

Unveiling of God no 197
Communism, Catholicism part 2

February 7th, 2021 pm

Brian Kocourek, Pastor

As we closed this morning we saw where brother Branham said in his sermon **Second Coming 55-0220A P:42** *“Communism comes in with a false economy, and promise him something faulty. Oh, they care, but really what these fellows has done, and so forth, like the Catholics, and so forth. They got out among, ... the poor fellow has got a soul. ... Be he promised him something.”*

And just like the economy being false, so is communism. Why? Because it is *a false spirit*, which is *a wrong spirit*. What these people need is salvation, not capitalism. These people are atheist, meaning they are Godless, and immoral, and unethical, and yet they live and die by the **Cancel Culture** because they will even cancel each other out one day.

Now, I could be mistaken but at the first Exodus the plagues did not have any effect upon the children of Israel, for they were safe in Goshen, and Jesus promised us that we are safe in Him and the judgments will not come up on us either.

***John 5:24** Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into the judgment; but is passed from death unto life.*

So don't worry about Communism, it is a pariah that eventually eats itself to death. Look at the so called great CCP, and yet it is as bankrupt as the USA is, and let's face it all other nations are.

From his sermon **Testimony 63-1128M P:11** brother Branham said, *“Like I was trying to say last night, the world coming to a place it's falling apart, politically, socially, economically. You say, "Economics? More money." Yes, but where's it coming from? We're borrowed on taxes that'll be paid forty years from today. She's broke. She's bankrupt, the nation: not this nation, but all of them. And there's no way ever getting it back. And it's a trap set exactly to swing this nation into something. And all of you are wise on that. Well, who's got the wealth of the world? Who holds it? [Someone says, "Rome."--Ed.] Sure, it does. **Rome holds it.** And whenever we do, when we get broke, instead of these big merchants tobacco, whiskey, and so forth, like have to get the money; what we'll have to do, **either change the currency or borrow the money.** And when they do, **it's the birthright sold right back, exactly, just as perfect, and just what the Scripture says about it.***

We know all about the oncoming depression judgment and how it is about to hit at any time now. We've already taught on that so I won't spend time on it again, but notice that it's all a trap to bring us under the Vatican because they have the gold of the world.

Therefore in his sermon **Greatest battle ever fought 62-0311 P:181** Br. Branham says *“Let's take **Daniel's vision**; that's the Word of God. "Thou, oh Daniel, King Nebuchadnezzar is this head of **gold**: Babylon. Another kingdom will succeed thee, which is **silver** (See?), which is Medes O Persia." Another one was **Greece**, Alexander the Great;*

*next come in Rome. And there wasn't nothing said about a communism. Rome conquered the world. Jesus Christ was borned in the Roman kingdom and persecuted, His first time come here by the Roman kingdom. And on His second advent coming now, His message is persecuted by the Roman denominations, which is the mother of all of them. And when He returns, He will come back to wipe out that Roman kingdom, that the Jews has always looked for Him to come and wipe out the Roman kingdom. The Catholic hierarchy with all the denominations in the world, right now coming together as an organization, the confederation of churches organizing themselves together. It isn't Russia, it's Rome. **THUS SAITH THE LORD.***

So we see that Babylon was the head of **Gold** and that is what Rome has sought after ever since they looked to that vision given to **Daniel**, they want to return to **the head of gold**, and so she has been stashing away the gold from Spain and Portugal and the Incas and the Mayans and Aztecs which they plundered those civilizations for over a thousand years. And do you know how they achieved that? By bringing the plague to those civilizations. They brought smallpox to the Incas and Mayans, and Aztecs and killed off their warriors and then stole their gold. And how did they conquer America? By bringing in the plague of COVID first so they could manipulate the voting process, and make changes to the rules, and it seems they are holding to their same play book now as they did back then, seeing it worked all those other times. And they have used this plague we are now in and have others ready in their labs to keep the world subjugated to the medical tyranny until it brings down all the world economies, and their global reset ushers in a global Catholic Communistic New World Order.

