

#17 Deputizing; Family of the Revealed Word of God Children

I Let's us pray. Heavenly Father, we know there was that time when Jesus was here with us and You had been in him, Lord, as an incarnation at that time but left him in the garden and there he prayed, "Lord," and we know that You heard his prayer and answered on the grounds that he himself said to You, "You always hear and always answer, because it's always according to Word." And we stand this morning on It that as we have had the Word given to us, brought down by those who heard the apostles, and Paul himself having been face to face with You, Lord, and now prophet at the end time. We believe, also, we're sanctified by that Word and somebody's ready for a presentation, if not we, there's somebody else, Lord, who will certainly be in that great array at that particular time.

We just ask You, Lord, that You help us in this last hour because we know things are closing in, the revelation is getting brighter and brighter, and truer and truer to us, Lord, and we're happy for that, but we know that much more goes with It, much more, Lord, than the realm of nervousness caused by inspiration and all these things Lord. And yet we realize that You are helping us and we wish to realize even further that all these things are a part of it and therefore, we can rejoice whatever is happening in the world although it's very, very terrible. And we can rejoice what is happening in us because redemption is just about completely over as far as these ages are concerned in the human beings, Lord, ready for an entering in to a part of eternity which we know nothing of at this particular point except a little Word. But as to knowing it really we don't but we have faith, Lord, that one day we'll be in that position of realization even as we've already realized that there has been a prophet who brought the Word. So we commend ourselves unto You this morning and give You glory, in Jesus' Name, we pray, Amen. You may be seated.

Now in Satan's Eden, number 16, which was I guess a week ago Sunday...it was Wednesday rather, we found Bro. Branham in pages 9 and 10 describing the original structuring of the earth as being one vast vista or panoramic as he would call it, of beautiful parks, paradises with Eden as its special and more beautiful garden wherein God set up His headquarters upon earth with His son, and of course, His daughter also, Adam, rather His son, Adam and His daughter, Eve, in charge because she was co-equal with him at that particular time. Now Bro. Branham takes great pains in defining the relationship of God and His son, Adam and applying it to us. Now his simple statement in paragraph 30 [49], now this is concerning us,

[49] And then God made one of His attributes from His Own Body.

Now he's speaking there concerning Adam but if you will go to the Book of Hebrews which we go to so many, many times and we'll see where Bro. Branham says, "We come exactly as Jesus came." It says in...Hebrews 1,

(3) Who being the (outraying) of his glory, the express image of his _____ person, (or the expression of his substance, and of course, this _____ being Jesus) upholding all things by the word of his power, _____ (because God by...God created all things by him.)

Now the thought we're looking at there is that Bro. Branham said, "That Jesus was the fullness of the attributes of the Godhead bodily." Now what does he say about Adam?

[49] And then God made one of God's own attributes from God's Own Body.

2 Yet Bro. Branham said, "That God didn't have a body." Well, what was he speaking of? Not as we have right hand and left hand but God is certainly not an amorphous chunk of spirit that's floating around filling the universe. He's absolutely defined, and even though His Spirit can be everywhere and as far as the baptism with the Holy Ghost is concerned, His Spirit cannot be everywhere as far as His Own Person is concerned and it does not need to be because He's omniscient and omnipotent.

Now the press will tell you different. The press knows everything. They've went so...they didn't criticize Swaggart so much for his womanizing; they criticized him because you see he believes in one God and any theologian knows there are three gods. And everybody knows He is omnipresent; that is hogwash. If God is omnipresent [Bro. Vayle bites a piece of paper.] I just took a bite out of God. I breathed Him in. So much for Dan Rather and the rest of those birds, it wasn't Dan Rather that said it. Press runs everything now. God have pity on this generation. But God's not going to have pity.

3 Getting back to what Bro. Branham said. And then God made one, One: He took one of His attributes, took that special One, so special that it's called Jesus, the last Adam, the second man, so when you're dealing with Adam you're dealing with somebody in a far greater, a greater magnitude of respect in the plan of God as of beginnings than anybody else; Adam, the man; then Jesus, becoming a man. He took that one attribute, just the same as He took the fullness of His attributes from within Himself of which the Son was an outraying. All right.

4 Bro. Branham continues.

[49] God has attributes in His Body.

[50] Like, you are an attribute of your father.

Now he's bringing it into the simplicity that when God breathed into Adam the breath of lives which was the Holy Ghost, not the baptism, but a very life of God Himself somehow beyond the human mind in order to propagate God, that God might be the Father of many sons and many daughters, and He placed it all in Adam. And Adam became a living soul. I ask the question. What was he before that? A dead one? No, anymore than the living God was dead and suddenly in Him was life. So then now we got an evolved chunk of something from God knows what, and now we got God. Hogwash!

He was the living God the same as Adam was a living person but the qualification there is that word 'Zoe' which signifies within God was not only that desire but that ability to put Himself into a form so that God became a hundred percent one with nature, that's why this world will never be destroyed, that's why it will only be dissolved and brought back. That's why New Jerusalem will be upon it and we will be here as glorified children.

5 So Bro. Branham is saying as he said in Melchisedec, now notice the importance of all of these messages run together, there is no difference, it's just like the Bible. He said, "We came just like Jesus came but we by-passed the theophonic form." "We by-passed," as Paul said, "a spirit body which if you die you go to," because the minute you leave the source of life, no matter where that source of life was permitted to flow, you immediately have to take on the configuration what that God wanted for it.

And you can see the intricacy of it as you examine the sperm and the egg, and you don't have an inkling as to what the configuration is by simply examining it, unless we come to the place where we're smart enough to understand a sperm of the human being from a sperm of an animal, and the egg and so on, which I suppose you can't. Then you can say this will produce a human being. All right, tell me exactly what color and how long will the nose be? And how wide the eyes, the difference, you know, the space between the eyes? What will the earlobes be like? Tell me. See, you can't understand too much but you can believe because it's all out here in

nature.

6 So God has attributes in His Body like you are an attribute of your father. And you put that back in Adam because Eve was in Adam, and he did not take the life of propagation from Adam and put it in Eve; He simply put a life in her and a form that could receive the life to bring forth a life, so he talks of being in the father. He's not being mad at women. But you know the Jews got the idea if you've got a Jewish mother then you're a Jew. Hogwash! There's something crazy with the Jews. All right.

Let me give you an idea of what this means to me; each person sitting here this morning, each one actually an attribute. That's what he's saying. Each of you being here because of your father, but you're not here because of your mother, especially the men. If the women could have a child by what they call parthenogenesis which means she can have a child by herself, you'd be a girl, because she hasn't got the 'X' and 'Y' chromosomes, only the male carries the 'Y'. I think that's it; I always get it backwards. It doesn't matter, there's two chromosomes. That's why some men only have daughters; they don't carry the other chromosome. That's in the Will of God, so don't fuss about your masculinity; that's a lot of hogwash. Don't worry about that. All right.

7 Thus you are an attribute, a life in a germ or seed coming from your father and in his likeness because Eve was in the likeness of Adam, a helpmeet, which means one like he is. So you go back to father. And again we're not insulting women, we're just being with the Scripture. And if you can't be with the Scripture, sisters, look it, you're lost. And if you men try to take advantage; you're the devil, a beast. So, can't have your cake and eat it. There are no black white birds, drunk sober people. No Christian unbelievers that are real Christians. No born again, un-again, un-born again, see?

Then Bro. Branham goes on to explain that the reason for those attributes of sons and daughters is for family purposes, fellowship. Not God strutting across the stage, "I'm the great One." You know, years ago I worked with a guy, his name was Boone, I think his name was even Daniel. He was not from Kentucky. I don't think Daniel Boone was from Kentucky in the first place. I think they moved him there. But you know, he was macho, and he could talk, "Bless God, if his sons went he could knock them down." Oh, he was always greater than his sons.

