

## Unveiling of God no 204

*Understanding the Mark of the beast and the optics to know it has arrived*

March 21, 2021

Brian Kocourek, Pastor

To begin our message this morning lets open our Bibles to **Amos 3:3** where we read, *“Can two walk together lest they be agreed?”*

You know that is a very good question, so why do you think God asked that question here? Well, let’s read on and we will see he asks a few more questions before he gives us the answer.

**4** *“Will a lion roar in the forest, when he hath no prey?”* That is another good question, and he wants us to think about what he is asking here.

*“will a young lion cry out of his den, if he have taken nothing?”* Look, He is using questions to make you think. Too many people go through life letting others do their own thinking for them. This question deals with the lion’s motive for roaring. If there is no reason to roar, then why would he roar?

And He continues in this manner, verse **5** *“Can a bird fall in a snare upon the earth, where no gin is for him?”* What would the bird’s motive be to go into a snare without anything in the snare to attract him into it? Again we are dealing with motives and objectives.

As a kid we used to take a box, and put a stick under it with a string attached to the stick, and then we would wait for a bird to come under the box and then if one did we would pull the string and the box would come down and trap the bird. But what He’s telling us here by asking these questions, is how you going to get a bird to fall for your trap if there is nothing to lure him in. So there has to be a motive and an objective in what you do. A lion doesn’t roar because he can. He is signaling a message. That is why he roars.

In the same manner you can put your fishhook in the water at the end of your line and wait until the cows come home and unless you have put some form of bait like a worm or slug, or some other form of bait on that hook, you will never catch a fish without first baiting the hook.

And as a little kid, about William’s age we tried making a box snare to catch a bird, but we just sat there all day long with no bird even coming near our snare until the light bulb finally went off in our little pea brains and we realized we had to put some bread or something to attract the bird to come under the box.

Now, each question God is asking here are like little drops of bread leading us to the light bulb moment.

*“shall one take up a snare from the earth, and have taken nothing at all?”*

In other words if you don’t catch anything, it is because there was nothing to attract the attention and thus the snare could be all set up but with no bait, it’s useless. The nest could be set but unless you are just waiting for somehow the birds to migrate into the right position, you will wait in vain.

Then the Lord begins to ask some more definitive questions. **6** *“Shall a trumpet be blown in the city, and the people not be afraid?”*

What is the first thing that comes to your mind when you’re walking down the street and you hear the air raid siren, or you hear the tornado warning siren? It’s the same thing. You think, the first thing that enters your mind “is this for real? Or is this just a practice? and then you check the day of the week and if it’s the first Tuesday of the month you say, “Oh, yeah, every first Tuesday of the month they run a test of the warning system.” But the air raid or tornado siren has a purpose and that is to get you to think. If it’s real, head for shelter, if it is just a scheduled test, it still makes you think of how that one day it may be real. So the Trumpet or siren is to make you think.

Then he asks another loaded question, and says, *“shall there be calamity in a city, and the LORD hath not done it?”* Therefore, all of these questions were given to us to get us to think. And then he drops the answers to them all in verse 7.

**7** *Surely the Lord GOD will do nothing, until he reveals his secret unto his servants the prophets.* He is telling us that you that He never sends a prophet in vain. If there is a prophet on the scene then you must

listen because it is a warning. And we can see the signs of the day and the signs in the sky, but until we have a prophet to tell us what they mean, we could look at them all day long and still be clueless. So until the Lord sends you a prophet, you really don't know what you're looking at, and therefore everything we see going on today could just be one big delusion or distraction from the real thing God wants you to see and understand. And therefore everything going on right now would just be one big question mark in your mind.

Now, remember, he began with all these questions by speaking of a Lion. And then he says in verse **8** *"The lion hath roared, who will not fear? The Lord GOD hath spoken, who can but prophesy?"*

So God lets us know that as naturally as it is to fear when you hear the roar of a lion, so too to understand the intentions of the Lord you must hear it from a prophet who will prophesy what the Lord has spoken.

Therefore, God tells you how he will warn you, and no it is not a trumpet? No it is not the roar of a lion. But God will use a prophet to declare to us what God wants for us to know and be aware of. And then when we have heard the prophecy of the Prophet, we will be warned and we will understand what the warning is all about.

From his sermon **Trying to do God a service 65-0718M P:48** brother Branham said, *I'm afraid in a lot of things today... When a great teacher, one of Pentecostal's greatest stood before the religious group the other night in Chicago... I was supposed to have that meeting with the Business Men, but I thought I'd be in Africa that time; but just got back the day before it started. And they chose a great Pentecostal intellectual, and he got up and told them that this **ecumenical move was a thing of God**, and said that all of them coming back; **even the Catholic church is going to come back to its original condition**, all speaking in tongues for the evidence and so forth. And not knowing that's a trap of the devil. And a man that I didn't know... **Sometimes you plant seed**. You don't know what's going to happen. But the president of the Full Gospel Business Men, as soon as the great speaker set down, he said, **"I am prone not to say things against our speakers, but that ain't the way Brother Branham said would happen. But he said that would lead to the mark of the beast."** He said, *"But Brother Branham don't know what he's talking about. Said, "We believe he does." See?**

And so this morning we will look at just what the mark of the beast is and how it will move from a thought that is contrary to God's word into a full fledged manifestation of that thought. Because we know there is coming a time that the whole world will receive that mark in their forehead which is in their mind, and in their right hand which is in their actions. So there must be some catalyst to take place to bring this mark of the beast into full fledged manifestation.

And so there are two marks spoken of in the bible, **the mark of God** which is **the seal of God** and **the mark of the beast** which is **the sealing off the ear** from ever hearing and believing the truth again.

From his sermon **The Mark of the beast 61-0217 P:14** Now, *the Mark of The Beast, the Seal of God. Now, how many was here last night? Let's see, was been in the class. Oh, about everybody, I suppose. All right. Now, therefore to get a little background where we're going tonight with it... Now, I had to take both of the subjects and put them together, because they run parallel one to the other. And we find out... I announced what I thought they were at the beginning, and now using the Scripture to prove that I think that this is right. I think that the Seal of God is the Holy Spirit. The Bible supports that. The mark of the beast is to reject the Holy Spirit. There's only two classes of people. And on the side of salvation and rejecting begin in **Genesis** like everything else begin.*

And so in **Genesis** chapter **4** we see when Cain rejected the right way to do sacrifice, which God had shown him, he got angry and he **left the Presence of God**, and **God set a mark upon him**, which is the mark of the beast, which is the mark of apostasy. And this apostasy was just like the apostasy of his father the beast in the garden, that got Eve to believe his lie. And His lie was one word off of what God said. Just one word off.

So let's just do a little Bible digging here to see how Cain ended up with the mark of the beast.

**Genesis 4:3** *And in process of time it came to pass, that Cain brought of the fruit of the ground an offering unto the LORD. 4 And Abel, he also brought of the firstlings of his flock and of the fat thereof. And the LORD had respect unto Abel and to his offering: 5 But unto Cain and to his offering he had not respect. And Cain was very wroth, and his countenance fell. 6 And the LORD said unto Cain, Why art thou wroth? and why is thy countenance fallen? 7 If thou doest well, shalt thou not be accepted? and if thou doest not well, sin lieth at the door. And unto thee shall be his desire, and thou shalt rule over him.*

Now, the Septuagint says it this way, “***Thou didst rightly offer but thou didst not rightly divide.***”

In other words, your offering of the fruits of the harvest was a Scriptural sacrifice but since it was a harvest offering, or a resurrection time offering it was out of season. First there had to be **an atonement** for “*without the shedding of blood there is no remission of sin.*” And there has to be a way back into the presence of God before you can have a resurrection. For if there was no atonement made what good would your being in his presence do you? And so Cain’s sacrifice was out of season. Just like the naming of his firstborn Enoch was out of season. You see Cain was very fundamental, he knew there would be a resurrection, and a rapture one day and he thought it was his day. So he offered a resurrection sacrifice first, and when it was rejected he named his first born son Enoch, knowing that Enoch would be raptured up with God. They had the Bible in the stars and knew the entire story. But God rejected his sacrifice and accepted Abel’s sacrifice instead because it was righteous which means rightly wise. Then we see after that rejection in verse **8** *And Cain talked with Abel his brother:*

Now, you should ask yourself the question, what did they talk about. Because remember, ***Cain was angry, his countenance had fallen,*** that’s his attitude and the way he carried himself. And so right after we read about his fallen attitude and visage or the way he comported himself, we also read that Cain talked to his brother Abel.