Below I've posted the latest letter at the bottom from Cardinal Vigano. I've been thinking about this Cardinal Vigano since he started writing his letters a year or so ago indicting the present pope Francis as a communist.

William Branham prophet of God said in his sermon **Second coming - 55-0220A** *communism comes in with a false economy, and promise something faulty.*

Just look at all the faulty promises they've made, "we will pay off all your student loans", they know they can't do that, there isn't enough money in the USA to do that. But they promise it anyway. They promise them a **green new world**, and **no more prolusion from airplanes and cows and automobiles**. So how they going to do that? They promise them that they will build a railroad to Hawaii. And JT Barnum said "a fool is born every minute."

And we've seen those promises made here in the USA by Biden, Harris and others.

But I think this cardinal Vigano could be the next pope who will unite the rest of Christendom to fight communism as brother Branham prophesied would take place. He sounds very much like an American conservative.

Again William Branham prophesied in his sermon **Ten virgins - 60-1211M 127.** *"And now, let's make an image unto that beast." And over in this country they made a image: a confederation of denominations together, the Nicolaitanes getting together and denominated themselves; and finally will unite this brotherhood, not come in as Catholics,*

but they'll be united as a brotherhood to try to stamp out communism. And the Bible said that God raised up communism to get revenge upon the nations for what they've done to the children of God. Exactly right. He said, "And they give their power and everything to the beast for one hour, and to revenge the people, the... of the blood that they had shed." And when that atomic bomb or whatever it is will strike that Vatican City, and the Roman hierarchy will be no more, it said, "And in her was found the blood of every martyr that ever was killed in the world." There she is. And here's the image to it, a confederation of churches. Won't be long till we'll have to close them doors out yonder, that's right, or either take a denominational mark. And we'll close the doors. That's right. We'll... We know better than that.

Now the Branham Tabernacle has already closed their doors for almost a year now. They have not held meetings since the COVID laws went into effect. The Law shut their doors for service. Prophecy has been fulfilled.

And from his sermon **Super sign - 63-1129 37** Brother Branham said, *"They're trying to make something super, super, all the time. Churches today wanting their super denomination... We've tried for a long time. Methodists take all; Baptists take all. Then the Pentecostal come in the race; they take all. Catholics try to take all. So they find out, a little scattered group, they can't do it. But put them together, how Scriptural it sounds. "Put us together. Put us together, and we'll do it then. We'll run communism out in the ocean." Not knowing that God raised up communism to defeat them. That's a big word for a preacher to say. But I get so sick of hearing this, "communism, communism..." You know the signs of communism. But the hour you're living in, you don't know nothing about it. Don't you know God promised to do that? The same as He started to raise up Nebuchadnezzar to destroy Israel, because they didn't walk in His way. The Bible plainly teaches that, and this is the hour for it to happen. 38. We find out, in the day that we're living, all these things. They're not nothing hid; it's something that God has revealed in the Word, but people are too blind to see it. Today we think, "Well, now, if we can all get together, in the unity there is, or in the multitude of counsel there is safety." That is true, but what kind of a multitude are you counseling in? How can you walk together? How can you throw these denominations together? Some of them believers, and some unbelievers, and some make-believers, how you going to put them together and walk together? "How can two walk together except they be agreed?" it's also written. Look at here what they do; they make themselves a multitude. 39. One time they did the same thing in the Bible, when Ahab was in trouble, or Ahab sent down for Jehoshaphat to come down from Judaea and to find out if he would take his armies and help him fight the battle. And Jehoshaphat, a believer out of connection with his God, went down there and said, "Yes.*

Now to me that sounds like it could be Trump, because like Jehoshaphat who was a believer like Jehoshaphat I believe he could come together with Vigano to fight the enemy. Remember Trump's wife is Catholic. And though he is out of office he still has 100 million people following his leadership.

