

#20 Satan's Influence - Moral Majority; The Law of Seed

1 Shall we pray: Heavenly Father, we know that many angels before this earth was inhabited fell for the blandishments of Satan. We know also Lord, that in the Garden of Eden, Eve and Adam also, fell to his enticements, showing Lord, that without You there wouldn't be one able to stand Father, and that's how we find it tonight but by Your Personal Presence and Your own guarantee, we believe there'll be a people standing at the end time that will not be deceived, not taken in by the seductive manners and ways of Satan Lord, but shall stand inviolate in the Presence of God because of what that Presence does. And we are trusting that to be our portion tonight Lord, as we dedicate ourselves to You. Thank You for the privilege of doing so, help us in our studies, in Jesus' Name we pray. Amen. You may be seated.

2 Now we're looking at number 20 in Satan's Eden and according to this message that Bro. Branham brought us, "Satan has had six thousand years to build his eden," which of course, would be his kingdom headquarters on this earth and we base that upon Bro. Branham telling us that "Eden was God's headquarters, or the headquarters of His kingdom on earth." So Satan would duplicate that and then what we will see particularly in this thought is not just that Satan is building his kingdom for these six thousand years and heading up into an eden which would be his headquarters but there will be a literal place, a literal place where his kingdom is headed up to rule the entire world.

3 Now you'll notice also, that God started with Eden, and of course, this starts the era of human life on earth where God is dealing with His sons and daughters in this particular age which is roughly six thousand years. But Satan doesn't start, he ends. He ends his eden in six thousand years and, of course, it brings it to a place of total world control as it mentions in Revelation 13, which we won't particularly read at this time.

So then Elohim in the beginning, as we say, Elohim in the beginning influenced Adam and Eve by His Spirit. You find Bro. Branham mentions that in a message that God was controlling, rather that, yes, God was controlling man and man controlling the earth at that particular time by His Spirit. In other words, it was an influence that God was bearing upon these two, and then occasionally He would come down and visit with them personally as we see in Scripture that God came down in the cool of the evening.

4 Now, also then we notice that in the Garden of Eden Satan took over the government of mankind by influencing mankind by his spirit. Of course, that spirit was there in an animal, beast, an intelligent individual, and so Satan by his spirit was influencing man and that influence has gone on and there has been one personal incarnation of Satan, as in Judas, and there'll be another incarnation at the end which is very, very shortly when he shall be amongst the people and he will be governing in their affairs.

In other words, influence is going to give way to complete sovereignty of the enemy. And you'll notice the same thing has happened with the church. The influence of God will one day give way to the complete sovereignty of God where God and His people become all and in all.

5 Now this power of influence that Satan has that leads to direct sovereignty in the affairs of men will actually end up by demanding and receiving worship. Now as we think of the people who are worshipping Satan and here's what I want to particularly dwell upon, as we think of the people worshipping Satan we want to emphasize the original plan of Satan. So we're going to go back to Isaiah 14, and we look at it. ...

(12) How art thou fallen from heaven, O Lucifer, son of the morning! how art thou
(cast) down to the ground, which (did) weaken the nations!

(13) For thou hast said in thine heart, I will ascend into heaven, I will exalt my
throne above the stars of God: I will...also (sit) upon the mount of the congregation, in the
sides of the north:

(14) I will ascend above the heights of the clouds; I will be like the most High.

Now here he is actually telling you before there was any intrusion in the kingdom on earth, this was already his plan that he would not simply be coexistent with God, although he'd be happy to have that, he would literally take over the position of God.

6 Now, this language here is a bit abstract as you look at it. And what you need is a further revelation to really understand what is said here, "The son of the morning, I will ascend into heaven, exalt my throne above the stars of God, sit in the mount of the congregation, in the sides of the north, and ascend above the heights of the clouds, and be like the most High." Now what that really is the vision of Satan of what he would accomplish through himself is found in 2 Thessalonians 2.

(1) Now we beseech you, brethren, by the (Presence) of our Lord Jesus Christ,
and by our gathering together unto him,

(2) That ye soon (not be) shaken in mind, or troubled, (as) by spirit, (or) by
word, letter as from us, as that day of Christ is at hand.

(3) Let no man deceive you by any means: for that day shall not come, except there
come a falling away first, and (the) man of sin be revealed, the son of perdition;

(4) (Now watch!) Who opposeth and (exalts) himself above all that is called God,
(Now he's in opposition to God, as he was in Isaiah 14 and, so therefore, he comes to
this position where he takes a position that's actually above God, so that he) is
worshipped; so that he (sits) in the temple of God, shewing himself that he is God.
(Now that explains very thoroughly what it said there in the Book of
Isaiah.)

7 Now if you turn to Revelation 19, you'll notice here, it says,

(19) And I saw the beast, and the kings of the earth, and their armies, gathered
together to make war against him that sat on the horse, and against his army.

(20) And the beast was taken, and with him the false prophet that wrought
miracles before him, with which he deceived them that had received the mark of the
beast, and them that worshipped his image. These were (both) cast alive into (the)
lake of fire....

So you see he's gone right to the place of where he is headed up all the nations by his deceit, he's got the ability to do it and he does it.

8 And then in Revelation 20:

(7) (Again) when the thousand years are expired, Satan shall be loosed out of his prison,

(8) And shall go out to deceive the nations which are in the four (corners) of the earth, Gog and Magog, to gather them to battle: the number of whom is as the sand of the sea.

(9) ...they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them.

(10) And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented (forever) day and night....

(11) And I saw a great white throne, and him that sat on it, from whose face the earth and the (heavens) fled away; and there was found no place for them.

(12) And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, (this) is the book of life: and the dead were judged out of those things which were written in the books, according to their works.

(13) And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to (his) works.

(14) And death and hell were cast into the lake of fire. This is the second death.

(15) And whosoever was not found written in the book of life was cast into the lake of fire.

So you can see what Satan actually comes within a hair breath of achieving, and he actually does achieve it though he will be destroyed at that particular time.

9 Now, all this started in the Book...in the Garden of Eden, and that's found over here in Ezekiel 28. His plan, the consummation, his defeat; now it starts in Eden and that's in Ezekiel 28...

(12) Son of man, take up a lamentation (against) the kings of Tyrus, and say unto him, Thus saith the Lord GOD; Thou sealest up the sum, full of wisdom, and perfect in beauty.

(13) Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, (and so on) ...

And you'll notice in here that this is almost a replica of the Urim and Thummim, the ephod, the part of the garment of the high priest, there's nine there instead of twelve, and it is a form of worship, and notice,

(14) Thou art the anointed cherub that covereth; ...