It was not Able that struck a conversation with Cain, but Cain went up to Abel no doubt he was still in that fallen, angry mood and he began to interrogate Abel why God had accepted His sacrifice and did not accept his own. And I am sure Abel told him about the fall and the sheep skins, and the crossing of the blood strains between his father and Eve.

*“and it came to pass, when they were in the field, that Cain rose up against Abel his brother, and slew him.”* So we see no doubt that Cain was even more angry now than before and the result of that conversation, he decided to cancel culture his brother. There’s your first incident of cancel culture, right there. And as always cancel culture is a reaction to an angry disposition.

Now, the Lord knows all things, but many times knowing all things he will ask you a question to see what your response will be. The Lord likes to test us for our reactions.

**Be certain of God 59-0125 P:21** *You know, He loves to test us. He loves to see the reaction of your faith. Did you know that? God likes to see how you'll react. When you say, "Oh, Lord, I believe You; Thou art my Saviour. I believe that You are the Healer; I believe that You are the One Who gives the Holy Spirit; and the things that I am requiring, You are the God Who gives that." And then when you confess all your sins and promise God what you'll do if He'll let you get well, and then **because it don't happen, you run off like a coward somewhere, God can't use that.** There's no way for Him to use you. There's no way for Him to answer you, because He only answers by faith. Then **all of a sudden you go away and He can't answer.** But **real true faith stands there, being sure that God is.** Be certain that He is. And if God asks this thing to be done, **to confess your sins and so forth,** and you've done it, faith says that He is; it's certain that it's going to happen. Your request has to be granted. Oh, **I hope you don't miss that.** If you're sure of God, God's sure of His Word. He's only waiting to test you.*

From his sermon **Elijah and meal offering 60-0310 P:29** brother Branham said, “**God tested Job like that.** When Job asked for mercy, offered a sacrifice for his children, the only thing that that prophet had was a burnt-offering, but that was all God required. God doesn't require an education and a lot of nonsense; **He requires a surrendered heart to His will.** He doesn't ask you to dress in a certain way, or go to certain things, or out of certain colleges, or degrees. **He asks for a humble, contrite, broken spirit, and a willing**

*heart to receive Him. He tried Job, and see what kind of a reaction He would find in him. But when He took his sheep and took his ox, and took his camels, and took his children, "I'll see what Job says now." And he said, "The Lord gave and the Lord taken away, blessed be the Name of the Lord." He found what He had told Satan He had in Job: "None like him, on the earth."*

**Elijah and meal offering 60-0310 P:25** *She'd lived clean; she'd lived decent; she'd lived honorable, and she had met all of God's requirements. But, looked like He was silent. God does that sometime to test you to see what kind of a reaction you'll have. Don't forget it. If you pass over the platform, you're prayed for, and hands laid on you, and it seems like nothing happens, that doesn't stop faith one bit; you have met God's requirements. Now, if you have met them... Now, if you're holding back on God, you know your heart condemns you. And we know, "If our heart condemns us not, then we have..." Now, but **if our heart condemns us, there's no need of coming across the platform; there's no need of asking God for anything, because you don't have faith to receive it.** But when you have met every requirement that God requires, then faith steps out there and said, "God is God. I've met the requirements."*

**Be certain of God 59-0412A P:20** *One morning there was some Hebrew children was going to be burnt up. And they knew that they had done God's will. And they said, "We're not afraid of the king's commandments. Our God is able to deliver us from this fiery furnace. Nevertheless, we'll not bow to his image." Now, God was going to give them a test to see what their reaction to their action would be. And He let them walk right straight to the fiery furnace before He ever moved. But when all of God's requirements has been met, and you're certain of God, that God will do it, stand still then, and God will do it.*

**Genesis 4:9** *And the LORD said unto Cain, **Where is Abel thy brother?***

Now, God is omniscient and knows all things, so why would he ask Cain where his brother was at? Now, think about the way God works, always teaching, instructing.

And then let me ask you parents a question. When you know junior did something wrong, do you ask him first if he did it? Or do you just discipline him first and then ask questions later?

You want to build integrity in your children, so you ask them before you discipline them. I always told my children if you lie to me you will be punished far more severe than if you just tell the truth. That is building integrity. And integrity has its rewards.)

*"And he said, **I know not:**" (Notice that Cain not only lied to God but he also gave God a disrespectful answer as well.) "Am I my brother's keeper?"*

**10** *And God said, "What hast thou done? the voice of thy brother's blood crieth unto me from the ground.*

God was not only angry with his actions, but now with his disrespectful attitude as well, and so God places a curse upon him.

**11** *And now art thou cursed from the earth, which hath opened her mouth to receive thy brother's blood from thy hand; **12** When thou tillest the ground, it shall not henceforth yield unto thee her strength; a fugitive and a vagabond shalt thou be in the earth."*

**13** *And Cain said unto the LORD, "My punishment is greater than I can bear". **14** "Behold, thou hast driven me out this day from the face of the earth; and from thy face shall I be hid; and I shall be a fugitive and a vagabond in the earth; and it shall come to pass, that every one that findeth me shall slay me."*

**15** *And the LORD said unto him, "Therefore whosoever slayeth Cain, vengeance shall be taken on him sevenfold." **And the LORD set a mark upon Cain, lest any finding him should kill him. 16** And Cain went out from the presence of the LORD, and dwelt in the land of Nod, on the east of Eden.*

In his sermon **God keeps His Word 57-0120E P:24** brother Branham said, "***What a disgrace.** Now, they have to have things like that. **That has to happen to cope with the spirit of the day.** That's the reason that this church is coming in with the worship of Mary, of other women, and things. **It's that same spirit under a religious head.** And that's the reason they have to get your mind off the unadulterated Word of God to*

produce that program. Sure. Do you see the twist that we're in? Do you see the American youth, what condition it's in? That's men and women of tomorrow. No wonder Jesus said, "**Except these days be shortened, no flesh would be saved.**" Therefore, I'm basing my thoughts here: That we're at the end time. The Lord Jesus shall come soon. But the spirit of the day... Oh, can you see? Take on your thinking. Can you see what's happened? Before this great onslaught coming on to bring the mark of the beast, and to fulfill the Scriptures by forcing the people after the hold is gotten, just like it is in other countries, force them into things that they do not accept, to cause the persecution and the boycott to come. Can't you see America has fell for the glamor and the goddess, and this. It's paid the devil in the realm of flesh, making a way for this to present itself. Amen. I hope you understand this. Stay clear from it. I don't care how many D.D.s, Ph.D.s, or ever what's behind it, it is a lie. "**For let every man's word be a lie, and Mine be true,**" saith the Lord. "**For heavens and earth will pass away, but My Word shall never pass away.**"

Notice he said, "After the hold is gotten" ... So what does that mean? According to the dictionary it means "to remain or continue in a specified state." That would then be these lockdowns that we have seen worldwide. These stay at home orders. This is the **hold down** we are going through or have just gone through. And notice his words, Before this great onslaught coming on to bring the mark of the beast, and to fulfill the Scriptures by forcing the people after the hold is gotten, just like it is in other countries, force them into things that they do not accept, to cause the persecution and the boycott to come

Now he said After the hold is gotten, and the word *Gotten* means "to come to a specified place; to arrive at; to reach: to succeed, to become enabled, or be permitted:

So we see that after the Stay at home orders, and the lockdown, after that, then what? He said the next thing is "this great onslaught coming on" ... and what will cause this great onslaught?

Notice, "Before this great onslaught coming on to bring the mark of the beast, and to fulfill the Scriptures by forcing the people after the hold is gotten, just like it is in other countries, force them into things that they do not accept, to cause the persecution and the boycott to come."

So we see that he is telling us that after the stay at home orders come, which has already taken place in every country on earth. He says, "After that, then there comes the forcing," so we ask the question, **the forcing of what?** And what does the forcing produce? Does that forcing have to do with the onslaught that is coming, which he says comes after the hold is gotten?