Notice Br. Branham said *"Don't fear communism"*, so Biden and his communist cabal although they have taken over here yet we are not to fear them, for remember, who put them in? The Vatican did. And the facts are finally coming in that Trump won by a land slide of

perhaps 49 states. And So we still wait for the mantra of “**peace and safety**” *before the sudden destruction comes.*” And Trump has already been nominated 5 times for the Nobel Peace Prize from many Arab countries and Norwegians who are tired of the wars and killing and just are all worn out. We’ve had 4 nations sign peace pacts with Israel and Morocco just gave Trump the highest award that can be given in their nation in respect for what he did that no one has ever done before.

From his sermon **Spoken word original seed - 62-0318E 17**. Br. Branham said “*Now, the first thing... I want to say this before I forget it. Do not never Fear communism. Communism is only working in the hands of God. It's a ungodly affair just like King Nebuchadnezzar was, but He sent him over there and chopped Israel out because of their disobedience. When the prophet told them what was coming and he told them to stay in their land and remember God, they wouldn't do it; they went on anyhow, and the king come right out and got them anyhow, because he said he would. Communism is a thing that's... The reason that Communism rose up is because the illegitimacy of the Catholic church overseas in Russia. **They took all the money and had everything hoarded up, and that's all there was to it. That's exactly what made Communism.** 18. When that little boy was raised from the dead up there in Finland, them big Communistic soldiers standing there with a salute when I passed by, the tears running down their cheeks said, "We'll receive a God like that," sure, a God that can raise the dead and keep His Word, sure. See? But when it comes to just going to church and living like the devil and everything else, like the rest of the world, making nothing, then they don't believe in it. And to be honest, I don't either. That's right. That's right. (See?) **There's no Scripture that says Communism will rule the world, but there is a Scripture, and all the Scripture said Romanism will do it. So keep your eyes on that.***

From his sermon **the First seal 63-0318 P:156** brother Branham said, “*So I didn't do it, but I got to go all through the Vatican. Why, you couldn't buy it with a **hundred billion billion dollars.** Why, you... And just think, "The wealth of the world," the Bible said, "was found in her." All... Just think of the great places, the billions times... Why did Communism raise up over here in Russia? It just makes me sick at my stomach to hear so many preachers hollering about Communism, and they don't even know what they're crowing about. That's right. Communism ain't nothing. It's a tool in the hand of God to bring revenge upon the earth for the blood of the saints that... That's right.*

And a billion-billion dollars is 1 Quintillion, and so a hundred billion-billion is 100 quintillion. Then we will soon find out that that this Cardinal Vigano has been making the case for himself to lead all Catholics and Other Christian denominations to fight communism, and so I believe based on what I’ve seen that he could end up being the pope to come out of the America where he has lived for the past decade plus. First as the papal nuncio to America placed here by pope Benedict and then has remained in hiding here since he was taken out by the current pope.

Now, this pope out of America was not something William Branham came up with. But is an old prophecy that has been around for hundreds of years.

In the Book Romanism a Menace to the Nations written by Rev. Jeremiah Crowley, an Ex priest and protestant minister from Cincinnati Ohio wrote in 1912 (90 years ago) on page 65 the following.

CARDINAL FALCONIO THE COMING "AMERICAN" POPE.

*Cardinal Falconio, an Italian, Rome's late chief secret service agent in the United States, has been recalled and rewarded for "signal service." He is now **Chief of the Secret Service Bureau at the Vatican, Dean of the "American" cardinals, and quasi American Ambassador to the Vatican.** This Italian Franciscan monk claims **American citizenship; and consequently Jesuitical expediency and hypocrisy not the Holy Ghost will inspire the Sacred College of Cardinals to elect Falconio the next pope an "American" pope ! ! !** **This is a part of the plot and plan to capture America,** and through America, to regain Temporal Power, not only in Italy, but throughout the world.*

*It is easy to see that we have a hard fight before us, and we should remember the advice: "The other fellow [**the pope**] is only a man, just as you are. Don't let his spectacular displays and theatrical performances frighten you."*

So we see that William Branham believed that prophecy. Now, who God used to prophesy that is unclear at this time, but let's face it the vessel is not necessary to know, but the prophesy is clear.