So you can see here that actually Satan's plan is going to be a worldwide plan and a system of the convergence of religion and economy, or politics and religion. This is exactly what he's going to do. And if you will notice this is the same plan as God has. There isn't any difference as far as the plan is concerned, the programming and so on except as the two individuals differ within themselves, and of course, you know, there's a vast discrepancy between God and the devil.

10 Now what we're looking at here in by what I've read is Satan as deceiver. Now over here in Isaiah, this 14th chapter, which we've looked at many times, it says,

(12) O Lucifer, son of the morning! how art thou cut down to the ground,
which (did) weaken the nations!

Now in here is son of the morning, you find actually, literally as I brought before you a parallel to Jesus the Christ; you know, the day star arise. So you're looking at the idea here of a bringer of light, a bringer of understanding, a bringer of revelation.

11 And in Ezekiel 28...where he becomes associated with man, and it says,

(12) Thus saith the Lord; Thou sealest up the sum, full of wisdom, and perfect in
beauty.

(13) Thou hast been in Eden...

So what he's done here, is begun to influence people through appealing to them as a deceiver to attempt to show that the kingdom of God really is not such a tremendous thing after all, but there are other things that are far beyond it, far superior. And if you were just to take the right attitude and do the right things with what is already here, you would come out in a far more glorious experience and position than you would under the status quo which is a God who doesn't change and His laws do not change. In other words, Satan comes along with his blandishments and he lets you know that the only way is for anything to progress is to look for change.

12 Now if you go to your Bibles you're going to find that that is one thing that God does not go for which is change. He said, "I am the Lord; I change not." And He said, "This is the only reason you sons of Jesse are not consumed." Neither God nor His ways change. Now remember, I showed you some time ago, and I said, "God does not want things to change. He does not even want governments to change."

Now way back there you'll find that God had a theocracy and He was reigning Israel. The devil came along and said, "Now everybody's got a king, and I'm sure though things are pretty good under God, we can make things a whole lot better, all you got to do is use your brains, and take what is here, and go ahead and you can see we can improve on it." That's just exactly what Satan said. Israel changed their government.

13 Now you notice I made a statement about that. And I said, "Now Russia was wrong when they got rid of the czar and they got into what they got into which was Communism." Now where's Communism today? It's just self-evident that when you go to the Bible and you take Bible laws, you will find you don't have to be a prophet, you just say what God said; it's going to come to pass. That's what's wrong with America, joining land to land and house to house. There's not a way for America to escape. They are heading for the biggest depression the world's ever known.

And all you got to do is open your eyes and see where everything is. The Roman Catholic church and the Jews are everywhere and the Jews got all the paper. Now tell me how [Michael] Milken can actually pay a fine of six

hundred million dollars? Well, you couldn't raise six hundred million dollars in currency in America. I don't know if they could raise it in gold. It's paper. Where did the Jews get the paper? Did they get our money plates and turn out these billions of dollars? Well, according to a lot of experts that's exactly what happened.

So you see, you got these two forces in the world and they both run by Satan. It's religion and politics. Now God does not want politics, nor does He really want religion. He wants spirituality. See?

14 But what you're looking at here, is Satan as the deceiver, and he is the deceiver because he's the son of the morning. He seals up the sum of wisdom. And notice, at the end time Revelation 12:

(9) And the great dragon was cast out, (the) old serpent, called the Devil, (even) Satan, which deceiveth the whole world: (as the Bride goes out he comes down)...

And you'll notice he wins by his flatteries and he takes over by deception. Okay, 13th chapter...

(14) And deceiveth them that dwell on the earth by...means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

All right, the Roman Catholic church today is charismatic and so are all the Protestant harlots. You simply cannot get away from it. What is it? It's a matter of deception and politics and do not underestimate politics. Don't think for one minute the pope has got his office in any other way than politics. And don't think that any Protestant is elevated to being an elder over some organization or a president or some authority, outside of politics. If he was the most spiritual person he would never head up the organization. And you notice that's why there's such a terrible problem in a five-fold ministry because almost invariably the very opposite self lends to politics. You can say what you want. If you don't think it's true all you got to say, "Well, Bro. Vayle, would you make some phone calls?" Well, most of the time I don't make phone calls but if I thought I wanted to make phone calls I would certainly make phone calls which means I'd be political minded. If you think you're any different you're sitting there lying to me and to yourself. You know, I mean I can read you like a book because I read my own heart and know what's going on and I hear things, also. So, you know, we're not stupid.

15 Religion and politics, and that's what it amounts to, and pretty soon religion is politics. Now if the church did the thing by the right thing, you take the simple minded person, the simple person and ask him to judge it. Now you wouldn't want a simple minded guy as though he didn't know split beans from buttermilk, or he's some kind of stupid fellow but he's just a good...he's just a nice guy but no desire to have an office and all.

So, you see, when you're looking at these things you got to understand that with the son of the morning, it's going to come so close to the reality which is set forth in the Word of God but it's going to be tainted by politics to get an influence and an upper hand which is an underhanded thing and a double-dealing premise and Satan comes in then and he takes the whole world over. All right.

16 Now putting this together so you can get what I'm really trying to get to tell you tonight is this, satanic influence by the spirit of the enemy that started out with the white horse rider that gets crowned, and going on down till it all poured into one, and you see the antichrist come forth as a human...like a human being, Satan incarnated, starting with an influence. Satanic influence and eventually Satan worship is not to be thought of as a few barbaric cultish groups of people with bizarre sacrificial rites or immoral orgies, though this could happen, and does happen, and will continue to happen to draw the people's attention from the reality which I am preaching tonight based upon Bro. Branham who took it from the Bible, vindicated by Almighty God Himself. See? So it's

not a bizarre cultish people with bizarre sacrificial worship of animals or immoral orgies although they can be there, but it is as said by Paul in 2 Corinthians 11, and he said,

(2) I am jealous over you with (a) godly jealousy: I have espoused you to one husband, that I may present you as a chaste virgin to Christ.

(3) But I fear, (you're going to get into league with Satan) I fear, lest by any means, the serpent (beguiles you, the deceiver comes and deceives you) through his subtilty,...

Now subtilty is not demonic rites and orgiastic practices where people kill animals and pray to Satan. Now this is what the world calls satanic worship and religion. And if you don't believe me, tune in to Springfield, nine o'clock and hear Dr. Dobson. And you'll hear Chuck Swindoll, I think he's a bit of a swindler. He doesn't mean to be but he swindles them on the gospel. You listen to all these people and they're all concerned about their kids smoking pot, if that's what they smoke, marijuana, becoming mainliners, and everything else, teenage pregnancy, satanic worship. That's all hogwash; let me tell you right now. If you think Satan would bend to that, you're stupid.