Is that the kind of God you and I have a concept of? I thought a father usually if he had the chance exalted his children above himself even, if there's anything in them to exalt. He gave Jesus a Name above every name and He gave Adam the first name, and His purpose is bringing many sons into glory. It was fellowship. My wife and I don't have half the brains our kids have; I don't say they've used them. Every generation gets smarter and weaker. Only thing I feel sorry for about our kids is the fact that they don't see the things of God as we see them. But as far as having attributes, they've left us in the mud, long, long time ago.

8 Fellowship, thus at the beginning we were all locked up inside of God who is our Life source, then we are allowed to come into manifested individuals through the flesh, starting with Adam. It's exactly right. Then how could anybody say we were reprobates? How could they say we were pigs or goats? Something wrong with somebody and it's not God's Word.

Then one day even God took on a human form as He indwelt Jesus the Christ, positively then God's purpose was to display His attributes in fellowship. Therefore, that was God's purpose to display His attributes, to bring forth His sons in fellowship.

If you and I could have real fellowship with our children which...the reason to bring up children is to as rapidly as possible but not too rapidly, bring them to the place where the daughters are peers with their mothers, and the sons are peers with their fathers. Adoption! Now tell me you parents, be honest, how many of your fathers, and I don't remember mine at all, your fathers brought you and wanted you to come to the place they

could say, "Son, we're equal." I'm looking at some of you and you know your father's right today browbeat you: "Well, my son's okay but look at me." Am I cutting close to the bone? I'm not stupid. I know what goes on. What about women?

9 There's something a little bit different isn't there when Bro. Branham tells it than when you and I just think on our own; this is what a prophet does.

[54] Therefore that was God's purpose, to display His attributes in fellowship.

Now he doesn't talk about his great conglomerate attribute concerning Jesus and said, "I got fellowship with My Son, hallelujah, and you other little sons down there, you're really a bunch of kind of mongrels, and if you make it, bless God, I'll bat your brains around." His attributes.

I can smugly stand by with the full assurance of God's love, which is in election, and predestination made known at this hour to you and me, and "though He slay me yet will I trust Him" because He loves me. He's not talking about worship; He's talking about fellowship which will show, is the secret of worship.

[54] Therefore that was God's purpose, to display His attributes, His sons, in fellowship.

[55] When I was in my father, I knew nothing about it. But when I became his son...

10 When I became? Certainly. God is a becoming God, and everything is a becoming thing. This is where Bro. Branham and his Kentucky English, so despised by all the great people and now he's really being stepped on by all the theologians, and all the media, everybody else; they hate his guts, literally, but I'll come out fighting for him. I'm not nice, no, dirty, screaming like a banshee if I have to and using language which isn't becoming and I never used good language anyway which especially is becoming to a pulpit. These are scum scurvy satanic devils because they have no knowledge of the word 'become'.

When God became one of us, it was on the understanding of the Word becoming flesh; He always was one of us because we are His children, and issued forth from Him. Oh, I know they don't understand because they can't figure out how that could be with David, a man after God's own heart, listen, in his adultery he was still a man after God's own heart, in his murder, he was still a man after God's own heart. Adultery and murder weren't a part of God's nature; they were a part of the serpent flesh, and the temptation that lay in there; but he was God's own son and a man after God's own heart because he's a part of God. I'm not defending sin; I'm defending the Word. That's preached of the truth but you can do what you want. Yeah.

[55] When I was in my father, I knew nothing about it. But when I became... (When I was brought into flesh and) born of him, I was an attribute, a part of my father. As you're a part of your father.

[56] And as children of God, we are a part of God's attributes that were in Him, made flesh like He was made flesh, so that we can have fellowship one with another, ...one with the other, as a family of God upon...earth.

11 And argue bitterly over doctrine." But if I didn't muss my hair up, I'd pull my hair over my face and look at you because some of you might want me to hide on this that Bro. Branham made such a carnal statement, "and yet depart as brothers, no ill offense, but you got to stand for the Word." I hope you are beginning to understand, I'll help you in a little while later because no matter how hard we try there is still a problem. Not scolding you for it; I'm just letting us know where we are.

[56] And as children of God, we are a part of God's attributes that were in Him, made flesh like He was made

flesh, so we can have fellowship one with the other, as a family of God upon the earth.

If we walk in the light, as He is in the light we have fellowship one with another and the blood of Jesus Christ God's Son is constantly cleansing us, so therefore, it is not a matter of whether the blood is on the mercy seat or if it ever got there or not; it is a matter of the Word. So the blood can do nothing without the Word.

12 Joe Raczkovi just came back from Hungary, he couldn't wait to phone me but I beat him to the punch because I wanted to see if he was home. So I found out what I wanted to find, like in America, Europe hates me. You know why? Because I dare to quote the prophet! Five men from Germany and Holland came to where Joe was, and the first thing they did was land into me.

They said, "Well, Lee Vayle says that Jesus is not on the mercy seat. He's on His Father's throne."

And Joe said, "Just a minute, what if he quoted the prophet?"

They don't even know what the prophet said. They take everything by their own tradition, their own understanding. I wouldn't give you a nickel for it. It's what did God say that's vindicated, not what I say, not what I understand. See, not what I understand; it's what God said vindicated by a prophet.

[56] One family of God upon the earth and that is God's purpose at the beginning. (That is God's purpose at the beginning, fellowship.) Yes sir. That is what God wanted at the beginning.

13 If He wanted it at the beginning He's going to get it at the end. Well, He's got to! Bro. Branham said, "That seed that is planted, ...I don't care how long it's there, and what stages it goes through, when it comes to maturity, the same seed that went in the ground is going to be the same seed that comes out of the ground." The same seed in Adam for that same purpose is going to come back. That's why marriage over there is a matter of fellowship, not a husband and wife deal. That's what God wanted at the beginning; He had everything under control and He turned man...over into the Garden of Eden on free moral agency and said, "Son, it's yours. Son, it is yours."

God was so satisfied that He just went back and rested from all His works. When will God be satisfied? When we come to fellowship! Not a macho God who knows everything and can do everything and is spying on everything, and there's just retribution and all of these things. Oh, all of those things are very nice as far as the world's concerned but not as far as I am concerned. By the grace of God not as far as this church is concerned and those who hear my voice and preaching what Bro. Branham preached and laid out here, and I've read it to you, word by word, and haven't lied about it. I want that kind of a life which is fellowship. I want the satisfaction that God is satisfied with me. A spiritual physical harmony, a true wholeness was there in the world at that time. And why is everybody that understands holistic medicine, why are doctors changing today in spite of their brilliant brains so-called? It says, "Get in harmony with nature." The ecologists are screaming for it. The vegetarians are screaming for it. People are crying for it. "Get with nature!" They've destroyed it. See, God knew what He was doing.

14 Now God's purpose was to display His attributes in fellowship: this is definitely seen in Hebrews 2....

(11) For both he that sanctifieth and they who are sanctified are all of one: (One what? One Father.) for which cause he is not ashamed to call them brethren,

(12) Saying, I will declare thy name unto my brethren, in the midst of the church will I sing praise unto thee.

And, of course, people want to turn that, and they say, "Well, you become a brother and a sister when you get born again." That's a lie from the pit of hell. You get manifested as being a brother and a sister. That's the placing. You know, God even placed you in this church here this morning if you believe in sovereignty. Don't feel too uncomfortable because I'm a rough preacher. You ain't had it rough yet. You wait until something begins to happen. You know we're not homosexuals and a bunch of fools around here, if any...the wrath is going to come it will come upon us because we stand against all that stuff, furthermore we stand with the vindicated prophet and that's really going to bring the wrath of God, wrath of Satan, I should say, upon the world.

