

## South American Minister Meeting March 2022

Atomic power Flood- Russia, US surrender

Brian Kocourek

**Serpent's seed 58-0928E P:12** *That's the reason **God has raised up Russia yonder with an atomic bomb to wipe her off like the antediluvian flood was**, when He raised the clouds. Sure He has, and the Bible says so. **Russia**, the atheistic country that they are, **has absolutely playing just exactly in the hands of Almighty God. Just as King Nebuchadnezzar was to destroy Israel because they failed to walk with God, Russia's raising right up to avenge the saints of the Catholic church of the blood that she's shed of the saints.** The Bible said so. It's going to take the whole thing.*

**We would see Jesus 59-0422 P:41** *And **Russia**, and **other places with missiles**, atomic bombs that could strike and blow a hole in the ground a hundred and seventy-five feet deep for a hundred miles square. And thousands of those... I was in a... There's a man setting right here now, a Chaplain out of the army, was just a few weeks ago in Los Angeles where they was talking it over. You can read in Look Magazine where that great general said, **the next war will just be minutes**. Some fanatic's going to blow his top one of these days, as we call it, and he's going to pull off one of those bombs. And **submarines will be rising up out of the ocean**, and other nations where they've got these atomic missiles planted and there'll be whirling one way, and the other... The world can't stand it. We're at the end time. We're here at the end.*

**El Shaddai 59-0416 P:57** *Now listen what Jesus said, "**As it was in the days of Sodom...**" Oh, let it sink in. "**As it was in the days of Sodom, so shall it be in the coming of the Son of God.**" The Spirit of God in human flesh, in His Church, revealing and **making manifest the sign of the Messiah** as He did in that day, as He did in the days of Christ, as He is at the end of the Gentile dispensation, just a few hours before the bombs fall, before the world will be destroyed... Great men, scientists, generals, and so forth, are saying that **the next war will only last about three minutes**. Russia's got them timed right for Hollywood and Vine. He's got them timed for Lakeside Drive in Chicago, and for New York City, and for everywhere. Them bombs are setting ready. We got it timed right on Moscow and different places. It just takes one person to make a mistake to pull one of them off sometime. And what happens? **The Bible's fulfilled then**. That's the only thing that's left. Can't you see what God is doing, friends? Can't you pinch your... not your hands, but pinch your spirit with the Word of God and believe it.*

**Sign of the time 58-0520 P:44** *By this time tomorrow night (hear me), there's not a thing, not one thing, that would keep shipload after shipload, plane load after plane load of Russian soldiers right out here, grabbing these women, and ravishing them in the street, and doing what they want to. Come in, and if they like your house, kick you out of it, and that's it. What are you going to do? Ungodly, barbarous men who doesn't know nothing about God and cares that much less... You say, "God does that?" He certainly does, according to His Bible. He has a punishing whip when His people won't obey. There's not a thing. What would our Pentagon do, if Russia did such a thing, and say,*

**"Now, surrender, or go to ashes."** We'd have to surrender, only sensible thing to do would be surrender. They're up there: we can't bring them down. They've got their guns on us. **Just about three or four of them bombs, and that settles the whole thing.** Oh, she's all shook up, brother, sister. The nations that are such a tremendous nervous condition tonight, till they don't know what to do. A great writer said the other day, there's one little...?... between the smartest of us and total insanity.

**End Time Evangelism 62-0603 P:45** Now, just **before the antediluvian destruction and the flood time**, well, we find out that they had a greater civilization than we have today. I believe that **they had control of atomic power**. I think that's what shook the world from its orbit. I've stood in the British ice fields; dig down five hundred feet, bring out palms, where there used to be palms there, and many hundreds of years ago. And we're taught and know that the world stood upright. But--and **they had such mechanical and such science till they could build a pyramid, sphinx**, so forth, that we couldn't reproduce today. We have no machinery to lift those blocks that far (See?), **'less it would be atomic**; gasoline power won't do it, and electrical powers won't do it. But it was another age much smarter than our age.

**Revelation chapter 4 pt 3 throne mercy 61-0108 P:35** And we found even the city that descends from God out of heaven... **After the earth is exploded and all gone to pieces and nothing left on the earth but volcanic ashes** (That's all will be left.), there'll be no more sea. The sea will dry up. As I was speaking last night to someone, or yesterday, in somewhere, **the earth once stood up like this, right, around the sun, equal heat all the way up and down**. Up in British ice fields, you can blast down there five hundred feet and find palms. It come suddenly, froze them like refrigeration now. Like your dehydrating, and so forth, and your freeze and deep freezes that keep strawberries and things for years and years and years to come. See? That's the same way it was in that time. Quickly there come an antediluvian destruction and flooded the whole earth over. And when it did, **atomic powers rocked it out of its orbits, and it froze over** and there she laid. See? Dig down and can find them, up around the arctic zones and things, palm trees and so forth. Showed that it was once inhabited, beautifully set up. And now it's shook back.

**Revelation chapter 4 pt 2 24 elders 61-0101 P:29** Now, "as it was in the days of Noah," smart men, smart men with their atomic powers and everything, could build pyramids and sphinx and so forth. "As it was in that day, so will it be." But the work's to be cut short in this day, 'cause there's to be a raptured people taken out. Like Enoch, there's to be a people carried over. We're in that class this morning, the people that's carried over like Noah was through the flood. But remember, before... Don't forget this. **Before one drop of rain fell**, before there was one thing in the sky, before Noah ever had the ark completed, Enoch was taken home. Enoch was raptured without death, just started walking one day, and he, gravitation lost its hold on him. And he found one foot a little higher, and the other foot a little higher, and another foot a little higher, and first thing you know, he said, "Farewell, world," just walked on up into glory. And when Noah looked around and couldn't find Enoch anywhere, he looked around, and he didn't know where Enoch went, then he said, "It's time to get to building the ark now." See? And he went to work on the ark to carry over the remnant.