17 Now you think because Satan is the cause of all these rotten things in the earth, war and everything else that this is what Satan does. I got news for you. He's got you hooked right there. You're washed out. You're finished. Follow me? Stupid! Stupid! He's the son of the morning, the one who heralds the new day. "Oh, what love we have. Oh, what society we have. Hallelujah to God!" He led in the worship of God. And if you think he's forgotten his tricks, you're stupid. So don't get your eyes on these little riff-raff kids in school that think they're so smart because you went through it, too. They're just a little more influenced by the devil than you were. And these few ignorant idiots that are two big for their eyebrows and everything else, think they're pulling off something, are the decoys of the devil, to make you think there's going to be some sort of orgiastic terrible type of worship hit this earth and everybody going to go gaga for it. You're entirely wrong. There is still a moral majority that is going to be absolutely sucked in by the devil. And that's what we want you to understand tonight, so don't be fooled.

18 Now let's keep reading.

(3) I fear, lest (Satan beguile) your minds from the simplicity that is in Christ.

(4) For if he that cometh preacheth another Jesus, (now here is what you're going to see happen, the truth is going to be subtilty twisted by the deceiver. There'll be another Jesus, another spirit, another gospel; just twisted. Now notice what he says down here in verse 12.)

(12) But what I do, that I will do, (now he said, I'm going to come against this thing) that I may cut off occasion from them which desire occasion; that wherein they glory, they may be found even as we. (Now notice, that these people that are going to destroy with Satan.)

(13) (But) such are false apostles, deceitful workers, transforming themselves into the apostles of Christ.

(14) And no marvel; for Satan himself is transformed into an angel of light.

(15) Therefore it is no great thing if his ministers (that's Satan's) also be transformed as the minister of righteousness; whose end shall be according to their works.

And it tells you right there they'll be the finest of the fine, they'll be wolves in sheep clothing, deceiving everybody but the very elect. Now that's what you've got to look forward to; the moral majority.

19 Now let's take a look at this. Years ago we know the popes were a very corrupt bunch of bazookas, God knows they're still corrupt but they're not in the same way they were. They had their own sisters in incest, and they filled their choirs with their papal illegitimate kids and everything else. We know that, that's right in history. Come on, I challenge any Catholic to stand against history. You can't do it. It's right there.

But notice how at the end time that deceit is not going to be that way, it's going to be as an angel of light. Now do you think this last pope here this fellow they picked, this Pope John Paul, do you think for one minute that he's a grossly immoral person, the answer is no. In fact right now they've been giving him credit for the peace and the unity in Europe and they say, "It wasn't Gorbachev, it was the pope because notice how he went to Poland and there he stood as a great figure and it was the centrality of the pope and the Roman Catholic church that brought the Communistic empire down." Hogwash!

That dirty bird played footsie. I saw on TV his own legate that stood before millions by television and acknowledged that the pope and Gorbachev had a liaison. Then where's his Christianity? He stands there as the vicar of Christ, and everybody says, "Oh, Mister Pope, oh, Mister Pope, oh, Mister Pope," and he's a whale of a nice guy.

20 Now the Swaggarts and the sleaze balls are not heads of organizations. Now you get where the big organizations are, they are as fine a men as could walk in shoe leather and they all have one common denominator and that is the deceit of Satan and the social gospel where you can do better listening to Satan than listening to God, and they'll put it right in the Word.

So, there's a lot of sleazy people but the devil does not tip his hand until the very end. And I don't know about even tipping his hand, is going to bother anybody because everybody's got the idea he's going to tip his hand, and then right away there's going to be a problem. I doubt very much because it's my Bible tells me the armies of the earth and the world is lined up against our God and our Christ. So I don't see anything that the fundamental organizations teach. I say they got it wrong. It is not scattered groups but a worldwide accepted movement of religion where there is or there are but there is a man and people who gladly give their allegiance to him as though he were the true embodiment of the Spirit of the Lord Jesus Christ and the driving force which is going to do something good for the world.

21 And that's just what Satan said to Eve. He said, "Look, baby, I got this all figured out for you. You just follow me." To get the picture as it is in truth is to see Eve and then Adam listening to Satan. Mark in the forehead and then doing his will, the mark...that's the sign in the hand. And not even being aware of it. Were they? No, until the trap was sprung and then came the confrontation with God in judgment and the penalty for what they did, so the church will fall for the lie and worship and serve Satan, the creature, and not even be aware of it, as seen in Revelation 3, speaking of the end time church.

(15) I know thy works, (you're) neither cold nor hot: I would (you were) cold or hot. (Either get on my side or the devil's, but you see, you stand right in the middle pretending to be for Me and the devil's running it.) I know (your) works, that (you're) neither cold nor hot: I would (that you were) cold or hot.

22 Now let me just put our finger there, and see if I can go back here to John 8, and find something. Now...it says,

(37) I know (you're) Abraham's seed; but (you) seek to kill me, because my word
(has) no place in you.

(38) I speak that which I have seen with my Father: and (you) do that which (you)
have seen with your father.

Now what were they doing? The minute worship was instituted by sacrifice, Cain, the son of the serpent, took the Word of God and went directly against the revelation of God. That's what he did. So this is what you see. You see God being denied His Godhead and Godhood by His very Word. Yeah.

(38) I speak that which I have seen with my Father: (you) do that which (you) have
seen with your father.

(39) They said, Abraham is our father. Jesus (said,) If (you) were Abraham's
children, (you) would do the works of Abraham.

(40) But now (you) seek to kill me, a man that...told you the truth, which I have
heard of God: this did not Abraham.

Now what did they do at the end time? They crucified to themselves the Son of God afresh during the time of direct vindication of the Word of God, Hebrews 6. Okay.

23 Let me turn over here and read you paragraph 55 [91], I'll get ahead of myself.

[91] Now, by unbelief in all of God's Word, has brought the seed of unholiness in Satan's Eden. We are now entering in where Satan is taking the throne, as the antichrist, in a Eden of this earth, a Eden of sin, perverted religion. He started not upon, "I am Satan, I am the great angel." No, not upon that, but upon perverting God's Word! And that is how he has brought his kingdom in every age. And now in this great deceitful age, ready to take his throne, by his people! He has built himself an intellectual educated, scientific Eden; right, scientific preachers, scientific church, scientific knowledge, everything is scientific. Everything is based on...everything is on the basis of knowledge. The whole church is built upon knowledge. It isn't supposed to be, it should be built upon faith.