Now, what is he talking about here. This is strange language back in 1960's, but not so strange now that we have our eyes open to see the Word being fulfilled before our very eyes. He is speaking of the time when

the great **holding or lock downs** comes, which will be a universal thing upon all nations. And what is after the Hold is gotten mean? Well, any cattleman knows that a **holding pen** is a place where the steer is held and cannot move about freely. His freedom has been taken from him temporarily until they can inject him with whatever shot he needs. So he is in a **holding pen**, a place of confinement until those in control decide to let him out. And usually that freedom only comes after he has been **injected or branded**. And he is never really free, because

he has been tagged. Notice he says, "things that we would never accept but which has been in practice in all the other countries".

So what are those things we have never accepted but there countries have already accepted?

And the answer is Dictatorship and tyranny? No freedom to assemble? No freedom of Speech. No freedom to own firearms? Its all coming down to the end brothers and sisters, and its coming here.

"Before this great onslaught coming on to bring the mark of the beast, and to fulfill the Scriptures by forcing the people after the hold is gotten, just like it is in other countries, force them into things that they do not accept, to cause the persecution and the boycott to come."

So let's reword this some, not adding to or taking away, but breaking down what he said and checking out what he means by certain key words he drops here. And that will give us a better understanding of what he is saying.

1) *Before the great onslaught coming on which will bring the mark of the beast and fulfill the scriptures.* So what is an **onslaught**? An **onslaught** is defined as *a fierce or destructive attack brought on by the force of many or overwhelming numbers.* Like Jesus speaks of *the devil coming on like a flood.* Like what we have seen where this so called pandemic has *overwhelming numbers of people* who have come down with it and *overwhelming numbers of mortalities*, even though those overwhelming numbers may be a delusion and in fact just made up and not real.

But never forget how Abraham defeated the 5 Kings, when he used trickery and had the men spread out and they had torches tied to ropes, many torches between each man tied a certain distance apart from the next, so it looked like the entire hill sides were strewn with soldiers with lighted torches when Abraham and his men were actually well outnumbered by the 5 kings. But in the darkness of the night, blowing the trumpets from the different men spread out strategically, so it sounded like the attack was from all directions, and therefore the armies of the 5 kings reacted in such a fearful way that in their confusion they began to fight with each other in the dark night and they killed themselves, leaving little work for Abraham and his men to finish the job. And so when br. Branham speaks of the onslaught that is coming, He says that *"this onslaught will produce a forcing of something"...*

2) *"There will be a forcing of the people"* – so when does this forcing of the people take place? And what will they be forcing on the people? These are questions everyone that believes this message should be asking themselves. And when will this take place? He tells us when this forcing will take place. He says

3) *"After the hold is gotten".* So we must ask ourselves what he means by *"the hold is gotten"*. The word **Gotten** means *"to come to a specified place; to arrive at; to reach: to succeed, to become enabled, or permitted."*

So once the hold has been permitted to take place, then the forcing will take place. Once the hold has been activated, then while the people have nowhere to turn, then the forcing will begin. He's letting us know how things will come down, so once we see one part we should be anticipating the next move to take place. That is how we stay on top of the Word as it comes to pass.

And the word **hold**, what does that mean? Now, remember brother Branham having been a cowboy I believe he was speaking in cowboy terms here, that no one really understood back then until now that we are looking at the manifestation of it in this hour. Because God interprets His word by bringing it to pass. And what a type to see the people have been placed on hold, or rather in their **holding pens** by being **locked down** throughout the whole world until the **injections and branding** takes place.

The cattle are already owned by the cowboy, but he places his brand on him to give an outward sign or a **mark** that the cattle is his. And that is what the elites and Catholic Church are in the process of doing, they have locked down the world and are now are in the process of applying **the mark**, their sign of ownership.

4) *Just like it is in other countries Forcing them into things they do not accept.* Could that be world-wide vaccinations? Could that be a vaccination card, a green card, like the Jews in Nazi Germany had to wear a yellow star of David? And be compelled to take regular updates to the vaccine card at the will of the government, where people have become like cattle and must be rounded up to have a vaccination and then registered like a Herford cow? And then he says,

5) *And this will cause the persecution.* Why? Because many will resist, the Bible tells us that and they will be hunted down and forced to take this mark upon them. The Bible says they will be compelled to do so or they will not be able to buy nor sell.

I'm afraid that everyone who claims to be a Christian in this world is looking way down the road for the branding to begin and the mark of the beast to be assigned *to everyone on the earth both small and great rich or poor*, as we read in the book of Revelations.

**Revelations 13:16** *And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.*

Now, notice **he causes all** (he compels all) **the world, whether they are rich or poor, free or bond, small of great to receive the mark.** Notice it is not a free will thing they are doing, they are **compelled** to do it. Which means they are forced into it. How? Because if they don't do it "**they will not be able to buy or sell, save he that had the mark.**"

Now, Satan thought "*I will bring them into Laodicea and that will cause the Word in them to die right there. I will choke off the word with the cares of this world.*" Jesus told us that in **Matthew 13**. But that did not work on everyone, so then he goes to plan "**B**" and it says, "**he causes all, he compels all rich and poor, elite or peasant, free or in prison, to receive this mark.**"

And then John tells us, "*here is the clue for he which has wisdom, this number is 666.*"

Now, we have never at any time on earth in the history of the world, have we ever had such a medical tyranny that everyone on the planet is being compelled to take a vaccine, an injection in the arm, and if you refuse to take it, you will not be permitted to fly on an airplane, nor ride on a train or a ship, or use any mass transit system for transportation, nor will you be able to vote, nor hold down a job, nor even buy food and any other essentials to live. I would say that is "**a compelling**", my brothers and sisters.

And that is exactly what Scripture tells us **the mark of the beast** will be used for.

Brother Branham said in his sermon **Mark of the beast 56-0715 P:8** *Now, this great subject that we are approaching has certainly caused some great controversy and some pro and con on the subject. And I for myself believe that it's such a great, vital part of the Scripture, that all the Scripture should be taught: all of it. We should not leave any of it out. God has spoke through the Scriptures about the mark of the beast and how that it was to appear in the last days. And as a minister of the Gospel, believing that we're living in the last days. I believe that it's a timely message that should be approached reverently in this day. Now, there has been many thoughts projected to the peoples concerning this vital, God sent message, warning to the church. It's been many things has been thought and given to the people what this mark of the beast was. And of coarse, like all other Scripture, it causes cults to rise, and... But surely, if there is such a thing fixing to befall the people of the earth, there should be some Gospel sensible answer to the question.*

So I believe what he is telling us here is that we will find our answers in the Word of God. And we have known for years that the mark of the beast is the turning down of God's Word, but we never thought much on how that could cause you to be canceled out of society so that you cannot buy or sell. You all thought, well, we will just stay away from other churches, and that will help us to get by, but it has nothing to do with the churches, plural, but has all to do with a one world system orchestrated by the Vatican.

Again From his sermon, **Mark of the beast 56-0715 P:4** brother Branham said, "*Now, today, announced the subject that I was to teach on: "The Mark Of The Beast," which is a very vital subject. And it would maybe try and approach it today from a standpoint... Why, that subject would probably take... I could stay on it three or four months every day and still be in the Scriptures on that great subject. But I thought today, being that we were going to pray for the sick people after this morning's Sunday school session... Many of the people gather in here for healing, and they wait around in motels and hotels, and wait for this morning, till when they can come in to be prayed for. And we certainly wouldn't want to take their space of time. So if I start on the subject, and then continue on in a few days when I get back again, maybe between the two meetings, then back again after that... I'll try to continue on, the Lord willing, on the mark of the beast. And you... **Teaching the mark of the beast, you have to have the Seal of God to run with it, 'cause they run right side by side.***

Now, that is the key, right there, he said, "**they run side by side**". And so we see that **the mark of the beast** is the seal of Satan. It is being sealed into his system, into Satan's Eden. Whereas **the mark of God** is a being **sealed in by the holy Ghost**, in which brother Branham calls it receiving **the token**.

And the problem is that the Token must be displayed. And if the Token of God must be displayed, then Satan will require his token, his mark **to be displayed** as well. Because as brother Branham said, "**they run side by side**".

There are Message preachers that have already taken this mark and they don't even know it. Now, I always believed it had to do with organization, because brother Branham taught us the minute you organize that is the minute you die right there. And I have seen many churches in the Message organize to the place that if you are not a part of that organization they have no part with you. You are canceled out brother. That is what organization is meant to do, dominate and control by using cancel culture.

