and resolve that not one dollar appropriated to them shall be applied to the support of any sectarian school.”*

He was the President at the end of the civil war and he knew full well that the Pope had backed the South in hopes of setting brother against brother in this country. And let's face it the South was very Catholic in those days with many Irish and French-American Catholics.

Then we have a quote from **Pope Pius IX in his Encyclical - 47**: *“Education outside control of the Roman Catholic Church is a dangerous heresy... Public schools open to all children for the education of the young should be under the control of the Roman Catholic Church and should not be subject to the civil power, nor made to conform with the opinions of the age.”*

And then we have a quote from **Abraham Lincoln** that was written to **Charles Chonoquay** the ex Catholic Priest who Abraham Lincoln defended against the Catholic hierarchy when he left the priesthood: This letter was quoted by Charles Chinoquay in his Book entitled **Fifty Years in the church of Rome**.

**Abraham Lincoln said in that letter** *“The common people see and hear the big noisy wheels of Southern Confederacy's cars, they call the Jeff Davis, Lee, Toombs, Beauregard, Semmes, etc., and they honestly think that they are the motive power, the first cause of our troubles. But it is a mistake. The True motive power is secreted behind thick walls of the Vatican, the colleges and schools of the Jesuits, the convents of the nuns and confessional boxes of Rome.”*

*“There is a fact which is too much ignored by the American people, and with which I am acquainted only since I became President; it is that the best, the leading families of the South, have received their education in great part, if not in the whole, from Jesuits, and the nuns. Hence those degrading principles of slavery, pride, cruelty, which are as a second nature among so many of those people. Hence that strange want of fair play, humanity; that implacable hatred against ideas of equality and liberty, as we find them in the Gospel of Christ. You do not ignore that the first settlers of Louisiana, Florida, New Mexico, Texas, South Carolina and Missouri were Roman Catholics, and that their first teachers were Jesuits. It is true that those states have been conquered or bought by us since. But Rome has put **the deadly virus** of her anti-society and anti-Christian maxims into the veins of the people before they became American citizens.”*

*Abraham Lincoln* went on to say, “Unfortunately the Jesuits and the nuns have in great part remained **the teachers** of those people since. They have continued, **in a silent, but most efficacious way, to spread their hatred against our institutions, our laws, our schools, our rights and our liberties, in such a way, that this terrible conflict became unavoidable, between the North and the South. As I told you before, it is Popery that we owe this terrible civil war.”**

*He continues,* “I would have laughed at the man who would have told me that before I became President. But Professor Morse has opened my eyes on that subject. And, now, I have seen that mystery; I understand that engineering of hell which, though not seen, nor even suspected by the country, is putting in motion the large, heavy and noisy wheels of the state cars of the Southern Confederacy.”

*“Our people are not yet ready to learn and believe those things, and perhaps it is not the proper time to initiate them to those dark mysteries of hell; it would throw oil on a fire which is already sufficiently destructive.”*

*“You are almost the only one with whom I speak freely on that subject. But Sooner or later, the nation will know the real origin of those rivers of blood and tears, which are spreading desolation and death everywhere. And then, those who have caused those desolation’s and disasters will be called to give an account of them.”*

*“I do not pretend to be a prophet. But I see a very dark cloud on our horizon. And that dark cloud is coming from Rome. It is filled with tears of blood. It will rise and increase, till its flanks will be torn by a flash of lightning, followed by a fearful peal of thunder. Then a cyclone such as the world has never seen, will pass over this country, spreading ruin and desolation from north to South. After it is over, there will be long days of peace and prosperity: **for Popery, with its Jesuits and merciless Inquisitions, will have been for ever swept away from our country. neither I nor you, but our children will see those things.”***

Unfortunately Abraham Lincoln was not a prophet of God or we could look forward to those words being fulfilled. I believe that is what President Trump had set out to do, and as we see in Daniel 8:25 after he took his stand against the prince of princes, the pope, he was suddenly broken without hand, and that took place when the Vatican satellites intercepted the Dominion voting data and changed it to Biden votes, thus fulfilling **Daniel 8:23-25**.