So there you are. So what you want to see tonight is, don't get carried away with what you hear as Satan worship in this hour because it is nothing but a scarecrow. That's all that it is. It's nothing but a scarecrow. It's something there to get you away from the truth as it is in this particular hour.

24 Now I want to go back to reading what Bro. Branham said here. Now, of course, Bro. Branham would have to come and correct where the gospel went off course. Before there could be a restoration to the Eden of God, and a consummation to Satan's eden, and a confrontation of both because it's got to be there, there would have to be something happen wherein the Word would be restored. Now this is what any thinking Christian understands but refuses to face. You say, "Why?" They could not face it in the name of...in the days of Jesus. They cannot face it now. See?

25 He said, "You come to me for gold tried in the fire. You come to me for the eye salve to anoint your eyes that you may see. Now this is the Word of God. `Behold I stand at the door and knock, and if any man open the

door to me I'll come in and sup with him and he with me'." In other words, we'll have confrontation. We will have dialogue. We will have communion restored. We will be Father and Son again, going into that great happy Eden.

But they say, "No, I cannot do it because I've already issued my statement, I am not as you say, 'I am not wretched, I am not naked, I am not blind, none of these things. I am rich and I am increased in goods, and I'll prove it by talking in tongues'." And they do it and they have the miracles, the whole shmeer. Not knowing that son of perdition leads to...man of sin. The son of perdition simply means as it were the child, now gives way to the father. So the church system that says, "I'm rich, increased in goods," and the wonders and signs and all those things are going on, is the groundwork and they say, "Well, I cannot take it. I'm not going to do it." Now Bro. Branham comes with the message, and of course, they do not want the message. They turn it down. They do not see it. Why? Because they're already sold out.

26 Now what does that mean? Here's a vindicated prophet saying, "They do not see the message. They do not see what I tell them. No matter if I open their mouths, pry their jaws apart, force down the medicine, they spit it back in my face, they will not take it, every year it's worse and worse, now why?"

They have sold out. What have they sold out to? The same what Eve sold out to; sold out the Word, sold out the revelation to reason, exactly what she did. For Satan came and fooled her and he said, "Now look, ...I want to tell you this is good but there's something better. There's something beyond this." See? "You are not getting what is yours but I can tell you how you can get everything. I'm going to tell you what you should have." They don't see it; they're sold out. They sold their birthright to some organization, some denomination.

27 He said, "God never did have an organized religion." That's exactly true. The first organized religion was back in the days of Nimrod when they said, "Look at the flood. Something could happen again. So let's have a centralized religion. Something we can come around." So they took the Bible in the stars and they began putting it in stone, just like it was in the pyramid. So they had their own. They built their obelisk that pointed unto heaven. They had the stars, the signs of the Zodiac, and they began worshipping in the universal religion which signifies that as man with a central community spirit of one language, had one concept, and with this one concept which was religion they would have a unity in the earth.

Now that's good thinking because without religion you haven't got morals, you haven't got scruples. So they got to appeal to the psychological, they got to appeal to the psychic. And they said, "Let have a universal religion." Now you cannot have and let's understand this, you cannot have a world system without religion. You say, "Vayle, you just go back to the crazy old Bible." I go back to my crazy old Bible. I'm a crazy old geezer. Now let's stick around and find out if I'm right or not. Bro. Branham is a vindicated prophet; it's going to be just what I've been telling you. See? It's got to be.

28 Now, these people interpret the Word for the people and that takes care of it. Now the Word of God tells us exactly certain things are going to happen in the last day, and those things have happened and as they have happened in the last day which is the Presence of Christ, the Appearing, and the vindicated ministry to prove Who it was that appeared and for what reason, you're going to have the greatest time of deception the world's known. And that's over here in Matthew 24:

(24) For there shall arise false Christs,

(23) Then if any man shall say..., Lo, here is (the) Christ, or (lo) there; (is the
Christ or lo, here is a Christ, or lo, there is a Christ. What's it say? Don't believe it.
There's going to be a whole slew arise.)

(24) For there shall arise false Christs, (even lying) prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

Now you're not going to deceive anybody that's even one third elect by having voices come out of a trumpet or somebody reading your mind or somebody picking a question out of a glass fishbowl and not even reading it, telling you what's on the paper, then tell the future. That wouldn't do anything for an elect person or someone even near elect. What it would be, how close is it to the Word? Where do you go in here? Now the Bible tells you right here, in plain English, "these are going to be people correctly anointed by the Spirit," as Bro. Branham said, "but they are false to the Word," just the same as Judas was because Judas as son of perdition was equally qualified with the other elect eleven, had the same ministry he had, and then it gave way to the man of sin because Satan entered Judas.

29 And you got the son of perdition ministry going on now which will give way to the man of sin and there'll be no problem with the church receiving it and only the very elect will not receive it. So now where does this crazy idea of drinking blood out of a skull and sacrificing cats, and having orgies and saying, "Satan, I love you," and crazy tinny music, all full of horrible stupid lyrics and now the church is saying, "Well now, we got to watch this but I tell you what is I'm glad we got this Christian rock band here, and this rock...this metal group over here, and they got these lovely Christian lyrics." And somebody says, "Well, now that's true, and I appreciate those lyrics but I got this little feeling you better watch it." Ain't going to watch nothing!

30 Now you kids full of your boogie-woogie rock and roll, you're just prime targets for the enemies, nobody can tell you. I can't tell you. Your mother can't tell you. Your father can't tell you. Nobody can tell anybody anything either because you got all the answers. That's why I don't waste a lot of time. People think I don't have any love. I'm going to tell you, I got a lot of love right for myself; I ain't going to be suckered. And if you get suckered it won't be from this pulpit. You get that flat. It's all I do is preach the Word; you can do what you want about it.

But get this flat, it's subtle. It's not what people think. It's right to your fundamental churches especially from your Pentecostal on down because that is the chaff. The last part of the plant is chaff and it's got to be burnt. And you know why? Because the grain comes out of the chaff. The life that came up through the seed forms another seed. And what is it? The life that was planted was true human being sons and daughters of God, and they'll be one in the Resurrection. And it won't be before the Resurrection. It's going to take a Resurrection. It's going to come back just the way it went down.