Brother Branham said, **Leadership 65-1207 P:76** *We find him A businessman setting here, telling me right here in California, that **the church has to tell the labor union what to do. See, it's coming church and state again. It's right on you. You see, you're right in there, and **you take the mark of the beast not knowing it.*****

And just like he taught us that the rapture will take place in a way that it could actually pass right though you and you won't even be aware, and the literal mark is being injected into the people and they are not even aware what they are receiving.

Just like the woman in the vision wearing the purple dress. Well, he said he believed the woman might be a president or vice president, but then he said, but could be the Catholic church.

So there had to be a woman in the office of at least VP level wearing a purple dress to bring the optics to the minds of the people to let us see that 6<sup>th</sup> vision is now fulfilled. Then can we ask the question, although we know the actual mark of the beast is to turn down the Word of God, and the Holy Spirit, and to receive the word of man in its place. Yet could there be an actual mark so that the optics presented to the people is very clear?

I think so.

So then although the people have already made their decision to take mans word over Gods Word and they have already received the mark of the beast, yet God uses optics to let us know the Word is now complete and fulfilled.

Just like in **Daniel 8:23-25** he told us that a certain ruler would raise up who would have a strange way with knowing and understanding enigma's and this ruler would come on the scene as a spoiler to spoil the plans of the wealthy and elites, and through his policies he would make craft to prosper, and then some time while he is in power and seems to be all powerful, but then he comes up and stands against the prince of princes which is the pope and then suddenly he is broken without and and taken out of power.

Now, this all had to take place to give us the optics to watch for knowing that after this mighty ruler would be suddenly powerless, then the covenant between the Prince (Pope) and the Jews would be made.

Now, how could a bride get herself ready for what comes next without having some optics to be able to see because God interprets his Word by bringing it to pass. And we sat back and watched this unfold right before our eyes. I remember in January 2020, a full ten months before the election, saying I did not think Trump would be in another term. I said, it looks to me like he will go up against the pope and something will happen that **he will be broken out of hand.** I said, I don't know what that will be but that is what God's word has told us. And we did not find out until about a month after the election that the Vatican used their spy satellites to change the vote, thus fulfilling **Daniel 8:23-25** and setting the stage for Daniel 9 through 12 and the pact between the Vatican and the Wall Street Jews.

From his sermon **QA Image of the beast 54-0515 P:4** *"And I thought, "If I'll teach on the first night, what the church the day and the age, geographically in the Bible, where we're positionally setting, then the church surely will wake up on that, and then speak on 'The Mark of the Beast,' and let them **see what that is**, and then 'The Seal of God.' That's the pro and con now; that's the dark and Light now; that's either **in or out** now; and that's the most essential thing to be taught of now."*

So being that this teaching is the most essential thing that we must teach in this hour right now, I will not be holding anything back.

Now, it all comes down to this. To receive the mark of God which is the seal of the Holy Spirit you must not only hear the Word of God, but you must recognize it and then to show God you have received it, and have recognized it, **you then will act upon the Word of God**. That is the optics that God is looking for. There has to be fruit proving that word has been believed. Jesus said, *"By their fruits you will know them."* Well, if that is how we receive the seal of God then won't the seal of Satan, the mark of Satan, the mark of the beast be just the opposite. And *"by their fruits you shall know them"* also?

We showed you in **Genesis** how Cain received the mark of the beast by rejecting God's Word concerning the sacrifice which he would receive. And by rejecting the blood of the innocent lamb, Cain not only rejected his only way to have fellowship with God but He turned down God's word of correction as well.

That is why Last week I taught you that it is not enough to just claim that you believe the Word of God, but God has given you the Holy spirit in order for you to understand it. The Apostle Paul said in **1 Corinthians 2:** *"No man can understand the things of God except the Holy Ghost be in him."* And if you do not understand the things of God how you going to be aware of what will be the catalyst to manifest the mark of the beast in all men who are not ordained of God before the foundations of the World to receive the Holy Ghost inoculation.

Brother Branham said in his sermon **Modern events made clear by prophecy 65-1206 P:26** *And you can be ever so sincere, but until we know what we're doing, you're fighting at the air. Come back into the Word of God and get lined up, and then go; **then you know**. Like a soldier, don't know what to do until he gets orders to do it. We must be Christian soldiers and get orders from the Bible for this hour now; not the charge yesterday, the charge the day before, but **the charge today which way we go**. Find out the hour that we're living in. And **these modern events is slipping by us too swiftly, and one day we're going to find out we'll be left behind without nothing, and be caught, sealed into the mark of the beast before we know it.***

So if you are living in la-la land concerning the things of God and the age that we live in my brothers and sisters, you are headed for the mark of the beast and it will come on you and you won't even be aware what it is. And just like the majority of the World and even of many who claim to believe **Malachi 4** are not even aware that **the Appearing of the Lord comes before the coming**. And even more are not aware of the 84 signs and events that constitute or make up **the Parousia Presence of Christ** which during His Parousia **the Lord Himself comes down with a Shout** (A Message) **a Voice** (Resurrection) **and a Trump of God** which is the catching away.

From his **Rapture** message Br. Branham said, **Rapture the 65-1204 P:111** *The rapture...The trumpet of the Lord shall sound; The dead in Christ shall rise, And the glory of His resurrection share; When the chosen ones shall gather to their home beyond the sky, When the roll is called up yonder...Let's all try to be there, friends. God bless you. **It's been spoken; it has to come to pass. It will come to pass.** And little people, no one wants to die; no one wants to be lost. Let me tell you; whatever you do, I don't care how well you go to church and how loyal you are to church... That's fine; nothing against that; you should go to church. You do that; keep on going to church. But whatever it is, throw away your traditions and move right on up into Christ; 'cause it's going to sound one of these days, and **you're going to be caught with the mark of the beast on you and not know what it is until it's too late.** That's exactly right.*

Now, who is he talking too? He's talking to message believers, and he said, *whatever it is, throw away your traditions and move right on up into Christ; 'cause it's going to sound one of these days, and **you're going to be caught with the mark of the beast on you and not know what it is until it's too late.***

And he said *if you are not aware you will receive the mark of the beast and not realize what you have done until it is too late*. Now, I have always believed that organization is the mark of the beast because that is what brother Branham always taught.

And from his sermon **Trying to do God a service 65-1127B P:35** he said, “Now, and when I speak of denominations, *I'm not meaning for you to be so cruel and... No, I don't mean for you not to go to your church. Go to your church, what you're supposed to do. But just don't join up with them organizations, because one day I'll be telling you and prove it by the Scripture; it is the mark of the beast. And you just remember, it's the mark.”*

**Power of transformation 65-1031M P:58** *There's always twins. And that's the reason... Don't forget this, little flock. The church in the last days is going to be twins, so close that'd deceive the elected: Matthew 24:24. See? The church is going... It's a Pentecostal move. It's so much like the real thing, till it would deceive the very elected if it was possible. And a little later on, if I get the chance, I want to explain what, how that election comes. See, it's going to deceive them, because it's almost like the same thing. See, just two fathers, that's all; same mother, same church, same movement, same thing. The bedding ground is the same, where the Word falls; but one of them, like here, is perverted. You understand? Say "amen" if you did see. [Congregation says, "Amen."--Ed.] See, one of them is a perversion, because it's the wrong father. Which, I will prove someday, if God will let me, that denomination is the mark of the beast. See, it's a wrong father. He's steering people to an organization instead of to the Word. See? It's the wrong father. It's a Cain move.*

Well, if the two spirits will be so close that only the elect will know the difference, won't the two marks be so close as well. **One will have a mark and the other will have a token**, but both the mark and token will seal in the person on whom it is placed.

Now, brother Branham in 99% of his talking about the mark of the beast he lets us know people already have it, but there is not yet an optics to let us see it. However he says in the other 1% of quotes that there is coming a day when that that mark which will have to become a visible thing, and materialize in its fullness. The optic will have to be there for us to see the fulfillment of that Word.

From his sermon **God of this evil age 65-0801M P:78** Br. Branham said, “*To wear the brand of a denomination is the mark of the beast. We've done been through it on here to do it. Flee it, children, flee it. See?*”

And he said in his sermon **Turn on the light 64-0125 P:18** “One of these days something's going to happen; it's going to be too late. The people will (future tense) take on the mark of the beast, not even knowing what they're doing. "Blind lead the blind, they all fall in the ditch," Jesus said. And we're living later than we think. Many honest people follow that, not even knowing what they're doing. But the hour is at hand now when the Light is shining, the Gospel Light in Its power of the resurrection of Jesus Christ, manifesting Itself that **Jesus Christ is the same yesterday, today, and forever. He lotted that for this day. The things that He promised for this day must happen in this day.** If the church won't accept It, God's able of these stones to rise children unto Abraham. He'll get His Message over, because He's always done it. He always will do it.