But this end time show we are watching has many plots and twists and turns in it, and each twist and turn is based on the art of war, and is meant to deceive or is a misdirection so as to deceive but with each episode the people are coming more and more together to fight communism, and this current pope has pushed that theme but this cardinal Viganò has been in the lead through his few but powerful letters renouncing all this pope and the DNC has stood for.

So "*fear not little flock, it is the Fathers good pleasure to give you the kingdom,*" only not here, and not yet, he has much to do before we come back for a millennial reign.

The following is the latest article from Cardinal Carlo Maria Viganò on the **Covid Vaccine**:

‘Salesman’ Pope Francis leads the ‘Grotesque’ New ‘Health Religion’

January 15, 2021 Romea Hontiveros

By Abp. Carlo Maria Viganò • January 15, 2021

Vatican *whistleblower* Abp. Carlo Maria Viganò, former papal nuncio to the United States, has warned about the encroachment of *globalist plans* that

threaten the sovereignty of nations and the ability of citizens to preserve their religious freedom. His open letter to President Trump in May warned that the COVID-19 pandemic was being used to usher in a “world government” resulting in permanent loss of personal freedoms. He launched a website that called for people of goodwill to guard against tyranny; the “Appeal for the Church and the World,” included signatures by 40,000 Catholic prelates, journalists, writers, immunologists, virologists, researchers, attorneys and others. In June, he wrote another open letter that sought to encourage the president in his fight against the “deep State.” On Oct. 25, the Solemnity of Christ the King (Extraordinary Form), Abp. Viganò penned a third letter to Trump, urging him on in the fight against the “Great Reset,” an oncoming “health dictatorship.” What follows is his reaction to the Vatican’s proclaimed support for worldwide COVID vaccination.

SANITAS CORPORUM SUPREMA LEX Considerations on the promotion of the vaccine by the Holy See

A few days ago, an interview was broadcast on **Canale 5** in which Jorge Mario Bergoglio appeared in the unusual role of **sponsor of the pharmaceutical companies**. We had already seen him in the role of politician, of trade unionist, of promoter of uncontrolled immigration, of supporter of welcoming illegal immigrants and of philanthropist. In all of these metamorphoses what has always emerged, alongside his capacity to totally remove himself from his institutional role, is the polyhedric (many sided) character of the Argentine, who, we now discover, is also the **promoter of pharmaceutical companies, a convinced supporter of vaccines and a zealous cheerleader** of those who for a year now have been using COVID as a means to control the masses and to impose the Great Reset desired by the World Economic Forum.

The fact that the vaccine does not give any guarantee of efficacy but rather can induce serious side effects; the fact that in some cases it has been produced starting from cells taken from aborted fetuses, and therefore is absolutely irreconcilable with Catholic morality; the fact that treatment with hyper-immune plasma or with alternative protocols are being boycotted despite the evidence of their efficacy — all of this means little to the new “expert” who, **on the basis of absolutely zero medical competency, is now recommending the vaccine to the faithful while using his sovereign authority to require the citizens of the Vatican to submit** to questionable treatment in the name of an unspecified “**ethical duty**.” The bleak **Paul VI** Audience Hall has been emblematically chosen as the temple in which to celebrate this new sanitary rite, officiated by ministers of the **COVID religion** in order to assure, certainly not the salvation of souls, but rather the illusory promise of health for the body.

It is disconcerting that, after unscrupulously demolishing no small number of Catholic truths in the name of dialogue with heretics and idolaters, **the one dogma which Bergoglio is not ready to renounce is that of obligatory vaccination** — mind you, **a dogma which he himself unilaterally defined without any synodal process!** — a dogma before which one would expect there to be at least a minimum of prudence, if not dictated by moral coherence, then at least by utilitarian scruple. Because sooner or later, when the effects of the vaccine on the population are seen, when they begin to count the deaths it has caused

and how many people have been maimed for life by a drug that is still in the process of experimentation, someone will be able to ask those who were convinced supporters of the vaccine to render an account.