15 Now listen! Let's keep moving. Now going on to paragraph 35 [56], which I read. We go to 36 [59], and it says,

[59] Then when He went out to take a little rest, His enemy slipped in with deceit, and took it over, by misinterpreting His program to His children.

Misinterpreting His program. What was His program? Be in fellowship with Me according to My Word and you got it all. This is a cooperative endeavor, man has tried to get back through socialism; it won't work. It comes through theocracy. Even Plato knew that the most...the best form of government is benevolent dictatorship. When God gave an example of the Millennium, He let Israel go into the Promised Land with the understanding they would be under the Pillar of Fire and a prophet. He said, "You're going to get a king all right, I don't want you to have one but you're going to have one. I'll cooperate."

[59] When, He put His trust in His Own child; as you put trust in your daughter when she goes out at night with a man; when you put trust in your son when he has to go with a drinking boy or with a smoking boy. See, He put trust in His son, that he would not do anything wrong, and would keep every Word that He said. But the enemy slipped in; like that greasy slicker that would take out your daughter and misbehave himself; or--or some woman would...go out with your son, ...the same thing. See, he slipped in. The enemy of God slipped in and misinterpreted the Word to Eve.

16 Now that's the secret of Satan's eden; the misinterpretation of the Word. And as I've said before taking it back to our Garden of Eden, in the light of a new-formed Bride under the blood of Christ and the baptism with the Holy Ghost, the Pillar of Fire and the Apostle prophet Paul, it was hardly days gone by but he said, "Well, somebody says, I'm of Paul, I'm of Apollos, I'm of this, I'm of that, I'm the other thing," and he said, "Satan has already got you. You've got another Jesus, another gospel, another spirit."

Come on, folk, that's two thousand years ago, and what kind of a mess is the church in? It had the same Bible we've got. What are you talking about? The Catholic Church said they wrote the Bible. They wrote the Bible, my foot! If they wrote it how come it's so hard to understand according to them? They took it away from the people for years, now they got the Bible back because they're in worse shape than ever because they're now all talking in tongues.

17 Now, misinterpreted the Word, and we must be careful here. It could only be misinterpreted on the grounds of an original and true interpretation. There cannot be a counterfeit unless there is an original. Notice the original for our day is Deuteronomy 18, the Pillar of Fire and a prophet with **THUS SAITH THE LORD** which is his vindication and if he hasn't got it you don't believe it. Now I don't care what anybody says. See? They don't believe it.

The Catholic Church said they wrote the Bible; where's their **THUS SAITH THE LORD**? Never did have it. Paul, the Apostle was the one that had it, not Rome. Paul in 2 Corinthians tells it. And William Branham, the prophet of God in the end time, after him, after Elijah comes the warning, after the prophet there comes the false

teachers. But at the end time there's got to be somebody come and open the book, so we don't add or take away a word, otherwise there can be no rapture. All right.

18 As I said in Satan's Eden, number 16, there is no mention of the word 'worship' in Eden. Though there is there but not directly specified as the word 'worship' for in the beginning, the very first word in the Bible that mentions worship means 'to bow down'. That is its major use in the Old Testament, as it refers to relationships between men and spiritual authorities or forces unknown or greater than themselves or known and acknowledged as worship of deference. In other words, you're giving worship to somebody because you feel the person has it coming to them because he's of that type of character and you know, greatness before the people's eyes.

19 Now the point is this, if God made Adam and Eve co-equal and set them in the Garden with the Holy Spirit directing them, you cannot find a 'worship' per se of this nature which means 'to bend down'. It is a fellowship which fellowship is sufficient in itself to give God the glory and honor which would constitute worship.

Like as I said many years ago, and it confused me until this very moment, I had the only answer I could get, however concerning it and that is this, God never said one place in His Word, "I love you," but He turns right around in the Book of Exodus and said, "You better love Me." And I said, what is the answer? The answer can only be one thing, that everything was so propitious to their wellbeing to everything that any want, they'd ever want, that you couldn't help but love Him, and this is what we see from what Bro. Branham is teaching, what I gather. See?

20 Now notice, man was upright. He wasn't like the beast. He walked and talked face to face with God as contrasted to kneeling. He didn't kneel. It would have been all right. There was fellowship and in fulfilling that fellowship of son to father, there was worship. Let's go to John. Have I got this right? Notice [John 8]....

(29) And he that sent me is with me: (That's the same as Adam.) (and) the Father hath not left me alone; (God just stood back and watched Adam) for I always (do) those things that please him. (Fellowship! See? Guidance there.)

21 Let's go to John 11:

(42) And I knew thou hearest me always: because of the people which stand by I said it, that they may believe that thou hast sent me.

See what I'm looking at is, the last Adam, the second man was an upright person who talked face to face with God but it isn't that only, the prophets did it. Adam was the first prophet in that particular area, on that grounds.

22 Now notice, Jesus, now watch now, this Jesus that talked face to face, this Son of God who was a son of Adam, according to the flesh, the Son of David. Now let's get over here to Ephesians 1:

(3) Blessed be the God (even the) Father of our Lord Jesus Christ,

This one Person Jesus that said I've got this fellowship, He's with me always, this was His God which meant that He worshipped God. Are you following what I'm trying to say? That worship does not stand, "Oh Lord, thank you Jesus, hallelujah," and they go into a sort of a trance, a state of exaltation, a state of meditation, a state of where they talk to God and get a lot of good things back and they get healed and everything else, and that makes it wonderful. Hallelujah!

Now it does, that is very wonderful, it would be terrible if they didn't appreciate God for what He's doing

because ten lepers were healed and only one came back to thank Him and Jesus said, "Where are the other nine?" I'm not saying, look it, now get me straight, I'm not saying, worship isn't in existence and always was but I'm trying to bring us to the place to understand what are the grounds, what are the principles of it.

23 Notice in Matthew 4:

(10) Thou shalt worship the Lord thy God,

Jesus positively set forth worship but the basis was the communion. It was a fellowship. And let's go even further, it was a sonship. Adam and Eve had fellowship one with another, they were speaking creatures. If she could speak to the serpent, she could sure speak to her husband. And let's understand this flat, her husband spoke to her because God spoke to her husband and Adam told Eve everything she needed to know. She was in constant fellowship with her husband.

24 Now then, enter the beast. In the 3rd chapter of the Book of Genesis, we find the account that Bro. Branham used, of course, he used Genesis in this Satan's Eden, and in there we find these verses...

(1) Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, (You) shall not eat of every tree of the garden?

(2) And the woman said (to) the serpent, We may eat of the fruit of the trees of the garden:

(3) But of the fruit of the tree which is in the midst of the garden, God hath said, (You) shall not eat of it, neither shall (you) touch it, lest (you) die.

Now there's no Scripture that says one thing about the touching but I'm not saying that that actually was not said because Adam could have said it. There could have been a revelation there.

(4)the serpent said unto the woman, Ye shall not surely die:

(5) For God doth know that in the day ye eat thereof, your eyes (will) be opened, and ye shall be as gods, knowing good and evil.

25 Now Eve fellowships the serpent and in so doing immediately walks into and in darkness, she walks into it and she walks in it. On what grounds? Fellowshiping the serpent. Let every mind be numb this morning and understand that. Oh, I know there's a lot of Pentecostal background here and the idea that we're emotional. We got a lot of good Baptist brethren. We got a lot of good friends, hallelujah. We love them, yes, and they could be foolish virgin. They could be this. They could be that. But let's go to the beginning.