31 Now they're going to say a lot of things but the crucial thing about the end time and nobody would know this is the truth except a vindicated prophet, "For as lightning cometh out of the east and shines to the west, so shall also the coming of the Son of man be." Now there you got a Son of something again. You have this, the Son of man, in contradistinction to the son of perdition. And the Son of man ministry which is definitely Holy Spirit, the Holy Spirit come back, Jesus come back in the form of the Holy Spirit doing the ministry will give way to His incarnation into the body, so then would it be with Satan.

And the light is simply as it was light in the East, it's light in the West, which means God sending His own revelation in His own way as He did back there and Bro. Branham explained it, the vindication was that, "He has to do for the Gentiles in the form of the Holy Spirit what He did back to Israel when He was there in the flesh," and that's exactly what it says in the Book of Matthew 12. We've seen it many, many times.

32 But the world will not see that. They're completely fooled already. Turn on your radios, and I'll tell you right now you're going to hear it, "Oh our poor kids, they rattle and bonk away with that Elvis Presley stuff and that

hard metal, and yes, and I believe that's of Satan. No doubt in my mind, but we'll dress it up and make some pretty lyrics in there and the kids can jitterbug to that, whatever it is that they're doing, bongo around, get into their sin, their degradation. And they'll rot with AIDS, I'm sorry but I've got to tell you the truth. I get embarrassed; I'm ready to blush about it. I felt terrible, I break into a sweat over it, but it's still the truth." They're not going to listen.

I hope every family here can somehow apply the token where your kids will be safe, but I can tell you one thing I'm not the master of the situation. I'm just going to preach the solid truth. It's a lost cause today. When ten thousand will fall at your right hand, it would only take six hundred people, and you multiply that by ten thousand. Now you just put that in a little bit of mathematics and you'll find out it goes into millions. So if you're in one nation here and you had even fifty people who were Bride, you'd have ten thousand falling at the right hand, if you'd move down the road you'd have ten thousand more falling at your right hand. There's no way the world is going to escape what's coming upon us. That's true. But as Bro. Branham said, "There is only one sin and that's unbelief, everything else is an attribute of that unbelief where they've gone on there." All right.

33 Now we're reading in paragraph 47 [76], on page 13 [12].

[76] Now, we find...by his gospel program of knowledge, (What do you find? He has a gospel program. So what's the gospel? It's a program. Oh, they'll talk about the blood of Jesus Christ. They'll talk about the death of Jesus Christ but it's a program. And it's a program of knowledge which does not mean it's spiritual knowledge but it's simply a traditional knowledge that has been passed on down.) better education, higher ethics, (more love,) civilization, and so forth, has bewitched the people that want to serve God, into believing his lies.

Now it doesn't say these people don't want to serve God. It says they want to serve God. You say, "Then why doesn't God make a way for them to serve Him?" He has. Who is it that stopped them? The people they elected. True. Then they elect politicians and they stand up and they say, "Well, I'm a good Christian, bless God, I believe in this, and I believe in that," and as soon as you get in power, even McCollum(?), the highest senator that died. He supposed to have been a wonderful Christian, Presbyterian. Maybe a "pedestrian," as old Ned Iverson used to call them, but he sure wasn't any Christian. He was one of those guys to take prayer out of the schools. Then he wonders why there's so much...results in teenage pregnancy. You can't even pray but you can play. Yeah, politics!

Yet people want to revere him. Hey, call a spade, a spade. There's no time for mealy mouth stupidity. Oh, they say, "Well that's name calling. That's vulgar." Well, I'm vulgar. I'm a name caller. Go ahead and do what you want about it. If I go down in sin put it over my tombstone. Go ahead. If I've led anybody astray, go ahead. It will be shouted from the housetops. Don't think anything hidden is not going to be revealed. Once you get the Word of God to judge you, you're without excuse.

"Well, I don't understand metric measure." You don't have to the boss gave you a little cup here that tells you exactly what it holds for the metric system. Say, "I go by litres." Forget about gallons, there's a metric measure here, so many litres is one litre for this measure, just measure in ten litres. Don't try to worry your brain about this other thing. So it is today God's done something for us, given us the Word, but no, that's not going to satisfy them, they got to look here, and look there and get their own ideas which aren't good.

34 Now listen!

[77] Eve didn't want to do that, (she didn't want to get away from God and believe the devil's lies,) but he showed her how there was more wisdom in it (when he began talking to her. So he got her fooled. He appeared as an angel of light, absolutely. So now you got psychology taking the place of the gospel. That's all you hear

nowadays. Now Eve)...didn't know; she wanted to know. She didn't understand, but she wanted to understand. ...God told her not to try to understand.

Now you got to watch that one, "God told her not to try to understand." That's true, there's many things you don't dig into, you just believe them. And I'm not saying we're trying to cover up things here under the cloak of ecclesiastical misinformation or non-information, or some secret. I'm just saying the truth here. When God told her simply what she was supposed to know, she just should of stood there. Not just say, "Well, God told us not to do it," and the devil turn around and say, "Well, just a minute, now you can do this, this, and this. And I'll show you something." She should...Her answer should have been, "Hey, I've got one Headship."

35 Now isn't it strange today, it was so easy for Eve to give up what she had in the Presence of Almighty God in the Garden of Eden and it's so difficult today for the church today to give up anything at all. Here in the signs...in the Presence of vindicated ministry, an absolutely vindicated picture. That's not something that's just up there for the fun of it. That's been vindicated by the highest authorities in the land. It is somehow a picture of a supernatural being, the Light struck the camera. It was taken. Isn't it strange there's no way the church can turn? Can't give up. Now if that's not a complete takeover by the devil, you tell me what is? "Why," say, "the church is nice. They're trying to be good. They're trying to be fine." Well, what was Eve trying to be? Was she trying to be a some type of a prostitute? She wouldn't have understood the word. She didn't want to be.

What about the world today after six thousand years? Nobody says they want to be, but they get stuck. Six thousand years of the wrong information, misinformation; and you know something? Even politics is doing it. What's been going on in South America? And over in Iran? And all over the country? What they call misinformation; they don't call it a lie. Oh, they're too diplomatic. It is misinformation. So now the church doesn't lie because she's political. She's in misinformation. They're organized. See?

36 Now, as Bro. Branham says, "God told her not to try to understand."

[78] How can I understand any of these things? I cannot understand them. I believe them. I don't have to understand them. God is faith, and not understanding. We...believe just what He said.

Well, does that mean you can never understand? No, it just means that hey, you can take God at His Word and wait if there's something to be known, you can know it but just stand with the Word of God. How can anybody know if God's going to do things if God promises to do them and the people doesn't stand still...if the people do not stand still? This woman would not stand still and so she had a problem.