When you stop believing in God, you can believe anything. Tweet

At that point it will only be natural to draw up a list of those who, in virtue of the authority with which they are recognized, have convinced their unsuspecting subjects to present themselves for inoculation by the so-called vaccine: **self-proclaimed experts, virologists and immunologists with a conflict of interest, mosquito scientists in the pay of Big Pharma, veterinarians with scientific ambitions, government-funded journalists and opinion-shapers, and movie stars and popular singers in disgrace — to which list Bergoglio must now be added as an exceptional supporter, along with the prelates in his entourage.** And if today the lack of specific competency does not seem to be a sufficient

argument to lead them to at least maintain a prudent silence, at that point their protests of “I didn’t know ...”; “I never imagined ...”; “It wasn’t my field of knowledge ...”; will be judged only to be a factor that aggravates their offense, as it should be. *Stultum est dicere putabam* [It is foolish to say, “I thought”].

Disgraced professor Neil Ferguson admitted COVID-related lockdowns were based on a model of communist control. Of course, in the Bergoglian church de facto concubinage can be legitimized with *Amoris Lætitia*, to the point that *Avvenire* speaks today of “LGBT parenting” with the ease of a gender propaganda pamphlet; an idolatrous rite worshipping Mother Earth can be celebrated in Saint Peter’s winking at Malthusian environmentalism; the matter for the sacrament of Holy Orders can be modified, conferring ministries on women; the death penalty can be declared immoral while casually keeping quiet about abortion; Communion can be administered to public sinners while denying it to those who wish to receive it on the tongue in order not to commit sacrilege; and access to the classroom can be denied for Catholic school students who are not vaccinated, as has already happened in Ireland. And yet these blatant adulterations of Catholic doctrine — in perfect ideological continuity with the conciliar revolution — are accompanied by the firm and unshakeable profession of faith in a “science” that borders on esotericism and superstition. On the other hand, **when you stop believing in God, you can believe anything**. Thus, if for Bergoglio belonging to the one Church of Christ through baptism is ultimately superfluous for the eternal salvation of a soul, the initiatory rite of the vaccine is **proclaimed ex cathedra to be indispensable for the physical health of the individual**, and as such it is presented as undelayable and necessary. If it is possible to set aside revealed truth in the name of ecumenism and interreligious dialogue, it is likewise not licit to question the dogmas of COVID, the revelation made by the media about the pandemic, and the salvific sacrament (leading to salvation) of the vaccine. And if with Fratelli Tutti universal brotherhood can be promoted apart from faith in the One God Living and True, no contact is permitted with so-called “deniers” — a new category of sinners to be avoided — who must be punished as heretics by the health inquisition and media excommunication so as to be made a warning to the flock. **“If anyone comes to you and does not bring this**

*teaching, do not receive him in your house and do not greet him,” St. **John** warns (2 **John 10**). **Bergoglio** must have misunderstood, and so he greets and embraces abortionists and criminals, but he does not contaminate himself with “anti-vaxxers.”*

*It does not escape us that this **scientific dogmatism** — which would horrify the most ardent supporters of the primacy of science over religion — **is propagated by those who are not scientists**, from “influencers” to **Bergoglio**, from athletes to **Biden**, from “experts” to **politicians** — all eager to put out their arms in front of the television cameras, only to discover from the videos that in many cases **the syringe needle is still covered by the cap**, or that **the inoculating liquid is clear when the vaccinating serum should actually be opaque**. These are obviously objections that the high priests of **COVID** reject with **disdain**: The mysterium is part of the ritualization of the sacred action, just as the sacramentum accomplishes what it signifies; administering the vaccine with a retractable needle or without pushing the plunger of the syringe serves to dramatize the message that is to be transmitted to the masses of believers. And the victims of the rite, **those who for the good of all offer themselves with docility to the mirage of an immunity** that not even Pfizer, Moderna or AstraZeneca dare to guarantee, **represents the sacrificium, which is also part of the new health religion**. On closer inspection, the innocent babies aborted in the third month of pregnancy to produce vaccines really do seem to form a sort of human sacrifice with which to **propitiate the infernal powers**, in a terrifying parody that only the wicked can pretend not to see.*