The minute that Eve fellowshiped the serpent: she was into darkness and she walked in it. Now you can say what you want but I'm going to tell you the truth. And what you say is a lie and what I say is the truth because Bro. Branham said, "The minute she got from behind the Word." And what word did she take? She took Satan's word. What was she doing? Fellowshiping Satan. Phew, say what you want. Then you wonder why Satan is worshipped in this age? Oh come on, how could he not be? The big question is; Oh, not will he be worshipped? Is how could he not be? Just the same as this we believe There; how could He not be worshipped if we believe in the Pillar of Fire whose picture is on my left hand here and on your right?

26 Listen to 1 John [1:] here, and we go....

(1) That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, our hands have handled, of the Word of life; (of the Logos of life, the great Manifester sent forth His Son, the One from the beginning who was the beginning of all things.)

He Himself and God by Him creating, came right down here. How? Oh, I can't explain it. I can tell it to you but I'm not in the explaining business. I'm in the teaching business. You say, "Don't be ridiculous." Don't you be ridiculous? We got some pretty smart men here. These men here could teach you about electricity. Tell me all about it, honey. You wrap your tongue plumb around your tonsils, and give yourself a tonsillectomy because you can't do it. You can know all the laws and you can produce it with machinery; tell me about it. Where does it really come from? What do you really know about it? Live under high tension wires, your kids get leukemia. You can prove it. Those are ordinary lights up there but everybody knows that these neon lights, fluorescents are dangerous, unless you got a lead shield. People sitting by computers all day long: is it just carpal tunnel they're getting? You know they're dying. Your body can touch radio waves. Is that good for you? Don't be ridiculous. Don't be foolish.

(2) (For the life was manifested, and we have seen it, and bear witness and shew unto you that eternal life, which was with the Father, and was manifested unto us;)

(3) That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son Jesus Christ.

27 He said, "Come on with us, ...I'll take you by this fellowship I have to Him who gave it." That fellow there is telling you He is a mediator. He's been deputized. He's got a job to do. "Well, bless God; I don't need him because I've got God, hallelujah." Something is wrong with people. You've a law to yourself, the way the beast was, and I'm going to tell you something. It's easier and more fun to follow the beast than it is God, if you know what I'm talking about. But there's hell to pay at the end because even death and hell are thrown in the lake of fire.

(4) And these things we (write) unto you, that (are out there and can't get to me, said John,) that your joy may be full.

(5) This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all.

Tell me where William Branham changed it. Tell me where he changed it. That Pillar of Fire taken by camera is no different from the One in flesh that trod the shores of Galilee, the streets of Jerusalem, Bethlehem, and so on.

(6) If we say we have fellowship with him, and walk in darkness, (and listen to the serpent, we're liars) and do not the truth: (There's no way, but like Cain.)

(7) But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all (light)...[sin.]

28 In other words, the light from God that came by the life that manifested the true God and the truth of God was there and they're telling it and Paul came right on their heels and by manifestation, vindication proved it and

now at the end time the same thing. Then are you going to tell me sitting in this church, Grace Gospel Church and say that you are not fellowshiping the devil, if you fellowship lies and anything against this Word? I hope we've got...if we don't have time, get another tape ready but...because we ain't going nowhere, we don't have the...last meeting is Friday. I'm not closing down. I'm only on page 3 about ten pages, eight pages. I'll try to work faster.

Fellowship is gone. Let's keep reading. I read it. Our fellowship is gone. Now true worship now lies in the dust. Yeah, it's gone. It lies in the dust. Oh yes, He made them for fellowship but He took them out of dust. He said, "Dust you came from, dust you are, and dust you return, because you broke the fellowship." You know God wasn't saying, "Come, run, bow. Come, run, bow. Come, run, bow. Come, run, bow." God doesn't have a bow-wow doctrine, that's for the dogs. God has a baa doctrine for the sheep. They're so happy because they're being fed and the sheep know His voice. Oh yeah, come on. Not this junk. True worship now lies in the dust. Another worship is instituted, not a fellowship as in the Garden but an offering of a sacrifice and a bowing down.

29 Now let's go to Genesis, and we're going to go to Genesis 18, because that's the place to go, always go to the beginnings. This is Bro. Branham's favorite chapter; this is Heb 13:8.

(1) And the LORD appeared unto him in the plains of Mamre: (as) he sat in the tent door in the heat of the day;

(2) And he lift up his eyes and looked, and, lo, three men stood by him: when he saw them...when he saw (it doesn't say 'them') saw..., he can to meet them from the tent door, and bowed himself toward the ground,

(3) And said, My Lord, (doesn't say lords now. He said, "My Lord," because he knew one was God and two were angels.) My Lord, (and that's right you can prove it because the two angels went down to Sodom and Gomorrah: so one God stood there. So don't get all crazy ideas about some stupid trinity idea. And I got my answer by the way about the cross over. Don't worry. I had it years ago and didn't recognize it.) if now I have found (grace) in thy sight, pass not away, I pray thee, from thy servant:

(4) Let a little water, I pray you, be fetched, and wash your feet, and rest yourselves under the tree:

(5) And I will fetch a morsel of bread, and comfort your hearts; (and) after (you'll) pass on: for therefore are ye come to your (servants). And they said, So do, as thou hast said.

30 You know, here's old Abraham and recognizes God and he comes running and he bows down and he said, "I'm going to serve You. I'm going to worship You." "Oh yes," and God said, "well, if that's what you want to do, go right ahead." So he went right ahead and did it. Nothing really wrong, nothing really wrong, but now let's take a little quick gander and get over here to verse 9.

(9) And they said unto him, Where is Sarah thy wife? And he said, Behold in the tent.

(10) And he said, I will certainly return unto thee according to the time of life; and, lo, Sarah thy wife shall have a son. And Sarah heard in the tent door, which was behind him.

(11) Now Abraham and Sarah were well stricken in age; (well stricken in years, they were real old.) and it ceased to be with Sarah after the manner of women.

(12) (And) therefore Sarah laughed within herself, saying, After I am waxed old shall I have pleasure, my lord being old also?

(13) And the LORD said unto Abraham, Wherefore did Sarah laugh, (surely) Shall I of a surety bear a child, (when I) am old?

(14) Is any thing too hard for the LORD? ...

Well, it looked like their worship didn't do much good, did it? They'd already had the word of promise. Now when God Himself comes to fulfill it, to let them know the day is being hastened like as it is in our day, rapture's going to be here pretty soon now. She said, "Hey, I don't think He's with it." Oh, you don't think He's with it? "Why that couldn't be." She types that church worldly, doesn't she, pretty good? But the worldly church doesn't get an answer. She's really Bride but she's in bad shape.

What am I trying to show you here? God carries on a conversation with His son, Abraham. There's a communion. Then He turns His back on this and He said, "Shall I withhold from Abraham because he's my friend." I'll tell you that because the Bible said, "Abraham was a friend of God." He said, "Shall I withhold from Abraham, my friend, what I'm going to do?" It was communion.

31 Now listen! The worship part is fine. I'm happy for every church that worships. It's great. But what if they turn down the Word? Now you see what God did for a Bride here? He said, "I'm going to correct her. I'm going to put her right." But I'm going to tell you, nobody else believed it. Nobody else believed that was going to happen, but it did happen. See? Friend of God. All right.

32 By going to Jn 4:19-26, the woman at the well; the argument came about worship.

She said, "They tell me you bunch of Jews, you worship in Jerusalem. Our fathers coming after Jacob and all the rest say we'll worship over here in Samaria.

He said, "Woman, you don't even know what you worship." Then He said, "Your gang is just like you." Could she have represented the foolish virgin? I don't you, but she sure represents somebody. But she's way off beat. She could be Bride on the grounds she turns around but she represents somebody out there. They can't take it.