And from **Just once more Lord 63-1201E P:67** He said, “*Brother, sister, I don't know in my Bible of any other thing God promised to do before the rapture of the Church. I don't. You're thinking of a mark of the beast coming; I've told you, it's, they done got it. See? The next thing left is for the rapture of the Church. It could come at any time and not disrupt any Scripture in the Bible, as far as I know it. God knows that's true. Yes, sir. The time is at hand. It's later than we think.*”

He said, “*I've told you, it's, they done got it. See? The next thing left is for the rapture of the Church*”.

But the optics were not there yet for the whole world to know it. Remember, Paul said, “*no man can understand the things of God except the Spirit of God be in him.*” So how is the church, **the foolish virgin** going to know these things unless they receive the Holy Ghost and the scripture says they won't get it.

So how will they know to reject the mark of the beast if they don't even know what it is? There will have to be something that is an optics for them to see, in order to reject the beast's system. Remember the bride receives the token, but all others receive a mark. And we know the Token is not a physical thing, it is a spiritual thing, so the real mark is a spiritual thing as well, but how will they know to accept it or reject it? There must be an optics, there must be a natural that types the spiritual.

From his sermon **What shall I do with Jesus 63-1124M P:72** He said, "Now, he will not deceive those whose names are written on... What is it? **It's got to be a system.** See? And just think. To belong to that denomination in that **system**, what do you do then? Where have you done? **You're sealed away (See?) from the Word to a murderous system that takes away... Of "having a form of godliness but denying the power thereof". It's the mark of the beast.**"

The word **form** in the Greek is **morphosis** and it means "an ability to change one's form". So they can be Christ like in Church and hell cats when no one is watching them, and they fail to recognize that the Judge is here knocking at the door of their heart, and they won't let him in. Like the Pharisee who was white on the outside but inside was full of dead men's bones. **Having a form of godlikeness, but denying the power of the Holy Spirit to change their life.** Saying no to the Holy Spirit, I'll do what I want, and so they set themselves up to perish.

Notice they have a form, a form of godliness, which is godlikeness, and they think that form they have is the actual Life of Christ, and it is not. So they look at the optics, what they can see, and by that they deceive themselves into thinking they have the genuine Holy Ghost. And the same way they deceive themselves out of the Holy Ghost is the same way there will be an optics that they refuse thinking they are refusing the mark of the beast. Remember, "all the world will take this mark, or they'll not be able to buy or sell".

From his sermon **Token the 63-0901M P:104** He said, "As we see the great end time signs on earth today, we know that that's right. Now, look, I've waited for this for a long, long time, for this Message to you (See?), and you've seen the **end time signs.** (you see, there are your optics again) And I've preached it to you and showed it to you by everything that Christ said. Is that right? You'll admit that. At the end time, I don't see nothing left. You say, "What about the mark of the beast?" **Those who reject the Holy Spirit, is already marked by the beast. The punishment will come later.** See?

Now, the beast system must have a way to know those who are marked and those who are not, right? That is how they can punish those who refuse to take the mark.

From his sermon **Influence 63-0803E P:72** He said "The vision affected the prophet. Oh, the effects the vision had on him, it caused this prophet..."

Notice the vision was the optics, he saw it with his own eyes, or at least the eyes of his spiritual understanding. But nevertheless the vision is a form of optics that the prophet sees with his eyes, and then when the hat is on the chair he knows the vision is complete, and thus saith the Lord is fulfilled.

Oh, I hope you can see what he's saying here. There has to be an optics to show completion of the vision. He saw the vision of the hat on the chair so there had to be a hat on the chair.

"Now, you remember, he had been looking at a man. But **when he saw something real...** He'd watched a man's holy life; he watched him fail; he seen him take leprosy and die. You're looking at the same thing in your denominations. You see where every one of them are gone? Now, this great ecumenical move, **if a church isn't in this ecumenical move in a time of an emergency, that church cannot be used as a church.** "And no minister can minister to anybody; he'll be put to death by doing so. If he ministers any blessing to the people outside, he's with the ecumenical move." That's exactly in the writings today by the Lutheran; I forget his name. See? That's right. "Your church cannot be worshipped in; it'll be made a storeroom." See, **the mark of the beast already coming in effect, and we're looking at it.** The time... Oh, it ought to put the church in action. Certainly, it ought to. Watch the effects of the vision now, what it did to the prophet. It caused him, after watching that man, and see it fail... He saw God angry with the man, and withdrew from him, and smote him with leprosy."

Now, Trump proclaimed that we are in a **time of emergency**, and **emergency executive orders went out**, and so immediately we as Elect should have seen this and examined what the prophets vision showed concerning the closing of the churches, and we should watch for the optics of that happening, and begin to look for the evidence of the churches being closed, and we've already seen this take place not only in this country but all over the world. And yet people are so clueless, when all the clues to the day and hour have been so strikingly close to the optics that the vision showed. And when were the churches closed? During the time of this emergency pandemic.

From **Is your life worthy 63-0630E P:38** brother Branham said, "*Now, somebody said, "Now, there's going to be a mark of the beast; it's going to come someday." **Let me tell you; it's already come.** See? As soon as the Holy Ghost begin to fall, the mark of the beast begin to take place. See, you only have two things: One of them is, **accept It, takes the Seal of God; to reject It, takes the mark of the beast. To reject the Seal of God is to take the mark of the beast. Everybody understand?** To reject the Seal of God is to take the mark of the beast, for the Bible said **all that was not sealed by the Seal of God took the mark of the beast.** When the trumpet sounded and all wanted to go free could go, **them that didn't was marked.***

Now, I want you to pay very close attention to what brother Branham tells us next. Listen carefully, because he talks about the importance of having optics for the vision to be complete.

*Now, you see, the mark of the beast, **if we talk about it in the future, is when it's going to be made manifest.** (did you catch that? When it becomes manifest, that is your optics there.) **when you realize it's what you've already done.** (how will they know what they already did? The optics will make that very clear.) See? **And so is the Holy Spirit; It's to be manifested** (There's going to be optics for the resurrection as well.) **when we see the Lord Jesus coming in glory, and feel that transforming power, and see the dead rising out of the grave, and know that in a second longer we'll be changed and have a body like His. It'll be made manifest. Then to see those who rejected it, will be left down, out.***

So we are looking at this manifestation of the mark of the beast is actually in the future he said here, and this morning I want to show you how I believe it is coming into manifestation even as we speak.

From his sermon **Standing in the gap 63-0623M P:68** brother Branham said, "*And when all of our hopes that **way is gone in our economy,** of our Christian fellowship amongst the organizations... It's heading up into Catholicism, **which will be a mark of the beast in the confederation of church.** But it's those who love God and **are looking for a reality** that... **The very God Who made the promise in the Bible, spreads it before our face and makes the church, and the people, and science, and magazines, and everything recognize that He's still God and can fill the promise. What a time.***

Notice the very god spreads it before our face, and makes clear by the optics of it that the reality is upon us.

Also in his sermon **Jezebel religion 61-0319 P:64** he said, "*Then one day after sin had took its toll, and **God has brought His people to their knees... Jezebel took everything; she wiped it all up; and she'll do it again.** That's **Thus Saith God's Holy Bible. She'll do it again.** She's right on the throne now, behind the figurehead, twisting it anyway she wants to; and **nobody's going to stop her.***

So Trump was never going to stop her. He said nobody is going to stop her.

*"Certainly, nobody's going to stop her now, because **what they couldn't get in the religious circles they cut it all into politics,** and **there they done it.***

So where did they do it? He said in Politics. Though the Catholic church is a religious organization, she will bring her power into politics, and then the optics will become clear.

*"Uh-huh, **that's exactly what they done. Which the political will be a boycott** (and what is a boycott? Its a cancel culture)) **just exactly back to the mark of the beast, as sure as I'm standing here.** See? **And the Bible said it.***

See, so what is a boycott? It's nothing but "**cancel culture**". And the world is full of **cancel culture** today which is nothing short of boycotts.