Another quote we see is from **Cardinal Martinelli Papal delegate to America 1902**: This Cardinal had a very bizarre resemblance to **Richard Milhouse Nixon** the 37<sup>th</sup> President of the United States. *“we know that there are many immortal priests and bishops, but still the laity have no right to interfere with the clergy; if the laity understand they have any rights, they will do in America as they once did in France during the Revolution, they will murder the clergy. In this independent country it would not be wise to let the laity understand they have any right to interfere in church matters: and one of the principal things we have against you, Father Crowley, is that you are*

*enlightening the Catholic laity of this country as to their rights; the laity have no rights to expose their clergy, no matter how immoral they may be; the laity must be ignored; they must be crushed!”*

The political power of the Roman Catholic Church in America was proclaimed to the non-Catholic politicians, in a speech delivered by Archbishop Quigley, May 4th, 1903, at the Holy Name Roman Catholic school, Chicago, and which appeared in part in **The Chicago Tribune, May 5th, 1903** :

*"In fifty years **Chicago** will be exclusively Catholic. The same may be said of **Greater New York**, and the chain of big cities stretching across the continent to **San Francisco**. . . . Nothing can stand against the Church. I'd like to see the politician who would try to rule against the Church in Chicago. His reign would be short indeed."*

Well, Trump tried and he's out, so I guess there is more power than the people suspect. After all when brother Branham saw the woman in the purple colored attire he said She would either be President or Vice President, but He thought the power actually would be the Catholic Church.

From his sermon **Seventy weeks of Daniel 61-0806 P:110** Brother Branham said, *“Now, that brings us then to the election of President Kennedy, and this car coming on the scene,*

*bringing five things out of the seven that has happened exactly. Now, I predicted and said, "I saw a great woman stand up, beautiful looking, **dressed in real highly royals like purple**, and I got little parenthesis down here, "She was a great ruler in the United States, perhaps the Catholic church." A woman, some woman... I don't know her to be the Catholic church. I don't know. I can't say. **Only thing I seen, I seen the woman; that was all.** But this is a woman's nation. This nation is number thirteen in prophecy. She's got thirteen stripes, thirteen stars; she started thirteen colonies.*

*Thirteen, thirteen, everything's thirteen, appears in the 13th chapter of Revelations even. She's thirteen, and she's a woman's nation.*

So brother Branham saw this woman **dressed in purple**, and thought perhaps it would be the Catholic church, because let's face it a woman in Scripture always referred to a church, and in **the Book of the Revelation of Jesus Christ**, or as we commonly call it **the Book of Revelation 17:1** we read, *“And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: 2 With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. 3 So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns. 4 And **the woman was arrayed in purple** and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and **filthiness of her fornication**: 5 And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.*

Now, it is no mystery that this woman in the Book of Revelations is called a Whore. And it is no mystery that our [Vice President](#) got her start in politics by sleeping with the mayor of San Francisco Willie Brown.

Brother Branham said in his sermon **From that time 60-0716 P:92** *And so, I won't have time in this meeting to tell you. In 1933, this is a woman's nation. It's the **number thirteen**. It appears in the thirteenth chapter of **Revelation**: **thirteen stars, thirteen stripes, thirteen...** Everything's a **thirteen**. Everything is a **woman**. And remember, **THUS SAITH THE LORD** there will be a woman rule before the end time. She'll either be President, **Vice-President**, or it'll be the Catholic church as a woman. **I've seen her**: A great woman, the nation bowed to her. It'll be one before the end time. **THUS SAITH THE LORD**. Write it down and find out, you young people. See if it happens. **If it isn't, I'm a false prophet**.*

So brother Branham staked his reputation as a prophet of God on this vision being fulfilled just the way he saw it. And if it had been just the catholic church, you would not have seen the woman dressed in purple. Now, John saw the woman in the vision dressed in purple, and He called her a Whore the mother of Harlots.

Now, here is what I see. There had to be optics or people could fuss all they want whether it is the church or not. But there is a natural and a spiritual application to His vision. There had to be a woman in purple to give us the optics of the visions fulfillment. This gives closure to that vision.