33 Now he said, "They that worship God must worship Him in spirit and in truth." Now what if you've got neither? What if you come, come, come? Don't come, come, come me: in Paul's day in just a few years they changed the Word, and they changed the spirit; that's two thousand years ago. How would you like to eat a Chinese one thousand year old egg? I don't know that such a thing exists but it's right in the menu. Ugh, a two thousand year old Jesus, and spirit and word? Boy, oh boy, oh boy, I don't think I could stomach that.

God accepts worship only if it is in truth. That goes back to Cain, Cain who worshipped God but he misdivided the Word. The first-fruit offering was there. It has to be a first-fruit offering because the Septuagint says, "Thou hast rightly offered but if thou hast not rightly divided, hast thou not sinned?" And the Bible specifically taught by Paul in Timothy says, "Rightly dividing the Word," or you haven't got it.

Mt 15:7-9 tells about the false tree, by the false prophet, and that goes all the way to Rev 3:14 where the

people say, "I'm rich, increased in goods, and don't lack a thing, they're wretched, miserable, naked and blind, and don't know it," and under 2 Thessalonians 2, they receive the Word of the antichrist, actually ending up worshipping Satan who incarnates himself in a person. That's what he does. All right.

34 The family of God is a family of revealed Word of God children. Now look, they can grow into error but they got to come back. Right, and remember, Eve was deceived; it wasn't Adam. Adam with both eyes, jumped right into sin with his wife. God knew he would because God said, "Listen, I'm putting you on probation, you will leave me for this woman," so you better watch out because the father and mother of Adam was God.

"For this cause will a man leave father and mother," and it's absolutely true that more men will leave everything and anything for a woman than anything else, that's the way a man is built, and a woman can take advantage of it. And that's why the church gets so many people because there's money in it, community respect, go to church, shake hands with the preacher, anything else, you're a part of it. All right.

35 The family of God is a family of the revealed Word of God; there again is Hebrews 12 which we read so many times.

(18) For ye are not come unto the mount that might be touched, ...that burned with
fire, nor unto blackness and darkness, and tempest,

(19) (Even) the sound of a trumpet, (even) the voice of words; which voice that
(they) heard entreated that the word should not be spoken to them any more:

(20) (For they could not endure that which was commanded, And if so much as a
beast touch the mountain, it shall be stoned, (and so on)

(21) ...so terrible was the sight, that Moses said, I quake (exceedingly:)

(22) But (you) are come unto mount Sion, unto the city of the living God, the
heavenly Jerusalem, and to an innumerable company of angels, (messengers)

(23) (Even) to the general assembly and church of the firstborn, which are written
in heaven, (even) to God the Judge of all, (even) to the spirits of just men made perfect,

(24) (Even) to Jesus the mediator of the new covenant, and to the blood of
sprinkling, that speaketh better things than that of Abel.

Do you think we haven't got a new covenant based on the grounds that it is appointed unto man once to die and after that the judgment? You bet we got it. Is there any such thing as a new covenant? Never has been; it's always been the same old one. It's an embellishment, it's a further understanding. It's something written in heaven, already there, even before the foundation of the world when the Lamb was crucified, knowing it. Right, was already made. The record was already made, the name's written. And it tells you right here coming down Jesus Himself coming down speaking to us and saying, "All right, it's been removed. You little Bride, you didn't even do it. There's no judgment anymore. Some of you standing here will not see death; you're going to go in a rapture." Sounds like a pipe dream; brother/sister, but it's true.

36 But notice carefully in verse 18, you'll not come to that. You'll not come to Sinai. Now who was at Sinai? Moses and God was at Sinai. What about it? That's when they said, "We don't want to hear the voice of God. We want a prophet." All right.

But God said, "You can have a prophet, and he will teach you the truth, but you'll not come to that mountain there where the prophet brought condemnation." And what came from Mount Sinai? No, we're not there, don't do this, and don't do that, some laws and something hashed up, but we are come where? Where the Word was given twice which was at Horeb, which as Bunyan brings out, and Bro. Branham brought out, "It was a place of blessing." The Word given the second time is what Deuteronomy is, twice, or repeated. "Behold, I send you Elijah, the prophet."

37 Now listen! Many people say, "Yea, hath God said," just like the serpent said to Eve. Right. Going back to Sinai, they did not recognize God; they could not take what was given to them at that time, as being of God as the Word was given. They had lost their fellowship. They were out of communion entirely. They had gone astray from the things of Almighty God.

Now we are not come to Sinai to get a message of law. We are come to the heavenly New Jerusalem which cannot be approached unto unless immortality breaks the bonds of death. That's right. "Behold, I send you Elijah, the prophet." We're not looking, brother/sister, for anything that's going to take us away from the heavenly Jerusalem. We are looking for everything that opens the doors to it and the door to it is a Resurrection, immortality, and a rapture. How's it going to come? Only one way; you got to hear that Voice from heaven. The Bible speaks of it concerning Jesus Christ, the Lord.

We have come full circle, brother/sister, make no mistake about it. We have come, absolutely, full circle. We started out with it was a prophet. William Branham, a prophet to God in the Word. Then we got to God and His prophet because then we saw the Presence of Almighty God. We saw Him revealed to us. We begin to understand Godhead. Then Bro. Branham told us, the last message he preached was Communion; he said, "That was the fellowship," and he took us to the Word.

38 Now the highest form of worship is now before us in 2 Corinthians. Now watch carefully! This is a family and here's where the rough stuff comes in. This is not spoken by William Branham to one person. This is not a message given to Billy Paul or his daughter Rebekah or his wife Mede or his son Joseph, or even Sarah, or anybody else. This is not the Branham family or one Branham, or one good buddy in whom he sat and helped him. This is to the Bride.

Now it talks about Mount Sinai, when the veil was upon Moses' face and the veil was upon their hearts. They could not receive by their intellectual minds what God was giving to them. And this is all part of Satan's eden. Now get that flat, you didn't think I was preaching Satan's eden, did you? You think I'm preaching false anointed. You're entirely wrong. I'm preaching Satan's eden because the false anointed are a part of Satan's eden which is part of the mystery of iniquity which is the man of sin and the son of perdition is ahead of the man of sin. Because as the son of perdition, Judas, positively cast out devils, everything else, but as the man of sin...Satan, entered into him for the destruction and yet the fulfilling of the Word of God, the destruction of Christ. Turning people away from Him, crucify Him, get rid of Him, get rid of you, see?

39 Now listen! [2 Corinthians :3]

(15) ...even this day, when Moses is read, ...the veil is upon their heart.

(16) Nevertheless when it shall turn to the Lord, (the heart, the mind,) the veil shall be taken away.

(17) Now the Lord is that Spirit: (Now he's telling you it's not going to come by Jesus coming and do it in the form of a person of physical flesh, glorified which is Himself. He

can't do it that way. Can He?
Spirit of the

No, just Spirit.) Now the Lord is that Spirit: where the
Lord is, there is liberty.

(18) (Now watch!) But we all, with open face (that's the veil taken off)
beholding as in a glass the glory of the Lord, (looking into a mirror.)