We hear people say “*Trump will come back, he will do it*”. No, friends he will not, “*Thus Saith the Lord*” according to God’s vindicated prophet for this hour, “*he will not.*” They are looking for Trump to “*save the nation*”, and to do that they have to reject Christ as their Savior. Noticed how they’ve taken the religious realm and moved it into the political? And the Trump movement was very religious, and many fell for it because it appealed to their religious conservatism. Just like the prophet warned us they would do. But Trump will never save this nation, he can’t, he’s not a savior, he’s a businessman and they turned down the only thing that could have saved this nation back in 1956. They turned down the revealed word of God.

The Holy Spirit showed us back 15 months ago, in January of 2020 that according to **Daniel 8:23-25** that President Trump after he made manufacturing to increase through his policies like the scriptures said he would do, and he seemed to be undefeatable in spoiling the plans of the elites, but that he would come up against the pope and something would happen, and “*he would be broken without hand.*” Did the Holy Spirit not tell us this almost a year before it happened? It’s all on tape, and at time that I said “*All I can see by this Scripture is that Trump will somehow stand up against the pope and then he will be broken. I don’t know the incident that will take place but that is what the Word of God says*”, and did it not happen exactly as God’s Word said it would? Did not the Vatican come along and use their satellites to intercept the electronic votes and then change them, stealing the election from Trump, and thus he was broken without hand as the scriptures said would happen?

Now, I didn’t know that is how they would do it but I just said what the Holy Spirit had me say, that something would happen that would take him down, and they did it just like the scripture said they would do. Now, who else was preaching this from the Scripture? Tell me. When all the false prophets were proclaiming he would have a second term, and he would make America Great again. That was a lie from the devil.

Now, I have one last quote and then we will move on.

From his sermon **Mark of the beast 61-0217 P:14** brother Branham said, “*Now, the Mark of The Beast, the Seal of God. Now, how many was here last night? Let’s see, was been in the class. Oh, about everybody, I suppose. All right. Now, therefore to get a little background where we’re going tonight with it... Now, I had to take both of the subjects and put them together, because they run parallel one to the other. And we find out... I announced what I thought they were at the beginning, and now using the Scripture to prove that I think that this is right. I think that the Seal of God is the Holy Spirit. The Bible supports that. The mark of the beast is to reject the Holy Spirit. There’s only two classes of people. And on the side of salvation and rejecting begin in Genesis like everything else begin.*

Ok, so with that I want to show you what is behind this vaccination program that is going on where all men are being compelled to take it or they won’t be able to buy or sell, just like those who do not take the mark of the beast. Because he said it runs in a parallel way.

Now, if you recall some time ago, in fact it was February 19, 2020 way before they started any focus on a vaccination program, I was still preaching on the end time plagues, and showed you how their plan was to alter your DNA by using mRNA to do it. And in that sermon I quoted brother Branham saying from **God Hiding in Simplicity**, *Man is always giving God praise for what He did do, and always looking forward to what He will do, and ignoring what He’s doing.* See, see?

And then I said, “now in getting back to our text from **The Unveiling of God pp 121** brother Branham said *it’s just a word to them. To us it’s a manifestation.* See? *It is no more a word; it’s a reality.*”

And we were focusing on then what was actually coming to pass before even the world was aware it was happening. Not based on what we knew as official facts but what we knew as pertaining to the Word for this hour. What God’s Word and His prophet warned us was coming.

In that sermon we showed “*how the judgments of Deuteronomy 28 are divided up into three types.* I said, “*Today we shall look extensively at how God deals with the people who turn Him down in each age. We have already seen that the judgments of Deuteronomy 28 are split into 3 different types. Physical, Spiritual, and Financial.* And concerning *the physical judgments*, I said, “*Now how does this wrath of*

**God** come upon them? Does God send down lightning bolts and kill innocent people? Does God send them **pestilence** and earthquake because they are innocent? No, God has never destroyed man. **Man always destroys himself.** Man brings on his own judgment. As brother Branham said, **he must be in the spirit of destruction for destruction to come.**"

Then I read a quote from Br. Branham's sermon **Preparation 53-1111** where he said, "**I believe that the people are in the preparation of the last great destruction this world will ever know.** I believe we're at the end. You can speak to people; you could put a Billy Graham in every city in the United States; they'd drink whiskey and smoke cigarettes and laugh at you and everything else just the same. **They are in the spirit of the last days.** And **God cannot send destruction before the people are in the spirit for destruction.** God never did destroy anything. **Man always destroys himself.**

And then I went in to explain mRNA and how the "m" stands for Messenger and that mRNA attaches itself to your DNA and rewrites the DNA's code.

How many remember several years ago I preached on the DNA of God and that His DNA are His thoughts.

Well, that is what brother Branham said in **The Unveiling of God pp. 45** *This was a part of His way. This is the way **He manifests Himself to us,** manifests the eternal Word, God, Jehovah made flesh. Like in St. **John 1,** "In the beginning was the Word, and the Word was with God, and the... In the beginning was Elohim, and Elohim became the Word, and the Word was Elohim. And the Word was made Elohim." See? It's the same thing, just unfolding. Like the attribute (See?), it is in God. **A attribute is your thought.** God in the beginning, the Eternal, He wasn't even a God. He was the Eternal. He wasn't even God; God's an object of worship, or something. See? So He wasn't even that. He was Elohim, the Eternal. But in Him was thoughts; He wanted to become material. And what did He do? Then He spoke a Word, and the Word was materialized. That's the whole picture from **Genesis to Revelation.***

**71** Now, Paul speaking here now, and in this sense, the Spirit-Word, "***We are ministers, not of the letter, the law, but able ministers of the Spirit,***" that ***the Spirit takes the letter and manifests It.*** That was just law; you had to go look at it, say, "***Thou shall not commit adultery. Thou shall not steal. Thou shall not lie. Thou shall not do this, that, or the other.***" See? You had to look at that. But **this is Spirit that comes upon the promised Word for this age, and brings forth, and manifests,** not two tables of stone, **but the Presence of the living God;** not a mythical thought somebody made up or some Houdini trick, but **the very promise of God revealed and made manifest right before us.** What sort of a veil will that be behind? And to lose that...

**94** How about the people who say that **they are veiled in the Presence of God and preach some church tradition** (Oh, mercy, goodness.) which adds to and takes from, and everything else, **like injecting their own subjects and their own thoughts, and not the Word of God?** See? What kind of a veil? ***That's got an ecclesiastical veil. God tore that veil wide open.***

Now, notice in several paragraphs in **The Unveiling of God** brother Branham deals with ***the attributes of God*** which he calls ***the Genes of God,*** which we know to be the DNA and he says that is His thoughts. And he shows how we must die to our thoughts if we are be one with God's Thoughts.

From his sermon **Things that are to be 65-1205 P:46** *We have become from mortal beings, from time beings to eternal beings when the Word of God lit our souls and we become sons and daughters of God with the attributes, **the gene of God in us to be sons and daughters of the Father God** in heaven, crying, "Abba, Father: my God, my God." In My Father's house..."*

**Modern events made clear by prophecy 65-1206 P:33** *The man who's seen the vision or heard His voice, **never altogether understood** it. In many cases he didn't know, because he's just a instrument of God. **It's God's thoughts expressed through man's lips.** A "thought," 'course is "a word expressed. **God does His own choosing by His predestinated choosing. He done it in every age; He set forth the men for each age.** Like with Moses, when he was to fulfill what He told to Abraham...**Moses was born a proper child, he couldn't help being that way. He was born that way, because he was born for that purpose.** And so we find out that **God does that in every age.** God does His own choosing by His own predestinated choosing, choose His prophets and **things** for the age. **Fixes his nature, the man's nature, the man's style of preaching to***

**honor the gift, and all that He does is to meet the challenge of that day.** God creates that man and sent him. And in His own mind, as I preached on last night, **we are a germ of the gene of God.** He knewed that man would be there at that age before there ever was a molecule, or a light, or anything else in the earth.

Things that are to be 65-1205 P:101 And may that little **Germ of Life, that Gene of God** that we just talked of, **that attribute that come down from God** and has been manifested here to honor and glorify God...

Modern events made clear by prophecy 65-1206 P:118 If there's any in here tonight, Lord, that's holding in their heart that grain, **that gene of God that's ordained to Life from the foundation of the world;** I know, Lord, that they're bound to hear at this hour.