[79] Now, compare God's Eden to Satan's eden, after six thousand years of perversion ...and...true interpretation of God's promised Word to this age. Now let's compare it...and see where we get to it. Like Satan did to the church in...Christ's time, ...tried to keep...back God's loyal sons from...the Truth....

In other words, he's saying, "The church tried to keep God's children away from the Truth." They had the Sanhedrin, the Herodians, and the Pharisees, all in one great big...I mean, the Sadducees, the Herodians, and the Pharisees, three groups of the Sanhedrin, all one great big ecumenical society. And they were keeping back the children, the Israelites from knowing the Word of Almighty God. Now,

[80] What if your father told you, and you are a loyal son to your father, and he...said, "Son, don't...go in that water out there, swimming, because there's alligators in that water"; and a fellow comes back, and said, "My, such pretty water as that, (there...can't be any alligators in that? There's no such thing as alligators out there.*)" Now who you going to listen to? If you're a genuine son, you'll listen to your daddy.

[81] ...a genuine son or daughter of God takes God's Word first. I don't care what anybody else says about it, they take God's Word first. "There's poison in the cup," and they believe it. (In other words, if there's poison in that cup, they believe it.)

[82] Having faith in all His Word, His Seed, brought a Eden of holiness, love, and Eternal Life. All right.

37 The key word down here at this point is not the people's actions but "having faith in all His Word, His Seeds, brought a Eden of holiness, love, and Eternal Life." All right. What did the Word of God bring? The Word of God brought that Eden. Right? All things created by the Word. Now what she should have done was stood back and said; "Now just a minute, big boy, all of this here is by God's Word. Now I think I'll just stick with God's Word." But she didn't. Now she knew it was all there by God's Word.

Now, the devil did not come along at that time and say, "I want you to know something, God did not do this by His Word, I did it by my word." See? Now the church today isn't that smart. They're like the time when Jesus was on earth and the people said, "Well, don't you know this fellow here, Jesus, he does that by the power of God." And the Sanhedrin said, "Now, hold it, he doesn't do it by the power of God, he does it by the power of the devil." Now right there they blasphemed and down the road he said, "I'll forgive you now, but there's going to come a day when that happens, there is no forgiveness."

38 I want to ask you a question. Is the church listening to the Church of Christ, that means all Roman Catholics, and every Protestant, Anglican church, Methodist, whatever they are, there's hundreds of them, hundreds, hundreds: are they all parroting the devil? The Church of Christ that says, "The devil heals"? Now you go to the Catholic church, you go to their shrines and you can get healed. Lourdes, Fatima, the rest of them, I don't know how many they got, they got dozens of them, I guess, they all go to them; they don't get too many results. They investigate them thoroughly, and they come away saying, "That's a genuine miracle of God." There's not too many people will turn around and say, "The devil heals," but when they get in a pinch, defending their religion, they'll make sure, "The devil can heal, you know, God lets him do it." But normally speaking, they're not going to tell you the devil heals, no; they usually don't want to do that.

So Eve could have said, "Well, now just a minute, if the Word of God gave all of this, I don't think I should listen to anything contrary." Now going back to this here, Matthew 12, which is our day. There weren't very many people who called That of the devil and even today there are very few blasphemers and only one man I know of and that's a German fellow, and he's crazier than a hoot owl because nothing he says is the truth. I read his book. He's completely stupid. And if I'd of been the Branham family, I'd of sued him and brought him to court with the Erdmann's(?) and all those that published it. I definitely would have and made him eat crow because even I could prove what he said was not true because I was with Bro. Branham a lot of the time. Everything he said was a lie.

39 But they don't say that those miracles were of the devil but they say the Word was. Now isn't it strange that the Word that made the miracles is of the devil and the miracles are of God? True. So where's your deception? Wisdom, smart, scientific; the Catholic church proves the miracles they have are of God or they're nothing. They stand there. The Anglican church knows miracles. Almost everybody but a teeny little bunch of foolhardy people that believe in any fundamentalism at all concerning God and His great works will tell you, "Yeah, I believe there's miracles. We just don't see any of them." There's healings. That God did it and the man's word is in God's Word? Well, you say, what then about the false anointed?

That's a whole lot different story because this man had **THUS SAITH THE LORD**. There's a different picture. But now you see they want to lump them all together. They want to lump Mark 16 and Deuteronomy 18. They can't do it, so therefore, the division of the Word is completely haywire and they are exactly like Cain who had the Word but misdivided it.

Now where are you? I'm going to tell you where you're at if you're listening at all tonight. You know in your heart you need a prophet like no other generation needed a prophet and you need a Spirit of God to help you to get it. That's why this church and every church that hears any kind of this message had better seek God to know that every member's full of the Holy Ghost and every member is looking to that Word to knowing those words lie right in place and understand them because this is that hour of understanding lest the deception take you because it's a deception based on the Word: Son of man, son of perdition. See? God incarnate; man of sin, right down the line. You can't change the way God does things. All right.

40 Now, he said here,

[82] That is what God's Eden produces-holiness, and it brought an Eden of holiness, of love, understanding, perfection, and Eternal Life. That is what God is planning, His Word, His Seed, that is what His Church will be at the end;...

Now look it, it says, "As God's Word brought that wonderful Eden. It was the planting Seed of Eden." So the planted Seed of God is going to bring forth at the end time what was there in the beginning in a form-now listen!-in a form that it wasn't previously because the Seed went through a transformation. What part of the Seed? All of it but particularly the flesh. Now this is what we're at today. "Now this is what God's Eden produces, holiness," and so on; the same thing for today. All right, now.

41 Adam was a seed. We know that. Let's go to Genesis 1...

(26) And God said, (Let's) make man in our image, after our likeness: and let them have dominion over the fish of the sea, the fowl of the air, and over the cattle, (Now remember, there's a statement made concerning Jesus who is the image of God in Hebrews, so you've got Adam here as a son of God, as it says in Genesis 5. Adam in the image of God, Eve in his image, just like Christ and here he is the son of God. And he's got dominion.)

(27) So God created man in his own image, in the image of God created he him; male and female created he them.

42 Okay. Now watch! In Genesis 2:

(7) And the LORD God formed man of the dust of the ground,...

Ah ha! Notice that God put the seed in the ground. Right? You follow what I'm saying? If he hadn't put the seed in the ground there would have been no little Adam's and Eve. One seed in the ground will bring forth every seed if it's a billion by going in that ground. And Adam died to that spirit body he was in, not a theophonic form but a literal soul-spirit-body, put in the ground, died to the other, to become a living soul, he already was alive, to become a propagator.