*The only role that **Bergoglio** stubbornly insists on not wanting to fill ... is **the role of vicar of Christ**. Tweet. In the grotesque ceremonial delirium, there is not even lacking the Note of the Sacred Congregation for Divine Worship, which with a total disregard for the absurd even promulgates in limping Latin instructions on how to impose the Sacred Ashes (it is not surprising that Latin too has gone to fry): “Deinde sacerdos abstergit manus ac personam ad protegendas nares et os induit [Then the priest washes his hands and puts on the mask to protect his nose and mouth].” The purification of the hands with detergent and the use of a mask are scientifically useless but symbolically necessary for the transmission of the faith expressed by the rite. And precisely in this we understand how true and valid is the ancient adage of Prosper of Aquitaine, “Lex orandi, lex credendi,” **according to which the way in which one prays reflects what one believes**.*

*Health “expert” **Dr. Anthony Fauci** has been excoriated for conflicts of interest in promoting COVID vaccines while discouraging church attendance*

*Someone will object, in a pious attempt to avoid the total collapse of the papacy carried out by **Bergoglio**, that **the opinions expressed by him are and remain precisely opinions**, and that therefore **there is no obligation for the Catholic to submit to a vaccine which his conscience and natural morality demonstrate to be immoral**. But the new “**papal magisterium**”*

*has been made explicit right on **Canale 5**, just as it was on the plane that the LGBT dogma “Who am I to judge?” was defined, and just as it was in a footnote of Amoris Lætitia that*

the indissolubility of marriage was denied in the name of pastoral practice. Politicians put out tweets on social media, self-styled experts pontificate in television studios, and prelates preach in interviews: Do not be surprised if one day Bergoglio appears in a publicity spot to endorse electric scooters.

Catholics, illuminated by the sensus fidei (sense of the faith) that instinctively suggests to them what clashes with faith and morals, have already understood that the role of health care supply salesman is only one of the many parts played by the polyhedric (many sided) Bergoglio. The only role that he stubbornly insists on not wanting to fill — because of his blatant incapacity, his innate impatience or even through his deliberate choice right from the beginning — is the role of vicar of Christ. Which, if nothing else, reveals the points of reference of the Argentine, the ideology which inspires him, the goals he sets for himself, and the means he intends to use in order to achieve them.

So you see this Cardinal is at war with the pope of Rome, and his Communistic ideals. And let's face it, he grew up in Argentina which is a heavily left leaning socialist country run by dictators for many years.

Now, I usually only quote Br. Branham and the Scripture, but I want you to see how close the two spirit actually are. What the Cardinal said, we could perhaps say amen to 99% of that because what he said is true. But don't forget he is a Cardinal of a church that believe Mary is a Mediatrix, which means they believe Mary is a mediator like Christ. And the Scripture is very plain **“1 Timothy 2:5 “For there is one God, and one mediator between God and men, the man Christ Jesus;”**

But we must not forget that God's prophet said the Catholic Faithful, the Catholic church would come together with the evangelical Christians to fight this communistic take over.

William Branham said in his sermon **Ten virgins - 60-1211M 127.** *"And now, let's make an image unto that beast." And over in this country they made a image: a confederation of denominations together, the Nicolaitanes getting together and denominated themselves; and finally will unite this brotherhood, not come in as Catholics, but they'll be united as a brotherhood to try to stamp out communism.*

And yet he said do not fear Communism, but fear Catholicism, as Jesus said, **matthew 10:“28 “Don't fear those who aim to kill just the body but are unable to touch the soul. The One to fear is He who can destroy you, soul and body, in the fires of hell.”**

It is I be not afraid 62-0726 P:80 *They say communism will go take the world over. Don't you believe that. Communism ain't going to do nothing. Show me one place in the Bible where communism will ever take over. The Bible says **Romanism** will take over, not communism. Look at Daniel's vision. See? Not communism, it's a puppet in God's hands to destroy Romanism. But **Romanism**, you fear that, not communism. It's nothing, don't amount to a thing.*

Spoken word original seed 62-0318E P:17 *Now, the first thing... I want to say this before I forget it. Do not never fear Communism. Communism is only working in the hands of God.*

Let's bow our head and our hearts in prayer.