We are looking in a mirror. What do you see? An image. What is Christ? The image of God. The very One that was in Him that came out, stood there as that Son by whom God was in Him created the worlds. That same One that came down and took upon a veil of flesh that God Himself entered into, "He's in me and I'm in him." Now come on, just get your Scripture straightened up. Don't try to figure it; just believe it. He said, "Now the Lord is that Spirit." Now he said, "He's going to come down and you're going to see Him in that Word." And only through that Word, only when you see that image in the Word will you be changed from glory to glory by that Spirit. It's going to be one Spirit. Now there shouldn't be another verse and another chapter. It says right on. [2 Corinthians 4:]

(1) Therefore seeing we have this ministry, we faint not;

What about it? Comes by a prophet. Paul having taught the Ephesians said, "You have not so been taught by Christ," when he knew that nobody but Paul taught them. And William Branham said, "What this?" He said, Jesus said, "When you see me, you see the Father," he said, "no difference between Him and me when you're looking at me. ...What is it?" he said, "Not William Branham said THUS SAITH THE LORD that child, this person, that person. ...That's William Branham don't do that. ...It's God in me. So when you're looking at William Branham, you're looking at God." Oh, horrors, horrors, horrors, oh my, blasphemy, blasphemy, blasphemy. Then believe a pope has the place of Christ. You bunch of idiots. Some preacher could stand for you? The rest of you get all puffed up, "Oh, I got the Holy Ghost, I don't need it." Something's wrong somewhere.

40 We have a ministry," he said, "it's a ministry, a ministry of the Word." Now listen! And he said, "That ministry, watch the qualities." [2 Corinthians 4:]

(1) ...we have received mercy,

(2) ...(having) renounced the hidden things of dishonesty, not walking in craftiness,
(not) handling the word of God deceitfully; but by manifestation of the truth
commending ourselves to every man's conscience in the sight of God.

In other words, I'm a vindicated man to tell it to you. Then will we accept anything but a vindicated man at the end time to bring this about? The church can't do it. A person's got to do it. William Branham said, "What is it? ...You're looking at me as people looked at Jesus, there were two personalities." You say, "That's a big mystery." Never said it wasn't. Are you big enough to take it? You say, you mean sitting, standing, sitting here today, going into what the prophet said and that is my guarantee? It is the only guarantee I know.

If you don't think you're supposed to see Him, brother/sister, remember what I've taught you over here years ago, I got it as I stood in the pulpit in Marrion, Indiana, many, many years ago. It never struck me until that time, I said, "Hey, my God, we've been taught wrong. 1 Jn 3:2 "Beloved, now are we the sons of God, and if it had yet not appeared we shall be, but we know when He shall appear we shall be like Him for we shall see Him as He is." And I caught it right there, I said, "We've been taught a lie." It says you get changed, they tell us, then you get caught up. My Bible says here, you got to get changed before you get caught up to see Him. So therefore, what is it? You got to see Him down here to get your change, so you get caught up there to see Him. One is where you see him, as the image of God in the last hour. Through the Word, the Spirit revealing it. The next time He's

incarnated and it's face to face and immortality. I don't know if you can understand that or not but it's the truth anyway.

41 Now listen to me carefully! Jesus when he was here on earth in flesh did not ask for worship, actually he denied it, saying, "Worship God." However, after having proven his words by his Resurrection he allowed it and proclaimed it for he said, "All power is given unto me in heaven and earth," and he allowed them to hold him by the feet and worship him. He accepted it.

Now particularly notice what Jesus desired and what he particularly desired and asked for on the grounds of his vindication by the Father who vindicated Scripturally His Son was this, acceptance of His Presence as to Who was there for He said in Mt 16:15,

"Who do men say that I the Son of man am? Peter, who do you say I am? Who am I?"

He said, "You're the Christ, the Son of the living God."

He said, "That's right. I am the One that is present with you. I am that One."

42 And then he said in John 14...and we'll read it because I don't want to skip over this, my memory might not be the best in the world, then quoting it. And He said,

(7) If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him.

He wanted his Presence accepted that He was there as the Messiah. Only on that condition did He truly reveal His Name and His identification and let them know the truth.

And this statement comes out of a church, not too far from here, that says, "Oh, yeah, we believe in the Presence. That's just another doctrine like serpent seed. We don't major on a minor." Mind if I look some of you in the eye when I say it? Where's your worship? You deny His fellowship, deny His Presence. "Oh, we'll just believe It."

It's like I told the deity cult, that wanted, different ones want Bro. Branham back, want Bro. Branham to come back, I said, "Here stands Jesus." I told them. And He said, "I'm here, I'm your Lord."

"Oh, Bro. Branham, Bro. Branham, come back, Bro. Branham, come back."

"Hold it, hold it, hold it, hold it."

"The Pillar of Fire, I am He to lead you to the Millennium."

"Bro. Branham, Bro. Branham."

43 Without That William Branham does not come back. Don't put the creature above the Creator. Let me say this to diffuse any thoughts you've got if you're so ignorant. If William Branham is not the first man up, I'm missing my guess. That's not just a guess because the last are first and the first are last, and always that first one has got to come up because he's got to present his group. He'll be back. What he does, I don't know, but I know one thing, if That One There does not raise him, he's not going to be raised. Then who should we give glory to? See?

He said, "I want to be accepted." He said, "I've come in my Father's Name. You don't receive me but he that receives me receives Him that sent me. There's going to come another in his own name, him you will receive." Then he asked for fellowship. He said, "If you abide in me and my words abide in you, you'll ask what you will and it shall be done." He said, "I am the vine and you are the branches." He said, "If any man thirst, come unto me and drink." He said, "Take my yoke upon you, in communion, and learn of me." That's Alpha.

What about Omega in this hour? What about Matthew, the 12th chapter, Matthew, the 4th chapter? Can he be any different today as Omega, according to Heb 13:8, especially in the light of Rev 3:20, "Behold, I stand at the door and knock, and if any man open the door, I'll come in and sup with him." I'll have fellowship.

44 What about Mal 3:16? Come on, let's read it. I've a lot of trouble here, God knows I don't understand this church and churches in Germany and around the world, they go to this like water to a duck's pond, duck's to a water pond? What's the matter with the people here? Listen! I don't want to abuse you but my God, there's something wrong somewhere, I warned you. I'm a tough preacher and the way I preach I could destroy you, you get so heady up here, it's a mental proposition, but you got to have something stirring in here that's a reality. Just because you think you know something, doesn't mean anything.

45 When I challenged you last time I was here, whatever, Sunday, I said, "You come up in this pulpit and do what I can do, I'll give you twelve hours against thirty minutes of my time." I wasn't boasting. I operate solely not by an instinct, but by something coming out of a Scripture, because I teach, you might not like it, but Bro. Branham said, "I was a teacher." He said, "As he had a little gift of healing nobody wanted, I got a little gift of teaching, nobody wants it." It's the truth.

You say, "How can we prove it? Is it on a tape?" Here's the Bible open, knowing there's a God in heaven, I'm meeting you at the White Throne right now. You say, "I'm going to listen to you?" You don't have to listen to me at all. I can make mistakes. I'm fallible. [Malachi 3:]

(16) (But get this,) they that feared the LORD (they spoke) often one to another:
and the LORD hearkened, and heard it, and a book of remembrance was written before him
for them that feared the LORD, and that thought upon his name.

And God stood back there and here was Adam and Eve talking, He said, "That's good, that's good, that's good." And along comes the serpent, He said, "That's not so good." You know what they were talking? False doctrine and Eden went.

46 How are you going to get it back? Something just struck, there's unbelief here somewhere. I'm not William Branham, but I know when something crosses my heart, either I said something, or somebody's fouled up and I mean fouled up. Don't be that way. We are back to where God is listening and He's listening to people talking to each other. They are not praying. They are not worshipping. They are not saying God this and God that. But let me warn you, and take you to the Psalms where God consistently speaking through David and perhaps some others in there, too, that wrote psalms, it always was this, "then forgot they the great works of God and they didn't talk them anymore. And God brought them down to sore displeasure."