Now, if that's the case then God cannot fail to bring forth His own Seed, His own propagation. He can't do it. There's your law of Seed going to bring forth millions of sons and daughters of Almighty God. There won't be one of them missing. And that is what we're looking forward to in Eden now because Eden was the place where God put them to propagate. So they'll come back to it.

43 And those people who don't believe in a Resurrection body, and there's lots of them, they are literally blasphemers of the Word of God and I'm sorry but I doubt if there'll be any place for them. I just doubt it. I cannot

because, you see, they don't go back to seed. And seed is where life is, where the intelligence is, where the genes and the chromosomes are, which brings forth that in a figure of physical what lay in the spirit which is life. So how are you going to change it?

[83] Notice, here's a thought. Don't forget it. I'll get to it some other time or some other Message. But, you know, God said, "Let every seed bring forth of its kind."

What kind of seed was Adam? God's seed. "Well," you say. And here is where the people go haywire every single time. They said, "Well, hey, if that's God's seed how come it went haywire?" Well, God knew it would. That was part of the plan. You know, you can get so deep in the message you can forget you got a message and you can get very cold about the whole thing but I would suggest that you don't do it. I suggest you stay with the Word of God, what you don't understand, just believe. And understanding means this, how does it all work? How does it all come together? How does God do it? That's none of our business, just believe what God said. But you better believe what God said, and not stand back and say, "Well, I can't take that." I know a lot of people can't take it. They say, "Well, just a minute now." Paul answered their question. "Why doth God yet find fault? But who are you, oh man, to reply against God? Can the thing formed say, why hast thou made me thus?" You can't do it. Now,

[83] But...God said, "Let every seed bring forth of its kind." Okay.

44 We took that already in Genesis 1 and it says,

(11) And God said, Let the earth bring forth grass, (and) the herb yielding seed, the tree yielding fruit of (its) kind, whose seed is in itself, upon the earth: it was so.

Now as Bro. Branham said, "The seed was already there but it wasn't time to come forth." You know our bodies go to the dust but they're not going to come forth at this time, just like our bodies couldn't come forth this time in the bodies we've lived in now. They come forth in a time; they're going to come forth another time, same body. See?

(24) Let the earth bring forth the living creature (so it did, they got bodies)...

45 Then notice in [Genesis] 3:

(19) In the sweat of (your) face (you make)...bread, (you go back to dust from where you came)...

What was it? Well, what was there before without a body is now there again without a body? Then you'll come back and pick up its body. That's proven in nature. You get a tree, an oak tree, it has acorns. Acorns fall on the ground, pretty soon the ... tree dies, it decays, and makes fertilizer, makes soil, brings forth more oak again, round, and round, around in nature. From dust I came, to dust I go, I come back again. See? Always just what lies there. See?

[83] "Let every seed bring forth of its kind." Is that God's commandment? Now what good is any preacher, or anybody else, to try to make that Word say something else? (Now that's serpent seed, and seed of God. Now watch! He also says,) ...every Word of God is a Seed. And Jesus said so, "A Seed a sower sowed." (A Seed that a sower sowed. Now what's one of the words? One of the words is Mark 16. Now let's watch. This is a trap. Say, "Oh, hallelujah! I got Mark 16." And forget Deuternomy 18. Now watch! He says the next breath,) ...If Malachi 4 is God's Word, it'll bring forth too...

46 Now the Church of Christ says there's no healing; that's the devil. Everyone is blaspheming. How can you stand and deny God's Word and not deny Him? So, look it, let's face it. They've closed their book. Say, "Now Bro. Vayle, you should be sweet and nice." You got to be nuts. I'm not sweet and nice. I don't intend to be. I am sweet and nice. I'm going to go join God's side, I don't want to fight God nor do I want to fight with God or fight God. It means I don't want to argue, engage in a brawl because I'm bound to be a loser.

Now then he said, "Hey,-he slips this in-what about Malachi 4?"

"Well, nobody knows anything about that. You know, "Que sera."

"Well, is it going to come to pass?"

"Well, you know, `que sera´. If it doesn't it's to the Jews."

47 Now, Mark 16 is a fooler because anyone can have a gift but not the Giver. And how much of a gift do you have when you turn down the Giver? Can't recognize it. And how far do you go with Malachi 4? Nowhere, they can't do it. Every other promise and every other promise must bring forth of its kind.

Now he takes you right to the beginning, Eve stood there and God said, "All of My Word made this. I just spoke it and there it is, there it is. I give you the permission by the Holy Spirit influence you can move that tree over here and that tree over there, you can do this and you can do that and the other thing. But I just warn you one thing, watch that Word."

And Satan came by and he said, "Just a minute, I'm going to tell you about that Word." And she wasn't smart enough to say, "Hold it, boy, don't you try to tell me nothing." There it is right there again. Now you do what you want. "Well, I got to know this." No, you don't have to know that at all. You just have to know that God vindicated a Word and prophets have total recall. Don't think they don't. We have perfect recall, too, if we only knew it because the Holy Ghost brings to our memory. The Bible says so.

[84] Now you see...Satan out there in his disguise. (What's his disguise? A great scholar, or revealer, or prophet, teacher.) He is trying to say, "It is not...so."

48 What's he say to her? "It's not so you're going to die. You don't have to believe that." And he could have argued, "Well, hey, God's a good God. Do you think He'd kill you when He put you here for all that He said He would? Ah, come on. That's a little cliché, a little...He's got something in mind, different. Let me tell you what it's all about." He fooled her.

God meant what He said. She found out too late in the confrontation, she knew it was over. She began looking around for someone to blame. White Throne judgment, hey? Many will come in that day and say, so and so and so and so. White Throne. Where was White Throne for her? Right there. Now people say, "Wha´s this, the White Throne?" They cannot project their minds to where the Bible said the mind would be projected in this hour, calling those things which are not as though they were because they are. Time, literally, has ceased to roll in many ways; we join to eternity. That's a very rough situation but it's there.

[84] He...said, "It is not...so." Do you understand it? ...See, Satan say, "Oh, That isn't for this day.

49 Well, you won't surely die," he said, "oh my, maybe down the road ten thousand years from now, you know. Why," he said, "what are you doing here, pruning trees?"

"Yeah."

He said, "Notice that bit of prune material there how it just kind of evaporates, goes back to the soil." I don't know how it did it, but it did it anyway. "Why," he said, "everything is in a cycle. You don't need to worry." But he had her fooled anyway. She's like a foolish person went right to it like an ox to the...to her death.

[84] ...that's...for some other time. That...doesn't even mean that."

[85] "Every seed must come forth of its kind."