Now, we know that God taught us in **Genesis 1:11** that **every seed must bring forth after its kind.** That is the law of life. That's the genetics of seed life. And every seed has in it a code written by God to specifically deal with the kind of life that He put in each seed. In its genetics God wrote a genetic code that produces the same life in each offspring. I want you to understand that because when you do you will understand the seal of God and the seal or mark of the beast and the nature and attributes that are ascribed in each one.

In **John 8:44** Jesus in speaking to the religious Pharisees said, **"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it."**

So we see the genetics at work. He as the son of God could do only what the father showed him to do. How? It was shown by vision (God used optics to show His son) but as brother Branham said, **His nature and everything about him was made to receive the instruction from God,** the **instruction code,** which was the optics, the vision, God made him to be able to see it and he followed it to a tee.

Now, what I want to show you is something I spoke to you almost a year ago concerning the vaccines that Jeffrey Epstein's company Moderna wanted to produce and was actually in the making of it since around 2014 or 2015.

I showed you back then that the technology they were using was called, **"luciferace"** which they pronounce it Luciferus but we know it is spelled and phonetically called **"Lucifer race"**, and there is no question about that since their patent number they assigned to it is **WO 2020 060606.**

Now, don't doubt me on this, because this is not conspiracy theory stuff, these are the facts, and you can do your own homework and look it up and there are many reports and news paper articles that speak of this.

The **WO letters** stand for **World Order**, and the next 4 digits are **2020** which means the year for the world order to begin, and then the last 6 digits 060606 is **666** to make it clear that this is their agenda and to use it as the mark of the beast. Now, that is their intent because these globalists are trans-humanists, and they know the bible, and so they mock the Christian by using this not realizing that the optics only tell the elect it is now that time. And it is the last thing before the resurrection comes forth. But what we have not yet looked at is their agenda, and the agenda is to corrupt the DNA of man, and create men in the image of their father Lucifer. And in order to do that they have to dehumanize men and make them trans-humans, which is what they have been working on for many decades now. Now, here is the information on their system.

The patent is **WO2020060606 - CRYPTOCURRENCY SYSTEM USING BODY ACTIVITY DATA**

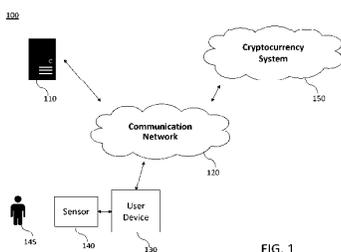

FIG. 1

Abstract: **Human body activity associated with a task provided to a user may be used in a mining process of a cryptocurrency system. A server may provide a task to a device of a user which is communicatively coupled to the server. A sensor communicatively coupled to or comprised in the device of the user may sense body activity of the user. Body activity data may be generated based on the sensed body activity of the user. The cryptocurrency system communicatively coupled to the device of the user may verify if the body activity data satisfies one or more conditions set by the cryptocurrency system, and award**

**cryptocurrency to the user whose body activity data is verified.**

Notice then without this technology embedded in our body, you will not be able to buy nor sell. Another feature of this **Lucifer race** technology is that it reacts with enzymes in your body to produce **luciferin** mixed with oxygen and causes an **energetic process that produces light**. And that's in your body. I imagine that is the signal that tells the **cryptocurrency system** that you have done what it wanted you to do so you can now receive your reward.

Now, Lucifer means the light bearer, and Paul warned us in **2 Corinthians 4** that *He appears as an angel of light*. Other links I've posted below for those who wish to learn more about this satanic push to complete Satan's Eden.

Now, that brings us to the two main stars in this race to use **Lucifer-race** technology, which is Modenra and Astra Zeneca.

The first Word **Astra** was taken from the Latin word **astrologia** which is the study of **astrology**, or the **heavenly lights**. Therefore, a **study of the stars** and therefore **astro** or **aster** refers to the "stars" or the "constellation of stars" or **heavenly body of lights**. And never forget the stars represent the sons of God.

Then they jumped over to Greek for the second name and used the name **sema** which in the Japanese language is **Zen** which has quite an eye opening definition.

The word **Zen (n.)** from Japanese, from Chinese *ch'an*, ultimately from Sanskrit *dhyana* means "thought, or meditation," (Its source also of Greek *sema* meaning "sign, mark, token"). As an adjective.

So Zen for Zeneca refers to the thought, or meditation, and as an adjective is sign, mark or token. Isn't it interesting these biblical terms are used in the naming of this coming that specializes in **Luciferace** technology?

Now, it is interesting that this vaccine is an mRNA which is a **Messenger RNA** and therefore deals with a protein that sends a Message that attaches to the DNA and rewrites the code of that DNA. And through this they are making the person into a trans-human, because they have now set up an operating system in the human body.

The following statements are taken from articles published in **Technology News**.

The Trans-human ideology is so terrifying that most people just cannot grasp its enormity. **Trans-humans** fully intend to **hijack the evolutionary process of genetic structuring** in order to create **Humanity 2.0**. This means treating **human DNA** like **computer code**. - TN Editor

So what that tells us is that they are trying to rewrite **Genesis 1:11** every seed after its own kind or nature. They want to alter the nature giving it a hybrid nature. They don't realize that is exactly what their father the devil did back when he used the beast to implant his beats seed into Eve and produced the hybrid Cain.

Listen to what brother Branham tells us concerning this.

**First seal the 63-0318 P:163** *Then in **Revelations 13**, he sets the mark down. See, when He that letteth--only now Christianity is left on the earth in its purity is because Him that letteth. You remember back here in that--in **Thessalonians**? Setting upon the temple of God, calling himself God; forgiving sins on earth, and that'll go on, and iniquity shall abound and on, 'cause it won't be known yet until his time to be revealed is called. And then the Church will be caught away. And when it's caught away, then he changes himself from an antichrist now. Oh, my, the church, the great church and... Now, he becomes the beast. Hm. I wished I could make people see that.*

Oh, my Satan incarnated the beast in the beginning, to hybrid the human race and he becomes the beast incarnate at the end to finish the job.

**Second seal the 63-0319 P:77** *Now, now, first... Then he become an antichrist. Now, he couldn't be antichrist, only in spirit. Then he become an antichrist, and that spirit took a man that taught the same things that that antichrist spirit was doing, and then he become a false prophet to the antichrist spirit.*

*Now, what about a man in a organization? Suit yourself. I don't know what you think about it. But all right. Now, **finally he becomes a beast**. Now, wait; we'll get in that in after while. See? All right. Now, **if Satan's trinity lays like that...** Satan all the time, **Satan, antichrist spirit (the antichrist spirit incarnate) false prophet, then becomes the beast**. See? When, not a demon that was in that antichrist, but when Satan himself is kicked out, **he comes down and takes over the place where the demon was: the devil then. Then the devil is incarnate in a man. It's just repeating itself**.*

And what does he do? He wants to make offspring just like himself, because that is what he did at the beginning. Oh, my this is so deep but so striking what God is showing us here. Satan's Eden exposed.

Documents obtained from **Moderna** reveal that the so-called vaccine being peddled by the company is actually an '**operating system**'. This startling admission confirms what vaccine skeptics have claimed – that COVID is about control, not a virus.

**Moderna's** Top Scientist said: '***We Are Actually Hacking The Software Of Life***' Pure and simple, this is unvarnished, raw Trans-humanism. **Moderna CEO** said "mRNA shots are rewriting the Genetic Code". He calls it "***information therapy***", and says, "***We are hacking the software of Life.***" This should be a real alert to every Christian.

Now, what I want you to notice is the word "**Zen**" from which "Astro **Zeneca**" gets its name, means, "**Thought**", or "**meditation**", and the definition does not stop there. It also is defined as a "**sign**", a "**mark**" or a "**token**".

We talked earlier on what brother Branham said when he preached on **The Mark of the Beast and the Seal of God**, he said, "***Now, I had to take both of the subjects and put them together, because they run parallel one to the other***". The **mark** parallels the **token**, because the **token** brings **God life** into the believer and the **mark** of the beast brings the **beast life** into the unbeliever.

So using the mRNA which is a **messenger RNA to rewrite** your DNA code, could that be the "**mark**" which moves the **mark** of the beast from just a wrong "**thought**", a "**Zen**" of rejecting thoughts of God, and so from just a "thought" it brings it into an actual "**mark**" which is the actuality or reality of the implementation of that Beast Life, which began as an "**anti-God thought**" that Br. Branham spoke would come in the future? So this medication takes you from having "**thoughts**" even about God to having **no thoughts** of God at all?