Let me tell you something, when they forget what there was said here, on the steps of New Jerusalem when the people forget this prophet and his words, which they've already forgotten, condemned. I'm going to tell you the great judgment of God is upon the people. If it's my own life that needs correction, you bet it does. There needs to be far, far more talking one to another this Word. You think for one minute, God's going to write a book of remembrance on your words and mine? Ha! Don't be silly, every thought we had is going to be annihilated at the Wedding Supper, or the tears are brushed away, all those things are going to go. [Malachi 3]

(16) Then they that feared the LORD spake often one to another: and the LORD hearkened, and heard it, and a book of remembrance was written before him for them that feared the LORD, and that thought upon his name.

(17) And (they'll) be mine, saith the LORD of hosts, in that day when I make up my jewels;

47 What is the book being written in this hour? There's a book-listen!-if that's the case, if this is Rev 3:14-23, Seven Church Age. If this is Rev 3:20, "Behold, I stand at the door and knock," if this is that end time, then this is that book that opens and the last age, the beast was the eagle, the living creature, not beast, living creature. What will be in the minds of men then? What will they be talking? What will they be preaching? End time evangelism? This is what God's looking for. Can they take My message? Can they take My Word? Or is it all full of Pentecostalism? A new patch on an old garment? Oh, we're majoring on a minor over here in this little church because every time it's the Presence, Presence, Presence. Listen, let's keep moving. I got to move fast.

48 Today is it again, "in vain do you worship me, having for tradition the doctrines of men?" Bro. Branham himself said, "My ministry is to declare that He is here." That was the major. How like when a man said to Bob Brown. I do appreciate Bob's statement. I'll stand with him every time on this. Man said to him, "Well, Bob, what has that got to do with the message?"

He said, "Sir, it is the message."

Can you hear Bro. Branham say, "My ministry is to declare that He is here," and we all know that his ministry was a message? What was it? Well, come on.

You wonder sometimes what to say to your ...?... I'm going to write you a questionnaire, maybe three hundred questions. And I'll know what you know the way you answer. I'm not trying to be mean to anybody but come on, what was his ministry? A message! Then what was the message? The declaration of His Presence! Say, "Aha, that was preached for two thousand years." You're a liar! Bro. Branham categorically said in the Rapture tape, "There is no such thing as a true healing ministry or a revival unless there's a change of message because God does not vindicate an old dried out tired message." So here He is! He's here, not in this building, He's here somewhere. Here in a Pillar of Fire, to lead us to the Millennium. Yes, He is! When Moses left, Joshua took over, the same Pillar of Fire, the same Word, and Bro. Branham said, "Our Joshua today is the Lord Jesus Christ Himself, is the Holy Ghost," that's what he said, yeah.

49 In vain do you worship me," but if we...listen, if we no longer have the doctrines of men but of God, and vindicated to be so, then we are worshipping in Spirit and in truth, and have escaped the antichrist; we have clean escaped the judgment of God for now we are a part of the city of refuge. We have listened to His voice in Hebrews 12, and are a part of New Jerusalem. We have escaped the net of the antichrist. We are in the net of Almighty God. Can we stand with the reality of the Presence and truth? Even though it is still a bit vague to us, and we do not seem in control of it, as we would like to be. And yet we can stand there and acknowledge as Bro. Branham did, "It's the truth, and if we're not Bride, there's a Bride out there somewhere and by the grace of God I won't stand in her way."

50 Let me tell you a story. This is true. I was down in Fort Lauderdale many years ago. My ministry at that time was preaching faith and praying for the sick of which many people were healed. I used to discern and Bro. Branham said, "You have a lot of true discernment but some were wrong, so quit it," and I did. This Pentecostal boy was there; his mother was a real estate agent. I guess he had a lot of money, I think, I'm not quite sure. But as I said I was preaching on faith, and immediately he sensed that I preached that Word of faith in a miraculous God

but I could not produce the power of the Word in manifestation before the people. So he came up and self-righteously sneered, he said, "I can tell by your preaching, you see, you ain't got it. Well," he said, "You talk, but...you can't produce it."

Now listen! That boy was controlled by Satan. You say, "Vayle, you say that just be he attacked you." Just a minute! Satan went up and said, "If thou be the Son of God, use that Word, make It work for you. Either you can or you can't. Let's see It." Now come on. I'm not dealing with chicken feed this morning; this is not crow food, this is dove food. Whether you take it or not it's up to you. Satan said that to Jesus. Look at the answer that Jesus gave. "Man does not live by bread alone." Man does not live by getting answers to the Word. Man lives by the Word.

51 Jesus said, "I only said this for your sake because I knew my Father always heard me." What was it? "Lazarus, come forth." Lazarus was rotten; he was a Resurrection but he died again, and before he died, the Jews tried to kill him. Now what good does it do if you get all the answers that are in the Word that bring you something and you yourself are bereft of the life that's in the Word? And it's like Wesley said, "I'm not afraid Methodism will ever leave the face of the earth; but I'm afraid the dove will have fled," and when the dove leaves what have you got? Nothing but a dirty dove cote, or whatever you want to call it, a pen, p-e-n, pen.

"Man shall not live by bread alone." See?

Said, "All right, why don't you jump down off the building?" He said, "The Word of God also said, you'll be borne up."

He said, "You don't take the Word of God to tempt Him."

"Well," he said, "I'll tell you what, why don't you fall down and worship me? Well, ...look," he said, "Thou shalt worship the Lord thy God and Him only shalt thou serve."

52 Now I'm going to take you to John 14 and show you where this boy positively was a million miles off the track though he spoke in tongues and he was as sharp as a tack. Let me tell you something, he's like the Mormon guy, he couldn't do it either. I could do a whole lot more than he ever thought of doing. Now let's read the rest of it. Let's go to John 14:

(10) Believest thou not that I am in the Father, and the Father in me? The words that I speak unto you I speak not of myself: (I got nothing to say,) but the Father that (dwells) in me, doeth the works. (He does the talking and He does the speaking.)

Now listen! Jesus had a confrontation with Satan when Jesus was in the form of Michael, the archangel. And they both led in the worship of Almighty God, and Satan full of the power of God says, "I will exalt myself by this power over the stars of God which are the people of God, which is the Zodiac, which is the Bible written in the stars." And he said, "I'll take this power and I'll bypass the Word. And I'll control the people." Are you thinking? Are you thinking? Where did it start?

Thousands of years before Eden, he said to Michael, (Get another tape. Just a few minutes because I'll quit.) Satan said to Michael, "Stand back or make it work. Watch me take over. I've got both the Word and the power, and I'm going ahead with them, both in my own way. Sure, it's God's Word but now it's mine." Why? Because it's public domain.

53 Does God say to the Pentecostals, "You can't use that Word?" Well, come on, answer your own question.

Does He? No, He doesn't. I can do what I want. Michael-Jesus was crucified even back there and could only say, "The Lord rebuke you," and walked away.

Notice, Jesus and Moses. Paul said, "That Pillar of Fire was Jesus, the Fire and the Cloud that followed in the Rock." He was up there with Moses: Moses in the Presence of God, and the Word, giving that Word, and receiving It: Moses was not ignored actually, so much as he was doubted and questioned.

54 And Satan said to Eve, "Hey, what did God say?" Questions, questions. You know what women do? Women ask more questions, one woman will ask more questions than any ten men, unless the man's got too many hormones in the wrong places. Questions, questions, questions, questions, questions. Can't they learn to sit still and listen? Now this is a psychological feature in women, so I'm not going-don't fight it and I'm not hitting you for it but it's just the truth. And the woman types the church; question, question, question. Where is this, Moses? Where is this thing? Where is that thing? Where is the other thing? Why the delay? Well, didn't you see the signs and the wonders? Can't you learn to shut-up until something comes out? No, no, question, question, question. Questions, questions, always questions; always questioning the Word of God.