Now, remember, he said she would be a powerful woman, and he thought it would be the church. Now, what I see is that it is both. The Church is the real power ruling this nation. And she proved it when the Vatican stole our election right out from before the eyes of the entire world. And she got away with it, and they want to vilify anyone who says the election was stolen. Yet that is exactly what they did, and they got away with it. They used three satellites they leased but controlled and ran from the Italian government. I have posted the Engineer's confession who did it.

They used these satellites to move around their trillions of dollars from one account to another thus laundering their illicit gains. But she rules because she has the power to dethrone Presidents and Kings. **Daniel 8:25** said our president *would stand up against the pope, the prince of princes, and then he would be broken without hand.*

So we see the vision in **Daniel 8:25** is the same vision brother Branham saw that was to come to pass right before the end time. And we have seen it. God used a woman dressed in Purple to let us know the vision is now fulfilled, and the next vision which is the 7<sup>th</sup> vision is not for the Bride for she will not see it, because she will be caught away before that happens. So how close are we brothers and sisters?

Jesus said in **John 5:24** *Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into the judgment; but is passed from death unto life.*

**Easter seal 65-0410 P:45** Now, in **John 5:24** Jesus said, speaking this way, *"He that heareth My Words and believeth on Him that sent Me, hath Everlasting Life and shall not come into the judgment, but's passed from death unto Life."* Just think how simple that is. *"He that believeth..."* Now, *the correct way of saying that, "He that understandeth..."*

And the only ones with the correct understanding are them with the Holy Ghost who have received the revelation and teaching which is the doctrine for the hour in which they live.

**Seed not heir with shuck 65-0218 P:30** *There is no judgment to the royal, spiritual, predestinated Seed of Abraham, for they are predestinated to Eternal Life. They have accepted God's provided Sacrifice, and that Sacrifice which is Christ, the Word. "And there is therefore now no condemnation (St. John 5:24, if you want the Scripture)... There is therefore now no condemnation to them that are in Christ Jesus (Romans 8:1)... walk not after the flesh, but the Spirit." And John 5:24, "He that heareth My Word (the word there is 'understandeth.' Any drunkard anything else can hear it and walk away.)... But he that heareth My Word (understands My Word) and believeth on Him that sent Me hath Everlasting Life and shall not come into the judgment, but's passed from death unto Life." Yes, sir. He that this great mystery of the God made known, understand, how that God was in Christ reconciling Himself to the world, how that He and the Father were One, how that the great mysteries of the fulfilling of God taking and bringing Hissself, manifested in the age of human beings, and in the strain of human beings, and in the company of human beings, to make His Word manifested in the day in the eastern rising of the sun and to do the same thing as the sun sets in the west, to make Hissself manifested in a Bride church, the Word made manifest. See? It will to... "He that understandeth (that is, to know), that's been revealed to him of Him that sent Me, has Everlasting Life and will not come into the judgment, but's passed from death unto Life."*

**His unfailing words of promise 64-0120 P:65** Look what Jesus said, *"He that heareth My Words ('Heareth' means 'to understand.' See?)... He that heareth My Word, and believeth on Him that sent Me, has Everlasting Life, and shall not come to the judgment, but's passed from death unto Life."*

And we have covered this hundreds of times, where Paul tells us in **1 Corinthians 2** that no man can understand the things of God except the Spirit of God be in him. So it is no mystery that many hear but do not understand what they hear. But them with the Holy Ghost will understand what they hear.

This evening at 4 we will pick up here where we will leave off and resume this wonderful study of God's Word and how we are actually witnessing the closing of the gentile age, and then God will turn to the Jews as we are taken from the earth before the judgments fall.

But as far as The Criminal take-over of the country goes, even if Trump were to come back on the scene it is all over. The sixth vision is now complete, and from visions 1-6 there was time for repentance, but I believe the Ark doors have now closed and we are setting in the ark just waiting for the judgments to fall. And yet unlike Noah we will not be here for the judgments, for as God's prophet told us in the **Easter seal 65-0410 P:45** Now, in **John 5:24** *Jesus said, speaking this way, "He that heareth My Words and believeth on Him that sent Me, hath Everlasting Life and shall not come into the judgment, but's passed from death unto Life." Just think how simple that is. "He that believeth..." Now, the correct way of saying that, "He that understandeth..."*

Let us pray...