Now every seed comes forth of its kind, he's now talking about Satan's conversation as against God's conversation and he said, "Every statement will come forth of its seed." Now what is the seed of the devil? It is a lie. What is the Seed of God? It is the true Word; so therefore, the true Word alone will come forth and defy the word of the enemy like It's always done.

[85] "Every seed must come forth of its kind." That is how God established His Eden. Is that right? (Sure, that's how it did because every seed was there according to God.)

50 Now notice what Satan said to Eve, he said, "Now, ...I want you to notice something here, ...this knowledge which you're going to get will eradicate death, and enhance your life." Eradicate death and enhance your life. Every church promises what? It promises the eradication of death and the enhancement of life and so did William Branham promise the same thing to us. Now the point is was he lying? No, because he was a prophet. The others are liars because they don't qualify to Deuteronomy 18; until you qualify for Deuteronomy 18, then you are subject to gifts and a true anointing but a false word.

[85] ...here it is, that is how God establishes His Church, every Word after His kind! (Then how will our church be established in our day? By the Word of this hour and not for some other hour. See?) "Man shall not live by bread alone, but...every Word that proceeds out of the mouth of God." (Now what bread of God did they have before this day? The bread to get you out of the ground! What do they got for this day? A bread that will keep you going from going into the ground. Not many people but some are going to have it. Let's face it.) See? Satan, he'll take something else. But God said, "Every seed after its kind."

51 Now what's the seed for this hour? Malachi 4. What is that? "The son of righteousness rising with healing in his wings," that's what that's all about. That's what you keep your eyes on. See? I don't know how many are going to make it. That's not the point. The point is to stand like Eve but not be deceived. Every seed, every promise!

[86] If the promise said, "These signs shall follow them that believe." (Then all right that's what's going to follow.)

[87] Now the church says, "Join the church. Recite the creed. Know the catechism." There is no such thing in the whole Bible.

[88] But Jesus said, "These signs...follow them that believe: in My Name they...cast out devils; ...speak with new tongues; ...take up serpents, or drink deadly things, it won't harm them; if they lay their hands upon the sick, they shall recover." Who is any man to deny That? ...

52 Well, all right, it's almost universal they don't deny it, except little portions, like they'll argue about taking up serpents. Now that's how Cash Amberg(?), I think, lost his thumb when he got bit by a snake, he took it out, the snake went "whomp", and he lost his thumb or something. Now that's not what the Bible says to do that. That's

like tempting the Lord God, you know. Don't put yourself in a foolish position. But we like Paul, a serpent got him by the finger and of course, the serpent dropped back in the fire. But these...the Bible is true. But the point is it's the ultimate. This is not the ultimate because this has been going on for two thousand years since Christ. And this is a good Word, and you don't deny It. Well, what about the Word of this hour, Malachi 4? See?

Now Bro. Branham refers to this a lot because many people say this is not in the original. But it certainly is. It's in the original. But you cannot stand on this alone because Matthew 7 denies it by saying, "Many will come in that day, 'have I not cast out devils in Thy Name, done wonderful works, raised the dead,' and so on. He said, 'I never knew you'." Then what is he telling you? He is telling you that you can reconcile the entire Scripture for this hour so that people know exactly where they stand in the truth.

53 Now, the elect will not be deceived because they understand what? They understand Deuteronomy 18, and the rest do not. They understand Genesis 18, which is Heb 13:8 which the rest do not. They understand specifically that God does not change His ways. He's as adamant about that as He is about His own nature; He cannot do it. But the world has an idea that God does different things, and it's not so. So he keeps repeating it. Then he says,

[89] "Every seed (that's germ life) will bring forth of its kind." (The seeds and the chromosomes, I mean, the genes and the chromosomes.) If you are a seed of God, an attribute of God, ...then the Word of God is sown in you. (What is it telling you there? If you are that seed, then the ground that it was sown in which is you will then have something from the Sower, which Bro. Branham said, "I, the Lord, have planted it and watered it, lest any man pluck it out of my hand." No Word of God void of power. No Word of God will pass away. He said right there, ..."If you're the seed of God, a son, then the Word of God is sown in you.") ...And then when you hear the Word of God, "My sheep (or my Seed) hear My Voice; a stranger they won't follow." (Someone foreign to the Word; they won't follow it.) You get it? "Then every seed comes forth after its...kind."

So it tells you right there that every seed has within it a genetic pattern of history. It has a genetic pattern. And if your genetic pattern is not there, you cannot help in the end time but simply fall for the deception of the devil, but if your genetic pattern is there, the Sower or which is the Father having sown you in that particular genetic pattern, you will know by whom you're sown and you will follow that genetic pattern which is in the Word and take you right back to your Genesis. Whatever fell in the ground's got to come back multiplied. So there you are. This is where the deception of Satan is; it lies in fooling the people by giving a wrong word. Let's rise and be dismissed at this time.

54 Heavenly Father, we want to thank You again for Your kindness to us, wherein Lord, we see that these things are not the great mysteries that people try to impress us with and bring out something way, way, out there that is nebulous, that is really unattached to the Word Itself, but now it comes down to the direct simplicity of the 'spora', the seed, where the seed came from, what lies within its genetic patterns, and what must come forth according to that which produced it. Then we know Lord, that there won't be any slip-ups. The genetic pattern Lord, brought forth in a true seed of the Seed source will follow what lay in the seed according to the source, and having come from that source will go back to it. And go back as it says in Hebrews, "in the midst of the congregation will I sing praise unto Thee, in the midst of my brethren who are of the same source to glorify God."

So Father, we thank You for this tonight, we pray now because You have allowed us to receive it, as the prophet brought it to us, helping us to unroll and unravel our tired brain Lord, we believe that Your blessed Holy Spirit giving it to us will now imprint it right deep within our minds, giving us this understanding and there's nobody going to take it from us. And You, the Lord that planted it, has watered it, and going to bring it forth in this generation. Now let the spirit of faith, and joy and exultation, the spirit of the white heat, Lord that You called

for when You said, I would you were cold or hot, let that animation Lord, be fervent tonight in us, leaving the luke-warm condition once and for all, turning our backs upon it, refusing it, hating it, denying it, cleaving only to the truth, until we become the truth. Because one day Lord, we know what's in the seed, the genetic pattern, is going to come forth and like Job we can say, "We'll be satisfied when we wake in Your likeness," which we know cannot be far off.

Now unto the King eternal, immortal, invisible, the only wise God be all power and honor through Jesus Christ our Lord. Amen. The Lord bless you.

‘Take the Name of Jesus with you.’