55 Now listen! That's when Satan got in, and immediately as in the Garden of Eden when Satan got in, adultery was committed. Now come on, can't you see where the church is and why women are on a rampage as Bro. Branham said? Why Tommy Mansfield stirred the world upside down, he had nine wives. And now you got women with nine, ten, eleven, husbands. The more the merrier. And like Zsa Zsa Gabor said, "I'm a great housekeeper, every man I get rid of I keep his house." And we're just like Zsa Zsa. Seven women take hold the skirt of one man and say, "Hey, be with us." You talk about a stinking godly ungodly mess.

Turn to adultery. Turn to idolatry. This age is the age of idolatry and adultery. It's the age of homosexuality. And on every hand they're encouraging it. Satan's eden; he's having a ball. Yeah, having a great time but we're looking for immortality.

56 And today the prophet said, "I have the Word and the power but not the authority." Bro. Branham went down the tubes, just like Jesus, just like Jesus who came on the scene and raised the dead and healed the cripples, even had a multitude where there wasn't anybody that wasn't healed. There wasn't a devil could come against him. There wasn't an eye he couldn't open. A mouth he couldn't open. An ear he couldn't open, and a mouth he couldn't shut if it was the devil speaking. He shut it up. Then one day he stood back and he said, "It's all over. I've still got the power. I've still got the Word but I don't have the authority. The Father said to me, 'Hey, you can't do that. You do this'."

57 A little girl came to Bro. Branham, she had a dream and she wanted Bro. Branham to smoke something up, for his pipe get the opium pipe, and get a dream, get an interpretation. He said, "Honey, I can't do it. ...What if I just made something up and then some day you really needed help? ...It wouldn't work. ...I can only operate as God allows me to operate."

Listen that picture, we don't have it here, remember that one with all the fire on it that's seven...nine licks of fire there, the big lily and all. And Bro. Branham looks and there's a death head, and there's a light before it, the death head signifies the old outer man perishing, the inner man being renewed. He said, "Lee, those licks of fire are all nine gifts, haven't lost one." The full armor of God was on him, and yet he couldn't protect himself. He couldn't heal himself. He could do nothing for himself.

And some of you may be praying as hard as you ever prayed in your life, and you hold on by the skin of your teeth. Keep holding on! Because you may be praying for somebody else! God said, "Listen, just be my faithful servant. I can't grant that, it doesn't belong to you." Can you just stay with the Word today? No, you got to have

somebody else. And some are so scared, I might tell you wrong. I could, you know. I could. I'd deceive myself then, too, because I don't mean to. But Bro. Branham said, "I have the Word and the power but not the authority. I cannot speak. I cannot act until He shows me," and he went right to John, and showed to Jesus...but the devil came along and said; "Now listen, boy, I was up there with you, too. Man, ...I know all about this power, ...I got it from God the same as you did. What are you trying to talk about? And I'm going to use it, too. And I'm going to get the people by getting them off the Word." You say, "Bro. Vayle, that's too simple." That's the whole idea. That's the whole idea. God in simplicity; simple God, always used a man, always will. See?

58 Now, one little paragraph.

[60] Now, Satan, by...this fall, of Adam and Eve, has taken over and possessed the garden of Eden, himself. (He got them off the Word. He changed It. He got them asking questions. He took over the fellowship. Where's your fellowship today? In a church? Shaking hands with somebody? Having a good time here in the fellowship hall? Or is it over the Word?) He took it over. And now he has had six thousand years of deceitful rule; deceiving the people, God's children, as he did then. Because, they were based on free moral agency, to act any way they wished to. And believing...they would act right, or trusting they would act right, then they came with the wrong act, and sold their birthrights, as Esau did, for the world. And Satan won it, and he took it over. And he's had it for six thousand years to build up his Eden, as God had six thousand years to bring His Eden to a close. And by deceit, deceit of the Word, or the people, now established his own Eden in this earth, in sin.

There you are. Now listen! Adam and Eve were not righteous; they were innocent. They were innocent. They weren't righteous. Only Christ was the righteous One. And He stood there as the righteous Tree of Life, and over here signifying the enemy and what you would enter into if you went his way was good and evil, which meant you would be in a twilight zone, a misinterpreted word. Over here was the true revelation, and the true light. And they went to the wrong source, and when they did, they died.

59 And we end up today in 2 Thessalonians, the world will actually be worshipping the devil through the church, through the wrong word, they won't even know it. They don't know it now. You see, brother/sister, why I keep preaching, the prophet, vindicated of God? I said, "I could be wrong, but he's not wrong." And you can stand with any preacher you want, that's your business. I commend you; I'll help you get there, but this church does not believe the Presence is a minor. I stand here against the unbelief of these satanic serpent seeds raised up, Logos and Rhema is one and the same or forget it. Otherwise, William Branham told us a cute little ditty, "the message and the messenger are one." Now look if you're going to quote the prophet, you better quote all the way. And if you're going to quote you better know the doctrine. Satan came as though he were God to the people. God sent prophets who were God to the people. Let's rise and be dismissed.

60 Heavenly Father, again we want to thank You for Your kindness and mercy to us this day, again knowing we didn't get too many paragraphs into the Word, but take it paragraph at a time, a thought at a time Lord, by Your mercy and grace we'll see more and more of what the simplicity is and what the subtility is. Very strange that the smartest creature could come, subtlest, smartest, cunning of the whole bunch, and just simply take one Word of God, change It, and that did it. I guess Lord, You're so true; the smart isn't smart the way people think it is. It's not half as smart. People are just not smart enough for the devil Lord. The devil is not smart enough for You. You come back with Your simple Word Lord, of faith, this morning we believe by truth somehow we're a part of It, we thank You for It Lord.

I just ask You one little favor again Lord, help us to get out of our hearts every single thing that lies in denomination and that lies in creeds and dogmas, but comes right to this Word as a simple child, we know that most people are doing it and we're so grateful for it though many times I speak very rough and I can apologize for that in a measure. Lord, a lot of it's my own problem too. I get angry with myself knowing that absolutely

thoughts cross my mind that are not with the prophet. You got to bury them, not just bury them, but burn them, annihilate them, let them go back to where they came, to elements which is certainly not Yours Lord, but belongs in the burning, weed, the tares, the briar patch.

So help us all Lord, this morning to go on, acknowledging as never before we may have some misunderstandings, we may have some doubts, we may not be able to produce anything, we were never really asked to produce anything. We're just asked to believe. And then if there's something to produce, You produce it, in and through us, and we saw a perfect example in the prophet, he just laid everything bare, and showed us, and told us.

So this morning Lord, let your people understand that, help us to stand, not as Eve stood but as Paul stood. Said, they've all come against me like they came against Jesus, but I'll not be moved. Life, death, no matter what it is, I'll not be moved because the unmovable One is keeping me from being moved. I'm not here by my own faith and I'm not here by faith in Him, but I'm here by the faith of Him who loved me and gave Himself for me. I'm depending on Him. Lord help us to come to that same simplistic way that everyone of Your servants have had to come to Lord, that was brought in any kind of preeminence and example to the people, or in any way shape and form, like Bro. Branham and different men of God. There stood Wesley, there stood absolutely Luther, there stood Martin, there stood Colombo, there stood Irenaeus, there stood Paul, men of God, following right along with Him, stood right there Lord, they didn't have to explain everything. They just believed it. It wasn't up to them to produce. They just knew if they stood with the God that did produce; it would be produced if You wanted it produced because You know what nobody else knows.

So, Father, help us to believe now, settle everything once and for all, to write It down with a firm hand in a big book, close the book once and for all; It's been written, nothing more can be added, and I'll not take It away, I believe what's written. Help us there, and may our hearts and our minds be close to that this morning Lord, closed right in there that we're believers, we'll give You the honor and the glory in Jesus' Name. Amen.

'Take the Name of Jesus with you.'