Remember the scripture tells us in **Psalms 10:4** *The wicked, through the pride of his countenance, will not seek after God: God is not in all his thoughts.*

And I think it is interesting that according to the reports, Bill Gates back in 2005 gave a talk to the DOD and I'm told some CIA officials as well, concerning a vaccination he called at that time "**FUNVAX**" and he said the meaning of "**funvax**" is a **vaccination against fundamentalism**. He claimed back then it would alter a person's responses to the **God – gene** in a human being. I watched this video, and the man appears to look like Bill Gates, and even uses the same hand gestures that Bill Gates uses, and he even sounded like Bill Gates of 16 years ago, so I think it might be fair to agree with the authors of the news bulletin that is was in fact Bill Gates who gave this presentation. You can watch it for yourself and make your own conclusion.

You can see a link concerning this from a new site called "**State of the Nation**".

Here: <http://stateofthenation.co/?p=13275>

Then I have posted the video of Bill Gates presentation to the CIA and DOD here... [You are being redirected...](#)

So it seems to me that the point of the name **Astra Zeneca** points to vaccines working to alter the "**thought**" by modifying the **DNA** of the individual who has the hereditary disposition that inclines to spiritual things. I think it is interesting that they call it the **God-gene** which is the **Vesicular Monoamine Transporter 2** or other-wise known as the (**VMAT2**).

And never forget, there are actually two Gods spoken of in the scripture, the **True God (Jehovah-Elohim)** Who created all things, and the "**god of this world**" which Paul called him in **2 Corinthians 4:4** which is Satan. Both have children, and therefore there is a **god-gene** in them as well as a **God-Gene** in the sons of God. And since we are guided by our heredity, thus **the DNA** must have a **genetic code** that **causes us to do what our fathers did before us**. And Science is now proving what Jesus told us in **John 8**

**John 8:44** *Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.*

William Branham also taught us that there is a **God-Gene** as far back as **1965** which is **55** years ago and way ahead of science. From his sermon **Things that are to be 65-1205 P:46** *We have become from mortal beings, from time beings to eternal beings when the Word of God lit our souls and we become sons and daughters of God with the attributes, the gene of God in us to be sons and daughters of the Father God in heaven, crying, "Abba, Father: my God, my God." In My Father's house..."*

Again from another sermon **Modern events made clear by prophecy 65-1206 P:33** *The man who's seen the vision or heard His voice, never altogether understood it. In many cases he didn't know, because he's just a instrument of God. It's God's thoughts expressed through man's lips. A "thought," 'course is "a word expressed. God does His own choosing by His predestinated choosing. He done it in every age; He set forth the men for each age. Like with Moses, when he was to fulfill what He told to Abraham...Moses was born a proper child, he couldn't help being that way. He was born that way, because he was born for that purpose. And so we find out that God does that in every age. God does His own choosing by His own predestinated choosing, choose His prophets and things for the age. Fixes his nature, the man's nature, the man's style of preaching to honor the gift, and all that He does is to meet the challenge of that day. God creates that man and sent him. And in His own mind, as I preached on last night, we are a germ of the gene of God. He knowed that man would be there at that age before there ever was a molecule, or a light, or anything else in the earth.*

So what we are seeing is the final warfare to gain control of mankind being waged at this very late hour, and man will either receive **the mark of God** which is **the baptism of the Holy Ghost, the token or the mark of the beast**. Remember it runs in parallels. God fills us with his thoughts, his doxa, which is his opinions, values, and judgments, and satan fills his sons with his thoughts which are anti Christ, anti Word of God.

And by using a vaccine to try and destroy the **gene of God** in a man, or suppress the **gene of God** in men, so man cannot **hear from God** and **be led by God's Spirit**, for "**Sons of God are led by the Spirit of God**" and since worldly-ism has not worked (as we see in the parable that Jesus Christ told us in (**Matthew 13:18-23**)) and therefore satan is running out of time, so he has chosen as his last resort to control the very mind itself by altering it medically. Remember brother Branham warned us that **the greatest battle ever fought** is a battle for your mind.

And these **mRNA** vaccines for COVID are not even an actual vaccine since they use no part of the COVID virus to produce them, but rather cause your body to produce its own COVID virus and thus you become a super spreader yourself. But they are actually just a medical manipulation of the DNA. And you will notice in his presentation to the DOD and CIA Bill Gates mentions using rhino viruses to spread this "FUNVAX" that he said would render the fundamentalist dull in that area of the brain that responds to the God factor. And Rhino virus's are just a common cold virus, which are corona viruses. And he said the rhino virus would be the agent for dispersion as Br. Peter Gatchell and myself figured out in February of 2020. That would be the means to spread this vaccine through a common cold like symptoms. So I believe that vaccine they planned to kill the God-gene is this virus and vaccine they are forcing all the world to receive. And remember the word "zen" means the **thought** and the **mark**.

Now, in closing we see the twins at war here, where God is bring His doxa into the very minds of His Seed, through the quickening of the **gene seed** of God in them by quickening them to his Word. While Satan is using This vaccine to dull the minds of the people to the things of God. The greatest battle ever fought is for the mind of all humanity. To think God thoughts or to not think God thoughts. So I leave you with this to

question to think about. Where are you in relationship to God's Holy Spirit. Remember, germs are demons, but if you are inoculated with God's Holy Spirit you cannot be vaccinated against the God gene **for you are sealed until the day of your redemption** which is the change of the body. But what about your children? They have already started infant trials of this vaccine. Will you turn your children over to satans system, or dedicate them to the Doxa of God. Remember Jesus prayer before Gethsemane, he said in **John 17:20-22**, **"Father I have given them thy Doxa that they might be one as you and I are one."**

**God's provided way of healing 54-0719A P:42** *What is a cancer? What is a tumor, what is a disease? We'll deal on that for the next five minutes now. What is a cancer? What caused that thing? Let's take a cancer, or anything you wish to take: tubercular, pneumonia, whatever you wish to, any disease. Diseases are germs. Let me pass something, here quickly, as our time's a going. Listen, **did you know the Bible predicts that in the last days, that they'll be a germ warfare? That diseases will break out upon the people, and will fall on everyone without the baptism of the Holy Spirit? But with the Angel or who had charge over these plagues was given orders to touch no one on whom the mark was. Why, how much kind of teachers have we got to be, brethren, to get the church in order to be in that condition? Immune. My arms are sore now, from where the doctors has punched needles to try to inoculate me from yellow fever and so forth. I told them I didn't need it. But they wouldn't listen to me. But I'll tell you what God's going to do. God's got a serum, and it's called the Holy Ghost. And when that serum goes in, it'll inoculate you.** Hallelujah. In the last days...*

Let us pray...

**Do not take the COVID19 vaccine**, and abstain from it on religious grounds.

**It is not the mark of the beast but it is an mRNA which means it has been modified, and thus becomes a Messenger RNA.** It is for global depopulation. A mRNA attaches itself to your DNA and causes it to rewrite the DNA code in your body. Thus altering your DNA.

If they ask you if you have been inoculated tell them you have, because your inoculation is the Holy Ghost.

The Moderna vaccine which Bill Gates is pushing is made using the **LUCIFERACE** technology. Its patten number is WO2020-060606

The first two letters **WO** many believe stands for **World Order** and the last part is easy to understand **060606** equals **666**.

The COVID19 is a man made virus where they combined CORONA virus which is a common cold virus. There are 200 strains of Corona virus, it is the common cold. There has never been a vaccine for

it. WHY Now? It is the main distribution part of the virus in order to easily spread the disease. They added SARS a variation of the 2003 SARS virus that was also manufactured in the same WUHAN lab in 2003. Then they added a third part adding two elements of HIV to hinder the immune system.

Bill Gates said we need to vaccinate people and thus we will be able to reduce the world population by 10-15%. See article below for source.

Why would anyone want to vaccinate to depopulate. Aren't vaccines to prevent death? Not this one. The second strain they mixed was SARS which came out of the same WUHAN lab in 2003. It is a strong virus that causes respiratory disease. The third element of the virus is HIV, they added two elements to it to keep the immune system low so the SARS can do its work. The Corona part was for distribution because the cold virus is easily spread.

315 people who were immunized came down with HIV which is the aids virus.

Anything Bill Gates or George Soros push is deadly, do not go near it. They are not for the common man, they are elitists who wish to depopulate the earth. Warm your people.
